Memory Of The Flowers Lives Ever After . . .

Perhaps it's because they remind of happy days of the life that has just passed. It may bring to memory days in the garden, or a happy event of which flowers are so often a part.

For many reasons, flowers serve their highest ultimate purpose in bringing beauty to the memory of the funeral.

NOTICE

This is a reminder that WABJ still is operating at 1490 on your radio dial . . . and will be for probably several months yet. WJBK in Detroit is making the federally required tests just as rapidly as possible. With the completion of the testing period, WABJ will return to 1500 kilocycles during the WJBK construction period. Then will come that for which you are waiting and we are waiting . . . the opportunity long-sought by WABJ to furnish Lenawee County with fulltime, local radio service.

SO BEAUTIFUL! SO POWERFUL!

GENERAL MOTORS LOWEST PRICED EIGHT

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car.

Here's a car so handsomely styled it's one of the most beautiful on the road.

Performance-wise, too, Pontiac will take on all comers. Its big, high-compression engine gives you split-second response in city traffic, lets you cruise at highway speeds with plenty of power to spare and economy, too.

Pontiac is a big car—in fact, no car so big is priced so low. Its long 122-inch wheelbase means road-hugging safety. And inside you'll find Pontiac's big, roomy Body by Fisher gives you plenty of space to relax.

But Pontiac's outstanding feature is its price—a price so low that if you can afford any new car you can afford a Pontiac.

We'll be glad to prove that dollar for dollar you can't beat a Pontiac!

Dollar for Dollar you can't beat a **Pontiac**

Say You Saw It In The Tecumseh Herald

- - Local Happenings - -

Mr. and Mrs. J. H. Rohweder were weekend guests of Mrs. Rohweder's parents, Mr. and Mrs. Ernest McGeorge in Cleveland. On Saturday Mrs. Rohweder attended the 25th alumni reunion of her class at Western Reserve. Their son Tom, who has just completed his sophomore year of premedic work at Western Reserve, will work this summer at Crile hospital, Cleveland.

Mrs. Lyle Grigg attended a board meeting of Beauty Counselors in Lansing last Wednesday. The speaker at the meeting was Mrs. Florabel Pundt. Mrs. Grigg received her diploma as a beauty counselor.

First Lt. Cecil Kidd, whose wife Flora, and mother, Mrs. Fred H. Smith, live at 303 Chicago blvd., was recently assigned to the 45th Infantry Division, Korea. The 45th, originally an Oklahoma National Guard division, has been in Korea since Dec. 1951. It saw heavy action in the "T-Bone" hill sector last summer. Lt. Kidd, who arrived in Korea April 27, entered the Army in 1939 and was stationed at Ft. Bragg, N. C., before his Korean assignment.

Mr. and Mrs. Thomas Gehrken of Pico, Calif., came last week for a month's visit with Mr. Gehrken's sister, Mrs. David Beck and Mr. and Mrs. John Lott. David Lott Sk/3, is also a guest of his parents, coming for a stay of two weeks from his Coast Guard station at Boston, Mass. Sunday, additional guests were Mrs. Beck's sister-in-law. Mrs. J. W. Gehrken and daughter, Julia and Mr. and Mrs. J. Ward Gehrken and daughter, Cynthia, all of Monroe, and Mr. and Mrs. J. A. Zobel of Livonia.

The Misses Ann Carson and Clara Waldron were in East Lansing Saturday attending the alumni reunions of their respective classes at Michigan State College. As part of the day's ceremonies they were present at the dedication of a memorial plaque honoring the work of Dr. Beal, an early head of the botany department in the botanical garden he established.

Rev. and Mrs. Edward Escolme were in Cleveland from Monday to Friday of last week visiting their daughter and husband, Mr. and Mrs. Donald Johnson. While there they attended commencement and alumni reunion of Cleveland Bible College, of whose board of trustees Mr. Escolme is vice president. In that capacity he and the other officials presided at the ceremony of the burning of the mortgage on the property of the institution, and their pictures appeared in the Cleveland Plain Dealer.

Charles B. Bancroft, son of Mrs. Vira Bancroft, 111 Hiawatha St., graduated from Baldwin-Wallace College Sunday. A 1945 graduate of Tecumseh high school, Mr. Bancroft majored in religion at Baldwin-Wallace and expects to enter the ministry.

The Centennial school alumni will meet Sunday, June 14, at the home of a former teacher, Elmer J. Chapman, 1204 10th Ave., Port Huron, Mich. All former students, teachers and friends have been invited.

Mr. and Mrs. Clifford Preston and Miss Mary McWilliams were in Detroit Monday for the funeral of their aunt, Mrs. Belle McWilliams.

Mrs. E. C. Boss, Mrs. L. W. Larsen and Miss Mary McWilliams attended the convention of the Federated Garden Clubs at the Kellogg Center, East Lansing, Wednesday and Thursday.

Mr. and Mrs. Donald Johnson of Cleveland are expected to visit Mrs. Johnson's parents, the Rev. and Mrs. Edward Escolme this weekend. On June 20, they will leave New York by air for London, England. They will visit Mrs. Escolme's sister and husband, Mr. and Mrs. Robert Taylor, at Northwood Hills, Middlesex, near London, going from there to Carnforth in Lancashire and to Yealand, Lancaster and Morecombe to be guests of other relatives of both Mr. and Mrs. Escolme. They will return by boat, sailing July 3 from Liverpool on the Britanic.

Mr. and Mrs. Paul Eddy and Mr. and Mrs. Donald Cobb left Monday for Fort Lauderdale, Florida. The Eddys will remain for two weeks while Mr. and Mrs. Cobb will return after one week.

Mr. and Mrs. Bert Creger and daughter Shirley, Mrs. Marcia Carson and Wesley Handy spent Sunday with Mr. and Mrs. Edward Handy at the Irish Hills. Mr. and Mrs. Donald Handy and son of Clinton were also guests in the same home.

Mrs. John Saling returned last Wednesday from Minneapolis, Minn. where she had spent a week attending the Annual General Assembly of the Presbyterian church. Mrs. Saling was one of four commissioners from the Lansing Presbytery and also represented the Tecumseh Presbyterian church. The 1954 Assembly will be held in Detroit.

Ridgeway

There will be no services at the Methodist church next Sunday.

The W.S.C.S. will meet Thursday at the church for a cooperative dinner at 12:30 p.m.

Mr. and Mrs. Clifford Flower of Leslie visited Mrs. Estella Hite part of last week.

Mrs. Mildred McDonnell of Dearborn spent the weekend with Mrs. J. E. Baker.

Albert Filter is a patient in Herrick Memorial hospital, suffering with a broken arm and other injuries received when he fell from a porch on which he was working.

The United Workers will meet with Mrs. Minnie Sturtevant next Thursday.

Mr. and Mrs. C. Hill of Monroe were recent guests of her aunt, Mrs. Hattie Wood.

Mr. and Mrs. Clifford Southard and daughter Evelyn were guests Sunday of Mr. and Mrs. Tom Long of Holland, Ohio.

Mr. and Mrs. D. V. Sturtevant and Mrs Gertrude Birdsall were Sunday dinner guests of Mrs. Emma Friedlander of Wamplers lake.

The Rev. Theodore Iben preached his farewell sermon at the German Lutheran church north of town Sunday. Wednesday, he and Mrs. Iben left for their new home in Colorado.

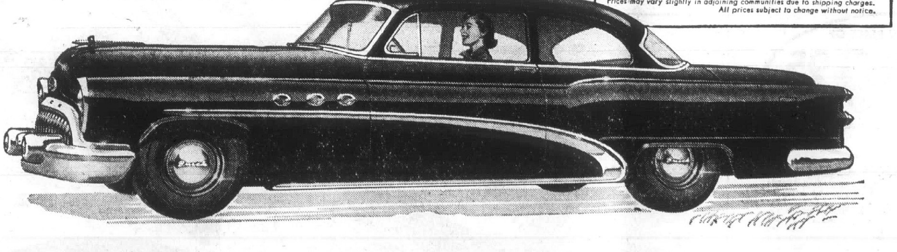
—the new 1953 Buick SPECIAL
2-Door, 6-Passenger Sedan
Model 48D, illustrated, *DELIVERED LOCALLY*
Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.



We present this eye-opening news for good reason.

A lot of people have no idea that this big, roomy, sweet-riding 1953 Buick Special costs just a little more than the so-called "low-priced" three.

Maybe you're one of them—and we'd like to clear the picture for you.

We'd like you to know that you can buy the most beautiful, the most comfortable, the highest-powered Special in Buick history for the price proudly headlined here.

But there's more to this great automobile than just more room and power and thrill per dollar – more than just the solidness of Buick structure, the pride of Buick styling, the steadiness of Buick riding.

There's walloping big value above all this.

For here you get as standard equipment a host of other things that most other cars of similar price charge as extras – things like twin sunshades, lighter, automatic glove-box light, direction signals, dual map lights, trip-mileage indicator, oil-bath air cleaner, full flow oil filter, bumper guards front and rear.

THE GREATEST BUICK IN 50 GREAT YEARS

The key—and the thrills—are waiting for you.

Why not drop in on us this very week and try the most exciting Buick Special ever built? We *know* you'll find it a buy too good to pass up.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Mr. and Mrs. Clyde Bailey are announcing the engagement of their daughter, Marjorie to Royce E. Beal of Renfrew, Canada, the marriage to take place in August.

Many New Cases Now Covered By Social Security

MANAGER SAYS OVER $90M PAID MONTHLY IN LENAWEE COUNTY

"Monthly Social Security payments totaling $91,009.00 are currently being paid to 2,339 people, in Lenawee County," Raymond C. Backus, announced. This is an increase of 13% over payments a year ago.

Mr. Backus said that his office, serving a four county area, Jackson, Washtenaw, Lenawee and children receive $61,624.00.

Changes made by the 1950 and 1952 amendments to the Social Security Act account for a considerable part of the increase, both in the number of people receiving benefits and in the amounts of their payments. In 1950 the law was changed to include millions of people not covered before, and to make it easier for them to qualify for payments. Among those newly covered were self-employed people and regularly employed household and farm workers.

The 1952 changes, effective in September, raised the amounts of practically all benefits, gave social security credits for military service after the end of World War II, and provided that a person can be considered "retired" even though he is earning as much as $75.00 a month.

About 80% of civilian jobs are covered by the law; four out of five of the mothers and children in the country can count on monthly survivors insurance payments in case of the death of the family breadwinner, Backus explained.

Money to pay social security benefits comes from the social security taxes paid by employees, employers, and self-employed people, on earnings up to $3,600 a Hillsdale, currently handles 10,726 cases receiving benefits at the rate of $5,314,704.00 a year.

The men and women 65 or over who have worked long enough to qualify for old-age insurance benefits make up the largest group of beneficiaries and receive larger amounts than dependents and survivors. Numbering 5789, they receive $282,013.00 monthly, an average of $48.71. Most of them age 65 to 74 receive payments after meeting the test of retirement given in the law; those 75 or over receive payments even though they are still working.

In the smaller groups, 1651 wives and dependent husbands receive $42,984.00, 992 aged widows and dependent widowers receive $39,763.00 and 25 dependent parents receive $1,092 monthly.

Buy U. S. Savings Bonds

Mrs. Aetollia Van Wagner has won the War bond slogan contest offered by the Quaker Oats Co., with the slogan, "Don't trust Lady Luck,—she doesn't trust you."

Hal Lewis, Jack Gooding and Jack Osburn announce the opening of the Top Hat Grill, June 11. It is located at the corner of Brown and Mill streets.

Clare Camburn will act as judge at a band contest to be held at Bryan, Ohio, June 16.

With the passage of Senate Bill 1066 which the governor has signed as of 1:30 a.m. May 22, the public at large is assured of greater security in their business relations with collection agencies. We feel that a long step forward has been taken to establish our profession so that the public will have a justifiable confidence in dealing with any Michigan collection agency. The executive office has a consciousness of the benefits which will accrue to the general public as a result of the enactment of this bill.

Senate bill 1066 was introduced and proposed by Senator James Teahen of Owosso with amendments as proposed by the membership of the Michigan Association of Collection Agencies, Inc. consisting of approximately one hundred of the leading and well established collection agencies of the State of Michigan.

Photo from left to right are Glen S. Richardson, Director of Legislative Committee, Lansing; Clair Andrews, Legislative Chairman, Flint; Governor Williams; Jack Bennett, President, Michigan Association of Collection Agencies, Flint; and James Mintz, Vice President, Michigan Association of Collection Agencies, Sturgis.

LOCALS

The fifteenth annual reunion of the Caswell rural school near Cone, Mich., will be held Friday with potluck dinner on the school grounds at 12:30 p. m. All former pupils and teachers are invited.

Mrs. Vira Bancroft spent the weekend at Berea, Ohio and attended the commencement exercises of Balwin Wallace College where her son Charles, graduated Sunday.

[illegible] Agene Rosacrans came Monday evening from Santa Monica, Calif., to visit her parents, Mr. and Mrs. E. W. Kimball of Clinton and friends and relatives in Tecumseh.

Sunday dinner guests of Mr. and Mrs. Lawrence Blum were John Davis of Berkley and Miss Marie Farwell of Detroit.

Mr. and Mrs. William P. Snooks and daughters Jocelyn and Judith have moved to their new home at 505 Center Dr., Herrick Park, from Marion, Ohio.

She: "I've lost my job. Everything I do seems to be wrong."

He: "What are you doing tonight?"

In all these things you want...

Chevrolet's farther ahead than ever!

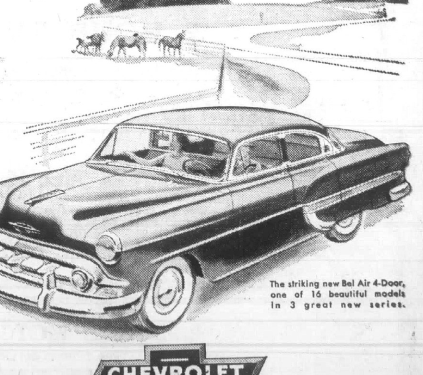
. . . in Fisher Body Quality! It's the *only* Body by Fisher in the low-price field. And now it's even more outstanding in styling, in comfort and conveniences, in quality.

. . . in High-Compression Power! Most powerful engine in its field with 7.5 to 1 compression ratio—the new 115-h.p. "Blue-Flame" engine with Powerglide.* Advanced 108-h.p. high-compression "Thrift-King" engine in gearshift models.

. . . in Powerglide and Power Steering!* Powerglide is the newest, most advanced automatic transmission in its field. Power Steering—another Chevrolet exclusive in its field—lets you steer with finger-tip ease.

. . . in Economy and Value! You go much farther on every gallon of gas (regular gas, at that). You save on over-all costs of operation and upkeep. Chevrolet is again *the lowest-priced line in its field!*

. . . in Popularity Leadership! Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. For the first 3 months alone, Chevrolet is over 20% ahead of the second-choice car. Nearly 2 million more people now drive Chevrolets than any other make.



The striking new Bel Air 4-Door, one of 16 beautiful models in 3 great new series.

CHEVROLET

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

---

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

ONE HUNDRED SECOND YEAR — NUMBER 37 TECUMSEH, MICHIGAN, JUNE 18, 1953 FIVE CENTS A COPY

John Hamiltons Give New Life To Polish Boy Through Adoption Plan

"Tad" Glanowski has been adopted by a Tecumseh family.

Though he will probably never see his foster parents, the John H. Hamiltons, nor their far away American home, "Tad" has a new life and a promise to live and not merely exist in the future. He will know that somewhere, a family cares for him.

The "adoption" was arranged through internationally operated Foster Parents Plan for War Children. It is financial only, not legal.

"Tad" is a tousle-haired 4½ year old Polish boy who knows only the meager life of a displaced persons camp. Before his adoption, the capable, smiling child was an uncared for "number" (18282). But under the Foster Parents Plan he will become the "son" of someone and treated as an individual. For the Hamiltons now contribute $15 monthly for "Tad's" support, for at least a year. In return they receive a picture, life history and correspondence from the Plan office — which is encouraged since "Tad" needs the feeling of being loved and belonging to someone.

TAD — In DP Home

After hearing of the Plan, the Hamiltons applied for adoption to "know just where their money for overseas relief was going." They have been active contributors to missionary programs and had given financial aid to war-torn countries, but could never feel they had directly aided a person in need.

"As foster parents," Mrs. Hamilton said, "we can directly help Tad and his mother." The Hamiltons have two children of their own.

"Tad" was actually born Tadeusz Glanowski, Sept. 14, 1948 in a DP camp and knows no other kind of life.

His parents met in an UNNRA camp after both had spent the war years as slave workers for the Germans. The mother is from the Russian Ukraine where before the communist revolution her father had been a rich farmer. He was at that time imprisoned and died. When the area in which Tadeusz' mother lived and worked on a collective farm, with her aunt, was occupied by the Germans, she was deported to Germany and put to work in a factory.

The father of Tadeusz is a Pole who worked before the war as a cinema operator near Krakow. He was deported in 1939 to Germany and underwent much hardship while a forced laborer, which resulted in his becoming a victim of T.B. the fate of so many of the unfortunate people who spent the war years under German domination. It was not until after Tadeusz' birth that his father fell ill and he was admitted to a sanatorium in 1949. He has been hospitalized ever since.

Both mother and child live in Camp Marx in one small room in an old wooden barrack. The floor is covered with pieces of old blanket to keep out the cold and the furniture is of the meager camp variety. A dismal home for the little boy whose whole future seems uncertain. His mother cannot find employment and all she has to depend on is $18.15 which comes from Unemployment Assistance.

The Hamilton's timely adoption of Tadeusz will assure him of a monthly cash grant, plus regular issues of PLAN food and clothing. This aid will mean the difference between living and merely existing for the child, and his mother. Together with the gift of friendship, their lives will be brightened, through generosity. Mrs. Glanowski has a cousin in Canada, who emigrated to that country with her husband in 1947, but they are unable to give any help to their relatives.

Tadeusz is a capable little boy with blue eyes and blond hair. He goes to kindergarten and has learned to draw and write his own name.

Foster Parents' Plan has cared for more than 73,000 European war children. It is now operating in Belgium, England, France, Western Germany, Greece, Holland, Italy and Korea, and is helping unfortunate and impoverished children of fifteen different nationalities without regard to race or creed.

Vacationers: Vote Absentee

If you are going on a vacation the last week in June or, for any other reason, will not be in Tecumseh on Monday, June 29, you can vote now—ABSENTEE.

Ballots are available at the township supervisor's office, L. H. Titley, next to Strand theater.

There are two separate ballots. One states, "Shall the territory described below be incorporated to be known as the City of Tecumseh". . .etc . . . yes . . . no."

The other ballot lists 23 candidates (plus one write-in space) for the nine charter commission posts.

Eight Scholarships Awarded Seniors At Exercises

At the annual commencement program held Thursday evening in the Strand Theatre, eight scholarships were awarded and several awards presented. Irma Brollier received the Regents Alumni scholarship to the University of Michigan; Marian Titley was awarded an entrance scholarship to Michigan State College; Lorissa Peotter received a scholarship to Michigan State Normal College, in Ypsilanti; Melvin Boltz, Bill Beardsley and Bob Binns were awarded scholarships to Michigan College of Mining and Technology at Houghton, and Joan Pfaus received an honor award from Michigan State College, a new award based on character, scholastic ability and leadership. These were presented by Supt. James McDowell.

The Rev. Edward Escolme presented Herrick Foundation Scholarships to Miss Brollier and Jerry Barron. The William C. Gaston award, a wrist watch, was present to Merlyn Wagner and merit pins from the V.F.W. were presented to Misses Brollier and Titley by Harlan Boyes, commander of Hall-Slater Post. Jack Betzoldt, president of the senior class, presented Mr. McDowell with a cash donation for the school auditorium from the seniors.

Commencement addresses were given by Gretta Porter, speaking on "The Three R's and Some Other Letters Too" and Merlyn Wagner on "The Great Lesson." Miss Porters' talk stresses their class motto, "Knowledge Itself is Power" and Merlyn explained the meaning of knowledge with various Bible verses. The salutatory was given by Irma Brollier and the valedictory by Marian Titley. The Girls' Chorus, directed by Robert Peck, sang two numbers "Now is the Hour" and "Hail Tecumseh High," with Betty Day acompanying.

Members of the class were introduced by Principal Neville L. Hart and diplomas were presented by Mr. McDowell. One senior, Shirley VanCamp, was unable to attend because of illness and her diploma was given to her brother Donald. Mrs. Bertram Updike played the processional and recessional and the Rev. Escolme gave the invocation and benediction.

NEW OFFICE GIRL

Miss Shirley Van Hook took over duties this week as secretary in the Tecumseh Chamber of Commerce office in the Sage building.

She is a recent graduate of Tecumseh high school.

Miss Carol Pearson, who has filled the post for the past year, resigned to be married "sometime in July".

A Red Letter Dedication Date In Tecumseh

Thursday, June 11 will go down as a "red letter" day in Tecumseh's memoirs, for at mid-morning on that day, Hugh Andrews turned a spade-full of dirt which started construction on the swimming pool which memorializes his late daughter, Joyce. High school band members, a crowd of interested citizens and backers of the pool project are shown at the north end of the Recreation Field bowl where the pool will be located in a surrounding of natural beauty.

Bandmasters Pick Storyhour Theme

Lenawee county bandmasters have selected the "Story Hour" theme for Tecumseh's annual fall band festival to be held at Recreation Field Sept. 29, Clare Camburn announced this week.

The annual program is held in cooperation with Tecumseh business firms through the Chamber of Commerce and this year may include a record number of 14 bands. Camburn said both Boysville and Madison Center are being considered to round out the 90 minute program.

At a recent meeting of the county bandmasters, the following assignments were issued:

Addison, Indian Theme; Onsted, Red Riding Hood; Sand Creek, Snow White; Cement City, Alice in Wonderland; Deerfield, Rip Van Winkle; Adrian Catholic Central, Deep South; Adrian, The Circus; Tecumseh, Honest Abe; Blissfield, Buffalo Bill; Clinton, Stephen Foster; Britton, Jack and the Bean Stalk; Hudson, Three Bears; Morenci, Three Pigs.

160 ENROLLED IN BIBLE SCHOOL

A total of 160 students enrolled in the Vacation Bible School Monday and Tuesday with more expected to enroll on Wednesday. The Methodist, Baptist and Friends churches are combining for the school sessions which are held daily except Saturday from 9 till 11 o'clock. The Rev. B. O. Bashore is dean of the school and the Rev. Edward Escolme is in charge of the visual education periods. Sessions are being held at the Baptist and Methodist churches.

At the Methodist church Mrs. T. Rentschler is in charge of the nursery and is assisted by Mrs. Lee Kayner, Mrs. Glenn Rupp, Mrs. Milton Meyer and Mrs. Richard Beemer. The kindergarten is also meeting in the Methodist church and is under the direction of Mrs. Harold Easton who is assisted by Mrs. Paul Hadsell, Misses Joyce Stuart and Sally Rentschler.

Mrs. Francis Packard has charge of the primary department and Mrs. J. T. Callahan and Mrs. Maynard Lucas are directing the Junior group, both of whom are meeting in the Baptist church. Mrs. Clarence Randolph is in charge of the music periods.

SWIM PROGRAM STARTS MONDAY. REGISTRATION OPEN TO ALL CLASSES

Boys and girls of all ages will fit some-where in Tecumseh's summer recreation swimming program, Duane K. Furbush, director, said in announcing opening registration Monday at the "Pit".

All participating swimmers must register, following this procedure: 9:30 a. m. beginners with last names from A through G, 10:00, H through P; 10:30, Q through Z.

Those who have passed all beginners tests last year will join the intermediate class and register at 11:00. While full-fledged "Swimmers" will sign up at 11:30.

Junior and senior life saving classes will register at 11:45.

Anyone unable to register at these times should contact Mr. Furbush at the "Pit" between the hours 2 to 6 p. m. any day prior to next Monday.

Life saving and water safety will be stressed to the same extent as always, and similarly anyone seriously interested in life saving and water safety will be taught free of charge, individually if he or she is unable to meet at regular class time.

Further information can be obtained from the swimming director.

Pool Project Adds Variety To Work Underway Here

BRIDGE, HIGHWAY AND SCHOOL AMONG LOCAL CONSTRUCTION JOBS

When heavy earth moving equipment rumbled onto Recreation Field this week to start digging a cavity for the Joyce Andrews Memorial Swimming Pool, most Tecumseh residents looked on with calmness — for construction is again this summer an everyday occurance in Tecumseh.

Just a stone's-throw to the south giant cranes are hoisting I-beams into place as Miller-Davis contractors hasten the high school gymnasium addition to completion. The same firm is busy with the other high school addition at the northwest — which is taking final shape already — plus the Patterson Elementary school on North Van Buren, due for completion by school's opening.

Then there's the matter of a state highway bridge on M-50 at east village limits, a Hansen-Ruckman undertaking also to be completed for use before fall.

In the other direction, Tecumseh needs little reminding that the orange trucks of Knapp Construction Company, Monroe, are bee-hiving around the last half mile of Billington's Corner to Democrat street. For the giant paver stands by Ben's Market, where it has for a week now as bulldozers and power shovels ready the road bed where old concrete once stood. The paving ends at Democrat. From there on through the entire village, Chicago boulevard will be topped with three inches of bituminous concrete (blacktop). Work has already started narrowing the islands to five feet.

A final project, which is nearest completion, is the Herrick Memorial hospital maternity addition now in its final stages as Walter Butler builders eye a July opening.

But of all these major construction projects, the swimming pool is probably watched closest, especially by Tecumseh's youngsters who are holding the Kreighoff Co., Adrian, to their promise of "swimming in August."

G. W. Jensen, head man on the job, can be seen these days bustling from the temporary work shanty on site to stake marker or a batter board checking minute details. In one hand he carries the lengthy state code governing construction of swimming pools and in the other a complicated blue print of every nook and corner of the operation.

"We'll probably have the main slab in next week," he said today, "it'll go pretty fast after that. The steel will be rolling in right away." The intricate part of building a pool is not pouring 12-inch thick concrete to a fine line, but in the complex water and plumbing system. But all this is nothing new to Jensen, who has past experience is such operations.

E. M. Campbell, chairman of the finance committee, said over $50,000 has been raised as contributions continue to pour in. A number of large gifts to the pool fund have been received from Tecumseh Products employees, the Rumpf Truck Lines, R. S. Moore and Son, and Adrian Salvage Co.

Individual contributions can be made at the Village Office, Chamber of Commerce or deposited in the sidewalk canisters.

CULBERTSON REUNION

Culbertson School District No. 1 fractional is planning an alumni reunion to be held Sunday, June 28.

Softball Loop Opens Monday

Explorer Scouts will take-on Dick's Standard Service at 7 p.m. Monday and United Products Workers will tangle with John's Gulf Service at 8:30 in the opening round of summer softball games at Recreation Field.

On Wednesday, Tresco meets the Has Beens at 7:00 and FFA plays United Products at 8:30 to complete the first week's activity. Games are slated for every Monday and Wednesday evenings through June and July with a round-robin playoff in August.

Summer recreational director Lester Runk has issued a number of rules and regulations to each of the seven team managers, Ashley Chase, Explorer Scouts; Dick Whelan, Dick's Standard Service; Stanley Rentschler, United Products Workers; John Hamilton, John's Gulf Service; Fred Randall, Tresco; Richard Young, FFA and Don Brazee, Has Beens.

LOCAL NURSES AID IN FLINT DISASTER

Two nurses from Herrick Memorial hospital answered a desperate plea for assistance in the emergency caused by the tornado last week in Flint. Saturday morning an urgent call was received by Miss Gertrude Spaulding, superintendent of the hospital, through the Red Cross Nursing service midwestern area office at St. Louis, requesting two nurses from Lenawee county to assist at Flint.

Miss Spaulding immediately released Mrs. Wanda Cavin and Miss Marian Pennington for a two week period and they were assigned to McLaren General hospital by the service.

The local hospital has been fortunate in being better staffed than most hospitals in the state, Miss Spaulding said, and was proud to be able to share its services with the needy people of Flint.

According to Miss Spaulding, in time of emergencies and disasters such as occurred in the Flint area this past week, the Red Cross Nursing service assumes responsibility for providing the necessary nursing care needed over and above that which can be provided in the immediate area. She said that the majority of Red Cross nurses in the county are married nurses with families, which makes it difficult for them to respond to such a call away from home even in a disaster such as Michigan has experienced.

NEW INDUSTRY IN TECUMSEH

The Michigan Burner Co., formerly of Detroit, has joined the growing number of industries in Tecumseh. Newly decorated offices and plant are located at 115 S. Ottawa street. Directors of the company are Mrs. Willis Porter, Mrs. Leon Williamson, Mrs. Carlos Jones and Mrs. Chester Beach.

The company for the past 20 years has been a pioneer and leader in the development of oil heating units for commercial and industrial use, as well as development of burners for home heating, a director of the company said.

CHANGE IN POST OFFICE BOX RENTS

A new schedule of rental charges was announced this week by Postmaster Jack Metcalf for the 500 patrons of Tecumseh post office lock boxes and drawers.

The following new schedule becomes effective July 1 for July, August and September: Large $2.25; medium $1.50; small $1.10.

Duplication Of Services In Village Eliminated By City Incorporation

(Keynote to the second of a series of articles by Rev. B. O. Bashore on the advantages of incorporation to Tecumseh is "duplication of services" a determining factor in the forthcoming June 29th election. Rev. Bashore is co-chairman of the Citizen's Planning Committee and information director of the non-partisan group of civic-minded men who organized the original plans for incorporation.)

In last week's Herald we attempted in a sincere, straightforward manner to present the facts, as we know them, regarding incorporation, Rev. B. O. Bashore reviewed, to our friends and neighbors in the outlying area.

This article will be given to telling those inside the present Tecumseh village boundaries the facts and advantages in favor of incorporation as a city.

The charter under which Tecumseh now operates is older than most records of this paper.

This type of government can only perform a limited number of municipal functions. The township performs the rest.

This creates a duplication of services in many cases.

For example:

● It is necessary for you to register with both the township clerk and with the village clerk to be eligible to exercise your privilege and duty as a voter, in all elections.

If you vote for incorporation as a city, **one** registration entitles you to vote in all elections. Some 150 persons were denied their vote in Tecumseh at the last village election because of the confusion the present system creates.

More efficiency in local government:

● The people who serve the village at present are doing so, largely because no one else will. Their job is a thankless one, to be sure. Everyone of these men has his own business to attend and can not give the necessary time to attend to the affairs of government.

We are growing, therefore more responsibilities are piled upon the village officials.

A very great need is for trained leadership in Tecumseh government.

No more tax:

● Everyone is concerned about taxes. Your committee has made a careful survey of 20 cities comparable to Tecumseh in this matter. Our findings indicate that the word "city" does **not** indicate higher taxes.

We suggest you check with the cities of Marshall and Clare for further information.

All things being equal, we can say, "No more taxes!"

If the national economy demands more taxes — then whether we are a city or a village the taxes would increase.

No, the word "city" does not mean higher taxes.

Last week's article also dealt with the facts about the schools.

The city incorporation does not affect the school district in any way. Nor does it change the school services or tax.

Tecumseh is recognized as the "Refrigeration Capital" of the world—here we sit with a village charter which is so far behind the present day needs that one can only say it is almost useless.

Progress all about us—growth everywhere and we try to meet these needs with a "one horse" charter. We are 15 years late in doing this needful city incorporation!

When you go to the polls on June 29th cast your vote for a progressive up-to-date city. Vote "yes" on incorporation and help make Tecumseh a better place in which to live. Those who will come after us deserve the best. Our contribution to them is a vote for city incorporation. Please feel free to contact your committee for any further information you may desire on incorporation.

A mass meeting has been announced for Thursday, June 25, at Central school auditorium, 8 p.m. A panel will discuss this entire matter. Everyone should plan to attend for the sake of a bigger and better Tecumseh.

(In next week's issue, the last before the election, Rev. Bashore will further enumerate the findings of the Citizen's Planning Committee and review the importance of this June 29 election issue — incorporation)

DR. T. R. CAGE BEGINS PRACTICE HERE JULY 6

Theodore R. Cage, D.D.S., will be associated with Dr. Robert J. Murray in his dental office beginning July 6. A native of New Castle, Penn., Dr. Cage has been a resident of Ann Arbor for the past ten years. He served with the Navy in the Pacific during World War II. Dr. Cage received his Bachelor of Science degree from the University of Michigan and graduated this year from the School of Dentistry. He will reside at 213 E. Shawnee street.

ASSEMBLY OF GOD BIBLE SCHOOL BEGINS JUNE 22

Vacation Bible school for children between the ages of five and 15 will be held June 22 through July 3 under the auspices of the Assembly of God in the Central school building. The school will be conducted by the Rev. and Mrs. L. H. MacPherson, pastors of the church.

Water Problem Tops Discussion Of Councilmen

ENGINEER ORDERED TO TRY MORE TEST WELLS; OILING PETITION READ

Probably the most taken for granted service offered by the village of Tecumseh — water — was on the discussion block Monday night as councilmen pondered over ways of meeting the increased consumption.

Village engineer Ed Nelson was finally ordered to have three more test wells put down. Size of the wells and engineering questions are to be taken care of by a consulting engineering firm which specializes in water problems.

A test well put down a month ago near Tecumseh high school was unsuccessful. Well sites must also be approved by the state Department of Public Health.

The council members tossed around water consumption figures of unbelievable proportions for a village this size, and for the number of wells in use. At present four wells are producing water, one is dry. All are at near capacity operations during the week, water consumption drops off on a weekend.

And the oncoming summer demand is abnormally high. Add all that to the growing number of local homes and the council clearly saw the need for an additional water source.

Also Monday night a petition from residents on south Pearl street and Patterson street for immediate arrangements to be made to oil or otherwise surface Pearl between Cummins and Patterson and Patterson between Union and S. Evans was read and referred to village engineer Ed Nelson for consideration. The petition was signed by Bertha LaPointe, Macy H. Beach, C. A. Beach, Gertrude B. Houseman, Sherman Cole, Harley Cole, Louise Baird, John H. Curth, Gerald H. Griffin, Victor E. Peterson, Harry Schuch, Harold G. Richardson, Glenn G. Rupp, Jim Murphy, Mrs. Joseph Poley, Hazel E. Kayner, L. E. Kayner, David Balo, Caroline Sathmorey, Steve Vargo, Richard Beemer, Inez Muhn, Nina Butler, Richard Butler, Mr. and Mrs. Stanley Packard, Mr. and Mrs. Lawrence Poley, Mr. and Mrs. Abel Randolph, Mr. and Mrs. Paul McClue, Mrs. Grace Payne, Louis Vincze, Mr. and Mrs. Frank French, E. E. Shirey, Mr. and Mrs. D. L. Morehouse and Mr. and Mrs. Don Beemis.

A communication was also read from the state highway department denying the VFW post the right to close the state trunkline through Tecumseh for the purpose of staging a Fourth of July carnival and celebration.

The council also discussed the need for an ordinance requiring out-of-town peddlers to register and put up a bond before soliciting within the village limits.

Alumni Banquet Attended By 175

James C. Beardsley was elected president of the Tecumseh high school Alumni Association for the coming year at the annual reception and banquet Friday evening in the Legion Memorial Home. Other officers chosen were Dr. R. T. Hammel, vice president; Mrs. Harold Black and Mrs. Robert Hanna, recording secretaries; Mrs. Richard Eggleston and Mrs. George Elliott, corresponding secretaries; Richard Boyce, treasurer. The dinner was attended by 175 persons and was served by the women of the Baptist church under the chairmanship of Mrs.

(See Alumni Banquet Page 7)

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

GOOD FOR TECUMSEH — One sure thing the June 29 election issue of incorporation has done for Tecumseh, and that is the way it's drawn the people closer to their local government — a very good sign.

Any two-sided public issue when tossed back and forth around a community can bring forth some astounding differences of opinion, none are all right, or all wrong, but each is a balance or antedote for another.

That election vote, by the way, should be a whopper. Should shatter last fall's presidential. For this is a grass roots matter, right here at home. Everyone knows the issue involved, it's our own decision and such an important one that the future deserves a one-hundred percent turnout.

You might red-circle that June 25 calender date to be sure and attend the mass meeting at Central Auditorium.

All this is unmistakeably good and healthy for Tecumseh.

●

POLIO TIME AGAIN — Summer means fun for many, but the Lenawee county health department sends out an S.O.S. of polio precaution for parents to help guard their children against the crippling disease. Here are a few of their top pointers, well worth following.

1. Insist on rest periods of an hour or two hours a day for your children. This does not mean bed rest necessarily, but, an hour or two of reading or other quiet games or stories. This precaution will not prevent polio, but, may help to prevent the development of more serious polio if the child already has the virus. Experience has demonstrated that persons who are over-tired when polio virus is already in their bodies are likely to develop a more serious form of the disease.

2. Do not allow your children to become chilled. Don't let them stay in swimming until their lips are blue, their teeth chatter and they break out in "goose flesh." Chilling has the same effect as exhaustion in bringing about a more serious condition, if the polio virus is in the body.

3. Keep children within their own circle of friends.

4. Be alert to detect early signs of sickness, particularly signs similar to the common cold. Low fever, upset stomach, intestinal disturbances, headache, backache, stiff neck or back, tenderness or weakness of muscles, may mean polio. Report such signs to your doctor immediately. Calling the doctor early is important. He will be able to institute methods of treatment that will influence the course of the disease and possibly prevent the development of serious paralysis. Early diagnosis, prompt hospitalization and proper treatment are the doctor's weapons against the disease.

5. Don't allow fear to cloud your judgment. Your anxieties will instill fear in your children. Even if your child should get polio, he has an excellent chance for full recovery. Half of those who get paralytic polio recover to the extent that they are not handicapped.

6. Keep your child clean, well rested and well fed. See that he washes his hands and his face thoroughly before eating and washes his hands after going to the toilet.

7. Consult your physician about postponing nose and throat surgery and your dentist about postponing tooth extractions if there is polio in your community.

8. Observe these same precautions yourself. While 75% of all polio cases occur in children under 16 years of age the remaining 25% occurs among adults of all ages.

●

RETURN FROM YOUR VACATION — Or a better heading than that might be, TEN THOUSAND IN THREE MONTHS, for that is the startling number of highway accidents involving tourists and vacationers during June, July and August.

What could we say editorially to startle the meager scope of Herald readers in some 3,000-plus homes in Tecumseh to give the Dad, or the driver, a sense of extra precaution to be sure and "return from that summer's vacation?"

●

THE AMERICAN WAY — The national Chamber of Commerce points out that "freedom to shop around" should become a sixth freedom in the American citizen's pillar of rights.

And it sounds like a good suggestion, though interlocked with the other basic American freedoms. For when that paycheck comes home, it's private property to support the family and can be spent in anyway for the sustenance and security of that family. The family buyer can buy groceries at Jones' or Brown's or over on the other side of town. The shopper can note the prices and quality offered by competing stores and make his choice. The same with appliances, insurance and entertainment.

Merchants, fully realizing that they are facing stiff competition, set their prices individually. One stocks luxury goods, another more medium priced lines. Some sell on price, others on service.

The customer is the final arbiter. He can buy and not buy just as he chooses. He is offered an array of merchandise that would bewilder and startle the average European, but he doesn't have to buy a nickel's worth unless he want to.

That is part of the American way and a freedom which is nearly as important to most of us as the freedom to worship God in our own way, to express ourselves in words or in print as we choose, to vote by secret ballot for officials who run our village (city soon we hope), our country, our state and our nation.

Is That So !

By Miss Clara Waldron

What's in a name? Well sometimes names are very apt. For example nothing but an impersonal number and letter—like M-50—could possibly be fitting for the highway that is now being built through our town. As inexorably as a juggernaut, it rolls across the countryside, flattening the hills, eliminating valleys, erasing curves and crushing any lingering natural beauty that might be in its path; an ugly utilitarian, necessity of the motor age.

A letter and a number! And yet it is only the superficial surface that is new. From some "happy hunting ground" the red-skinned trail blazers who first laid out its course must be smiling at the way the arrogant white man follows meekly in their moccasined footsteps. They, no doubt, had a musical name of their own for the trail that led from the east "big water," along the ridges and among the little lakes to join that other trail in the high hills that would take them to the still bigger water in the west.

Because they left their canoes at the water's edge in the bay of Lake Erie, which the expressive French called "La Plaisance," the white men who first followed it into the interior called it the "La Plaisance Bay Trail," and as it was cleared and widened by the passage of ox cart and wagon, it became the La Plaisance Bay road.

It was Tecumseh's Musgrove Evans who made it from a trail into a road. On his first trip he brought men to make it passable and in 1832, when an act of Congress authorized its construction as a military road, he was appointed to survey it and begin the work that would change its name once more to La Plaisance Bay Turnpike. It was so designated on early surveys and maps but later generations could not be bothered with the "foreign" name and it was called the Monroe Turnpike, the Turnpike or just the Pike.

For part of its length and for part of the year, the Pike deserved its earlier name. For it was a pleasant road. Most of its course followed the higher levels and there were views of fertile farms and shady valleys. Huge forest trees had been left beside it and where these were not enough, the farmers took pride in setting long lines of elms and maples. Between Monroe and Dundee, both the trail and the early road followed the north bank of the Raisin rather than taking the straighter course on the south side used today. That more winding road is still there and, unless it too has been "improved" in the last year or two, the leisurely driver will find following it a rewarding experience.

There was little that was pleasant, however, about the old Pike during the spring thaw. The prairie section between Dundee and Ridgeway, origially the bottom of a prehistoric lake, became practically impassable. Many expedients were tried there, including "corduroy," and even a planked toll road was constructed that was helpful for a short period.

West of Tecumseh the clay soil in the spring was only slightly more passable. A copy of the Herald in the 80's records that when Deacon Gideon Perry, who lived near Tipton, was asked how the roads were "out his way," he replied, with a wry smile, that there was just one mud hole between Tecumseh and Cambridge junction.

Perhaps "path masters" would still be struggling with graders, scrapers and gravel to make their section of the Pike usable if the motor car had not brought its revolution and with it highways whose names are numbers.

PYTHIAN SISTERS

Josephine H. Hall Temple of Pythian Sisters, at its regular meeting last Wednesday evening, voted to recess during the months of July and August, also to raise dues to $2 per year.

Mrs. Henry F. Kempf presided in the absence of Mrs. A. J. Todd and appointed Mrs. Harry Schuch, Mrs. Garth Hall, Mrs. George Green, Mrs. Floyd Guy and Mrs. Lynn Harris as visiting committee for the summer; Mrs. Rella Kring, Mrs. Ruth Vincent and Mrs. Edna Staulter as auditing committee to report at the next meeting. Mrs. Kempf, Mrs. Luther Wood and Mrs. Staulter were named members of a building committee to work with a similar committee from the Knights composed of Henry F. Kempf, Carl Kempf and Robert Wood.

Announcement was made of the B.P.C.P.S.C. meeting at the home of Mrs. Neva Jacobs and of the Past Chiefs meeting tonight at the home of Mrs. B. E. Brees with Mrs. Myrtle Brollier assisting. An invitation was read to the 50th anniversary of the Ypsilanti Temple on June 28. The refreshment committee for June 24 is Mrs. Glyde Wittrup, Mrs. Nora Schultz, Mrs. Elizabeth Freer and Mrs. Opal Brady.

———o———

IRIS CLUB

An Iris Club was organized recently at the home of Mrs. Neil Pearson with 13 charter members. Officers are Mrs. Pearson, president; Clarence Beach, vice president; Miss Ann Carson, treasurer; Miss Mary McWilliams, secretary; Mrs. Al Helzerman, corresponding secretary. The first regular meeting will be held in July, the date to be announced.

Letters To The Editor

Editor, The Herald:

Two Tecumseh-minded ladies recently made the remark that they understood "Tecumseh could have anything it would ask for."

A number of Tecumseh citizens of all ages said, "These things are good, but how are you going to get them?"

To test the first statement and, in behalf of those making the second, we will publicly ask for the following. (To be fair to the Tecumseh-minded ladies, several items are listed to provide a choice, anyone of which will be considered a victory for them).

Item A — A community wide planning commission composed of representatives from all community organizations and civic bodies to study and plan for the future development of Tecumseh.

Item B — Community building for community social and recreations programs such as ice skating, lectures, public meetings, etc.

Item C — Year around director of recreation for all citizens of all ages.

Item D — A community museum to house and preserve the priceless heirlooms and records now in possession of many of Tecumseh's older families.

Item E — An industrial museum to house and preserve the history of the refrigeration industry and such other industry making a contribution to Tecumseh.

Item F — Develop waterways in the area for parks and recreational spots for fishing, boating, etc.

Item G — Developing proper traffic facilities to ease travel and promote safety.

Item H — Encourage greater citizen participation for planning and developing Tecumseh into a better place to work and live.

Tecumseh young men reacted by saying, "What Tecumseh needs is a couple of good funerals."

Tecumseh old men reacted by saying, "Where are you going to get the money to do this?"

Tecumseh-minded ladies said, "Tecumseh can have anything it asks for."

Who is right?

George A. Schumm Sr.

Mrs. R. K. Anderson left Monday for Cranbrook Bloomfield Hills, from where she will accompany Mrs. Harry Hoey and daughter, Deborah to their summer home in Folly Cove, Mass. She will also visit Mrs. Wm. A. Kingsman in Newburyport and other friends in Boston, returning by air in about two weeks.

Miss Eva Norris of Westport, Conn., came Sunday to the home of her cousins the Misses Beth and Geneva Satterthwaite where she will live during their absence this summer.

Annette and Walter Bailey have returned from Saginaw, where they attended the Lutheran Seminary, for the summer recess with their parents Mr. and Mrs. George Bailey. Other students from the seminary home for the summer are Marianne Wilcox, daughter of Mr. and Mrs. Bert Wilcox and Marjorie Linden, daughter of Mr. and Mrs. James Linden.

Beverly Hay, Pauline Bagshaw, Jolene Barron, Carl Freckleton, Robert Hall, John Sisson, Robert Marsh, Richard Haight and Howard Pennington will return this weekend from Michigan State College at East Lansing for the summer recess.

Catherine Sisson, Shirley Teske, Pat Patton, Joan Lewis, Doris Bilby, Mary Brown, Gordon Garlick and David VanWinkle are home from Michigan State Normal College in Ypsilanti for the summer recess.

Mr. and Mrs. Bert L. Warren have moved to their cottage at Vineyard Lake for the summer.

Mr. and Mrs. Neil Pearson and Mrs. Ella Louise Brandt and two children left this weekend for Auburn, Maine, to visit Mr. Pearson's brother, Harold Pearson and family.

Mr. and Mrs. Ervie Raymond with Clarence Travis of Hillsdale and Mr. and Mrs. Kenneth Shierman of Cement City, are vacationing for two weeks at Lake of the Woods in Canada.

Mr. and Mrs. Percy F. Slater spent the past week at St. Ignace and Munising. Both are on a month's vacation from duties at the Tecumseh Products Company.

James Gruber was home the past week from Jacksonville, Fla., where he is in Naval Air Force training, to visit his parents Mr. and Mrs. Carl Gruber.

Gerald VanValkenburg, Kenneth Swartz, Gordon Keyser, George Baibak, John Cameron, Irving Shaw, James Sisson and Robert W. Mohr are home from University of Michigan in Ann Arbor for the summer recess. Gordon Keyser will spend the summer at a resort near Pontiac serving as a life guard.

Mr. and Mrs. H. B. Lewis are here from Florida visiting Mrs. Lewis' son and wife, Mr and Mrs. Jack Gooding

Mr. and Mrs. Ellsworth Collins were in Toledo last week for the graduation of their son-in-law Orval Minney from the University of Toledo.

Mrs. Russell Thurlby was in Toledo last Thursday for the funeral of Mrs. Wilma Winterhalter whose death occurred June 8 at Herrick Memorial hospital. Mrs. Winterhalter spent Sunday in the Thurlby home and was suddenly taken ill. She was removed to the hospital where her death occurred at 2 a.m.

Mr. and Mrs. Earl Betser spent the past week vacationing at South Branch.

Mrs. B. B. Flippen of the Boston Lunch was taken suddenly ill June 7 and was removed to University hospital in Ann Arbor.

Miss Jane Hanna is home from Michigan State College at East Lansing where she was graduated June 7 with a BA degree.

Mrs. Dorothy Dove of Bradenton, Fla., is visiting her sister Miss Garnet Saum and other relatives.

Mr. and Mrs. L. F. DeCuis of Toledo have been spending several days with their daughter and husband, Mr. and Mrs. Harold Warren.

Jack Eldon Service, son of Mrs. Rose Service of East Logan street. is recovering slowly at Bixby hospital from injuries received in a motorcycle accident June 6. Only the family has been allowed to visit him.

Mr. and Mrs. Sidney Wilson, Mr. and Mrs. Morgan Ford, Mr. and Mrs William Powell and Mrs. Jennie Temple attended the wedding of Harold A. Wilson and Lorraine McCarty in Jackson Tuesday evening, June 9.

Mrs. Shirley Campbell, Mrs. Barbara Staley and Miss Linda Beck are new helpers at Hodges Drug Store.

Mr. and Mrs. E. C. Heilman spent the past week in Marquette where they visited Mr. and Mrs. Roscoe Baldwin and attended the graduation of Jane Baldwin.

Mr. and Mrs. James McDuffey from Alabama have moved to the Brooks apartment on East Chicago Blvd.

Mr. and Mrs. Walter Beck have moved from the Gottschalk house on East Pottawatamie street to the Pulver house on North Union street vacated by Mr. and Mrs. Russell Carey.

Mr. and Mrs. William Lamson and daughter are spending two weeks vacation with relatives in St. Louis and Kansas City, Mo.

Mrs. Bert Ousterhout and daughter Barbara returned yesterday from Mountian Lakes, New Jersey, where they have been since Saturday to attend the wedding of her niece Bonnie Ford to Eric Woit on Tuesday. The bride is the daughter of Mr. and Mrs. Gaylon T. Ford of Albuquerque, N M.

Dr. and Mrs. T. Rentschler were in Ann Arbor Thursday evening for the graduation of their daughter Sally from Ann Arbor high school. Sally graduated with honors. They were accompanied by Mrs. Rentschler's mother Mrs. W. W. Curle of Springfield, Ill., who came for the occasion.

Leo Lohrman, manager of the Palman Store, is spending the week in New York.

Robert Ries and Al Meyers were in Alma over the weekend attending the Presbyterian Men's conference.

Donna Burleson, student nurse at Harper hospital in Detroit, spent the weekend with her parents Mr. and Mrs. Elmer Burleson.

Employees of the Palman Store were entertained by the manager Leo Lohrman at a dinner at the Regent in Jackson Thursday evening. They were accompanied by Mrs. Lohrman and Mrs. L. Milheim

Mrs. F. S. Turner has returned from a few days visit in Saginaw accompanied by her daughter Gertrude who will spend the summer recess here. On Thursday they attended the graduation of Mrs. Turner's granddaughter, Margo Heinl from Ottawa Hills high school in Toledo.

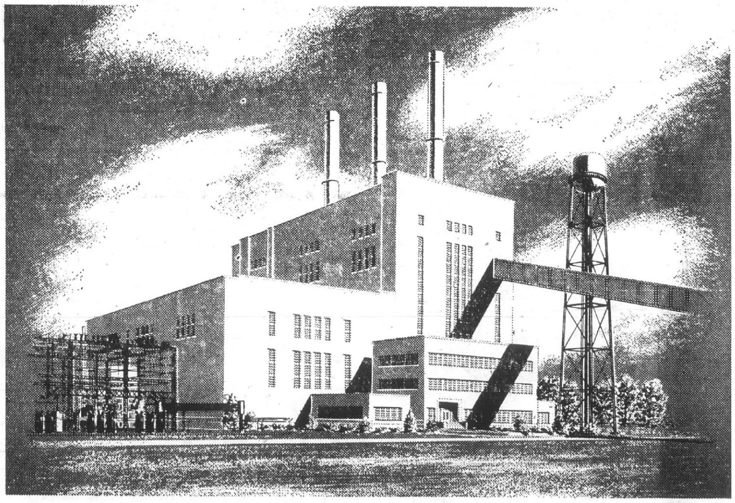
Mrs. Harriett Blocher of Urbana, Ill., and son John of Lawrence. Kansas, visited Mr. and Mrs. R. S. Moore and other relatives here Friday.

Larry Drewyor has resumed his studies at General Motors Institute after spending a few months at his home here. He left Friday to attend the J-Hop on Saturday night.

Miss Martha Hayden of Taylor University, Upland, Ind., and Miss Betty Hayden of Wheaton College, Wheaton, Ill., are home for the summer with their parents, Mr. and Mrs. Perry M. Hayden.

Miss Carolyn Comfort, who attends Wheaton College at Wheaton, Ill., is home for the summer recess with her parents Mr. and Mrs. Ralph Comfort.

Miss Margaret Lowry was in Bloomfield Hills the last of the week where she visited her brother and wife, Mr. and Mrs. Harold Lowry and attended the graduation of their daughter LuAnn from Miss Newman's School in Detroit.



The JUSTIN R. WHITING PLANT Located on Lake Erie • Capacity 276,000 kilowatts at end of 1953

Dedicated to Serve You

This is Consumers Power Company's big new Justin R. Whiting power plant at Erie, Michigan, just north of Toledo, Ohio.

When completed this year it will have an electric generating capacity great enough to handle all the electric power needs of two entire cities as big as Grand Rapids or Flint. Two of its three big units are already in operation.

The Whiting Plant is the second all-new power plant built by Consumers Power Company since World War II. To provide more power for progress in Outstate Michigan, this Company has nearly doubled its electric generating capacity in the last eight years.

From this plant, electric power goes out over the Company's state-wide high voltage network to be distributed to homes and schools and factories in 60 Michigan counties.

The Whiting Plant is dedicated to the service of the people of Outstate Michigan — dedicated to serve you.

We Have All The Right Gifts For That All-Right Guy: Father!

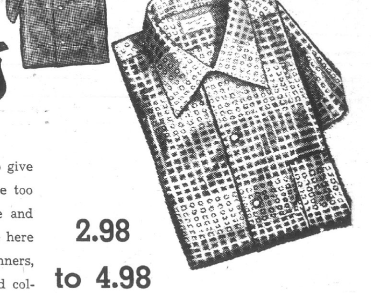
Make DAD Glad with Gifts HE CAN WEAR!

—From—

PALMAN'S

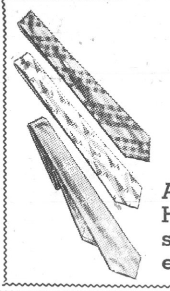
Maybe Dad won't talk, but YOU know what he wants: something to wear! WE know, too, and have brought together a stunning array of real man's gifts for that real man in your life . . . Father! From slacks to sweaters . . . from shirts to shorts . . . we have exactly "what it takes" to score a smash hit with Dad when he opens his Father's Day packages. Gifts to compliment your good judgment as well as his good taste. Gifts he'll warmly welcome and wear with pride and pleasure. Play these favorites to win . . . on Father's Day, Sunday, June 21st.

Sport Shirts



That man's day is here again . . . so give him sport shirts! He just can't have too many for adding that extra sparkle and snap to his casual wardrobe. Choose here from an eye-taking array of sure-winners, featuring breeze-cool fabrics in solid colors and woven patterns.

2.98 to 4.98



Dad Always Needs TIES

And You'll Have No Trouble Pleasing Him With A Selection Of These Handsome Lean And Narrow Ties . . . .Smartest Summer Patterns, $1.00, $1.50

PAJAMAS and ROBES

There's no guessing with Cool-to-Wear, Easy-to-Wash Pajamas or a year around Robe for Dad – just see what we have! ! !

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Mrs. Lela S. Wier
2805 Arbor Hills Drive
P. O. Box 3122
Jackson 7, Mississippi

AMATEUR ARTISTS TO HAVE CLASS

A group of amateur artists who have been part of the various classes in painting held in Tecumseh during the past winter and spring, met Tuesday afternoon at the home of Mrs. Neville Hart for a "clothesline" show. A favorite picture was brought by each student for display. Mrs. Peterson, who taught both the high school adult education classes and field classes this spring, brought several of her canvases as did Russell Steinke, the artist whose exhibit at the Hudson store in Detroit this winter was so favorably received.

A class under Mr. Steinke's instruction will begin next Tuesday morning, 9 a. m., meeting at the Brownville schoolhouse. It will continue until August 1 and all adults who are interested are welcome to take part.

That the Clerk cause this petition be published for two seccessive weeks in the Tecumseh Herald, designating Monday, July 6th, 1953 at 8:30 p. m. at the Council Chambers as a time and place for hearing any objections hereto on the part of any person or persons considering himself or themselves aggrieved by the proposed new zoning.

Naomi Sallows
Village Clerk 6/18

STATE OF MICHIGAN)
COUNTY OF LENAWEE.) ss.

At a session of the Probate Court for the County of Lenawee held at the Probate Office in the City of Adrian on the 12th day of May, A.D. 1953.

Present, HON. L. B. KUNEY, Judge of Probate.

In the Matter of the Estates of INA CRAMER, WM. DAVIS, JOHN A. MILLS, ELLA MULL, E. H. PATTERSON, ARTHUR RATHBUN, O. E. SALISBURY, RAYMOND D. SAMPSON, L. M. SKATES, ROBERT SMITH, HENRY SWIFT.

Disappeared or Missing Persons.

John R. Zeigler, administrator of the above estates having filed a petition in said court alleging that he is ready to render his final account in said estates, that the expenses of administration thus far incurred have been fully paid, and praying that he may be allowed compensation for the services and extraordinary services performed by him, that the residue remaining in his hands be assigned to the State Board of Escheats for the State of Michigan, as escheated estates, that he may be discharged as such administrator, and for such other order or decree as to the Court shall seem proper;

IT IS ORDERED, that Monday, the 13th day of July, next, at ten o'clock in the forenoon of said day, at said Probate Court, be assigned for the hearing of said petition and the examining and allowing of said account.

IT IS FURTHER ORDERED, that a copy of this Order, be published once each calendar month for two months prior to said date of final hearing for the closing of said estate, in the Tecumseh Herald, a newspaper printed and circulating in said county.

This notice is given in accordance with the Escheat laws of the state of Michigan, to said persons, their heirs, grantees or assigns, and to all persons claiming by, through or under them.

L. B. KUNEY,
Judge of Probate.

A True Copy.

LOCALS

Mr. and Mrs. Arthur Spreeman of Lansing were Sunday guests of his sister and husband, Mr. and Mrs. Sam Preston.

Miss Mary Brown, daughter of Dr. and Mrs. A. H. Brown, graduated Saturday from Michigan State Normal College, Ypsilanti, with a Bachelor of Science degree and an elementary teacher's certificate. Among those attending the exercises were Dr. and Mrs. Brown, Mrs. J. Floyd Elliott and Mrs. Elizabeth Wing. Miss Brown will take further work at Siena Heights College, Adrian, this summer.

Miss Mary McWilliams and Miss Myra Mangus spent the weekend in Ypsilanti, guests of Miss McWilliams' sister and family, Mr. and Mrs. Maurice Lathers, and attended the graduation exercises of her niece, Miss Nancy Lathers from Michigan State Normal College.

Prof. John Blocker of Kansas University, Lawrence, Kansas, and his mother, Mrs. Harriett Blocker of Urbana, Ill., visited Dr. and Mrs. A. H. Brown and other friends over the weekend. Mrs. Blocker lived here in her girlhood and is the former Harriett Conklin.

Mr. and Mrs. David Green of Ann Arbor visited his parents, Mr. and Mrs. George Green Sr. over the weekend.

George B. Newton of Toledo was a weekend guest of Mr. and Mrs. George Adamson.

The Rev. and Mrs. Ronald A. Brunger and sons left Tuesday morning for a two week trip to Tennessee, North Carolina and Virginia. They will visit his sister, Mrs. Mayor Bouknight and family in Charlotte, N. C., his brother, Earl Brunger and family of Charlottesville, Va., and Mrs. Brunger's aunt, Mrs. Alva Waddell of Lancing, Tenn. Little Bonnie Beth is staying with her grandparents Hurst in Ann Arbor.

Miss Mary McWilliams and Miss Myra Mangus are in Monroe today, luncheon guests of Mrs. Blanche McFail.

Miss Mary Whitelock, Mrs. Ray Sluyter, Mrs. Margaret Kidman and Mrs. Alto Boyce are in Alma for several days attending the Michigan Synodical of the Presbyterian church.

Brotherhood of St. Andrews decided at their regular Sunday morning meeting to make lucite crosses during the summer to sell at the annual St. Peter's church bazaar next fall.

BRIDE-ELECT HONORED

Miss Joan Pafford, a bride-elect of June 20, was guest of honor at a luncheon at the Country Club last Tuesday. Mrs. C. M. Brown, Mrs. Jack Brown, Mrs. C. O. Butler, Mrs. M. R. Blanden and Mrs. Jens Touborg were co-hostesses and the 40 guests were seated at tables centered with crystal compotes holding colonial bouquets of pink roses and ivy with maline edging. Tiny maline umbrellas in pastel shades tied with sweetheart rosebuds and ribbon streamers were also used on the tables and the mantle was banked with pink peonies and roses. Miss Pafford was presented with a shower of miscellaneous gifts and after opening them, the time was spent socially.

D.A.R. CHAPTER

Members of Abi Evans chapter, D.A.R., met at the lake cottage of Mr. and Mrs. Lavern Russell for their annual summer picnic Friday. After the dinner a brief business meeting was conducted by Mrs. Joe Rice and the project of sending a delegate to the Conservation School workshop at Higgins Lake during the summer was discussed. The Monday Club, Garden Club and D.A.R. have been attempting to find a teacher or someone preferably connected with youth work to attend the sessions and bring back the information gleaned at the sessions of which there will be three during the season. Any adult interested may contact officers of the three clubs for further information.

From where I sit ... by Joe Marsh

Heard About the Electric Weather Predictor?

Squint Smith built up quite a reputation last month by predicting the weather. What he said usually came true.

It got so that folks would sit around his little Antique Shop just to get his opinion.

Last Monday, though, he said he didn't know what the weather was going to be like next day. That surprised us and when we asked what happened, Squint said, "Slipped up on my electric bill and was turned off. I'll get to my radio again tomorrow though." Squint had been getting the weather over the radio—just like anyone else!

From where I sit, that's the way it goes with some "experts." They often don't have any more inside information than you can get for yourself. Like those who "know" cider is the only thirst-quencher after a day's work. Far as I'm concerned, I'll take a temperate glass of beer. But—I won't try to "predict" your choice for you.

Joe Marsh

ROSACRANS

MISS WRIGLEY BRIDE OF THE REV. WALWORTH

Announcement is being made of the marriage of Donna M. Wrigley, Defiance, Ohio to the Rev. George M. Walworth, First Presbyterian church pastor which took place Friday, June 12 at the First Presbyterian church in Defiance. Dr. James H. Brown performed the ceremony and the date was the 36th wedding anniversary of the bridegroom's parents, Mr. and Mrs. Tom M. Walworth, Hillsdale. The bride is the daughter of Mr. and Mrs. Paul L. Wrigley, Defiance.

The couple left on a trip through Wisconsin and on their return will make their home in the Presbyterian manse on West Logan street. Both are graduates of Hillsdale College and the Rev. Walworth also graduated from McCormick Theological Seminary, Chicago and is a member of Alpha Tau Omega fraternity. Mrs. Walworth is a member of Kappa Kappa Gamma sorority.

WILSON — McCARTY

The Ganson Street Baptist church in Jackson was the scene of a wedding of interest June 9 when Lorraine McCarty, daughter of Albert McCarty of Jackson was united in marriage to Harold A. Wilson, son of Mr. and Mrs. Sidney J. Wilson of Tecumseh. The ceremony was performed by the Rev. Mr. Muck, pastor of the church who read the single ring service. Attendants were Mrs. Robert Lake of Jackson, twin sister of the bride, and Morgan Ford of Tecumseh. The bride and her sister were in blue suits with white accessories and white rose corsages.

Mr. and Mrs. Wilson left later on a two weeks trip through Wisconsin and on their return Mrs. Wilson will resume nurses training at Bronson hospital, Kalamazoo where she will graduate in the fall. Mr. Wilson graduated from Tecumseh high school and is employed as a tool designer at Tecumseh Products Company.

HONOR DAUGHTER

Members of the graduating class of Tecumseh high school and their friends, numbering 75, were entertained at open house Wednesday evening in the home of Mr. and Mrs. Leo Alderdyce, honoring their daughter Mary Lou, one of the graduates. It was also Mary Lou's 18th birthday anniversary. The class colors, green and white, and baskets of garden flowers were used in decorating and the group enjoyed an evening of music and dancing in the recreation room. Nancy Randall, Norene Mack and Ardith Eaton were in charge of the punch bowl and refreshments were served by Mrs. Alderdyce assisted by Mrs. Leland Randall, Mrs. Helena Broiller, Mrs. Frank Glenn and Mrs. Thomas Alderdyce.

ENTERTAINS 8 AND 40

Mrs. Ned Baldwin entertained Petit Salon No. 127, 8 and 40, Monday evening with eighteen present. After dessert, Mrs. Lyman Curtiss presided at the business meeting when delegates were chosen for the state convention.

JANET QUICK IS BRIDE OF KENNETH MAVES

A wedding of interest took place Thursday afternoon at the Kanley Memorial chapel at Western Michigan College in Kalamazoo when Janet Laura Quick of Berrien Springs became the bride of Kenneth Lloyd Maves of Tecumseh. The bride is the daughter of Mr. and Mrs. Lloyd Quick and Mr. Maves is the son of Mr. and Mrs. Paul Maves. The Rev. Louis Grother performed the double-ring ceremony and attendants were Miss Jean Quick, sister of the bride and Donald Maves, brother of the bridegroom. Preceding and during the ceremony Mike Schact of Kalamazoo played organ music and Miss Betty Dorow of St. Joseph sang "I Love You Truly" and "The Lord's Prayer."

For her wedding, the bride chose a ballerina gown of white Chantilly lace styled with full skirt, fitted bodice and long sleeved jacket. Her tulle veil was suspended from a half-hat of satin and tulle and she carried a dangling bouquet of white carnations. The maid of honor wore a blue ballerina gown of net over satin with a blue velvet bodice and carried a colonial bouquet of pink carnations.

After the ceremony a reception for 50 guests was held in the social room of the chapel and included guests from Stratford, Ontario, Evansville and Rockport, Ind., Peoria, Ill., Detroit, Lansing and Tecumseh.

The couple left later for Chester, Pa., where they will spend the summer, returning to Kalamazoo in the fall where Mr. Maves will resume his studies at Western Michigan College. The bride is a graduate of the college and a teacher in the W. K. Kellogg high school near Hickory Corners. Mr. Maves is a graduate of Tecumseh high school and is majoring in the pulp and paper technology curriculum at Western Michigan where he will graduate in February, 1954.

JANET BASHORE TO ATTEND GIRLS' STATE

When the three hundred young women of high school age who have been chosen by American Legion Auxiliaries of Michigan take up residence on the campus of the University of Michigan next week for that training known as Girls' State, Tecumseh will be represented by Miss Janet Bashore.

Chosen by the Underwood-Orr Post because of her scholastic record and qualities of citizenship as evidenced by her school activities she will have the opportunity during the eight days she will be on the campus of participating in the actual operation of a state government. It is the aim of the Legion Auxiliary, as expressed by their president, that girls attending Girls' State will be able to take a more active and intelligent part in the citizenship of the nation. Janet, as a member of the Future Nurses club, will find much of the training she receives next week useful in her plans for the future.

ENTERTAIN CLASS OF '28

Dr. and Mrs. R. G. B. Marsh entertained the class of 1928 for their 25th anniversary Friday at an open house preceding the alumni banquet. Nineteen members attended, among them the Robert Retters of Clark Lake, the Dale Hoags of Saginaw, J. D. Shenks of Pennsylvania, Max Steffens from Clinton, Harold Bauers from Pontiac and Margaret Murphy of Monroe. Punch and cookies were served on the lawn at the Marsh home and after the alumni meeting the group returned to the Marsh home for a social evening.

Alumni Banquet

(Continued from page 1)

Mills Swick and Mrs. Floyd Barrett.

Vern Manwaring presided at the meeting and reports were given by Miss Mabel Lockwood, Mrs. Naomi Sallows and Gibbs Barber. James Stevens, a graduate of 1940 now living in Williamston, acted as toastmaster. Ralph Comfort gave the In Memoriam prepared by Alvin Brazee. Nine deaths during the past year were reported and all stood for a moment in silent prayer in their memory.

Mrs. Sallows welcomed the class of 1953 only three of whom were present. The response was given by Merlyn Wagner. For the program Mrs. James Barton and Mrs. Charles Stephenson entertained with a series of pantomimes and James Beardsley showed slides of early Tecumseh, some as far back as 1823 and 1866. Mrs. J. D. Service led in assembly singing of "School Days" and "God Bless America" with Mrs. Jack Staulter accompanying. The remainder of the evening was spent dancing.

Among the group were Mr. and Mrs. Robert S. Moore of the class of 1890 and Miss Minnie Russell, 1896. Other guests included Mr. and Mrs. Richard Williamson of Washington, D. C., Mr. and Mrs. J. D. Schenk of Lancaster, Pa., Mr. and Mrs. Dale Hodges of Saginaw, Mr. and Mrs. Harold Bauer of Pontiac, Mr. and Mrs. Richard Kellar, Mrs. Polly Poling and Mr. and Mrs. Howard Dawson of Ypsilanti, Mr. and Mrs. Howard Wonnell of Toledo, Miss Margaret Murphy of Monroe, Mr. and Mrs. Paul Harwood and son of Alma, Mr. and Mrs. Robert Retter of Clark Lake, Mr. and Mrs. Paul Sheldon of Dundee, Mr. and Mrs. Kenneth Johnson of Saline, Mr. and Mrs. Dewey Berry of Blissfield, Mrs. Otis Smith and Mrs. Delee Perkins of Adrian, and many from Clinton, Britton and Tipton.

BOOK SHELVES

Recent books received by the Library include several that have a world wide flavor. For example there is "Captive Surgeon" by Lippa telling of the life of a doctor held captive in communist China and forced to practice his profession in the most primative surroundings without adequate supplies and sometimes with none at all.

A combination of America and the Orient is pictured in "Niser Daughter" the experiences of a Japanese girl at the beginning of World War II, when the members of her race were evacuated to the interior from the western coast, a picture of the hard facts of war when the loyal had to suffer because of possible saboters. The author is Monica Sone.

A book about the multitude of new fields that are open to the girl who chooses nursing as her profession is, "Careers for Nurses" by Dorothy Deming, R.N. This should prove of interest to members of the Future Nurses Club and their parents.

William L. Shirer's "Mid Century Journey" will have an immediate demand from his admirers and all who remember "Berlin Diary."

. . . Local Happenings . . .

Mr. and Mrs. Richard Beemer and family visited Mrs. Beemer's parents Mr. and Mrs. Willis McKebee at Grass Lake Sunday.

Mrs. Margaret Hersha was in Jackson with friends over Sunday night and Monday.

Mr. and Mrs. Jesse Arnold and daughters Marlys and Evelyn and Mr. and Mrs. Marvin Malady were in Chicago over the weekend for the wedding of Ethel Jackman and Elwyn Eltinge on Saturday. The bride is a niece of the Arnolds.

Mrs. Everett Furgason of Jonesville visited her parents Mr. and Mrs. D. L. Burleson over the weekend and attended the alumni banquet.

Mrs. Harry Mondie of Grosse Pointe Farms spent the weekend with her sister and husband Mr. and Mrs. Yale L. Kerby. Her father J. E. Bias, accompanied her home for a visit.

Mrs. Vevia Anderson was in Jackson Friday night for the graduation of her granddaughter Nancy Anderson, daughter of Mr. and Mrs. John Erwin Anderson, from high school.

Mr. and Mrs. Dan DeLong spent the weekend with relatives in Eaton Rapids.

Mr. and Mrs. F.E.N. Thatcher returned this weekend from Hollywood, Fla., accompanied by their son Garfield Thatcher and daughter Carole. All have been spending a few days in Muskegon with relatives.

Mrs. Jack Coffey was here from Dearborn over the weekend for the alumni and to visit her parents Mr. and Mrs. John G. Murphy.

Mr. and Mrs. C. W. Howe spent the weekend with friends at Three Rivers.

Mrs. Virgil Stone of South Bend, Ind., spent the weekend with her mother Mrs. Alice Van Hook.

Mrs. Agnes Rickard of Blissfield is spending several days with her son Calvin Rickard and family.

B. J. Roberts has been moved to the Bowers Nursing Home in Adrian for care.

Mrs. Edward Escolme is spending the week in Parma, Ohio, with her daughter and husband Mr. and Mrs. Donald Johnson.

Mr. and Mrs. Matthew Peters of Toledo and Miss Lillian Baird of Detroit were guests Sunday of Mr. and Mrs. John H. Smith.

Mr. and Mrs. William Smith of Flat Rock spent Monday with their son and wife Mr. and Mrs. Clyde Smith.

Mr. and Mrs. A. Mosher were here from Mt. Gilead, Ohio over the weekend to see their son Charles Mosher at the Carl Cox home.

Mr. and Mrs. Carl Cox were notified Friday evening that their daughter and husband Mr. and Mrs. Charles Mosher and daughter of Filion, had been involved in a traffic accident near Ida and had been taken to Monroe hospital. The Moshers were on their way to the home of his parents in Mt. Gilead, Ohio, and the accident occurred when another driver turned into a driveway directly in front of them without warning. Both Mr. and Mrs. Mosher suffered from shock and lacerations and their car was badly damaged. Their small daughter was uninjured. Mr. Mosher was brought Saturday to the Cox home here and Mrs. Mosher was brought here Monday where both are recovering. The Cox and Mosher families expected to leave Monday on a trip through the west which was cancelled for the present.

Miss Eva Perry Norris of Westport, Conn., is spending the summer in the home of Miss Beth Satterthwaite during the latter's absence in California.

Mrs. S. E. Chase and sons of Dearborn spent Sunday with the Misses Myra and Elizabeth Chase and Comfort Chase.

Mr. and Mrs. John Saling and children visited the Detroit Zoological Gardens at Royal Oak Sunday.

James Gruber returned this week to Jacksonville, Fla., where he is stationed with the Naval Air Force, after spending several days with his parents Mr. and Mrs. Carl Gruber.

Mr. and Mrs. Earl Baldwin and Mr. and Mrs. Clayton Greenwald left Friday for Yellowstone Park where they will spend a week or ten days fishing and sightseeing.

Mr. and Mrs. George Rathbun, Mr. and Mrs. Charles Butler, Mr. and Mrs. Frank Purcell and Mr. and Mrs. Robert H. Moore attended the state senior golf tournament at Port Huron, Tuesday and Wednesday.

The Misses Beth and Geneva Satterthwaite and Clara Waldron left Tuesday for California. The former will visit their sister and family, Mr. and Mrs. Frederick B. Wood in Berkley while Miss Waldron will spend a month with her brother and family, Mr. and Mrs. James A. Waldron in Burlingame.

Mrs. Roscoe Hewlett and Mrs. Garland Gove were in Ann Arbor on business Tuesday.

Miss Margaret VanDenbergh and her fiance, Lawrence Van Dyke, came from Grand Rapids to spend last weekend with her parents, Mr. and Mrs. Glenn Van Denbergh.

Mr. and Mrs. James Heflin of Columbia City, Ind., visited his brother and family, Mr. and Mrs. K. C. Heflin last weekend. The two families spent the weekend at the Heflin cottage at Vineyard Lake.

Mr. and Mrs. Lynn Harris and Miss Barbara Schoeck were in Jackson Sunday for the wedding of Mr. Harris' nephew. Gordon Harris, son of Mr. and Mrs. Eugene Harris of Brooklyn and Miss Marjorie Ford of Brooklyn.

Mr. and Mrs. M. R. McClain are in Columbia City, Ind., for a few days.

Mrs. Clyde Barber returned today after a two week visit with her son and family, Mr. and Mrs. Berford Barber of Saginaw.

Mrs. Helen Miller and Mrs. Alice Williams of Herrick Memorial hospital nursing staff attended a convention of the Michigan State Nurses' Association in Marquette, Monday through Wednesday.

Mr. and Mrs. John Spreeman of Bay City and Mr. and Mrs. Elmer Spreeman were guests of Mr. and Mrs. William Spreeman Sunday. Mr. and Mrs. John Spreeman called on Albert Filter, a patient in Herrick Memorial hospital. The Elmer Spreemans attended the Spreeman-Ruffer wedding in Adrian Sunday afternoon.

Wesley Handy with his son and wife Mr. and Mrs. Fay Handy of Adrian, was in Flint, Pontiac and Detroit Sunday.

Ralph Oswalt was here from Alliance, Ohio over the weekend and Mrs. Oswalt and daughter Janet, who had been spending the past week with her mother Mrs. Leon Maynard, returned home with him.

Mr. and Mrs. Roger Smith and family, his father George Smith and Diane Vincent spent the weekend at their cabin at Lewiston.

Dr. and Mrs. R. F. Helzerman and family are spending the week at their cabin at Deer Lake.

Mrs. Grace Coffey returned Saturday from Monroe where she attended the graduation of her granddaughter Emilie Yvonne Price, daughter of Mr. and Mrs. Carl Price, from Monroe high school.

Mr. and Mrs. J. M. Mulvaney and Mrs. Grace Coffey attended the Caswell school reunion near Cone Sunday.

Mr. and Mrs. Ray Hunter and Harry Hunter left this week on a three weeks trip in the western states and to California. They were joined in St. Louis, Mo., by Mrs. Harry Hunter who had been visiting there.

Mrs. Ben Hammack and mother Mrs. Mark Randall are spending the week with relatives in Marion, Mich. The Hammack grocery is closed because of the paving work on M-50.

Mr. and Mrs. Henry Ehlinger, Mr. and Mrs. Vern Manwaring, son Gene and daughter Emily, Mr. and Mrs. Lamar Forrester and Mr. and Mrs. Herbert Maynard were in Perry Saturday for the wedding of Mrs. Ehlinger's son Aaron Manwaring and Miss Betty Spangler which took place that evening at 7 o'clock at the Methodist church.

Mr. and Mrs. Clair Manwaring of Gaylord were here the last of the week visiting her mother Mrs. Annabel Finnegan who underwent surgery at Herrick Memorial hospital Friday, and other relatives.

Mr. and Mrs. L. W. Larsen, Mr. and Mrs. Joe Rice and Kenton Hunt were in Lansing over the weekend for a meeting of the Commandry of the Knights Templar.

Mr. and Mrs. Elman Service of New York City were recent guests of his father J. Duaine Service and Mrs. Service. They were on their way to New Mexico and the western states in the interest of his work with the Anthropology department of Columbia University. On the way they will visit his mother Mrs. Richard Von Hake and his aunt Miss Myrna Service at Kanab, Utah. Mr. Service will be connected with the Anthropology department of the University of Michigan in Ann Arbor this fall.

The coronation ceremonies in England were witnessed by Airman first class Gerald E. Penrod, son of Mr. and Mrs. Fred Penrod of West Cummins street, who is stationed there with the air force.

V.F.W. AUXILIARY

At the regular meeting of the auxiliary of the Hall-Slater Post, V.F.W. held June 3, it was voted to give $25 to the Joyce Andrews Memorial Pool fund. It was decided to hold but one meeting each month during July and August. Mrs. Warren announced that those who have ordered uniforms are to leave money for them with Mrs. Carson House at once.

Mrs. Grenval Spangler, Mrs. Ray Sniffen and Mrs. Lloyd Stites served refreshments at the close of the meeting and plans were made for the next meeting to be held June 17. Entertainment will be provided by Mrs. Harold Warren and Mrs. John Applegate, while Mrs. Louis Richards and Mrs. Robert Starkey will have charge of refreshments.

WILLIAM GOTTSCHALK MACON FARMER, DIES

William J. Gottschalk, 70, died at the University hospital, Ann Arbor at one p.m. Sunday where he had been a patient for three weeks. He had been in failing health for several months.

Mr. Gottschalk was a farmer in Macon township for 32 years. He was a member of the Emmanuel Lutheran church on the Ridge and the Men's Club.

He is survived by four daughters, Mrs. Edna Finzel and Mrs. Laurine Johnson of Detroit, Mrs. Mildred Billou of Tecumseh and Mrs. Clara Ellen Rainey of Onsted; seven grandchildren; four brothers, Fred of Adrian, Frank of Tecumseh, George of Cecil, O., and Edward Sr. of Britton; two sisters, Mrs. Helen Martin of Tecumseh and Mrs. Lucille Taylor of Ft. Wayne, Ind. He was preceded in death by his wife Clara, Feb. 22, 1953, one son in infancy and one sister, Mrs. Bertha Knerr.

Services were held Wednesday, 2 p.m. at the Emmanuel Lutheran church on the Ridge with Rev. Paul Faust of Milan officiating. Burial was at Ridgeway cemetery.

MISS LANNING HONORED

Miss Dola Lou Lanning, whose marriage to Herbert Barnes of Grand Ledge is an event of July 3, was honored at a miscellaneous shower Saturday evening in the home of Mrs. Joe Studnicka of Britton. A group of 12 girls enjoyed an evening of games and prizes awarded were presented to the bride-elect who also received a shower of gifts. Lunch was served after the gifts were opened and the remainder of the time spent socially.

CORRECTION

The name of Carl Thompson was omitted in error from the building committee of the Knights of Pythias. Instead the name of Carl Kempf was used which was wrong.

The Cost of U.N. to U.S.

Though much has been written about the major proportion of the cost of financing the United Nations borne by the United States, little has been heard about the money spent by the United Nations Headquarters in New York in the United States. A recent survey showed that, in terms of dollars and cents, the United States got back, from the budget of the United Nations, approximately $30,000,000, or about twice what it put in.

This tabulation was figured on a basis which included the spending of payrolls checks cashed and spent in the metropolitan New York area, and included such things as supplies bought, utilities payments and many other expense items. In addition, there is the indirect financial return gained by inhabitants of this country, through rents and living expenses of about 800 delegates and aides, who live in this country permanently as a result of the United Nations headquarters being located in New York City.

There are another 500 delegates and aides who come to New York and spend about three months a year for the annual session of the General Assembly. While there is no way of accurately figuring how much these delegates and aides spend, a recent estimate placed the probable figure at $7,000,000.

Thus the United Nations is not the drain on the U. S. economy it has been portrayed to be, and the actual result of locating U.N. headquarters in this country is that the U.N. spends more money in the United States than this government contributes as this country's share of the U.N. operational expense.

A coast-to-coast salute to this state as one of America's most popular vacation areas is featured in the Fram Corporation's television show, "Vacationland America". The TV show stars John Cameron Swayze and his family (left to right) John Jr., Swayze, Mrs. Swayze and Suzanne. The show will be televised over one of the largest NBC-TV hookups in the U.S. and Canada, promoting the resort and tourist attractions of this area to millions of prospective visitors.

. . . BRITTON . . .

The annual Britton-Macon alumni banquet was held Friday evening in the Methodist church dining room with about 100 persons attending. The processional was played by Mrs. Geraldine Beal. The invocation was given by Rev. J. Morgan Reese. After the dinner which was served by the ladies of the W.S.C.S., group singing was led by Mrs Alice Exelby. During the business meeting conducted by the president, Herman Miller, the following officers were elected: President, Clare Griffin; vice president, LaVon Tubbs; secretary, Mrs. Marie Dunbar; assistant secretary, Mrs. Mary Korican; program chairman, Mrs. Lu Ann Watkins and chairman of general arrangements, Miss Peggy Hintz. Mrs. Beverly O'Hara introduced the toastmaster Mrs. Lila Cadmus. Charles Barrett welcomed the seniors. Larry Kanous responded. Jennings Frayer gave a reading. The group sang America. Rev. Reese gave the benediction.

A dance followed in the school gym with Driscoll's orchestra of Tecumser furnishing the music. Six girls from Pontiac entertained with acrobatic acts during intermission.

Mrs. Edwin Marine was pleasantly surprised Saturday evening when a host of relatives and friends gathered at the Marine home to help celebrate her birthday anniversary. The evening was spent socially after which refreshments were served. Mrs. Marine received many gifts from her guests who were Mr. and Mrs. Albert Marine Sr., Mr. and Mrs. Albert Marine Jr., and family, Mr. and Mrs. Earl Wagner and daughters, Mr and Mrs. John Marine and Lyle Marine of Holloway, Mr. and Mrs. Melvin Wegner, Mrs. Robert Henson and children and Miss Carol LaDoux of Tecumseh, Mr. and Mrs. Wayne Dunbar and daughter, Mr. and Mrs. Mahlon Bishop and daughter of Adrian and Miss Yvonne McGuire of Palmyra. Miss LaDoux remained in the Marine home for a visit.

Mr. and Mrs. Walter Prill are announcing the engagement of their daughter Mildred to Russell Vershum. No date for the wedding has been set.

Mrs. Lewis Vershum has returned home from Herrick Memorial hospital with her infant daughter, Michelle Elizabeth.

Mrs. Charles Patterson is a surgical patient at Herrick Memorial hospital.

Visitors of Mr. and Mrs. Andrew Crutchfield Saturday evening were Mr. and Mrs. Edgar Smith of Manchester, Mr. and Mrs. Stanley Bauschka and children, Mike and Judy and Mr. and Mrs. Roy Van Dorn of Adrian and Mr. and Mrs. Alvin LoGore and children, Marjorie, Mary, Kathy, Carl and Phillip of Onsted.

There's only one answer...
Chevrolet trucks must be the best buy!
Fleet operators, farmers, independent truckers—truck users everywhere—buy more Chevrolets than any other make. There can be only one reason for that: Chevrolet trucks offer more of what you want.
CHEVROLET
first in demand in value in sales
As the official registration figures keep rolling in, they keep telling the same positive story about truck popularity and truck value: Again in 1953, for the *twelfth* straight production year, truck buyers show a clear-cut and decisive preference for Chevrolet trucks.
If you're a truck user, this fact is mighty important to you. Why? Well, as you know, trucks are built and bought for just one reason—to do a job. So isn't it logical then that since Chevrolet trucks outsell all others they *must* do a better job at lower cost?
That's why it will pay you to stop in and see us before you buy your next truck.
MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

HOSPITAL Notes

Things are moving on apace in the new hospital wing. If you have not seen it lately you will be surprised at how finished a look it has on the outside. And inside it is beginning to look less like a mechanical jungle and more like a potential hospital. Plasterers have applied the "rough" coat to walls that now seem to enclose real rooms. The elevator will soon be ready for use and the entire structure ready for those finishing touches that mean the end.

The contractors "hope" to be finished by the end of July, and then the hospital board will have to take over and put in place the hundred and one things that contracts do not cover. Some of those things, like special lights, lockers and sterilizers may be supplied by contributions to the memorial fund which provides a way everyone can help the hospital to "get settled" in its new quarters.

BIRTHS

June 2, to Mr. and Mrs. William Sisson of Tecumseh, a son.

June 3, to Mr. and Mrs. Richard Burke of Dundee, a son.

June 6, to Mr. and Mrs. Ralph Shafer of Tecumseh, a daughter.

June 7, to Mr. and Mrs. Brady Tidwell of Adrian, a daughter.

June 7, to Mr. and Mrs. John Studnicka of Clinton, a daughter.

June 7, Mrs. Merval Mattis and baby, Clinton.

CONDUCTS FIRST SERVICE IN ST. PETER'S CHURCH

Services at St. Peter's Episcopal church had a special significance Sunday for those who were members of the church during the years when Dr. J. J. Preston was pastor. His son, the Rev. Robert Preston, who was recently ordained conducted his first services as a priest of the church in St. Peter's where he had been baptized and confirmed.

Among the congregation were his mother, Mrs. J. J. Preston, his brother James and two sisters, Mary Preston and Mrs. Norman Mills and her husband and three children of Alma.

Robert Preston was born in Tecumseh and attended the local schools. He has been given an assignment in British Columbia and will leave soon for his pastorate. The Preston family remained for the Sunday school picnic which followed the church service.

Living With Peace Of Mind

By KIRBY PAGE

During the days of burning heat and nights of surpassing beauty, Jesus conversed with his Father, through forty days and forty nights. He examined again and again the proposed solutions which were being offered by his contemporaries, the ways out suggested by the Pharisees, the Sadducees, the Zealots, the Essenes. One by one they were dismissed as being inadequate or inconsistent with God's demands upon his life. Finally he was laid hold upon by a mighty conviction which never let him go.

This is God's will and this is God's way: Live today as a good member of our Father's home. Live this way positively by maintaining attitudes and engaging in actions which help other persons to love God and to trust him, and which bind men together in compassionate goodwill and mutual service. Live this way negatively by condemning and denouncing attitudes and actions which weaken love of God and love of man.

Live with sympathy and compassion; live with forbearance and forgiveness; live with appreciation and gratitude; live with humility and patience; live with fidelity and trust; live with courage and secrificial devotion.

Live without anxiety and fear; live without covetousness and envy; live without pride and arrogance; live without violence and bloodshed.

Happy are the gentle, the humble, the meek, the pure in heart, the merciful, the peacemakers, the zealous for righteousness, the seekers after God's kingdom. Joy comes from relationship. Love God utterly, love people that way. Keep on loving and forgiving and serving. Run the risks, take the consequences, trust God's kingdom.

HOSPITAL AUXILIARY

Members of Herrick Memorial Hospital Auxiliary met at Fellowship Center June 9 for a potluck supper preceding their regular meeting. Mrs. Fay Wiggins of Britton conducted devotions and Mrs. H. E. Whelan presided. Mrs. R. F. Helzerman and Mrs. Lester Runk reported on the recent dance recital which netted $295.85 and Mrs. R. J. McCoy, chairman of the recent tea, reported $138.49 already received and more to be collected. Mrs. E. C. Boss, chairman of the scholarship committee, reported no candidates this year and letters were read from Misses Joanne Hindes and Barbara Meyer who received scholarships last year.

Miss Lillie Mae McPhettridge, instructor from Wayne University, spoke on the Wayne University School of Nursing program. Miss Gertrude Spaulding told of the progress on the new addition under construction at the hospital. Assembly singing conducted by Mrs. Ray Sluyter closed the program.

VICTORIA GEBAROWSKI WEDS LOUIS GRUSZKA

Miss Victoria Gebarowski of Tecumseh and Louis Gruszka of Detroit were married June 6 at the Tipton Community church by Elder Charles Chupa. The bride is the daughter of Mr. and Mrs. Albert Gebarowski of Route 1, Tecumseh and Mr. Gruszka's parents are Mr. and Mrs. Joseph Gruszka of Cleveland, Ohio.

The attendants were Miss Julie Gebarowski as maid of honor; Mary Nemesh of Detroit and Barbara Gebarowski of Tipton, bridesmaids. Peter Ferlejewski of Detroit was best man and ushers were Buddy, John and Joe Gebarowski. Mrs. Raymond Platt was organist and soloists were Mrs. Walter Robutka of Detroit and Michael Lalik of Royal Oak with Jean Kuenzli of Detroit as pianist.

A reception for 125 guests was held after the ceremony and a dinner was served at 5 o'clock by the women of the church.

The couple left on a trip to northern Michigan and Wisconsin and on their return will make their home in Dearborn. The bride is a graduate of Chadsey high school in Detroit and is employed by Louise Frocks in that city. Mr. Gruszka graduated from Cleveland high school and is employed as a machinist.

LOCALS

Mr. and Mrs. Lloyd Rhein and son Peter left Monday for Ft. Lauderdale, Fla., to spend two weeks.

Miss Georgianna Cooper underwent an appendectomy at Herrick Memorial hospital Friday.

Mrs. Donald F. Wright was in Adrian Saturday for the alumni reunion of Adrian high school where she graduated 50 years ago.

You Can Acquire Dangerous Souvenirs . . .

Travel is a fine tonic — and a popular recreation. But travel to many locations presents some unusual dangers.

Unsuspected infection from insect bites often proves fatal. Water in many locations is not fit to drink. First-aid supplies are not procurable in some locations. It is well to consult your Doctor or your Pharmacist as a part of travel preparations.

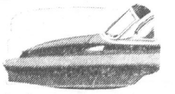
WORLD'S ONLY VERTICAL VALVE V8

Air Conditioning on wheels* comes of age!

Now you can have a car that's as comfortable on hot days as your air-conditioned home, office or favorite theater.

Now you can ride in draft-free coolness at the temperature level you choose—even when the outside reading is 110° and more.

Now you can take a full complement of passengers through the thick of traffic on a sweltering day—and each one of you will keep looking and feeling fresh as a daisy at dewtime.



Air intakes on each side of car introduce outside air into system.

You do this with the compact Buick AIRCONDITIONER — the completely practical unit available at extra cost in 1953 SUPER and ROADMASTER Sedan and Riviera models.

But note this: what Buick put into its AIRCONDITIONER goes beyond the usual.

For the advanced design of this Buick unit provides dual roof ducts that distribute up to 300 cubic feet of cooled, freshened, filtered, air per minute to all parts of the car interior evenly and constantly—without icy blasts and drafts on your neck, shoulders, legs.

Grilles in Buick's exclusive dual roof ducts insure draft-free distribution of conditioned air—and also provide individual control of air direction as desired.

What's more, these exclusive roof ducts have individually controlled air directors above the side windows. So each window-seat passenger can guide a gentle breeze of conditioned air exactly where he wants it.

Of course, the Buick AIRCONDITIONER is automatic.

You switch it on, choose the temperature setting you want—and that level of coolness is maintained constantly. It thoroughly conditions the air around you—automatically. It carries off heat, stale air, tobacco smoke—automatically. It continuously introduces outside air into the system—automatically.

It's fast-acting, too. Even after an hour or more locked up under summer's hottest sun, the car interior can be brought to a delightfully cool comfort in a matter of minutes.

Return air grilles on package shelf help maintain continuous circulation of conditioned, pollen-free air.

And it's really compact. The cooling unit itself fits neatly on a narrow shelf in the big trunk compartment—leaves plenty of room for luggage and the like.

Why not drop in on us and try a demonstration?

You'll find that the Buick AIRCONDITIONER with its exclusive dual roof ducts is the ultimate comfort in hot-climate driving.

**Buick Airconditioner available in 1953 Roadmaster and Super Riviera and Sedan models at extra cost.*

ASSEMBLY OF GOD
CHURCH 210 W. Bidwell

NANCY JO WATSON MARRIED SATURDAY

The Tecumseh Friends church was the scene of an impressive wedding Sunday afternoon at 4 o'clock when Nancy Jo Watson, daughter of Mr. and Mrs. George Watson of Route 2, Tecumseh and Bert Lyle Wade, son of Mr. and Mrs. Lawrence Sindel of Onsted, exchanged their marriage vows. The Rev. Edward Escolme read the double ring ceremony and the attendants were Dorleen Wade, sister of the bridegroom and James Roger Watson, brother of the bride. Kay Robertson of Camden, a cousin of the bride, was flower girl and Douglas Luce, a nephew of Mr. Wade, was the ring bearer. Mr. Watson gave his daughter away. Preceding and during the ceremony Mrs. Amos Wilson, organist, played traditional wedding music. Miss Sharon Muhn sang "O Promise Me," "Because" and "I Love You Truly." The church was lovely with hampers of white and deep rose peonies and white daisies with palms and lighted candelabra.

The bride's gown was of white satin in traditional style with pointed basque bodice and bouffant skirt, pointed lace collar, self-covered buttons closing the front. With this she wore matching gauntlets, a finger-tip veil of nylon net suspended from a pearl tiara, and carried a cascade bouquet of white daisies centered on a white Bible. She wore a single strand of pearls, the gift of the bridegroom.

The maid of honor wore yellow organdy made similar to the bridal gown with matching headdress, carried yellow daisies and wore a necklace, the gift of the bride. The little flower girl was in pink organdy, also fashioned like the bridal gown, with a pink organdy tiara and a nosegay of assorted daisies.

Mrs. Watson, mother of the bride, was in printed nylon with white accessories and a pink carnation corsage. Mrs. Sindel wore black and white print nylon, white accesories and a yellow carnation corsage.

Victor Agnew and Robert Dunbar of Adrian, uncles of the bride and bridegroom respectively, were the ushers.

Immediately after the wedding a reception for 175 guests was held in the church parlors. The bride's cake was cut by Mrs. Leon Dunbar of Onsted, grandmother of Mr. Wade; Mrs. George Meads and Mrs. Clarence Randolph were in charge of the tea and coffee services, and members of Nancy's Sunday school class served. Mrs. Gail Fisher was in charge of the guest book.

Mr. Wade is on furlough from the Air Force and after a short trip he will leave for Alaska where he will be stationed, and Mrs. Wade will remain with her parents. She attended Tecumseh high school and her husband attended Onsted high school until entering service. For traveling the bride wore a brown check suit with bolero jacket, white accessories and yellow carnation corsage.

The guests from Michigan, Ohio and Iowa, included three sets of grandparents, Mr. and Mrs. Byron Agnew, Mr. and Mrs. Lee Dunbar and Mr. and Mrs. Vern Sindel.

———o———

Second Monkey: "Not so loud, the other animals might hear you."

SHULL-GRITZMAKER VOWS EXCHANGED

The First Presbyterian church of Raisin at Holloway was the setting of the all white wedding of Miss Jane Ann Gritzmaker of Holloway, daughter of Mr. and Mrs. Carl A. Gritzmaker, and Jerry L. Shull of Adrian, son of Mr. and Mrs. Glenn B. Avis. Dr. Thomas Rogers performed the double ring ceremony at 4:30 p.m. Saturday.

The bride, given in marriage by her father, wore a strapless wedding gown of nylon tulle, over which she buttoned a Chantilly lace redingote, fashioned with a traditional train. A tiered skirt fell over rustling taffeta and she carried a bouquet of white carnations and stephanotis.

As matron of honor, Mrs. Marie Orr was gowned in white, fashioned after the bridal gown. Bridesmaids were Miss Marilyn Moore, Detroit, and Mrs. Elaine Phillips, college friends of the bride. Both bridesmaid's dresses were white and similar to the bride's, their stoles, lace mitts and headbands matching. Joy Bennington, cousin of the bride, was junior bridesmaid and also wore white. Bouquets of lavendar carnations tied with deep purple maline added color to the ceremony.

Mr. Shull was attended by Don Bartholomy as best man and Rex Willnow and Paul Callahan of Adrian were ushers.

A reception for 150 guests was held in the church parlors following the ceremony. Miss Gretta Porter, cousin of the bride, was in charge of the guest book, Mrs. Jack Ledford and Miss Pat Hammack served the cake, and Miss Jill Bennington and Miss Brenda Porter, cousins of the bride, poured punch. Also assisting with serving were Miss Margaret Lunn and Mrs. Marilyn Felton.

Mr. and Mrs. Shull will make their home at 635 W. Maumee street, Adrian, upon their return from a week in northern Michigan. For traveling the bride chose a white wool suit with tangerine accessories and a corsage of roses.

The new Mrs. Shull is a graduate of Michigan State Normal College at Ypsilanti and has taught in the Monroe schools for the last year. Mr. Shull is a student at the University of Michigan.

———o———

MISS DAZEY WEDS FRED BEYERLEIN

Margaret Elizabeth Dazey chose an ankle length gown of white nylon for her marriage Saturday afternoon at 3 o'clock to Fredrick Walter Beyerlein. The ceremony was solemnized at Grace Lutheran church before an altar beautifully decorated with baskets of gladioli, palms and lighted candelabra.

The bride is the daughter of Mrs. Martha Dazey of Route 3, Adrian, and the late Ralph Dazey, and Mr. Beyerlein is the son of Mrs. Ida Beyerlein of Route 1, Frankenmuth, and the late Ernest Beyerlein.

The Rev. A. Jeschke, pastor of the church, performed the double ring ceremony in the presence of the immediate families and friends. Mrs. George Schippers played the traditional wedding marches and accompanied Mrs. Richard Bohs of Adrian as she sang "I Love You Truly" and "Through the Years."

The bridal gown was fashioned with a cotton lace bodice and peplum and a Peter Pan collar. The float-away skirt of nylon net was styled over a rayon net and taffeta slip. Her little hat of cotton lace was studded with rhinestones and she carried white carnations and gypsophila.

Mrs. Raymond Rodammer, sister of the bridegroom, was matron of honor, and she wore an orchid gown styled similarly to the bride's and carried a bouquet of yellow daisies. Mr. Beyerlein was attended by Norman Dazey, brother of the bride. Roy Beyerlein seated the guests.

Mrs. Dazey, for her daughter's wedding chose a navy blue dress with white accessories and Mrs. Beyerlein wore black and white with white accessories. Both mothers had corsages of pink roses.

The West Adrian Grange Hall was the scene of the reception at 8 p.m. for 150 guests from Frankenmuth, Jackson, Detroit, Saginaw, Onsted, Petersburg, Brooklyn, Manitou Beach, Ann Arbor, Adrian, Blissfield, Toledo, Napoleon, McComb and Tecumseh.

Mrs. Earl Kidd and Mrs. Herbert Beyerlein served the three-tiered wedding cake and were assisted by Mrs. Lester Kidd, Mrs. Walter Curry and Miss Patricia Dempsey. Mrs. Alfred Bohs was in charge of the guest book.

Mr. and Mrs. Beyerlein left on a trip through northern Michigan, the bride wearing a gray suit with white accessories. On their return, they will live in Frankenmuth.

The bride was employed at Russell's market on M-52. Mr. Beyerlein graduated from Arthur Hill high school.

MULL-HAAS REUNION

The 53rd annual reunion of the Mull-Haas families was held Sunday at the Tecumseh Grange hall with members present from Toledo, Trilby, Flint, Redford, Jasper, Clayton, Clinton, Sand Creek, Adrian, Holloway and Tecumseh. A potluck dinner was served at noon and during the business meeting Nelson Haas of Flint was elected president for the 1954 reunion; Royal Haas of Blissfield, vice president; Mrs. Lawrence Haas of Adrian, secretary; Stanley Haas of Jasper, treasurer; Mrs. Clarence Hunt of Tecumseh, program chairman. The program presented consisted of readings by Mrs. Lawrence Haas, Mrs. Robert Hanna and Mrs. Hunt of Tecumseh and Mrs. Lawrence Rockwood of Toledo; musical numbers by Miss Brown of Jasper. Mrs. Arlene Brown announced the program and Mr. Rockwood gave the benediction.

GOODWILL INDUSTRIES

Mrs. Carl Burch, Goodwill Industries' telephone representative for Tecumseh, reports that record breaking collections of repairable household discards have resulted in the employment of nearly 100 additional handicapped workers in the Goodwill workshops. At present, 388 physically handicapped men and women are kept busy repairing clothing, shoes, hats, toys, furniture and other discarded household articles contributed to Goodwill Industries.

THE TECUMSEH HERALD

A public record of news and advertising printed in Tecumseh since 1850.

ONE HUNDRED SECOND YEAR — NUMBER 38 TECUMSEH, MICHIGAN, JUNE 25, 1953 FIVE CENTS A COPY

TECUMSEH'S FUTURE IN VOTERS' HANDS

Calling All Kids! Summer Playtime Opens On Monday

Calling all kids! Tecumseh's annual summer recreation play program opens Monday for all ages with a bigger and better schedule of activities, director Lester Runk announced.

During mornings, Monday through Friday, playtime will focus on the Tot Lot, a program for children four to eight years old. Miss Joyce Warner will be in charge from 9:30 to 11:30 with supervised games, fingerpainting, clay modeling, soap sculpture and study hour.

Mothers of children within this age range are asked to enroll youngsters in the Art Room at Central school. However, enrollment will not be closed Monday, Mr. Runk said, allowing children to be registered at any time during the six weeks duration of the program.

From 1:00 to 4:30 p.m. general playground activities will take place with softball, volley ball, dart games, horse shoes, croquet, etc., under Mr. Runk's supervision. In addition to this Miss Warner will conduct handicraft classes. A large supply of handicraft materials has been purchased with the hope that many children will participate.

The only charge in the entire program is for the actual nonprofit cost of materials used.

Permission has been granted to conduct both the Tot Lot and afternoon program in the Central building in case of rain.

First week of the program will be climaxed with bike races at Recreation Field. The races will be for children classed between the ages 5 to 13. There will be separate races for boys and girls in three different groups. Ribbons will be awarded to the first three places in each group. Races start at 3 p.m., Friday, July 3.

Dick's Standard Service defeated the Explorer Scouts 13-4 and United Products Workers edged the Jokers 12-9 in opening round games of the men's softball loop Monday.

A large number of swimmers have registered at the pit, Duane Furbush reports, with a full program of instruction in swimming and water safety underway.

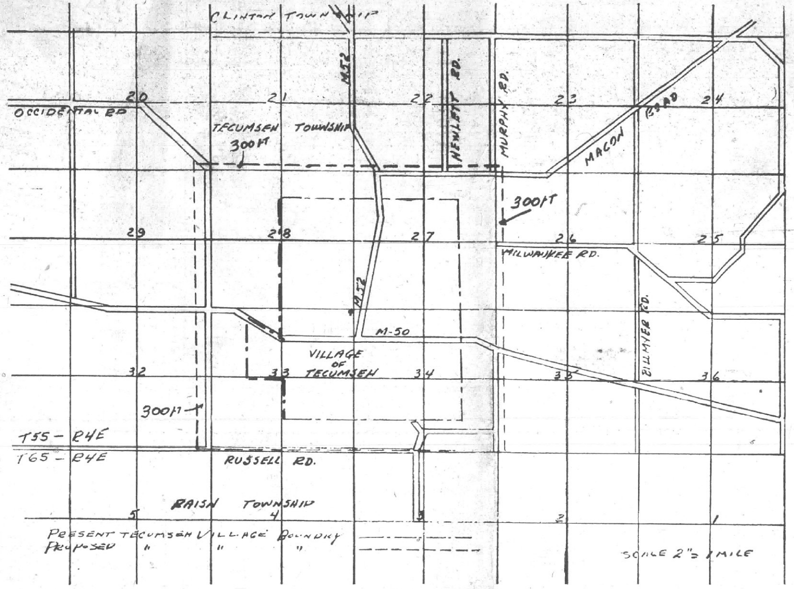
The baby pond area for children has been bulldozed to a shallow depth and fenced off.

MASS MEETING AT CENTRAL TONIGHT

A pre-election mass meeting will be held at Central school auditorium tonight, 7:30 p.m., to air public questions concerning Tecumseh's incorporation.

Persons interested in the issues of the election are invited to attend the free gathering and hear a panel of Citizen's Planning Committee members answer public questions and discuss the details of Tecumseh's future under city form of home rule government.

A booklet on incorporation is being distributed this week.



After more than a century within the old boundary line mapped above, Tecumseh will be expanded—if a majority of "yes" votes are cast Monday—to include the thickly populated fringe area designated by the outside broken line. The proposed boundary to be incorporated roughly starts in the southwest at Occidental highway and Russell road, the southern boundary would run east along Russell road and a half-mile beyond the end of Russell road to Rogers highway.

The east line would run from that point, north along Rogers highway and beyond the point where Rogers highway ends at M-50, to the intersection of Murphy highway and Macon road northeast of the village.

The line would then run west along Macon road and beyond the point where Macon road ends at M-52, back to Occidental highway northwest of the village.

The western border would run along Occidental highway. The actual boundary on the west, north and east would extend 300 feet beyond the lines mentioned. That is so they would include the properties on both sides of the roads.

On the south, the line will be directly on Russell road, because that is also the border of Raisin township. The extension will not reach into Raisin township, but will be entirely in Tecumseh township.

Other areas outside the proposed boundaries shown above are not affected by the election.

Pit Takes Second Life This Season

An accidental drowning Sunday afternoon at "the pit" took the life of a 21-year old colored girl just three weeks after the Joyce Andrews tragedy. These were the first and second drownings ever recorded in the long history of Tecumseh's popular gravel pit on So. Adrian street.

Miss Mary Francis McCathern, originally of Nashville, Tenn., who graduated last month from Adrian high school and has worked as a domestic maid in Adrian, walked into deep water off a crowded beach and never came up.

Apart from three of her Negro companions, she was missed around 5 p.m. when an unorganized search failed to find her. Her friends returned to Adrian, but still not locating her, they came back to Tecumseh and reported the details to the local police department. A night search of the pit with lights was of no avail.

At 9 a.m. Monday two boats started dragging the bottom, one manned by local officers and the other by county sheriff deputies.

The local police brought her up when a grappling hook snagged the bathing cap at noon. Coroner Ed Braun pronounced her dead by accidental drowning.

Lifeguard Duane Furbush said three persons saw her walking on the east bank of the pit past the diving board.

Anniversary Open House Sunday

MR. AND MRS. WILLIAM E. SWICK

An open house from 2 to 4 and 6 to 8 p.m. Sunday will mark the fiftieth wedding anniversary of Ella Mills Swick and William E. Swick, Macon.

Friends and relatives will join in the golden wedding celebration at their home.

The Swicks were married on June 24, 1903 at the old farm home two miles east of Macon on the Macon Road, by Rev. George Scarlett. The old home has served as a barn on the present Swick farm.

Mr. Swick has a host of friends in the Macon vicinity and throughout the county after many years of farming and public life. He was supervisor of Macon township for 26 years and served five years as Lenawee county road commissioner. He is a director of the United Savings Bank in Tecumseh.

A son, Mills Swick is well known in this area. The Swicks also have a granddaughter Mrs. James Castiglione and great-grandson Jack Castiglione, Detroit.

"City" Means "Water" To Honeycutts

Water is practically rationed at the Ellis Honeycutt home on South Union where Dad is shown with an empty glass while Phyllis and Gerry enjoy a few drops of "imported" drinking water just served by Mrs. Luella Honeycutt. This family firmly backs city incorporation for Tecumseh which means water mains instead of drying wells to the Quaker Oats subdivision.

Voting Machines Will Lock At Nine Charter Commissioners, No Voids

There will be no chance of voiding your ballot for charter commissioners as the automatic voting machine locks when nine candidates have been selected.

Voting procedure will be the same as in past elections. After entering the machine-booth, turn the red handle to close the curtains, pull down the knobs for either a "Yes" or "No" vote and then select nine charter commissioners from the list of 23. You may select any number less than nine but not possibly more because of the automatic lock when the maximum is reached. To register your vote return the red handle to its original position opening the curtains.

Candidates for the charter commission are listed alphabetically as follows:

- ☐ Clarence Beach
- ☐ James C. Beardsley
- ☐ William J. Bruce
- ☐ Ernest M. Campbell
- ☐ Glenn L. Driscoll
- ☐ Edward Escolme
- ☐ Loran Forrester
- ☐ Hugh H. Hanna
- ☐ Edward C. Heilman
- ☐ F. Everett Henson
- ☐ Harold M. Kelso
- ☐ Vern J. Manwaring
- ☐ George McCombs
- ☐ Charles H. Mensing
- ☐ Robert H. Moore
- ☐ Robert Peck
- ☐ Stanley Rentschler
- ☐ Joseph H. Rohweder
- ☐ Perry Satterthwaite
- ☐ Frank K. Smith
- ☐ LeRoy H. Titley
- ☐ Howard W. Truesdale
- ☐ Robert M. Williamson

So. Union Pleas For City Water With Yes Votes

Drinking water is a treat at the Ellis Honeycutt home, 7247 So. Union street.

Located just 200 feet south of the present village limits in the Quaker Oats Small Farms subdivision, the Honeycutt home is like a lot of others in that area—the well is drying. Only an occasional glass full—and that is muddy—drips from the tap. Water for drinking thus comes from the neighbors who likewise have shrinking supplies, or from a gas station in town. Other purpose water comes from the Raisin River, via hand bucket.

No question in Ellis Honeycutt's mind how he will vote Monday. Like the rest of the South Union residents, a "yes" vote means water, from city mains, an unending supply. As Mrs. Honeycutt said, "Folks in town don't appreciate water, they're not thirsty enough."

During a hot June evening, neighbor Ralph Easton dropped in to see how the Honeycutts were doing in the heat, without water. "We have enough to give the kids a glass," Ellis told him, "maybe we'll drive up town later on and get some."

Easton couldn't help out much, his well is also just about dry. "Couldn't draw more than enough for a sponge bath this evening," he said. He's also praying the vote passes and water is rushed to the South Union area.

Harold Patterson, neighbor on the other side, has kindly helped out as his water supply held out a little longer than the Honeycutt's, but now it also is fast dwindling and he has little to spare.

The Honeycutt well goes down the standard 40 feet and has a jet pump, it worked fine when the house was built in '47. Now an expert advises them it would cost $500 to $700 for a new 150-foot well that would produce water.

"We've petitioned the village for water but they put us off until after the election," the hard-working father of Gerry, 8, and Phyllis, 10, said. He's busy evenings putting in a new basement alone, hauls water from the Red Dam for mortar.

With a water main in front of their home, the Honeycutts would be the most grateful family in Tecumseh, they have put a lot of hard earned money into the property and want to preserve it with a little water.

Then there's the matter of pumping from 40-foot wells in an area pin-pointed with septic tanks. Two of the Honeycutts, mother and daughter, have been sick with yellow jaundice.

The whole subdivision lives under the peril of a possible typhoid epidemic if wells ever become polluted.

No wonder the South Union residents are rallying these days for an avalanche of "yes" votes Monday for city incorporation—they need water.

City Incorporation Issue Of Important Election Here Monday

(No other person has done more toward Tecumseh's proposed incorporation into a city than the Rev. B. O. Bashore, who reviews the important issues of next Monday's election in the following article, last in a series).

A "yes" vote Monday is your personal pledge for a bigger and better Tecumseh in years to come; for when you approve city incorporation you are standing up for progress — right here at home.

One of the most rewarding studies is that of history. Tecumseh has a most entertaining one, starting with the coming of the Evans and other families, continuing down to our present day — all the wonderful blessings are easily counted.

But when in the course of history something new is added, with it comes the problem of education for the public. We are all seeking a better way of life, in such a process Tecumseh has grown to become the "refrigeration capitol" of the world. Widely-known Quaker Oats and other local industries have made such definite contributions to our local picture that now, when we look at Tecumseh honestly, one has a sense of pride and happiness.

We are a progressive people.

Our expanded school system, enlarged churches, improved stores all better served the community and its continually growing population. Yes, Tecumseh continues to grow.

While all this progress is being made, our village officials are expected to operate Tecumseh as though we were only half our present size, for at present we are NOT a Home Rule community. We operate not as the local citizens wish, but as the state dictates.

On this coming Monday you will have the opportunity — by voting YES — to bring government home to Tecumseh, a government that will be able to serve more efficiently and more completely the local needs of our wonderful town.

In reading the history of 20 other communities changing from this out-dated type of "village" government to "city" form, one is impressed with the fact that not one of them would change back to a one-horse village! The city form is more modern, more efficient, more flexible to the community's needs, it better fits the existing situation.

We Americans are famous for being first with the most. Here is our opportunity to bring it to pass in Tecumseh.

Why not have and control our own court system? WE CAN.

Why not have a separate government from the township? WE CAN.

Why not have four times as much representation on the county board of supervisors (with the county paying for them)? WE CAN.

Why not get more money for roads and streets? WE CAN.

Why not get more money from Sales Tax for the City? WE CAN.

Why not recognize our moral obligation one to the other? WE CAN.

Why not make provision NOW so there will never come to our friends in the sub-division areas a health situation which might cost lives? WE CAN.

Why not have one place to register for voting — and one place to pay taxes? WE CAN.

These are just some of the questions YOU can answer in the affirmative by voting YES on incorporation Monday. Everyone in the proposed area stands to gain in the long run, if Tecumseh becomes a city. Remember, you are not voting on a charter now, that will be presented later. This present vote will only determine the boundaries and elect a charter commission.

You are NOT voting on a charter June 29. The charter commission will hold hearings later on the charter, when they have it prepared. You will have several opportunities to study the charter before voting upon it. If the incorporation vote is favorable, Tecumseh will continue as a village and township until a charter is voted by the electorate in a future election.

But on Monday, let's bring our government up to date by voting YES on incorporation.

A sincere thanks to everyone for your honest interest in Tecumseh's great future!

Funeral For B. J. Roberts Saturday

Funeral services for Benjamin J. Roberts, 75, who died Wednesday, will be held Saturday afternoon, 2:30 p.m. at the Green Funeral Home.

Burial will be in Brookside Cemetery. Rev. Alvin Brazee, assisted by Rev. B. O. Bashore, will officiate.

Mr. Roberts was born in Ridgeway township, April 1, 1878, the son of Carlyle R. Roberts and Mary Jackson Roberts. He lived his entire life in the Tecumseh area and resided at 105 S. Democrat.

For many years he clerked in local stores and until a stroke in 1949 he installed linoleum and rugs. He had been in failing health recently. He died in the Bowers Nursing home in Adrian.

Surviving are his wife, the former Bertha Lamkin, whom he married in Ridgeway, 1905, a son Gerald Roberts, stepdaughter Mrs. Arthur Gray; four grandchildren and five great grandchildren.

Mr. Roberts was an active member of the Baptist church.

JULY 4TH CARNIVAL SHIFTED TO PARK

Due to a change in schedule of the construction work on Chicago blvd., the July Fourth weekend carnival sponsored by the Hall-Slater VFW post 4187 will be held at Monument Park across from Central school building on July 1, 2, 3 and 4.

Kiddies day will be Thursday, July 2.

Tecumseh's other Independence Day activities include an afternoon baseball game, balloon ascension and evening fireworks.

PHONE 259 FOR TRANSPORTATION

In an effort to encourage every eligible voter to turn out Monday, the Tecumseh Chamber of Commerce offered free transportation (without obligation) to persons in all sections of the present village and proposed new area for incorporation.

For a free ride to the polls anytime between the hours of 9 a.m. and 5 p.m. phone the Chamber office, 259. You will be taken to the polls and returned home.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

PUT UP OR . . . . ! — The question this week is how to write something inspiring, yet not offending, to Tecumseh's voters, directing them pollward Monday. This is the last edition before the big day, so whatever is said here will be final.

The Herald has been on record (for a number of years) favoring incorporation. The late Earl L. Wickwire published voluminous galleys of type on the benefits of city government to Tecumseh. His position was precedented by none, he staged a one-man campaign through the years keeping the flame of hope for city change alive. His campaign will be answered Monday when the public polling places will be opened for a "show of hands" — the American way, legislating by balloting.

There shouldn't be one eligible voter who does not turn out Monday. The actual issues involved have been well explained on page one by the Citizen's Planning Committee for a Better Tecumseh. They can best be summed-up by "top value returned from your local tax dollar is from city form of government." The boundary extension to include thickly populated outlying areas is of timely demand, it should have been done before, it is almost too late, it must be done now.

E. M. "Ernie" Campbell's testimonial in the attractive brochure printed by the Chamber of Commerce, does a nice job of expressing the whole matter in a nutshell, "I have long been convinced that a city form of government would be best for Tecumseh!"

If you don't vote Monday, you will actually be voting against progress.

•

FUN IN THE SUN — Tecumseh sure likes its out-of-doors. A good, healthy sign in more ways than one for a well balanced recreational life for young and old means a strong, even-tempered place to live. Whether it's horeshoes, swimming, golf or just plain gardening or picnicing, there's no place like having fun "under the sun."

And there's a good future for more and more outdoor recreation. The biggest change to be expected in the United States economy in the next few years may be the increased leisure time for many. Sound development of the natural recreation facilities, such as we have in the Tecumseh area, will pay off in big dividends.

•

TORNADO SEASON — Why this is the tornado season has never been clearly explained, at least in understandable terms. Or why the recent shift from once tornado-feared Kansas to Michigan has not yet been cleared. Could man's mixing atomic potions have anything to do with the terrific twisters coming to these parts after rare visits in the past?

Those who personally viewed, in the real or on TV, the Flint disaster saw testimonials to the fact that there is unquestionably a greater power. Of all the bombs dropped on Hamburg during World War II, none caused the disaster and total ruin accomplished in a few short seconds to our neighbor to the north.

•

THIS I BELIEVE — A newspaper editor was asked by Edward R. Murrow for his personal creed. This, in part, is what he said. So well worth repeating, that we quote from Henry B. Hough, Edgarton, Mass.

"ALL THE GENERATIONS before our own have found it difficult to understand the size, the sheer bigness of big things, but I think a time has come when it is even more difficult to keep in perspective a true idea of smallness.

"When my wife and I took over the editorship of a country weekly and went to live in a town of 1,200 inhabitants, we were advised that we were making a mistake to set our sights so low, to make a start with so little.

"But now I look back across a spread of almost 33 years and to me, the choice seems more than ever wise.

"It seems to me that too many modern people assume that anything small is necessarily an early and imperfect version of something that should be bigger and better.

"They take it for granted that, in terms of usefulness and worth and importance, our world has gone beyond the things that are small.

"OUR AGE is one of internationalism and of the broad outlook, but internationalism of viewpoint does not consist in turning one's back upon the local and small, but rather in joining local enjoyment of freedom and humanitarianism with these principles as they exist in other places.

"I have come to look upon my neighbors not only as the fellow-townsmen I see from day to day, but also and accurately as the human race—and in the long run this should find me looking upon the human race as my neighbors."

. . . Local Happenings . . .

Mr. and Mrs. Alfred Allen left lact Wednesday for their home in Boulder, Nevada, accompanied by her sister Anita Dickinson, who will spend several weeks there.

Tom Will left last week for Camp Al-Gon-Quian to begin his seventh year of junior counciling. This year he will be in charge of purchasing.

Miss Helen Furgason began work last week as bookkeeper at the Palman Store in place of Mrs. Gerald Driscoll.

Mr. and Mrs. Morgan Ford and children enjoyed a trip to Niagara Falls and New York last week.

Dr. and Mrs. R. F. Helzerman and son Ralph returned Monday from a week's vacation at their cabin at Deer Lake.

Mrs. R. W. Herrick has returned from a visit with her mother and sister in Sutherland, Iowa. Mr. and Mrs. Herrick leave today for their cottage at Macatawa on Lake Michigan for the summer. Mr. Herrick will return Monday and only spend weekends there, while Mrs. Herrick will be at the cottage for the summer.

Mrs. William Smelt and son Michael and Miss Virginia Bonner of Ferndale were dinner guests Sunday of Mr. and Mrs. Robert Bonner. Mr. and Mrs. Bonner and son will leave soon for a trip to Yellowstone National Park.

Mr. and Mrs. Clifford Curran and daughter Ann have just returned from a trip to the upper peninsula where they visited Mr. Curran's mother, Mrs. Charles Curran.

Mr. and Mrs. William DePuy and Adelle were guests of honor at a picnic supper held Sunday at the home of Mr. and Mrs. George Derby. The DePuys, who sail July 1 for an extended visit with Mrs. DePuy's parents in Australia, were presented with a gift from the group. The out-of-town guests were from Ann Arbor and Pontiac. Mr. and Mrs. Martin of Utica, formerly of Bedford, England, are guests in the Derby home.

Gary Abner left Sunday for Boy Scout camp at Washington Lake near Cambridge Junction. Mr. and Mrs. Forest Abner spent Sunday at the home of Mr. and Mrs. G. A. Abner in Britton.

Mr and Mrs. Leo Alderdyce and Mr and Mrs. Cecil Alderdyce spent Sunday at a family gathering for Thomas Alderdyce in the home of Mr. and Mrs. Clifford Ostrander of Onsted. Thomas Alderdyce was celebrating a birthday. There were guests from Milan, Jackson, Inkster and Hillsdale.

Mr. and Mrs. J. M. Artman spent Father's Day with their daughter and family, Mr. and Mrs. Marcus Hayes of Hillsdale. Marcus Hayes III returned with them to spend the week.

Dr. and Mrs. Malcolm Bagshaw and family arrived Sunday from New Haven, Conn., and are going to make their home at 532 Newport Road in Ann Arbor.

Mr. and Mrs. Clyde Bailey spent Sunday with Mr. and Mrs. Royce Beal and family of Ann Arbor. Their son, Robert Bailey is expected home sometime this week from Sault Ste. Marie, where he is a teacher in the public schools.

Mr. and Mrs. Ned Baldwin and son Tom went to Albion Sunday and were dinner guests of the Mark Baldwins. Linda Baldwin returned Monday from Hubbard Lake, where she spent a week at the Hammel cottage.

Mr. and Mrs. Paul Gorr of Petersburg visited Mr. and Mrs. Ernest Brandt Sunday evening.

MURPHY - SISSON VOWS EXCHANGED

The First Methodist church of Angola, Ind.. was the scene of the wedding of Miss Judith Ann Sisson, daughter of Mr. and Mrs. Sam Sisson and David B. Murphy, son of Mr. and Mrs. Wenton Murphy. The double ring ceremony was performed at one o'clock Sunday afternoon by the Rev. George Sapp.

The bride chose for her wedding a white summer suit with luggage tan accessories. She carried a white lace covered Bible topped with sweetheart roses and stephanotis.

As maid of honor, Miss Rosemary Murphy, sister of the groom, wore white nylon and her corsage was of orange rosettes. John Sisson, brother of the bride, assisted Mr. Murphy as best man.

Dinner at the Pottawatamie Inn near Lake James, Ind., followed the ceremony, guests including only members of the immediate families.

Both Mr. and Mrs. Murphy attended Tecumseh high school. Mr. Murphy returned to Camp Knox, Ky., Tuesday, where he is stationed with the army, and Mrs. Murphy will remain with her parents for two weeks before joining him.

PIANO RECITAL

Piano students of Mrs. Margaretta Brisbin presented a recital Friday evening in the Fellowship Cetner of the Presbyterian church for parents and friends. On the program were solos, duets and trios, the evening closing with the singing of "God Be With You" by the group, the number being dedicated to Joyce Andrews, a former member of the class and victim of drowning. A group of the students with Mrs. Brisbin placed flowers from the recital on Joyce's grave Saturday morning. Punch and cookies were served the guests after the program.

Those taking part were: Lois Baker, Jamey Sue Gabler, Ross Stephenson, Bobby Gene LaPrad, Rodna Jepson, Billy Joe LaPrad. Nancy Smith, Carol Ross, Gary Hall, Jean Ann Hoag, Joan Harsh, Sharon Burleson, Jacqueline Dunn, Mary Colgrove, Richard Stephenson, Jane Harsh, Sandra Hall, Judy VanWinkle, Floyd Avery, Johanna Young, Sandra Ross, Karen Murphy, Lynn VanWinkle, John Naser, Wilma Bumpus, Wanita Cleveland, Nancy Kinietz, Mary Ann Kanous, Marilyn Baker and Judith Kniffen.

ENTERTAIN AT SHOWER

Mrs. John R. Zeigler and Mrs. Faye Whelan entertained Tuesday evening in the Zeigler home at a pantry shower for the pleasure of Miss Virginia Fogle of Adrian, who will become the bride ofq Richard Kingsbury July 5. Fourteen guests were present and cards were played, prizes being awarded to Mrs. C. W. Howe and Mrs. Burt Dannells, who in turn presented them to the bride-elect. Miss Fogle received a shower of lovely gifts.

JOAN PAFFORD BRIDE OF G. KIRK SMITH

Large hampers of white gladioli and fugi chrysanthemums with rhododendron as greenery enhanced the beauty of the First Presbyterian church Saturday when George Kirk Smith took for his bride Joan Ann Pafford. The 6:30 p.m. double ring ceremon was performed by the Rev. George E. Walworth. The bride is the daughter of Mr. and Mrs. John H. Pafford of 7887 Smith Road and Mr. Smith is the son of Mr. and Mrs. Frank K. Smith of 4980 Monroe Road. Miss Diane Dillon accompanied Mr. and Mrs. Arthur Schwartz at the organ as they sang "Because" and "The Lord's Prayer."

Given in marrige by her father, the bride approached the altar in a gown of nylon tulle and imported Chantilly lace over satin and net. A flowing floor length skirt of nylon tulle caught by bands of Chantilly ended in a short train. A jeweled crown held her veil of French illusion and she wore matching mitts. She carried a white Bible topped with phalaenopsis and lillies-of-the-valley.

Mrs. Jack Brown, matron of honor, was gowned in aqua net fashioned with a three-tiered skirt and strapless bodice. Her stole, mitts and head band were of matching aqua. The bridesmaids, Miss Shirley Teske, Miss Jane Smith and Miss Loretta Blanchard were in rainbow colors of pink, blue and orchid. Their strapless gowns were styled with bouffant skirts caught in puffs at the side with corsages of summer flowers.

The junior bridesmaid, Linda Pafford, sister of the bride, wore Nile green and little Cathy Brown, flower girl, was dressed in yellow, both with tiered skirts, matching mitts and headdresses. Cathy carried a white basket of sweetheart rosebuds and gypsophila lined with yellow maline and velvet streamers to match her dress. Miss Pafford's bouquet was of sweetheart rosebuds with contrasting bebe mums, edged in maline.

Ringbearer was Glenn Green, III, of Ridgeway, who carried the rings on a satin pillow.

Mr. Smith was attended by Leo Bishop and ushers were Leroy Betzoldt, Robert Binns, Thomas Naser and Richard Whelan.

Mrs. Pafford wore blue lace and nylon net over taffeta with accessories of blue for her daughter's wedding. Her corsage was of pink rosebuds and stephanotis. Mrs. Smith chose a gown of mauve nylon tulle with matching gloves and a deep purple hat trimmed with flowers. She wore a butterfly orchid corsage in pale pink with varigated ivy.

A reception for 250 guests was held at the Country Club following the ceremony. Refreshments were served smorgasbord style and Mrs. Kenneth Reas of Detroit, aunt of the bride, and Mrs. Virgil Chumney served the six-tiered cake. Mrs. Leo Bishop had charge of the guest book.

The new Mrs. Smith chose a gold gabardine suit for traveling, with matching hat and purse, and a cape trimmed with poodle cloth. The phalaenopsis from her bridal bouquet was her corsage. Both Mr. and Mrs. Smith attended Tecumseh high school, the groom graduating this June. They will reside on the Tecumseh-Clinton Road upon their return.

What else gives home more convenience?

YET COSTS AS LITTLE AS 12c A DAY . . .
AND NO MORE THAN 20c A DAY

A modern home is a miracle of convenience. But no appliance earns its keep more faithfully than your telephone. Day or night, you can make or receive as many calls as you like, at no extra cost. It's always on the job. All repair work is taken care of for you. Even if you used your telephone for emergency calls only, it would still be worth its low daily cost.

CHIROPRACTOR OPENS OFFICE IN TECUMSEH

A modern chiropractic office will be opened here Tuesday in the Sage building where A. H. Brown, DDS, practiced for many years. Dr. Brown is now located on West Pottawatamie street next to the American Legion Home.

After 14 years chiropractic service in Ohio, Dr. H. M. Currier was granted a Michigan license in January and decided to locate in Tecumseh, which he praised as a prosperous, growing community.

He comes from seven years practice in Sylvania and originally lived in Norwalk. He is a four year graduate of Texas Chiropractic college.

Dr. Currier is married with four grown children.

BIBLE SCHOOL HAS EXERCISES FRIDAY

Closing exercises for Tecumseh's annual vacation Bible school will be held at 7:30 p.m. Friday at the Baptist church Youth House.

Parents and friends of children who participated are invited to attend the program.

Mr. and Mrs. Berford Barber and family of Saginaw will visit his mother, Mrs. C. A. Barber over the weekend.

Mr. and Mrs. K. C. Heflin and family are spending some time at their cottage at Vineyard Lake.

Mr. and Mrs. Robert Stone leave Friday to spend the weekend with her parents, Mr. and Mrs. R. H. Nickerson of Lupton, Mich. From there they will leave for a week in Montreal and Quebec and touring Canada.

Mrs. R. W. Puffer returned to her home Wednesday from University hospital, Ann Arbor, where she is recovering satisfactorily. Mr. Puffer's sister, Mrs. Alva Bloom of Akron, Mich., is assisting with her care.

Mr. and Mrs. Keith DesErmia of Milan visited his mother Mrs. George Wright and Mr. Wright Sunday. Mr. and Mrs. DesErmia leave Sunday for Chicago where they will attend the furniture mart.

Mr. and Mrs. James Turpin spent the weekend in Ironton, Ohio, with his mother Mrs. Ella Turpin.

Mr. and Mrs. Owen Partridge and family have moved to 501 W. Chicago Blvd. in the house vacated by Mr. and Mrs. John Trefry. Mr. and Mrs. William Davis of Sand Lake are occupying the former Partridge house on Van Buren street.

John Shook visited relatives in Kentucky over the weekend.

Mr. and Mrs. Dwight Hodges will take their son Eddie to Howe Military Summer camp, Howe, Indiana, Sunday.

Mr. and Mrs. Lee Kelley and son Lowell spent the weekend in Harrison with Mr. and Mrs. Kenneth Kelley.

Mr. and Mrs. William Kempf were in Trenton Sunday.

Robert Williamson, Fred Cooley, Harold Brion and Harold Doan were in Brantford, Canada Sunday for an archery meet.

Mrs. Robert Williamson entertained 13 children Friday in honor of her son Bobby's sixth birthday. Games were played in the afternoon and a picnic supper was served at five o'clock. Mrs. Williamson was assisted by Mrs. Charles Henson.

Agnes McCarbery has returned from a two week visit with her daughter and son in Adrian.

Mr. and Mrs. Clifford Gramm of Monroe were Sunday guests of Mr. and Mrs. L. H. Titley.

Jerry Bowen left Sunday for Quantico, West Virginia for an eight week training period at the Marine training base.

Mr. and Mrs. Darwin Creger spent the latter part of the week in Cadillac where Mr. Creger was a delegate for the Conservation League at a convention held there.

Paul Graham, son of Mr. and Mrs. Floyd Graham, and Dale Tingley, son of Mr. and Mrs. Dale Tingley, were in Lansing for a week attending Boys' State. Paul was selected by the Rotary Club and Dale by the Underwood-Orr Post of the American Legion to attend.

Mrs. J. F. Rector has returned from a visit with her sister, Miss Mattie Biddison of Baltimore, Md., where she had been for three months, called by Miss Biddison's illness.

Fred Swan returned home last week from Philadelphia, Pa., where he had attended the alumni reunion of Haverford College. Mr. Swan's class was celebrating its 55th anniversary, graduating in 1898.

Recent guests of Mr. and Mrs. John D. McColl were her sister and husband, Prof. and Mrs. Raymond Hicks of the University of Virginia. Mrs. Hicks is the former Eleanor Reed.

Mrs. Walter Sauer and daughters returned to Sturgis Thursday after spending several days with her parents, Mr. and Mrs. Glenn VanDenbergh. Miss Margaret VanDenbergh was in Grand Rapids last weekend.

Mrs. Edward Escolme returned Friday from Cleveland, where she had spent some time with her daughter and husband, Mr. and Mrs. Donald Johnson prior to the Johnsons departure for several weeks in England. The Rev. Escolme was in Cleveland Thursday and Friday, Mrs. Escolme returning home with him Friday.

Mr. and Mrs. William Fleming of Toronto, Canada spent the weekend with Mr. and Mrs. Raynor Kerr.

Mr. and Mrs. William Craig of Milan and Mr. and Mrs. Bert and son of Hillman were Sunday guests of Mr. and Mrs. Gerald Craig.

Mr. and Mrs. Charles Mensing and family spent the weekend at Cedar Point as guests of Mr. and Mrs. Allen Ambacher.

Mr. and Mrs. LeRoy Feldkamp of Saline, Mrs. Ida Underwood and Mr. and Mrs. Fred Weseloh attended the graduation exercises of their nephew, Robert Lewis from Rochester high school last Thursday. Mrs. Weseloh remained with Mrs. Burdette Lewis until Sunday.

Mr. and Mrs. C. W. Boussum, son Edward and daughter Marjorie of Bay City were guests of the C. W. Allens over the weekend. Mrs. Bossum and children remained for an indefinite visit.

Diane Woodward left Sunday for the Methodist Youth Fellowship camp at Port Huron, where she is spending this week.

Mrs. David W. Beck has returned from a visit with relatives in Detroit.

A group from the Methodist church visited the Macon Methodist church Sunday evening and enjoyed a singspiration. The choir, under the direction of Mrs. Vaughn Whited, sang two Negro spirituals.

Boy Scouts of Troop 4 who are attending Scout Camp Kanesatake at Washington Lake this week are Gary Williams, Gary Crawford, James Armstrong, Raymond Miller, Lee Britton and Gary Elliott.

Weekend guests of Mr. and Mrs. Ellsworth Collins were their daughter and family, Mr. and Mrs. Nilo Manso and children of Detroit. Mrs. Orval Minney and children of Toledo were Saturday guests and the three families attended the Remington reunion held at the residence of Mr. and Mrs. John Knight of Clinton Saturday.

DIXIE OATLEY WEDS DR. ROBERT BUEHRER

Dixie Ann Oatley, daughter of Mr. and Mrs. Chester A. Oatley of Frankfort, Mich., became the bride of Dr. Robert B. Buehrer, son of Dr and Mrs. C. C. Buehrer of Detroit, on Saturday in the Congregational church of Frankfort.

The bride was gowned in tulle and Chantilly lace over white satin. She carried white roses and snapdragons. Aqua shantung gowns were worn by the bridesmaids. They carried pink daisies and lillies-of-the-valley and wore aqua petal hats.

Dr. and Mrs. Buehrer are traveling through northern Michigan before going to Ft. Lauderdale, Fla., where they will make their home. Mrs. Buehrer was a resident of Tecumseh, and was employed in the offices of Dr. Robert Laidlaw and Dr. R. J. Murray as a dental technician.

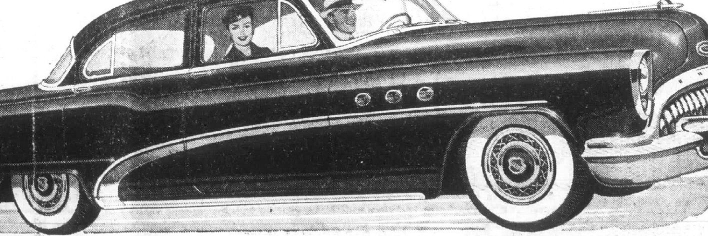
Plenty of HUSTLE from the instant you START

(Have you tried T.T. Dynaflow?)



Smart touch for the sports-car minded—wire wheel covers, as illustrated, optional at extra cost.

THE automobile pictured here is a 1953 Buick SPECIAL with Twin-Turbine Dynaflow.*

You discover what that means when you take its wheel—when you try it for getaway—when you head it up tall hills—when you maneuver it in traffic.

The instant you want to move, you move.

You can go from standstill to a legal 30 mph quicker than quick. Fact is, this spectacular new TT Dynaflow gives you getaway, plus silence, plus smoothness, in a combination no other automotive transmission in the world can equal.

The instant you want emergency power, it's there — velveting forth from a brilliant Fireball 8 Engine with the highest horsepower and compression ratio ever to power a Buick SPECIAL.

The truth is, the instant you feel this big, broad, thrill-charged beauty in motion, you'll know it for a *performance* automobile—nimble and eager, responsive as quicksilver.

But exhilarating action is just part of the story here.

There's spacious roominess. There's a magnificent ride. There's superb handling ease. *And to cap it all, this Buick delivers for little more than the "low-priced" cars.*

Why not drop in on us this week? We'll be mighty proud to have you try the greatest Buick SPECIAL yet built.

Standard on Roadmaster, optional at extra cost on other Series.

V. F. W. AUXILIARY

The V. F. W. Auxiliary held a social meeting Wednesday evening in the Post rooms. In the absence of the president Mrs. Bert Warren, Mrs. Ted Golat presided and it was decided to hold only one meeting during the months of July and August. Mrs. Frank Daehne, Mrs. Harlan Boyes and Mrs. Earl Kruger were appointed to attend the Department convention in Port Huron over the weekend. During the social hour games were played and prizes awarded and lunch was served by Mrs. Robert Starkey and Mrs. J. M. Artman. The next meeting will be on July 15 with Mrs. Richard Beasley, Mrs. Roy Beasley and Mrs. Orville Bishop in charge of refreshments.

—o—

EXCHANGE CLUB

J. R. Garno has been elected president of the Tecumseh Exchange Club to succeed George McCombs. Others elected are O. M. Partridge, vice president; John Saling, secretary; William Powell, treasurer; Forrest Abner, Eldon Colthurst and Norris Morehouse, members of the board of control for two years.

FATHER - SON BANQUET

Roe Johnston of Detroit, former all-American football star gave an inspiring address at the Father and Son banquet of the Men's club of the Presbyterian church Thursday evening. About ninety men and boys attended the dinner served by the Presbyterian League in the Fellowship Center.

Chairman of the evening, A. W. Merz, welcomed the guests and introduced Arthur Schwartz as toastmaster. Frederick Dickinson gave the toast to the sons and Jerry Barron responded. The Rev. George E. Walworth gave the benediction.

—o—

MISSIONARY SOCIETY

A Mother and Daughter tea was held Thursday evening at the Friends church when the Missionary Society revealed mystery daughters and mothers were presented with gifts. A short program was in charge of Mrs. Melvin Muhn, with Mrs. Naomi Sallows and Sharon Muhn presenting songs and remarks being made by Mrs. Walter Weimer and Mrs. Ned Kotts.

EAGLES AUXILIARY

At the meeting of the Lady Eagles held Wednesday evening a bake sale was planned for one o'clock on Saturday, the proceeds to be given to the Flint disaster fund. The Auxiliary also gave $5 to the fund. Mrs. Edwin Swift presided and Mrs. Mayme Stevenson and Mrs. Donald Morley were named cochairmen of the bake sale. They are asking all members to contribute, and contributions from others will also be accepted. Mrs. Swift gave a report of the recent state convention in Jackson which she attended. Mrs. Stevenson was appointed publicity chairman. Lunch was served after the meeting by Mrs. Morley and Mrs. Harvey Robison.

—o—

W. S. C. S. MEETS

The Methodist Youth Fellowship under the direction of Diane Woodward presented a panel discussion on the work of the Fellowship at the June meeting of the W.S.C.S. held last Wednesday afternoon at the church. Those taking part in the panel were Gary Hizer, Larry Anderson, John Deming and Wilma Bumpus.

After the program Mrs. Robert Bonner presided at the business meeting and Mrs. Clarence Beach, secretary of church activities, presented several projects for the coming year including an ice cream social, July tea, white breakfast, smorgasbord, turkey dinner, Father and Daughter banquet, Christmas tea and Christmas Tree Lane. A change of meeting time to evening was discussed and tabled during the summer. The Martha-Mary Circle told of plans for a carnival in September and Mrs. Maynard Lucas gave a report of the Youth picnic at the Bonner farm.

Mrs. Walter Beck, president of the Mary-Martha Circle, presented the church with a silver tea and coffee service from the Circle. After the meeting refreshments were served by Mrs. Frank Laskey, Mrs. Glen Rupp and Mrs. Willis Porter from a lace covered table centered with roses. Mrs. Bonner poured.

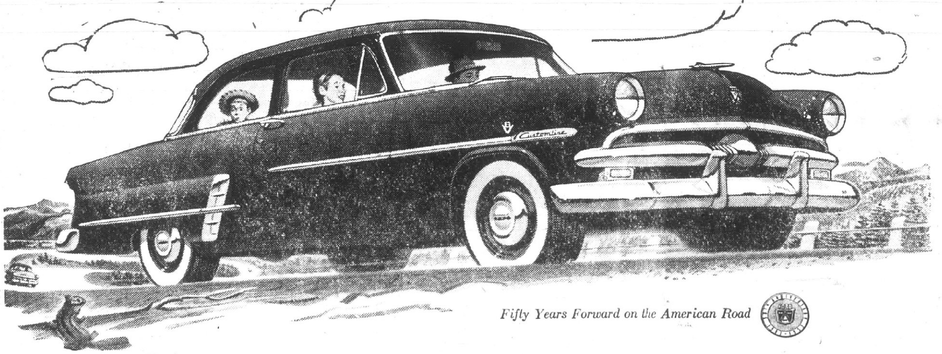
Pay more? What for?



Fifty Years Forward on the American Road

You don't have to pay costly-car prices for costly-car comforts. Ford brings you everything [and we mean everything] you've ever wanted in a car, at a price that's well within your reach! And according to recent surveys, a Ford returns more of its original cost when sold than any other car at any price!

Here are a few of the "Worth More" advantages you'll find in the '53 Ford:

1. A V-8 engine—powerful and smooth!
Ford's famous high-compression V-8 is a leader in quiet, flexible, economical performance. Ford, remember, has built more V-8's than all other makers combined—over 13 million!

2. America's most economical Six engine!
If it's a Six you want, Ford offers you the high-compression, low-friction Mileage Maker . . . the engine which, with optional Overdrive, won over all other cars, regardless of size or weight, in this year's Mobilgas Economy Run! And it's yours for the same kind of money that buys less modern sixes in other cars.

3. America's finest and most versatile automatic drive!
Fordomatic Drive is the "automatic" which gives you both the get-up-and-go of automatic gears and the smoothness of a fluid torque converter. If you choose Fordomatic, you will find that it makes all your driving easier . . . more relaxing.

4. Automatic gas savings!
Ford's Automatic Power Pilot (on Six and V-8) meters just the right amount of gas, times ignition precisely, burns fuel evenly and completely. You get full high-compression performance from every drop of gas—regular or premium.

5. America's newest and finest power steering!
Ford's Master-Guide power steering gives you new ease, stability and safety in guiding your car on smooth roads or rough. Your car gains in sure-footed roadability and you expend up to 75% less effort in driving—*and* parking.

6. Largest choice of models in the low-price field!
Ford alone gives you a choice of 18 different models . . . a SIX or V-8 . . . Fordomatic, Conventional or Overdrive . . . the widest variety of body, color and upholstery combinations. You can practically "design" your own Ford!

7. A body that's the style-setter!
Only Ford in its field gives you the advantages of a hull-tight Crestmark Body . . . the trend-maker in design and beauty. Ford's body is the longest and Ford's trunk, the largest. You enjoy more usable space.

8. New driving conveniences!
Ford's first in its field with such "Worth More" features as easier-acting, suspended pedals that eliminate floor holes . . . foam rubber cushions on front and rear seats in *all* models . . . and convenient Center-Fill Fueling.

9. An automatically controlled ride!
When you Test Drive this Ford, notice how the wide front tread (widest in the low-price field) takes tilt out of turns . . . gives you a more level ride. With new "balanced suspension," new spring and shock absorber action and new rubber compression bumpers, road shock in the front end *alone* is reduced up to 80%.

10. It's worth more when you sell it!
An impartial survey of used car prices proved that Fords return a greater proportion of their original cost than any other cars in America. It's *another* fact to add to Ford's reputation as the "Worth More" car.

But don't take our word for it. Stop in and Test Drive this Ford for yourself. We predict you'll be sold before you're in second! It was true last year and it's even truer this year: you can pay more, but you can't buy better than Ford.

WORTH MORE WHEN YOU BUY IT...
WORTH MORE WHEN YOU SELL IT... Ford

Council Proceedings

VILLAGE OF TECUMSEH COUNCIL MEETING

June 15, 1953

Present: President Campbell, Trustees Beach, Rohweder. Manwaring, Driscoll.

Absent: McCombs, Truesdale.

President Campbell appointed Vern Manwaring to take McCombs place on the Finance Committee.

Minutes of meeting held June 1, 1953 read and approved.

An itemized list of bills paid June 15, 1953 is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for period ending June 13, 1953, $7,291.22.

Moved and supported that the bills as read be approved and orders drawn up for the same.

Ayes: Beach Rohweder, Manwaring, Driscoll.

Nays: None.

Communication from the State Highway Department was read denying the right to close the State Trunkline for the purpose of the Home Coming Celebration and Carnival.

Motion by Manwaring and seconded by Beach that the Council petition the New York Central Railroad to widen the crossing at North Evans and West Logan Street, to a width to comply with the curb and gutter on Logan street.

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

Petition from residents on south Pearl and Patterson streets for immediate arrangements to be made to oil or otherwise surface south Pearl street between Cummins and Patterson and Patterson between south Union and S. Evans street. Moved and seconded this petion be referred to the Village Engineer for attention.

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

Moved by Rohweder and seconded by Driscoll petition from the "Navy Club of the United States of America" to park mobile unit on street be granted.

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

The following resolution was read and discussed and then tabled until next meeting.

RESOLUTION

The following preamble and ordinances were offered by Councilman Rohweder and supported by Councilman Driscoll.

WHERAS ample side yard space and frontage being deemed a desirable objective for future homes in this village:

NOW THEREFORE BE IT ORDAINED:

That Section 7.045, Village Compiled Ordinances be amended to read as follows: "LOCATION OF DWELLING. Every dwelling shall face or front upon a public street, or permanent easement of access to a public street other than an alley; and no dwelling shall be built upon a lot having a frontage of less than 60 feet upon a public street or upon a permanent easement of access to a public street. Such easement to have a width throughout of not less than 30 feet or not less than 10 feet for each lot fronting upon it, except that no width of easement greater than 60 feet shall be required hereby.

That Section 7.105 be amended to read as follows: "MINMUM WIDTH OF LOTS. No dwelling shall be built upon a lot not recorded at the time of passage of this Ordinance having width at the front of less than 60 feet and fronting upon a public street, or upon a permanent unobstructed private easement of access to a public street, such easement to have a width throughout of not less than 30 feet and at the end thereof and at intermediate intervals of 500 feet a turn-around not less in width than 40 feet.

That new Section 7.132 be enacted: "LOT WIDTH. No dwelling shall be erected in the Residence A zone upon a lot having less than 70 feet frontage upon the street.

That new Section 7.109 be enacted: "MINIMUM SIDE YARD REQUIREMENTS. No garage or other building shall be erected or placed within 7 feet of the side lot line, PROVIDED HOWEVER, that this prohibition shall not apply to those lots upon which dwellings have been erected prior to the effective date of this Amendment; nor to those sub-divisions whose plats have been accepted prior to the effective date of this Amendment; nor to those lots upon which construction of a dwelling has commenced or regarding which an architect's plan has already been submitted to the Owner at the time of the effective date of this Amendment.

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

RESOLUTION

The following preamble and resolution was offered by Councilman J. Rohweder and supported by Councilman Manwaring.

WHEREAS a uniform and deliberate method of enactment of Ordinances and Resolutions by the Council is desirable; and

WHEREAS it is proper that Village Legislature should be carefully and judicially considered in order that private citizens may have an opportunity to express their views therein.

NOW THEREFORE BE IT RESOLVED THAT:

1. Any prospective Ordinance or Resolution shall be presented by the Clerk at a regular meeting of the Council and shall be read, and discussed, and then tabled.

2. The particular item shall be read, or summarized, and discussed at the next following regular meeting, and then tabled.

3. It shall be again read, and discussed, at the next following regular meeting and then presented for vote.

4. Should the exigency of the situation demand, the Village President may instruct the Clerk that the prospective Ordinance or Resolution is of an emergency nature and the Clerk will forthwith call for a vote on waiving the above established procedure. If 2/3~~rds of~~ the Councilmen present vote upon such affirmatively the prospective Ordinance or Resolution shall then be subject to an immediate vote.

RESOLUTION DECLARED ADOPTED.

Moved and supported this resolution be adopted.

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

Motion by Beach and seconded by Rohweder the Village Engineer be instructed to have three (3) test wells put down. Size of wells and engineering problems to be taken care of by a consulting engineer, the location as determined by the "Michigan State Health Department".

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

Motion Rohweder seconded by Manwaring the following Resolution be accepted and sent to Lansing.

RESOLUTION

The following preamble and resolution was offered by Councilman Rohweder and supported by Councilman Manwaring.

WHEREAS the Council of this Village has learned with regret that House Bill No. 297 covering the inclusion into Municipal Codes of the uniform Municipal Vehicle Code by reference; and

WHEREAS it is the desire of this body to encourage such legislation as a means of saving money ordinarily utilized in publication costs;

NOW THEREFORE BE IT RESOLVED:

That this body go on record as favoring the principals enbodied in House Bill 297 and that Senator Elmer E. Porter and Representative Rollo G. Conlin be requested to exert themselves to insure the passage of appropriate legislation to accomplish this end.

Ayes: Beach, Rohweder, Manwaring, Driscoll.

Nays: None.

RESOLUTION DECLARED ADOPTED.

Dated: June 15, 1953

On Motion Council Adjourned.

E. M. Campbell, President
Naomi R. Sallows, Secretary

LOCALS

Miss Betty Day left last week for Crystal Lake where she will be employed at Hill and Dale Resort operated by Mr. and Mrs. C. Bigelow.

Mr. and Mrs. Harold Bird left Wednesday for their home in Mar Vista, Calif., after a visit with her daughter and husband, Mr. and Mrs. George Foos and daughter Judy.

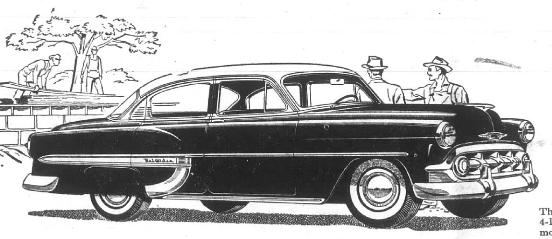
● This advertisement is the third i
special series which began over a y
ago, and which is designed to give yo
as a prospective buyer, detailed and helpful information. We'd be happy to have your comments about this type of advertising.



This is the 1953 Chevrolet Bel Air 4-Door Sedan. It's one of 16 Chevrolet models in 3 series, which add up to the widest choice in the low-price field.

Some Chevrolet advantages worth considering when you're ready to choose a car...

Next to a new house, a car is probably your most important purchase. Here are some facts to help you make up your mind about which make to buy.

Don't you agree that it's well worthwhile to weigh all the factors carefully *before* you buy any new car? Let's consider the major reasons why people choose one make over another and see how the 1953 Chevrolet stands in those respects.

Styling You Can Stay Proud Of

Styling, of course, is a matter of personal taste. Because we think Chevrolet is the best-looking car in its field, doesn't necessarily mean you'll think so, too. But we *can* tell you that the majority of our showroom visitors prefer Chevrolet styling and compare its appearance most favorably with cars costing a great deal more.

And you might consider this: Chevrolet styling is the *newest* in its field. It's the kind of styling that *stays* new, too. For it is based, not on fads or extremes, but on the fundamentals of good, modern design.

The One Automobile Body Almost Everybody Knows

It's not really surprising that so many people prefer Chevrolet's appearance. For Chevrolet is the only low-priced car with Body by Fisher. And Fisher, as you know, is the only automobile body manufacturer with a world-wide reputation for styling, craftsmanship and quality.

The Many Benefits of High-Compression Power

When you drive a new Chevrolet (and we hope you'll do that soon), you'll notice these things: faster acceleration from a standing start; greater passing ability in traffic and on the highway; the new ease with which you climb steep hills.

These are just some of the benefits of Chevrolet's new high-compression power. In gearshift models, there is an advanced 108-h.p. "Thrift-King" engine with a 7.1 to 1 compression ratio. Teamed with the new Powerglide automatic transmission* is an entirely new 115-h.p. "Blue-Flame" engine with 7.5 to 1 compression ratio. It is the most powerful engine in Chevrolet's field.

A Great Gain in Gasoline Economy

Along with remarkable new performance, Chevrolet's advanced engines give you far greater gasoline mileage. In fact, this year marks the most important gain in economy in Chevrolet history. And that includes substantial savings on over-all upkeep, as well as on gasoline.

New Getaway in the New Powerglide*

The new Powerglide *automatically* drops into "Low" range for starting and for passing in city traffic. Then, as you glide along, it slips smoothly and almost imperceptibly into cruising range. The results are much faster and more positive acceleration, and much lower fuel consumption.

The First Power Steering in a Low-Priced Car

This year's Chevrolet is the only car in its field to offer you the extra ease and convenience of Power Steering, optional at extra cost. With it, you can spin the wheel with the strength of one finger. You can seesaw in and out of tight parking places without the slightest strain. You get an additional cushion against road shocks and jars. Driving is easier, safer.

A Smoother and a Safer Ride

Chevrolet is the *heaviest* low-priced car. Model for model, a Chevrolet will weigh as much as 200 pounds more than the other makes. You often hear people say they buy high-priced cars because they're heavier, hold the road better and ride better. Well, isn't it logical, then, that Chevrolet's extra weight (which comes from extra strength of body and frame) would result in a better ride?

Chevrolet is the Lowest-Priced Line

Certainly, price is one of the most important factors of all. We're glad to be able to tell you that Chevrolet is the lowest-priced line in its field.

Now, you might well ask, "How can Chevrolet offer me more and still cost less?" There is a simple, logical answer to that.

Remember that Chevrolet builds *more* cars than any other manufacturer. Chevrolet, along with General Motors, has greater facilities for research, for engineering and production. So, isn't it reasonable that these greater facilities bring manufacturing advantages and economies which Chevrolet can pass on to you in terms of higher quality at lower price?

An Endorsement Given No Other Car

Again this year, more people are buying Chevrolets than any other car. Obviously that wouldn't be true unless people *liked* Chevrolet better. Unless Chevrolet offered more things people want—more value.

So, when you're ready to choose *your* new car, wouldn't you agree that Chevrolet merits your careful consideration? We welcome your visit at any time, so that you can look the car over yourself and try it out on the road.

**Combination of 115-h.p. "Blue-Flame" engine and Powerglide automatic transmission optional on "Two-Ten" and Bel Air models at extra cost.*

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

In the matter of the estate of LUIGI GALLO, Deceased.

On reading and filing the petition duly verified, of Jack I. Hanna, administrator de bonis non with the will annexed of said estate, praying that he may be authorized, empowered and licensed to sell the real estate described in said petition at private sale for reasons therein stated.

It Is Ordered, That Monday, the 31st day of August next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

L. B. KUNEY,
Judge of Probate.

A true copy:
HAZEL D. GREGG,
Probate Register 7/9

NOTICE OF LAST DAY OF REGISTRATION OF THE QUALIFIED ELECTORS OF SCHOOL DISTRICT NO. 7 TECUMSEH TOWNSHIP (TECUMSEH PUBLIC SCHOOLS) LENAWEE COUNTY, MICHIGAN.

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please take Notice That the Board of Education of School District No. 7, Tecumseh Township (Tecumseh Public Schools), Lenawee County, Michigan, has called an Annual election to be held in said School District on July 13, 1953.

Section 2 of Act 199, Public Acts of Michigan, 1951, effective September 28, 1951, provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . . ."

THE LAST DAY ON WHICH PERSONS MAY REGISTER WITH THE TOWNSHIP CLERK IN ORDER TO BE ELIGIBLE TO VOTE AT THE ANNUAL ELECTION CALLED TO BE HELD ON JULY 13, 1953, IS THURSDAY, JULY 2, 1953. PERSONS REGISTERING AFTER 5:00 O'CLOCK, P.M., EASTERN STANDARD TIME. ON THE SAID THURSDAY, JULY 2, 1953, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.

Under the provisions of Act 199, Public Acts of Michigan, 1951, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside are registered school electors. Persons planning to register with the township clerk must ascertain the days and hours on which the clerk's office is open for registration.

This Notice is given by order of the Board of Education of School District No. 7, Tecumseh Township (Tecumseh Public Schools), Lenawee County, Michigan.

R. F. Helzerman, M. D.
Secretary, Board of Education 6/25

LOCALS

Mr. and Mrs. James Davis have sold their home on Green Road to William Swick and left last week for their new home in Orlando, Fla.

Mrs. C. F. Patton of Santa Ana, Calif., is spending a month in this vicinity visiting her brother and wife Mr. and Mrs. C. O. Bailey and other relatives in Adrian and Ypsilanti.

Miss Nancy Randall is spending six weeks at Chippewa Lodge at Weidman serving as councillor.

Mrs. A. L. VanWinkle, David VanWinkle, Mrs. C. O. Bailey, Mrs. Mervyn Boltz, Mrs. Purnell Osburn and Mrs Bertram Updyke are attending summer school in Ypsilanti.

Mrs. Louis S. Schneider entertained the members of her Sunday school class of St. Peter's Episcopal church at a picnic last Tuesday at her cottage at Wamplers lake. Twelve boys and girls attended and enjoyed games, swimming and a picnic dinner.

The Daughters of St. Peter closed their season with a picnic at the home of Mrs. Lawrence Blum last Tuesday evening. Mrs. Cecile Smith presided at a brief business meeting. Gail Elliott was a guest. Meetings will be resumed in September.

Mr. and Mrs. Robert Rieber, teachers at the Bendict Memorial school the past year, have gone to Berrien Springs for the summer and in the fall will go to Detroit where Mr. Rieber plans to take up ministry.

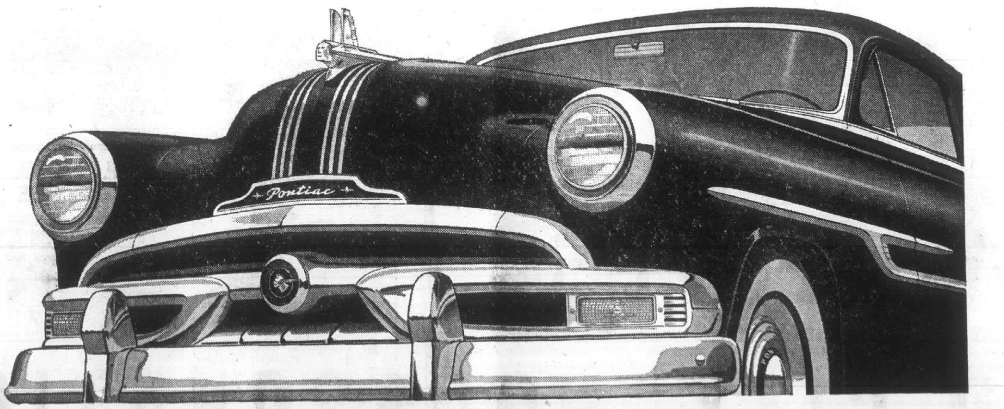
POWER! PERFORMANCE! AND LOW PRICE!
Drive it and Learn Why Dollar for Dollar You Can't Beat a Pontiac



GENERAL MOTORS LOWEST PRICED EIGHT
Pontiac
When you first sit behind the wheel of a new Pontiac forget its very low cost and concentrate instead on its performance.
Guide it through city traffic and see how its big, high-compression engine gives you amazing get-up-and-go. Then take it out on the open road and feel how it provides power to spare.
Next, see how relaxed you are in Pontiac's roomy, luxurious interior, how easily Pontiac handles, how surefooted it is on any type of road. Add to all this Pontiac's distinctive Dual-Streak beauty and you know you're commanding a car that represents true fine car quality through and through.
We suggest you come in and put Pontiac through its paces. We're sure you'll agree that here's mighty powerful proof that dollar for dollar you can't beat a Pontiac.

Stay-At-Home Is Theme Of July 4th Celebration

STORES OPEN FRIDAY NIGHT: BALL GAME. FIREWORKS SATURDAY

In an effort to keep Tecumseh at home—safe and off holiday highways—the Chamber of Commerce has planned a gala July Fourth local celebration.

Many visitors are even expected here from distant points as this year's festivities are ranked among the finest planned in many years, and Tecumseh has a long standing reputation for its Independence Day programs.

● Carnival

A "three ring" carnival, sponsored locally by the Veterans of Foreign Wars has already moved onto Monument Park and will play here through Saturday night with the usual midway and concessions.

● Baseball Game

Tecumseh Products nine will cross bats with a formidable diamond foe at 2 p.m. Saturday, July 4 at Recreation Field. The Products team has gotten off to another successful season and features a first rate roster of local players.

● Balloon Ascension

If you have never seen a balloon ascension you will not want to miss the thrilling spectacle of watching this huge, gas-filled balloon with an aerialist aboard, ascend from Elliott's Park on So. Ottawa street at 4:30 Saturday afternoon. Those who have seen the breath-taking feature know the thrill of being on hand to see a dare-devil balloon pilot chance traveling skyward on a suspended basket.

● Fireworks

Climaxing the local July Fourth celebration will be an outstanding display of colorful and noisy fireworks especially purchased this year to out-do all pyrotechnic displays of the past. The Saturday night program starts at 8:30 p.m. at Recreation Field and includes exploding aerial bombs, skyrockets, nightcrackers, sky displays including airplanes, Statute of Liberty, Covered Wagon and other illuminating spangles. A large crowd is expected around the Recreation Bowl though the fireworks can be seen from distant places.

The entire program is specifically designed to "keep Tecumseh at home, safe and away from dangerous holiday travel."

As Saturday is a national holiday, business will halt in Tecumseh for the celebration, creating a two-day holiday weekend. However, stores will be open Friday night, at which time Appreciation Days will be held, replacing Saturday night. Business, professional and government offices will be closed for the holiday.

Postmaster Jack Metcalf said the Post Office will be open from 2 to 4 p.m. Saturday for boxholders to obtain mail only. There will be no window service, nor will there be mail delivery.

SUDDEN MERCURY DROP TUESDAY WAS NOTED BY ERNEST CHURCH

After many years of watching the mercury skid up and down the Consumers Power hydroplant thermometer north of town, E. G. "Ernie" Church spotted an unusual change Tuesday afternoon when the mercury suddenly fell 11 degrees.

From a torrid 99 degrees, Church looked a second time at 3:30 to note a sudden slide to 88. He knew there was a storm somewhere—it was in the Detroit area. The southeast wind had suddenly changed to the north.

"It isn't the heat that makes life this time of year so miserable," Church said, "it's the humidity."

Chris Taylor Recalls Many Friendships During 25 Years Barbering In One Shop

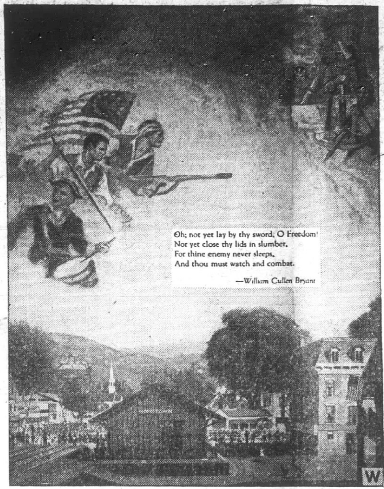
It was either a humorous baseball incident or a tall hunting story that brought Chris Taylor to his brimming everyday grin while barbering Mel Mathews. After a quarter century of tonsorial service to Tecumseh, likeable Chris finds that smiles and friendships go hand-in-hand with happiness in life.

Chris Taylor joins the limited number of Tecumseh merchants who have actively and continually served the community for a quarter century. For it was just 25 years ago today, July 2, 1928, that a younger Chris bought out Dan Hubbard and opened the same shop at 132 E. Chicago that he operates today.

Looking back over the long stretch of "Too many haircuts to count" the tonsorial artist of no mean talent emphasized the need for humor in the world today. Chris furnishes plenty of that in his cozy, trim barber shop where young and old hear tales of fishing, hunting, baseball and occasional gardening advice.

Like the day when Chris and Mel Mathews, shown together in the above picture, enjoyed a friendly joke or humorous story together.

There have been a lot of changes in Tecumseh in those 25 years, but Chris Taylor looks to his favorite little hometown as the best place on earth, "the people here can't be beat," he insisted, and he ought to know after 25 years grooming all ages of them.



Oh, not yet lay by thy sword, O Freedom!
Not yet close thy lids in slumber,
For thine enemy never sleeps,
And thou must watch and combat.
—William Cullen Bryant
W

As Benjamin Franklin left Independence Hall, a woman asked him, "Mr. Franklin, what kind of a government have you given us?" He answered gravely, "A Republic, madam, if you can keep it."

In painting this Independence Day scene in Hometown, U.S.A., the artist, E. Franklin Wittmack, has found an echo of Franklin's warning in a quotation from the poet William Cullen Bryant. The historic scene of Magna Charta, the signal light on old North Church Tower, the embattled "rebels" of a great new nation—symbolize the hard-won victories, and the priceless freedom, which, on Independence Day 1953, are given every Hometown in the land—not done to celebrate, but to protect.

Big Turnout For Playtime Program

BIKE RACES FRIDAY HIGHLIGHT ACTIVITY

Tecumseh's summer recreation program got off to an overwhelmingly successful start Monday with over 120 children taking part.

Sixty youngsters between four and eight years of age enrolled the first day in the Tot Lot and director Miss Joyce Warner expects more in the next six weeks.

Another large group joined the Handicraft class.

Playground activities have been limited because of the carnival at Monument park but Lester Runk, head of the entire program, says "playtime" will be in full swing next week. A large turnout of both boys and girls have already enjoyed softball, croquet, badminton and tennis.

The swimming program moved into its second week with instruction classes for all ages at the pit. Each morning Duane Furbush gives lessons in the fundementals of swimming and water safety.

Softball for young men is also in its second week with the United Products Workers leading the league with three wins and no defeats. On Monday, the Products defeated FFA and the Jokers downed Dick's Standard Service. In games next week, Explorer Scouts face the Jokers at 7 p.m. and Dick's Service meets the Products. On Wednesday the Has Beens and the Products clash in the opener and FFA meets Dick's Service in the nightcap.

Children are reminded of the bike races Friday afternoon which highlight this week's program. They will be held at 3 p.m. on Recreation Field. Races will be divided between boys and girls, each group broken down into six classes. Ribbons will go to winners in each division.

Two Local Scouts Attend N. M. Camp

A month's training on a 29,000 acre ranch in New Mexico is foremost in the minds of Bruce Packard and Charles Owens, Tecumseh Boy Scouts who leave Sunday morning for Chicago and then on to Raton, N. M., on the Grand Canyon Express.

Bruce, the son of Mr. and Mrs. Francis Packard, won his trip in competition with eleven other outstanding Scouts of the county at a meet at the Court House, Adrian, last Feb. 13. He is a member of Troop 73 sponsored by the United Products Workers and is also junior assistant Scoutmaster and coach of the first aid team. He holds the rank of Silver Explorer Scout, equal to an Eagle Scout. A Life Scout, he has achieved his God and Country award, a medal given by churches for Christian Scout work. This medal will be presented sometime in August.

Charles Owens is attending as a member of Explorer Post 47 sponsored by the V.F.W. He won the trip by popular vote of the boys of the post and will be working on junior leadership training at the camp in order to help further Scouting in Tecumseh. The 16 year old son of Mr. and Mrs. Albert Owens, he is a diligent worker in Scout group programs, but has not received any merit awards.

Eli Dickerson, district chairman, will accompany the boys to Chicago where they will be joined by four other Scouts from Illinois, arriving in New Mexico on Tuesday.

They will train for a week at the Philmont Scout Ranch after which the next 30 days will be spent hiking and camping in the mountains learning and using Scout skills, with the last two or three days spent on a "survival hike," the boys having only a knife, hatchet and water purifying tablets.

The two Scouts will return home around August 15.

NO PARKING

Police chief George Kilbourn announced this week that No Parking signs have gone up on the north side of Patterson street east of Ottawa. The village has recently taken over maintenance of this formerly unimproved section of Patterson street and will allow no parking on the north side at any time.

Temporary Halt To Pool Construction

A county-wide labor dispute temporarily halted construction work on the Joyce Andrews Memorial swimming pool after two weeks of remarkable progress. Prior to the strike, which is expected to be brief in nature, the pool excavation had been completed and a six-inch concrete floor entirely poured. Forms were being put up for side-walls when work suddenly halted. The Krieghoff Construction Co. has been keeping well ahead of its promise to "deliver a completed pool to Tecumseh in August."

The strike also affected work on the Patterson Elementary school and the high school addition. Miller-Davis construction Supt. Herb Clapp faces an onrushing September deadline.

Paving on M-50, 52 has progressed from Billington's Corner to Democrat street and new work has been started on Chicago Blvd. in the residential district. M-50 east of Tecumseh has been partially closed as lengthy work relocating the old road to meet the new bridge over Raisin river has started.

School Enrollment Increases By 132 Pupils Next Fall

Tecumseh's school enrollment for all grades will soar to a record 1,550 mark, Supt. J. C. McDowell estimated for next fall—which is 132 more pupils than went to school here during the past academic year.

Recent school enrollment increases are noticeable during the past two years and for next year.

Year	Enrollment	Increase
'51 - '52	1084	——
'52 - '53	1418	193
'53 - '54	1550*	132

*(estimated through census)

The increase next fall will be mostly in the freshman class, for 130 new ninth graders are expected while only 64 seniors graduated. Other increases will be felt in the lower grades.

"We'll have no trouble taking care of the larger enrollment," McDowell said, "if the high school classroom addition and the Patterson school building are both completed by September."

He had high hopes for finishing both within the necessary time. Completion of the gymnasium addition has been put off until later in the fall.

The Board of Education has foreseen the need for even more elementary school facilities in the near future as the peak in kindergarten and first grade enrollment has not yet been reached. The next school will be built on property purchased by the board on So. Adrian street.

The Tecumseh Acres area already has sufficient children to nearly fill a seven room unit. These children are now being transported to the Central School and to Brownville.

The Board at its June meeting voted to raise the textbook rentals for next fall as increased costs of books, coupled with increased enrollments, caused a deficit of some $1,750.00 last year over book fees collected from pupils. The new rentals are as follows:

Kindergarten $2.00—a decrease of 50c.

Grades 1 through 8, $4.00—an increase of 50c.

High School 9-12, $5.00—an increase of $1.00.

It is hoped that these new rentals will provide for replacements and new books needed. The Board approved the completed staff of sixty-seven for 1953-1954.

Fuel oil bids were opened and the Sun Oil company awarded the fuel oil contracts for 1953 on the basis of its low bid.

A $.05 per hour raise for hourly rated employees was approved beginning July 1.

Nomination petitions by Jens K. Touborg and Paul Breitenwischer, whose terms run out in July, were accepted by Ralph Helzerman, M.D., secretary of the board. The last day for acceptance of nominating petitions for these offices was Saturday, June 13. Their names will appear on the ballot at the annual meeting July 13. The last day for registration for this election is Thursday, July , at 5:00 p.m. Registration is at LeRoy Titley's office.

Dawn Patrol Flies In Here Sunday

Tecumseh will play host to a group of some 600 fliers who compose a four-state organization known as the Dawn Patrol. During the summer months amateur pilots from Illinois, Indiana, Ohio and Michigan weekly visit a host city on Sunday mornings.

This is Tecumseh's third annual Dawn Patrol and falls on the popular July Fourth Sunday which is expected to attract a record number of 600 or more fliers.

It is locally sponsored by the Exchange club with Russ Garno, Exchange president, general chairman. He is assisted by nearly the entire organiaztion with such committees as parking, entertainment, prizes, kitchen, etc., all making detailed plans for the day—which starts at 5:30 a.m.

There is a prize for the first pilot to arrive, last year it went to a 5:20 early bird.

Highlight of the Dawn Patrol will be a "husky" public breakfast which Tecumseh is invited to join in. Serving starts at 7 a.m. until 10:00. Net proceeds go toward the purchase of a pneolator which will be presented to the town during a short program in the morning. Serving will be done in the main hangar.

Also part of the program will be an open house for all persons at Meyers Aircraft and a Civil Air Patrol display for cadet interest.

Spirited Election Gives "Yes" 169 Margin; City Charter Group Named

Democracy could be seen in action here Monday when 1147 voters, an estimated fifty per cent, turned out to decide the future of Tecumseh.

Their decision was for home rule "city" form of government to replace the ancient village form which has been in local existence for over 100 years.

The actual vote was 622 to 453 favoring the change — a wide margin of 169; only a simple majority of one vote was needed to carry the election.

Tally by precincts totaled as follows:

	Yes	No
First	214	135
Second	408	318
Total	622	453

Accompanying the election to incorporate a larger Tecumseh into the ranks of a city, was the selection by ballot of nine charter commissioners from a possible 23 candidates. The following group was selected to begin a series of three month's meetings to write a local constitution.

● P. C. Satterthwaite	754
● J. C. Beardsley	602
● H. H. Hanna	541
● Rev. E. E. Escolme	465
● E. M. Campbell	464
● Frank K. Smith	463
● Glenn Driscoll	435
● Robert H. Moore	424
● Charles Mensing	424

The following other candidates also ran.

● Clarence Beach	421
● E. C. Heilman	397
● LeRoy Titley	394
● Howard Truesdale	387
● George McCombs	350
● William Bruce	332
● Harold Kelso	300
● Vern Manwaring	293
● Robert Peck	260
● J. H. Rohweder	250
● Bob Williamson	205
● Stanley Rentschler	148
● F. E. Henson	135
● Loran Forrester	94

What started out to be a cut-and-dried campaign introduced at first and solely carried out by the Chamber of Commerce, turned out to be a spirited pre-election contest between the C of C committee for a Bigger and Better Tecumseh and, at the time, an unknown faction which publicly appealed for a "No" vote under such pretense that "we do not like the things that go along with cities: heavy traffic, slum areas, crime waves, race riots . . . ."

But whatever the claims by either side, the election brought Tecumseh closer to its government and to an understanding of the need for modern, efficient operation of local rule which can better be handled by city form. For when a charter is accepted many new revenues will be available to the city which is a private business entity in itself and not dependent upon the township. There will be no further overlapping of assessments, registrations, elections, etc.

The city of Tecumseh will claim a population of 5,500 or more, and nearly twice the land area of the former village.

City government, though, is still three months away for the nine-man charter commission must now begin a series of meetings to prepare a local "constitution" or charter which will be presented to the voting public at a special election probably late in September or early in October. During the interim village rule will continue.

LIGHTNING STRIKES TWICE WEDNESDAY

Firemen answered two calls within five minutes Wednesday noon when lightning struck the home of Harry Bush, 700 N. Union and then hit an outbuilding on the property of Harvey Robinson, 507 N. Union.

The bolt that hit the Bush home went down the chimney, hit a television set and knocked plaster off the walls.

When firemen arrived at Robinson's, they found an outbuilding half burned to the ground after being struck.

Ivan Hunt, Tipton, Is 3rd Generation To Own 1913 Ford Which Still Runs

A real museum piece in the automobile industry is this good running 1913 Model T Ford on display at Butler Motor Sales. Second generation owner, Don Hunt sits behind the wheel while Chuck Butler looks up from the brass-trimmed hood. The picture was taken during Ford's 50th Anniversary celebration.

Everything about Ivan Hunt's 1913 Model T is original, even the family name, though its in the third generation.

From the old 1913 Michigan license plate to the screechy Klaxon horn, the Hunt car is an antique on wheels, and it still purrs along the road in good Ford fashion.

Ivan drove the open T from Tipton down to Butler's for an anniversary display.

His grandfather Watson Hunt had originally purchased the car from the old Williamson Ford Garage operated here by Charles and Leon Williamson in the Seitz Building. That was back in 1913 when the automobile industry was in its infancy and a "horseless carriage" was a prized possession. Today its owner claims just as much pride for the long years of remarkable preservation.

Aside from the good running motor, everything about the old Ford has been kept in A-1 condition, the wooden spoked wheels, clincher rims, folding front window glass, leather upholstery and even the old hand crank.

From Watson Hunt, the car was handed down to son Don, shown in the picture with Mr. Butler, who in turn kept it in the family by giving it to his son, Ivan.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

HERE WE GO AGAIN — Shades of independence, individual liberty, free enterprise, tolerance and civil rights still lurk in the background of July Fourth, though the 1953 emphasis is on holidaying as we take to the road for a weekend vacation of fun. Solemn though the beginning, Independence Day is now a chance for families to go somewhere fast, have a rip-roarin' good time and zoom home.

Tecumseh has elaborate plans of entertainment to keep local people at home, a good thing for highway space will be at a priority.

But whether you drive up north, watch fireworks at Recreation Field or relax in your own backyard, take a moment to think what independence means to America and how this day was set aside to remind the nation of its heritage.

Such names as, Adams, Jefferson, Franklin, Sherman, Livingston and Washington are connected with a place called Philadelphia and a draft entitled the Declaration of Independence which all add up to the first July Fourth back 175 years ago in 1776. No group has changed the world's course of progress more than those noble soldiers and statesmen of the early colonies.

John Adams wrote, "It is the most memorable day in American history and should be solemnized with pomp and parade, with shows, games, guns, sports, bells, bonfire and reverence from one end of the continent to the other."

President Eisenhower has suggested that this year the Fourth be made a day of prayer.

●

BIG PAYOUT — They say our national debt could be paid off any day now — the whole $263,000,000,000 — all that is necessary is for every family to come up with $5,874. And still there are over 2,500,000 federal civilian employees, back in 1929 there were 596,000.

●

DRIVERS LICENSE LAW — The new driver licensing procedure has received wide praise for its increased efficiency in state handling; better examinations, handling through a central file and expiration on the third birthdate following issuance are its main features. All will add teeth to the old law so badly abused.

State officials are engaged in an endless task of modernizing the old code, endless if allowed to backslide year after year. Tecumseh went through the same steps early this year and still haven't completely caught up though a waste basket full of "horse trough ordinances" were discarded.

We'd like to see a law passed prohibiting U-turns on Chicago boulevard in the business district. That is a direct violation of state law, and Tecumseh's main street is a state highway, but a local statute is needed to bring the violation right down home.

Is That So !

By Miss Clara Waldron

Meet the "Globe Trotters!" Or perhaps you already have for the members of this group of young women are wives and mothers who have lived neighbors to some of you since shortly after the end of World War II. They are eighteen "war brides," six of whom live in Tecumseh, and eleven in Adrian and one in Ann Arbor. Of course there are more than that number of war brides in the area but since they meet in individual homes, a larger number would be difficult. The germ of the club idea originated in Tecumseh and it is naturally the local six we find most interesting.

The one common characteristic of the members is their difference. They come from many parts of the globe, which is their symbol, and their background and training differ widely. The six in Tecumseh include two from Germany, two from England, one from Greece and one who is an Australian. The remaining members add French, Scotch and Egyptian to the international flavor plus more German, Australian and, as might be expected, a large sprinkling of English.

Such a variety of nationalities might seem to provide little common meeting ground but they all have one strong, binding tie, that of kindred experience. All of them have encountered first hand the hard fact of real war or have lived under its close daily threat. And all met, married and, "forsaking all others," came to a far-off land with an American G.I.

There is another bond, too, one that is probably seldom expressed or even admitted. It is the fact that they are not American. That does not mean that they are unAmerican. Many are already naturalized citizens and all are loyal to their adopted country. But nothing can be more wearing than constant gratitude for favors received. For many years they have had to courteously agree, "It must be so wonderful to be over here where you are safe and can have just everything!" One can only imagine how pleasant it must be to meet others who are not American either and to be able to "take your hair down" about the ways in which America and the Americans are not as wonderful as they think they are.

Of course about many of those ways thoughtful Americans also agree we are far from perfect. The over-emphasis on material things, the lack of time for real thinking and the absence of a social life that include the whole family, we, as well as the Globe Trotters, find regrettable about our modern living. But looking at our town through their eyes is a wholesome experience.

It was in 1951 while some of these "war brides" were preparing to become naturalized citizens and were struggling with such questions as, "What is the Constitution?" that the friendships were formed that resulted in the club. Besides the purely feminine meetings there are gatherings that include the whole family and there is a picnic spot where every summer Sunday afternoon, any or all may drop in for a get-together. They have pleasant times, interesting times, for they are interesting people. Soon we will "meet the Globe Trotters" as individuals.

President Eisenhower now has no doubt that the honeymoon, even in the G. O. P., is over.

Ridgeway

Mr. and Mrs. Ira Jones and family of Dayton, Ohio, spent last weekend with Mr. and Mrs. Joe Kish.

Mrs. George Myers has entered the Parrett Nursing Home in Tecumseh.

Mr. and Mrs. LaVern Russell of Sand lake entertained over the weekend their cousins the Misses Lulu and Julia Gilmore and Mr. and Mrs. D. V. Sturtevant and Cynthia Frayer.

The official board will meet at the Methodist church Tuesday, July 7.

The W.S.C.S. will meet at the church July 9, 2 p.m. During the months of July and August the meetings will be held in the afternoon.

Mr. and Mrs. Jennings Frayer and family spent last week at their cottage at Evans lake.

Mr. and Mrs. Elmer Pocklington were Detroit visitors part of last week.

Mr. and Mrs. Medford Palmer and family have moved into the Methodist parsonage.

Mrs. Anna Wilkins has moved to Tecumseh.

Howard Landin of St. Clair Shores visited his wife at Herrick Memorial hospital Sunday.

Mrs. Marion Stone attended the school of missions at Adrian College last week.

Mr. and Mrs. Martin Korth and family have moved into the Meska house.

Miss Alice Wood of Chicago was a recent guest of her grandmother Mrs. Hattie Wood.

Mrs. Smith Pocklington spent the past few days with relatives in Ann Arbor.

Mr. and Mrs. Ralph Halladay of Clinton were guests Tuesday evening of friends in town.

Mr. and Mrs. Walter Towler of Saline called in town Sunday.

Mr. and Mrs. Robert Wilson of Chelsea were Sunday guests of Mr. and Mrs. Charles Spreeman.

The United Workers met Thursday evening at the home of Mrs. Marion Stone.

Mary Woodward and Evelyn Southard spent part of last week with Detroit relatives.

Mr. and Mrs. Daniel Linn were Toledo visitors Tuesday.

Mr. and Mrs. Lavern Thomas attended the Page-Parker family reunion near Plymouth Sunday. They were accompanied by Patricia and Virginia Linn.

Mr. and Mrs. Daniel Linn and Mr. and Mrs. Leslie Mark, took a motor trip through northern Michigan last week.

LeRoy DeJonghe and David Linn left Saturday for the Odd Fellow and Rebekah camp at Big Star lake near Baldwin for a week.

Mr. and Mrs. B. Frank Martin of Fremont, Ind., and son Travis Martin of Jackson were Saturday guests of Mr. and Mrs. Elmer Linn and daughter Florine.

Mrs. Marie DeJonghe of Milan visited her family last weekend and had as her guest Mrs. Marie Lipp.

Albert Filter returned to his home from Herrick Memorial hospital Thursday and is slowly improving.

Mr. and Mrs. Arthur Mitchell of Jackson called on Mr. and Mrs. Howard Wilson Sunday.

Mrs. Edith Southard left Sunday for the Judson-Collins camp where she will serve as counselor. Children from the Methodist church attending this camp are Donna Welker, Linda Pafford and Evelyn Southard.

Family Night was observed at the Methodist church Sunday when the new pastor, Rev. Haebric Woodall and family were welcomed. Movies of the Methodist camp were shown.

Ann and Nancy Marks spent Saturday and Sunday with their grandparents in Adrian.

Mr. and Mrs. William Fletcher and Mr. and Mrs. Claire Beland spent the weekend with Mr. and Mrs. Walter Haviland of Harrison.

Van Frayer has returned home after a week at the Judson-Collins summer camp.

Mrs. Alice Landin is a patient at Herrick Memorial hospital.

Joan Hindes of Detroit visited friends in town Sunday.

Mr. and Mrs. Julian Strong have come to their Ridgeway home for the summer, having completed their year of teaching in Melvindale.

Richard Bishop and Mrs. Robert Hite are recent graduates of Hillsdale college.

Miss Florine Linn is spending the summer with her parents, Mr. and Mrs. Elmer Linn. Miss Linn will return to her teaching in the Wayne schools this fall.

Miss Alice Filter has completed her year of teaching in the Adrian schools and is spending the summer at her home here.

The Rev. Haebric Woodall is the new pastor at the Methodist church.

Mrs. Maggie Webster of Mishawaukee, Ind., is a guest of her brother, William Bowen and daughter Ruth.

The Ridgeway Garden Club met recently at the home of Mrs. Edith Southard with Mrs. Thelma Frayer as co-hostess. The president, Mrs. Iva Bishop, presided at the business meeting and roll call was answered by naming a favorite vegetable. Mrs. Squires had charge of the program of songs by the group. Mrs. Frayer showed pictures of wild flowers which bloom from early spring to fall. A number of unusual moths were shown. The hostesses served dainty refreshments. The July meeting will be at the Evans lake cottage of Mrs. Emma Bach. Mrs. W. S. Niblack will be cohostess. A picnic lunch will be served at one o'clock and transportation will be provided.

The W.S.C.S. of the Methodist church met recently for luncheon in the church dining room with Mrs. Gertrude Birdsall and daughter Norma as hostesses. Mrs. Francis Stone was in charge of devotions. Mrs. Pauline Bailey presided at the business meeting when Mrs. Stone was named delegate to the mission school held in Adrian this month. The treasurer's report was read and placed on file. The following officers were named for the coming year: President, Mrs. Bailey; vice president, Mrs. Stone; recording secretary, Mrs. Warren Benham; treasurer, Mrs. Birdsall; secretary of promotion, Mrs. Loraine Edelbrock; secretary of missionary education and service, Mrs. Donna Holt; secretary of Christian social relations and local church activities, Mrs. Stella Wagner; student work. Mrs. Dorothy Kruger; youth work, Mrs. Edith Southard; children's work, Mrs. Frayer; spiritual life, Mrs. Helen Bottorff; literature and publications, Mrs. Jane Bird; supply work, Miss Julia Gilmore; status of women, Mrs. Iva Bishop. These officers will be installed at a later date.

ARRIVES IN JAPAN

Pvt. Donald E. Iseler, son of Edwin G. Iseler, 109 S. Union St., recently arrived in Japan and has been assigned to the 1st Cavalry Division.

Iseler, a rifleman, entered the army in December and received his basic training at Indiantown Gap, Pa. As a part of the U. S. Security forces in Japan, the 1st Cavalry Division is constantly undergoing intensive field training. The division was rotated from Korea in late 1951 after 17 months in combat.

CHILDREN'S DAY

Sixty-eight children enjoyed an outing at the Country Club Sunday afternoon from 2 to 4:30 when they were entertained with relay games, pony rides, stories, and a fish pond, followed by refreshments of ice cream, cookies, and punch. Each child received a sucker and balloon and prizes were awarded at games. The committee in charge was headed by Mr. and Mrs. E. J. Crawford assisted by Mr. and Mrs. Donald Cobb, Mr. and Mrs. Gibbs Barber and Mr. and Mrs. Jack Hanna.

SERVICES HELD FRIDAY FOR JOHN STEELE, 60

Funeral services were held Friday, 2:30 p.m. at the Collins Funeral Home for John H. Steele, 60, who died last Tuesday morning at University hospital, Ann Arbor. He had been employed at the Bruce Foundry until four years ago.

Born August 29, 1892, in Oak Shade, Ohio, Mr. Steele came to Tecumseh in 1907. He was a member of the Lower Light Mission. He was preceded in death by his wife in 1950.

Survivors include a daughter, Mrs. Catherine Reese, Tecumseh; son, John E. Jr., Tecumseh; two sisters, Mrs. Ethel Martin, Tecumseh and Mrs. Cora Wooliever, Rives Junction; three brothers, Harry, Adrian, Fred and George, Tecumseh; six grandchildren, several nieces, nephews and cousins.

Burial was in Brookside Cemetery, the Rev. Edward Escolme officiating. Pall bearers were Vern Miller, Arlie Le Baron, Kenneth Randolph, Charles Boyce, Harold Boyce and Oscar Meads.

HONORED AT SHOWER

A kitchen shower in honor of Mrs. George E. Walworth, a recent bride, was held Wednesday evening at the home of Mrs. Frederick Dickinson. Thirty members of the Westminster League of the Presbyterian church attended. Games were played and prizes won by Mrs. Mary Drake and Mrs. Charles Stephenson, were duplicated and presented to Mrs. Walworth. She also received several gifts for her kitchen. Dessert was served preceding the games and Mrs. Dickinson was assisted by Mrs. Wellington Wotring, Mrs. Mahlon Sebring, Mrs. James Gabler and Mrs. James Barton.

Each one of our allies has a different plan to end world tension, which is creating more tension.

Too much money is as bad as too little.

ROTARY INSTALLS NEW OFFICERS

New officers of the Rotary Club were introduced by retiring president, Hal Kelso at the regular meeting at the Country Club last Tuesday evening. Annual reports were given by Lester Rogers, secretary and George E. Green, treasurer. The Rev. B. O. Bashore is president for the new year and other officers are: L. H. Titley, vice president; Mr. Rogers, secretary; Mr. Green, treasurer; A. W. Merz, Richard Beemer and James McDowell, new members of the board of directors, in place of the retiring members, L. W. Larsen, Robert L. French and Robert H. Moore. Other members of the board are Glenn Kohler, Mel G. Partridge, Herbert Dillon, Mr. Kelso, Mr. Titley and Mr. Bashore. No meeting of the club was held this week.

JOE SATTERTHWAITE RECEIVES NEW POST

Joseph C. Satterthwaite was appointed last week by President Eisenhower to be diplomatic agent at Tangier, Morocco, with the rank of minister.

Mr. Satterthwaite is a graduate of Tecumseh high school in 1918, and entered the U. S. foreign diplomatic service in 1924. He is the brother of Perry Satterthwaite and Miss Beth Satterthwaite of Tecumseh, and is a veteran of World War I.

He has been since 1949 ambassador to Ceylon. In the new post he succeeds John Carter Vincent who retired in April at the suggestion of Secretary of State Dulles. Mr. Satterthwaite and his wife and daughter visited in Tecumseh last summer.

SERVING IN JAPAN

Pvt. Charles R. Fish, son of Mr. and Mrs. Roy Fish, 309 W. Shawnee St., is now serving with the 1st Cavalry Division in Japan. Fish, who entred the army in December, 1952, was last stationed at Fort Knox, Ky.

Tecumseh BOOK SHELVES Library

(The second in a series of sketches of the history of Tecumseh's libraries).

The books collected in 1836 for the use of members of the "Tecumseh Lyceum" were mostly of classic standards and there is no possible estimate of the impression they made on the cultural life of early Tecumseh. They did not constitute what we now consider a public library but, in one way or another, they probably reached most of those who were eager for books.

The depression of the 1840's and the Civil War years intervened before another attempt was made to insure a library for the town. Probably there was much agitation and discussion before the evening of April 26, 1883, when a public meeting was called in "Heesen's Hall to organize a stock company for the purpose of establishing a library in the village of Tecumseh." It was a very business-like affair with impressive articles of incorporation, and shares of stock were sold for five dollars each.

Subscription lists are still in existence and they read like a Who's Who of the community, for subscribers were not limited to residents of the village. The goal of $2,000 was a high mark to shoot at, but more than 120 shares were sold. Eight people bought five shares each, thus becoming life members. Shareholders became voting members of the Library Association but paid a yearly fee to use the library while non-stock holders could obtain books for a larger fee.

Six hundred and forty-five books were purchased with the money thus raised and a small room was rented on the second floor of the Union Hall, (now the Sage building). It was open only on Saturdays and the librarians were all volunteer workers but it was untold riches to hungry readers and the real beginning of our present library.

BIRTHDAY CLUB

Mr. and Mrs. Warren Benham entertained the Birthday Club Saturday evening at their cottage at Evans lake. The birthday of Mrs. Jack Morehouse was honored. Guests were Mr. and Mrs. Morehouse, Mr. and Mrs. Ray Schlegel, Mr. and Mrs. Owen Partridge, Mr. and Mrs. George McCombs and Mr. and Mrs. Chester Beach.

Macon

The W.S.C.S. will hold their annual picnic July 9, with Mrs. Ray Gilmore. Final plans will be made for the seminar and training school to be held in Macon July 23.

Recent guests of Mrs. Carrie Payne were Mr. and Mrs. Robert Williams of Port Huron.

Mrs. Ronald Pilbeam is a patient in the University hospital, Ann Arbor. Mrs. Wilma Briggs visited her Friday.

New carpeting has been laid in the Macon church and the young people of the church have refinished the floors. The carpet was purchased by the W.S.C.S., the choir and friends of the church. The next project is the purchase of a new roof.

Larry and Jack Patterson, Eddie Bock, Dale Monagin, Donald Moore, David Squires, Anthony Korican, Jim Woods, Ronald Croll, Beverly Rohrback and Lorna Dicks spent from Friday until Sunday at Lakeside Camp at Brighton attending the Youth Grange conference.

Mrs. Hamilton Moore spent last week at Adrian College attending the school of missions.

Mr. and Mrs. Wesley Paull and family of Birmingham were Sunday guests of Mr. and Mrs. Hamilton Moore and family. Saturday callers were Mrs. LaMoine Fetterman and Miss Karen Hartsell of Garden City.

Mrs. Ida Maud Tingley and son of Detroit spent the weekend with her mother Mrs. Mary Howell.

Misses Joyce and Nancy Howell returned Saturday by plane from Miami, Fla.

Dan Betzoldt, son of Mr. and Mrs. LeRoy Betzoldt is recovering from an appendicitis operation.

The Macon Women's Club held their annual picnic and auction at the home of Mrs. David Bush. Following the picnic dinner served to 25 members, Mrs. Clarence Schroeder presided at the business meeting and Mrs. Richard Robinson acted as auctioneer. There will be no more meetings until September.

The meeting of the W.S.C.S. has been postponed until July 9, when they will have a picnic meeting at the home of Mrs. Ray Gilmore. The Ann Arbor district seminar and officers' training day will be held in Macon, July 23.

Mr. and Mrs. Floyd Spence Sr. entertained the Hacon Community Club recently. Eighteen members were present and the ladies had charge of the program. Mrs. Ralph Halladay told of her visit to the Stephen Foster memorial, White Springs, Fla., Mrs. Ray Gilmore read "What Is America," Mrs. Dil Burleson told of water skiing in Florida, Mrs. Melvin Travis spoke on Samuel Francis Scott, and Mrs. Hamilton Moore read "Somebody Bigger Than You and I." The July meeting will be with the Ralph Halladays.

William and Robert Neil of Dansville, Illinois, are visiting their grandparents, Mr. and Mrs. Joseph Sheward.

Kenneth VanValkenburg underwent an appendicitis operation at Herrick Memorial hospital last week. He is the son of Mr. and Mrs. Russell VanValkenburg.

Miss Hallie Jane Mehler has gone to Beulah to spend the summer at the Hill and Dale Resort on Crystal lake.

Mrs. Truman Jordan returned last week from a week's visit in Tennessee.

Wars will probably end at about the time religious sects discover how to agree.

Farming is the basis of most of the nation's wealth; therefore everyone should be interested in agricultural prosperity.

RAY SMITH, BRITTON CLERK, DIES SUDDENLY

Ray Smith, 69, Britton village clerk, died suddenly Thursday evening at his home, 1419 West Chicago St., Britton. Mr. Smith had been a resident of the village most of his life.

He was a member of the Christian church, I. O. O. F. of Britton and the Masonic order of Tecumseh. He was elected village clerk March 10, 1953.

Besides his widow, the former Fern Underwood, he is survived by a daughter, Mrs. Mildred Pilbeam, Tecumseh; a granddaughter, Roxena Fern Pilbeam; two brothers, Herbert and Ralph, Britton; two sisters, Mrs. Ida Kingsbury, Deerfield, and Mrs. Grace Burnham, Toledo. He was preceded in death by his parents, Frank and Emma Smith.

Funeral services were held Sunday, 2 p.m. at the Niblack Funeral Home, with burial in the Ridgeway Cemetery.

EXCHANGE CLUB ADJOURNS MEETINGS FOR SUMMER

Recently elected officers of the Exchange Club were installed at a meeting held at the Country Club last Wednesday evening. The dinner meeting also honored sons of Exchangites. K. D. Hall and George McCombs, retiring president, installed the officers and Mr. McCombs turned the meeting over to the new president, J. R. Garno, who presented the out-going president with a pin. Ellsworth Collins, former president of the club was also given a pin belatedly by Mr. McCombs. This was the last meeting of the season, the club adjourning until fall.

PAST MATRONS CLUB

Mrs. Warren Benham entertained fourteen members of the Past Matrons of the Order of the Eastern Star last Wednesday at a picnic luncheon at the Benham cottage at Evans lake. A brief business meeting was held and a social afternoon enjoyed. Mrs. Kenton Hunt will be hostess to the July meeting at her Round lake cottage.

CULBERTSON REUNION

One-hundred and thirty former pupils of the Culbertson school met Sunday afternoon at the school on the corner of Macon and Billmyer Roads for a potluck picnic and reunion. During the business meeting it was decided not to elect officers and to have the P.T.A. of the school plan the next reunion.

The program was in charge of Miss Myrna Bugbee, former teacher, who presented the school children who entertained with musical selections and readings. Former pupils and teachers also gave reminiscences of days at the school. Miss Myrtle Hooper, county helping teacher, gave several readings.

Mr. and Mrs. Hugh Hendershot, Muncie, Indiana, traveled farthest to attend the reunion and others were from Lansing, Detroit, Dearborn, Jackson, Ann Arbor, Adrian, Tecumseh and vicinity.

RETARDED CHILDREN'S ASSOCIATION MEETS

The Lenawee County Association for parents and friends of retarded children will hold a meeting Tuesday, July 7, 8 p.m. at the Court House, Adrian. Harold McKercher, president of the Michigan Association of Retarded Children will be the speaker. All parents or any persons interested in the welfare of these children are urged to attend.

Britton

Mr. and Mrs. Aarne Koljonen and two daughters Vendla and Martha of Dearborn called on Mr. and Mrs. Clarence Herford Saturday. Sunday, Mr. and Mrs. Herford and Karen attended the Mose Herford family reunion held at the home of Mr. and Mrs. Elton Herford in Elkton.

Mrs. Bernard Fisher and sons of Clinton and Mrs. Vere Gill of Adrian called on Mrs. Ida Miller Sunday.

Mrs. Helen Linn of Detroit is visiting in the Clay Croll home this week.

Mr. and Mrs. Guy Seidel spent the weekend at South Branch.

Mr. and Mrs. George Squires with Mr. and Mrs. Mervin Pilbeam and children Michael and Patricia spent the weekend at Harrison and Gaylord and visited the Hartwick Pines park.

Ben J. Beasley attended the postmasters' convention held in Flint last week.

Miss Kathleen Kutzner returned to Dexter Sunday after spending the weekend with her mother, Mrs. Julia Kutzner.

Mr. and Mrs. Andrew Crutchfield and children were Saturday evening guests of Mr. and Mrs. Alvin LaGore and family of Onsted.

Mr. and Mrs. Charles Davidson of Detroit spent the weekend with Mrs. Jennie Lister. Mrs. Will Spreeman of Tecumseh visited them Sunday.

Mr. and Mrs. Harley Kimerer and family accompanied by Mr. and Mrs. Seafield of Temperance spent the weekend at Midland and Hale where they visited relatives.

It is reported that women are replacing men as traveling sales representatives, and we are in favor of the idea.

Committee the James Tonnebergers, Don Buells, Kenneth Blumericks, Joe Bocks, Dale Deans, Clarence Krugers, Michael Kanchiers and the Milburn Bakers. Members to bring cake or cookies. 1st and 2nd degrees conferred on new candidates.

BUSS-SHERMAN VOWS EXCHANGED

A candlelight service at the Methodist church Sunday united in marriage Arlene Charlotte Sherman and Erwin W. Buss of Chelsea. Miss Sherman is the daughter of Mr. and Mrs. Luther Wood, 114 W. Kilbuck St. and Mr. Buss is the son of the late Mr. and Mrs. William Buss of Chelsea.

The Rev. Vaughn Whited, pastor of the Clinton Methodist church, performed the double ring ceremony at 6 p.m. before an altar decorated with baskets and vases of white gladioluses and majestic daisies. Mrs. Herbert Dillon played nuptial organ music and accompanied Miss Diane Woodward as she sang "Because," "O Promise Me" and "The Lord's Prayer."

Radiant in her bridal gown of Chantilly lace and nylon net, the bride entered the church on the arm of her father, who gave her in marriage. Preceding her to the altar were Mrs. Robert Wood, matron of honor, Miss Ruth Eiseman, maid of honor and the junior bridesmaid, Miss Helen Eiseman. Little Barbara and Beverly Wood, nieces of the bride were flower girls.

The all white gown was featured by a lace bodice and sweetheart neckline, with a full nylon waltz length net skirt over nylon taffeta. Her nylon tulle veil was shoulder length and gathered into a seed pearl tiara. She wore a Chantilly lace bolero with matching lace mitts. A dainty white gold necklace with tiny rhinestones was the gift of the groom. She carried a white Bible topped with eucharist lilies and white satin streamers.

Pink and blue nylon lace and net waltz length dresses were worn by the matron and maid of honor. Both were fashioned after the bride's gown. The junior bridesmaid wore strapless orchid net with a net stole and all attendants had matching flower headpieces. They carried colonial bouquets of tinted carnations and roses. The little flower girls were dressed alike in yellow nylon sheer.

Mr. Buss was attended by Robert Wood, brother of the bride as best man and Henry Kempf, Robert and Lauren Miller of Chelsea and Bernard Yager of Hudson were ushers.

Navy and white nylon sheer with white accessories were chosen by Mrs. Wood for her daughter's wedding and the groom's sister, Mrs. Harold Eiseman wore light blue two-piece faille. Both wore corsages of red roses and white carnations.

More than 200 guests attended the reception following the ceremony in the church social rooms. The bride's table was centered with a five-tiered wedding cake and the rooms were decorated with vases of summer flowers. Mrs. Rhinehart Radant was in charge of the guest book and the bride's attendants and the Misses Katherine and Marilyn Miller of Chelsea took care of the gift table. In charge of the bride's table were Mrs. Elmer Bryan and Mrs. Harry Reidy. Mrs. Hartwell Randolph of Adrian and Mrs. L. D. Wood of Palmyra poured. Mr. and Mrs. Henry Kempf and Mrs. Truman Rentschler were hosts.

For their wedding trip, Mr. and Mrs. Buss are traveling in northern Michigan for a week. They will return to their newly furnished home at 801 N. Union St.

The bride is a graduate of Adrian high school and the groom is employed at the Tecumseh Products. Co.

HOSPITAL Notes

A boiler room is not a very glamorous place but it is the heart of a building and especially of a hospital. Beautiful hangings in a sun parlor or gleaming fixtures in a bathroom mean very little if there is no heat or hot water. The new boiler house is not architecturally a thing of beauty but it is now a welcome reality since the roof is installed. It is situated back of the long wing and approximately in the middle of the expanding building and while the old heating plant is still to be used in its present capacity, it is planned that eventually the new building will house the facilities for the entire present and any future hospital.

It contains two boilers, the hot water until and an auxiliary electric plant for use in case of a general power failure. It will be a smooth running, efficient heart and it is getting ready to beat.

BIRTHS

June 22, to Mr. and Mrs. Jack Curtiss, Tecumseh, a son.

June 23, to Mr. and Mrs. James Lister, Tecumseh, a daughter.

THANK YOU

Two small groups, one inside of town and the other outside, of civic-minded public spirited people who spent much time and a great deal of money on a cause which they thought was right, thank **everyone** who got out and voted Monday on Tecumseh city.

EXPLANATION

The reason names were not signed on material put out was because personalities were not being voted on, and to be fair no weight should be given because of who wrote it. An issue was up for vote and facts pertaining to that issue only were published.

I wrote and paid for the material on the front page of the THRIFTY BUYERS GUIDE last week. I signed the copy and authorized the publisher to give out my name to any advertiser who wanted it.

THEREFORE, IF WE COULDN'T BEAT THEM, LET'S JOIN THEM.

Robert G. Fuller
707 W. Chicago Blvd.
Tecumseh, Mich.

NOTICE OF ANNUAL ELECTION OF THE QUALIFIED ELECTORS OF SCHOOL DISTRICT NO. 7, TECUMSEH TOWNSHIP (TECUMSEH PUBLIC SCHOOLS)

LENAWEE COUNTY, MICHIGAN

TO BE HELD
JULY 13, 1953

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

Please Take Notice That a special election of the qualified electors of School District will be held in the Cafeteria of the High School in the Village of Tecumseh, in said District, on Monday, July 13, 1953.

THE POLLS WILL OPEN AT 7:00 O'CLOCK, A. M., AND CLOSE AT 8:00 O'CLOCK, P. M., EASTERN STANDARD TIME.

The following propositions will be submitted to the vote of the electors at said Annual election:

I. Shall Jens K. Touborg, who is fully qualified and filed a legal petition with the Secretary of District No. 7 prior to June 13, 1952, be elected to the Board of Education of District No. 7 for a three year period?

II. Shall Paul J. Breitenwischer, who is fully qualified and filed a legal petition with the Secretary of District No. 7 prior to June 13, 1952 be elected to the Board of Education of District No. 7 for a three year period?

Each person voting on these propositions must be a citizen of the United States, above the age of 21 years, and have resided in the State of Michigan six months, and in the School District 30 days next preceding the election.

Only persons registered as electors in the township in which they reside are eligible to vote.

This Notice is given by order of the Board of Education of School District No. 7, Tecumseh Township (Tecumseh Public Schools), Lenawee County, Michigan.

R. F. Helzerman, M. D.
Secretary, Board of Education

AWARDS GO TO LOCAL SCOUT TROOP AT CAMP

Three of the four camp awards of the week went to members of Troop 73 Boy Scouts Friday evening at the Council Fire at Camp Kanesatake, Washington lake.

The Archer and Swimmer award of the week went to Gary Cameron and the Activity Yard award, consisting of knots, splicings, lashings, knife and axemanship, went to Barry Packard.

Other awards earned at camp went to Gary Cameron, third year campers' award, riflery, three bowman awards, aquatics, conservation, and rope yard; Eddie Rozelle, second year campers' award, conservation and pioneering merit badge; Ivan Halberstadt, first year campers' award and conservation; Larry Anderson, first year campers' award, junior bowman and conservation; Richard Stephenson, first year campers' award, aquatics and junior bowman certificate; Barry Packard, first year campers' award, pro marksman rifle badge and certificate, activity yard and conservation, and pioneering merit badge. This merit badge completes Barry's requirements for Star Scout rank which he will receive in the near future, becoming the second boy in Tecumseh to win this rank in several years, his brother Bruce having attained it just a year ago.

Other boys who went to camp but whose awards have not yet been learned are Raymond Sluyter, J. C. Heflin, Arlen Fletcher, James Curth, Harold and Paul Underwood, Jerry Irelan, Tommy Tressler and Sheldon Nichols.

NEW MACON SCOUT TROOP IS FORMED

Boy Scout Troop 73 and their leaders were in Macon Monday evening for a softball game with the newly formed Macon Troop 76. The game ended in a tie score after which the group went to the Macon church where Francis Packard, Scout commissioner presented the charter to the new troop.

The charter was accepted by the Rev. Vaughn Whited and Mr. Packard also presented the Macon leaders and committeemen with their registration cards. Macon Scoutmaster, Joe Bartenslager presented tenderfoot pins to eligible Scouts. Troop 73 received the Scout Parent Participation banner for which the troop tied with Blissfield at the District Camporee held in Adrian in June. Bruce Packard led the closing ceremony.

LOCALS

Mr. and Mrs. Oscar Creger and daughter Verna Ann of Deerfield, Mr. and Mrs. F. J. Robinson and grandchildren of Jackson, Mrs. Frank LeClech and daughter Darlene of North Chicago were Sunday guests of Mr. and Mrs. Rhae Henkel.

Mr. and Mrs. Joe Skinner and family and Mrs. Gertrude Skinner of Toledo and Mr. and Mrs. Chris Anderson and daughter Marilyn of Flint were weekend guests of Mr. and Mrs. Fred Sheldon. Mr. and Mrs. Vaughn Curtiss of Adrian, Mr. and Mrs. David Curtiss and family of Dearborn and Tom Sheldon of Dundee were Sunday guests of the Sheldons.

John and Henry Mensing had tonsilectomy operations Monday at Herrick Memorial hospital.

Norbert O'Hara left last week for Marquette to work with the Cleveland Mining Co. He will return this fall to work on his master's degree at Michigan State College.

Mr. and Mrs. Duncan Oliphant returned from their cottage at Manuata lake this week.

Mr. and Mrs. Lowell Wise and family and Mrs. Eddie Wise visited Nathaniel Wise, Caro Hospital, Caro, Mich., Sunday, then traveled to Alma where they visited Mr. and Mrs. Paul Harwood for the weekend.

Mr. and Mrs. Warren Steurer and family of Tarreytown, N. Y. are guests of Mrs. Donald Wright for a few weeks.

Mrs. W. A. Wright and children are visiting Mrs. Wright's brother, Garfield Thatcher in Hollywood, Florida for a few days.

Mr. and Mrs. Glenn Daivs had as weekend guests Mr. and Mrs. Earl Hopper and family of Advent, Ind.

Mrs. Carrie Saul is recovering from pneumonia at her home on W. Bidwell St.

Mr. and Mrs. Otto Thiel are spending this week at Little Platt lake near Beulah.

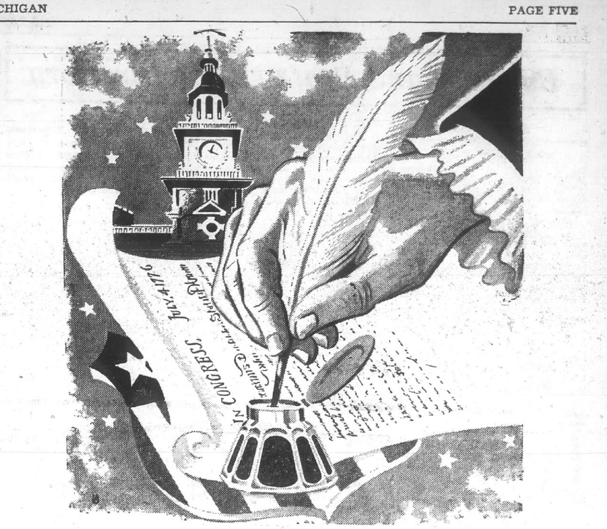
Mr. and Mrs. Lloyd Rhein and son Peter have returned from a two week vacation at Ft. Lauderdale, Fla.

Mr. and Mrs. Karl Schneider have moved to the former Robert Moore III house on Center Dr., Herrick Park.

Martha Hayden and Joan Breitenwischer drove Carolyn Comfort to Wheaton, Ill., where she will attend summer school. Miss Hayden visited her sister Betty who is also attending summer school there. Miss Hayden and Miss Breitenwischer spent the weekend at Wheaton and returned home Monday.

Mr. and Mrs. Charles Morris and Mr. and Mrs. Clarence Morris of Muskegon, Mr. and Mrs. James Parker and Mr. and Mrs. Harry Morris attended the horse races at Northville, Tuesday evening.

There are still a few people who will accept a loan.



"We hold these truths to be self evident, that all men are created equal, that they are endowed by their Creator with certain inalienable rights, that among these are Life, Liberty and the pursuit of Happiness" — from the Declaration of Independence, adopted by the Constitutional Congress, July 4, 1776.

"How's it been over in your house lately? They've lectured me to save my allowance in U. S. Defense Bonds for my future college education!"

Not all of those who preach tolerance are willing to practice it.

Poor work, completed, is better than brilliant work, promised.

The editor is under no illusion, that these comments are witty.

In a few more weeks last winter won't seem so cold after all.

We sometimes wonder if people are paid for movie dialogue.

In Appreciation Of Your Support

Your committee of the Chamber of Commerce wishes to express to the Voters of City of Tecumseh a sincere "THANKS" for your vote for a BIGGER and BETTER Tecumseh. We have tried to tell you the truth as we saw it concerning the advantages of the City form of Government.

Let us remind you again that Tecumseh will continue as a Village and the Township area will remain township until you the Voters approve a Charter for our City.

We are sure that the Charter Commission will work with the same sincere effort for the best interests of everyone as did this committee.

Again, our sincere thanks for your confidence in a Bigger and Better Tecumseh for YOU and YOUR CHILDREN.

— The Chamber of Commerce Committee.

Rev. B. O. Bashore and R. H. Moore, co-chairmen.

Letters To The Editor

An Open Letter to The Tecumseh Herald:

In an open letter to Miss Marjorie Wickwire, editor and publisher of The Tecumseh Herald, we'd like to set forth a challenge: If your Tecumseh parents and friends of Troop 73 had mustered a larger turnout at the Len-a-wee Camporee, held last weekend on the Adrian fairgrounds, you could have a nice "Covered Wagon" trophy for parent participation in Scout activities to display in your newspaper window, as we have in The Blissfield Advance this week.

Our Blissfield troop 8 had 53 present at dinner Sunday. Most of them were in the grandstand for the official count, when the officials said Blissfield and Tecumseh were tied. We won the banner on the flip of a coin. Since the outcome was so close, here is the challenge: We'll bring again as many to next year's Camporee to show our interest in Blissfield Scouts, and we hope Tecumseh will, too, but we hope to beat you fair and square and win the banner again. Do you want to take us up on that?

Duane DeLoach
Editor and Publisher
The Blissfield Advance

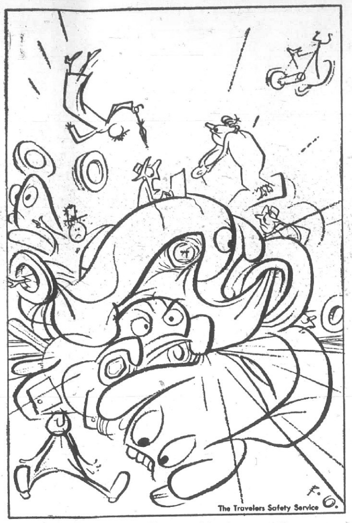
Who, ME?

by Robert Osborn



There were more traffic casualties last year than ever before in history: 37,600 killed and 2,090,000 injured. Only *YOU* can prevent accidents!

LOCALS

Mr. and Mrs. James Hartsell and three sons are on a ten day vacation at East Twin Lake, Lewiston, Mich. Mrs. Iva Marsh accompanied them as far as Pontiac where she will visit her daughter and husband, Mr. and Mrs. Harry Dernberger until the Hartsells return.

Mr. and Mrs. Edward Berner of Fort Wayne, Ind. were Sunday guests of Mr. and Mrs. W. G. Waldron.

Mrs. Robert Lowry and son Reed of Boston, Mass., arrived Tuesday for a week's visit with Mr. and Mrs. Glenn VanDenbergh.

Raymond LaBounty, son of Mr. and Mrs. Ted LaBounty, and professor of industrial arts at Michigan State Normal College, Ypsilanti, left Monday for Winnipeg, Manitoba, where he will serve as guest professor at the Manitoba Technical Institute during the summer session. He will teach a course in measurement and evaluation of industrial education. Mrs. LaBounty, a former teacher in the Tecumseh school system, and their daughters Geri and Jean are accompanying him.

Mrs. Daniel D. Wile of Whittier, Calif., Mrs. James S. Aldrich and two children, Gary and Linda Kay of Buchanan and Mrs. George Tuesley of Edwardsburg were guests of Mr. and Mrs. Joe Rice Wednesday and Thursday.

Mrs. Will Amkin of Highland Park was a guest of Mrs. B. J. Roberts for a few days and returned Tuesday to her home.

Mrs. B. C, McIntyre of Bloomfield Hills was a guest of her mother Mrs. Lester Rogers and Mr. Rogers, Sunday.

Tom Rohweder was home from Cleveland to spend the weekend with his parents Mr. and Mrs. J. H. Rohweder. Sunday he went to Ann Arbor to a golf tournament.

Girl Scout Troop No. 4 went on an all day picnic to Wamplers lake, Tuesday. Mrs. William Wright, Mrs. R. F. Helzerman, Mrs. Victor Lawson, and Mrs. J. H. Rohweder furnished transportation to the lake.

Among those who left Monday morning for a week's stay at Camp Caesar, Webster Springs, W. Va., are Paul Wilson, Ashley Chase, Robert Manley, James Chase, Sandra Copeland, Teresa Cornell, Joan Mobley, Linda Johnson, Astrida Friemanis, and Ruth Meads. The Rev. Edward Escolme and Amos Wilson accompanied the group to this Young Friends conference of the Ohio Yearly Meeting.

Mr. and Mrs. Charles Manley Sr. are in Williamsburg. W. Va., vacationing this week.

Mrs. Naomi Sallows and her father Reuben VanWinkle are in Hendrysburg, Ohio, visiting her daughter and family, the Rev. and Mrs. Loren Kuhn. They returned with the Kuhns to Hendrysburg after Mrs. Kuhn and daughter had spent part of last week visiting in Tecumseh while the Rev. Kuhn was at a pastor's conference.

Living With Peace Of Mind

By KIRBY PAGE

Any day any one of us may witness a veritable miracle by playing one of the new phonograph records and listening to the almost perfect reproduction of the human voice and the rendition of music. Incridible is the variety from which one may select. A Long Playing Record Catalog before me fills 57 pages with a list of clasical records alone. Hundreds of hymns and oratories are also available on recordings. I can speak from experience concerning the great value of recorded music in periods of private worship. Many an hour my wife and I spend listening to great music from various land and different centuries. We lands and different centuries. We the years we have learned to enjoy and be thrilled by the works of the masters. The spell of music changes desire and provides God with oppotrunity. As Brenseke testifies:

The music flowed; I felt my soul
Rise up and spread its wings,
And fly away to realms above,
Afar from earthly things . .
The stream of music carried on,
I walked with angels; then
From heavenly altitudes I gazed
Upon the earth and men.
When all at once the music ceased,
I felt my body then abound
With earthly life, and I cried out,
When every note had lost its sound,
And all vibration ceased to move;
"Oh can it be that one can see,
The fair, celestial realms of God—
Heaven — through a symphony?"

———o———

BAPTIST FELLOWSHIPS

New officers of the Junior Youth Fellowship of the Baptist church are Carol Ann Green, president; Nancy Beland, vice president; Camilla Grigg, secretary; Evelyn Beland, treasurer; Brynn Packard and Marilyn Beland, membership committee; Sally Hunt, chairman of recreation. Both the Junior and Senior Fellowship groups meet for worship and recreational periods at the new Youth House, the Juniors Mondays from 4 to 6 p.m. and the Seniors Tuesday evenings. The Junior group also meets every Sunday evening and visits the Parrett Nursing Home the first Sunday of the month.

———o———

FARM BUREAU

The Tecumseh - Raisin Farm Bureau group will meet Monday evening July 6 at the home of Mr. and Mrs. W. G. Bryan, Dinius Road. Members are asked to bring cookies or wafers and a collection will be taken for ice cream. The topic for discussion will be "Preserving Township Government and Local Tax System."

From where I sit ... *by* Joe Marsh

Bad Case of the "Ztutters"

Our copyboy is out sick. So the editor (me) is taking over some of his chores—which include running the addressing machine on "mailing-out night."

Last week I didn't have the usual number of papers left over for sale at the office. Couldn't figure what had happened—until Chub Zimmer called to ask why he'd gotten *56* copies.

Then I realized—"Zimmer" is the last name the machine prints. Guess I forgot to turn it off . . . and it just kept grinding out Chub's name on all the remaining copies. That machine just didn't know when to stop.

From where I sit, people are like that sometimes. *They* often don't know when to stop. Like those who are prejudiced against someone with an accent, perhaps . . . or against someone who likes a cool bottle of beer with his supper. So, in these columns I try to persuade everyone to "throw the switch" on prejudice so it won't get repeated.

Joe Marsh

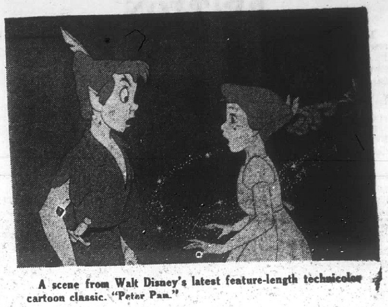
Janet Frost and Roderick Welch were married Friday evening on the lawn of her parent's country home.



A scene from Walt Disney's latest feature-length technicolor cartoon classic. "Peter Pan."

BUSINESS SIGNS LOOKING AHEAD

Americans have been reading for more than a year that a recession was due in the latter part of 1953. More recently, there have been definite signs that a levelling-off stage may have been reached in some field of the national economy. Industrial production has been comparatively steady since March. The stock market has been weak recently, and farmers have continued to be pressed.

On the other hand, the gross output of goods and services in the second quarter of 1953 will be higher than in the first quarter, and the first quarter the gross output was higher than in the fourth quarter of 1952.

Personal income is still rising, and American consumers bought at a record rate in the first three months of the year. Savings are also increasing.

A sign of confidence in the future was recently given when the automobile industry granted labor major concessions and more money on plants and new equipment this year than in 1952.

Also, Government economists have now estimated that Government spending in fiscal 1954 (which begins July 1st) will be about the same as it has been in fiscal 1953. Moreover, state and local government spending is expected to rise in fiscal 1954.

It looks, therefore, that the worst which can be expected in the latter half of this year is an economic stabilization, or readjustment. No severe recession is in sight—on the contrary—there are many indications that business will be very good for some time to come.

. . . BRITTON . . .

Mr. and Mrs. Douglas Hintz and son Gary entertained recently at supper, Mr and Mrs Herbert Schott and Miss Nancy Schott of Manchester, Elmer Hintz, Pvt. Jack Hintz and Mr. and Mrs. Carl Hintz. Pvt. Hintz, son of Elmer Hintz has completed his basic training at Ft. Knox, Ky. He left Friday for the West Coast where he will report for overseas duty.

Mr. and Mrs. Roscoe Craig and family of Milford spent the weekend with Mr. and Mrs. Donald Craig and family. Sunday guests in the Craig home were Mr. and Mrs. Martin Greunke and family of Toledo, Mr. and Mrs. James Dunbar of Adrian, Mr. and Mrs. Wayne Dunbar and son and Mr. and Mrs. LaVern Steele and family.

Frank Vallie, son of Mr. and Mrs. Leonard Ramage has enlisted in the air force and left recently for Geneva, N. Y., where it is expected he will receive his basic training.

Mr. and Mrs. Andrew Crutchfield and children called on Mr. and Mrs. Leonard Cundiff and family of Weston, Sunday. Saturday evening callers in the Crutchfield home were Mr. and Mrs. Edgar Smith and family of Manchester.

Mrs. Julia Kutzner spent the weekend with Mr. and Mrs. Alton Goldi and family in Trenton and Sunday they visited Miss Kathleen Kutzner at Dexter.

Weekend guests of Mrs. Viola Daisher were Mr. and Mrs. Don McComb of Caro. Mr. and Mrs. Dick Keller of Ypsilanti called on Mrs. Daisher Sunday evening.

Mr. and Mrs. David Cook and family returned home Sunday from a two week's stay at Evans Lake.

Mr. and Mrs. Sam Patterson observed their 50th wedding anniversary Sunday, June 21 with open house from 2 to 5 p.m. at the Tecumseh Grange hall. Della Craig and Sam Patterson were married June 18, 1903, by the Rev. J. A. Despelder in Tecumseh. They have spent their entire lives in the vicinity having set up housekeeping 50 years ago in the same home where they now reside at 11652 Milwaukee Rd. They have one son Charles of Britton and two grandsons, Jack and Larry.

Rev. Haybert Woodall has been appointed to fill the pastorate of the Methodist churches at Britton and Ridgeway. He, with Mrs. Woodall and two little daughters have moved into the Britton parsonage. They come here from the Upper Peninusula.

Thomas Terry Craig, son of Mr. and Mrs. Thomas F. Craig of Dundee has returned home from the University hospital where he was taken two weeks ago with influenza meningitis. He is getting along fine. Thomas Terry is the grandson of Mrs. Stella Craig.

Mrs. Charles Patterson has returned home from Herrick hospital. Her mother, Mrs. Clarence Starkweather of Ypsilanti is assisting her for a few days.

Mr. and Mrs. Kenneth Zarnow with Miss Lois Gregory of Detroit spent Sunday at Allenton where the girls attended a personal shower for a friend.

Mr. and Mrs. Andrew Crutchfield and children Nina, Keith and Kirk were Sunday dinner guests of Mr. and Mrs. Stanley Bauschka ahd family of Adrian.

Mrs. Leonard Ramage has received word that a tornado destroyed the farm home of her mother Mrs. Joseph Kovatch at Yale Monday evening. All the buildings on the farm were leveled. Mrs. Ramage's sister, Mrs. Thomas, who with her family and mother resides on the farm, was taken to a hospital with a broken leg. Mrs. Kovatch has been visiting in the Ramage home for the last two weeks.

The Misses Dorothy Wonderly, Nancy Schott and Barbara Handy have returned home from a four-day trip to Ft. Knox, Louisville and Mammoth Cave, Ky.

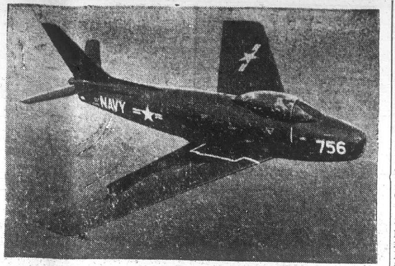
Mr. and Mrs. Roy Covell have left for their home in Maywood, Calif., after visiting their parents, Mr. and Mrs. Byron Covell and other relatives for ten days.

Mrs Forrest Barrett is a surgical patient at Herrick Memorial hospital

Mr. and Mrs. Clarence Herford and daughter Karen were among 40 relatives and friends attending a dinner party Sunday at the home of Mr. and Mrs. Duane Jones in Detroit, the occasion being the graduation of Patty Jones and Nedra Furlong, nieces of Mr. Herford.

Larry Kanous, son of Mr. and Mrs. Edward Kanous, Ronald Haas, son of Mr. and Mrs. Howard Hass and Melvin Haas, son of Mr. and Mrs. Verl Sanch have enlisted in the Air Force and are now at Geneva, N. Y., where they will receive their basic training.

Mrs. Kenneth Pawley and children Larry and Brenda of Oxford spent last week with her parents. Rev. and Mrs. E. H. DuBois.



The Navy North American FJ-2 "Fury", a sweptwing carrier-based jet fighter, is now in production for the Fleet. Embodying the latest developments in both land and carrier aviation, the "Fury" is armed with four 20 mm. cannon, and its General Electric jets can push it well over 45,000 feet at more than 650 miles per hour. With a range over the Navy required 1000 miles, the "Fury" is another of the Navy's outstanding aviation developments. With planes from the Air Force, Marines, and Army, the Navy's aviation components will be shown to the public at the 1953 International Aviation Exposition at Detroit-Wayne Airport on July 9-12, in celebration of the 50th Year of Powered Flight.

TV PRODUCTION ZOOMS UP IN '53

The production of television sets in the first four months of 1953 was up seventy per cent over the first four months of 1952, according to manufacturing sources. Interestingly, the production of radio sets was also up — thirty-eight per cent over 1952.

Estimated production of television sets in the first four months of this year was 2,827,821 units. In the same period, almost five million radio sets were produced.

The sharp increase in the production of television sets, which might eventually bring TV production totals up to radio totals, is partially a result of the large number of television stations now going into operation, or about to begin transmissions. While the freeze on TV construction was removed some time ago, it has taken manufacturers time to bring production of new transmission equipment.

At the moment, new stations in the larger cities are going on the air in all sections of the country. This increases the demand for TV sets since it provides good reception was either poor, or nonceptian was either poor, or nonexistent, heretofore. Television set sales, now booming, are expected to increase further and to move upward for some time to come.

Promoters who complain that television lowers attendance at sports events seldom mention the television rights fee.

Money is still comparatively plentiful and jobs obtainable, despite 1952 forecasts. The same was true in 1952 concerning 1951 forecasts.

ATLANTIC CROSSING IN FIVE HOURS

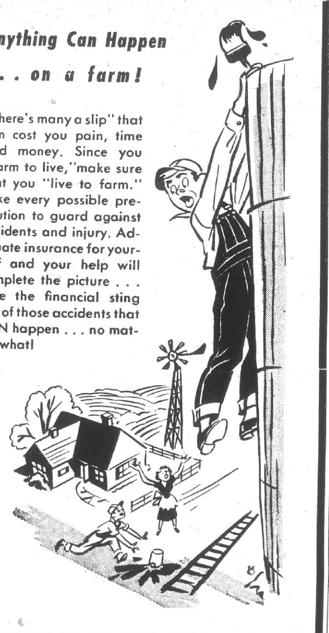
Early this month a B-47 Stratojet bomber crossed the Atlantic in five hours and twenty-two minutes. The aircraft took off from a Maine airfield at 6:30 in the morning, London time, and landed in time for the crew to enjoy noon luncheon in London.

The average speed of that flight, which was well below the maximum attained, was 577 miles an hour. The record is not expected to last for any considerable period of time and might even be excelled by the time you read this.

Because the American aviation industry has concentrated its jet production efforts in the military field, no U. S. commercial airline today offers an Atlantic crossing schedule comparable to the record set by the B-47 bomber of the Air Force. However, U. S. aircraft companies are now turning their efforts to commercial aircraft production, and in a few years commercial crossings of the Atlantic by jet airliners will be offered. And, even sooner, if the Civil Aeronautics Authority permits, British comet Airliners will be making such crossings for the British Overseas Airways Corporation.

Aviation authorities predict that by 1960, or earlier, Americans will be able to breakfast in New York and have lunch in London. In fact, jet airliners will be making the Atlantic crossing so rapidly that overnight sleepers will be a problem. The complete flight will not require enough time to give passengers a good night's rest.

Money should not be the end sought in life.



Anything Can Happen . . . on a farm!

"There's many a slip" that can cost you pain, time and money. Since you "farm to live," make sure that you "live to farm." Take every possible precaution to guard against accidents and injury. Adequate insurance for yourself and your help will complete the picture . . . take the financial sting out of those accidents that CAN happen . . . no matter what!

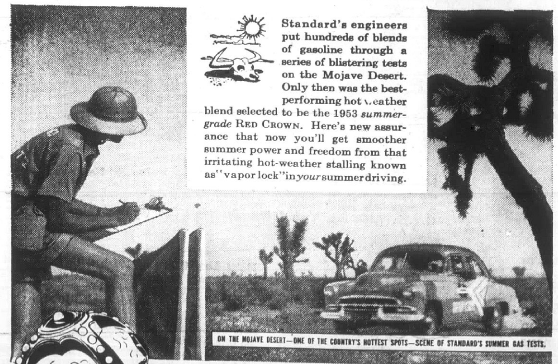
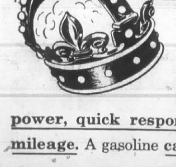
Why Red Crown's Summer Formula assures you

NO VAPOR LOCK!



Standard's engineers put hundreds of blends of gasoline through a series of blistering tests on the Mojave Desert. Only then was the best-performing hot weather blend selected to be the 1953 *summer-grade* RED CROWN. Here's new assurance that now you'll get smoother summer power and freedom from that irritating hot-weather stalling known as "vapor lock" in *your* summer driving.

ON THE MOJAVE DESERT—ONE OF THE COUNTRY'S HOTTEST SPOTS—SCENE OF STANDARD'S SUMMER GAS TESTS.



Summer RED CROWN is proved in torrid desert heat to be sure you get smoother performance for all your summer driving. At regular price you save with the premium volatility you need for smooth-flowing power, quick response in traffic with best possible mileage. A gasoline can be different. Try it and see!

Standard Gasolines can't be beat in summer heat! STANDARD

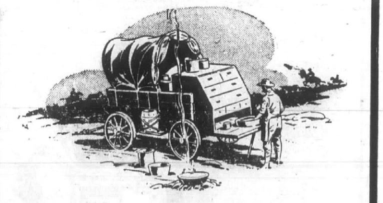
When You Buy Quality Foods!

Meal in and meal out, Mom knows the difference when she serves dependable foods from top quality brands that give extra nourishment to all the family.

In our more than 100 years service to Tecumseh, we at Anderson's have learned that you can always trust famous brand names for uniform food value.

ANDERSON GROCERY We Deliver Phone 91



They Carried Their Cash!

The only way pioneers could do business was with cash, carried in their pockets. An inconvenient way, of course, but it certainly was best in a day before modern banking.

But now you can travel far or wide and depend on your bank back home to serve your family with its up-to-date methods.

Today your check is enough to close the biggest, or even the smallest of deals . . . and then act as legal proof of payment.

BIBLE SCHOOL ENDS TWO-WEEK SESSION

Union vacation Bible school concluded Friday evening with a program by the four departments presented at the new Baptist Youth House. Total student enrollment in the two-week session numbered 177 with 25 teachers and workers. Average daily attendance was 145 with the Baptist, Friends and Methodist churches cooperating.

The Nursery department was in charge of Mrs. Truman Rentschler, Mrs. Meyers, Mrs. Clarence Kayner. Mrs. Victor Peterson, Mrs. Richard Beemer, Mrs. Glenn Rupp and Mrs. Voss. In charge of the Beginners were Mrs. Harold Easton, Mrs. Paul Hadsell, Miss Ann Bonetts, Miss Ruth Meads and Miss Joyce Stewart.

Teachers in the Primary department were Mrs. Francis Packard, Elaine Butler, Delora Fletcher, Rona Miller, Marcia Bashore, Barry Packard and Betty Bird. Junior department teachers were Mrs. J. T. Callihan and Mrs. Maynard Lucas.

Mrs. Clarence Randolph and Linda Johnson had charge of the music and the Rev. Edward Escolme the visual education. The Rev. B. O. Bashore was dean of the school.

ROYAL NEIGHBORS

Mrs. George Dixon entertained the Royal Neighbor Past Oracle Club Thursday evening at her home in Clinton. Twelve members attended and Mrs. Carl Glancy presided at the business meeting when the following officers were elected: Mrs. Dixon, president; Mrs. Orin Beevers, vice president; Mrs. Ervie Raymond, secretary and treasurer. Prizes won at pedro were awarded to Mrs. Carroll Frost, Mrs. Opal Brady and Mrs. Mabel Duncan. Refreshments were served by Mrs. Dixon assisted by Mrs. Mayme Stevenson, Mrs. Beevers and Mrs. Frost. Mrs. Earl Beevers will be hostess to the July meeting.

RECEIVES PROMOTION

Mrs. Irene Hay has been appointed assistant advertising manager of Revco, Inc., Deerfield. Mrs. Hay joined the Revco secretarial staff in 1951. Her appointment is announced by J. W. Rietzke, Revco sales promotion manager. Rapid strides are being made with an increased staff under Mrs. Hay's supervision in coordinating advertising activities, Mr. Rietzke reports.

It is always nice to come back from your vacation alive. You might remember that if driving.

Those who decided to wait to build a house until prices went down, in 1945, are still waiting.

. . . Local Happenings . . .

Robert and Albert Todd accompanied by their mother Mrs. A. J. Todd and aunt Mrs. Lucy Mullis of Grand Rapids, have returned from a tour of the western and northwestern states. They visited friends in Ute, Iowa, Nephi Utah, and Mardas, Oregon and visited such places of interest as Mormon Square, Salt Lake City, Zion and Grand Canyon, Sun Valley, the Black Hills and the Bad Lands, their trip covering 14 states.

The Stewart - Gregg reunion was held at the cottage of Mr. and Mrs. Timothy Coughlin at Wamplers lake, Sunday. Those attending from Tecumseh were, Mr. and Mrs. Noble Gregg and Mr. and Mrs. E. J. Aebersold. Other guests were from Adrian, Manchester, Detroit, Britton, Royal Oak and Wyandotte.

Robert Bailey returned home from Sault Ste. Marie, Friday, where he teaches school.

Mr. and Mrs. Clyde Bailey spent Thursday in Toledo.

Mr. and Mrs. Gibbs Barber will leave Friday to spend the weekend in Saginaw with Mr. and Mrs. B. A. Barber and family.

Miss Mary Brown spent the weekend in Royal Oak with friends.

George Rathbun is visiting his uncle in New York State for a few days.

Mrs. Joe TenBrink of Ann Arbor is a guest this week of Miss Anne Carson.

Mr. and Mrs. William Bruce and son Bradley have returned from a two weeks visit in Kenton, Ohio.

Mr. and Mrs. Harold Clark and daughter Connie have returned from a trip through the southern states and Ozarks. Mr. and Mrs. Clark's niece returned with them to spend an extended vacation.

Mr. and Mrs. Leslie Becker spent Sunday in Jackson at the I. O. O. F. home where a ceremony was held honoring the dead from that home.

Mrs. Leslie Becker will entertain the Laning Busy Bees club in her home Thursday noon.

Mr. and Mrs. Kenneth Reithmiller and family and Mrs. Maude McKeeby of Grass Lake were Sunday guests of Mr. and Mrs. Richard Beemer.

Mr. and Mrs. Orville Bishop, Mr. and Mrs. C. K. Gill of Toledo and Mr. and Mrs. Claude Blanchard of Jackson were guests of Mr. and Mrs. Wayne Blanchard, Sunday.

Mr. and Mrs. I. A. Cross and Mr. and Mrs. L. Schwab of Toledo were Sunday guests of Dr. and Mrs. M. R. Blanden. Miss Grace Smith of Dobbs Ferry, New York, aunt of Dr. Blanden, is visiting the Blandens for a few weeks.

Mr. and Mrs. Russell Carey visited their daughter and family, Mr. and Mrs. Donald Oeusterle of Mason, Sunday.

Lawrence B. Blum spent Wednesday through Friday in Lansing, Flint and Midland.

Mrs. A. Siwik of Dearborn is spending two weeks with her sister and husband, Mr. and Mrs. Lawrence B. Blum at their farm home on Occidental Road.

Mr. and Mrs. K. C. Heflin entertained Sunday at their Vineyard lake cottage Mr. Heflin's uncle, Cannon Brown, Anderson, Ind., James Heflin, Columbia City, Ind., Mrs. Heflin's sister and family, Mr. and Mrs. Leonard Dimmick, South Whitley, Ind., and Mr. and Mrs. Glenn Lewis and family, Clinton. Mrs. Dimmick and daughters remianed to spend the week with the Heflins.

Mrs. L. B. Dimond of Detroit spent Thursday and Friday with her sister and husband, Mr. and Mrs. George Adamson.

Cynthia and Gary Harris, children of Mr. and Mrs. Frank Harris of Jonesville spent last week with their grandparents, Mr. and Mrs. Lynn Harris while their mother was in New York City. Donald Low of Climax was a weekend visitor of his aunt, Mrs. Lynn Harris.

Mr. and Mrs. George Adamson and Mr. and Mrs. W. E. Slayton of Adrian spent Sunday in Toledo with Mr. and Mrs. Norman Thurston.

Mr. and Mrs. John DeFoe and daughter Kerry of Memphis, Tenn., came Saturday to visit her mother Mrs. Earl Lindsley. Mr. DeFoe returned to Memphis Monday morning, but Mrs. DeFoe and daughter will remain until sometime in August.

Mr. and Mrs. Neri Collingsworth returned Monday from a vacation trip to Huntington, West Virginia and Portsmouth, Ohio.

Mr. and Mrs. James Cross and daughter Janet spent the weekend in Fenton at the home of Mr. and Mrs. Carl Panck. On Sunday, they attended the Panck-Gaett reunion at Highland Park, Mich.

Mr. and Mrs. Jesse Shough and Mr. and Mrs. Polmish of Detroit were weekend guests of Mr. and Mrs. Clarence Gilman.

Mr. and Mrs. Earl Greene and Gerry have returned from a vacation at Lake Louise in northern Michigan.

Mr. and Mrs. O. W. Pino of Jackson spent the weekend at the home of Miss Bertha LaPointe. Mr. and Mrs. Russell of Detroit were guests Saturday evening of the LaPointes.

Mrs. Gertrude Houseman accompanied by Mr. and Mrs. Clare Boyd of Albion left for a western trip which is to include Yellowstone Park.

FORMER RESIDENT DIES IN YPSILANTI

Jay B. St. John, former resident of Tecumseh, was buried Friday afternoon in Brookside cemetery following services at 2 p.m. in Ypsilanti. Mr. St. John died at his home, 509 Ferris St., Ypsilanti, Tuesday evening, after a short illness.

Born, June 22, 1868, in Penn Yan, N. Y., he was the son of Emogene and Zadok St. John. He married Elizabeth Jacobs, Feb. 3, 1898, who survives.

Besides the widow, he leaves a daughter, Mrs. Vesta Raffetto, Oxnard, Calif. and two grandchildren. Two sons, Richard Winton and Zadok St. John, preceded him in death.

BOY SCOUT TROOPS SPEND WEEK AT CAMP

Fifteen members of Boy Scout Troop 73 enjoyed a week of camping at Washington lake last week. Those from the troop who attended were Ray Sluyter, Barry Packard, J. C. Heflin, Richard Stephenson, Arlen Fletcher, Larry Anderson, James Curth, Harold and Paul Underwood, Jerry Irelan, Eddie Rozelle, Gary Cameron, Ivan Halberstadt, Tom Tressler and Sheldon Nichols. Members of Troop 4 who camped out were Gary Crawford, Gary Williams, Gary Abner, Gary Elliott, Greg Mason, Lee Britton and Jim Armstrong.

WELCOME CLASS

The Welcome Class of the Friends Sunday school will have a farewell party Thursday evening, 8 p.m., for Richard Butler, who is entering service next week. The party will be on the church lawn and each member is asked to bring either cake, cookies or ice cream, and his own table service.

Legal Notice

Order of Hearing On Sale Of Real Estate

STATE OF MICHIGAN

THE PROBATE COURT FOR THE COUNTY OF LENAWEE

At a session of said court, held at the probate office, in the city of Adrian, in said county, on the 15th day of June, A. D. 1953.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of LUIGI GALLO, Deceased.

On reading and filing the petition duly verified, of Jack I. Hanna, administrator de bonis non with the will annexed of said estate, praying that he may be authorized, empowered and licensed to sell the real estate described in said petition at private sale for reasons therein stated.

It Is Ordered, That Monday, the 31st day of August next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in the Tecumseh Herald, a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

L. B. KUNEY,
Judge of Probate.

A true copy:
HAZEL D. GREGG,
Probate Register 7/9

Recent studies show newspaper advertising is the bargain of the advertising world. If you have something to sell, move it by letting the Tecumseh Herald sell it for you.

Bathing beaches offer many attractions these days.

PYTHIAN SISTERS

Final meeting before the summer recess was held by the Pythian Sisters Wednesday evening. Mrs. Henry F. Kempf presided in the absence of Mrs. A. J. Todd and Mrs. Marie Raymond acted as secretary in place of Mrs. Cecile Smith. Mrs. Dora Aten was manager and Mrs. Edwin Swift escort. Routine business was transacted and the auditing committee's report accepted. Refreshments were served following the meeting by Mrs. Lewis Schultz and Mrs. Elizabeth Freer.

INFANT McCLAIN BURIED WEDNESDAY

Funeral services were held last Wednesday afternoon in Columbia City, Ind., for Brent Duane McClain, infant son of Mr. and Mrs. M. R. McClain of Tecumseh who died Tuesday morning in a Columbia City hospital. Baby McClain is survived by his parents, a brother Larry and sister Beverly. Burial was in Eel River cemetery near Columbia City.

LT. LAIDLAW ASSIGNED TO FAR EAST COMMAND

Lt. Robert W. "Bob" Laidlaw has been assigned to the Far East Air Force with headquarters in Tokyo.

He has closed his dental office here and will leave July 11 for Montgomery, Ala., where he will receive indoctrination at Gunder Air Base. Following a five week's basic course he expects to move to California for overseas embarkation.

Most people can write a good column, but few of them can get it published.

Swim Program Gains Popularity

ENROLLMENT STILL OPEN IN ALL AGE CLASSES

As the swimming section of Tecumseh's Community Recreation program enters its third week, the enrollment stands at 121. Of this number, eleven registered on Monday and Tuesday of this week. As in years past, persons interested in participating in the swimming program may enter at any time they so desire, up through and including the final week. Water safety and survival training is included in all swimming lesson classifications, from Beginner groups through Life-Saving classes.

In the Beginner classes there are seventy-three enrolled; fifty-eight in the first beginner and fifteen in the second beginner. Twenty-one are now enrolled in the Intermediate group, three of which passed from the beginner classes since the program was initiated. At present eight are in the Swimmer classification and ten in the morning Life-Saving group.

On Monday of this week a second Life-Saving class was started in the afternoon for those persons who cannot attend the morning classes. At present there are four persons enrolled in this 5 p. m. Monday, Wednesday and Friday class; but any others interested will be accepted for this class through next Monday, the 13th of July.

Since the program scheduling was changed last Wednesday. Miss Joan Dennis and Duane K. Furbush have set up a Tuesday-Thursday Adult Swimming class from 9-9:50. Further enrollment in this class especially is encouraged. For the times of the other classes either Miss Dennis or Mr. Furbush may be contacted at the "Pit" any weekday morning.

L. VanValkenburg Funeral Saturday

Leon M. VanValkenburg, 61, died Wednesday morning at Herrick Memorial hospital where he had been a patient for six days. Mr. VanValkenburg was a carpenter and had lived his entire lifetime on a farm three miles west of Tecumseh.

Born, April 29, 1892, in Franklin township, he was the son of Amenzo and Mary Matthews VanValkenburg. He was a member of the Tecumseh Baptist church. On October 14, 1915, he married Ivah B. Waldron who survives.

Besides the widow he leaves, two sons, Raynor of Tecumseh and Roger of Adrian; eight grandchildren; two brothers, Dean and Faye VanValkenburg, Tecumseh; one sister, Mrs. Bertha Hoag, Tecumseh. He was preceded in death by six sisters and one brother.

Funeral services will be held Saturday, 2 p.m. at the Green Funeral Home with burial in Brookside cemetery.

Charter Hearing Opens Tonight

The nine men who will blueprint Tecumseh's future — P. C. Satterthwaite, J. C. Beardsley, H. H. Hanna, Rev. E. E. Escolme, E. M. Campbell, Frank K. Smith, Glenn Driscoll, Robert H. Moore and Charles Mensing—will get down to the long task at hand tonight.

They are the recently elected charter commission who will draw up plans for local city government during the next three months.

Tonight's meeting—open to the public like all charter meetings—starts at 8 p.m. in the council chambers. It is the first session of this group and will deal mainly with organization.

POOL CONSTRUCTION DELAYED FULL WEEK

Work on the Joyce Andrews Memorial swimming pool has been delayed a full week now as a county-wide labor strike halted complete operation.

Other construction at the hospital addtiion, Patterson Elementary school and high school addition have also been affected.

However road paving at west city limits is nearly complete and resurfacing Chicago boulevard through the business and residential districts will soon start.

Traffic is being detoured around Chicago boulevard at east city limits north to Burt street, east past the Country Club and back south to M-50 while the old highway is being moved by the Button factory to meet the new Raisin river bridge.

ANNUAL SCHOOL BOARD ELECTION, MEETING WILL BE HELD ON MONDAY

Two incumbent members of the Board of Education, Jens K. Touborg and Paul Breitenwischer will be unopposed for re-election Monday at the annual balloting in the high school cafeteria. Polls will be open from 7 a.m. to 8 p.m.

Following the election the annual meeting of School District No. 7 will also be held in the cafeteria.

New Wells Drilled On South Evans

VILLAGE CONSUMPTION AT NEW RECORD LEVEL

"It looks like we got to drilling just in time," Village engineer Ed Nelson told the council in session Monday night, "as Tecumseh is now consuming a record two and a-half million gallons of water daily."

Nelson said the Dunbar Well Drilling Co. moved its rig on some vacant land north of Porter Sand & Gravel over the weekend and started putting a point down Monday. He estimated the well depth around 70 feet on South Evans. The village should know this week if a new source of water is available at this place. Such a test recently failed on North Evans behind the high school.

Also Monday night Nelson reviewed a busy month of June activities for village workmen. Curb and gutter on West Pottawatamie and Adrian streets has been completed, the cost of the job ran a few hundred dollars below expectations, he figured. More curbing and gutter installation on West Pottawatamie between Evans and Pearl is nearly complete.

The village has sprayed a carload of oil so far and have another to start on this week. When this is done, Nelson felt the dust situation would be under control.

He also said the village has everything ready to put in a six-inch water main on Burt street where a number of wells are going dry.

Two Injured In Auto Accident

Two Dundee men, a father and his son, are in Herrick Memorial hospital recovering from face and head lacerations received in a two-car collision on Russell road Wednesday morning.

Ernest E. Vandercook, 63, and his son Robert, 27, both carpenters working on houses in the Tecumseh area, received cuts when their car collided with another driven by Bill Brown, 27, of Raisin Center highway. Brown's car rolled over but he was not seriously injured.

The Vandercooks were taken by ambulance to the hospital. Their car was traveling west on Russell road and crashed into the south-bound Brown car at the Centennial road intersection at 8:10 a.m. Wednesday.

Both cars were total wrecks. George Kilbourn acting as sheriff's deputy, and Don Rodehaver, investigated.

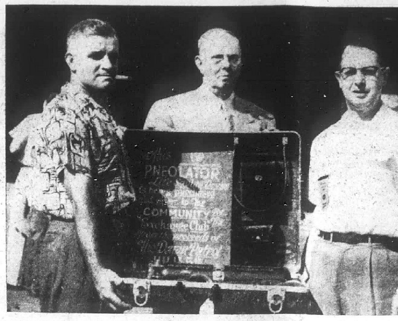
MAX SMITH WINS GOLF TROPHY

Max Smith shot handicap scores of 74 and 65 to capture top honors in a 36-hole golf tournament at Tecumseh Country Club. He was awarded the annual Harwood trophy.

Other honors went to Bob Hanna, Herb Dillon and Kirk Smith. The latter is presently competing in a state amateur tournament at Charlevoix.

Smith scored a hole-in-one last week on Lenawee Hill's 165-yard hole No. 12 in an Adrian Jaycee tournament.

Local pro Leo Bishop said that Rudy Lopez is currently leading a caddy tournament with a 95. The local winner will qualify for the national caddy tournament and will first compete in the regional play at Toledo.



Part of Tecumseh's Dawn Patrol activities Sunday morning at the airport was the official presentation of a new pneolator by the Exchange club to the village. The pneolator is the last word in equipment to revive victims of suffocation by smoke, drowning or other accidents. It combines all the features of a resuscitator and an inhalator. Net proceeds from the Dawn Patrol breakfast were used to purchase the life-giving device. Pictured above are George McCombs, left, past Exchange president; E. M. Campbell, village president; J. R. "Russ" Garno, Exchange president and Police Chief George Kilbourn. (Photo by Ken Connair).

Editorial Comment...

PRAISEWORTHY FOURTH — There's no end to the praise lauded upon Tecumseh for its orderly and law-abiding observance of July Fourth and for its overwhelming support of the local holiday weekend program.

There was not a single accident reported in the entire Tecumseh area, and remarkably few infractions of the state law prohibiting fireworks; it was, generally speaking, a peaceful Fourth.

High spot of the entire celebration was Saturday night's public display of fireworks at Recreation Field, probably the largest demonstration of its kind in this section of the state; and it turned out to be a huge success. Many larger cities have no community fireworks at all, accouting for numerous visitors at the fireworks from as far away as Toledo, Adrian, Hillsdale and Jackson. The crowd was estimated at over 5,000.

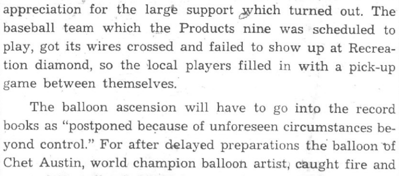
Two regretable portions of the Independence Day program were the baseball game and the balloon ascension—the former was a fizzle and the latter was a flop. For both the Commerce club is very sorry and expresses deep regret, with appreciation for the large support which turned out. The baseball team which the Products nine was scheduled to play, got its wires crossed and failed to show up at Recreation diamond, so the local players filled in with a pick-up game between themselves.

The balloon ascension will have to go into the record books as "postponed because of unforeseen circumstances beyond control." For after delayed preparations the balloon of Chet Austin, world champion balloon artist, caught fire and never fully inflated. The large crowd at Elliott Park dissappointedly went home after this attractive July Fouth feature was called off.

Many compliments are due the Veterans of Foreign Wars and the Wade Shows for staging what might be termed the cleanest carnival ever to come here. There was no trouble any of the three days, police said, and Monument Park grounds were left in a neat, orderly manner. Both the public and the carnival people were praised for their orderly conduct.

A final portion of the busy holiday weekend here was the very commendable Dawn Patrol, third annual staged in Tecumseh by the local Exchange club. Feeding nearly 1,000 people at breakfast clearly shows how this service organization could function in case of community disaster. The Dawn Patrol was a tremendous success, nearly 200 planes filled the sky over Tecumseh Sunday morning. They arrived without accident and were warmly treated by the Exchangites who had a smoothly functioning program planned. The large number of local people who turned out for the breakfast was significant of the way Tecumseh supports its own functions!

Marine's Mighty Mite Takes the Air



The Mighty Mite, the Marine Corps' new light weight utility vehicle is a truly land, sea and air truck. The versatile little vehicle can travel 55 mph on land, 2½ mph on water by means of a unique flotation gear, and carried easily by helicopter because of its light weight. It will be exhibited in action at the International Aviation Exposition, celebrating the 50th Anniversary of powered-flight, at the Detroit-Wayne Major Airport on July 9, 10, 11 and 12. Tickets for the show are on sale at all airports throughout Michigan.

All Morning Chow Line Served 1,000 At Dawn Patrol

MANY LOCAL PEOPLE JOIN FLIERS FOR EXCHANGE BREAKFAST

Records went out the window Sunday morning as Tecumseh turned out in droves to welcome back the four-state Dawn Patrol.

All in all 1,000 were served at the breakfast tent and then relaxed in the large hangar for scrambled eggs, sausage, coffee and breakfast cake.

Serving started at 7 a.m. and continued until food ran out at 11:00, an overflow were driven downtown for breakfast as the grand total exceeded the expected 1,000 mark.

J. R. Garno, Exchange club president and general chairman of the affair, said the Dawn Patrol surpassed all expectations, but his organization was flexible enough to handle the terrific turnout without confusion. Every committee operated right on schedule as fliers were aided in landing, taxiing and parking their planes, then picked up by convertibles, driven to the registration booth, fed and entertained.

Garno was assisted by the following committees: Registration, John Saling, Kenton Hunt, Kenneth Hall and Bill Powell.

Reception, Leon Williamson, Neville Hart, Clarence Beach and George McCombs.

Transportation, Harold Wilson, Harold Green, Jack Puffer, E. D. Colthurst, Al Pope, Dr. Richard Limes and Harry Curry.

Kitchen and dining, Wallace Whiting, Ernest Peters, Al Musch, M. H. Thielan, Charles Stevenson. Rev. Michael Collins, Harold Hall, C. R. Henkel, Dwight Hodges, Dick Jennings, Warren Benham, Jim Artman, C. Keller, Frank Rice, Bobby Robison, Earl Updike, John Kopka, C. B. Brock, Robert Bonner, James Barton, Ed Nelson and Art Harding.

Airplane parking, Owen Partridge and Civil Air Patrol; fire department, Max Brandt; ground maintenance, Otto Meier and Orville Bishop; attending physician, Dr. R. E. Dustin; auto parking, Paul Clauda and V.F.W.; pop and candy, Earl Greene, Jack Metcalf and Donald Dean; ambulance, Ellsworth Collins; advertising, Forest Abner, Bill Powell, Archie Porter and Elden Peasley.

Always a Dawn Patrol highlight, the first arrival was delayed this year because of poor visibility. Doris Langtree, Rochester and M. Boehner, Lansing, were the first to land around 6 a.m. Other fliers awarded special prizes were: John Schneider of Lake Village, Ind.; Alva Anderson, Ypsilanti; Francis Beam, Detroit; Dan Johnson, Jackson; Carmen Whitmill, Toledo; Mrs. Herbert Bayland, Elkhart, Ind.; Dorothy Maisel and Bill Maisel of St. Clair, Mich.; Allen Schaffer of Manchester. All were presented with lighters engraved with Tecumseh Exchange Club Dawn Patrol, 1953, except Miss Langtree who received an orchid.

Another feature of the Dawn Patrol this year was the presentation of a pneolater to the village of Tecumseh by the Exchange club. Net proceeds of the breakfast were used to buy the life saving apparatus for the community.

BASEBALL DOUBLEBILL SUNDAY AFTERNOON

Tecumseh will have its first Sunday afternoon baseball doubleheader when Tecumseh-Britton Farm Merchants clash with Brooklyn at 1 p. m. on the Recreation field diamond. In a second game immediately following the Products outfit entertains Sagers from Adrian.

Village Council Hears Anti-Fluoridation Appeal At Busy Session Monday

"Is sodium fluoride being put into our water?" Earl Bryan asked the Village Council in regular bi-monthly session Monday night.

The blunt question touched off an interesting discussion and a full evening of interesting business for the local lawmakers, for it was far from the usual routine.

An anti-fluoridation group has been active here for about the past month but aside from a Letter To The Editor, Bryan's appeal to the council was the first open attack on the use of this chemical in the village water system.

In answer to his question, President E. M. Campbell said, "Yes, fluoride (as it is commonly called) has been in the water system for two months." It was first put in May 4.

Bryan continued to question the group, "Who authorized this? Does the public know they are drinking fluoridated water? Has it been proven without a doubt that this is not a poison?"

He said that a committee of citizens, many of whom have lived here for 20 years or more, want conclusive answers why this has been done. "The group," he said, "has already spent a lot of time investigating; this appeal tonight is just a preliminary, for sodium fluoride is so dangerous that we want every bit of truth about it."

The council briefly reviewed the acceptance of an anonymous gift of the fluoridation equipment by the old group. Installation was completed recently and the process began in May. Its popularity in other communities and approval by the state health department were mentioned.

Next man to appear before the council was Earl Rowe, who asked for "action" on the sewer at Burt street which engineer Ed Nelson said was going in right away.

Then Richard Jacobs, 12 Burt street presented a petition against re-zoning Burt street to residential class C as Monday night was the time set for hearing. A representative of College Park Homes, Adrian, then spoke on the plan to build "Goodacre Subdivision", a plat for which had already been approved, on Burt street with only class C homes going up on a street located 150 feet to the north of Burt.

He assured the petitioners that only class B homes would go up on Burt street. After a lengthy discussion, the council tentatively approved the re-zoning ordinance providing no further opposition is made at the next council meeting July 20.

Elliot F. McClain, 216 W. Shawnee, then appeared before the council asking why a complaint he had signed June 11 against Wiley McCann who operates a printing business in a class A residential area at 212 N. Maiden Lane had received no attention in over a month. Chief of Police George Kilbourn said there was no action on the signed complaint because the Justice of the Peace was on vacation and could not sign the necessary papers during most of that time, but that immediate action would be taken. McCann operates the printing business in a building he recently constructed for a garage at the rear of his home.

Next to appear was a representative of the Community Fund board who said that the fund would give $1,200 toward improving the playground at Memorial Park if a written agreement could be made assuring that the playground would only be used as such and that it would be under the future jurisdiction of the school board.

No definite action was taken, though the council discussed various recreational needs of the community. President Campbell said the old cement bridge at east village limits was to be removed as the state highway contract provided and that a park would not be built beyond the bridge.

It was also announced that Town and Country Homes wished to give two lots to the village in Tecumseh Acres for playgrounds. This is impossible at the present time as the area is outside the present village limits, but after a city government takes over Tecumseh, the offer might be gladly accepted — so no immediate action was taken.

A petition to keep the Church of God from constructing a church building on So. Pearl street was read and denied as the council ruled it had no authority to prohibit the erection of a church in any zone.

Another petition for curb and gutter on West Kilbuck street between Maiden Lane and Pearl was referred to the village engineer for attention next year. It was signed by R. W. Puffer, Fay Whelan, Iva C. Cleveland, Clair Rozelle, Donald Brazee, Guy E. Belding, James Herron and J. C. Beardsley for the Boyce Apartments.

Max Smith Leaves For Calif. Ranch

A "once in a lifetime" experience is in store for Max Smith, 12 year old son of Mr. and Mrs. Maxwell Smith, 108 S. Division St. The Tecumseh Boy Scout leaves Friday morning from Jackson for the National Jamboree at Irvine Ranch near Santa Ana, Calif. He will be traveling with other Scouts and leaders of Jamboree Troop 27, a combination of the Portage Trail and Wolverine Councils.

Max, a second class Scout, is being sent by the local Rotary club, and was chosen by popular vote of the boys of Troop 4.

One of the big thrills of the Jamboree trip will be the tours and sightseeing enroute. The itinerary includes the Bad Lands of South Dakota, tour of Yellowstone National Park and canyons, cruise to Victoria, British Columbia, sightseeing in San Francisco and finally arrival at the ranch.

The Jamboree will be held close to the historical Capistrano Mission, famed for the annual return of the swallows, and the boys will see a real western rodeo and have a chance to swim in the Pacific Ocean.

Aside from sightseeing, the troops will learn new Scouting skills and will have the opportunity of living with Scouts from all over America. Trick cooking methods, camp gadgetry, tent pitching and all around good camping methods will be demonstrated by experts from many parts of the nation.

Max will return around the 30th of July.

New Police Car Has Chief's OK

Chief George Kilbourn put his personal seal of approval on the new Ford police car after turning it back to Butler Motors for a 300 mile service check.

The specially built car is factory designed for police work and is widely used. It is like the sheriff's cars and has a dual Mercury engine for high speed. Kilburn said he only clocked it at 95 over the weekend as it is not broken in yet, but will catch anything on the road after it is back in use today.

Kilbourn said the local force had just completed a busy month of June with five accidents, 29 complaints, 31 traffic summonses, 91 meter violations and 11 arrests.

During the month the department collected $799 in meter collections, meter violations, traffic fines and costs.

Easton Re-Elected Fire Dept. Head

Harold Easton was re-elected president of Tecumseh's volunteer fire department at an annual meeting Tuesday night. Frank Gray was elected vice-president; Charles Manley Sr., secretary-treasurer; Cecil Alderdyce, chief; Burnell Moon, first assistant chief; Lee Purkey, second assistant chief.

After the meeting a field engineer of the company that manufactures pneolators instructed a number of firemen, policemen, nurses and Civil Air Patrol members in the operation of the apparatus.

MARCH OF DIMES IN ACTION — Have you ever heard the complaint by local contributors to a national campaign, that "Our money goes out of town"? Well some of our March of Dimes money has gone out of town, right down to Georgia we are told this week, where 30,000 children are being innoculated with gamma globulin, the drug which is believed to be effective in averting poliomyelitis.

The 30,000 children are sort of guinea pigs for the nation, in the first large scale mass vaccination against polio.

A share of every dollar given here to fight polio has been spent by the National Foundation in research looking forward to controlling the disease. Gamma globulin may not be the final answer, but it is part of the result of our contribution toward research. The Polio Foundation hopes at least to find a control measure for polio. If this is it, Tecumseh children will someday be called in for innoculation to prevent the spread right here at home.

So we shouldn't worry about this money going out of town, it may come back some of these days with compound interest.

During the interim, parents are reminded of a few practical precautions to keep their children safe: do not become hysterical and thus overly restrict youngster's activities.

Danger is greatest if there is a lot of polio in the community, says Dr. David G. Dickinson, medical director at University hospital. No month or time of day is most dangerous, because the disease does not follow a pattern of this kind.

Three measures for avoiding polio are recommended by the National Foundation—

(1) Don't let children become exhausted, and make sure that they get plenty of rest.

(2) Severe chilling, such as blueness from swimming for a long period of time, should be prevented.

(3) Public places like wading pools and carnivals should be avoided. "It is not a good idea to expose children to new playmates every day," Dr. Dickinson said, "but it is foolish to keep them away from their own circle of friends."

●

PRAISE FOR POST OFFICE — There is occasional criticism of the Post Office department, mainly on its national scale and wide-spread methods of doing business; but we would like to go on editorial record as praising the many postal employees, and especially the local office and its crew, for doing a splendid never-ending job of keeping the mails rolling.

Rain or shine, heat of summer, cold of winter, the daily home deliverymen carry letters to each door with a cheery attitude of serving others. And the "inside" help deserves equal praise for sorting through mountains of letters, cards and packages as we continually mail more and more as a nation each year.

We'd also like to go on record as publicly asking the Postmaster General and his top-brass aides for the reason why the Post Office distributes such large volumes of "unwanted" mail in the form of unsubscribed-for circulars, advertising sheets, catalogues, throw-away shoppers and the like which are simply commercialized handbills that give nothing to the public and worth just what they cost. These "throw aways" are clogging up the mails each week, and the sad part is, after all the handling they are thrown away without a second look when received. With the terrific avalanche of mail that goes to each home nowadays, a paper, unless subscribed for, is unwanted — so why, Mr. Postmaster, let them ride the mails, without paying a good healthy share of their way?

●

CROP SHIPMENT — History repeats itself in the Port of Milwaukee, where today—as in 1850 to 1860—the agricultural surplus of the midwest is loaded aboard freighters for shipment to foreign lands and the relief of critical shortages there.

It was wheat which was shipped through the port to help feed the rapidly multiplying population of Europe barely 100 years ago. Since then, the state of Wisconsin has become the leading dairy area in the world. Today, it is powdered milk which fills the holds of overseas freighters berthing at Milwaukee.

The milk goes not only to Europe—as did the grain 100 years ago. It is shipped to the needy in Asia, Europe and the Near East. The senders are not the dairy farmers of Wisconsin and Minnesota alone; it is all the people of the United States who—through their government and their churches—share with those in need in other lands.

Today's vital food shipments through Milwaukee will not create material wealth for the senders as did the grain shipments during the mid-nineteenth century. Instead they will translate the spiritual beliefs of the donors into a message of good will and practical Christianity.

Is That So !

By Miss Clara Waldron

(The second in a series of articles on the "Globe Trotters," a group of foreign-born war brides living in Tecumseh).

It was two of the Tecumseh "trotters", Mrs. George Derby and Mrs. William DePuy, who had the idea of forming a club. They had stood together before Judge G. Arthur Rathbun and successfully passed the examination that made them fellow citizens of their husbands and had found a fellowship they thought others also would enjoy.

Mrs. Derby came here from Bedfordshire, England, and Mrs. DePuy from half the world away, Brisbane, Queensland, Australia, but there is a strong British tie between them, although, oddly enough, Mrs. DePuy's original heritage was Dutch, her father, an engineer, being attached to the Dutch army during the war.

As an engineer's daughter, Mona Souwer had lived in many parts of Australia but she was essentially a city girl. Studying to be a kindergarten teacher, she had transferred into war work when Brisbane was engulfed by a tide of American soldiers. Australia's fighting men had been sent to North Africa early in the war and when the island was threatened with Japanese invasion, Americans were sent to its defense. It was probably a necessary military expedient but not one that was too popular with the Australians, especially with the absent soldiers.

The G.I. population was twice that of Brisbane itself and naturally posed many problems. One of those problems was entertainment. Considered as a "thundering herd" the American boys could be rather difficult. Taken as individuals, Australia as well as England and every other part of the world found they were "really very nice." When Miss Souwers, doing her bit as a Red Cross hostess, met William DePuy in October of 1943, she soon became convinced that this was true.

There were the strictest possible rules against "fraternizing" outside of working hours at the U.S.O., but Cupid has no use for rules, and the following April they were married at the Brisbane Methodist church and, when the war was over, Mona DePuy, with their daughter who is now seven, followed her husband to America.

Mr. DePuy's family is not native Tecumseh. He came here several years ago to work in the receiving department of the Tecumseh Products Co. They live at 309 W. Pottawatamie and it is perhaps an indictment of Tecumseh's social life that they have found congenial group fellowship only through the "Globe Trotters." An essentially British reserve, however, many have played its part.

The three DePuys are in Australia this summer to visit Mrs. DePuy's parents on the Atherton tablelands where Mr. Souwer is working on a dam for an irrigation project. We hope it will be no more than a visit.

. . . Local Happenings . . .

Mr. and Mrs. Glenn VanDenbergh were in Grand Rapids from Monday until Wednesday for the wedding of their daughter Miss Margaret VanDenbergh to Lawrence VanDyke.

Mr. and Mrs. LeRoy Grandstaff of Metamora visited their daughter and family, Mr. and Mrs. Owen Partridge, Sunday.

Mr. and Mrs. Leo Lohrman and family moved last week to the home of Mrs. M. L. Dannells on North Union St. from the Gottschalk house on Wyandotte St. Mrs. Dannells is living with her son and wife Mr. and Mrs. B. C. Dannells near Clinton.

Mrs. Nina Heath has returned from a trip to Montreal, Quebec and the New England states. She was accompanied by friends from Lansing.

Mr. and Mrs. F. S. Anderson have returned to their home after visiting their daughter and husband Dr. and Mrs. Edwin Williamson of Kalamazoo for several weeks. Mr. Anderson's condition is continuing to improve.

Mr. and Mrs. C. O. Butler and Mr. and Mrs. Clarence Gilman were guests over the July 4th weekend of Dr. and Mrs. Gilbert Ely at their cottage on Lake James, Ind.

Mr. and Mrs. Nilo Manso and children spent the weekend with her parents, Mr. and Mrs. Ellsworth A. Collins. Mr. and Mrs. Orval Minney and family of Toledo were Sunday guests of her parents.

Miss Sally Rentschler, daughter of Dr. and Mrs. Truman Rentschler is one of thirteen Michigan students now attending the National Music Camp at Interlochen for the eight week summer session, who has been selected for the top-flight honors orchestra. Sally plays the flute and is one of 69 young musicians chosen by audition from the entire camp.

Mr. and Mrs. James Turpin spent Saturday with her sister and husband, Mr. and Mrs. Donald Younglove and family of Dearborn. From Sunday until Wednesday they were guests of friends and relatives in Ironton, Ohio, and Huntington, W. Va.

Harry Rosacrans of Toledo visited friends and relatives in Tecumseh Saturday.

Miss Barbara Schoeck is spending this week with her sister and husband, Mr. and Mrs. David Platt of Detroit.

Mr. and Mrs. Erwin Buss have returned from their wedding trip through northern Michigan.

Mr. and Mrs. William Mullins and family of Philadelphia, Pa., called on Mr. and Mrs. Elmer Bryan, Sunday.

James Smith has been transferred from St. Louis, Mo., to Detroit where he is associated with Helmuth, Yamisake and Leinweber, architects. He is the son of Mr. and Mrs. J. W. Smith.

M. W. Mathews reports that his company, the Dri-Gas Co., which has a bulk plant at Perry, Mich., has donated 42 pressure gas systems to the Flint tornado area. This company lost some 100 tanks which were completely destroyed by the storm.

The Rev. and Mrs. Ronald A. Brunger and family visited Mr. and Mrs. George Hurst and Mr. and Mrs. Robert Hurst and family of Ann Arbor, Sunday.

Mrs. Charles Sansord of Jackson spent the weekend visiting her cousin, Miss Ruth Harding.

Mrs. Opal Hardy of Tipton has returned to her home from Bixby hospital, Adrian, and is reported as being much improved.

Mr. and Mrs. Sam Clough and Mr. and Mrs. Tom Brooks and children were guests of Mr. and Mrs. William Sheldon of Wamplers lake for the weekend.

Mr. and Mrs. Charles Bohnett and daughter of Jackson were holiday guests of Mrs. Margaret Hersha.

Mrs. Margaret Langthorne of California and Mrs. Raynor Langthorne of Adrian were guests of Mrs. Harry Creger, Wednesday.

FAREWELL PARTY

A farewell party for Richard Butler, who is leaving for the army was given by the Welcome Class of the Friends church Thursday evening. About 30 members gathered on the church lawn and enjoyed a social evening. A brief business meeting was conducted by Clare Martin and refreshments were served. Richard received a gift from the group.

---o---

EAGLES AUXILIARY

Eagles Auxiliary met Wednesday evening with Mrs. Edwin Swift presiding. The Bake Sale committee reported proceeds of $20 from their recent sale, which will be sent to the Flint tornado fund. Refreshments were served at the close of the meeting by Mrs. Mayme Stevenson and Mrs. Donald Morley. The next meeting will be July 15.

ROYAL NEIGHBORS

Mrs. Donald Craig entertained the Royal Neighbors at a potluck dinner Thursday at her home near Britton. The afternoon was spent playing cards and prizes were awarded to Mrs. Carl Glancy, Mrs. John Preston, Mrs. E. C. Topps and Mrs. Orin Beevers. Proceeds from the party went to the Flint Tornado Fund. The next meeting of the group will be with Mrs. Earl Beevers, July 16.

---o---

GOOD CHEER CLASS

In honor of the 92nd birthday anniversary of Mrs. Delia Carpenter, the Good Cheer Class of the Baptist church is sponsoring a potluck supper at the Youth House at 6:30 p.m. tonight. All friends and members are cordially invited.

REBEKAH LODGE

Rebekah Lodge held their final meeting of the season Friday evening. Mrs. Gilbert Nighswander presided and Mrs. Martha Kopka gave the auditing committee's report. Secretary Mrs. William Barnes read the semi-annual report and Mrs. Lilah Furgason gave the treasurer's report.

Plans were made for the Youth Pilgrimage supper to be held July 27 at the Baptist Youth House for a group of 37 youths from New Mexico, Oklahoma and Texas who are on an educational bus tour to the United Nations in New York. Mrs. E. L. Furgason, Mrs. Jesse Nichols and Mrs. W. L. Becker are the committee to plan the supper. The annual picnic will be held at the Sand lake cottage of Alice Collom.

TIPTON GIRL RECEIVES HIGH 4-H CLUB HONOR

Mary Lou Dibble, 17 years old of Tipton, has been given high honors by being named one of the six 4-H achievement winners from among delegates from 42 counties in southern Michigan. Six winners were selected, three boys and three girls, on the basis of achievement and outstanding record in 4-H Club work and other activities.

The Tipton girl will compete with others from upper Michigan at the State 4-H Club show at East Lansing in September. The awards for this will be a trip to Washington, D. C. in June, 1954, representing Michigan at the national 4-H Club Camp or a trip to the Canadian International Exposition.

Mary Lou was chosen last fall as the top girl 4-H member in achievement in Lenawee county. She is a graduate of this year's senior class of Tecumseh high school, and the daughter of Mr. and Mrs. Merrick E. Dibble.

We are now in favor of the departure of winter.

THANK YOU

Members of Hall-Slater Post No. 4187, Veterans of Foreign Wars wish to thank Village President E. M. Campbell, the Chamber of Commerce, Village Engineer Ed Nelson, Police Chief George Kilbourn and the entire police force for their fine cooperation during the weekend carnival sponsored by the V. F. W. Post.

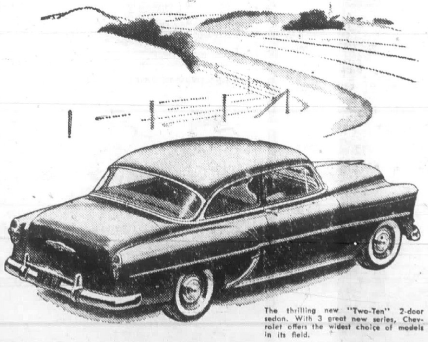
SERVICES FRIDAY FOR JAMES R. MILLER, 64

James Rankin Miller, 64, 419 W. Cummins street, died suddenly Tuesday morning of a heart attack after arriving at work at the Tecumseh Products Co. He had been employed at Products for seven years, coming to Tecumseh from Dundee. Mr. Miller was formerly employed at the Consolidated Paper Co., Monroe for 21 years.

Born, Nov. 29, 1889, in Newville, Pa., he was the son of Thomas and Anna Thomas Miller. He is survived by his widow, the former May L. Upell; one son, Francis James Miller, Wichita Falls, Texas; two grandchildren, James and Sandra Kay Miller; three brothers, John, Monroe; Herbert, Toledo; and Emmett, Luna Piers. His parents, a daughter Agnes and four sisters preceded him in death.

Funeral services will be held Friday at the Green Funeral Home, 2 p.m. The Rev. B. O. Bashore will officiate and burial will be in Brookside cemetery.

If its news call The Herald.



On all these points of comparison... Chevrolet's farther ahead than ever!

. . . IN NEW AND ADVANCED STYLING—The new long, low, sleek lines of the 1953 Chevrolet set new standards of beauty in the low-price field. Here you will see careful detailing and a richness of appointments always before found only in much costlier cars.

. . . IN HIGH-POWERED PERFORMANCE—*The most powerful engine in the low-price field!* The entirely new 115-h.p. "Blue-Flame" engine in combination with new Powerglide* brings you new high-compression power and a wonderful gain in economy, too. In gearshift models you will find the advanced high-compression 108-h.p. "Thrift-King" engine.

. . . IN SMOOTH, SIMPLE AUTOMATIC DRIVING—Expect faster getaway with Powerglide's new automatic starting and passing range . . . and new economy, too. Chevrolet's new Power Steering* takes over 80 per cent of the work of steering, makes parking unbelievably easy.

. . . IN ECONOMY AND VALUE—Now, you'll get many more miles out of every gallon of gasoline. You'll save on over-all operation and upkeep, too. Yet Chevrolet remains *the lowest-priced line in the low-price field.*

. . . IN AMERICA'S FAVOR—Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show that Chevrolet is over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering available on all models.

The thrilling new "Two-Ten" 2-door sedan. With 3 great new series, Chevrolet offers the widest choice of models in its field.

HOSPITAL Notes

The public tends to think of a hospital as a building only, a structure of brick and steel and shining tile that must have some magic ingredient of healing. The magic ingredient is present, of course, but it is not inanimate. It is the men and women, who have been trained to use that building for the purpose of healing.

In a hospital the doctor is supreme. When he makes his rounds it stands at attention. His decisions, his wishes, even his whims are its law. In a small institution like ours the rigid formality is somewhat relaxed but our "staff" is still the high authority.

Herrick Memorial has a local staff of eight; two honorary, Dr. H. H. Loveland and Dr. Wesley H. Mast and six active, Drs. R. G. B. Marsh, M. R. Blanden, R. F. Helzerman, Richard Dustin, John Thompson Jr. and Richard T. Hammel. This year Dr. Blanden is chief of staff and Dr. Hammel is secretary and treasurer, while the youngest and newest members are known as "junior active."

BIRTHS

July 2, to Mr. and Mrs. Arnold Ries, Tecumseh, a son.

July 2, to Mr. and Mrs. Lawrence Church, Tipton, a son.

SCOUT TROOP 73

Boy Scout Troop 73 met at the Products Union Hall Monday evening with Scoutmaster George Brady in charge. Elmer Harper, Union board member, was present at the meeting and Erwin J. Weiss spoke on the railroading merit badge. Mr. Weiss plans to be present at the next meeting to assist those boys who wish to work on the merit badge.

Robert Dick led the group in the Pledge to the Flag; Arlen Fletcher, the Scout Oath and James Beach, Scout laws after which each Scout repeated them individually.

The boys then worked on advancements after which the new troop flag was shown and the meeting closed with the Scoutmaster's benediction led by Barry Packard.

Macon

DUNNY—HASTED

The Macon Methodist church was the scene of the wedding of Miss Patricia Ann Hasted, daughter of Mr. and Mrs. Stephen Hasted of the Saline-Macon vicinity, and Robert Dunny, son of Mr. and Mrs. John Dunny of Manchester. The Rev. Vaughn Whited performed the double ring ceremony Saturday, June 27.

Gowned in floor length white tulle and Chantilly lace over white satin and net, the bride wore a pearl tiarra which held her finger length veil. She carried a white lace covered Bible topped with gardenias and wore matching lace mitts.

Miss Jeannine Craig of Macon, matron of honor, was gowned in white organdy over orchid satin with matching horsehair hat. Mrs. Carl Breitenwischer of Ypsilanti, sister of the groom, and Miss Dorothy Martin of Wayne, as bridesmaids, wore white organdy over yellow and matching horsehair hats.

Little Jeffery Stoll, of Bedford, Ind., cousin of the bride, was ring bearer and carried the rings on a white satin embroidered pillow. Nancy Robison, cousin of the bride was flower girl and wore floor length white organdy over orchid satin.

John Dunny Jr., brother of the groom, attended as best man. Ushers were Carl Breitenwischer, Ypsilanti and Raymond Dunny, Norfolk, Va.

Mrs. Jean Fox of Clinton played nuptial music and accompanied Miss Marjory Greenfield as she sang "Because," "O Promise Me" and "The Lord's Prayer."

A reception was held following the ceremony in the church parlors for about 100 guests.

The bride is a graduate of Saline high school and Mr. Dunny graduated from Manchester high school. The couple left for Norfolk, Va., to visit the groom's sister and husband.

Sunday guests of Mr. and Mrs. Kenneth Ernst were Mr. and Mrs. Guark and sons Jim and Thomas.

Born, Thursday, July 2, to Mr. and Mrs. John Kelly, a son.

Mr. and Mrs. Truman Jordan spent the weekend in Coldwater visiting her sister and family.

Mr. and Mrs. Bert Bruder spent the Fourth in Ypsilanti with their son Delmar Bruder and family. Wednesday callers in the Bruder home were Mr. and Mrs. Clifford Bruder and family of Lansing.

Macon church official board meeting will be held at the church Tuesday, July 14, 8 p.m.

The July meeting of the Macon Homemakers Extension Club will be held July 16, 12:30 p.m. at the home of Mrs. Verl Sanch. Mrs. Bonnie Ernst will be co-hostess. Mrs. Elwin Bugbee will be in charge of the lesson on costume jewelry made from ric-rac. Each member is to bring her own material.

Mrs. Mary Howell, Mrs. Hamilton Moore and son Richard and David Bruder went to Willow Run airport Thursday afternoon to meet Mrs. Dalton of Tulsa, Okla., who is visiting Mrs. Howell for a few weeks.

Mrs. A. Gilbert White flew from Kingston, Jamaica, where her husband, Lieut. Col. White is stationed with the British Air Force. Mrs. White came for the wedding of her niece, Patricia Hasted.

Mr. and Mrs. Steve Hasted and Mrs. A. Gilbert White spent the past week with Schulyer Jeffries at his home in South Bend, Ind. and at Gun lake, Mich. They returned home Sunday evening.

Mrs. Glen Crittenden underwent surgery at Herrick Memorial hospital, Friday.

Mrs. Donald Beck entered University hospital, Ann Arbor, Tuesday.

Thirty-five members of the Macon Youth Fellowship and their families enjoyed a picnic supper and swim at Wamplers lake Monday evening.

LOCALS

Mr. and Mrs. Earl Haughn of Pontiac spent the weekend with her sister Miss Margaret Lowry.

Mr. and Mrs. E. C. Brandt spent last week at their cottage on Spring lake.

Mr. and Mrs. Merlyn Schultz and Lewis Schultz have returned from a two week vacation at Glenn lake.

Mrs. John Watson is on vacation from her duties at Baldwin Hardware, and is on a trip to Memphis, Tenn., visiting relatives.

Mrs. R. K. Anderson returned Monday from Folly Cove, Mass., where she visited Mr. and Mrs. Harry Hoey for three weeks.

Mr. and Mrs. Jack Metcalf and family have moved to Devils lake for the summer.

Mrs. Veva Anderson spent the weekend at Wamplers lake as the guest of Mrs. Mabel Whiting.

Mrs. Marie Lohrman and Jacquelyn Miller of Morristown, N. J., have been spending a few weeks with Mrs. Lohrman's son and family, Mr. and Mrs. Leo Lohrman.

Mr. and Mrs. Leon Rosacrans spent Sunday in Ottawa Hills, Ohio, visiting Mr. and Mrs. Leon Temple.

Mr. and Mrs. Herbert Brown and two sons of San Juan, Puerto Rico visited in Tecumseh, Monday. Mrs. Brown is the former McCreath Dobie, who taught at Greenlane Academy.

Mr. and Mrs. Lawrence Boyd were in Addison Saturday for the wedding reception of their niece and husband, Mr. and Mrs. James Daniels, the former Kathryn Wisner of Tipton. Mr. and Mrs. Boyd were also in Brooklyn last week to attend the Masonic funeral of her uncle Ralph P. Bartlett. Mr. Bartlett was well known in and around Tecumseh, and had been known as "Judge" Bartlett for the last 30 years. Until three years before his illness, he had been traffic judge in Jackson county.

Mrs. Ray Sluyter and son Ray were in Chicago last week on business and also enjoyed some sightseeing and a stage show.

Mr. and Mrs. Norbert O'Hara were home from Ispheming to spend the holiday with his parents Mr. and Mrs. Tom O'Hara. Other guests of the O'Haras for the weekend were Mr. and Mrs. Wayne Schultz of Ann Arbor.

Sgt. Ernest R. Fish, son of Mr. and Mrs. Roy Fish of 309 W. Shawnee st., Tecumseh, has been transferred to Hamilton, Ohio. After spending a few days with his parents he left last Wednesday to take up his new assignment as instructor and inspector of the Marine Corps Reserves in Hamilton. Sgt. Fish enlisted in the Marine Corps in July, 1948. He spent three years at Camp Pendleton. Calif. as supply sergeant. After returning from one year in Korea, Sgt. Fish has been working in the office of organic supply in San Francisco, Calif.

Wins Guy Lombardo Radio Show Prize

ERViSOFT

Business Booming; Growth Tapers Off

Midyear business activity across the nation is rocking along at record levels although gains over early spring are meagre, the Federal Reserve Bank of Chicago reports in its monthly review, "Business Conditions."

A significant characteristic of the currently stable business scene, according to the bank, is the growing feeling among businessmen that "the boom can't last." This attitude has been responsible for the cautious inventory policy adopted by many firms and the reluctance of producers to push prices up rapidly.

Pessimistic observers, the bank adds, base their views on the expected adverse effects of the international cooling-off period, plus weakness in farm prices, exports, and household appliance sales. Also in support of these views are the declining backlog of demand for industrial equipment and the expected fall in auto and steel output later this year.

But most measures of business activity, the bank points out, continue to reflect booming business across the nation.

● Recent months saw unemployment hit a peacetime low of 1.3 million, while moderate wage hikes were common. In Midwestern centers, where the labor market has been especially tight, many employers would have hired more workers if available. In fact, the bank says, Midwest production gains were limited by the labor shortage.

● Consumer spending has continued to keep pace with income. The decline in sales of major appliances has been more than offset by substantial gains in furniture, air conditioning, gasoline, anl some types of clothing.

● Construction activity in the first five months of 1953 topped last year by 6 per cent. In addition, businessmen plan to boost capital spending in the next three months to a record of 28.7 billion dollar rate—8 per cent above the average for 1952.

Until recently, price increases for manufactured goods following decontrol had been few and moderate.

ANNUAL MEETING

The annual meeting of School District No. 1 Fractional (Culbertson) will be held Monday evening, July 13, 8 p.m. Ice cream and cookies will be served following the meeting.

CPL. RALPH ATKINSON WOUNDED IN KOREA

Mr. and Mrs. Dillard L. Atkinson, 210 E. Chicago Blvd. received word Tuesday that their son, Cpl. Ralph V. Atkinson was slightly wounded in action in Korea July 3. He sustained a wound in the right thigh and the rear of the head caused by grenade fire while engaged in combat with the opposing forces.

Cpl. Atkinson has been in the army five years and received his training at Camp Breckenridge, Ky. His brother, Pfc. Howard Atkinson was wounded in Korea in 1951.

MRS. ELBERTA TESKEY DIES SUDDENLY

Mrs. Elberta Teskey, 49, died suddenly Sunday evening in her apartment in the W. M. Custer residence at 416 E. Logan street. Mrs. Teskey had returned by bus earlier in the evening from Lansing after a visit with relatives.

The daughter of the late Bert and Dora Bice, Mrs. Teskey had been employed in the D & C store.

She is survived by a brother, Fred, Grand Ledge; niece, Mrs. Elliott Bayles Jr., Adrian; brother-in-law, Leonard Munger, Lansing. Mrs. Leland Randall and Mrs. Leo Alderdyce, Tecumseh, are cousins of Mrs. Teskey.

The body is at the Collins Funeral Home awaiting notification of a niece, Mrs. Elliott Bayles, Jr., Adrian, who left Saturday for northern Michigan and is being located by state police.

FORMER RESIDENT DIES IN CALIFORNIA

William H. Wehr, who owned and operated the Wehr Pharmacy in Tecumseh for a number of years, died Monday at Seaside hospital, Long Beach, Calif., where he had been a patient for several weeks. Mr. and Mrs. Wehr moved to California after selling the business to Ralph Hodges and retiring.

He is survived by his widow, Mary; a daughter, Mrs. Arthur (Margaret) Sargeant and two grandchildren.

Funeral services were held Wednesday and the body was cremated. Burial was in Mottells Chapel, Forrest Lawn cemetery, Long Beach.

GARDEN CLUB

Mrs. Robert Sage of Park street will entertain the Garden Club in her home Friday, July 17. A workshop on flower arrangements will be directed by Mrs. W. H. Barton of East Lansing. Assisting hostesses will be Mrs. Charles Kempf, Mrs. Waldo Mohr and Mrs. Harold Wilson.

RUMMAGE SALE

Women of the Baptist church will hold a rummage sale July 9, 10 and 11 at the Youth House, proceeds of which will be added to the church building fund. Mrs. Anna Grigg and Mrs. W. L. Becker are co-chairmen and ask those having articles to donate to call either of them.

• NOTICES

My office will be closed from July 8 through July 11, and from July 25 through August 1, while on vacation. 7-23

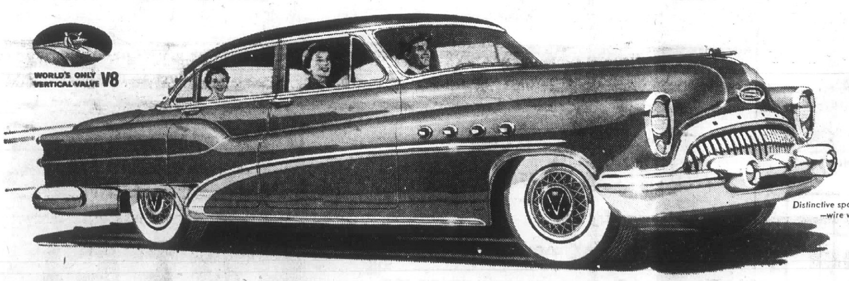
Ever try the lap of Luxury?

Deep, foam-rubber cushioning in both the seats and the seat backs lends added luxury to ROADMASTER comfort.



Distinctive sports-car touch —wire wheel covers, as illustrated optional at extra cost.

We'd like to spoil you a bit.

We'd like to seat you in a 1953 Buick ROADMASTER and let you be coddled in the most sumptuous comfort on four wheels.

What we have in mind is more than just a sampling of the spacious roominess here — and of the cushions that cradle you in opulent and enveloping softness.

It's the magnificent luxury of ROADMASTER travel that we'd like you to know...

The soul-satisfying feel of bossing almost limitless power from the world's newest and most advanced V8 engine...

The casual ease with which you command sparkling getaway from Twin-Turbine Dynaflow—and the sheer comfort of its new quiet and infinite smoothness...

The matchless gentleness and levelness of ride from all-coil springing, torque-tube steadiness, liquid-smooth power delivery—making you barely aware of motion, of road irregularities, of stopping and starting...

And the consummate ease-of-handling you enjoy from the most maneuverable ROADMASTER in Buick history. A car with the hydraulic help of POWER STEERING. A car with the velvety control of still finer braking—plus the added convenience of Power Brakes, if you wish.*

Yours in every '53 Roadmaster at NO extra cost

Surely, you ought to look into this supremely satisfying ROADMASTER for 1953—and see for yourself that the lap of luxury is more than a figure of speech when you take your seat here. Why not visit us soon?

*Optional at extra cost.

BIBLE SCHOOL CLOSED WITH PROGRAM FRIDAY

Daily vacation Bible school sponsored by the Assembly of God closed Friday evening with a program at the church on Bidwell street. Handwork of the children was on display for parents and visitors at the close of the program.

The school was directed by the Campion sisters of Detroit, the Rev. and Mrs. Cameron Stevenson of Canada and the pastor, the Rev. L. H. MacPherson and Mrs. MacPherson. Local teachers and helpers conducted classes at the Central building. The school had a total enrollment of 146 with an average attendance of 100 each day between the ages of four and 15.

ENTERTAIN AT SHOWER

Mrs. David Murphy, the former Judy Sisson, was honored at a shower last Wednesday evening in the home of Miss Margaret LaLonde. Co-hostesses were Mrs. Ted Sisson and Miss Lyn Aluk. Games were played and prizes awarded were presented to Mrs. Murphy who also received a shower of miscellaneous gifts. Decorations were in pink and white and lunch featured a wedding cake.

Margaret Van Denbergh Weds Lawrence Van Dyke

St. Andrew's Cathedral, Grand Rapids, was the scene of the wedding of Miss Margaret VanDenbergh, daughter of Mr. and Mrs. Glenn VanDenbergh, Tecumseh, and Lawrence C. VanDyke of Grand Rapids, son of the late Mr. and Mrs. John VanDyke. The Rev. Fr. Raymond Oosdyke, O.C.M., performed the double ring ceremony Tuesday at 10 a.m.

Baskets of white carnations and stephanotis decorated the altar and Joseph Sullivan, organist played the traditional nuptial music.

Given in marriage by her father, the bride was lovely in a waltz length gown of white satin featured with fitted bodice and full skirt. Tiers of embroidered nylon were on either side of the skirt and she wore a nylon jacket with long sleeves. Her veil of illusion was shoulder length and she wore a Juliet cap. She carried a Colonial bouquet of white roses with showering pink carnations.

As matron of honor, Mrs. Harry Oosdyke of Grand Rapids, wore sky blue brocaded satin with inserts of pleated net and a fitted bodice. Her gown was fashioned with a matching stole and she wore a Juliet cap. Mrs. William Hancock of Grand Rapids, sister of the bride, was bridesmaid, and was gowned in shell pink with Chantilly lace bodice and a skirt of nylon net over taffeta. She wore a matching jacket and Juliet cap.

Mr. VanDyke was assisted by Harry Oosdyke as best man and William Hancock was usher.

For her daughter's wedding, Mrs. VanDenbergh chose a rose crepe dress and wore a corsage of pink carnations.

A reception was held at 1:30 in the afternoon at the couple's new home at 450 Crescent St., Grand Rapids. Assisting with the serving were Mrs. R. D. Lowry, Wooster, Mass., and Mrs. W. W. Sauer, Sturgis, sisters of the bride. A three tiered wedding cake centered the table and summer flowers decorated the home.

The bride is a teacher in the Grand Rapids schools and the groom is employed by the General Motors Co.

LOCALS

Mr. and Mrs. H. E. Jones and Mr. and Mrs. Gordon Johnson of Toronto, Canada, left Monday after spending a few days with Mr. and Mrs. Clarence Brock. Mr. Brock's mother, Mrs. Anne Brock left Thursday after a visit of five weeks with the Brocks.

Living With Peace Of Mind

By KIRBY PAGE

Prayer is desire, yearning,
Aspiration, longing, craving.
Prayer is attitude,
Relationship, way of life.
Prayer is conversation,
Listening, speaking,
Paying attention to God,
Practicing his presence,
Entering into communion,
Fellowship, union.
Prayer is worship
When moved by beauty,
Enraptured by harmony,
Laid hold upon by truth,
Drawn by goodness,
Exalted by holiness.
Prayer is awe and adoration
When the creature
Bows before his Creator.
Prayer is gratitude,
Praise, thanksgiving.
Prayer is contrition,
Confession, repentance.
Prayer is surrender,
Yielding, commitment.
Prayer is petition,
Asking, seeking, finding.
Prayer is intercession,
Compassionate entreaty for
Loved ones, friends,
Enemies.
Prayer is waiting,
Eager, expectant.
Prayer is entrance into the
Invisible world of the spirit.
Prayer is following the
Gleam of the Inner Light.
Prayer is desire in action,
Yearning outpoured in deeds.
Prayer is nourishment
Required by the human soul.
Prayer enables a person to
Grow upward toward the
Stature of Christ.
Prayer is yielding to the
Pleading of the Holy Spirit.
Prayer is following the
Example of our Lord.
Prayer is the
Attitude of God himself,
Who groans over his children
With desire
Which cannot be uttered.
Prayer is man's solemn duty,
His highest privilege,
His holiest joy,
His sublimest experience.
Therefore,
Pray without ceasing,
Desire high desire
Continuously.

RETURN FROM CONVENTION

Charles Bishop, Ardith Eaton and Fred Long returned last week from Lansing where they spent a week at the 4-H Club convention at Michigan State College. The three young people were numbered among 1,200 delegates in attendance, 22 from Lenawee county.

Tours of the State Capitol and Oldsmobile Co. were enjoyed by the group and they also were present for the presentation of the honor award for achievement booth to Mary Lou Dibble and her initiation into the State 4-H Service Club.

A pretty girl makes a lot of men feel younger.

An Easy Target For Sickness . . .?

Many folks erroneously consider themselves weaker, and more susceptible to sickness than others. Actually, we are all very much alike in this respect.

By normal care and orderly living, we maintain strength and resistance to disease. By excesses or carelessness, we can become an easy target for disease, accident or sickness. It is up to each individual.

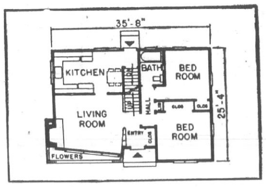
DESIGN NO. 6208



HERE is a home that meets today's needs and budgets. The first floor offers a complete two-bedroom living unit. The second floor provides space for two bedrooms and an additional bath, which can be finished now or later.

It takes experienced professional planning to develop the best home value for today's market. That's why this and scores of other modern homes in our Weyerhaeuser 4-Square Home Building Service were professionally designed and engineered to assure sound, economical construction with correct building materials.

Professional Planning Pointers

You are invited to study these homes . . . to use them as guides in planning your home. There is a wide variety of styles and sizes. Among them you will be sure to find a home that fits your needs. Blueprints are available for all designs.

Come in today and study the details of this new "story-and-a-half home" . . . as well as the one-story variation for the two-bedroom family.

Russell Hartzler, Clarksville, Michigan State CROP Director (second from right), is seen above participating in dedication exercises for one carload of surplus powdered milk to be moved with Michigan CROP contributions to overseas church relief distribution points.

The photograph was taken June 23 at a Milwaukee, Wisconsin, wharf. With Mr. Hartzler are from left to right: Dr. Wynn C. Fairfield, executive director of Church World Service (CROP's parent agency), Bishop William C. Martin, president of the National Council of the Churches of Christ in the U.S.A. (of which CWS is a department), and John Herbert Davis, president of the US Commodity Credit Corporation. On the right is the Rev. John D. Metzler of Elkhart, Indiana, national director of CROP.

The Commodity Credit Corporation has released a total of 90 million pounds surplus milk to all accredited voluntary foreign relief agencies. The CWS portion, 14,500,000 pounds, will be moved to ocean ports with funds contributed to CROP.

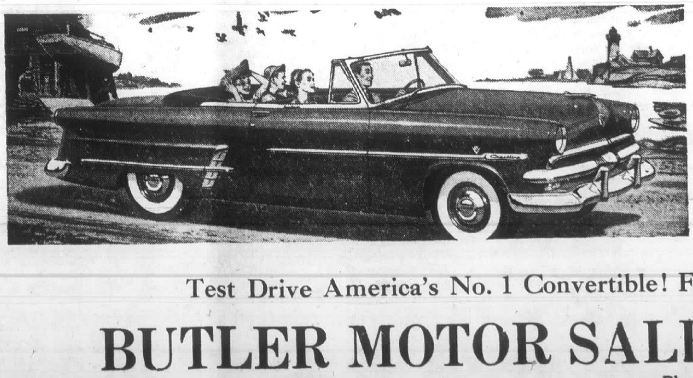
The only convertible that outsells Ford!

WHAT is it that makes Ford's Sunliner America's best seller? Is it its high-compression V-8 power? (No other convertible in Ford's field has this kind of engine.) Is it the fine craftsmanship of its Crestmark Body? (No body in its field can match Ford's choice of exterior and interior color combinations.) Is it its new spring and shock absorber action which makes even roughest roads feel smooth? (The Sunliner's springs are specially tailored to its weight.) Is it the choice of Fordomatic, Overdrive or Conventional [illegible] get? (You won't find such a choice of drives in any other car in Ford's field.)

No, it's not just any *one* of these things that [illegible] Ford America's largest-selling convertible. It's [illegible] of Ford's "Worth More" features . . . features which folks *know* make Ford worth more when they buy it, worth more when they sell it.



Test Drive America's No. 1 Convertible! Ford Sunliner!

Farmers Face Lack Of Storage Space

Midwest farmers face a critical grain storage problem as harvest time approaches, according to the Federal Reserve Bank of Chicago. Farmers will have to choose between turning their presently stored corn over to the Commodity Credit Corporation (the government's price support agency) when support loans fall due on July 31 or storing the grain themselves.

But in either event, the Reserve banks says in its monthly review, "Business Conditions," the grain storage picture is none too bright. If farmers turn over their crop to CCC, the government will be drastically short of storage space. On the other hand, if farmers retain their presently held 1952 grain crop, they will be hard put to store their 1953 harvest.

Steps are now being taken to encourage farmers to hold last year's corn and wheat on the farm rather than make delivery to the government. Thus far, CCC has offered to pay farmers to store their crops for another 12 months and loan them money to build additional storage facilities. Nevertheless the bank estimates that corn delivered to the government during the current crop year will still exceed present CCC storage capacity by some 90 million bushels.

Wheat farmers are already experiencing a serious lack of storage facilities. Chicago wheat prices are down a half dollar or more below the support level. In an attempt to halt this drop the government has agreed to extend emergency price support loans on wheat piled on the ground in the arid Southwest.

In anticipation of the huge pile up of farm commodities, the CCC has been placing orders for new storage bins. Both domestic and foreign grain outlets, too, are being explored in efforts to move stocks into consumption.

But the Reserve bank foresees little prospect of storage bins being emptied in the near future unless output is reduced by bad weather or demand is boosted by a shift in international tensions.

Chief causes of the present critical warehousing problem are: (1) Last year's huge crop was second only to 1948's record harvest; (2) Exports of farm products have dropped. (3) The price support level is above the current market price, thus farmers must store to get the full benefit of the support program.

Prepared by TAX RESEARCH DEPARTMENT, DETROIT BOARD OF COMMERCE

MISS BERNICE DEANER BURIED IN BROOKSIDE

Miss Bernice M. Deaner, 67, died last Wednesday morning at Herrick Memorial hospital after several months illness. She had been a teacher in the Detroit public schools for 35 years.

Miss Deaner was born at St. Joseph, Mich., Feb. 16, 1885, the daughter of the late Edward and Minnie Kirtchman Deaner. She came to the Parrett nursing home, Tecumseh, in May of this year and was transferred to the hospital June 25. Miss Deaner was a member of the Congregational church, Detroit.

She is survived by a brother, Ardney Deaner, Kalamazoo; sister-in-law, Mrs. Harold Krieger, Benton Harbor, and a number of nieces and nephews, among them Clifford Deaner of Tecumseh.

Funeral services were held at the Collins Funeral Home Friday afternoon at 2:30 with burial in Brookside cemetery. The Rev. H. Vaughn Whited of Clinton officiated. Pallbearers were Paul Deaner, David Deaner, Fred Deaner, Clifford Deaner and Gordon Allen.

Friends and relatives attended from Kalamazoo, Detroit, Colorado Springs, St. Clair, Benton Harbor, Cuyahuga Falls, Ohio, Clinton and Tecumseh.

GRADUATES WITH HONORS

Pfc. Robert J. Wilson, son of Mr. and Mrs. Sidney J. Wilson, East Brown St., who is stationed in Trieste, Italy, graduated with honors from Regional Intelligence School at ceremonies held recently. Of the 44 graduates, Pfc. Wilson stood first in his class. Presentations were made by Col. John R. Vance. The course included all phases of combat intelligence.

Dept. Store Sales Best In May, June

Department stores in the Midwest closed their June sales books after chalking up what looks like a record volume for the month, the Federal Reserve Bank of Chicago reports. Weekly figures for the first four weeks of June reveal that stores in Chicago, Detroit, Indianapolis, Milwaukee, and most "other centers" in the Midwest matched the lively pace set in May.

In its monthly review, "Business Condtiions," the bank says that department store customers, on the threshold of summer, continue to act much as might be expected in a period of record production and full employment. Department store sales in each of the four major Seventh Reserve district cities set a record for May, while district sales for the first five months of 1953 ran 5 per cent higher than in the corresponding 1952 period.

Detroit stores registered a 10 per cent gain during this period, with Indianapolis sales matching the district rise. Volume in Chicago and Milwaukee stores from January through May climbed 1 per cent over year-ago levels. Currently Detroit is experiencing a boom of record proportions, although some of its gain merely reflects a pickup from the doldrums which gripped Eastern Michigan business early in 1952.

The only sign of weakness in the department store picture is the showing of floor coverings, appliances, and radio-television. In Chicago and Milwaukee stores, each of these categories in May accounted for a smaller fraction of total business than in 1952. However, all three durable lines did better in Detroit stores, exceeding their share of business reported for last year.

Weakness in these lines, the bank says, does not necessarily indicate that consumers have changed their buying habits. It may reflect the changing competitive position of department stores which appear to have lost some of their durable business to specialized appliance and radio-television outlets.

WHY Blue Cross-Blue Shield protection is now more important than ever before!

Sickness or accidents now cost more . . . almost triple the cost of 10 years ago!

And you get more protection today with Michigan hospitals' and doctors' own *non-profit* health-care plans . . . BLUE CROSS - BLUE SHIELD. The average hospital bill covered by Blue Cross for instance, has gone up from $51 to $150 in ten year's time. Also, the number of hospital bills totalling $1,000 or more has increased yearly!

In 14 years Blue Cross - Blue Shield have paid out over 302 million dollars for members in Michigan. With nearly 3,000,000 Michigan members, Blue Cross - Blue Shield is this state's most widely used health-care protection.

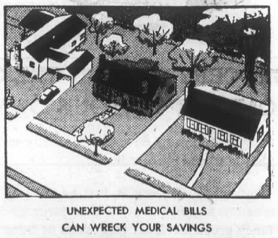
BLUE CROSS - BLUE SHIELD PROTECT BEST WHEN NEEDED MOST

1 in 3 Michigan families will face a hospital bill this year!

If you or someone in your family had to go to the hospital tomorrow, how would you pay the bill?

Blue Cross Comprehensive Group Hospital Plan covers a broad range of benefits . . . up to 120 days of care . . . in any of over 200 participating Michigan hospitals. There are also special provisions for benefits in participating hospitals of other Blue Cross Plans or other hospitals anywhere in the world!

Blue Shield Medical-Surgical Plan pays liberal amounts to licensed doctors, world-wide, for more than 480 listed medical-surgical procedures



UNEXPECTED MEDICAL BILLS CAN WRECK YOUR SAVINGS

Blue Cross-Blue Shield pay more . . . for more hospital and medical services . . . for more people!

Enjoy the peace of mind that goes with Blue Cross - Blue Shield protection. Ask your employer about it. Check your Farm Bureau or Grange. Write or call your nearest Blue Cross - Blue Shield office. For protection that's priceless —the hospitals' and doctors' own *non-profit* health-care plans for the welfare of the public . . .

KINGSBURY-FOGLE VOWS EXCHANGED

In a double ring ceremony performed Sunday afternoon in the First Presbyterian church, Adrian, Miss Virginia Fogle and Richard M. Kingsbury exchanged wedding vows. Miss Fogle is the daughter of Mrs. Frederick Fogle of Adrian and the late Mr. Fogle. Mr. Kingsbury's parents are Mr. and Mrs. Joseph L. Kingsbury, also of Adrian. Dr. John Marvin performed the 4 o'clock ceremony.

The bride, given in marriage by her uncle Clyde Fogle of Albany, N. Y., was lovely in her Colonial gown of imported Alenscon lace over bridal satin, with a fitted bodice and Peter Pan collar. The full skirt extended into a short train. Her veil was of imported French illusion and fell from a cap of pearl embroidered lace. She carried a Colonial bouquet of white sweet peas and stephanotis centered with a deep purple orchid.

Mrs. Ralph Dunning of Flint was matron of honor and Miss Suzanne Ratigan of Dearborn was bridesmaid. Mrs. Dunning was gowned in deep lavender net with a velvet bodice and matching jacket. Miss Ratigan wore a light lavender net gown similar to that of the matron of honor. Debra Anne Dunning and Martha Ann Fowler, flower girls, were dressed in lavender organdy and carried baskets of white daisies. Master Richard Dunning carried the rings on a white satin pillow.

Dale Boyd of Jasper was his cousin's best man and ushers were Merle Boyd, Morenci, Ralph Rogers and Larry Goodes, Adrian, Robert Fowler, Sylvania and Ralph Dunning, Flint.

A reception was held in the church dining room following the ceremony, with 250 guests attending from Tecumseh, Clinton, Flint, Detroit, Britton, Dundee, Monroe, Sylvania, Britton, Cleveland, Morenci, Wellsville, Albany and Rochester, N.Y.

The couple left by plane for a wedding trip to New York City and upon their return will reside at 216 S. Winter street, Adrian.

The bride attended Tecumseh high school, graduated from St. Joseph Academy and Siena Heights College, Adrian and the Mercy College of Medical Records Librarians, Detroit. Mr. Kingsbury is a graduate of Western Michigan College, Kalamazoo.

The bride's mother, Mrs. Fogle, is owner of the Vogue Shop, Tecumseh.

Ridgeway

Mrs. Ella Allison of Pontiac was a weekend guest of Mr. and Mrs. Elmer Linn and daughter Florine.

Sunday dinner guests of Mr. and Mrs. Glenn VanVleet were Mr. and Mrs. Harley VanVleet of New Jersey, Mrs. J. D. VanVleet of Tecumseh and Mr. and Mrs. Paul Allison and daughter Betty Lou of Pontiac.

Mrs. Dora Hardman and daughter Miss Louise Hardman and Mr. and Mrs. Ralph Porter of Detroit were guests Friday of Mr. and Mrs. Elmer Pocklington.

Born, July 6, to Mr. and Mrs. Bernard Bishop, a son.

John East has returned to his home from Herrick Memorial hospital where he had been a patient.

Mr. and Mrs. Maynard Mulvaney of Tecumseh were Sunday evening callers of Mr. and Mrs. Elmer Linn.

Bible school is in progress at the Nazarine church this week and next.

Mrs. Elmer Linn and daughter Florine were in Romulus on business Friday.

Mr. and Mrs. Julian Strong entertained the Fourth in honor of the birthday anniversaries of Mrs. Strong and her aunt Mrs. Ray Lewis of Ann Arbor. Among the guests were Mr. and Mrs. C. H. Lachance and children Phillip and Kathy of Romulus, Mr. and Mrs. G. M. Grobe and children Judy and Maynard of Loraine, Ohio, and Mr. and Mrs. E. T. Lewis and children Rhoda, Larry and Tommy.

Mrs. Will Fletcher will be hostess to the United Workers July 16. Co-hostess will be Mrs. Marjorie Niblack. Devotions will be in charge of Mrs. Mina Miller and Mrs. Edith Hunt will be program chairman.

Mr. and Mrs. John Foote of Clearwater, Fla., are visiting friends and relatives in Ridgeway.

HONOR BRIDE

Mrs. David Murphy, a June bride, was further complimented Thursday evening with a personal shower given by the Misses Diane Dillon, Barbara Ousterhout and Linda Beck in the Dillon home on W. Brown street.

Twelve guests enjoyed games and each was presented with a corsage in pastel colors by Miss Ousterhout. Prizes were presented to the honored guest who also received a shower of lovely gifts. The hostesses served lunch from a table centered with an attractive floral arrangement, with decorations carried out in pastel colors.

BRIDE-ELECT HONORED

Miss Donna Spencer, who will become the bride of Ernest Ward July 25, was complimented at a shower Wednesday evening in the home of Mrs. Jerry O'Brien. Miss Spencer received a shower of gifts for her kitchen and the evening was spent playing games. Refreshemnts were served by the hostess.

Our Hearts Respond To Our Thoughts . . . .
Soft beauty, orderly procedure and true sympathy expressed in the funeral service leave thoughts of the great good of this respect to the loved one passing.
These kindly thoughts convey peace of the hearts of all present—and justify our efforts.

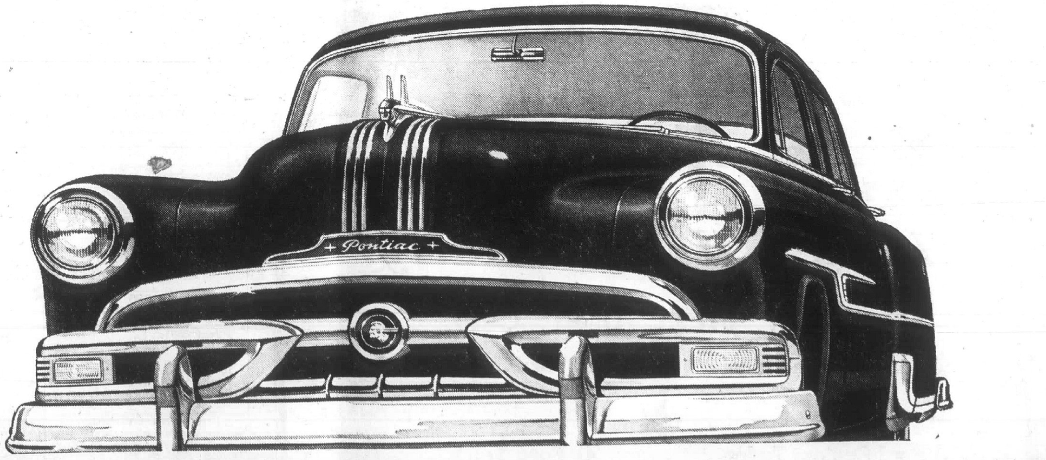
Nothing Like It for BEAUTY! PERFORMANCE! VALUE!



Dollar for Dollar you can't beat a Pontiac
GENERAL MOTORS LOWEST PRICED EIGHT
It's very easy to see why Pontiac stands alone in its ability to match features and quality with the finest cars—yet at a price so low that it's within the means of any new-car buyer.
First—look at its beauty. Pontiac's distinctive styling is instantly recognized and universally admired.
Next—check Pontiac's performance by driving it yourself. You'll learn that under the hood there's more power than you'll ever likely need. You'll find that Pontiac is easy to handle, that it takes the roughest going in stride with amazing road-hugging comfort.
But Pontiac's final proof of value is in its unsurpassed reputation for long life, dependability and economy of operation.
Why not come in and spend a few minutes getting the entire Pontiac story? That's all it will take to make you a Pontiac owner.

Annual Supt.'s Report Compliments Dist. 7 Staff For Cooperation

BY SUPT. OF SCHOOLS JAMES McDOWELL

(The following report was presented Monday night during the annual meeting of school district No. 7. It outlines the variety of educational business and activity transacted during the past year).

I am pleased to present my annual report concerning the work and activities of the Tecumseh Public Schools for the school year which closed June 30, 1953.

The September 1952 enrollment was 852 in the elementary school and 566 in the secondary school. The final enrollments in June 1953 were 849 in elementary and 549 in the secondary school. This is a net loss of 20 pupils which is considerably larger than that of last year which was only four. However, war conditions, early marriages, and easy employment have materially increased this number. Our percentage of absence for the year was 5.7 which is extremely low and indicates that in general our pupils enjoy their school life and surroundings. There were twenty-three elementary teachers nineteen secondary teachers, four special teachers, a speech correctionist, elementary and secondary principals, a Veterans' Institute instructor and myself on the educational staff

There were also employed a combination librarian and attendance officer, one full time secretary and a part time secretary to the superintendent, a supervisor of buildings and grounds, five custodians and a bus driver. Since the Public Library is also under the jurisdiction of the Board of Education and there are two library employees, the total number of persons employed directly by District No. 7 was sixty-three. I would like to compliment the entire staff for their patience, understanding, cooperation and overtime in trying to educate 193 pupils more than in 1951-1952 with but three additional teachers.

It has been difficult and I hope will not be necessary again in 1953-1954. However, unless the State Laws are changed so that schools are paid on a current membership basis, the overcrowded conditions are bound to remain with us until Tecumseh stops growing.

Also at Monday night's annual meeting held in the high school cafeteria, it was announced that Jens K. Touborg and Paul Breitenwischer, both incumbents, carried the annual election. Only 29 votes were cast. The Board of Education re-elected officers, Mr. Touborg, president; Mr. Breitenwischer, vice-president; Dr. R. F. Helzerman, secretary; Dwight Hodges, treasurer and Aden Mead, trustee. The annual treasurer's report will appear in detail in next week's Herald.

School was held at five locations during the year: West Branch, Brownville, Central, Library, and the High School. These buildings were overcrowded and not too well equipped. This condition, however, we hope will be remedied in the fall when the new additions and new Patterson School are ready for occupancy.

Extra-curricular activities in the high school have proceeded as usual with outstanding success in basketball, speech, and F.F.A. activities. The F.F.A. have several experimental plots on school property which have drawn considerable interest from farmers in the community, and have been very valuable to the boys themselves. Learning by doing is always objective if supervised. The cooperative training program has continued to operate efficiently and has increased in numbers of pupils on the job this year.

Interest in adult education classes increased this year and there were 77 pupils. Bookkeeping 19; Typing 20; General Shop 3; Upholstery 16; Art 19. The P.T.A. has been active throughout the year. Young farmer classes are held weekly during the evenings and the Veterans' Institute ran as usual. A speech correction program was carried out through Grades 1 - 12.

The library has operated well although shorthanded throughout the year. No librarians were available who desired to come to Tecumseh. We have located one who will begin in February 1954.

Custodians received a raise in July and the salary schedule base for staff members was raised $100.00 for 1953-1954. The base for beginning teachers with degrees is now $3000.00 and with advanced degrees $3200.00. Tecumseh is fortunate in having a high percentage of advanced degree personnel.

Several projects have been successful this year, the most outstanding of which was the remedial reading classes in Junior High. Hearing was tested again throughout the system and remedies made wherever possible. The traffic problem at Central was studied and Ottawa Street closed in front of school at certain periods during the day. A policeman was also on duty there during school hours.

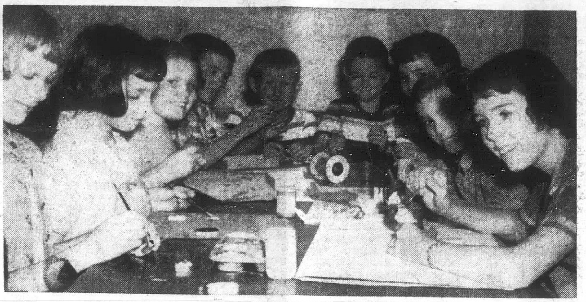
The Board of Education met seventeen times during the year. Among the many outstanding accomplishments was the publishing of a Professional Personnel Policies Booklet incorporating Board rules which received the compliments of the State Board of Education. New fire exits were installed at Brownville and the library; toilets were moved indoors at Brownville; a new sick leave policy was developed for hourly rated employees; land was purchased from Naser's for a right of way to the Patterson School; needed land was purchased from VanWinkle's and Cubberly's for additions to the high school; steps were taken to improve the playground at Central; remodeling of Central was completed; arrangements were made for the installation of a new training telephone switchboard at the high school; and land was leased to the Village for a public swimming pool.

The Board of Education met in Special Meeting in December to open bids for the new elementary school and the additions to the high school. They awarded the General Contract to Miller-Davis for the High School additions and Patterson School at $507,000.00; Electrical to Harlan Electric for $40,174.00; Plumbing and Heating at Patterson to Dunbar-Borton at $68,188.00, and Plumbing and Heating at the High School to Young and Ost at $76,087.00. The combined cost was $691,449.00 which was slightly less than estimated by the architects, Warren S. Holmes and Company.

Bus service to the pupils living more than one mile from school was good considering that we transported 170 pupils daily with but one bus. It was necessary to pay twenty-three parents for transporting their own children. The Board has purchased another bus and service should be improved for 1953-1954.

(See Annual Report page 5)

Tot Lot! Are We Havin' Fun!



Fun was really in order when The Herald cameraman strolled over to Recreation Field this week to see sixty-some Tot Loters in action. Here the group, three to eight years in age, are shown returning from a session of children's games, stories, plays and out-door merriment. The mass of smiling faces was just coming up the steps for recess. Their supervisor, Miss Joyce Warner, is in the left background.

Graduates of the Tot Lot are these Handicrafters shown painting figurines, making necklaces, purses, bead rings and soap carving. Left to right around the Handicraft table in Central school Art room are Jean Ann Hoag, Anna Kay McCann, Theresa McCann, Joe Anderson, Gary McKenzie, Gary Hicks, Mary Manchester, Bradley McCombs and Karen Hall.

Whether its the Tot Lot, the Handicraft group, the tennis foursome or the boys playing softball, there's "fun for everyone" in Tecumseh's summer recreation program.

Ably directed by Miles Runk, with assistance from Joyce Warner and Ruth Heimerdinger, the program serves over 300 children with a variety of all-day amusements.

There's children's supervised games and stories, coloring, clay modeling, soap carving and finger painting for youngsters in the Tot Lot group. Then a little older, the Handicrafters use their favorite "gimp" — an imitation strip leather — to make all sorts of bracelets and necklaces.

Outdoors the croquet court is always in use as is the rest of the playground equipment with a variety of supervised activities.

"And there's lots more good times ahead," Miss Warner pointed out in announcing a Doll Show on Friday, July 24 in the Central building. There'll be prizes for all different types of dolls.

Also in the future, Mr. Runk plans a "Swap Day" for boys and girls to trade, toys, dolls, playthings and odds and ends of all types.

Enrollment in any of the recreational programs is still open with a standing invitation to boys and girls of all ages to turn out for a good time, anytime.

Large Wheat Crop Reported In Area

Time, tide and the weather are responsible for many changes. Nowhere is this more true than on the farm. Last spring the wheat crop in this area looked very dubious. The scanty fall rains, followed by an open winter, had left it in a most discouraging condition. Farmers looked at the thin cover and said, "Well, give us some rain and we will make a crop," and that is what happened. Even such a dyed-in-the-wool pessimist as "Charley" Allen, who then shook his head sadly over ruined acres, now gladly admits he never had a better "stand."

William Beardsley, manager of the Hayden Milling Co., says the quality of wheat coming to the mill is the best he has ever seen. Late spring rains were followed by excellent growing weather and with the perfect harvesting conditions of the last ten days have combined to produce a crop of phenomenal quality. Red wheat is running as high as 60 bushels to the acre and 55 for white is common. The Hayden Mill does not accept wheat for storage on government loan and most of the local farmers are storing on their own farms so the amount coming to the mill is not abnormally large, but it has never been better.

The economy of Tecumseh no longer hinges on wheat but the quality and yield of this year of 1953 prove that area farms are still capable of producing the kind of crops that once brought it the title of the richest agricultural county in the United States.

VAST WATER SUPPLY FOUND BY DRILLERS SOUTH OF TECUMSEH

A vast underground water pool was pierced by well drillers employed by the village on Tuesday at a location on South Evans road near Porter Sand & Gravel.

Drilling began last week by the Dunbar Well Drilling Co., when Tecumseh was consuming water at the maximum capacity of the existing four wells.

Engineer Ed Nelson said the well point first hit water at a 58-foot depth but the new well would go down 70 or 80 feet to assure an unlimited supply in future years.

Nelson was very happy over the water "find" and the favorable outlook for Tecumseh's million and a-half gallon daily usage.

* * *

MEYERS NEW PLANE DEMONSTRATED AT RECENT AIR SHOW

Al Meyers, President of Meyers Aircraft, demonstrated the new two-place "Meyers 145" plane during the recent International Air Show at Wayne Major airport, Detroit.

During the demonstration, a public announcer lauded Meyers Aircraft, Tecumseh, as the state's only manufacturer of commercial aircraft.

The new 145-horsepower plane has just been introduced.

* * *

AERIAL OBJECTS AGAIN REPORTED IN VICINITY

A few recent sightings of unidentified aerial objects have been reported in this vicinity the past few weeks, according to George Adamson, local astronomer. Mr. Adamson asks that anyone seeing strange aerial objects please inform him if possible when they are in view, or at some later date. He will relay the report to the U.S. Air Force.

Circulate Petitions Against Fluoride

After a meeting of Tecumseh's anti-fluoridation committee Monday night, a number of petitions against the local use of sodium fluoride in the community's water system, are being circulated.

Volunteer committee chairman Earl H. Bryan said the group wants to follow the pattern of Detroit by thoroughly investigating the public use of this chemical.

He said the group is going to "work diligently with untiring effort to get enough signatures on a canvass petition for presentation to the village council for the abolishment of fluoride in our water until it is investigated by the United States Supreme Court."

The group is circulating anti-fluoridation literature this week.

* * *

MAKE TWO WEEKS LOST TIME UP, IS AIM OF SWIMMING POOL CREW

Two weeks lost by labor troubles may be regained by the Krieghoff Construction crewmen who are extra busy this week advancing the Joyce Andrews swimming pool as rapidly as possible.

Project superintendent Del Jackson was directing construction of wall forms after pool flooring had been completely poured and "cured".

Cement blocks are also going up for the bathhouse on concrete footings. Jackson said most of the steel has arrived for the job.

Meanwhile, full scale work resumed on Tecumseh's other building projects at Patterson Elementary school, the two high school additions and Herrick Memorial hospital.

Widening west Chicago boulevard neared the downtown area as Knapp Construction, Monroe, completed the paving stretch from Billington's Corner to Democrat street.

After putting in new curbing through town, narrowing the boulevard islands and taking out one between Ottawa and Oneida, resurfacing the full length of the street will begin. Officials expected the entire job completed by Labor Day and the east limits stretch moved to conform with the new Raisin River bridge.

"Wayside Village Booms On Diet Of Ice Cubes" NEWS Portrays Tecumseh

Beneath two pictures which spread over seven columns of Monday's DETROIT NEWS magazine page, Jerry Sullivan visits Tecumseh in his Ramblin' 'Round Michigan column. The two pitcures show employees leaving the main gate at Products and St. Peter's Episcopal church receiving a fresh coat of paint.

BY JERRY SULLIVAN, STAFF CORRESPONDENT DETROIT NEWS

TECUMSEH, July 13.—Now that historic Tecumseh has become a city, its people are expecting it to outgrow its reputation as a quaint little town.

In a recent special election the people of Tecumseh voted to become a city rather than a village. The vote was 618 to 453.

The election climaxed a boom which has seen Tecumseh more than double its size—from 2,500 to about 5,500 people—in 15 years.

MAKE REFRIGERATORS

Fifteen years ago Tecumseh was a wayside village in Lenawee County noted for only one thing. Its St. Peter's Episcopal Church was said to be the oldest Episcopal church west of the Allegheny Mountains.

Today the pillared church still stands sedately on a pine-topped hill, but Tecumseh has grown far beyond it.

Its largest factory, Tecumseh Products Co., employs over 3,500 men from hereabouts to manufacture the insides of refrigerators.

"Our company wants to see this city grow," said Larry W. Larsen, sales manager. "Eventually we will need a city of 10,000 to 15,000 to supply us with workers."

SOME DRIVE 25 MILES

Larsen said he hoped that some of the workers idled by the Kaiser shutdown at Willow Run, would apply for jobs in Tecumseh.

"We already have several workers who drive here from Ypsilanti, about 25 miles away," he said.

Several things happened in the last 15 years to draw attention to Tecumseh. Most of them revolved around the late Henry Ford.

Mr. Ford bought an old mill and turned it into an automobile parts plant. He restored the mill wheel and made it run, although it never produced enough power for his factory which he powered with steam.

BECOMES BUTTON FACTORY

After Mr. Ford's death, the plant was sold and became a button factory. It is operated today by Universal Button Fastening & Button Co. of Detroit.

When Perry Hayden started his famous wheat project, again it was Henry Ford who got behind the idea.

Hayden took all the kernels of wheat that would fit in a cubic inch, planted the kernels in rows, gave one-tenth of the harvest to his church and used the rest for seed. He gave seed to others, who in turn were to give one-tenth of their harvest to their church.

Mr. Ford seized upon the idea and soon had planted thousands of acres of his land with wheat. The Perry Hayden project attracted nation-wide attention. But it outgrew itself and had to die.

Hayden still lives in Tecumseh, in ill health after a heart attack.

FRESH COAT OF PAINT

Henry Ford once had St. Peter's Church restored to its original colonial beauty. It continues today as a thriving parish with a new pastor, the Rev. Edward C. Dickin, formerly of Detroit.

Last week the church was getting a fresh coat of white paint. Visitors paused to read a sign which tells how it was founded in 1833. Among the original contributors were Andrew Jackson, Henry Clay, and Daniel Webster.

Recently some of the church's foundation timbers had to be replaced. The old timbers were of oak, hewn with a broad axe. Every quarter-hour electrically-amplified chimes peal from the church's high belfry.

BUILDING SWIMMING POOL

So it is that Tecumseh, established in 1824, is being modernized. There is a new $400,000 school and a new sewage disposal plant. A $60,000 swimming pool is under construction. Streets are being paved and septic tanks eliminated.

The campaign to make the village a city, begun five years ago by the Rev. Blair O. Bashore, Baptist minister, finally paid off at the election. So Tecumseh is on its way toward becoming a modern city.

Baldwin Resigns Commerce Post

Earl Baldwin announced his resignation as Chamber of Commerce president at a meeting of the board of directors Tuesday night. The resignation becomes effective immediately.

Former vice-president Clarence Beach was unanimously voted to fill the vacancy.

Ed Boss is treasurer and Miss Shirley Van Hook is full time secretary and office girl.

Other members of the board of directors are Bob Moore, Ray Herrick, Don Nixon, Harold Easton, Glenn Kohler, and Miss Marjorie Wickwire.

Members of the board also discussed their obligation to the Charter Commission and the future of Tecumseh as a home rule city. They outlined plans for promoting retail trade after the new highway and business street is resurfaced and open to traffic in the early fall.

The Joyce Andrews swimming pool and other civic projects were discussed. An invitation was read from the Tecumseh, Ont., Chamber of Commerce to have a local baseball team play there. Harold Easton was named to make arrangements.

* * *

R. H. MOORE HEADS CHARTER GROUP

R. H. "Bob" Moore was named chairman of the charter commission at the group's second meeting Tuesday night.

James Beardsley is vice-chairman and Glenn Driscoll, secretary-treasurer.

The entire elected group of nine have been on hand for both meetings which emphasized organization.

Meetings continue each Tuesday until a charter is written. The public is welcome to attend. Meetings start at 7:30 p.m. in the council chambers.

DRUNK DRIVER

A Jonesville man, Orville D. Supernand, was arrested by policemen Saturday night after hitting a telephone pole on W. Kilbuck. He pleaded guilty to charges of drunken driving and was fined $75 and given a suspended sentence of 15 days. His companion in the car, Walter Moros, Tecumseh, was fined $15 for being drunk. Albert Radant, Tecumseh, was also arrested this week for being drunk and fined $15.

* * *

APPRECIATION DAYS

Interest continues to draw large turnouts to Tecumseh's Saturday night Appreciation Days. Awards last week went to Mrs. Mamie Henson, Don L. Yoder, George Meads, Edith Hinkley, Mrs. E. C. Honeycutt, Geraldine Drouillard, E. E. Davis, Nita Dickinson, T. J. Ireland, Saline, Mrs. Burt Lanning, Mrs. C. C. Keil, Tipton, and Otto Thiel.

Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

SCHOOL BOARDS AND SCHOOL DISTRICTS—As we watched Tecumseh's school board in action during its annual meeting Monday night, we shudder at the thought, or rather two thoughts, that so few people know so very little about their own school boards; and that Michigan, as a state, is so illogically organized in a mass of mis-arranged school districts.

The former is so utterly appalling—to think that taxpaying citizens know nothing more, except what they read in the newspapers, of school operation, and they further show no interest. It's one of those things you almost give-up on with disgust, but that editorial torch, which never burns out no matter how lost the cause may seem, takes up a crusade here with public appeal for Tecumseh to set some kind of example by taking their own school business seriously to heart in future years.

No need to mention here the few people who voted for the two board posts, nor the few who turned out in the high school cafeteria to hear how extremely well the local schools operated during the past year, for our only purpose is forsight; let hindsight go hang, The Herald asks each parent, each taxpayer, each citizen to quit taking their schools for granted and in the future give more than a second thought to THE most important cog in the American way of life—public education.

Then there's the matter of Michigan's ridiculous lack of system of school district boundaries, so illogical and indefensible in terms of current community activities. It is not quite as bad here as in some localities, but after reviewing the state layout, we must pass on this jumbled condition as a number of state problems.

Roughly a school district is an area with prescribed boundaries, within which boys and girls of legal school age are educated. It is governed by a school board which is a non-political elected body that directs the expenditures, revenues and general administration of the schools.

Michigan has far too many school districts and too many ineffective school programs. This state needs fewer but better districts, fewer boards of education and better school business. Imagine, there are 4,841 school districts in this state! Ridiculous of course. Originally, the size of a school district was largely determined by the distance a young child could walk to a one-room center for school activities. Today, 1953, offices, churches, and stores may be several miles from the home without inconvenience, but the primitive boundaries of the school district remain unchanged. They are boundaries daily ignored for all sorts of modern education, though they are, editorially speaking, and that's why we are spending so much time and space on this matter, A BAR TO MORE AND BETTER EDUCATIONAL ADVANTAGES FOR MICHIGAN'S CHILDREN.

The basic minimum requirements for a sound and practicable unit of school administration are (1) enough pupils to make it possible to maintain a well-balanced program of education from the kindergarten through the twelfth grade at a reasonable cost per pupil; (2) enough taxable wealth to assure fiscal competency and stability through a sufficiently large and reasonably equalized valuation behind each pupil; and (3) school district boundaries that conform to community ties and community interests.

Ninety-five per cent of the present school districts do not today come up to these three measures, mostly not a single one.

Here are some facts from the past year of operating Michigan's schools.

- 2,578 school districts educate 64,004 children in one room school buildings—and 408 other districts educate more than 26,000 in two and three room buildings.
- 55 school buildings, housing 4,782 pupils for all or part of their school day, have no toilet facilities.
- 1,206 school buildings, housing 31,443 pupils for all or part of their school day, have only outdoor toilet facilities.
- 113 school buildings, housing 4,533 pupils for all or part of their school day, have no water available on the school grounds.
- 956 school districts in Michigan have closed their school buildings for teaching purposes and are transporting their children to other districts. Unfortunately these districts have not yet been consolidated with or annexed to other districts to form administrative units of sufficient size and strength to provide a complete school program on a community basis.

All these problems are not yours and mine personally, but as the most important parts of a huge system, it is up to us to act. Unfortunately there is no quick and easy formula for attaining all the goals desired for the early improvement of the administrative pattern of Michigan's schools. It does seem obvious, however, that the two focal points on which attention must first be directed are

(1) legislation which will provide a simple and logical procedure for transforming the numerous small, inadequate school districts of Michigan into districts of sufficient size and resources that they will be able to establish and support good schools, and

(2) such alteration of the present program of financial support as may be required to reward rather than penalize progress toward a more sensible and more effective form of school administrative unit.

Is That So !

By Miss Clara Waldron

Meet our English Globe Trotters, Mrs. Ralph Sager and Mrs. George Derby. Not only do they have a common country but their husbands were in the war together and now are business partners.

Edna Hammond Sager lived in Dover, in the shadow of the "white cliffs" and so of course she was an evacuee during most of the war, forced to leave her home and most of her belongings and move to the interior of the island. When it was all over she returned for a short time to find ruin and desolation, every building had been damaged and many completely reduced to rubble. It was while she was living in Watford, where her family had been sent (she is one of seven children) that she met Ralph Sager and married him in April of 1944. The Sagers have been citizens of Tecumseh since only last October, coming here from Rockford, Ill. Through the Derbys, they found welcome and friends in the Globe Trotters club.

Jeane Simpson Derby is blond, quiet, well-poised and as typically English as her name. She considers her background as rural although her family are not of farming stock. Her father, a member of the police force, was transferred from one rural area to another, much as are our state police, so she and her four brothers and sisters grew up over much of England. They were living at Bedfordshire when her sister brought home some lonely American boys from a nearby air base, for a bit of English hospitality. One of them was George Derby. That was in August 1943 and in December they were married in the local church. It was Church of England and of course, very ritualistic, so bans were called for three Sundays in advance. As this was the first "international" war marriage to take place there, Jeane almost expected someone to rise up with a "reason why this marriage" should not take place. But nothing happened to prevent and as a further expression of good will the rector refused to accept a fee from the bridegroom.

George was sent home in 1945 and in 1946 Mrs. Derby and their four months old daughter joined him in Tecumseh. That daughter is seven now and there is a boy of six also. "How does she like America?" Oh, very much "of course." But there is a reservation back of her words and later it comes out. America has creature comforts, yes, but central heat, electric gadgets and a new car every year do not make a perfect world. She finds social and moral values different than "at home." There is less stability and less social life as a family unit. And yet these English girls know that part of these things are merely symptoms of a world-wide change and that Americans are not happy about them either. They also know that "home" is no longer what they remember it to be. Mrs. Derby has no wish to go back, even for a visit. Just now she is getting a first hand picture of what change has done to her country from her parents. They are here for a three months visit.

Mr. and Mrs. Kenneth Simpson (Mr. Simpson is now a retired superintendent of police) came May 7th and will be with their daughter for three months. Their trip was arranged by an organization known as the War Bride's Parents association, a branch of the Cosmopolitan Club, which takes care of the red tape and all the details of such international reunions. Alert and observant, they are learning about their daughter's new home land, and they are glad she is here.

. . . Local Happenings . . .

Miss Marjorie Boyce came Saturday from St. Clair Shores to spend two weeks at the home of her mother, Mrs. Alta Boyce.

The Rev. and Mrs. Edward Escolme left Wednesday to spend a few days in Cleveland with their daughter and husband, Mr. and Mrs. Donald Johnson. Mr. and Mrs. Johnson landed in New York Saturday after a trip to England where they visited relatives for three weeks.

Mr. and Mrs. Orin Beevers, accompanied by Mrs. Ida Miller of Britton, attended a district meeting of the Past Presidents of the Rebekahs at Temperance, Sunday. The meeting was held in a park near the town with a picnic dinner at one o'clock.

Mr. and Mrs. William Custer spent the weekend in Dundee and Monroe.

Dewey E. Mahrle of Detroit spent the weekend with his cousins, Mr. and Mrs. Leo Smith and attended the Mahrle reunion in Clinton, Sunday.

Mr. and Mrs. Earl Wood of Brooklyn recently entertained 21 relatives at their farm home for the Wood reunion. Guests came from Detroit, Des Moines, Louisville and Owensboro.

Patty Smith of Adrian is spending two weeks with her grandparents, Mr. and Mrs. Leo Smith at their farm home on Occidental Road.

Mr. and Mrs. Lawrence Blum spent the first of the week in Chicago, Nappanee and Westville, Indiana, visiting friends and relatives.

Sharon Reis of Ridgeway, Julia Boyce and Lois Wilt of Tecumseh returned Monday from a week at the Michigan Synod Camp of the Presbyterian church near Greenville. Marie and Ruth Boyce left for the camp the same day.

VFW Swells Pool Fund With $250

Members of the Hall-Slater Veterans of Foreign Wars post voted $250 to the Joyce Andrews Memorial swimming pool at their regular July meeting last week.

The VFW has continuous meetings the year around with no summer recess, commander Harlon Boyes said. A number of members have purchased the official summer suntan cap in place of the winter OD hat.

Boyes reported a very satisfactory return from the recent carnival sponsored by the VFW.

Ousterhouts Mark 25th Anniversary

Mr. and Mrs. Bert Ousterhout, who were married at the Tecumseh Presbyterian church, July 12, 1928, celebrated the silver anniversary of that event with a buffet dinner at the Country Club at five o'clock Sunday afternoon. The club rooms were beautifully decorated with baskets and hampers of flowers, the center of interest being an arrangement of silver bells intertwined with silver eucalyptus foliage suspended from the central chandelier, while the mantle was banked with pink roses and silver foliage, flanked by tiered candelabra.

Mr. and Mrs. Ousterhout were assisted in receiving their more than two hundred guests by Mr. and Mrs. Clark Rathbun and Mr. and Mrs. Kenneth Hall, while Mrs. Kenneth Raymond and Mrs. John Hewlett presided over the rose decorated punch table and Mrs. Harold Wilson and Mrs. Marion Alderdyce served the dessert from a table flounced with white and silver and decorated with maiden hair fern.

After the dinner, which was served at tables on the lawn, the guests returned to the club house where a wedding setting had been arranged with hampers of peach gladioli and majestic daisies and silver candelabra. Here a replica of the wedding party was enacted using the original costumes of twenty-five years ago. The bride in knee length satin gown with its exaggerated waist line, was impersonated by Mrs. David Faling while David Ousterhout wore his father's 1928 tuxedo. The costume of the maid of honor, originally worn by Mrs. Kenneth Hall, was modeled by Miss Barbara Ousterhout while Mrs. Gaylon Ford's (Geraldine Gillespie) bridesmaid's gown and that of her sister Francis, (Mrs. Clark Rathbun) were worn respectively by Miss Marilyn Wood of Clark lake and by Miss Brenda Porter. Even the gowns worn by the mothers of the bride and groom had been preserved and were modeled by Phyllis Gilelspie and Linda Sisson. In marked contrast to the skimpy draperies of the dresses of the period were the almost ponderous shower and arm bouquets carried by the bride and her attendants and which had been reproduced by Mrs. Ousterhout. A descriptive commentary of the ceremonies was given by Mrs. Orville Laidlaw and Mrs. Glenn Driscoll played the wedding march.

Following the processional of the models, they were met by the original members of the wedding party, all but three of whom were present, and the contrast provided, aroused much amusement among the guests.

Out-of-town guests included Mr. and Mrs. George Wilson, Gaylord; Mr. and Mrs. Wendell Cleveland, Lansing; Mr. and Mrs. Edward Wangbichler, Torch Lake; Mr. and Mrs. John Marks, Inkster; Mr. and Mrs. Homer Price, Mr. and Mrs. Gayle Stewart, Mr. and Mrs. Gerald Rotterdam, Mr. and Mrs. Edward Stout, Mrs. Marie Palmer and Mrs. Amanda Tuttle, all of Toledo; Mr. and Mrs. Ben Sovey, Ypsilanti; Mr. and Mrs. Clifford Raymond and Mr. and Mrs. Robert Sack, Adrian.

Tecumseh BOOK SHELVES Library

"The Amazing Mr. Doolittle" by Quentin Reynolds, one of the library's new books, is one of the many written about the manifold phases of our recent war years. Yet it is more than just another war book for it is the biography of that Major Doolittle, who captured the imagination of the world by leading the first bombing raid over Japan. It is also a story of the development of air power and the part he played in that development.

"Ambassador's Wife" is an account of the experiences in various capitols of the world of the wife of an Italian member of the diplomatic corps of that country. Her name is Elisabetta Cerruti and she gives glimpses of many lands through Italian eyes.

"Wide Neighborhood" by Mary Breckinridge will have a familiar ring to all those who attended a recent meeting of the hospital auxiliary and heard the excellent review given by Mrs. Fred Dickinson of this book about a woman whose nursing experiences range from France in World War II to the mountain trails of our own south. She helped to develop public health nursing in the hinterland of Kentucky and to draw remote regions into one "neighborhood."

A new reference book for history students is "The Encyclopedia of American History" compiled by Richard Morris and arranged for ready reference through dates.

"Who dun it" fans will welcome the acquisition of two books by veteran mystery writers: "Death Has a Small World" by F. and R. Lockeridge and "Unknown Quantity" by Mignon Eberhardt and another by Richard Deming with the macabre title of "Tweak the Devil's Nose."

At the annual School Board meeting Monday evening Miss Ruth Harding, librarian, reported that the library now has on its shelves a total of 11,300 books, of which 648 are new, having been accessioned during the past year.

The total circulation in 1953, including both books and magazines, was 20,240 and there are 1809 cards in active use. 2,056 readers took advantage of the facilities of the library to enjoy its magazines and papers or to make use of its reference material. Fifty magazines are received by the library, of which twenty are by gift subscription.

Six hundred requests for reference assistance have been filled during the year, with fifty cases of help from the State Library, for books not available locally. Miss Harding has been assisted this year by Miss Patricia O'Brien, who graduated from Tecumseh high school in June. "Pat" has found the work so interesting that she hopes to begin a college course in library technique this fall.

ANNOUNCE ENGAGEMENT

Mr. and Mrs. Carleton S. Smith of South Bend, Ind. announce the engagement of their daughter, Gail Ann to Jack Charles Hadley, son of Mr. and Mrs. Frederick Hadley of 112 N. Pearl St.

Miss Smith attended Rollins College, Winter Park, Fla., where she was affiliated with the Phi Mu sorority. Mr. Hadley attended Adrian College and the University of Florida and graduated from Rollins College. He is now taking his basic training with the 33rd Armored Div. at Fort Knox, Ky.

The date of the wedding has been set as September 21.

Being frank is the road to unpopularity, unfortunately.

Malenkov is getting off to a fast start, in planes shot down.

Mr. and Mrs. Elmer Miller are announcing the engagement of their daughter Wilma Jean to Pvt. Ralph Klanke, son of Rev. and Mrs. Rudolph Klanke of Rt. 4 Adrian. Pvt. Klanke is stationed at Ft. Monmonth, N. J. The couple have selected July 18 as their wedding date.

Cpl. Robert Croll, son of Mr. and Mrs. Clay Croll was discharged recently from Ft. Sheridan, Ill. after spending a year in Baundholder, Germany as an artillery mechanic. He also was recreational director of his battery.

Ladies of the Bethel Baptist church and friends gathered at the E. H. DuBois home at a stork shower for Mrs. James Gephart Saturday evening. Games were played, and refreshments were served. The honored guest opened many lovely and useful gifts.

Miss Patricia Haines of Oxford is spending the next two weeks with her grandparents Rev. and Mrs. E. H. DuBois.

Mr. and Mrs. Walter Riley and children of Lansing are spending this week with Mr. and Mrs. Alfred Haystead.

Mr. and Mrs. Charles Fairbanks and daughters Charlynn, Rosalie and Natalie and Nina Crutchfield were Sunday dinner and supper guests of Mr. and Mrs. LaVern Underwood and daughter Adele of Detroit.

Mr. and Mrs. Maurice Gamboe and son Clyde and Mrs. Eardine Rankin left Monday for their home in Prescott, Arizona after being the guests of Mr. and Mrs. G. A. Abner since last Thursday and calling on relatives and friends. Recent callers in the Abner home were Mr. and Mrs. John Abner and daughters of Blissfield and Mrs. John Duvall and son Larry John of Ann Arbor. Mr. and Mrs. Duvall and children are moving to California to make their home.

Mr. and Mrs. Clay Croll and family were Sunday guests of Mr. and Mrs. Orson Scholten in Wayne.

Mr. and Mrs. Raynor Benedict attended a lawn party Sunday at the home of Mr. and Mrs. Jim Mitchell of Holloway for the supervisors of Lenawee county and their wives.

Mr. and Mrs. Andrew Crutchfield and sons Keith and Kirk visited Mr. and Mrs. Claud Crutchfield of Manchester Sunday.

Mrs. Anna Scott and son Wilbur and Joe O'Neil spent the weekend with Mr. and Mrs. Nick Grosser and family at Allenton. Caroline Scott returned home with them after spending the week in the Grosser home.

Recent guests, enjoying a picnic dinner at the George Squires home were Mr. and Mrs. Clark Wittog and children Janice and Denny, Mr. and Mrs. Henry Gesell and grandson Jay and Michael and Wayne Revard all of Detroit. Sunday guests of Mr. and Mrs. Squires were Mr. and Mrs. John Morris and Mr. and Mrs. Larry Revard and sons Michael, Wayne and Dean of Detroit.

Mrs. John Garcia and infant daughter Gloria Jean returned home Sunday from Herrick Memorial hospital.

o

The days are now getting longer faster in northern latitudes.

HOSPITAL Notes

While we are prone to think of Herrick Memorial as a strictly Tecumseh hospital, it has been, even from the beginning, essentially a community affair. Anyone who can recall its inception can remember the part Clinton, Britton and the other towns around us played in its beginning. That part is still important, in fact the addresses of its patients sound like a northeast Lenawee census. Consequently the doctors from those outlying towns are seen in its corridors every day.

These are known as the Associate Staff and include all physicians in the area who wish to belong and who have applied and been accepted. There are 16 in all; two honorary and 14 active of whom two are listed as junior active.

BIRTHS

July 7, to Mr. and Mrs. Albert VanDorn, Tipton, a daughter.

July 8, to Mr. and Mrs. Raymond Seitz, Tecumseh, a daughter.

July 9, to Mr. and Mrs. Marion Beaty, Tecumseh, a daughter.

July 9, to Mr. and Mrs. L. Elwood Bush, Tecumseh, a son.

July 9, to Mr. and Mrs. Lee Walden, Clinton, a son.

July 10, to Mr. and Mrs. Gladwin Spohr, Britton, a daughter.

July 12, to Mr. and Mrs. Ronald Maschino, Britton, a daughter.

July 12, to Mr. and Mrs. Herman Happel, Saline, a daughter.

DISMISSALS

July 7, Gerry Green, Tecumseh and John East, Ridgeway.

July 8, Mrs. George Halberstadt, Mrs. Arthur Hare, Mrs. Robert Ostrander and baby and Keith Kilbourn, Tecumseh, Mrs. Lawrence Church and baby, Tipton, and Mrs. Alden Mahrle and baby, Brooklyn.

July 9, E. Clair VanVleet, Onsted; Guy Collins, Clinton; Mrs. Albert VanDorn and baby, Tipton, and Mrs. Arnold Reis and baby and Russell Jennings of Tecumseh.

July 10, Mrs. Robert Sherman and baby, Adrian; Mrs. Glenn Crittenden, Saline; Mrs. Maynard Lucas, Tecumseh; and Charles Kane of Clinton.

July 11, Mrs. Bernard Bishop and baby, Ridgeway; Mrs. Raymond Platt, Tipton and David Higgins, Mrs. Neil Hoffman and baby, Mrs. Donald Clark and baby, and Timme Rodgers all of Tecumseh.

o

FORMER RESIDENTS OF ILLINOIS HOLD REUNION

Seventy former residents of the state of Illinois who now live in this area attended the reunion picnic of their organization Sunday at the Recreation park at Britton. After a cooperative chicken dinner at 12:30 the president, Carl Thompson called the meeting to order and the following officers were elected for the ensuing year: President, Clyde Brown, Britton; vice president, Luther Wood, Tecumseh; secretary-treasurer, Mrs. Luther Wood; and program chairman, E. D. Colthurst.

The speaker of the day was Rep. Rollo Conlin, whose topic was "Funds and Taxes," a talk both interesting and instructive.

This gathering has been an annual affair for twenty-five years and will convene next year at the same place on the same date.

o

JAMES R. MILLER BURIED FRIDAY

Funeral services for James R. Miller, 419 W. Cummins St., who died last Tuesday morning while at work at the Tecumseh Products Co., were held Friday afternoon at the Green Funeral Home. The Rev. B O. Bashore officiated and burial was in Brookside cemetery. Bearers were Harry, Charles and Jack Miller of Monroe, Robert Miller of Toledo, Roy Brosamer of Holloway and Raymond Brosamer of Birdsall, nephews of Mr. Miller.

o

GOODWILL PICK-UP

The local agent for Goodwill Industries announces that their truck will be in Tecumseh to collect usable household material Tuesday, July 28. Clothes, shoes, hats, toys, small appliances and furniture will be used to provide employment for the more than 330 physically handicapped men and women employed in the Goodwill workshop. A call to Mrs. Carl Burch, 288-W will bring the truck to your door.

o

Most people, when confronted with their favorite meal, make a spectacle of themselves.

SCOUT TROOP 73

Boy Scout troop 73 met at the Products Union hall Monday evening, 6:30, with Explorer advisor, Francis Packard in charge. Jerry Robinette led the Pledge of Allegiance, Eddie Rozelle the Scout Oath and Robert Dick the Scout Laws. Mr. Wyse of the Model Railroad Association gave a talk on the new railroading merit badge and displayed and demonstrated some of his models, after which there was a discussion of railroading, and Mr. Wyse instructed the group in working for this merit badge.

He will be present again next week with more information and instruction. The troop then divided into groups and worked on advancement ratings. Barry Packard led the Scoutmaster's Benediction in closing.

o

Locals and Personals

Mrs. H. H. Hanna and Mrs. O. W. Farver are spending this week at Tawas at the summer home of Mrs. Farver's cousin, Mrs. William F. Nelson.

Charles Anderson of Cleveland Bible College was a weekend guest of Miss Norma Comfort and her family, Mr. and Mrs. Russell Comfort.

Recent guests in the home of Mr. and Mrs. Frederick Hadley were Mr. Hadley's father, Charles F. Hadley of Fontana, Calif., who is visiting relatives in Michigan and Canada for several weeks; Alfred Veigal, Lenore, S. C., and Mr. Hadley's sister, Mrs. John Jorry of Toronto.

A Scrap of Paper

— — — that's fireproof

It's just a piece of ordinary paper. But there's something special about it that not even the tragedy of a burning home or business can destroy. For this is a North American Insurance p-o-l-i-c-y. What makes it proof against fire loss are the spirit and the principles that guide North American in settling claims.

Products, Farm-Merchants Sweep Sunday Baseball Doubleheader

Tecumseh's first Sunday diamond double-bill left a pair of victories right at home as the powerful Products nine stopped Sager's of Adrian 6 to 3 and the newly formed Tecumseh-Britton Farm Merchants outslugged Brooklyn 15 to 10.

In games this week, the Products goes against Dunbar-Borton, Adrian, tonight at Recreation field, 5:30, and then Friday they entertain Stubnitz-Green also of Adrian, at the same time on the local diamond.

Meanwhile the Farm Merchants journey to Brooklyn Sunday for a return match with the team they blasted Sunday here. It was a loosely played affair although both Don Schroeder and Mel Murphy shared some nifty pitching for the locals.

At the plate Murphy hit three-for-three while Benham, Cameron, and Waltz each banged out a pair. Cameron led the attack with a round tripper.

Fielding gem of the afternoon was a triple play in the first inning when Tilden of Brooklyn lined to Breitenwischer at second with the sacks full. After catching the fly he caught one runner off and then threw to third to retire the side.

The Farm Merchants have a young, hustling outfit, just organized and not yet in a league so manager Fred Long seeks additional games this summer. His phone is 1037J.

In the second game Sunday, Larry Hartman, Clinton, pitched one hit ball to give his Products mates a 6-3 edge over Sagers.

The locals garnered four safe blows, two by Dave Van Winkle, one each by Bill Benham and Ray Covell. The Products roster is rounded out by Jim Breitenwischer, Harry Marsh, John Sisson, Jerry Tomachek, and Gale Fisher.

Sagers	003 000 0	3	1	2
Products	010 401 x	6	4	1

Locals and Personals

Mr. and Mrs. Norman Bailey and son Dexter are vacationing this week at a lake near Angola, Ind. Jess Dexter, Mrs. Bailey's father, is temporarily operating the Bailey Shoe Service. He is from Coldwater.

Mr. and Mrs. Stanley Kruse have returned from a vacation in northern Michigan.

U.P.W. Sure Of Softball Title

United Products Workers were assured this week of the first half crown with a perfect 5-0 record in Tecumseh's Men's Softball League.

A part of the summer recreation program, the split schedule completes its first half this week with team standings as follow:

	W	L
United Products	5	0
Jokers	3	1
Dick's Service	3	2
Has Beens	1	2
Explorer Scouts	1	4
FFA	0	4

Games continue next week with the Jokers and Products, Has Beens and FFA clashing on Monday night, first game 7:00 second following.

On Wednesday Products and Explorer Scouts cross bats at 7 p.m., Dick's Service tangles with the Jockers in the nightcap.

A round robin tournament winds-up the schedule beginning Aug. 12.

Annual Report

(Continued from page 1)

During November and December when the Public Schools were in dire circumstances due to the fact that state funds owed the schools were not forthcoming, Tresco gave $20,000.00 towards equipment for the new additions and Patterson school. This money tided us over a bad situation and will be set aside for its original intent. Many thanks to Tresco.

I have enjoyed being your superintendent during this interesting and busy year. I appreciate greatly the privilege of working with such an outstandingly progressive Board of Education. I wish also to express my deep appreciation to the staff and the community for their cooperation and help in all school projects.

Playoff Decides Golf Tournament

LOCAL PLAYERS DOWN ADRIAN OVER WEEKEND

Figuring points on the basis of winning one for each nine holes in an 18 hole handicap tournament played here this past weekend, and a third for low total score, the local golf club delegation defeated Adrian 46-35. It revenged an earlier defeat on the Adrian course 48-33.

But Sunday's triumph at Tecumseh Country Club took a sudden death playoff between the two club presidents to decide the match.

Joe Rohweder and Joe Hyrons went into the playoff with an even 5-5 on the first hole. Then on the second, Rohweder drove 270 yards and his second shot put him in front of the green. When a third put him within inches of the cup, Hyrons conceded the match.

Local golfers turned in the following low gross scores during the tournament:

Tommy Rohweder	78
Frank Rice	81
Kirk Smith	81
Herb Dillon	85
Virgil Tucker	99
Dick Eggleston	86
Bill Hanna	95
Chas. Stevenson	101
K. Luke	91
Bobby Robison	96
Al Merz	94
Jim McDowell	84
Hal Kelso	92
Richard Haight	87
Vince Haight	91
Frank Saxton	97
Vic Lawson	91
R. D. Moore Jr.	87
Willis Porter	84
Bob Bowers	94
R. H. Moore Sr.	85
C. O. Butler	84
Frank Smith	83
Joe Rohweder	96
Ted Piehl	108
Bill MacBeth	96
Ned Rosacrans	84
Chuck Newell	84

Local professional Leo Bishop said qualifying rounds in three flights will start this weekend for the annual club championship. Jim Wilson is defending champion, Kirk Smith, runner-up.

Official Tecumseh Population 5,414

How many times have you been asked by visitors, how big is Tecumseh? And you've probably answered anywhere from four to six thousand.

Tecumseh's official census population, when it becomes a city will be 5,414.

Quite a growth from the former village population of 4,020.

Tecumseh township, outside the incorporated city, now has a population of 511. The total of the two is now 5,925, an increase of 822 over the 1950 township and village total population of 5,103.

Figures for the pre-election census were taken by the following: Mrs. Herschel King, Mrs. Harvey Wilson, Mrs. Ellis Honeycutt, Miss Ruby Preston, Mrs. Harold Hall, Mrs. Waldo Mohr, Miss Mary McWilliams and Mrs. Duane Service.

LOCALS

The Misses Lillian Cannon, Edith Ingersoll, Mary Whitelock and Ethlyn Garlinghouse were in Jackson Thursday afternoon and evening.

Mrs. Faye Whelan has left by air for the west coast in company with her son Sgt. Jack Whelan, who is to report to a coastal air base by July 24. Sgt. Whelan, who has been stationed for some time at Sampson Air Force Base in New York state expects to be sent to the Far East, probably to Japan.

Mr. and Mrs. Percy Bowen spent Saturday and Sunday in Detroit with his brother Ralph Bowen.

Mr. and Mrs. Edward Boss returned Sunday evening from two weeks at Old Trail Inn in Emmett county near Harbor Springs. On the way home they stopped to visit Mrs. Boss's brother and family who are spending the summer at Oscoda.

Mr. and Mrs. Jens Touborg, Margaret and Nicky have left for Washington state where they will spend several weeks along the Pacific coast.

Mrs. Wesley Luchardt and family of Ann Arbor were guests Sunday of her daughter Mrs. Ralph Peotter and Mr. Peotter and family.

Richard Cobb has been visiting his grandmother Mrs. Ray Herrick at Macatawa on Lake Michigan. They will be joined Thursday by his parents, Mr. and Mrs. Donald Cobb and family.

Gary Hanna, son of Mr. and Mrs. Robert Hanna is spending a month at Camp Birkett on Big Silver Lake near Pinckney.

Mr. and Mrs. Charles Newell have moved to their new home on Inner Drive, Herrick Park from Maumee St.

Miss Joan Breitenwischer had as a weekend guest Miss Marianne Jensen of Detroit.

Mr. and Mrs. Charles Haughn and family were on a vacation trip in northern Michigan last week.

Dr. and Mrs. Robert J. Bowers have returned from a week's vacation on Mackinac Island with his mother, Mrs. M. H. Bowers.

Macon

Mrs. Bernard Vershum of Portland, Oregon spent the weekend in the Vershum family home. Sunday callers were Mr. and Mrs. Richard Upell and family, Mr. and Mrs. Alfred Schwede and family and Forest Abner and children of Tecumseh.

Mrs. Donald Beck is a surgical patient in St. Joseph hospital, Ann Arbor.

The annual Sunday School picnic was held Wednesday evening at the church. Following a cooperative supper, games and contests were enjoyed.

Recent callers in the Carrie Payne home were Mrs. Mabel Covert, Mrs. Edith Hart, Mrs. Inez Haplin and Mrs. Franklin Blanchard of Flint.

Mr. and Mrs. Wade Scudder were in Detroit Friday to attend the Ringling Brothers circus.

The Rev. H. Vaughn Whited recently installed the officers of the Macon Youth Fellowship. Charles Gorton Jr. is president; Bill Gorton, vice president; Geraldine Beck, secretary; Karen Swanston, Truman and Lenora Jordan, Janet Crittenden, heads of new commissions. Twenty youths attended the Sunday evening meeting. Ten of them plan to go to the Judson Collins summer camp the last week in July.

Mr. and Mrs. Bert Bruder, Mr. and Mrs. Hamilton F. Moore and sons and David Bruder of Lansing attended the Illinois reunion held in the Britton recreation park Sunday. They later attended the Ringling Brothers circus in Detroit.

The Macon Community Club will meet with Mr. and Mrs. Ralph Halladay July 21, 8 p.m. Everyone is to bring homemade cookies, and ice cream will be furnished.

Mrs. Ronald Pilbeam returned home from the University hospital, Ann Arbor, Monday after being a patient there for four weeks.

Mrs. Ray Gilmore entertained the W. S. C. S. Thursday. Following a picnic dinner, Mrs. Raynor Scudder led the devotions and the president, Mrs. Wade Scudder conducted the business meeting. Final plans were discussed for the seminar to be held July 23. It was decided to have the annual church fair and supper Friday, October 9, the chairmen to be announced later. Mrs. Charles Gorton presented an interesting program on Methodist Youth Fellowship. She also reported on what the youth of Macon have been doing.

Jimmy and Tommie Gurk of Ann Arbor have been spending several days with Mr. and Mrs. Kenneth Ernst.

Mrs. A. Gilbert White left Tuesday from Willow Run for her home in Kingston, Jamaica, B.W.I. after a three weeks visit with her brother S. P. Hasted and family. Mrs. Hasted and Mrs. White spent several days in Detroit, guests of Mr. and Mrs. E. E. Beatty.

Mr. and Mrs. Robert Dunny have returned from Norfolk, Va., after spending a week in the home of his sister and husband.

Locals and Personals

Mr. and Mrs. O. W. Laidlaw entertained a family group in observance of the imminent departure of their son Dr. Robert Laidlaw, who left later for Montgomery, Ala. Dr. Laidlaw will be at Gunder Air Force Base for several weeks and will then go to California from where he expects to be sent to the Far East. Mr. and Mrs. David Laidlaw and two of their children were present from Milford, Dr. and Mrs. Robert Laidlaw and two children and Mrs. Robert Laidlaw's mother, Mrs. Anthony Kutis, who is here from West Va. for several weeks visit.

Mrs. George M. Dorr and David Dorr of Grass Lake, Mrs. Harold Fox and son Richard, Ann Arbor, Mrs. J. D. Hause, Clinton and Miss Mary McWilliams were dinner guests Thursday of Mr. and Mrs. Charles Allen.

Mr. and Mrs. Carleton Stretch and family spent Sunday in Ann Arbor.

Mr. and Mrs. Richard Butler have entertained Mrs. Butler's mother Mrs. Beach of Rye, N. Y. during this past week.

Mrs. Flora Wood of Adrian spent the weekend with her son and wife Mr. and Mrs. Luther Wood, and attended the Illinois picnic at Britton, Sunday.

Mr. and Mrs. David Polaskey of Detroit and Lynne K. Lindsley of Clinton visited Mr. and Mrs. Charles Allen, Sunday.

Mr. and Mrs. R. J. McCoy have moved to their cottage at Vineyard Lake for the summer.

Cards Of Thanks

I wish to thank my many, many friends and neighbors, the Macon W. S. C. S. and the Tecumseh Grange for the lovely cards, flowers and gifts I received during my stay at both Herrick Memorial and the University of Michigan hospitals. I especially wish to thank all those who rendered services in any way while I was in the hospital and since my return home. Everything was deeply appreciated. Mrs. Ronald Pilbeam.

We wish to thank all our friends and relatives for their help and sympathy shown us during the bereavement and loss of our husband and father. Especially do we thank Rev. B. O. Bashore for his comforting words, Green's Funeral Home, Mr. R. W. Herrick, the United Products Workers, the Welding Department, and De-Rust Room and the Rosary Altar Society, for all the beautiful floral tributes, and for donations of cars. Mrs. James Miller, Mr. and Mrs. Francis J. Miller and family.

MRS. FRANK GRAY DIES SUDDENLY

Mrs. Frank Gray, who has been in failing health for several years, died suddenly at her home, 115 S. Pearl street Monday morning. The former Velma DeBoice, ing. The former Velma DuBois, she was born in Britton in 1905 but had lived in Tecumseh most of her adult life.

Mrs. Gray was a member of the Pythian Sisters of which organization she was a Past Chief.

She is survived by her husband, Frank; one daughter, Joyce; a sister, Mrs. Betty Fuller, Waltz, Mich., and a brother Vance DuBois, Toledo.

Services for Mrs. Gray were held at the Green Funeral Home, Wednesday, 2 p.m. with the Rev. Ronald Brunger officiating, and burial was in Brookside cemetery.

BUTLER MOTOR SALES

Phone 289 135 W. Chicago Blvd.

OUR REPUTATION RIDES WITH EVERY USED CAR AND TRUCK WE SELL!

Like Christmas in July!

You'll know right quick what we mean by that headline when you learn what your dollars buy in this great new 1953 Buick Special.

You get a lot more room than the same money buys elsewhere—real, man-sized, six-passenger room.

You get power—flash-fast Fireball 8 power—the highest horsepower and compression ratio ever put in a Buick Special.

You get a ride that's big-car soft and steady and level — the Buick Million Dollar Ride of all-coil springing, torque-tube drive, X-braced framing.

You get wonderful handling, luxurious interiors, superb visibility —plus a long list of "extras" that don't cost you extra.

And those "extras" alone, at no extra cost, are like a welcome Christmas bonus. Direction signals, twin sunshades, lighter, trip mileage indicator, automatic glove box light, dual map lights, oil-bath air cleaner, full-flow oil filter, vacuum pump, bumper guards front and rear—they're all yours in this Buick at not a penny extra.

So — how about looking into the good cheer to be had here?

How about visiting us this week for a thorough sampling of the greatest Buick value in 50 great years?

Only $2217.88* buys a BUICK

—the new 1953 Buick Special 2-Door, 6-Passenger Sedan Model 48D, illustrated, DELIVERED LOCALLY.

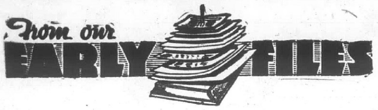
TECUMSEH MICHIGAN



From our EARLY FILES

1883

S. W. Temple's new planing mill is ready for the roof.

A new directory of Tecumseh is being compiled.

Ed Brighton of Brooklyn has set out 200 shade trees along the highway and his road tax has been remitted.

The raspberry crop is very scant.

The hay crop here is unusually heavy.

Heck Bros. new roller mill has been completed at a cost of over $15,000.

1893

The Central Hotel has been redecorated and thoroughly refurnished and is now open to the public with George Teachout as proprietor.

John J. Orr had his watch and chain stolen while in Adrian for the circus last week.

Six cyclists, three from Canada and three from Mt. Clemens arrived Friday enroute to the World's Fair in Chicago.

The new flour mill of Groger and Sichner at Onsted is completed and has a capacity of 25 barrels a day.

Over 100 Italians have arrived in Tecumseh to begin work on the T. & M. R.R.

The telephone office is being moved to Kirchgessner's store.

Married, July 10, Mary Morrison of Tecumseh and William E. Warner of Saginaw.

1903

Clinton is being lighted by kerosene. Whole new boilers are being installed at the electric plant.

Born, July 10, to Mr. and Mrs. John Underwood of Britton, a daughter.

The new Clinton postoffice is completed. H. C. Lindsley is general postmaster.

W. C. Van Antwerp is moving his harness shop next to Holdway's barber shop.

Sadie Lowry is the new stenographer in F. B. Wood's law office.

The Clinton band has reorganized with 12 members under the direction of James Riley.

1913

Moore Bros. have purchased the old Exchange Hotel building for a warehouse.

The school in the Lindsley district will be closed the coming year because of so few pupils.

A special election will be called here to vote on bonding the district for $50,000 to build a new high school building.

Living With Peace Of Mind

By KIRBY PAGE

Read these words of Holy Scripture as if you had never heard of the ideas before. Seek fresh meanings for your own life this day:

"If you then, who are evil, know how to give good gifts to your children, how much more will your Father who is in heaven give good things to those who ask him? . . . for He makes his sun rise on the evil and on the good, and sends rain on the just and on the unjust."

What difference does all this make to you?

"The Lord is righteous in all His ways,
And gracious in all His works.
The Lord is near to all who call upon Him,
To all who call upon Him sincerely."

"In the same way the Spirit helps us in our weakness, for we do not know how to pray as we should, but the Spirit itself pleads for us with inexpressible yearnings . . . We know that in everything God works with those who love Him . . . in all these things we are more than victorious through him who loved us."

Build your life today upon the foundation of these truths.

"Every beneficent gift and every perfect present is from above; it descends from the Father of lights, with whom no variation occurs nor shadow cast by turning."

"And my God, out of the greatness of his wealth will, in glory, fully satisfy your every need, through your union with Christ Jesus."

"Ask, and it will be given you; seek, and you will find; knock, and it will be opened to you."

So we also must learn to say: "I know how to be abased, and I know how to abound; in any and all circumstances I have learned the secret of facing plenty and hunger, abundance and want. I can do all things in Him who strengthens me."

———o———

Locals and Personals

Mr. and Mrs. Orville Laidlaw left today for Burt lake at Indian River in northern Michigan where they will spend a few days with Mr. and Mrs. James McDowell at their summer cottage.

Mr. and Mrs. Charles Bancroft of Cleveland spent the weekend with his mother, Mrs. George Bancroft.

Who likes to cook during hot summer weather?

I don't imagine there are many ladies that like cooking on a hot summer day. But I can show you plenty of homemakers who find summer cooking easier and much more pleasant since they started using an automatic gas range. And, they learned about the advantages of a modern gas range the same way you are right now.

They read all about the new easier, faster cooking features such as spacious ovens, smokeless broiling, accurate top burner controls, convenient electric outlets, smart styling, and easy-to-clean porcelain finishes. But what really sold them was the automatic clock controls that enabled them to bake and roast complete dinners automatically. They could relax or take it easy while cooking chores were taken care of with hardly any work at all.

Why don't you stop in at your gas range dealers store and see these new gas ranges. You'll be amazed when you learn how easy it is to own and enjoy one in your home. Get the facts! Don't wait. See them today.

Your Gas Appliance Dealer...
will be glad to show you these new automatic ranges. They ***cost less to buy, less to use,*** and ***less to install*** than any other automatic range on the market today.

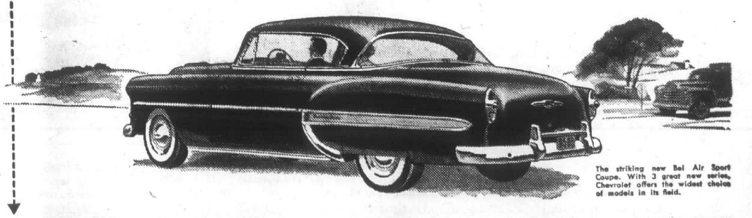
In all these important ways...

Chevrolet's
farther ahead
than ever!



The striking new Bel Air Sport Coupe. With 3 great new series, Chevrolet offers the widest choice of models in its field.

. . . IN POWER AND PERFORMANCE

Chevrolet's entirely new 115-h.p. "Blue-Flame" engine (teamed with Powerglide*) is the most powerful in the low-price field! In gearshift models, you get the advanced 108-h.p. "Thrift-King" engine. Both give brilliant new performance and greater economy.

. . . IN STYLE AND LUXURY

The sleek, low-slung beauty of this fine new car provides one more reason for Chevrolet's truly amazing popularity. The new Fisher Body provides roomy luxurious interiors, modern appointments and colorful, fine-fabric upholstery that can be matched only in costlier cars.

. . . IN EASE OF DRIVING

Entirely new Powerglide automatic transmission, with faster getaway and greater economy, eliminates the clutch pedal completely. And Chevrolet's new Power Steering* does 80% of the work . . . lets you squeeze in or out of tight spaces with wonderful new ease.

. . . IN ECONOMY AND VALUE

Chevrolet now brings you *the most important gain in gasoline economy in its history!* And, you save substantial amounts on overall upkeep, too. Yet with all its wonderful new things, Chevrolet remains *the lowest priced line in the low-price field!*

. . . IN FIRST PLACE POPULARITY

Again this year—as in every single postwar year—more people are buying Chevrolets than any other car. In fact, latest official registration figures show Chevrolet over 25% ahead of the second-place car. Nearly 2 million more people now drive Chevrolets than any other make.

**Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models only. Power Steering is available on all models.*

MORE PEOPLE BUY CHEVROLETS CHEVROLET THAN ANY OTHER CAR!

. . Council Proceedings . .

VILLAGE OF TECUMSEH COUNCIL MEETING

July 7, 1953

Present: President Campbell, Trustees McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Absent: None.

Minutes of meeting held June 15, 1953 read and approved.

An itemized list of bills paid July 6, 1953 is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for period ending July 6, 1953, $12,954.27.

Moved and supported bills as read be approved and orders drawn up for the same.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale. Driscoll.

Nays: None.

Motion Rohweder and seconded by McCombs tentative approval was given for Re-Zoning area 150 feet north of Burt street from B to C, final action to be taken July 20, 1953 unless there is further objection.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Police report read and approved and ordered placed on file.

Engineer's report read. Motion McCombs and seconded Rohweder the Engineer be commended for the work done and the report placed on file.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported to grant permission to Frank Fairbanks at 203 N. Union St. to park a trailer in his backyard.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Village Council denied petition from residence on South Pearl street as the Village has no authority to prohibit the erection of a church.

A petition from property owners residing on West Kilbuck street between South Maiden Lane and South Pearl street for curb and gutter was read.

Motion Rohweder and seconded by McCombs to accept this petition and the same to be given to the Village Engineer for scheduling in 1954.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

The following resolution was read and discussed, and then tabled until next meeting.

RESOLUTION

The following preamble and ordinances were offered by Councilman Rohweder and supported by Councilman Driscoll.

WHEREAS ample side yard space and frontage being deemed a desirable objective for future homes in this Village;

NOW THEREFORE BE IT ORDAINED:

That Section 7.045, Village Compiled Ordinances be amended to read as follows: "LOCATION OF DWELLING." Every dwelling shall face or front upon a public street, or permanent easement of access to a public street other than an alley; and no dwelling shall be built upon a lot having a frontage of less than 60 feet upon a public street or upon a permanent easement of access to a public street. Such easement to have a width throughout of not less than 30 feet or not less than 10 feet for each lot fronting upon it, except that no width of easement greater than 60 feet shall be required hereby.

That Section 7.105 be amended to read as follows: "MINIMUM WIDTH OF LOTS." No dwelling shall be built upon a lot not recorded at the time of passage of this Ordinance having a width at the front of less than 60 feet and fronting upon a public street, or upon a permanent unobstructed private easement of access to a public street, such easement to have a width throughout of not less than 30 feet and at the end thereof and at intermediate intervals of 500 feet a turn-around not less in width than 40 feet.

That new Section 7.132 be enacted: "LOT WIDTH." No dwelling shall be erected in the Residence A zone upon a lot having less than 80 feet frontage upon the street.

That new Section 7.109 be enacted: "MINIMUM SIDE YARD REQUIREMENTS." No garage or other building shall be erected or placed within 7 feet of the side lot line, PROVIDED HOWEVER, That this prohibition shall not apply to those lots upon which dwellings have been erected prior to the effective date of this Amendment; nor to those sub-divisions whose plats have been accepted prior to the effective date of this Amendment; nor to those lots upon which construction of a dwelling has commenced or regarding which an architect's plan has already been submitted to the Owner at the time of the effective date of this Amendment.

Moved and supported the Clerk be authorized to contract for Power and Lights at "Joyce Andrews Memorial Swimming Pool" from the Consumer Power Company.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Motion by Rohweder and seconded by McCombs to authorize the Village Engineer to contact Krieghoff Company asking for specification of Swimming Pool, a purchase order to be given on acceptance of plans and specifications.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported the Clerk be authorized to issue a purchase order to Krieghoff Company for $67,000.00 or less as per specification filed with the Village Engineer.

Ayes: McCombs, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

The following resolution was read and discussed and then tabled until the next meeting.

RESOLUTION

The following preamble and resolution was offered by Councilman Manwaring and supported by Councilman Driscoll.

WHEREAS uncertainty has existed among the citizens of the Village as to the period for which their taxes were assessed, and

WHEREAS it is desired that the Village establish a policy as to the period for which taxes are made payable.

NOW THEREFORE BE IT RESOLVED:

That it is the declared policy of this Village that taxes are payable in advance, viz: That taxes assessed and spread during the spring or summer of any given year cover the expenses of the Village for the year following that particular spring or summer.

President Campbell appointed the Finance Committee to review wage scale and report at the next meeting.

On motion meeting adjourned.

E. M. Campbell, President
Naomi R. Sallows, Clerk.

- - Local Happenings - -

Mr. and Mrs. James Barton and Mr. and Mrs. Charles Stephenson and their families returned Friday from a week's vacation stay at the Hiawatha Club at Engadine in the Upper Peninsula of Michigan.

Perry Satterthwaite, his daughter, Mrs. Kenneth Munson, and son Perry and the Munson children spent Sunday as guests of cousins, the Misses Wallin in Detroit.

Twelve girls, members of the Girl Scout Troop No. 9, Poppy Troop, with their leaders Mrs. Howard Truesdale and Mrs. L. H. Titley enjoyed three days outing at Evans lake last week. Those attending were Linda Baldwin, Harriett Blanden, Mary Colgrove, Jane Crawford, Peggy Robinett, Mary Seager, Kay Schultz, Alice Titley, Judy Truesdale, Jean Ann Wagner, Karen Walker, and Gail Lohrman. Phyllis Harrington of Monroe assisted the girls with swimming lessons.

Raynor Kerr, who has been seriously ill for the past week, is reported somewhat improved.

Miss Clara Waldron is back at her desk at The Herald office after nearly a month's visit with her brother and family, Mr. and Mrs. James Waldron of Burlingame, Calif. While there, she, with the Misses Beth and Geneva Satterthwaite, attended the graduation exercises of the University of California at Berkley, when Frederick Wood, son of Judge and Mrs. F. B. Wood reecived his degree of Ph. D. Both Judge Wood and his wife, the former Alice Satterthwaite are former residents of Tecumseh.

Mrs. Eugene Rosacrans has returned to her home in Santa Monica, Calif., after a months visit with her parents Mr. and Mrs. L. W. Kimball of Clinton and relatives and friends in Tecumseh.

Pvt. Wilfred Robert Waldron, who has been receiving his basic training at Camp Atterbury, Ind., with the 31st Infantry, "Dixie" Division, has been transferred to Fort Knox, Ky., for further training.

Mr. and Mrs. Charles Stephenson were hosts last week to Mr. and Mrs. Claude Bowden of Dallas, Texas. Mr. Stephenson and Mr. Bowden were buddies in World War II. They trained and went overseas together and were wounded by the same shell. This was their first meeting since they were demobilized. The Bowdens accompanied Mr. and Mrs. Stephenson to Camp Hiawatha for part of their visit.

Mr. and Mrs. Arthur Harris of Flint were Sunday guests of their son and family, Mr. and Mrs. Ronald Harris.

Mrs. Herbert Cleveland and Mr. and Mrs. Earldean Roe are attending weekly classes in first aid conducted by the Red Cross in Adrian. Mr. Roe, who has a diploma in medicine and surgery from the Naval School in Bainbridge, Md., will also take the instructors' course and will be qualified to teach first aid. His courses in Tecumseh, which will be sponsored by the Civil Air Patrol, will be open to the public. Further notice will be given at a latter date, but it is contemplated that they will be available in about two months.

Mr. and Mrs. Glenn VanDenbergh spent the weekend at Klinger lake with their daughter and family, Mr. and Mrs. Walter Sauer.

Mr. and Mrs. Robert Williamson and sons, Mike Hite and daughter Susie, Mr. and Mrs. Harold Hall and son Gary and C. R. Dustin left last week for Two Rivers, Wisc., where they are attending the National Field Archery tournament this week.

Pfc. Howard Atkinson returned home from Japan last Wedensday for a 25 day furlough with his parents Mr. and Mrs. Dillard Atkinson. Pfc. Atkinson expects to receive his discharge August 7.

Mrs. A. B. Daniels of Starkville, Miss., is visiting her daughter and family, Mr. and Mrs. Orville Bishop for six weeks.

Dean Ammer of Detroit is visiting his parents, Mr. and Mrs. J. P. Ammer for an indefinite time.

Miss Mary Tribolet of Lansing was a weekend guest of Mr. and Mrs. J. M. Artman. Mr. and Mrs. Artman and Miss Tribolet spent Sunday in Hillsdale with the formers' daughter and husband, Mr. and Mrs. Marcus Hayes and family.

James C. Beardsley and his brother Jack Beardsley of Bloomfield Hills enjoyed a canoe trip down the Manistee River near Cadillac from Wednesday until Sunday.

The Rev. and Mrs. Allan Ramsay and family of Trenton spent a few days this week with her parents, Mr. and Mrs. George Green Sr.

Arthur Voss was in Monroe Saturday where he spoke at the Adventist church.

Mr. and Mrs. Ervin Hubbell and Mr. and Mrs. Arthur Voss were in Jackson Sunday evening to see the Cascades.

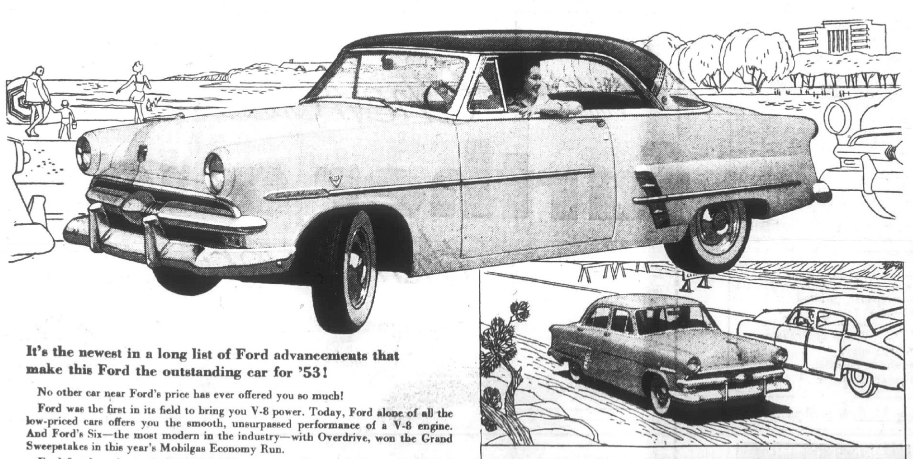
NOW!
Ford Master-Guide
the last word in
Power Steering!

"WHO NEEDS MUSCLES?"

Master-Guide applies hydraulic steering power automatically . . . and in varying degrees as required . . . right at the steering linkage, close to the wheels. At the same time the system serves as a hydraulic shock absorber to keep road jars and jolts from your hands. As a result all you do is . . . guide the car . . . Master-Guide supplies the muscles.



It's the newest in a long list of Ford advancements that make this Ford the outstanding car for '53!

No other car near Ford's price has ever offered you so much!

Ford was the first in its field to bring you V-8 power. Today, Ford alone of all the low-priced cars offers you the smooth, unsurpassed performance of a V-8 engine. And Ford's Six—the most modern in the industry—with Overdrive, won the Grand Sweepstakes in this year's Mobilgas Economy Run.

Ford first brought to the low-price field a completely automatic transmission that combines the smoothness of a torque convertor and the gas-saving "go" of automatic gears. Fordomatic remains the most versatile automatic you can buy.

Ford's new "ride" brings you road-hugging and bump-leveling qualities never before known in low-priced cars. Front end road shock *alone* has been reduced up to 80%.

Easier-acting suspended pedals. Center-Fill Fueling and Full-Circle Visibility are just a few of the many important advancements first introduced by Ford.

And now Ford brings you the newest and finest in power steering . . . Master-Guide, a system exclusive in Ford's field! It's no wonder, then, that Ford is the "Worth More" car . . . worth more when you buy it . . . worth more when you sell it.

HELPS YOU OUT OF "TIGHT SPOTS!" The tougher the going the *more* Master-Guide works for you. For example, if you go off the pavement onto a soft shoulder or a rough, rutted road, Master-Guide provides the muscles to keep you on a steady course. At the same time, Master-Guide absorbs the shock that might otherwise be transmitted to the steering wheel. You'll find *all* handling is easier with Master-Guide and that parking requires only one-fourth the normal effort. Should Master-Guide ever lose its power, the standard steering mechanism will operate just as usual. Thus, Master-Guide provides new ease and stability, with a natural feel and full security, wherever you may drive.

Optional on all V-8 models at extra cost.

GREAT TV! FORD THEATRE,

Test Drive Ford with Master-Guide Power Steering!

F.C.A.

I'm Often Wrong

By Neil Hunter

WHOOPS, WE'RE OFF AGAIN — A new column with a new heading all dressed-up dandy for The Herald; and to think we swore off columns when we stopped the original I'm Often Wrong thing back home in South Dakota last year. But now we're deep rooted in the new job here and itchin' to try the old harness. Fella once told us, "Guess anybody can write a newspaper column, eh." Guess? Huh, anybody sure can.

Now we're a real city editor we'll have to publish a real citified paper but you'll still get a black tape mark or two on the front page plus an extra cut-off stripe if you're lucky.

We try to be local, we try to be personal, not racey, just grass rootsy, a touch of humor, a dash of wisdom, a smattering of nonsense, they'll all be in I'm Often Wrong.

Yes, we used the name before, it's original—someone else suggested it, we liked it and decided to write under it. When we left the old job out west they obituaried us out with, "He was widely known for the title of his column." Those were the days. Jokes we had a million of 'em, friends, readers, we lost just as many, every time we told a joke, a reader cancelled.

●

BE READY TO LAUGH — Patty was in New York for his first day off the ship from old Ireland and having trouble he was, trying to get across Broadway. Finally stuck in the middle, an Irish cop came to his rescue. "It's my first day here from Ireland and getting across this bloomin' street I can't," Patty declared. "You get back there on the curbstone," the officer instructed, "and wait until your color shines on that light post, then you can walk across in peace."

Back Patty went and waited. Red finally flashed to orange for a moment and then to green. While it stayed green Patty peacefully walked across the street. When he met the Irish cop on the other side, Patty proudly grinned, "They don't give Protestants much time in this country do they?"

●

PEOPLE WE LIKE — We meet so many interesting people each week there's no end to things for writing. Like **Mrs. Garth Hall** who runs the Indian Acres Aquarium. "Talk about kids having fun," she told us. "They sit by the hour and watch our tropical fish." She's many other things for aquariums at home, like mystery snails, aquatic plants, angel fish and guppies. "They're clean, they're quiet, they're easy to keep," she said, "a far cry from grandmother's fish bowl these colorful tropical water pets."

Rudy Mead made Saturday a happy day for us when he brought in a picture of the horse-drawn team he operated here some 50-odd years back as a draying service. Rudy vividly recalls the good old days when the Anthony Fence Co. and the old Heesen Foundry kept his team on the go. "Then we had to haul beer kegs to half a dozen saloons." The picture clearly shows the present fire hall building and the railroad tracks just as they stand today; it was taken back around 1903.

Highway workmen ran into parts of the old community watering trough for horses which stood for many years at the corner of Adrian street and West Chicago.

Bill Swick wants to give away six baby kittens, six weeks old. Cutest little balls of fur and purr you ever saw. Bill lives at 6903 Green Road, east side, just a few doors south of Russell. His phone 1006WX.

If you folks have any give-aways just send 'em over to us, no need paying when we broadcast free. That's part of the I'm Often Wrong service.

We wondered what was going on at the old bank building in Tipton until we found out that **Homer Howell** had sold out from farming and was opening a hardware store there.

Jerry Dolis had an unusual problem when his little boy made friends with a racoon that wandered to their home on W. Brown. The boy was broken hearted when the "coon" had to go. **Al Pope** took two others back to nature after **Charley Manley's** dog forced them onto his porch on W. Kilbuck. **Ann Carson** has all kinds of racoons, opossums and other wild animals at her home, E. Logan.

●

Dear Dad:

Well here I am still Dad, working on the same job I told you about on the Christmas card. Mighty fine place Tecumseh is Dad; mighty fine people here, that's what makes a place mighty fine I guess.

Your son,
NEIL

Anderson Grocery Ends Century Of Tecumseh Service

"Some morning I'll probably find myself starting out for the old store," Harold J. "Hop" Anderson said this week while packing up a few remaining groceries in the Chicago boulevard store operated for more than a century as Anderson's.

Old-timers recall the store as the oldest independent grocery store in the state for it lived down through the years after establishment in the 1840's.

Mr. and Mrs. Anderson, present owners, announced the closing Saturday night and their intentions of moving at once to Clark Lake where they will operate the Lakeside Grocery with their son "Hoppo" Anderson. They have further sold their home on W. Chicago boulevard and will live in an upstairs apartment over the store, which is a year around business. A portion of the store is leased to the Clark Lake Post Office. It is located at the far west end of the lake.

Dr. Robert Murray has purchased the Anderson home.

Tracing the grocery store's history back to its early opening in Tecumseh, "Hop's" grandfather Albert Anderson was owner until 1891, when his sons Bedford and Ernest took over the joint managership. Ernest died in 1928 and at that time J. Harold Anderson who began clerking in the store in 1909, became part owner. Albert Anderson, a cousin of Harold, was also interested in the business until his death in 1930 when his wife Vevia held his interest until 1941 when Harold became sole owner. Mrs. Anderson has assisted her husband in the store for a number of years and more recently a daughter Mrs. Julia Johnston was an added assistant. The son Harold joined the staff after his return from overseas service.

In the early days grocery orders were sent by Morse code over telegraph wires from Macon to Tecumseh; farmers bought crackers by the barrel and lard in 100 pound tubs. It was a general store with meats, groceries, yard goods, shoes and notions on its shelves. It was also the days of plank sidewalks and hitching posts. Prices were high on soap at 13 cents per bar and on silk embroidery floss at 5 cents per skein, much higher than today, but commodities were much cheaper. Shoes sold for $1 per pair; tobacco, 5 cents per package; flannel, 38 cents per yard; enough alpaca, lining, buttons and thread for a coat sold for $6.36. You could buy chicken for 5 cents per pound; eggs for 6 cents per dozen; coffee, two pounds for 25 cents; sugar, 8 cents per pound; cheese, 7 cents per pound; nails, 5 cents per pound; hip boots, $3.75; molasses, 50 cents per gallon; fresh mackerel, 7 cents per pound.

When the present owner began clerking only six loaves of bakery bread were sold each day; no variety of canned goods was carried; oil lamps were used for lighting but later "homemade" gas lights became popular. Hours were from 6 a.m. to 10 or 11 p.m. daily and until midnight Saturdays. Lemons were imported from Italy and bananas were available only during the holidays.

Only two persons, the late William Westcott and Donald Wallinger, not members of the Anderson family, ever worked as clerks in the store during its century of business. For a number of years the store operated its own horse and covered wagon delivery service.

MISSIONARY SOCIETY

Twenty-five members of the Friends Missionary Society met at the home of Mrs. Melvin Muhr last Thursday for an all day meeting with a potluck dinner at noon. A short business meeting was conducted by the new president, Mrs. Walter Weimer and Mrs. Ned Kotts presided over the devotional period. The program which followed was one of a series of biographical studies of the life of a Friends missionary. The remainder of the day was spent sewing.

If you're satisfied with yourself, take another look.

From where I sit ... by Joe Marsh

An Honest Night's Sleep

Slim Johnson, just back from a business trip, tells about a hotel he stayed at one night.

"I hit town late and went right to the hotel. There was no clerk at the desk, but there was a sign that said: 'Gone to bed. Rooms $3. Take a key. Pay when you leave. Sleep Well.'

"Upstairs, the room was real clean, the bed comfortable, and I slept like a log. Came down in the morning—still no clerk. So I left three dollars at the desk and went on. Can you imagine folks that trustful?"

From where I sit, running a hotel on the honor system shows a real trust in people. And people always appreciate being trusted. Letting your neighbor follow his personal preference is a kind of trust too—trusting in his good judgment. I like a temperate glass of beer occasionally, you may prefer buttermilk, but let's hope neither of us "registers" a complaint against the other.

Joe Marsh

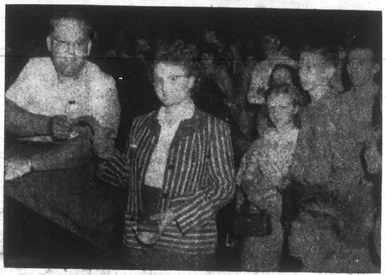
Hot Or Cold, Appreciation Days Bring More And More Shoppers To Tecumseh

It was July 18 in Tecumseh, a hot Saturday night when smiling Ralph Sager, above, turned the huge revolving drum jam-packed with Appreciation Days tickets. An eager crowd exceeding a thousand awaited the results. It was the ninety-sixth consecutive Appreciation Days celebration, the mounting crowd showed a steadily growing interest. Many of the attenders were from out-of-town.



From nearly 1,500 attenders, Ardith Eaton, daughter of Mr. and Mrs. Arthur Eaton, 5695 Monroe Rd., came forward for the first award. She was across the street on the south side of Chicago boulevard when her name was called from the sound truck. Above she is shown with Fay Whelan, implement dealer, and weekly master of Appreciation Days ceremonies. Each week he notes a few newcomers to the Saturday night crowd.

After 96 weeks — it will be two full years this fall — Tecumseh's Appreciation Days program has spread over a wide trade area as a popular Saturday night attraction which does just what the Chamber of Commerce hoped for back in September, 1951; it brings more shoppers to town.

When first introduced, Tecumseh had just switched from Friday night to Saturday night store opening, and Appreciation Days filled the bill to start shoppers on "coming downtown on the right night."

But it did far more than that, for in the elapsed time, over $8,000 has changed hands in purchase certificates and a snowballing crowd weekly follows the event from one section of the business district to another. Each week a few new faces appear, many are from distant points.

Fay Whelan, likeable maestro and driving force behind Appreciation Days, has been on hand each week, summer and winter, hot or cold, since its origin and deserves the community's as well as the businessmen's thanks for its tremenduous success, for as he explains it, "All these people can't help but increase our trade."

Business firms which are currently supporting the event are Palman's Dept. Store, Baldwin Hardware, Porter Printing Co., Sluyter Electric, Hoyt E. Whelan Co., Freez-It-Lockers, Fred Rosacrans, Green's Clothing Store, French's Market, Osborne's Dept. Store, Des Ermia's, C. A. Wright Drug Store, D & C Store, Brandt's 5 & 10, Tecumseh Produce, W. D. Hite Hardware, Merritt Shoe Store, Cameron Drug Company.

Western Auto Store, Moore's Lumber Co., Allison's Clothing, Tecumseh Electric, Hodges Drug Store, Butler Motor Sales, Gamble Store, Eggleston Jewelry Store, Wolf's Refrigeration, Hooton's Service Station, East Side Market, Fisher Pontiac Motor Sales, Clauda Plumbing, Tecumseh Farm Equipment, Boldon's Grocery, Schneider Bros. Garage, Bancroft Cleaners, Kroger Store.

Other local firms which add to Appreciation Days as associate members are United Savings Bank, Tecumseh Credit Bureau, Tecumseh Herald, Tecumseh Tavern, Rocket Tavern, Cozy Cafe, Tecumseh Tire, Eggleston Cleaners, Michigan Producers Store, F. C. Hanna Insurance, LeRoy Titley Insurance.

o

PRODUCTS NINE VS AGATE TONIGHT, 5:30

Hard-hitting Tecumseh Products baseball nine will cross bats on Recreation field at 5:30 p. m. this evening for a Twilight league game with the Agate team of Adrian.

Latest victim of the local stickers was Stubnitz-Green, a 6-3 loser last Friday night. The Products have a smooth playing outfit fast developing as a number one baseball squad, dangerous at the plate, smooth playing afield.

Tecumseh's other baseball outfit, the Farm-Merchants entertain Cement City at 2 p.m. Sunday afternoon also on the Recreation diamond. The newly formed F-M club fell to Brooklyn Sunday in a heart-breaker, 5-3. Sisson, Long, Betzoldt and Tate each collected hits as Tecumseh smacked four bingles to Brooklyn's two, but the victors pushed across all their four runs in a single inning to rally for the victory.

Hoelyer and Covell formed Tecumseh's battery with Cameron, Benham, Van Winkle, Breitenwischer rounding out the line-up.

Business Women Scatter Sunshine In Lives Of County Infirmary Patients

When Mrs. Howard Truesdale and Mrs. Duaine Service, as representatives of the Business and Professional Woman's Club, visited the Lenawee County Infirmary last December to present the Christmas gifts from club members to the men and women of that institution, the wish was expressed that they might also provide an entertainment.

The matron told how eagerly her "boarders" welcomed visitors who might bring variety into their lives.

It was decided at the next local club meeting to take a program to the Infirmary sometime this summer.

Plans were made by a committee consisting of Mrs. Truesdale, Mrs. Service and Mrs. Naomi Sallows, which resulted in a group of adults and children visiting the Infirmary, Wednesday evening, to provide entertainment.

Mrs. Truesdale gave a short introductory talk and announced the numbers. Mrs. Emma Day gave one of her humorous readings, Mrs. Edna Staulter delighted the audience with some of her gay and stirring piano selections and several of the pupils of Miss Nancy Randall's school of dancing presented a group of dance numbers that were enthusiastically received.

Mrs. Glenn Driscoll accompanied Kendra Ringman, Jean Osworth, and Nancy Beland in a dance called, "Chattanooga Choo Choo"; Rae Lynn Crosby, Janis Reed, Cheryl Heavener and Linda Bush in "A Room Full of Roses" and Eugene Verrier, Beverly Miller and Lettie Ringman in "Manhattan". Rita Crosby, who has been Miss Randall's assistant, provided a solo dance "On the Sunny Side of the Street" also accompanied by Mrs. Driscoll.

A collection of books, discarded from the Tecumseh Library was also donated to the county institution, located west of Adrian.

The Infirmary officials thanked the Business and Professional club members and their entertaining guests for their unbounded effort in making Wednesday evening a happy one in the lives of handicapped patients. Gratitude could be seen everywhere in the Infirmary and those who participated in the entertainment felt well repaid for the obvious happiness which they had provided.

o

Big Field Day Planned Aug. 7

Tecumseh Merchants are being asked by Lester Runk, summer recreation director, for assistance in sponsoring a field day for children.

On Friday, Aug. 7 the big event is planned for Recreation field as the climax of the annual playground program.

Races and contests of all kinds will be held for children through the eighth grade. The winners of these contests will receive prizes donated by merchants.

Money will not be awarded as prizes, so Mr. Runk is asking each store to contribute any type of merchandise or certificate.

Each store will soon receive a call from Mr. Runk or a member of his staff with the hope of accumulating enough prizes to have a popular field day for all ages on Friday, Aug. 7.

o

CHILDREN INVITED TO DOLL SHOW ON FRIDAY AFTERNOON

Children of all ages are invited to bring their dolls and enter the show which will be held Friday afternoon at the Central school playground starting at 2:30 p.m.

Ribbons will be awarded for first and second place in the following classifications: biggest doll, smallest doll, prettiest doll, most unusual doll, the doll most representative of a foreign country, oldest doll.

Children may enter as many dolls as they desire.

Those entering dolls in the "oldest doll class" must have a note from their parents verifying the age of the doll.

All entries must have an attached card with the name of the owner.

Judges will be Mrs. James Barton, Miss Clara Waldron and Mrs. Ray Sluyter.

FLUORIDE STILL A QUESTION

Mass Meeting Left "Antis" Unchanged

Over two hours of facts and fallacies of water fluoridation were exchanged at a mass meeting Monday night in Central school auditorium —— a meeting which should have been held 16 months ago.

For Tecumseh's anti-fluoridation committee left the gathering with an intent on exercising its right of injunction to stop future use of sodium flouride in the community's drinking water. If it is used again. For at present the water is not fluoridated. The chemical was removed a week ago.

This was done to see if the people would notice any difference —— for water had been fluoridated from May 4 until last week —— and because a terrific volume of water has been used in construction and in cleaning out hydrants and mains.

The mass meeting left the "antis" unchanged, though two fluoridation experts from the state public health service did a masterful job in outlining the "Grand Rapids project" and other details of public fluoridation to combat tooth decay in youngsters.

SHUNNED AT COUNCIL MEETING

At the regular village bi-monthly council meeting in the chambers above the fire hall, Earl Bryan, head of the anti-fluoridation group, was not given a chance to file a petition with the village in protest. For although the regular room used by visitors for making requests to the council was packed with citizens supporting Bryan's cause, President E. M. Campbell announced the meeting to be officially adjourned without inviting a spokesman from the group.

Campbell had earlier asked if there was anyone present who protested the re-zoning of the Goodacre Subdivision on Burt street. As is the general council custom of procedure, the president usually asks who is next to present business or requests before the governing body.

However, Monday the council was closed and announcement was made that an unofficial meeting would be held at Central school where the large crowd could be accomodated. Prior arrangements had been made, for the whole village was interested in the matter and talk of the movement had become widespread.

Bryan, who was sitting in the same room with the council, jumped up after the meeting had been closed and asked to present his petition, one of eight, he added, that the group is circulating in protest to fluoride.

Campbell said that the meeting had closed but the petition would be put on file at the village office and discussed at the next meeting which will be Aug. 8 if no special meeting is held in the interim.

GO TO CENTRAL SCHOOL

From the council chambers a large group moved to Central school where first Mr. Campbell pointed out some personal observations about fluoride and mentioned an article which appeared in The Herald back in March of 1952.

Following a prayer by Rev. B. O. Bashore, Mr. Bryan gave some facts about "operation skull and cross bones" which he labeled fluoridation here. He based much of his information on investigations and research by other communities which have turned down the plan. He emphasized the poisonous characteristics of fluoride and the many unanswered questions about the public fluoridation of water.

Then Dr. Fred Wertheimer and Dr. C. V. Tossig, both of the Michigan Public Health Service traced the uphill acceptance of sodium fluoride and of its abilities to give children better teeth.

Village engineer Ed Nelson said, when the meeting got around to answering some facts which the people have had unanswered during all this time of fluoridating, that the process would cost the village around $1,100 a year. This is small here in Tecumseh, for a considerable amount of natural fluoride is contained in local water.

"And small enough for the amount of dental decay prevented," a Public Health man pointed out.

The visiting dentist said, 'We know that the true facts which have been presented — that there are no ill effects from fluoride, that the program is rapidly advancing, that numerous reputable organizations have endorsed the plan, etc. — can defeat the emotional arguments but we only hope it is spread widely enough and often enough so that everyone hears it. We have gained ground by remaining calm and sticking to the facts. We can gain more ground, if the families of the community know the truths of fluoridation and take public health into their homes and lives."

o

Police Use Pneolator

Police chief George Kilbourn helped move a baby, James Bland, suffering from a collapsed lung from Herrick Memorial hospital to University hospital with the aid of the community's new life-giving pneolator.

The equipment was put into its first use Saturday and was very satisfactory authorities said. The child was delivered alive to the Ann Arbor hospital but died there later.

Kilbourn is on his annual vacation this week in Kentucky.

Meanwhile police officers have been busy with a number of recent arrests. Clara Adkins, 40, Iron Creek, was arrested Saturday night on charges of neglecting a minor while she was in a tavern. She pleaded guilty before Justice Robert L. French and was fined $25, plus costs of $8.60 and sentenced to five days in the county jail. She had left an eight year old child roaming the streets and sitting in a car all afternoon and evening while she was in a tavern.

Woodrow Riley, Adrian, was arrested Saturday night for drunken driving plus driving with a revoked operator's license. He appeared Monday before Justice French and pleaded not guilty. Trial will be in the near future.

Melvin Painter was fined $25 for leaving the scene of a property damage accident.

o

SOFTBALL TIE

United Products Workers and the Jokers are deadlocked in a first place tie with identical 5-1 records in Tecumseh's mens softball league. Dick's Service is third with a 4-2 mark.

In games next week, FFA and Products clash at 7 p.m. Monday and the Explorer Scouts meet the Has Beens immediately following. On Wednesday, FFA goes against the Jokers in an opening game with Products and Dick's Service playing the nightcap.

Tecumseh was well represented at the Eighth Annual National Archer's Field Tournament held last week in Two Rivers, Wisc., where the above bowmen competed with others from all sections of the country. Susie Hite, lower right, brought home top honors for the group with a national second in the Junior Girl's class. After a slow start, she came back with an outstanding performance. Bob Williamson, shown next, won another second in the hunter's round, expert bowman class B. The entire Tecumseh group shown above, left to right, C. R. Dustin, Mike Hite, Gary and Harold Hall, Williamson and Miss Hite.

Drivers, Take Heed Of Road Closed Signs And Barriers — Police Warn

"When roads are marked closed and detour signs put up to direct traffic away from construction work, violators are subject to prosecution," acting village police chief Oliver Heberlein warned motorists this week after a number of reports that cars are not following alternate routes. This is a state law violation, he pointed out.

Chicago boulevard, west of Pearl street all the way to Adrian street, is temporarily closed to traffic. And probably will continue to be for another two weeks or more. Detour signs at both ends direct traffic over temporary M-52 on Kilbuck.

Chicago boulevard is closed off in this section at all intersections, Maiden Lane, Union, Van Buren and Democrat. Cars will not be allowed to cross at any time.

Most drivers have been courteously obeying the signs, the chief reviewed, but to the few who have been driving on the restricted area of Chicago Boulevard he issued a firm warning.

A few drivers have also removed and tampered with barracades, which the chief said is trespassing. The state highway workmen are cooperating with local police to report violators.

Further areas of Tecumseh will be blocked off to traffic in August and September as the work progresses toward east village limits. When the final bituminous concrete resurface is poured, the entire downtown business section will be blocked off, perhaps for two weeks.

Legion Readies For 35th Annual State Convention

While Detroit is planning its biggest American Legion state convention, Tecumseh's Underwood-Orr post is busy brushing up its two drill teams and instructing official delegates to carry out their parts in the annual gathering.

From every corner of Michigan, by plane, train, car, bus and 40 et 8 boxcar, an estimated 20,000 Legionnaires will invade the Motor City for the 35th annual convention which officially gets under way at 8:30 a.m. Thursday.

There will also be a record number of American Legion Auxiliary members on hand for the four-day meeting of business and fun.

Tecumseh's part in the convention will include competitive appearance of the local post's colorful women's drill team Friday. Under the direction of Robert Custard, the following will vie with 20 other drill squads from every corner of the state.

Clara Easton, Shirley Custard, Marjorie Eggleston, Lucille Drake, Joan Rosacrans, Connie Peters, Marilyn Baaske, Floris Snyder, Mary Lou Peck, Isabel Auito, Violet Sherman, Marguerite McGeorge, Agnes Woods, and Joyce Manwaring. Jackie VanCamp is currently on a leave of absence and Pearl Osburn appears only with the ritual team.

On Saturday the auxiliary drill team will march in the annual full-dress parade beginning at 3:30 p.m. Bands, drum and bugle corps and numerous other groups including the Jackson Zouaves will all perform in the greatest of state Legion parades.

The local men's drill team will also march in the parade.

Official delegates from the Underwood-Orr post will be Commander Bob Lowe, Louis Schneider, Jim Rohrer, Don Woods, Neil Hunter, Larry Cote, and Lyle Grigg. Alternates are Harold Easton, Harold Anderson and Don Van Camp.

o

POLICE MARKSMAN AT ROTARY CLUB

Program chairman Joe Rice was complimented for one of the most interesting Rotary programs in recent meetings, when State Police Sgt. Ernest Coykerndall put on a fascinating outdoor shooting demonstration Tuesday night.

He fired different calibre small arms and short bursts from a submachine gun.

The club joined Ray Herrick, guest of Lloyd Rhein, in celeorating his birthday.

o

CPL. MELVYN D. HOSKIN AT HAWAIIAN AIR BASE

Marine Cpl. Melvyn D. Hoskin, son of Mrs. Blanche Hoskin, 202 Outer Dr., Herrick Park, is engaged in a "housekeeping" task that would make the average housewife shudder in horror.

Assigned to Marine Corps Air station, Kaneohe Bay, Hawaii, the Leatherneck is taking part in furnishing a "home away from home" for a battalion landing team from the Third Marine Division and for Marine Air Group 13. These units are spending six months at the air station for specialized training in air-ground coordination.

Cpl. Hoskin is attached to the station's public works department. He entered the Marine Corps in Dec., 1951 and is a graduate of Tecumseh high school.

o

GRACE MOORE HEADS FUTURE NURSES CLUB

Miss Grace Moore was elected new president of the Future Nurses club Wednesday evening, with Sharon Townsend as secretary and Diane Whitecotten treasurer.

This group is composed of nearly twenty girls of high school age who are interested in making nursing their career and will open a new season in September with a drive for members. Miss Nancy Kinietz, retiring president, at whose home the meeting was held, will enter the University of Michigan this fall with the intention of preparing for nurses training.

With the vastly expanded opportunities for work in this field many new members are expected.

o

GOODWILL PICKUP

As a result of greatly increased contributions of discarded materials in the last few months, Goodwill Industries has been able to increase its staff to nearly 400 physically handicapped men and women. The Goodwill trucks will be in Tecumseh and Britton, Tuesday, to pick up repairable clothing, furniture, shoes, toys, small appliances and other household items. Anyone who has materials to contribute to Goodwill's employment and training program for the handicapped may call Tecumseh 288-W or Britton 2121.

EDITORIAL

SOME KIND OF ALUMINUM — Opposition to the use of sodium fluoride as a tooth decay preventive in public drinking water is not unique to Tecumseh, the same thing has happened in dozens of other communities large and small and generally after the whole matter is understood the community is grateful for its fluoridation—a modern step forward in the direction of improved public health.

In Tecumseh, like in Seattle, Baltimore, Grand Rapids and many other cities large and small, people have heard half-truths against fluoride and have become alarmed to the point they blame anything and everything on the drinking water. We have to go along with the National Public Health service, the American Medical and Dental associations and other well informed groups in approving fluoridation. In fact, we can't get too excited about these local petitions, for from past experiences we know that it isn't hard to get a bunch of names on almost any kind of petition against anything, especially if it is progressive, if it is forward-sighted.

We often think of the automobile as a dangerous, high-powered mechanism that every year causes many deaths on the American highway. Dangerous? Why it's a killer! It is a wonder someone hasn't formed a group against the "car" and circulated a petition. And how silly that would be. We once ate an apple with a worm in it. Unpleasant? Of course it was, but we didn't rally against the popular eating of apples and get a petition signed in protest, but we probably could have, because apples sometimes have worms in them.

In this local controversy the last thing we want to deal with is personalities, for the individuals who are active on both sides undoubtedly are doing the things they personally believe to be best, and more power to them. We might not agree with them, but we will fight to uphold their right to do it, for someday we may be doing that same thing with a different matter.

Fluoridation has had an uphill climb to do the good it was cut out for. Out in Seattle, a city with one of the highest tooth-decay rates in the nation, sodium fluoride was endorsed by a string of reputable civic organizations as the community's number one need. The issue was before the voters for approval. A reporter inquired of people here and there of their views on the matter. One man said, "I don't know much about it, but I heard they want to put some kind of aluminum in our drinking water and I'm going to vote against that."

What had happened in Seattle? The community had been swamped in poison pen literature emotionally written to stir up the masses. The "menace" of fluoride was driven home by a skull and cross bones and the word POISON on a little pamphlet distributed to scare people who regularly cook with harmless aluminum—for fluoride salts are a bi-product of the aluminum industry.

This literature beat the election in Seattle for the sponsoring organizations failed to do a good job of educating the people. Half-truths beat whole-truths. But they didn't in Washington, D. C., Miami, Toledo, Philadelphia, Baltimore, Grand Rapids, Milwaukee, Baton Rouge, St. Paul and hundreds of other communities of all sizes right down to 100 inhabitants.

In San Diego an aroused group of citizens rallied for a public hearing and ordered an injunction contending that fluoride would invade constitutional rights and the religious freedom of those opposed to medicines. The California court studied the matter and ruled that fluoridation does not violate any fundamental rights or religious beliefs and that it should be allowed as a benefit to child health in the best public interests.

Then in Baltimore another group got out an injunction last year on similar grounds, but it too was dismissed when the leaders were found to be those active in opposing other community projects and progressive steps.

Tecumseh thus is no different than other communities, for a natural opposition has developed here and now it must be reckoned with. Unfortunately this did not all come out a year ago when the fluoridation equipment was voted for acceptance. At that time (April 10, 1952) The Herald carried this story.

GIFT MAY SPELL DOOM TO TOOTH DECAY HERE

Tecumseh Water To Get Fluoride

The Village Council, in session Monday evening, voted to accept an anonymous gift of approximately $3,000 worth of equipment for adding additional fluoride to the local water supply for the purpose of reducing the susceptibility of dental decay.

The addition of fluoride to the water supply has been recommended by the American Dental and Medical Associations, by both state and federal public health departments, and by several other health agencies, including local dentists and physicians through their respective societies, as well as the Lenawee Health Unit.

A. W. Porter, chairman of the council's water committee, stressed these facts:

1. **Fluoridation absolutely does** not alter the taste, color or odor of the water.

2. **Fluoridation** is completely safe and without any detrimental effects when properly used.

3. Fluoridation will not only help those teeth which as yet are unerupted, with a resulting reduction of at least 40 per cent of the tooth decay. Only children will be directly helped but the beneficial effects are lifelong, so that the number of people aided will be increased each year, and eventually everyone will have reduced susceptibility.

4. Operation of the equipment, which was donated, will cost only $100 a month.

Over 20 larger communities in Michigan already have the fluoridation program in operation, including Monroe, Jackson and Ann Arbor. Several smaller towns, including Adrian and Blissfield, are considering the program. Analysis of the new well at Britton, as well as in the Morenci and Addison areas shows them to have sufficient quantities of natural fluoride. Tecumseh has 20 percent of the recommended amount, so that it will be necessary only to supplement the natural supply.

Years of research have proven that areas where fluoride is present in proper amounts, residents have at least 40% less dental decay then in areas where fluoride is absent from the water.

The present anti-fluoridation group should have stepped forward at that time, since the village accepted the anonymous $3,000 gift and made detailed arrangements to use the finest in modern fluoridation equipment. In fact the initial steps before actual use were so intricate that it was not until May 4, 1953 that fluoride was first put into the water. What seemed to be a joyful anticipation of a healthful measure for Tecumseh turned out to be a cause of general alarm, for a number of half-truths have aroused unrest by the anti-fluoridation committee. What should have been done was the organization of an educational campaign, for both the Public Health Service and the Dental Association have a wide variety of interesting and informative material, slides and exhibits to educate the public. Few other steps in modern progress have as much research and study as fluoridation.

We've heard a lot of tales during the past week about fluoridation water, a cat won't drink it, gold fish died because of it, house plants died, baking tins are corroding, drinking glasses etched on the inside. Some say that if you leave a glass of water standing for a week you can't drink it. We've heard that some machinery that pumps fluoridated water won't operate like it used to. We've heard that the water is full of sodium fluoride. Actually one part of fluoride is used for every million parts of water.

Unfortunately we don't have a chemical foot to stand on in this matter, we just have the word of the nation's finest research heads to go by. If they are wrong, we'll be the first to admit our excessive eagerness was misinformed. But editorially we ask Tecumseh's mixed-up people to avoid alarm and see the matter with an open mind.

If the anti-fluoridation group brings the people closer to their local government and its operation, it has done a good thing. If the village council accepted something the people don't want, it is the people's fault because they are THE GOVERNMENT, they are THE COUNCIL, for in a democracy it's the people's wish, and for the people's good, that makes the laws. It was for the very best interest of Tecumseh that the village council decided to install fluoridation equipment. It is not mass medicine, it is not a medicine at all. If you have a decayed tooth, it won't do a particle of good. All it will do is prevent much of the decay that children would otherwise get!

WILMA MILLER WEDS PVT. RALPH KLANKE

The Assembly of God on West Bidwell street was the scene of a candlelight service at 8 o'clock Saturday evening when Wilma Jean Miller, daughter of Mr. and Mrs. Elmer Miller of Britton became the bride of Pvt. Ralph Klanke.

Preceded by little David Penny as ring bearer and Gloria Klanke as flower girl, the bride entered the church on the arm of her father who gave her in marriage before an altar decorated with palms, lighted candles and baskets of garden flowers. The Rev. L. H. MacPherson performed the double ring ceremony. Miss Barbara Hall played the wedding march and the Rev. Ray Warnick of Dundee sang "Always" and "I Love You Truly" accompanied by Mrs. MacPherson.

The bride's ballerina length gown was of white satin made with a yoke and over-dress of nylon net. She wore a finger tip length veil and carried a white Bible decorated with white carnations.

Her attendants, Mrs. Eva Penny, as matron of honor and the Misses Francis LeBaron and Mary Klanke, sister of the groom, as bridesmaids, wore identical ballerina length formals in blue, pink and yellow respectively, and all wore head bands of pink satin roses and carried pink carnations on white purses.

Lee Armstrong assisted Mr. Klanke as best man and the ushers were Paul Klanke and Charles Miller, brothers of the groom and bride.

After the ceremony a reception for about one hundred guests was held at the Products Union Hall, where the wedding cake was cut by Mrs. MacPherson and ice cream, punch and potato chips were served by Carol Le Baron, Mrs. Edwin Spreeman and Mr. and Mrs. Gordon Logan.

Guests were present from Pontiac, Frontier, Adrian, Britton, and Tecumseh.

Pvt. Klanke, who is the son of Mr. and Mrs. Rudolph Klanke of Rt. 4 Adrian, is stationed at Ft. Monmouth, N. J. and after a short leave will return to duty there.

V. F. W. AUXILIARY PLANS AUGUST PICNIC

Mrs. Bert Warren presided at the regular meeting of the V. F. W. Auxiliary held at the Post rooms last Wednesday evening. A report of the department convention at Port Huron was given by Mrs. Harlan Boyes and plans were made for a joint picnic of the Post and Auxiliary to be held sometime in August.

Mrs. Warren Filter was appointed general chairman of the picnic and the following committees were named: Dinner committee, Mrs. Gaza Kish, Mrs. Ted Golat and Mrs. Roger Gillespie; program and games, Mrs. Lloyd Stites, Mrs. George Downard and Mrs. Ted Sisson; publicity, Mrs. John Braden.

Mrs. Warren invited all Auxiliary members to a potluck supper at her cottage on Vineyard Lake, Wednesday, July 29.

Refreshments were served in conclusion by Mrs. Roy Beasley, Mrs. Richard Beasley and Mrs. Braden. The next meeting will be at the Post rooms August 5.

FIRST ADRIAN SHOWING.

It stands to reason...
Chevrolet trucks must be the best buy!

Big truck users, small truck users, all truck users buy more Chevrolet trucks than any other make. It stands to reason Chevrolet trucks must offer more of what you want.

CHEVROLET
first in demand in value in sales

When you stop to think about it, the best proof of outstanding value in *any* product is continued public preference. That's the way it is with Chevrolet trucks. They're the top selling trucks in America today . . . for the twelfth straight production year.

This is a mighty important fact to consider before you buy your next truck. You'll also want to consider that, while Chevrolet trucks give you more features you want, *it's the lowest-priced truck line of all!* Come in and *talk* it over with us.

MORE CHEVROLET TRUCKS IN USE THAN ANY OTHER MAKE!

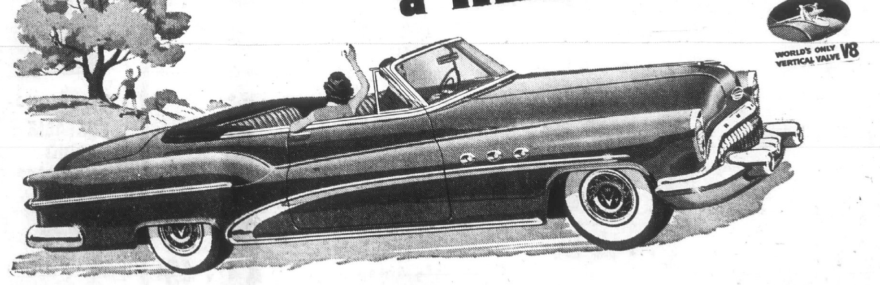
Have yourself a HEART-LIFT!



WORLD'S ONLY VERTICAL VALVE V8

FROM deep inside you comes a new stir and sparkle when you take the wheel of a fun-filled car like this Buick Convertible.
You feel happier just to be in a car with the lilt of larks to its styling—with the breeze-blessed airiness of all outdoors all around you.
It's a car that freshens your spirits with its sky-filled view—yet it can snug you in weather-tight shelter, when the need arises, with a mere finger-touch of hydraulic buttons.
But you get a heart-lift in this Convertible from something more than just its looks, or its versatility, or the push-button control of its top, its front seat and its windows.
You get it, too, from the sheer brilliance of its performance—
From the thrilling power of the great new Fireball V8 Engine found in every 1953 Buick SUPER and ROADMASTER—the modern and advanced V8 that reaches a new high in compression ratio—
From the new instant getaway of Twin-Turbine Dynaflow—where you move from standstill to cruising pace in a quick sprinkling of seconds, and with truly infinite smoothness—*
*From the deep comfort of riding soft and ever-level on all-coil-spring cushioning—of sitting in sumptuous luxury on really wide seats—of handling over two balanced tons of fine automobile with finger-tip ease and the gentle assist, as you need it, of Power Steering.**
We'll be happy to have you guest-drive one of these stunning new Buicks—and let you see for yourself how much fun and fine feeling it can add to life. Why not drop in for a visit soon?
**Standard on Roadmaster, optional at extra cost on other Series.*
THE GREATEST BUICK IN 50 GREAT YEARS
WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Card of Thanks

To our many friends, relatives and neighbors who helped us during the illness and after the death of our dear loved one, we wish to express our heartfelt thanks, to Rev. Brazee, Rev. Escolme and Rev. Brunger for their comforting messages; to Miss Spaulding and the nurses at Herrick Memorial Hospital and to the Green Funeral Home for their many thoughtful acts of kindness; to the Tecumseh Friends church for the luncheon on Saturday, to the donors of the many beautiful flowers and messages of sympathy, we also extend our thanks. Mr. and Mrs. Leon Van Valkenburg, Mr and Mrs. Raynor Van Valkenburg and family, Mr. and Mrs. Roger Van Valkenburg and family, Mr. and Mrs. Deane VanValkenburg and family, Mr. and Mrs. Faye VanValkenburg and family, Mrs. Bertha Hoag and family.

The family of Frank Gray wish to thank the friends and neighbors, Pythian Sisters and Past Chiefs club. Rev. Brunger, Green Funeral Home, and all other who showed us kindness and sympathy during the illness and death of our beloved mother. Frank Gray and daughters.

LEGION AUXILIARY

The Drill team of the Auxiliary of Underwood-Orr Post American Legion is practicing two evenings each week under the direction of Robert Custard in preparation for taking part in the competition parade in Detroit next week. The competition of drill teams will be held Friday, July 31, while the parade will be the next day, Saturday, August 1.

MRS. FRANK GRAY BURIED IN BROOKSIDE

Funeral services for Mrs. Frank Gray were held Wednesday, 2 p.m., at the Green Funeral Home with the Rev. Ronald Brunger officiating. Burial was in Brookside cemetery, the bearers being Duaine Service, Charles Manley, Harold Easton, Burnell Moon, Cecile Alderdyce and Donald Purkey.

BRITTON

Sgt. Oliver J. Craig, son of Harold Craig of Britton is one of 47 soldiers from 47 other states soon to come home from Korea. Sgt. Craig will be greeted in Seattle, Wash., by Gov. Williams and the others will likewise be greeted by their governors if present plans are carried out. The governors will be attending the annual Governors' Conference in Seattle Aug. 2-7 and the army is selecting 48 men to sail July 20 from Pusan for Seattle.

Mrs. Lee Taylor was called to Detroit Friday by the death of her father, John Allegrina, 71. Mr. Taylor joined his wife and attended the funeral Monday. Until ten years ago when they moved to Detroit, the Allegrina family lived seven miles northeast of Britton on the County Line Rd. He is survived by his widow, Louise, four daughters, Mary at home, Mrs. Olga Crowey of Jackson, Mrs. Emma Savage of Detroit and Mrs. Taylor of Britton and two sons, Dino and Louis, both of Detroit.

Mrs. Maud Davis has returned home from Barry, Ill., where she has been visiting for some time.

Ruth Ann and Dennis Bryan are attending summer school at Siena Heights College, Adrian.

Mr. and Mrs. Andrew Crutchfield and children Nina, Keith and Kirk and Charlynn Fairbanks spent Sunday afternoon at the Toledo Zoo.

Mr. and Mrs. Ronald Frayer have returned home from a weeks trip to the upper peninsula.

Mr. and Mrs. Boris Christoff and family of Port Huron spent Saturday and Sunday with Mr. and Mrs. Leonard Ramage and family. Miss Rosella Vallie who has been visiting the Christoffs for two weeks returned home.

Mr. and Mrs. Glen Gripton visited Mr. and Mrs. Gerald Benedict and son at Fenton, Sunday.

Sunday guests of Mr. and Mrs. Byron Covell were Mr. and Mrs. Ray Covell and daughter, Brenda Jane of Plymouth and Mr. and Mrs. T. L. Chisholm of Birmingham.

Mr. and Mrs. Bernard Waterbury and sons Darrel and Douglas returned home Sunday from a five day trip in northern Michigan.

Miss Luella Haynes and Mrs. Jennie Lowe of Ypsilanti were weekend guests of Mr. and Mrs. G. L. Gripton. Sunday callers in the Gripton home were Mr. and Mrs. Edward Gripton and children of Dearborn.

Mrs. Alice Palmer went to Lansing Monday morning to spend the next few days with a niece who was to undergo surgery Tuesday morning.

Mr. and Mrs. Robert Gibson and family were Sunday dinner guests of Mr. and Mrs. Thomas Feldman of Ferndale. Billy Feldman, who has been visiting in the Gibson home since Wednesday returned to his home and Barbara and Patty Gibson returned home after visiting since then in the Feldman home.

Mr. and Mrs. Milton Wells of Adrian and Miss Shirley Ernst of Ann Arbor were Sunday supper guests of Mr. and Mrs. John Keran and Kathryn. Mrs. Arthur Brockman of Birmingham called in the afternoon.

The Misses Kathryn Downing and Claudia Cook spent Sunday and Monday in Monroe with Mr. and Mrs. William Curry.

LOCALS

Mr. and Mrs. Lee Kelley, son Lowell and Joe Gregory were in Harrison for the weekend with their son and family Mr. and Mrs. Kenneth Kelley. Mr. and Mrs. Lee Kelley, Lowell and Joe left this week for a month's vacation in Union, Oregon with Mr. and Mrs. Roy A. Warren.

Practicing Only The Best In Pharmacy . . .

We say this without fear of contradiction. Wright's Pharmacy uses only the most careful procedures and finest products in compounding and dispensing prescriptions.

Besides this, there is always the prompt and friendly service for which Wrights is well known. These add up to the best in Pharmacy —superior prescription service at no extra cost.

Established 1850
C. A. Wright & Son
Prescription Druggists
Wall Paper • Paints • Farm Remedies

Green's Low Funeral Prices . . .

. . . include every cost. There is nothing to be added later unless so stated—no uncertainty for the bereaved.

The cost of the funeral at Green's will be low — probably lower than offered by any other funeral home within many miles.

You are invited to inspect Green's facilities, and know our finer service and low prices.

WHAT A PERFORMER!
WHAT A BEAUTY!
WHAT A BUY!

Unless you've actually driven a Pontiac with Dual-Range Performance*, you can't appreciate how nimbly it handles in traffic and how economically it cruises the open road with plenty of power to spare.

Add to Pontiac's plus-performance its distinctively beautiful styling, its luxurious interior appointments, its effortless Power Steering*, and you have a car that matches any on the road.

And when you learn you can get all this at a price only a few dollars above the lowest, you'll say, "Here's the car for me!"

We're ready and anxious to let you drive it yourself for first-hand proof that Pontiac is the best buy of all, from *any* standpoint. *Optional at extra cost.

Dollar for Dollar you can't beat a Pontiac

Ford Ranch Wagon

It's a 6-passenger sedan that "doubles" as a hefty hauler, too. Available with either Ford's high-compression Six or V-8.

Look again

There are 6 cars on this page!

Each of Ford's 3 great station wagons is actually 2 cars in 1!

No matter which Ford station wagon you choose, you get a roomy passenger car that converts to a cargo carrier in a jiffy! Take Ford's 2-door Ranch Wagon, for instance. There's room aplenty for six big people inside its hulltight Crestmark body. Or, by merely folding the "stowaway" seat into the floor, you have over 6½ feet of level load area. Ford offers two 8-passenger "quick change artists", too. And no matter which of the three you choose, you get foam rubber cushions and new spring and shock absorber action, easier-working suspended pedals, a choice of Fordomatic, Overdrive or Conventional and a host of other "Worth More" features that make Ford worth more when you buy it, worth more when you sell it. Drop in today and let us point them *out* for you.

Ford Country Sedan

This all-metal counterpart of the Country Squire is equally at home on the farm or "on the town". It's 8-passenger big, has nearly 8½ feet of load space.

Ford Country Squire

This double-duty beauty has room for eight or a half-ton of freight. Handsomely trimmed with Genuine Maple or Birch.

See them . . . Value Check them . . . Test Drive them!

America's largest selling station wagons . . . Ford

I'm Often Wrong

By Neil Hunter

AN UNINVITED GUEST — Have you had your minister over for supper lately? There's no one who would enjoy an evening with your family more. Invite him and don't worry about how fancy the food, and don't worry about how far you may have drifted from the ranks of a regular church attender.

Our better half was flat-tired on the shoulder of a busy highway recently. After a stream of cars whizzed past, who should stop to change the spare but a minister. After the operation, she tried in vain to pay. Finally she said, "Give the money to your church."

"Madam," he said, "you give it to yours, they can find a good use for it there."

●

NO ADVERTISING — Have you ever enjoyed reading that small magazine GUIDEPOST, A Practical Guide For Successful Living? Its 24 pages each month are full of the best reading, we really think you'll like it. And you'll never find an advertisement of any kind, it is supported by gifts; the small $2 a year subscription price probably doesn't pay for more than mailing. Perry Hayden, whom we always enjoy seeing downtown occasionally in his car nowadays, tells us much of the publisher Dr. Norman Vincent Peale and his outstanding effort to guide folks young and old in their daily way of life.

●

OUR GAMBLING FRIENDS — We were delightfully happy to read in last week's Herald of the bumper wheat crops our farm friends are realizing in these parts this year. Mighty fine indeed, and as it should be, for considering gamblers who vary from race tracks to poker tables, none take the long shot the farmer does. Horses might be rated "predictable" compared to farm markets, and then put your wager on crop failure from the elements, disease, etc.

Quietly, without fanfare the farmer places his bets. Day in and day out, year after year he does so every time he seeds a crop or puts in a batch of broilers. The market may be fine when they mature; or the bottom may have dropped out. The boll weevil or the army worm or blight may hit him, or it may not. There may be a flood, a drought, or a windstorm. Excessive rain may ruin his plantings. Diseases may hit his hogs; excessive heat may endanger his chickens. He never knows the odds.

City-folk often look upon the farmer's life as an easy one; as something to retire to someday. Frequently they are prone to complain that the government coddles him too much; that the price for this or that is too high at the corner grocery . . . and all those surpluses!

Yet, who else would run the risks, would do as much for as little?

●

LOVE THOSE STORIES — Somehow I just love to hear those moron stories for their delicate humor tickles my lungs to laughter.

One moron called another up late at night. "Is this Longmont eleven-eleven?" the first moron asked. "No," the second replied after stumbling over chairs, lamps and tables, "this is Longmont 1111."

"Oh, I'm sorry," the first said, "to wake you up at this late hour."

"That's alright," the second replied, "I had to get up anyway to answer the telephone."

●

AGE OF SLOGANS — The slogan's the thing these days for a successful business. Here's some local ones we've noticed.

You Phone, We'll Wire
You Call, We'll Haul
For the **Rest** Of Your Life

Those are all local, know any more good ones? We're always on the lookout for such, they're part of the age, pinball machine age we guess. Without a slogan you can't go into business.

We'd like to mention right here and now that The Herald is always awaiting your news. We're begging for your ideas, your snapshots, your funnybone tickler, your latest formula for making the world a better place in which to live.

There's no getting around our need every week for your ideas, for it's about you, and you, and you, etc. you that this and other newspapers are written. Never before have we made a stronger plea. Before it's too late to tell us, write to us, bring in a picture of that big vacation fish. One day we remember a feller comin' into the newspaper office where we was workin' out west and cuttin' his name plum off the subscription list for "I've taken this yar paper for over 20 years and hain't never had my bloomin' name in it onct."

Reason enough he had. We wrote the incident up in the next issue and he renewed for another 20 years. We had to explain that twas partly his fault for it takes two to do business——cooperation makes it so much easier; there's enough happiness in this world to go around for us all!

●

THOUGHTS WHILE SHAVING — We'd hate to be in a raspberry picking contest with our landlady, she has four quarts in the pail while we're still munching on our third handful . . . . picking pipsessewa is not only perilous to the pipsessewa but is liable to land the picker in the pokey . . . which means there's a state law that few observe which prohibits the picking at any time of certain wildflowers including trailing arbutus, birdfoot violets, native orchids, trilliums and pipsessewa . . . if you suffer from hay fever you are in the wrong part of Michigan for the upper third of the lower peninsula and the entire upper peninsula are almost pollen free. . . the state police force is in dire need for more officers on its staff . . . but don't apply unless you can fill some rigid qualifications . . . wonder if my tenderfoot scout badge would help? . . . We know a lot of people who sow wild oats during the week but go to church on Sunday to pray for a crop failure . . . try this one on grandpa: In the Hunter family each daughter has the same number of brothers as she has sisters and each son has twice as many sisters as he has brothers. How many sons and daughters are there in the Hunter family? Answer at the bottom.

●

DEAR DAD:

I think somebody's tryin to tease me here in Tecumseh now Dad by callin me Malcolm since I started writin' this I'm Often Wrong thing but I won't let 'em get away with it Dad. They're just saying Malcolm because a gent by such a name writes a column (not exactly like mine) over in the Motor City, that's not the real name of a city Dad, just a nickname for Detroit, because that's where they make cars. I sure hope they don't carry their teasing too far and start calling him Neil.

Here's a little poem I read Dad that rimes in a way but gives some good advice in another way.

Early to bed and early to rise,
And you'll never show red in the whites of your eyes!

Your son,
NEIL

Answer: Four sons, three daughters.

LOCALS

Mr. and Mrs. B. B. Everlove of Grand Rapids visited their daughter and husband Mr. and Mrs. Charles Manley and family over the weekend.

Mr. and Mrs. Maurice Lathers and children Nancy, Stuart and David of Ypsilanti and Dan Pitkin of Monroe were dinner guests of Miss Mary McWilliams Sunday.

Mrs. Ford Mudgett entertained a group of friends at her home on Pennington road Wednesday evening, honoring Mrs. Warren Steurer who is leaving for her home in Tarrytown, N. Y. later this week.

Mrs. Mary Matthews and daughter Helen and Mr. and Mrs. Jessie Nichols were in Flint Sunday to visit Mrs. Nichols' sister, Mrs. Lena Airgood.

Mrs. B. O. Bashore returned Tuesday from Berrian Springs where she had been a guest of her sister and husband, Mr. and Mrs. Richard Jorgenson.

Mr. and Mrs. Frank Fairbanks and daughter Judy are spending a month in northern Michigan near Gaylord.

Mr. and Mrs. George Adamson were guests from Tuesday until Thursday of her sister and husband Mr. and Mrs. L. B. Dimond at their cabin at St. Johns.

Mr. and Mrs. Charles McNair and daughter Carolyn of Royal Oak, Lester McNair of Adrian, Mr. and Mrs. Donald Rutledge and two children of Jackson and Mr. and Mrs. Ernest Gregory were Sunday guests of Mr. and Mrs. Carl Glancy.

Pvt. Jerry O'Brien and Pvt. Dean Pilbeam, both of whom are in training at Camp Atterbury, Ind., were home over the weekend visiting their respective families.

Mr. and Mrs. C. H. Giltner returned last week from a ten day trip to St. Petersburg, Fla. They left Monday for a week at Traverse City where they will visit former Tecumseh residents, Mr. and Mrs. Lee Jacokes and other friends.

Mrs. B. B. Turnbull is home this week from her lake cottage. She went there after her return from several months visit with her daughter and family in California.

COUNCIL INVITES FLUORIDATION INJUNCTION

Grim Water Outlook As Level Drops

VILLAGE CREWS BUSY WITH VARIETY OF CURB, STREET PROJECTS

What looked like a new supply of water for Tecumseh's increasing demand turned out to be a small vein and not a large underground pool as hoped. That was the second attempt to locate a new well this summer.

The first went down near Tecumseh high school and failed to produce. Then the well drilling rig sunk a point on South Evans near Porter Sand & Gravel. Water was struck at 58 feet but as the well head continued down, it passed through the vein, proving to be a shallow underground cavern which soon ran out.

Another try near Porter's was also unsuccessful.

So this week village council members are duely concerned over the situation.

For water consumption is mounting and the well levels dropping.

Last summer the community only used a million and half gallons of water a day for a few odd days, perhaps not more than a weeks total. This summer a million and a-half gallons have been used every day for 90 days. Both industrial and residential consumption is high.

A third site now under consideration is near The Pit. A fourth is east of Herrick Park.

Meanwhile, Village Engineer Ed Nelson and street superintendent Frank Hoekstra, who recently rejoined the village staff, are busy directing a variety of projects. Already six blocks of curb and gutter have been installed.

ASKS FOR BURT STREET SEWERS

In a signed letter to The Herald this week, Earl Dean Rowe states, "While the city fights and spends money on unessential fluoridation and the man power utilized on fine curb and gutters, Tecumseh's oldest residential section continues to go without sewers. I wonder if the state department of health would express their opinion about this."

Roe told The Herald he has been after sewer for Burt street for nearly 10 years and recently was told by the council that it was forthcoming, but with no noticeable results.

On his own property at Mill and Burt, Roe has dug an open ditch from his dry well to the street gutter. A step which he realized was against public health measures but might get some results.

At present curb is being placed on Pottawatamie between Ottawa and Oneida. Curb work is still scheduled this summer for one block on Logan, another on Union and then on West Brown.

Work will soon get underway at the new parking lot on Ottawa behind the fire hall. An old barn has been removed from the property village officials recently acquired. Nelson said the next step is removing the top and then graveling. The lot will be ready by fall.

A carload of oil will also be spread over a number of streets soon. First to be treated are Democrat, two blocks of VanBuren and a finishing coat on West Pottawatamie.

Over 1300 feet of sewer pipe is being put in place this week from Maumee and Water street to Burt to answer the problem there. The pipe was purchased last summer when saddles were put up to carry it over the long ravine.

BROTHER OF METHODIST PASTOR SPEAKS SUNDAY

Sunday morning services at the Methodist church will feature a visitor with a world wide vision. A brother of Rev. Ronald Brunger, local pastor, the Rev. Harry Brunger of Hong Kong will preach the morning sermon.

The Rev. Brunger escaped into Hong Kong after two and one-half years in China proper, when it came under Communist control. He has been working in Hong Kong for the past three years and returned to the United States by way of Europe, landing in New York last week.

APPRECIATION DAYS

Continued increase in public interest for Tecumseh's Appreciation Days was noted by Chamber of Commerce officials again Saturday night. Awards were presented to Mrs. James Sloan, Mrs. Dorothy Frolich, Mrs. Wayne Patton and Phillip Brown.

Dolls On Parade As Ninety Youngsters Enter Summer Recreation Doll Show

Standing in the winner's circle after a colorful afternoon of doll judging are these happy young ladies and their "blue ribbon" entries. Left to right, front row, Karen Ann Rumler, Sue and Diane Fuller, Cheryl Ann Haughn, Judith Snook and Sandra Bishop. Back row, Marjorie Chase, Carol Lynn Runk, Jean Harsh and Camilla Grigg. Nearly 90 other girls participated.

There were dolls that looked like girls — and little girls that looked like dolls.

There were other dolls, nearly a hundred of them, that looked like everything from South Sea island hula dancers to aristocratic European royalty, plus clowns, babies, brides and beauties.

For Friday was Doll Show day as ninety youngsters — girls and boys — many with their parents, joined in the first annual showing of its kind as part of Tecumseh's summer recreation program.

Directing the affair was Lester Runk and assisting was Tot Lot director Miss Joyce Warner.

The myriad of attractive dolls spread over a dozen tables on the lawn at Central school.

It would have required the judgement of Solomon to choose the winners and please all the little doting "mammas" but the judges, Mrs. James Barton, Mrs. Ray Sluyter and Miss Clara Waldron did their best. Inches were all that counted in the category of the largest doll and first and second ribbons went to Marjorie Chase and Camilla Grigg. The oldest was a tiny china figure in a metal cradle entered by Cheryl Ann Haughn and the second a one hundred year old cloth body with a fifty-four year old china head brought by Camilla Grigg.

First prize for the most foreign doll was divided between Dianne and Sue Fuller for exquisitely appointed twin dolls from Nice, France and a Mexican doll, entered by Dorothy Jean Nettleman, won second.

A tie for the most unusual doll was decided in favor of Joan Harsh for first and Judith Snook second for identical figures made of painted shells.

In the most difficult category, prettiest, first ribbon went to a blond beauty brought by Sandra Bishop and second to a demure little lady owned by Keren Ann Rumbler.

Cheryl Ann Haughn had the smallest doll and second place was decided by a draw between Dorothy Mackey, Carol Lynn Runk and Sandra Ringman, the long straw going to Carol Lynn.

There was no category under which Carol Ann McClure could enter the forty-four year old doll carriage in which she brought her dolls — but that did not mean it attracted little interest. Carol Ann and her mother had brought it down from the attic and cleaned and polished the leather hood and wooden wheels of what had once been the pride and joy of a little, girl of another generation, and while it won no prize it received much "honorable mention".

Dusty Streets Old Story In Tecumseh

BOULEVARD WAS ONCE FIGHTING WORD HERE

Housewives along the boulevard and detour routes through town who are trying to resign themselves to being able "to write their name in dust" these days, can take a wry comfort in the fact that thirty years ago their predecessors were doing the same.

Tecumseh's paved boulevard, which was part of one of the first hard surface roads built by the state, was completed in 1923.

Not, however, without a struggle of conflicting opinions, to boulevard or not to boulevard, that was the question. Widening the road sufficiently to permit a grassy center meant the sacrifice of one of the double rows of trees that bordered it from Adrian St. to Wyandotte. They made a beautiful avenue and there are those who can remember the pang their removal caused. "Boulevard" thirty years ago was a fighting word.

There were other points of disagreement too. On part of the miles of construction, the state used convict labor. There was a camp for the prisoners near Cambridge Junction and householders along the route shivered in their beds. Lovers of good horses (and horses were still an important part of the economy of the time) worried about the effect of pavement on their high-stepping feet.

But the most bitter pill was the increase in the tax burden of the "abuting property" owners. The first M-50 was built, not from gas tax money or state and federal funds, but in part at least from a tax spread on the property along the right of way. It involved farms and homes to the depth of a half mile on either side, and in many cases it meant real hardship. But the state road commissioner then was Frank Rogers and Frank Rogers was a local boy, or almost local, as he grew up on a Holloway farm, and local people had faith that at least they would get their "moneys worth."

When the road was all completed, they found their faith was justified. Believe it or not, refund checks were forthcoming to all those taxpayers whose property had been assessed for the highway. Some can still remember their dazed delight to receive something back from the "government." M-50 had cost less to pave than had been anticipated and the taxpayer probably for the first and last time, got a break.

"El" Hits Tecumseh

Elevated trains — famed in Chicago as the "El", for they travel on elevated tracks — moved into Tecumseh this week and will be running in the next few days.

For the railroad tracks which have run along Evans street for over a half century are going up — three inches.

That's why this week, and the first part of next, the business district is blocked off with snow fence barricades. Workmen on the New York Central are busy making the three inch adjustment to comply with Chicago boulevard's forthcoming blacktop surfacing of bituminous concrete.

When the tracks are finally raised on main street and properly tapered back to meet grade specifications, Tecumseh's main arttery of business traffic will be ready for its new surface. In case that portion of the summer road program is not ready to go into operation, the barricades will be removed and temporary wooden step-ups laid down for driving through town.

During the railroad track elevating, Knapp Construction is busy narrowing west Chicago boulevard and pouring the new seven-inch modified curbing which gets away from tire scraping. This section will also soon be ready for blacktopping.

Then the work shifts eastward where primary grading and the removal of one island between Ottawa and Oneida has already been completed.

Progress on the east bridge is running near to schedule and should be open to traffic early in the fall if the present pace continues.

Kids Invited To Swap Day Friday

SUMMER PROGRAM ENDS WITH FIELD MEET AUG. 7

"Bring your old toys, dolls, games, odds and ends and what have you," Lester Runk told all Tecumseh kids, "to the big swap day Friday."

It will be held at the Central school playground starting at 1:30 and held informally on a mutual exchange basis. Thus kids can trade off anything they have as long as they can make a "deal" with another youngster for something else.

"It's a lot of fun for all," the summer recreation director said.

Climax of the program will be a field day on Aug. 7 for all ages. And Mr. Runk advises boys and girls who will compete for a variety of prizes in a number of different groups — that the prizes are pouring in from merchants. They are all dandies, such as skates, zipper notebooks, toys, etc.

All kinds of contests and races for children through the eighth grade will be held with winners receiving prizes of merchandise rather than money.

Merchants are being called on by Mr. Runk or a member of his staff in an effort to secure a variety of prizes to make a successful field day for all ages.

Hospital Annex Opening Moved, Swimming Pool Progress Noted

Hopes for a summer opening of the new maternity addition to Herrick Memorial Hospital were dimmed this week when it was learned that the new east-wing structure will probably not be completed until October 1.

Outside construction has advanced on schedule but interior work is lagging behind the expectation of opening the modern maternity section in July or August. At present workmen are painting, laying flooring and starting room work. No windows have been installed.

Tecumseh youngsters are still holding out for a swim in the Joyce Andrews Memorial Pool this summer and their hopes may be answered as pool walls are fast taking shape and the bath house rapidly going up

Visitors to the pool site on the north end of Recreation Field noted the many developments this week.

Decide To Call Bluff After Two Weeks Of Agitation By Opposers

After two weeks of steady unrest, Tecumseh's village council went on record Monday night for an immediate "showdown" on the water fluoridation question.

In special session, the trustees unanimously decided to end the undercurrent and agitation by inviting an injunction if the rumor that there is a forthcoming court order is true.

A spokesman for the council felt that "no judge would issue such an injunction." And if he would, it is high time the matter was brought out and a legal hearing held.

The council considered a referendum but as this popular vote method of feeling the community's pulse had not been formally requested by petition, there was nothing they could do.

At Monday night's meeting, trustees had planned to act on an earlier petition filed by Earl Bryan, "Anti Fluoridation Committee" head, but found that it had been withdrawn shortly after presentation.

They briefly reviewed acceptance by the former council of $3,000 worth of fluoridation equipment in March, 1952 and mentioned that no complaint was received at the time. Elaborate equipment has since been installed as a public health measure. It was done in all good faith and will remain as a community service.

Fluoridation was briefly stopped last week while the water mains and hydrants were being cleaned but returned last Friday.

President E. M. Campbell said that an Adrian attorney, George Bean, representing the Anti-Fluoridation group, had told him this organization is seeking a temporary injunction and if served, the council will have to "show cause why the equipment should not be removed from the water plant."

The lawyer did not ask for a referendum, though one could be held in the fall when the charter vote will be taken. Only a direct stoppage of fluoridation was mentioned to Campbell.

Further discussion clarified the legal aspects of an injunction and the hearing involved. The council will have a chance to present their position and the public, in general, will be given a chance to hear the true facts of the program.

Since the opposers represent only a small share of the entire community, President Campbell thought it wise at this time for a neutral group to circulate "Pro-Fluoridation" petitions to show what a wide backing the program has. The matter received wide study and approval before accepted so the governing body feels they did not go into fluoridation "half-cocked and misinformed."

"Antis" Say Court Order On The Way

From the Anti-Fluoridation committee's mobile headquarters — Earl Bryan's green sound car which bears an "Operations Skull and Crossbones" poster — a promise was issued this week that an injunction against the village is forthcoming.

This is the same car that a few weeks ago told Tecumseh to VOTE NO ON INCORPORATION, THIS IS NOT RUSSIA.

Bryan said his group withdrew their petition from the village office because it was not accepted at the council meeting which attracted hundreds of his committee members.

But the petition was still on hand and since the fluoride was returned to Tecumseh's water, more support has been given the cause.

The injunction will be served in a matter of days, "probably this week." Lawyers from Clinton and Adrian are advising careful handling of the matter.

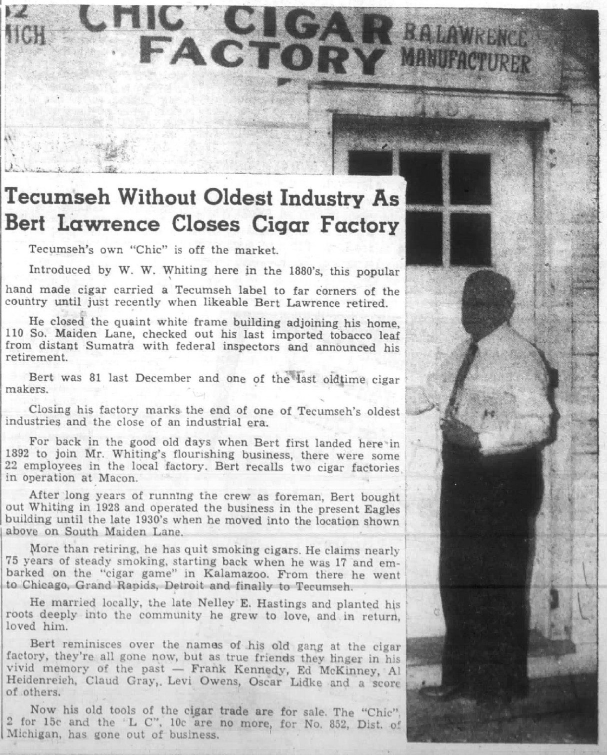
Bryan said the "Antis" have $10,000 to cover legal and court costs.

They are circulating new literature and broadcasting against the program throughout the business and residential area.

When he heard the council had asked for a "showdown," Bryan said, "They asked for it and they're going to get it.

"This thing has gotten so big it's going to explode right in their laps."

A Toledo Blade reporter-photographer was in Tecumseh Tuesday and interviewed a number of people for a Sunday feature story on Tecumseh's sentiments on fluoridation.



Tecumseh Without Oldest Industry As Bert Lawrence Closes Cigar Factory

Tecumseh's own "Chic" is off the market.

Introduced by W. W. Whiting here in the 1880's, this popular hand made cigar carried a Tecumseh label to far corners of the country until just recently when likeable Bert Lawrence retired.

He closed the quaint white frame building adjoining his home, 110 So. Maiden Lane, checked out his last imported tobacco leaf from distant Sumatra with federal inspectors and announced his retirement.

Bert was 81 last December and one of the last oldtime cigar makers.

Closing his factory marks the end of one of Tecumseh's oldest industries and the close of an industrial era.

For back in the good old days when Bert first landed here in 1892 to join Mr. Whiting's flourishing business, there were some 22 employees in the local factory. Bert recalls two cigar factories in operation at Macon.

After long years of running the crew as foreman, Bert bought out Whiting in 1928 and operated the business in the present Eagles building until the late 1930's when he moved into the location shown above on South Maiden Lane.

More than retiring, he has quit smoking cigars. He claims nearly 75 years of steady smoking, starting back when he was 17 and embarked on the "cigar game" in Kalamazoo. From there he went to Chicago, Grand Rapids, Detroit and finally to Tecumseh.

He married locally, the late Nelley E. Hastings and planted his roots deeply into the community he grew to love, and in return, loved him.

Bert reminisces over the names of his old gang at the cigar factory, they're all gone now, but as true friends they linger in his vivid memory of the past — Frank Kennedy, Ed McKinney, Al Heidenreich, Claud Gray, Levi Owens, Oscar Lidke and a score of others.

Now his old tools of the cigar trade are for sale. The "Chic", 2 for 15c and the "L C", 10c are no more, for No. 852, Dist. of Michigan, has gone out of business.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

EDITORIAL

UP FOR THE OCCASION — At they say in sports, we must have been "up" for the writing of last week's editorial, Some Kind Of Aluminum, perhaps aroused over the issue. For an avalanche of compliments has showered The Herald for its stand on the matter. All to our pleasure, of course, but also to our wonderment on why we do not receive more Letters To The Editor. Most of the recent letters from the public have been from persons with a cause. We would like to see a few letters for just plain old-fashioned cooperation, to unite the local effort toward a progressive movement.

Letters should be very concise and remember, you are writing a letter and not an editorial or an article. We invite letters to carry out the true function of a newspaper, this includes well informed discussion of timely matters.

A letter should clarify issues, correct factual errors, call attention to items in need of action or re-enforce what has been published by additional information. Both approval and disapproval are invited but should be accompanied by reasons or personal opinion.

Actually we should be swamped with letters, for there's hardly a person in town who doesn't believe to the point of argument, that he can run this newspaper better than it has ever been operated before. We have never known a banker, restauranter, laundress, salesman, farmer, lawyer, coffin maker, secretary, electrician, junk dealer, soda jerk, doctor, barber, politician or saloonkeeper who wasn't positive there is something wrong with the newspaper that they could change for the better.

We welcome their ideas, but get them off the street corners and into letters.

●

TB ON THE MARCH — The dollars that families of the Tecumseh area give for Christmas Seals each holiday season are helping to gain ground against tuberculosis. But a new study being distributed by the Michigan Tuberculosis Association shows that sanatorium treatment programs have forged ahead of campaigns to find TB.

Called "Tuberculosis in Michigan," the new survey was recently released by the Michigan Tuberculosis Association. It will be widely used as a basis for tuberculosis work in Lenawee county during the coming months. Success in holding down deaths from tuberculosis is largely a result of Michigan's effective hospital care program and of research. But Lenawee county, like the rest of the state needs to concentrate on finding TB in earlier stages.

●

MORE THAN ONE WAY — They say there's more than one way to skin a cat, and now that peace in Korea has been signed we'd like to deviate from the weekly paper's usual editorial policy of staying within the local realm to praise the plan of offering food to East Berliners and suggest the same for that war-torn Chinese peninsula.

People like to eat, no question about it. Response of East Germans to the American food offered at bargain rates proves that. They especially like to eat when they are on a near starvation diet, and that's what these Korean folks have been getting also, starvation rations for two years. And they're without a harvest again this summer in most sections.

What other program is so effective as the one now in use in Germany, for it demonstrates dramatically and practically that Communism's misrule has deprived people of food, while there is plenty in the free world. At last we are beginning to score in our propaganda.

Freedom, the right to vote, the right of free speech and free printing of opinion are, as we know, the basic background of the fact that we can eat, while other people cannot. But these abstract ideas are not as easy to sell as food. While Senator McCarthy argues about which books should go into overseas libraries for Chinese to read, we'd like to suggest a Sears catalogue, a bag of rice and a sack of flour — and now's key time!

Is That So!

By Miss Clara Waldron

Watching the gently seething surface of the preserving kettle of currant jelly conjured up a picture of all the generations of women who had done the same during July days in the past. With the pictures came the thought of how much modern science has done to make the preservation of food easier for the housewife. Dropping raspberries into a freezer box in a cool kitchen is a far cry from spooning them into a can from a steaming kettle atop a wood burning range; and the almost failure-proof formulas with the pectin compounds make jam in a matter of minutes.

Most things are better with the new methods — but currant jelly is not one of them. There the time honored formula is still best, the one that involves cup-for-cup of juice and heated sugar and careful cooking to that "full rolling boil when two (never just one) drops break from a silver spoon." Why a silver spoon, one wonders, or does this recipe go back to the time when only iron and wooden spoons were common in the kitchen and neither would do for this delicate operation? Anyway only this exacting process could produce that perfect result which, when spread on new-baked bread was nectar and ambrosia to an after school appetite.

Ironically enough, however, now that it is so easy for her to do so, modern markets make it less necessary for the homemaker to store fruit. Now a well stocked cupboard is largely a matter of personal preference; to her mother and grandmother it was a grim necessity. Yet what a satisfaction it must have been to them to look over those cellar shelves with their rows of two quart jars. Less than two quarts was a waste of effort for a family then.

The bushels of fruit and berries they represented were usually produced at home for nearly every farm or even town lot had its own trees, vines or bushes. Now the experts frown on the home attempts to grow fruit as being a source of infection to other orchards, because of lack of proper spraying; but about the turn of the century most farms had a supply of early every-variety. Then scab, scale, blight, borer and most of the other pests were unknown, although the codling moth must have been with us, for surely the gag about half a worm in an apple was hoary with age even then.

The mason jar that made large scale preservation possible came into common use a little before 1880 and for the next fifty years, mother, daughters and the hired girls "put up" fruit from the first rhubard in the spring to the last spiced Seckel pear in the fall. But before that only jams and heavy preserves could be made to keep, the latter usually in stone jars with stone lids sealed with beeswax. That was the age of the dried apple and to a lesser degree of the dried peach and "sunshine preserves" of strawberries and wild blackberries.

In using that method the early housewife followed the example of her earlier predecessor, for this area, which they used as a summer camping and hunting ground had been a fertile source of fruit for the Indians. The woods were full of wild blackberries, the Raisin river derived its name from the grapes which draped its banks, there was an Indian orchard of wild plums across the creek from the new Patterson school, and in the spring the "openings" were carpeted with wild strawberries.

When the author-traveler, Harriet Martineau, came through Tecumseh in 1837, with her critical English eye and her ear-trumpet, she commented on the delicious strawberries served to her in the local inn, and family remembrances include a grandfather's story of plowing meadow land all day with a stream of red berries going under the plowshare.

Those who knew them have said there was no other flavor on earth like that of a wild strawberry and it was John Burroughs who quoted the saying, "Doubtless God could have made a better berry, but doubtless God never did." P. S.—The jelly was O.K. but somehow it did not taste like that mother used to make.

Many Children To Benefit From Fluoride Program

Between 16,000 and 17,000 Michigan youngsters will get fluoride treatments this summer to prevent tooth decay in a special program being carried on by the public health dentistry section of the Michigan Department of Health in cooperation with local dentists, health, school and civic groups.

Students from the University of Michigan—15 junior dentists, 20 student dental hygienists and two graduate dental hygienists—are employed at a subsistence rate to give the applications, and to get the experience of working with youngsters and community groups which is so valuable in their professional training.

Children treated are from three to 13 years old. A treatment consists of a series of four applications of fluoride solution and will prevent an average of 40 per cent of new decay. The first treatment should be given when the youngster gets his primary teeth at around three to four years of age. Additional treatments are advised every three to four years afterwards up to the age of 13 to protect the permanent teeth as they replace the primary teeth.

The program will be carried on in 116 locations in 27 counties this summer—the third straight summer that the state health department has utilized student help in order to make this decay preventive available to rural youngsters and to areas which do not have fluoride programs during the school year.

GARDEN CLUB

Mrs. Robert Sage opened her Park street home Friday for the July meeting of the Garden Club. Twenty-two members gathered for a short business meeting and then enjoyed a most interesting and instructive talk and demonstration on flower arrangement by Mrs. W. H. Barton of East Lansing. She mentioned some of the basic rules to be followed for flower show entries and gave constructive criticism of the several arrangements brought by members, then made a most attractive bouquet of flowers from her own garden to illustrate her remarks.

Refreshments were served by the committee, Mrs. Charles Kempf, Mrs. Waldo Mohr and Mrs. Harold Wilson. Arrangements have not as yet been made for the August meeting but announcement regarding it will be made later.

FORD SCHOOL REUNION

A reunion of the pupils and teachers of the former Ford Schools will be held Sunday, August 9, 1:30 p.m. at the Macon town school. There will be a potluck dinner and those attending are requested to bring table service, sandwiches and a dish to pass. In case of rain, the meeting will be held in the basement of the Macon Methodist church.

BRITTON

The Baraca Philethea class of the Congregatinal Christian church will hold a bake sale and rummage sale Saturday afternoon and evening in the business district.

Raymond Hannah, who has been a patient in the Veterans hospital at Battle Creek came home Friday to spend ten days with his mother Mrs. Beulah Hannah and family. Mr. Hannah, who is blind, has had travel training and this was his first trip by bus alone.

Mr. and Mrs. Newell Brown and children of Morristown, N. J., and Mrs. Matilda Eichelburger of Brooklyn, N. Y. are guests of Mrs. Maria Pocklington and visiting in the vicinity this week.

Mr. and Mrs. Robert Harriott and Mr. and Mrs. Elwood Fairbanks recently returned home from a trip to Niagara Falls and Canada.

Mr. and Mrs. Ross Bradford and daughter Janice of Hillsdale were supper guests Saturday of Mr. and Mrs. Leland Kapnick and family.

Mr. and Mrs. Warren Lewis and daughters are spending this week at the Frayer cottage at Evans lake.

Mr. and Mrs. Benny VanEtten and daughter Judy and Mary Lou Fairbanks have returned home after a week's vacation at Evans lake.

Mr. and Mrs. Glenn Furgason and daughters and Mr. and Mrs. Gaylon Furgason and son are vacationing this week at the Benedict cottage at Wamplers lake.

Mr. and Mrs. Llewellyn Pilbeam and daughter Roxana have moved from Tecumseh to the home of her mother Mrs. Fern Smith.

Mr. and Mrs. John Werking and daughter of Altoona, Pa., and Mr. and Mrs. Karl Krebs of Tecumseh were recent callers in the Fern Smith home.

Mr. and Mrs. Duncan McPhee and Mrs. Chalmers Emery and children of Detroit spent Thursday with Mrs. Anna Scott and family.

Cpl. Richard Linn has returned to Fort Knox, Ky. after spending a 15 day furlough with his parents Mr. and Mrs. Virgil Linn and family. Cpl. Linn is a clerk at the base post offcie.

Mr. and Mrs. L. D. Henckle and daughters Joan and Sue have returned home from a trip to the west coast.

Mr. and Mrs. Byron Covell had as Sunday dinner guests Mr. and Mrs. Harold Covell and sons of Clinton. Bob Covell returned home with his folks after spending the weekend with his grandparents. Afternoon callers were Mr. and Mrs. Carl Hansen and daughter and Fred Hansen of Swanton, Ohio.

Pvt. and Mrs. Don Judd left Monday night for Junction City, Kansas. Pvt. Judd will be attending leadership training school at Ft. Riley for the next two months. Mrs. Judd has been visiting her parents Mr. and Mrs. Elmer Eberhardt and Patty for three weeks.

Mr. and Mrs. Gerald Benedict and sons, who are spending the summer at Lake Fenten were home Sunday and Monday called by the illness of his father, Raynor Benedict who entered Flower hospital in Toledo Sunday for surgery.

Gail Claxton, daughter of Dr. and Mrs. W. T. Claxton, will take one of the stellar roles in the National Music Camp's production of the one act comedy on small town Mexican folk entitled "Sunday Costs Five Pesos." Miss Claxton will play the role of Salome. She is a drama major at Interlochen.

TO SHOW FILM

A fifty minute colored film of India, "Harvest Time," will be shown by the Rev. Kenneth Weigel, a missionary from that country, at the Assembly of God, 210 W. Bidwell street, Wednesday evening, August 5, 8 p.m.

Tune-up for Quick Pick-Up!

Our scientific motor tune-up turns the trick for new economy, pep, and pick-up. Top-notch mechanics and modern equipment are at your service to assure your car perfect performance, safety.

Schneider's–Buick–Chevrolet
"The Dependable Garage"

ANNOUNCING . . .

The **BOSTON LUNCH** will be closed from Aug. 3 to Aug. 17. We wish to thank our many customers for their continued patronage.

FRIENDS BIBLE SCHOOL BEGINS MONDAY MORNING

Vacation Bible school of the Friends church begins Monday morning at the church with sessions from 9 to 11:30 a.m. All children are invited and lessons will be conducted by the Rev. and Mrs. Stephen Kiplinger of Damascus, Ohio. Rev. and Mrs. Kiplinger are experienced in religious education and Rev. Kiplinger is an accomplished chalk artist. He will also conduct the Sunday evening services at the church this week.

MARK ANNIVERSARY

Mr. and Mrs. Ned Kotts, whose fortieth wedding anniversary will occur August 6, are celebrating the event with an open house from 3 to 5 p.m. Sunday, August 2, at their home on North Adrian Hwy., 1½ miles north of Billington's corners. The event, which is being arranged by their children, will be preceded by a family dinner.

HOSPITAL Notes

Supplementing the hospital's regular staff of Tecumseh doctors and those of the surrounding area, who compose the associate staff is also the consulting staff, who are specialists in their particular field. Dr. Donald A. Parker has been consulting radiologist for the past four years. He has held the same position with Bixby hospital in Adrian during that time and makes his home in that city.

Dr. Bernard Steinberg, who has been director of the technical laboratory of Toledo hospital for many years is also director in our hospital on a part time basis. Dr. Steinberg is an outstanding authority in his field.

Dr. Arthur Brown is the specialist in dental surgery on the staff and in addition administers all gas anesthesia given at the hospital. He has had much special training in this very exacting, and very important work.

A new group of student nurses, all from Wayne University School of Nursing, replaced a previous class from the same institution July 5. They are the Misses Carol Peterson, Laura McCutchen, Sally Chan, Patricia Smendick, Margaret Coyle, Carol Schiepke, Erma Barnett, Fay Wilson, Annie Moore and Emma Reed.

Fried chicken can now be an everyday treat, thanks to the rapidly growing prepackaging industry. Above, Jean Allen, home economist for the Kroger Food Foundation, contrasts an old-fashioned partially-dressed chicken with today's prepackaged, pan-ready product.

———o———

SUNDAY SCHOOL PICNIC

Plans are being made for the annual Sunday School picnic of the Friends church which will be held at Wamplers lake, Saturday, August 8. Transportation will be furnished those meeting at the church at 9 a.m. All children not accompanied by their parents must have written permission to ride and swim.

———o———

MUSICAL TEA

The W. S. C. S. of the Methodist church is planning a musical tea in the church parlors, August 18 from 2 to 4 p.m. Mrs. George Wittrup and Mrs. Robert Bonner will have charge of the dining room, Mrs. Luther Wood of the tickets and Mrs. W. G. Waldron is program chairman.

Products Drops Game To Tecumseh, Ontario; Play Here Tonight, 5:30

It was a tired Tecumseh Products baseball nine that landed on foreign soil last Saturday and dropped a 15-3 diamond decision to the flashy Tecumseh, Ont., outfit.

But back home the locals have been burning up Adrian's Twilight league and tonight finish the regular season's schedule with a home game against Stubnitz-Green on Tecumseh's Recreation Field, 5:30 p. m.

Then Sunday afternoon the Products nine plans an afternoon pick-up game with an All Star outfit also from the Products.

Next week they swing back to Adrian and the Twilight league playoff tournament.

2-2 RECORD

Tecumseh's other baseball nine, the Farm-Merchants, dumped Cement City 6 to 2 Sunday to even their season's record at 2-2.

The F-M squad plans to take a weekend off and then go back into action at Cement City Aug. 9 for a return Sunday clash.

Boxscore for Farm-Merchants in their last victory over Cement City:

	ab	r	h	po	a
Benham, ss	4	0	0	2	2
Betzoldt, lf	4	2	2	1	0
Cameron, rf	3	1	1	0	0

Cordell Hull said it: "A rumor can run all the way around the world while the truth is still getting its britches on."

What kind of pictures are being painted by living American artists? The Toledo Museum of Art hopes it is answering this question through its annual summer exhibition of present-day American paintings. Shown here discussing Stephen Etnier's "Seven-thirty", one of the 59 pictures in the show, are Emil Weddige, associate professor of design at the University of Michigan, and Edith Hazzard, an Erie, Mich., teacher. They were among 30 teachers from Ohio and Michigan schools to visit the exhibition as part of a University of Michigan summer art course. Museum officials report that the exhibition has attracted many visitors from outside the city.

Florida produces nearly half of all grapefruits and oranges grown in the United States.

Jokers Hang On Softball Lead

A classy Jokers softball team kept a tight grip on first place in the summer recreation softball circuit with a 6-1 record with the United Products Workers nipped close behind, 5 and 2. Dick's Service is in second, 4-2.

In games next week, the Jokers take on Explorer Scouts on Monday, 7 p. m. with the Has Beens and the Products crossing bats in the nightcap.

Then on Wednesday, Dick's Service and FFA clash at 7:00 with the Jokers and Has Beens filling out the evening's play.

LOCALS

Mrs. Ella McNaughton, who has been a guest of Mr. and Mrs. E. C. Brandt, left Friday to visit her son, Raymond McNaughton in Ypsilanti.

Mrs. Dora Hardman and daughter Louise were guests of Mrs. Guy Pocklington and son R. S. Pocklington over last weekend and attended the Pocklington reunion Sunday.

Mrs Richard Lask and daughter Linda spent last week in Detroit as guests of Mrs. Lask's parents, Mr. and Mrs. Edward Allstradt.

Mr. and Mrs. Edward Bunge and two daughters spent last week at Copper Harbor in northern Michigan.

Mr. and Mrs. Wilfred Waldron were in Port Clinton, Ohio, Sunday, visiting Mrs. Waldron's sister, Mrs. Ida Kirk.

Mrs. R. F. Helzerman, Sylvia, Marilyn and Ralph, Mrs. James McDowell and Bruce and Mary Lou Partridge were in South Lyons, Saturday for the Kiwanis Horse Show. Sylvia entered her cold in the Arabian horse at halter event, and received fourth ribbon in a class of eight registered horses. This is the first show for Sylvia's horse, "Jilna" a two year old, which was competing with much older Arabian horses at this show.

Mr. and Mrs. Donald Nixon and daughters were in Niagara Falls, N. Y., for the weekend. Donna, Flora and Nancy remained to spend a week with their aunt and uncle, Mr. and Mrs. Harry R. Hunt and other relatives.

The Rev. Ronald Brunger worked last week in the Ann Arbor District Intermediate Camp of the Methodist church as counselor and song-leader.

Mrs. Lawrence Blum spent Thursday in Dearborn, visiting her sister.

Mr. and Mrs. Henry Hamilton and daughter, Mrs. John Hamilton and Mrs. Edward Escolme were dinner guests Monday evening of Mr. and Mrs. Donald Johnson in Cleveland.

Mr. and Mrs. Robert Herst and family of Ann Arbor were Sunday evening callers at the Methodist parsonage on Mr. Herst's sister, Mrs. Ronald Brunger and

Mr. and Mrs. Frank Cook and daughters Peggy and Patty of New Holland, Ohio, were weekend visitors of Mr. and Mrs. Elmer Bryan.

Golfers Open Annual Club Tournament

Defending champion Jim Wilson defeated Joe Rohweder three and two — three holes down and two to go — as the annual month long golf grind got underway for the local club's yearly championship trophy.

Finals will be strung out until Labor Day when a full gallery is expected for the final round.

Defending champion Kirk Smith trimmed Willis Porter five and four while the following duffers survived opening round play.

Championship Flight

Chuck Butler won a bye.

Vincent Haight beat Chuck Newell 2 and one.

Vincent Haight beat Jim McDowell one up in 20 holes.

Frank Purcell beat Joe Horvath 2 and one.

Tommy Rohweder beat R. H. Moore, 7 and 6.

Richard Haight beat Frank Smith one up.

Doug Murdock beat Dick Jennings 5 and 4.

Bobby Robison beat Jerry Osworth 3 and one.

First Flight

Don Smith beat Clarence Beach three and two.

Bob Bowers beat Herb Dillon 5 and 4.

Al Musch beat Gibbs Barber one up, 20 holes.

Hal Kelso beat Seymour Barritt 5 and 4.

Herb Dillon beat Virgil Tucker 3 and 2.

Second Flight

Frank Saxton beat Larry Blum one up.

Al Merz beat W. MacBeth, two up.

K. Luke beat Paul Keyser 3 and 2.

George McCombs beat K. Luke 4 and 3.

Tim Neill beat Frank Owen 3 and 2.

Third Flight

Chet Beach beat Jack Morehouse 1 up, 19 holes.

Gail Fisher beat Art Gisenhaver 6 and 5.

Jack Hanna beat Jim Elliot 7 and 6.

Women's annual championship tournament gets underway this week with a number of promising challengers for the trophy held by Mrs. R. H. Moore. Mrs. Don Nettleman is defending champ.

Caddies Win At Adrian 25 To 15

Ten of Tecumseh's leading caddies displayed their youthful drives and putts at the Lenawee Country Club in Adrian Monday and came home with a 25 to 15 victory — plus a full day of fun which included a weiner roast and entertainment.

Pro Leo Bishop is planning a return match and good time for the bag-toters here Aug. 10.

Local scores were registered by the following:

Louis Vargo	79
Val Spangler	88
Gary Hiser	93
Rudy Lopez	106
Junior Lopez	92
Marshall Boike	106
Tom Neitling	96
Jack George	95
David Lamkin	112
Chuck Duncan	95

The shade of the old apple tree should be cool, for the tree is supplied by four gallons of water an hour. An apple tree will draw that much water from the ground, making a total of 96 gallons a day. This is the amount it needs in order to replace the water constantly evoporating from its leaves and cooling the surrounding air.

"SOMETHING TO THINK ABOUT"

LOCALS

Sunday guests of Mr. and Mrs. Leon Williamson Sr. were Mr. and Mrs. Leon Williamson Jr. and daughters Charron and Ginger, Mrs. Donald Woodbury and daughters Karen and Ann of Peck, Mr. and Mrs. Howard Dawson and sons Mike and Pat of Ypsilanti and Mr. and Mrs. Robert Williamson and sons Bobby and Barry. The Leon Williamson Jr. family remained for a visit while enroute from Cherry Point, S. C., to their home in Santa Ana, Calif., Mr. Williamson being recently discharged from the Marine Corps.

STRENGTH FOR THESE DAYS

from The Bible

I am the Lord: that is My name: and My glory will I not give to another, neither My praise to graven images.—(Isaiah XLII, 8.)

The 'graven images' that so many of us seem unceasingly to be praising in thought and action these days are not of stone—rather they are the material symbols of fleeting security, comfort, leisure and pleasure. Once we get them, we are still unhappy. It is only through living in the Lord, serving and praising Him, that true happiness can be found.

Dr. and Mrs. Robert Larsen and children spent the weekend at the home of his parents, Mr. and Mrs. L. W. Larsen and while here attended the regatta at the Monroe Boat Club, Saturday. They left later for the east where Mrs. Larsen will remain with her parents while Dr. Larsen is in service in the Army Medical Corps. He will report next week at Camp Sam Huston, San Antonio, Texas. On the way he will spend Sunday at the Larsen home in Tecumseh.

Mr. and Mrs. L. W. Larsen and Mr. and Mrs. Kenneth Hildenbrand of Monroe will leave Friday for their cottage at Burt lake where Mrs. Larsen will remain for the remainder of the season.

Mrs. David Gibson and Miss Lillian Cannon were in Toledo Tuesday afternoon, called there by the serious illness of a relative, Mrs. John Camp.

POCKLINGTON REUNION

The 45th annual reunion of the Pocklington family was held Sunday at the home of Mr. and Mrs. Ted LaBounty on East Logan street. Seventy descendants of the Pocklingtons were present. After a bounteous dinner, Aubrey Pocklington, president, called a short business meeting, which resulted in the election of the following officers for the coming year: President, William Pocklington, Detroit; vice president, Mrs. Ina Swift, Britton and secretary-treasurer, Mrs. Stella Strong, Ridgeway.

The group was entertained during the afternoon by an informal program arranged by Mrs. Ray Puffer, which included accordion selections by Russell Rieve, recitations by Barbara and Jimmie Pocklington, a clarinet solo by George Rodgers and an extemporaneous skit in which several participated.

The meeting of the family group in 1954 will be held in the same home. Members were present from Detroit, Toledo, Ypsilanti, Dundee, Ridgeway, Britton and Tecumseh.

Consider The Value Of Experience . . .

The knowledge and ability of the Funeral Director means much. Experience can mean the difference between costly waste and dignified economy.

We offer the finest and most competent funeral service available. Our long experience and our sincere desire to serve assure the performance of this promise.

POLIO PRECAUTIONS

Gamma Globulin—obtained from human blood—gives protection for a few weeks. However, it is in VERY SHORT SUPPLY.

A vaccine is not ready for 1953. But there is hope for the future.

Meanwhile—when polio is around—follow these PRECAUTIONS.

RECOMMENDED BY THE NATIONAL FOUNDATION FOR INFANTILE PARALYSIS

MRS. LIZZIE FOSTER MISSED BY FRIENDS IN BRIEF ILLNESS

Residents of West Chicago Blvd., as well as her many other friends, are disturbed to learn of the illness of Mrs. Lizzie Foster during the past two weeks. Mrs. Foster, whose myriad activities belie the ninety years of the birthday anniversary she celebrated last December, is one of the many residents of this vicinity who came here from County Antrim when Tecumseh was young.

Until a short time ago, one of her hobbies was piecing and quilting coverlets and there are many examples of her skill in Tecumseh homes. Her doughnuts and cookies are famous among old and young alike, no "Over Fifty" potluck being complete without samples.

Mrs. Foster has lived alone until about ten days ago when her daughter-in-law Mrs. Bessie Aten of Jackson came to be with her. Her brisk walk and erect figure are being missed on "the street" and her many friends hope this illnees will be of short duration.

Mica is a mineral having the property of "perfect cleavage," so that when it is struck it splits cleanly along parallel lines into flat sheets or layers. It can be split so thinly that 1,000 sheets make a pile only an inch high.

Miss Comfort Weds Charles Anderson

Yellow and white was the color theme of the Friends church, when at 2:30 Saturday afternoon, Norma Jean Comfort, daughter of Mr. and Mrs. Russell Comfort and Charles William Anderson of Youngstown, Ohio, were united in marriage in a double ring ceremony performed by the Rev. Edward Escolme, assisted by the Rev. Gerald Anderson, of Wisconsin, a brother of the groom.

Given in marraige by her father, the bride was lovely in a gown of white nylon organza over taffeta, made with Peter Pan collar and long sleeves pointed over the hands. Her veil was finger tip length, with scalloped edges held by a beaded headdress, and she carried a white Bible, decorated with a cluster of white carnations and stephanotis, with satin streamers.

Marion Comfort, twin sister of the bride and maid of honor, wore a floor length dress of yellow organza and carried yellow carnations whiel the bridesmaids, Joyce Kopka of Tecumseh and Norma Jean King of Celina, Ohio, both college roommates of the bride, wore pink and light green organza pastels respectively with bouquets of rose and light pink carnations.

The flower girl, little Judy Faust, cousin of the bride, in a floor length dress of light blue, carried varicolored flowers in a white basket with blue ribbons, and Robert Comfort, also the bride's cousin, was ring bearer.

Jack Lund of Youngstown, Ohio, was best man; the groomsmen were F. E. Anderson Jr., brother of the groom and Albert Comfort, brother of the bride, while Carl Adams of Alliance, Ohio, and Kenyon Sprunger of Berne, Ind., acted as ushers.

The altar was decorated with baskets of yellow and white gladioli, yellow candles, palms and looped white ropes and the pews were marked by gladioli and bows of satin ribbon.

Miss Lelonel Groton of Ypsilanti sang before the ceremony, "What Has God Given," "Oh, Perfect Love," "Together Life's Pathway We Tread" and the dedication hymn, "Oh Jesus I Have Promised."

The mother of the bride wore white and navy print with white accessories, while Mrs. Anderson's dress was pink eyelet and her accessories also were white.

A reception on the church lawn for 150 guests followed the ceremony. Mrs. Naomi Sallows cut the four tiered wedding cake, topped with wedding bells, at a table decorated with fern, yellow bows and gladioli. She was assisted in serving by Josephine Powell, Betty Hayden, Carolyn Comfort, Lois Lawson, Marilyn Manley, Mary Louise Kotts, and members of the Quaker Fellowship class, while Martha Hayden presided at the guest book.

Mr. Anderson, son of Mr. and Mrs. F. E. Anderson of Youngstown, Ohio, is a senior at Cleveland Bible College and is employed at Eastman Kodak stores.

Mrs. Anderson, also a senior at Cleveland Bible College, works at the Millcroft Paper company.

They will reside at 3206 Prespect Ave., Cleveland, and when their college work is finished will enter the missionary field.

After the reception, the couple left for a short trip into northern Michigan, Mrs. Anderson wearing pink nylon with white accessories.

Guests were present from California and Wisconsin as well as from Detroit, Albion, Cleveland, Youngstown, Evanston, Celina, Battle Creek and Ypsilanti.

Extra interest was added to the occasion by the fact that the Rev. Escolme, who performed the ceremony, had also married the parents of the bride.

Are you making like a roller coaster? Having your u-p-s and d-o-w-n-s? Are you riding high one day — only to find yourself skidding swiftly downwards into the financial dumps? You can travel fast on a roller coaster — that's for sure. But, after the joy ride's over — how far have you been? Why, you really haven't gotten anywhere. So why not try the BEST way to get ahead — saving U. S. Defense Bonds each payday regularly on the convenient Payroll Savings Plan right here where you work? There's no trick to it, no fuss, no whoop-de-do. Defense Bonds just keep going - - - u-p-p! Start climbing to the top of the world NOW! Save U. S. Defense Bonds through Payroll Savings!

From where I sit ... *by* Joe Marsh

It's Fine To Be Fooled —Sometimes

Handy Peters entertained for the ladies of the Auxiliary the other night—and had the ladies believing for a while that he's the best marksman ever.

Handy put on a great act. He set up a whole bunch of balloons on a muslin backdrop and then took out his pea-shooter. He shot blindfolded, standing on his head, every which way—and broke a balloon every time!

No wonder Handy impressed the ladies. What they didn't know—till the show's end—was that Buck Mulligan was hiding behind the backdrop improving on Handy's aim with a hatpin.

From where I sit, we all get things "put over" on us now and again. When it's good-natured—fine! But, some folks would like to fool the rest of us into believing it's wrong to enjoy an occasional glass of beer—just because they prefer something else. For real American tolerance and neighborliness these people are simply "off target."

Joe Marsh

VILLAGE OF TECUMSEH SPECIAL COUNCIL MEETING

July 15, 1953

Present: President Campbell, Trustees McComb, Beach, Rohweder, Manwaring, Truesdale, Dricoll.

Absent: None.

Motion by Rohweder seconded by Beach the Village purchase a "Handi-Talkie for the Police Department at the cost of approximately $200.00.

Ayes: McComb, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

On motion meeting adjourned.

E. M. Campbell, President
Naomi R. Sallows, Clerk.

VILLAGE OF TECUMSEH SPECIAL MEETING

July 22, 1953

Present: Trustees McCombs, Beach, Rohweder, Truesdale, Manwaring, Driscoll.

Absent: President Campbell.

In the absence of President Campbell the president pro-tem Clarence Beach presided.

Moved by Rohweder and seconded by Truesdale to accept a petition to resurface two blocks on West Cummins Street and the petition was referred to the engineer for scheduling.

Motion made and seconded to permit Roy Carr to complete sewer across the river as was suggested by the Village Engineer.

Ayes: McCombs, Beach, Rohweder, Truesdale, Manwaring, Driscoll.

Nays: None.

On motion meeting adjourned.

C. Beach, President Pro-Tem
Glenn Driscoll, Acting Clerk

VILLAGE OF TECUMSEH SPECIAL MEETING

July 27, 1953

Present: President Campbell, Trustees McCombs, Beach, Rohweder, Manwaring, Driscoll.

Absent: Truesdale.

Meeting called for the purpose of discusing the condition of the Village Water Supply. Engineer Nelson reported the following: The Village Wells are pumping 2,500,000 gallons of water per day which is the capacity of our pumps. We have drilled four (4) test holes and have not located enough water in any test well to warrant putting in a well. The static level of water is continuing going down and it is necessary to find a new supply of water to keep in step with the growing demand. We are putting in additional services every day so we cannot expect anything other than an increase in volume.

Moved and supported the Village Engineer and President Campbell to contact the heavier users asking them to try and cut down on the use of water as much as is possible.

On motion meeting adjourned.

President, E. M. Campbell
Clerk, Naomi R. Sallows

VILLAGE OF TECUMSEH COUNCIL MEETING

July 20, 1953

Present: President Campbell, Trustees McComb, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Absent: None.

Minutes of meeting held July 7, 1953 read and approved.

Minutes of Special meeting held July 15, 1953 read and approved with a correction in the amount of the "Handi-Talkie", which should have been $361.17.

Ayes: McComb, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

An itemized list of bills paid July 20, 1953 is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for period ending July 20, 1953, $10,290.73.

Moved and supported bills as submitted be approved and orders drawn up for the same.

Ayes: McComb, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Motion made and seconded there being no objections to the petition presented from College Park Homes, Inc. for re-zoning of the property situated in the Village of Tecumseh, owned by Clark and Gladys Goodacre, from Class B to Class C homes. That frontage facing Burt Street, with a depth of 150 feet, excepted, the petition be approved.

Ayes: McComb, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported the meeting adjourned.

Ayes: McComb, Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

E. M. Campbell, President
Naomi R. Sallows, Clerk

HARMONY HOMEMAKERS

Mrs. Mary Cleveland was hostess, Wednesday, for the annual picnic of the Harmony Homemakers. Dinner was served at 12:30 to twenty-eight members and guests, and the afternoon was spent socially. Out-of-town guests were Mrs. Jessie Armstrong of Cincinnati, Ohio, and Miss Marjorie Boyce, St. Claire Shores, while Tecumseh guests were Mrs. Alta Boyce, Mrs. Thomas Ellis and Mrs. Edward Mark. There will be no August meeting of the club, the next being the third Wednesday in September at the home of Miss Edna Gamboe.

MACON

Miss Cora Hill of Ypsilanti was a Thursday guest of Mrs. Wilfred McCollum.

Mr. and Mrs. Farmer spent Saturday in Grand Ledge.

Leroy Burleson and Melvin Scheffler spent Monday in Albion attending a 4-H meeting.

Elmer Hintz spent Sunday in Baltimore, Ohio, attending a family reunion.

Gayle Herritt is visiting Janice Howell of Tecumseh this week.

Eddie Root of Ann Arbor is spending this week with his grandparents, Mr. and Mrs. Leon Veally.

Mr. and Mrs. Ray Schneltz and Mrs. Mable McCollum of Waltz, spent the weekend with Mr. and Mrs. Wilfred McCollum.

Mr. and Mrs. John Weichner returned Saturday after spending a week at South Diesel lake.

Miss Margie Vershum and Robert Leidel of Maybee spent Sunday at Wamplers lake attending a family reunion.

The Macon W. S. C. S. was host to almost 200 ladies of Ann Arbor district seminar and training school Thursday. The speaker of the afternoon was Mrs. Lawrence Ward of Milan, who outlined the study course on Jeremiah. Seminars were held in Brighton, Tuesday, July 28 and in Flat Rock, Thursday, July 30.

Born Thursday, July 23, to Mr. and Mrs. Herman Miller, a daughter.

Mr. and Mrs. Ralph Halladay entertained the Macon Community club Tuesday evening. Following a short business meeting, Mrs. Roy Heilman showed color slides of Grand Canyon, the Rocky Mountains and Florida. Ice cream and cookies were served in conclusion to the 32 members and guests present.

Among those attending the Judson-Collins summer camp this week are Karen Swanston, Margie Papp, Geraldine and Karen Beck, Phyllis and Ernest Gilbert, Bill Gorton, Truman Jordan, Dean and Donald Moore. The group left Sunday afternoon and will return Saturday.

Mrs. Irma Musolff of Dansville, was a Wednesday night guest in the Hamilton Moore residence.

Mrs. Joseph Bock and Mrs. Hamilton Moore entertained 30 friends and relatives Wednesday evening honoring Miss Margie Vershum, whose wedding to Robert Seidel of Maybee will take place Saturday, August 1 at 4 p.m. The evening was spent playing games. A yellow and white color scheme was used in decorating the former Miller schoolhouse where the shower was held. Miss Vershum received many lovely gifts.

Mrs. H. F. Moore spent Tuesday in Brighton and Thursday in Flat Rock attending the Ann Arbor district seminar and officers training school. She is district secretary of children's work.

Mrs. Dalton, who has been the guest of Mrs. Mary Howell for three weeks, returned to her home in Tulsa, Okla., by plane last week.

Wade Scudder received painful wounds while repairing his combine last week. A part came loose, striking him on the chin, knocking out a tooth. Ten stitches were required to close the cut.

Mr. and Mrs. Mike Papp and daughters were in East Lansing Thursday evening. Margie danced on the program for the Extension Homemakers conference.

The Macon Church Board met Tuesday evening and it was decided to have estimates made on the cost of a new roof for the church. A sale of imaginary shingles at $10 each has raised over half the cost of the roof. It is hoped that enough will be sold to finish paying for it. The committee will meet in two weeks to make final arrangements.

Mr. and Mrs. Walter Craig spent the weekend at their cottage at Harrison.

Mr. and Mrs. Ralph Halladay spent the weekend in Clinton.

Mrs. Verl Sanch and Mrs. Kenneth Ernst as co-hostesses entertained the Macon Homemakers Extension Club recently. Following a salad luncheon, Mrs. Charles Howell conducted a business meeting. The Homemakers conference to be held in Lansing was announced. Several plan to be present for Guest Day held on Wednesday. Mrs. Elwin Bugbee gave an interesting lesson on making costume jewelry from ric-rac. Mrs. Virginia Englehart will be hostess to the August meeting.

Mrs. Mills Swick was taken to University hospital, Ann Arbor, Thursday evening.

Mrs. Carrie Payne is confined to her home with an infection in her leg.

Thirty members of the Macon church were in Wellsville Sunday evening attending the Singspiration. The next one will be held Sept. 13 in Palmyra.

Mr. and Mrs. Arlo Reynolds and sons and Mr. Lamb of Farmer City, Ill., were guests of Mr. and Mrs Bert Bruder. Thursday evening Mr. and Mrs. Gerald Carey and daughters, Mr. and Mrs. Delmar Bruder and daughter, Mr. and Mrs. Edward Furlong of Ypsilanti, Mr. and Mrs. Asle Reynolds of Adrian and Mr. and Mrs. H. F. Moore and sons visited them. Mr. and Mrs. Chalmer Bruder and family of Belleville spent the day with his parents.

Mrs. Clifford Bruder and family of Lansing spent Monday afternoon and evening with Mr. and Mrs. Hamilton Moore. Richard Moore returned home with them after spending a week in

---

RECEPTION HONORS THE RICHARD HENKELS

A reception for 250 guests was held Saturday evening at the Legion Home honoring Mr. and Mrs. Richard Henkel, who were married July 3 in Angola, Ind. The bride, the former Sharon Ost of Adrian, and her husband were assisted in receiving by their wedding attendants, Miss Elsbeth Blanchard and Carl Henkel and by their parents, Mr. and Mrs. Lawrence Ost and Mr. and Mrs. Rhae Henkel.

Miss Beverly Ost was in charge of the guest book while Larry Ost and Carl Henkel arranged the many beautiful and useful gifts received by the newlyweds. A group of the bride's friends and schoolmates served the wedding cake and other refreshments, and music for the evening was furnished by Glenn Driscoll, who was the groom's teacher when he attended the Ford school.

Relatives present included Mrs. Linda LeClech and daughter Darlyne of N. Chicago, Mr. and Mrs. James Burns and family of Cicero, Ill., Mr. and Mrs. Gerald Graves, Cassopolis and Mr. and Mrs. Gerald Rowe, Brooklyn. Other guests came from Deerfield, Blissfield, Clinton, Toledo, Detroit and Adrian.

Mr. and Mrs. Henkel are moving into an apartment in the Hotrum house on E. Shawnee st.

CAROL PEARSON BRIDE OF SGT. ERNST TIEDE

A wedding of interest to many in Tecumseh took place Friday evening in the Devils Lake Community church, when Miss Carol Pearson of Addison was married to Sgt. Ernst Tiede, who recently returned from Korea.

The Rev. B. O. Bashore performed the double ring ceremony and the couple were attended by the bride's sister, Miss Connie Pearson, maid of honor, Mrs. Robert Phibbs, cousin of the bride and Miss Colleen Summer, bridesmaids, and Larry Patrick, Robert Patrick and Robert Phibbs as best man and ushers.

Mrs. Tiede was, until recently, secretary of the Tecumseh Chamber of Commerce and was well known to Tecumseh business people. She is now employed by the Primus company in Addison and the young people will live at Devils Lake, Addison R. R. 1. Mr. Tiede will work for the Lenawee county road commission.

RECEPTION FOR RECTOR

Following the 11 a.m. service at St. Peter's Episcopal church Sunday, a reception will be held in the Parish House for the new rector, the Rev. Edward C. Dickin. All members of the parish and guests have been invited.

From our EARLY FILES

1853

Married July 25, Sheldon Lewis and Alice Quackenbush of Tecumseh by the Rev. Wm. Burton.

The Raisin Steam Mill belonging to Cecil Clark of Raisin burned down for the third time Monday night.

1883

C. A. Blackmarr has put a new stage on the Tecumseh-Cambridge route.

Mrs. George Adamson has received from Thomas Adamson in San Francisco two large hand-painted banners which surpass anything seen here for fine art in the line of wall decoration.

An extension telephone line is being strung between Tecumseh and Adrian.

Arnold Bros. made 1700 loaves of bread last week.

1893

Elisha Woodward has completed the new driver's course on his farm west of Clinton.

The water main in front of Williamson's Refrigerator has been tapped and a stand pipe put in to fill the sprinkling wagon. 456 barrels of water are used daily for sprinkling the business district. The sprinkler holds 19 barrels and is filled 24 times a day.

Millions of small black insects are ruining the celery crop.

I. C. Wallcott has bought the Bresie furniture stock. G. H. Tansley will continue as undertaker.

1903

Professor W. H. Mason arrived here Monday from California, after an absence of 45 years, to visit his sister, Mrs. H. C. Daniels.

Married, July 25, by the Rev. J. A. DeSpelder, C. E. Smith of Bell Center, Ohio and Florence Stewart of Tecumseh.

1913

Mrs. Fannie Bryan has purchased the James Boyce house and lot on South VanBuren street.

The fifth annual garden party concert will be held August 5 on the lawn of Mrs. R. S. Moore.

New homes of H. S. Temple and F. M. Mulvaney on Union street are nearly completed.

The cornerstone of the new Catholic church will be laid in August.

John Linton has been appointed night watch in place of Ovid Marsh, who has resigned.

Oley Hanna has assumed control of the American Express Office, which will continue in the Gaston store.

1923

An American Legion Sports Day will be held here August 8.

The last cement has been poured and Chicago Boulevard is completed.

Born to Mr. and Mrs. Guy Beevers, a son, Guy Jr.

Will Graham threshed 638 bushels of wheat from 16 acres Monday.

William O'Riley and Edward Kefuss of Hudson have purchased the Lake View Resort at Devil's Lake.

4000 baby trout have been planted in Sand Lake.

1933

R. W. Mead fell from a load of grain Tuesday breaking the bones in his left foot.

The thermometer registers 99 degrees.

A wind, rain and lightning storm swept Lenawee Sunday afternoon and evening with heavy losses in some districts. Government thermometers registered 103 degrees at 4 o'clock and, during the first two hours of the storm, dropped 41 degrees.

Warren Puffer is spending the week in Chicago and attending the Century of Progress Exposition.

J. M. Ingersoll, Tecumseh's oldest Civil War veteran, celebrated his 92nd birthday, July 25.

1938

Born, July 24, to Mr. and Mrs. Bert Wilcox, a daughter, Marie-anna.

The wind and electrical storm of Tuesday morning, July 26, was one of the most severe in years and lasted for more than two hours. Lightning struck a tree in front of Dr. Arthur Brown's home on West Chicago Blvd.

1943

Henry Hamilton, who is with the U. S. Navy, is now a coxswain. He recently spent an evening with Yeoman and Mrs. Roldon P. Sutton in New Orleans where he is now stationed.

Raymond McConnell, a member of the state police, stationed at Marquette, has been transferred to Wakefield near Bessemer.

Born, July 23, to Mr. and Mrs. Gordon Greiman, a daughter.

Rehearsals are being held for the minstrel show to be given in the Recreation Park, August 27 and 28.

Perry Hayden's third crop of "Dynamic Kernels" was threshed July 24 on the one-acre plot just east of the Tecumseh hospital.

———o———

Letters To The Editor

Editor, The Herald:

All the king's men, all the court councils, all the sages of political mind could not keep the dust from rising on our fair boulevard.

Then woman's fury with all its power went to work and lo', no more dust!

God bless Tecumseh ladies. Let men take heed, women will not be denied.

George Schumm

Tecumseh BOOK SHELVES *Library*

(The third in a series of articles of the history of Tecumseh's Library).

It is seldom difficult to start a project, which is for the public good once the need for it has been shown, and the enthusiasm of the "Library Association" for the first little semi-public library carried it to a swift reality in October, 1883. For a few years, while the books were new, it coasted along on its originial momentum.

Then like most volunteer movements it became the responsibility and then the burden of a few. Most of them were women and the list of volunteer librarians contains the names of Augusta Lee, Jennie Rosacrans, Lizzie Hayden, Alice Satterthwaite (later Mrs. Charles Patterson), Kate Anderson (Dunn) and Alida James, all young ladies of well known families. Probably others helped of whom there is no record.

But books wear out and the nominal fees and fines were not enough to meet expenses. So more money was obtained through a series of entertainments, all of local talent and all, of course, held in the Opera House. There was a Mother Goose pageant, skits and tableaux of the characters, involving many actors and much dressing up. Another combined entertainment and advertising, a merchant's parade, in which the town's prettiest girls were dressed to represent various lines of merchandise. But the one most vividly remembered by the older citizens and which must have had the proper literary flavor was the "Dicken's Night." There were 167 characters in costume and it included the Pickwick trial scene, Fezziwig's ball and a parade of the participants down the aisles among the audience.

Expedients of this sort, which not only raised money but served to make the library seem to belong to everyone, kept the Association Library going for the remarkably long period of twelve years. By that time the original group was largely scattered and a change was necessary.

In 1895, an arrangement was made between the stockholders and the school board to merge with the small school library under the management of the school district, future expenses to be borne by the district. Another room was rented adjoining the original library, (on the second floor of the Union Hall—now the Sage building) a paid librarian was employed and it was open every afternoon instead of only Saturdays as in the past.

The first librarian was a Mrs. Huey, whose qualifications were probably her need of a job and who suffered equally from rheumatism and young people who refused to read the books she considered proper for their age and sex. There were now perhaps a few more than a thousand books on the shelves and newpapers and magazines were added to the reading room and now it was truly a public library, open to all who lived inside the school district, to those outside who paid school tuition, and to any other responsible person who wished to pay $1 per year. In fact in all but size it was the library of today.

———o———

This year's college graduates will find jobs plentiful and our advice to them is to get in one and work hard — so they can keep it when and if times become difficult.

LOCALS

F. E. N. Thacher and William Wright left Sunday for Hollywood, Fla., where they will join Mrs. Thatcher and Mrs. Wright and familly. Mr. Thatcher will remain in Florida probably until next spring while Mr. and Mrs. Wright will return in about three weeks.

Mr. and Mrs. Lynn Harris were in Allen, Mich., Sunday for the Fowler-Ives reunion. Their niece, Miss Barbara Schoeck of Ann Arbor was a weekend guest.

Richard Watkins, who has been receiving training and experience as an extern at Herrick Memorial hospital this summer, finished his work July 26. He will be a senior in the medical school at the University of Michigan this fall.

Midshipman Dale J. Bowen Jr., son of Mr. and Mrs. Dale J. Bowen Sr. of 2591 Occidental Rd. is among 330 seniors of the Naval Reserve Officers Training Corps undergoing six weeks summer training at the Marine Corps school at Quantico, Va. Bowen is a student in the NROTC program. Preparing for a commission in the Marine Corps, he is attending Purdue University.

Mr. and Mrs. Howard Truesdale, daughter Judy and son Billy, and Mr. and Mrs. W. G. Bryan left Saturday for the Truesdale cottage at the Hiwatha Club at Engadine. Mr. Truesdale and the Bryans will return in about a week while Mrs. Truesdale and the children will remain for the rest of the summer.

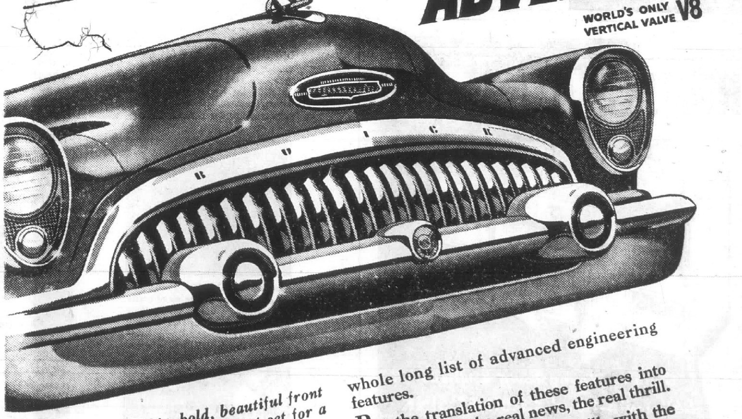
You're off to a NEW POWER ADVENTURE
WORLD'S ONLY VERTICAL VALVE V8



Get behind this big, bold, beautiful front—in the driver's seat—and get set for a new kind of automotive pleasure.

Get set for everything symbolized by the "V" of that ornament nestling in the nose of the hood.

Get set for the thrill of bossing the new V8 engine that crowns fifty great Buick years with record-high power.

This is an invitation to drive a 1953 Buick ROADMASTER—where you command the power of the first *Fireball* V8 engine.

It is the only American passenger-car V8 with vertical valves—for greater engine compactness, uniform oil distribution to valve stems, full turbulence in the fuel charge.

It is the first such V8 to reach 8.5 to 1 compression ratio—the first to exhaust through a muffler of zero power loss—the first with a whole long list of advanced engineering features.

But the translation of these features into performance is the real news, the real thrill.

You accelerate, cruise, climb hills with the effortless ease of almost limitless power—instantly responsive.

You barely hear the velvety purr of the power flow—yet you're handling the highest horsepower in all Buick history.

And since you have this with the other great engineering advance—Twin-Turbine Dynaflow—you get brilliantly new getaway with complete and utter smoothness through all ranges.

Want to try it? Want to take the wheel of the greatest performing Buick in 50 great years and judge things for yourself?

Drop in on us first chance you have, and we'll gladly arrange matters.

Living With Peace Of Mind

By KIRBY PAGE

We little realize how vast is our indebtedness to Walter Rauschenbusch, for he has helped us immeasurably to understand the gospel of Christ. He recognized the simple gospel to be good news about God and about man, a summons to right relationships. The will of God embraces all human affairs. We are challenged to love God, to love our families, to love our neighbors, to love our enemies. Because the gospel is a proclamation of good news about right relationship, it is necessarily personal and social in nature. The personal gospel and the social gospel are the two sides of the one simple gospel.

It was Walter Rauschenbusch more than any other individual who drove home this truth to the leaders of the churches in this country. For eleven years he ministered to the people of a slum area in New York, and came to know sin in its many subtle and blatant forms. He became familiar with personal sins, and he was overwhelmed by the ravages wrought by social sins—corruption by politicians, ruthless greed by corporations, grafting by officials of labor unions, discriminations by white people against Negroes and by native-born against immigfants.

Then he taught in Rochester Theological Seminary and wrote books. In 1907 appeared his famous volume "Christianity and the Social Crisis." Five years later came "Christianizing the Social Order." Great indeed is my personal indebtedness to Walter Rauschenbusch for the powerful impact these books made upon me during my college and seminary days.

Rauschenbausch was a pioneer, along whose trail thousands of ministers are now traveling, as they preach the simple gospel of right relationships with God and with man, a gospel intensely personal and at the same time utterly social.

BRITISH EXPERTS SOLD ON FLUORIDE

LONDON—British experts are convinced that the United States' practice of adding fluoride to drinking water as a method of reducing tooth decay is beneficial and they have recommended that the practice be adopted in Britain.

However, they also pointed out that Britons already absorb appreciable amounts of fluoride in their tea, which is rich in the chemical.

———o———

BRIDE-ELECT HONORED

Miss Pat Wilson was pleasantly surpised last week when her aunts, Mrs. E. C. Kiekard, Mrs. John Zeedyk and Miss Joan Giddeon entertained at a bridal shower for her at the Zeedyk cottage on Crooked Lake near Delton. Guests were all relatives and games were enjoyed, the prizes awarded being given to the bride-elect. Miss Wilson was also honored at a shower given for her by Mrs. Paul Breitenwischer and Mrs. Carl Fosbender. Herrick Park neighbors were guests on this occasion. Refreshments were served from tables decorated with flowers in pink and white and the bride-elect received many beautiful gifts. Games were the entertainment of the evening.

Russell Reum, son of Mrs. Lewis Scofield, left last week for Santiago, Calif., where he will enter the service of the U. S. Navy. In his honor a potluck dinner was held Sunday in Adams Park. Among the guests were Mrs. Edward Mackey, son James and daughter, Mrs. Forest Frayer, with Mr. Frayer and family of New Boston; Mr. and Mrs. Marvin Manning, Bellville; Mr. and Mrs. Donald Lee Jordan and family, Mr. and Mrs. Herbert Watkins, Miss Shirley Landis and Mr. and Mrs. Arthur Cubberly and family.

Mrs. Buck Maynard is in the University of Michigan hospital with a broken neck. Mrs. Maynard's room is on the fourth floor in Ward E.

Mrs. Elvin Witherell assisted in the Herald office last week in place of Don Blesing who was on vacation. This week Mr. and Mrs. Witherell left for Tomah, Wisc., where they will visit relatives for ten days returning by way of northern Michigan.

Mr. and Mrs. Ernest Gregory will leave the first of August for a trip of three weeks to Knoxville, Tenn. They will visit relatives in the vicinity of Knoxville and Chattanooga.

Jack Mohr Curtiss, son of Mr. and Mrs. J. L. Curtiss, was baptized at a private service, Sunday, July 5, at St. Peter's Episcopal church. The Rev. Henry J. Simpson administered baptismal rites and the families of both parents witnessed the ceremony. At the same service Bruce Edward Morton, son of Mr. and Mrs. Thomas Morton of Detroit was also baptised.

Letters To The Editor

July 27, 1953

Editor, The Herald:

This is the true copy of a letter which I recently received from the distinguished Mayor of Shawano, Wis., and wish you would pass on to your fine readers for the enlightening information contained therein:

Mr. Earl Bryan
Anti-Fluoridation Committee
Tecumseh, Mich.

Dear Mr. Bryan:

Your inquiry as to why our city rejected fluoridation in the city's water supply I wish to say that they tried to get this by the Council without the public citizens of Shawano knowing about it. We turned it down and feel that we should be congratulated. However, the die-hards circulated and presented a petition to the Council for a referendum and in our April election of 1950 it was over-whelmingly rejected. I felt that if an error was made by the Council refusing to fluoridate our water that I made it on the side of caution.

I feel that there are many unanswered questions about the effect of fluoridation in our water on the health of children who might be sick and on adults with a chronic illness to warrant a go-slow approach. It is too early to evaluate the effect of the fluoridation program. Even the Congress of the United States, House of Representatives, are viewing this fluoridation with caution.

Everybody seems to agree that fluorides in water had no effect upon the adult teeth. Fluorides put in communal water supply, everybody—including the lawn—gets a dose of fluorides. I for one will never submit myself to take a drink of that hemlock water. We all develop a tolerance to small doses of poisons, be they nicotine, alcohol or fluorides. A great percentage of children have mottled teeth when they consume fluoridated water. It has not yet been truly evaluated.

I would prefer you to the Honorable A. L. Miller, Member of Congress, 4th District, Nebraska, Washington, D. C. who can furnish you with a report No. 2500, 82d Congress 2d Session and also A. J. Skalski who successfully defended his anti-fluoridation program at Stevens Point, Wisconsin.

Cordially yours,
David H. Winter
Mayor
Shawano, Wisconsin

Why FORD'S your best buy!

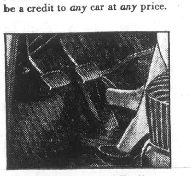
"WORTH MORE" IS THE ANSWER . . . IT COSTS SO LITTLE TO BUY . . . SO LITTLE TO RUN . . . AND HAS SUCH HIGH RESALE VALUE!

The *best buy* in an automobile usually means the amount of pleasure and satisfaction the owner gets from his original investment, *plus* low day-to-day running costs, *plus* the amount of value he recovers when he sells his car.

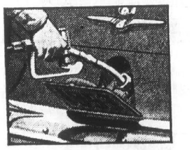
What is it that makes Ford *your* best buy? Is it the fine styling and craftsmanship of its Crestmark Body . . . or its new "ride" with curve-hugging and bump-leveling qualities never before known in low-priced cars? Or is it Ford's famous V-8 or Mileage Maker Six? Maybe it's the easy way the car handles with Fordomatic Drive, or Ford's Master-Guide power steering! Perhaps it's Ford's suspended pedals, or Center-Fill Fueling or Full-Circle Visibility!

Actually, it's not just any one or two of these fine things that make Ford your best buy. *It's all of* Ford's "Worth More" features combined . . . features which make Ford worth more when you buy it . . . and worth more when you sell it!

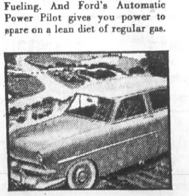
"Best buy" where you ride! Ford's foam-rubber cushioned seats, front and rear, are sofa-wide and sofa-soft. Interior fabrics, color-keyed to Ford's smart outside colors, would be a credit to *any* car at *any* price.



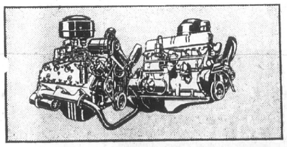
"Best buy" where you drive! Ford's suspended pedals operate more easily . . . eliminate dusty, drafty floor holes. And Ford drivers have a choice of Fordomatic Drive, Overdrive or Conventional transmission.



"Best buy" at the gas pumps! When you need to "fill 'er up", you do it the modern Ford way with Center-Fill Fueling. And Ford's Automatic Power Pilot gives you power to spare on a lean diet of regular gas.



"Best buy" on the road! The rougher the road the better your Ford likes it because Ford's new "ride" cuts front end road shock *alone* up to 80% . . . babies you over the bumps . . . and cuts sideway on turns.



"Best buy" in engine power! Only Ford in its field offers you a choice of V-8 or Six. Ford has built more V-8's—over 13,000,000—than all other makers combined. And Ford's Six—the most modern in the industry—with Overdrive, won the Mobilgas Economy Run Grand Sweepstakes!

"Best buy" in power steering! Ford's Master-Guide (available on all V-8 models) supplies hydraulic "muscles"—automatically whenever you need them—to do the work of steering for you. All you do is *guide* the car. Makes all driving easier, and safer. And parking's so easy!

I'm Often Wrong

By Neil Hunter

OUR HUMBLEST THANKS — We have to bow our head in honest thanks of gratitude to the many, many wonderful people of Tecumseh who have spoken to us in the past two weeks about this I'm Often Wrong thing which we take so much pleasure in writing. Whenever it looms to the proportions of a weekly burden, we think of the grand compliments so many of you have expressed. We hope that business goes both ways and we can someway lighten the load of your daily life. Wouldn't it be wonderful if everyone could stop long enough to say "Thank you" for this or for that and add "You are doing a good job." For a fellow doesn't have to write a column to be a service to his community. Take a gas station attendant, a haberdasher, a fry cook, a salesman of any sort, a clerk, or what have you; we all have our place in this big wide world, and in Tecumseh.

Rev. Escolme gave us some more dandy business slogans.

Our Business Is Moving.

Feather Your Nest With a Little Down.

When Your Clothes Are Not Becoming To You, They Should Be Coming to Us.

Perry Satt, one of those fellows who always has something good to say, has a give away this week: Glass canning jars, lots of them, many with tops, and all must go for free. Call at his home any morning.

Pat Maynard, daughter of the Harry Currys and wife of Buck Maynard, is recovering from a broken neck after an automobile accident, over in University hospital. She is in Ward E, 4th floor and would more than appreciate a visit if in Ann Arbor. Wouldn't it be a wonderful boost for her over those long hours and days of recovery if we could shower her with cards from Tecumseh.

What's happened to letter writing? Once an everyday pleasure, now it's nearly a forgotten art. We once knew a very fine lady, in every sense of the word, who wrote a half dozen note cards each day, many times to people she never knew. If a boy won a 4-H prize for fat cattle showing at the county fair, she would drop him a note of encouragement for the fine work he'd done. It's not a big matter of international importance, but one of those little things which make life a little more worth living.

Janice Saling returned alone by plane from Davenport, Iowa to Toledo. The 10 year old daughter of Mr. and Mrs. John Saling had been visiting with her grandmother (Mrs. Earl Kendred, John's mother) and made the thrilling trip back home alone by air.

We sincerely appreciate your help in keeping us posted on such tiny bits of this and that which are not always news but of interest to your friends and neighbors.

●

ANOTHER SLOGAN — Since the state has decided to go into the advertising business, we'll have to go along with the slogan already selected for next year's license plates, "Water Wonderland."

For Michigan has 11,307 inland lakes and over 3,000 miles of shoreline, so the traveling slogan fills the bill for the '54 plates.

We've been reading a lot lately about Michigan's Isle Royale and have to tab it our number one pick as the spot for a perfect vacation. From what we have read, Isle Royale is unique among the twenty-eight national parks in its wilderness setting, isolated as it is from the mainland by many miles of Lake Superior waters. Actually Isle Royale Park consists of more than 200 small islands. The main island, Isle Royale, is about forty-five miles long and nine miles across at its widest point. There are many lakes on Isle Royale, the largest having an area of six square miles.

The rocks of Isle Royale are very old, having been formed perhaps nine hundred million years ago. On the island are the remnants of the original copper pits of the Indians, as well as the ruins of old mines. Moose, beaver, coyotes, mink, muskrats and snowshoe rabbits are common. Many varieties of trees and flowers add to the scenic beauty of the area.

Not enough of us citizens of Michigan, or the rest of the country, know about this outstanding natural wonder.

●

LAUGHING TOGETHER — Trying to find hapiness is like trying to catch a butterfly, you can chase it all day in all directions, but if you sit down and calmly view the world, it will come and light on your shoulder.

To laugh is to be free from worry
Who doesn't worry lives a long time
To live a long time is to last
Therefore he who laughs, lasts.

To illustrate: There was a lady standing at the rail of a race track. Just before the race was to begin she quietly tapped a gentleman standing alongside and asked, "Could you please lend me a safety pin?"

"Sorry lady, I don't have one."

Just then over the loudspeaker the announcer shouted, "THEY'RE OFF!" And she fainted!

●

NOT SO TOUGH — Dick Pearson not only set us straight on last week's puzzler, but suggested this one for easier figuring. Try it on grandpa: You have two pails, one seven gallon size, one four gallon, neither are calibrated (marked with measurements) and you have an unlimited supply of water.

The problem is to MEASURE OUT FIVE GALLONS. It's easy, try it, answer below.

●

COFFEE CHATTER — Puppy love can be the beginning of a dog's life . . . last year 8,600 Americans literally walked themselves to death, for they were pedestrians killed in motor vehicle accidents . . . old gardeners never die, they just spade away . . . some people are always surprised to see how well the neighbors' kids turn out . . . one kind of motorist who never seems to run out of gas is the backseat driver . . . in Alaska they recently postponed a baseball game because of a volcano!

●

DEAR DAD:

We're wondering what the Chamber of Commerce is going to report next January for its accomplishments during the first six months of the year, when all the merchants gather at the Country Club.

Of course, Dad, Tecumseh's no different than a lot of other towns — people here all want progress, activities and better things for the community, as long as it's all free and doesn't require any personal effort.

Your son,
NEIL

●

(Answer — First fill the four gallon pail, dump it into the seven gallon pail. Then fill the four gallon one again and dump that water to the brim of the seven, leaving one gallon in the four. Then dump out the seven entirely, pour the remaining one in the seven, fill the four gallon pail, add that to the one already in the seven and you'll have the required five).

RIDGEWAY

Mr. and Mrs. Harold Miller of Adrian visited friends in town Thursday evening.

At the annual meeting of the Ridgeway school, the following officers were elected: President, Raymond Bird; secretary, William Spreeman; treasurer, Clarence Kruger; trustees, Clifford Southard and David Taylor. A contract to build a new addition to the school has been given to the Joseph Pope Construction Co. of Monroe. Work will begin in the near future.

Mr. and Mrs. Charles Smith of Ann Arbor called on his aunt Mrs. Gertrude Birdsall and daughter Friday evening.

The Misses Lulu and Julia Gilmore spent Friday night with their sister Mrs. Alta Boyce of Tecumseh and Miss Marjorie Boyce of St. Clair Shores.

The United Workers met at the home of Mrs. Sarah Fletcher Thursday evening with Mrs. Marjorie Niblack as co-hostess. Devotions were led by Mrs. Mina Miller and a very interesting program was presented by Miss Mary Boss. The president Mrs. Edith Southard conducted the business meeting after which refreshments were served by the hostesses.

Mrs. Robert Ries entertained a group of friends in her home honoring Miss Donna Spencer who will become the bride of Ernest Ward July 25. Miss Spencer received many lovely gifts for their apartment in the Exedby house. Refreshments were served by the hostess.

A very successful two weeks of Bible school closed Friday evening with a program in the Nazarine church of music and work done by over 100 children who attended the school. A large number of parents and friends attended.

Mr. and Mrs. Walter Bird had as guests over the weekend his brother and family from near Menominee.

Mr. and Mrs. Robert Hite and son of Hillsdale were Sunday guests of Mrs. Estella Hite.

Mr. and Mrs. Wayne Filter have purchased the George Myers property and are moving in this week.

Mr. and Mrs. Julian Strong were Sunday guests of Mr. and Mrs. Frank Bartle of Flint.

Mr. and Mrs. Elmer Linn and Miss Florine Linn were guests of Mr. and Mrs. John R. Miller and daughter Ruth of Ypsilanti, Sunday.

Mrs. Warren Benham is in Herrick Memorial hospital following an operation for appendicitis Saturday.

Vacation Bible school of the Church of the Nazarene closed Friday with a program in the evening. One hundred thirty-two children were enrolled with an average daily attendance of 111. Perfect attendance was achieved by 73. Teachers in the departments were Beginners, Joyce Taylor, Elaine Lawhead and Edith Kimerer; Primary, Mrs. Florine Baker, Mrs. Ruby Willett, Mrs. Eleanor Bushrow, Mrs. Vivian Bandy, Jean Merritt, Alice Lawhead and Mrs. Izola Dickerson; Junior girls, Mrs. Anna Smith and Mrs. Iris Slick; Junior boys, the Rev. and Mrs. Bearinger; Intermediate, Mrs. Leona Hathaway; Bible, Mrs. Ruth Hall; Music, Mrs. Eula Avery and Mrs. Naomi Spohr. Director of the school was Mrs. Gladys Hardesty.

Mr. and Mrs. William Sackett and family have moved to rooms in Mrs. Mildred Robinson's house.

Mr. and Mrs. Leslie Marks and daughters left Thursday morning for a trip through northern Michigan, the Wisconsin Dells and other points of interest, returning Sunday evening.

Mr. and Mrs. Wilson Spreeman, Mr. and Mrs. Daniel Linn and Miss Florine Linn acompanied Patricia and Virginia Linn, Janie, Gloria and oJe Spreeman to Big Star lake, where the children remained at the Oddfellow-Rebekah camp for the week.

Mr. and Mrs. Clare Pocklington and family of Royal Oak were Sunday guests of his parents, Mr. and Mrs. Elmer T. Pocklington. They all attended the Pocklington reunion at the home of Mr. and Mrs. Ted LaBounty in Tecumseh.

Rev. Lorne Carter of Monroe called in town Saturday evening.

Mrs. Hattie Wood returned home Saturday after spending four weeks with her daughter at Albion.

Mr. and Mrs. William Kiefer returned to their home in Greer, S. C., after a visit with her mother, Mrs. Stella Hite.

Mrs. George Myers, a former Ridgeway resident, has been taken to University hospital from the Parrett nursing home in Tecumseh.

Bertram Gilmore and Randall Hall of Lakeworth, Fla., Miss Marjorie Boyce of St. Clair Shores, Mrs. Alta Boyce and Clarence Gilmore of Tecumseh were recent guests of the Misses Lulu and Julia Gilmore.

J. Barlow Wood of Detroit spent the weekend with his mother Mrs. Hattie Wood.

Mrs. Oscar Schiller of Albion called in town Saturday.

Howard Wilson was an Ann Arbor visitor Sunday.

Mr. and Mrs. W. J. Keifer have returned to their home at Greer, S. C., after a visit with Mrs. Stella Hite.

LOCALS

Mrs. Neil Pearson and Miss Ann Carson returned Friday from a week's trip through the east. Their destination was Auborn, Maine where they visited Mr. Pearson's brother and family, Mr. and Mrs. Harold Pearson. Enroute they stopped at Watkins Glen, N. Y., drove through the Catskills and saw Concord, Lexington and Cape Ann. Mrs. Ella Louise Brandt and sons, who had been visiting in Maine, joined them for the return trip which took them through the White and Green Mountains, and included a visit to Niagara Falls.

Mrs. R. K. Anderson is entertaining this week her granddaughter and husband 1st Lt. and Mrs. Robert Hughes and daughter Robin. They have just returned by air from three years in Germany where Lt. Hughes has been in service. They were preceded to Tecumseh by the family dog, a German boxer named Axel, who made the trip by boat.

Mr. and Mrs. A. J. Rood left Sunday for their home in Detroit after spending the week with Mrs. John Carson during the absence of her daughter Miss Ann Carson. Another guest in the Carson home on Sunday was Mrs. Joe Ten-Brink of Ann Arbor.

Gerald Roberts of 209 W. Pottawatamie, left Monday for Howell where he entered the sanitarium for an indefinite period of observation and treatment. Mrs. Roberts, the former Mrs. Erna Friemanis, whose marriage to Mr. Roberts is being announced, will have the care of his children during his absence.

Mrs. Lloyd R. Rhein and son Peter are spending the week with Mrs. Rhein's sisters, Mrs. R. W. Herrick and Mrs. M. D. Faust at the Herrick summer home at Macatawa in northern Michigan.

Mr. and Mrs. Jens Touborg and family and Mrs. Touborg's mother, Mrs. George Monroe of Fremont, have returned from a combined business and pleasure trip in the northwest. Most of their time was spent driving through Oregon and Washington.

Mr. and Mrs. Orville Laidlaw entertained Sunday Mr. Laidlaw's cousins, Mr. and Mrs. Harry Warden of Langsburg and Miss Evelyn Voss whose home is in Ludington.

Mr. and Mrs. Lewis Schultz spent Sunday at Keego Harbor with their daughter, Mrs. Fred Randall and family.

FOR A HOME OF YOUR OWN
— SEE HANNA'S

THREE BEDROOM—Immediate possession — on East Pottawatamie street. Well landscaped lot — 1½ car garage. Home has had best of care. We will be glad to show this home anytime.

Weeds in the mind are like weeds in the garden — easiest to eliminate if caught young.

THE TECUMSEH HERALD

A public record of news and advertising printed in Tecumseh since 1850.

ONE HUNDRED SECOND YEAR — NUMBER 44
TECUMSEH, MICHIGAN, AUGUST 6, 1953
FIVE CENTS A COPY

Village Leases Parking Lot On South Pearl St.

A free parking lot on South Pearl street between the late Dr. H. H. Hammel's office and Bailey's Shoe Service has been officially leased by the village for a two year period. The lot belongs to the federal post office department.

Long used by the general public for a parking lot, the area will now be maintained by the village.

At the same time, engineer Ed Nelson said that progress is being made at the Ottawa street free parking lot which will soon be in use.

Also at Monday night's council meeting Nelson said that test wells are being drilled this week on the Al Tonneberger farm, north Union street. The water supply problem was again a main topic of council discussion.

A petition was granted Leo Lohrman Jr. and Charles Hand to operate a stamp store at 503 W. Cummins.

A two-year rate contract with Consumers Power was tabled for further consideration.

A resolution was read for the second time and tabled which clears up the village policy of collecting taxes. Under the new resolution taxes assessed and spread during the spring or summer will cover the expenses of the village for the year following that particular spring or summer.

Hospital "Team Work" Impresses Panama Nurse

It is the efficient administration, and what might be termed the "esprit de corps" of Herrick Memorial Hospital and its nursing staff, that has most impressed Miss Rosa E. Perez of Panama City, during her visit at that institution the past two weeks.

Studying in the United States under the Point Four Plan, Miss Perez, who is associate director at St. Thomas school of nursing in Panama, is spending six weeks at Wayne University for advanced work in nursing education. She is in Tecumseh in conjunction with the group of student nurses from that school, observing administration and supervision methods in a small hospital.

Dark eyed and petite, Miss Perez, a Panamanian whose native language is of course Spanish, speaks excellent English of which she says all of the staff and many of the patients at her native hospital have at least a smattering. In the nearby Canal Zone it is of course the official language.

St. Thomas hospital has a capacity of 800 patients and a staff of about 100 nurses most of whom have been trained in its nursing school. The attending doctors, after receiving their premedic work at Panama University, have all had advanced work elsewhere, a few in the larger hospitals in Chili, Brazil or other South American countries, a few others in Europe, but most in the United States. In fact, she says, it is the hope of all medical students to come to this country some time in their career.

This is Miss Perez' second trip to the U. S. Previously she spent six months at Johns Hopkins University, studying neuro-surgery and this time she has been at Harper hospital for a short period as well as at Wayne. Both courses of study have been under a scholarship from the Point Four Program and the inclusion of Wayne's nursing school indicates its high standing in medical circles.

Miss Perez accompanied the student nurses from Wayne, who are currently working in Tecumseh, on the tour of town and country always given such groups and expressed keen interest in the homes and industries and especially in the farm life, which in this case was exemplified by a visit to the Guy Hoover farms at Clinton. The tour also included the Girls Training School at Adrian and, in light of the recent adverse publicity given that institution, it is of interest to note that both Miss Perez and the student nurses expressed the opinion that, considering the facilities, very good work was being done there.

When she leaves Wayne, Miss Perez will return to Panama City, by way of Washington, D. C., where for one week she will join other foreign students who have been in the states under Point Four for a discussion and evaluation of that program.

—o—

NO MEETING

There will be no August meeting of the Petit Salon, 8 and 40. The group will meet the second Monday in September at the Wamplers lake cottage of Mrs. Louis Schneider.

DRILL TEAM SCORES HIGH AT STATE LEGION CONVENTION

Some fancy steps by the Underwood-Orr American Legion Auxiliary drill team scored 81 points out of a possible 100 Friday at the state convention in Detroit.

As the local team was the only auxiliary group entered, there was no competition, but the 81 points scored by judges compares favorably with 83 awarded to the top men's drill team.

Nearly 40 from Tecumseh attended the annual state gathering.

—o—

Rotary Challenged By Missionary

REV. H. A. BRUNGER TOLD OF HONG KONG LIFE

"Are you prepared to live in the new age?"

This was the challenge made to members of the Rotary club by the Rev. Harry A. Brunger, representative of the International Y.M.C.A. in Hong Kong. The Rev. Brunger, brother of Rev. Ronald Brunger, local Methodist pastor, spoke Tuesday evening to the regular meeting at the Country Club.

Mr. Brunger told of experiences had by him and his family during their five year residence in Canton, China and the British crown colony of Hong Kong. He told how Hong Kong has grown from a small Chinese fishing village to a modern cosmopolitan city of some two million inhabitants.

The Brungers went to Canton in January, 1948 when conditions were not stable. To pay a light bill, Mr. Brunger said, one or two servants were required to carry the money, indicating the inflated economy of the country. With such conditions, the people of Canton were quite impassive over the coming of the Communists in 1949. At first the situation was better, but after the outbreak of the Korean War, it became advisable for them to leave Canton.

During the time Brunger and his family lived in Canton, they watched the change of that city from a Nationalist to the present Communistic government. He said that he applied for exit visa to leave China after the war broke out, for his usefulness to Chinese Christians had then ended.

Mr. Brunger concluded by telling about the Rotary club of Canton and their activities before they disbanded in 1950 after the Communists came into power.

—o—

Second Robbery At Ben's Market

For the second time in three weeks, thieves entered Ben's Market late Sunday night and left a trail of destruction and vandalism after stealing $8 in change.

Three weeks ago intruders were more successful as they took $70 on a Tuesday night robbery. They were never traced down.

Late Sunday night, or early Monday morning, a second attempt was less successful. Only $8 in petty cash was taken as the bulk of the store's money was in a safe, which could not be jimmied open.

After their failure to obtain a sizeable amount of money, the thieves turned to vandalism and destroyed produce, dumped papers around the market and poured ink on fresh meat.

A collection of Canadian coins, once owned by the late Ben Hammack, founder of the market, and two meat knives were also taken.

Police chief George Kilbourn and state troopers investigated.

—o—

ONLY BUYERS NOT WELCOME AT NEW BILLY STILL HOME

Home from Ann Arbor's big University for good, Billy Still more than welcomes visitors — except when they want to buy the house which he and his family cherish as a "happy home."

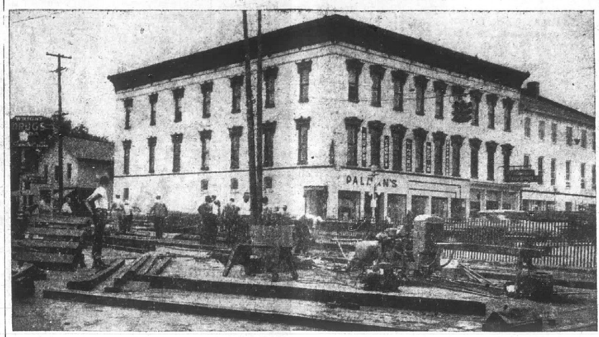
Billy went to the hospital just a year ago this month with dreaded polio. Of course the March of Dimes and the Infantile Paralysis Foundation stepped in to meet the mountainous hospital bills while Mrs. Still and children lived in a small frame building just south of Clinton.

It was during the fall that a volunteer Good Samaritan group took over building a home which Billy had started. It was finished before Easter and the Stills moved in only to await the return of father, Billy.

Released from the hospital, he has been rapidly improving and enjoying life at home with his family.

But last week a real estate ad listed a brick-crete home between Tecumseh and Clinton. But it wasn't Billy's no-siree, not on your life. Billy enjoyed visits from buyers in the long hours at home, but he clearly explained to all that his was not the house advertised for sale.

Don't Fence Me In!



Swan song of Tecumseh as it looked in yesteryear might be "Don't Fence Me In" as barricades and detour signs everywhere direct traffic away from the construction of progress. For the new is fast taking the place of the old as the above picture shows. The road block above is at Chicago and Evans, main downtown intersection as New York Central tracks go up to jibe with the forthcoming resurface of Tecumseh's main east - west artery. Raising the tracks three inches is a major undertaking as the Herald photo clearly shows.

Local Industry Employs 4,000

TECUMSEH HIRES ONE QUARTER OF COUNTY

Non-agricultural employment in Lenawee county soared to new heights in the first half of 1953, but dropped off by nearly 800 during the 30 days prior to July 15 due to lay-offs at several industrial plants.

A survey of 227 establishments in Lenawee county, wherein eight or more persons are employed, reveals a total of 17,073 wage and salary workers of which 3,945 are females. One year earlier, a similar survey encompassing 214 or 13 fewer establishments, accounted for 13,661 employed individuals, including 3,143 females. The 13 new or expanded to eight or more employee establishments, account for 207 workers.

Tecumseh's employment of nearly 4,000 accounts for nearly a quarter of the county's 17,073.

Lenawee county's employment expansion is found to be principally in the manufacturing establishments, wherein a gain of 2,910 workers occured during the past 12 months.

Earlier surveys taken in July, 1951 found 14,177 persons on local payrolls and 15,627 at mid-July, 1950.

—o—

LIFE SAVING CLASSES CONTINUE AT THE PIT

Duane Furbush, who has conducted swimming classes for the summer recreation program during the last six weeks, announces that while regular classes closed last Friday, special adult life saving work will continue until the first of next week.

In connection with the regular swim program just concluded, some pupils have continued to come to the Pit to complete tests in beginner, intermediate and swimmer's categories. Announcement of the successful applicants in junior and senior life saving will be made in the near future.

A new swimming pool, a new bridge, a new school, new curb and gutters, new paving and a new and wider Chicago boulevard all add up to more face-lifting than Tecumseh has known in its 126 year of village existence.

But to the motorist's inconvenience, much of this progress construction means temporary inconvenience. You can't travel straight through town east-west wise without a number of detours.

In fact one motorist Tuesday drove in from the north of M-52, saw a detour sign at Burt street, turned east following the arrows to Billmyer road, drove south to M-50, turned back west, but was stopped at the bridge, went south on Rogers highway and finally got into Tecumseh over Blood road.

Such is life in the "wayside village which boomed on a diet of ice cubes."

Soon the main street will open and motorists will drive over a new surface of bituminous concrete. The east city limits bridge over Raisin river is also advancing as Ruckman-Hansen workmen eye an early fall completion to tie in with the new pavement, moved south from the old location.

The school projects are reported lagging behind schedule but hopes are still high for use of at least the new Patterson building when classes open.

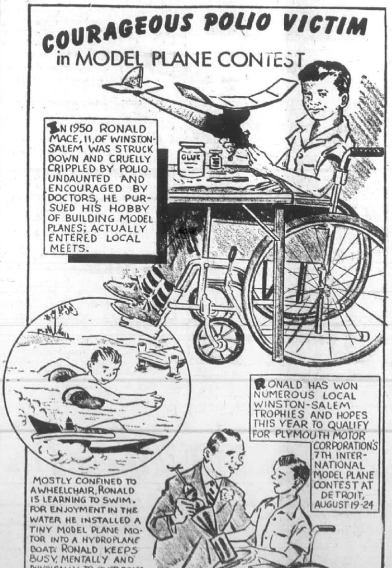
Prospects for use of the Joyce Andrews Memorial Swimming Pool are still high for later this month.

—o—

BASEBALL ACTION ALL OUT OF TOWN

Little baseball action is slated for Tecumseh in the next two weeks as the Products nine are engaged in a season ending tournament in Adrian this week while the hard-hitting Farm Merchants play at Cement City Sunday, 2 p.m.

A full round of recreational softball games will be played on Monday and Wednesday nights next week.



COURAGEOUS POLIO VICTIM
in MODEL PLANE CONTEST
IN 1950 RONALD MACE, 11, OF WINSTON-SALEM WAS STRUCK DOWN AND CRUELLY CRIPPLED BY POLIO. UNDAUNTED AND ENCOURAGED BY DOCTORS, HE PURSUED HIS HOBBY OF BUILDING MODEL PLANES; ACTUALLY ENTERED LOCAL MEETS.
GLUE
RONALD HAS WON NUMEROUS LOCAL WINSTON-SALEM TROPHIES AND HOPES THIS YEAR TO QUALIFY FOR PLYMOUTH MOTOR CORPORATION'S 7TH INTERNATIONAL MODEL PLANE CONTEST AT DETROIT, AUGUST 19-24
MOSTLY CONFINED TO A WHEELCHAIR, RONALD IS LEARNING TO SWIM. FOR ENJOYMENT IN THE WATER HE INSTALLED A TINY MODEL PLANE MOTOR INTO A HYDROPLANE BOAT. RONALD KEEPS BUSY, MENTALLY AND PHYSICALLY, TO OVERCOME POLIO.

Council Still Waiting For Court Order

Anti-fluoridation activities were the last thing in the minds of Tecumseh's council members Monday night as they sat in regular session.

For after inviting the opponents of fluoridation to "come forth with the long threatened injunction" a week ago, the local lawmakers have heard fewer and fewer rumbles against the public health program to prevent tooth decay in youngsters here.

The council is still waiting for the injunction which they believe will never be served.

Meanwhile in another meeting Monday night, a 74-year old Toledo dentist who has been active in anti-fluoridation groups elsewhere, told interested citizens in meeting at the American Legion Home that, "the local officials who poisoned the water with sodium fluoride are criminals who are killing unborn children and old men and women."

A brisk discussion concluded the meeting arranged by Earl Bryan. Dr. Robert J. Murray and Dr. William Britton discussed the local fluoridation program and cleared-up some misunderstanding about the chemical involved and the service.

In a signed statement to The Herald this week, Mr. Bryan wrote:

"To the people of Tecumseh, I Earl Bryan wish to say that from all the information I have received concerning this slow poisoning of our people, from Washington and all the universities over the nation I have been fighting for the protection of all our people's health.

"The same thing that is happening now happened to our Savior at Cavalry. He was the purest soul who ever lived, yet they crucified Mim.

"I want the people to know here in Tecumseh that I have pledged my heart to truth and things that God stands for in this fight. For without His help it is a useless fight and we are all lost. He is my only refuge.

"Three cents will get anyone in this village the Congressional Report at Washington in the Congressional Record. Please send for same.

"I ask no one for money or help, although I have offers from several sources, God bless them.

"And I wish to say further, that if we are not our brother's keeper, then we surely do not love God and truth. Myself, I love all my people in this community, that is why I have been neglecting my work and trying desperately to see that justice is done for my people here and I wish to further state that if I lose this fight to save our people as Christ lost his life to save them, my heart is clean and will take the beating He did for right and truth."

Earl H. Bryan
and the
Anti-Fluoridation
Committee.

CONTRIBUTE TO POOL

Members of the Garden Club donated $25 to the Joyce Andrews Memorial Pool at their last meeting.

—o—

MISSION FESTIVAL

Grace Lutheran church will observe their annual mission festival Sunday, the Rev. O. Kreie of Belleville conducting both services. Services will be held at 8:30 and 10:30 a. m. with Sunday School at 9:30 a. m. Children are asked to attend choir rehearsal Saturday from 9:30 to 11:30 a.m.

Protected By Prospect? Towering Hill Diverts High Winds From Tecumseh

It may be just one of those "that's what they say" things, but it is comforting nevertheless. Anyway it was a U. S. Weather Bureau man who said it first.

That Prospect Hill, the highest point of land in this region, seems to be located at exactly the right spot to the northwest, to divide, divert, deflect or in some way to detour the worst of southern Michigan's storms so they miss Tecumseh.

In the memory of oldtimers there has been at least one cyclone south of the village and in 1920 another tore through the Macon-Ridgeway area, leaving a path of death and destruction. Often Tecumseh residents have had the experience of watching a twisting, rolling mass of wind torn clouds passing over head and of learning later that damage was inflicted farther east.

So if you are one of those who gets "goose bumps" in a 98 degree temperature, at the sight of greenish black clouds piling up in the west, take heart.

Even though the humidity presses a hot, wet hand on your shoulder and, in the pre-storm hush, you shudderingly recall the "cyclone signals" so kindly supplied by radio broadcasters after the recent tornado epidemic, put your faith in old Prospect. It has never (business of knocking on wood) let us down yet.

Sorry, No Signature

This week The Herald received a very well directed letter from an "Interested Citizen" on the dust situation up and down the boulevard; but according to policy it cannot be printed for public reading — it is unsigned.

The letter carries thoughts we have all had during the road building dilemma, but none have taken time out to personally express their views in black and white. If the person who wrote this fine letter would care to send in his name, The Herald will print it next week.

Letters are warmly welcomed, for in most cases they are informative and parallel the thinking of the general public. If you have never sent a letter to the Editor, address one on any of today's controversial subjects or local issues.

—o—

Please Return All Hammers

If you receive a carpenter's hammer with this week's issue of The Herald please return it to Robb Builders who have literally taken over the editorial office this week.

For while putting in a new front, the pair of dextrous workmen have taken over, "Move here, please, now move there," etc.

Between hammer blows and wrecking bar screeches they have set in a new, modern aluminum door, cement walk-in and removed part of the old front, making this week's publishing job a fresh air project.

We'll be back to normal soon and sporting a new look!

—o—

Village Gas Tax Receipts $4,858

Tecumseh's village treasury is $4,858.93 richer after receipt of the community's share in Michigan's motor vehicle highway fund as provided by law in 1951. The money is collected by the state and quarterly distributed to villages and cities.

Under the 1951 act, all of the state gasoline and weight taxes, the diesel fuel tax and a small amount of miscellaneous fees are deposited in the state motor vehicle highway fund, which was created by the act. After deductions for non-highway uses and collection costs the rest of the money is divided as follows: 44 per cent to the State Highway department for expenditure on state trunkline highways in both rural and urban areas; 37 per cent to the counties for expenditure on county roads, and 19 per cent to the cities and incorporated villages for expenditure on their roads and streets.

Under the above distribution formula, the State Highway department will receive $11,740,358.62 as its share of the second quarter of 1953 motor vehicle highway fund collections; the counties will receive $9,872,574.29 and the cities and incorporated villages will receive $5,069,700.31.

This is one of several state sources which distribute revenue to Tecumseh and other communities.

—o—

New Building To Replace Station

A Tecumseh branch office of the Adrian Federal Savings & Loan Association will soon be going up on the site now being cleared at 140 W. Chicago Blvd., where the B & B service station was located. This has been a station under numerous owners for the past 15 years. The property was recently sold by Harold Wilson to the Adrian banking firm.

Actual possession was taken Aug. 1. After the B & B station moved out wrecking crews moved in to level the old building and clear the site for immediate construction of a new, modern one story building, part of which will be rented for retail store purposes.

Harold Sherman, president of Adrian Federal, said completion of the new structure is expected in November.

Meanwhile Harry Morris has been granted a building permit to put up a commercial structure on the corner of Ottawa and E. Pottawatamie.

Field Day Friday

Seventy-five prizes will be awarded youthful contestants in three groups Friday as boys and girls of all ages vie in a Field Day program at Recreation Field.

Merchants have contributed a variety of awards so that prizes will go to winners in three classes, seven years of age and under, ages 8, 9 and 10 and ages 11, 12 and 13. Each class is split between boys and girls who will compete in such events as candy scramble, running races, baseball throw and others.

Following the events, free refreshments will be served to all attenders. The field day completes the summer recreation program.

Officials will be Lester Runk, Joyce Warner and Ruth Heimerdinger.

All boys and girls are invited to attend whether they have actively participated in the past recreational program or not.

HEALTH DEPARTMENT
HDA
APPROVED

This Sign Is For Your Protection

Whenever you see this green-and-gold sign displayed at a resort you can be sure that a sanitarian from a Michigan health department has been on the job to protect your health. The signs are issued to resorts which have been inspected by a sanitarian and found to meet the standards of sanitation recommended by the Michigan Department of Health.

A resort which displays the sign provides safe drinking water, clean toilets, clean and well-ventilated buildings and safeguards for protection against a number of common hazards.

COMPLETES TRAINING AT FLINT INSTITUTE

Larry Drewyor will be numbered among those receiving diplomas and certificates at the 26th annual commencement exercises of General Motors Institute in Flint, August 7. Mr. Drewyor has been a student at the institute for the past two years, sponsored by G. H. Fisher Motors under the dealer cooperative training program. He will return to Tecumseh and continue employment at Fisher's after graduation.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.

Published By Estate Of Earl L. Wickwire.

Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

EDITORIAL

ON THE MARCH — Michigan's health is improving so that the Wolverine state now ranks near the nation's top in public health. Michiganders are also now living as long as people of any other state. For all this, no organization deserves more credit than the state's Public Health Service, which is enjoying its healthiest year.

The versatile service is headed by a well-rounded staff of physicians and medical advisers who have YOUR health in mind. Now in its 81st year of existence, the health department is considered the finest in the country. It was established in 1873, fifth oldest in the nation.

Among recent facts issued by the PHS, include life expectancies this year of new born babies which say boys will now live to an average 66 years while girls will average 72. Michigan's death rate is nine per thousand, well below the nation's normal, in fact few states claim as good health!

●

MOST HAZARDOUS — The first 25 miles away from home are the most hazardous when you're driving an automobile. For 61% of the drivers involved in the 33,000 fatal motor vehicle accidents last year lived within 25 miles of where the accident occurred, 21 per cent lived elsewhere in the state and 18 per cent out of state.

A Utah judge offers a unique idea to cut down on traffic violations. The court requires a written statement by each violator on the subject of obeying traffic laws!

●

GOOD BUSINESS AHEAD — Scattered signs on the nation's ecomonic horizon could spell a "slightly lower level" of business in the next several months, however no sizeable downturn is yet in sight.

The federal reserve bank, which should know, watches the levels of supply and demand rise and fall very carefully to maintain a safe financial condition.

A development which could have a depressing effect on retail trade is the apparent desire of more consumers to save rather than spend. The net inflow of savings to financial institutions during April and May was 20 per cent over a year ago and higher than any time since the war. To date, however, the rapid rise in consumer credit has offset the stepped-up savings pace.

On the agricultural front, the farm price problem is still a major trouble spot, according to the bank. Wholesale prices of farm products dropped 3 per cent in June and by June 30 were 14 per cent below a year ago. Most farm products shared in the decline.

Despite weaknesses which appear to be developing, the bank points out that business is presently continuing near record levels. Furthermore, any tendency to decline is expected to be limited by important factors of strength present in the economy. Among these are: (1) well-filled steel mill order books, (2) defense expenditures slated to remain at current levels for the balance of 1953, and (3) record business outlays for new plant and equipment expected in the third quarter.

●

$64 QUESTION — We ask editorially for the good of a better community for the answers to these three questions, all of the $64 variety, which were submitted to The Herald as a service to the reading public.

- Who put up the $10,000 for the Anti-Fluoridation committee?
- Are the persons working on the campaign being paid for their efforts?
- Is there any connection between this and the anti-city form campaign?

Is That So!

By Miss Clara Waldron

The Herald office is having its face lifted—or had you noticed? It is also having other operations performed for its beauty and preservation, and, since a paper cannot be printed under ether, the operation hurts. But, when one has reached the ripe age of seventy-five, a few repairs are necessary, especially when those seventy-five years have been spent at hard labor and for the same cause.

It was just seventy-five years this summer when Benjamin Swan, father of Fred and Dr. Mary Swan, erected the building for the use of The Herald. Now that Anderson's Grocery has ended its more than one hundred years of service, The Herald office is the oldest building on the street in the continuous use of one business.

At one time the firm of Sutton and Swan was important in Tecumseh business life. They owned the hardware store that later was, for so many years, Satterthwaite Bros. and is now Baldwins. In 1878 they embarked on an ambitious building program. Nehemiah Sutton organized a stock company which built the Sutton Opera House, now the Strand, and just across the alley, Mr. Swan built the two story brick building where The Herald has been printed ever since.

The yellow brick used was molded and fired at the Comfort brick yard as was that from which so many buildings of the period were built in either 1900 or 1901 it was nearly destroyed by a fire which started in the basement and stubbornly resisted the efforts of the local fire department for hours. Charred timbers still testify to its narrow escape.

The owner of The Herald, for whom the building was erected, was Scovel Stacy, son of Judge Consider A. Stacy whose family was an important part of village life over a long period. "Scove" as he was known, together with his heirs, owned and edited the paper for nearly fifty years and they, in the person of Mrs. Frank Turner, still own the building. Previous to moving to its permanent home, The Herald had been printed on the second floor of the Bidwell block (Palman building) and it had been transferred there from the Richard block which was somewhere on the north side of Chicago street between Evans and Ottawa.

Until then early papers in Tecumseh had had their ups and downs, with the latter predominating. The first in the village, and probably in the county, (although Adrian disputes this claim) was the Tecumseh Democrat. It was printed on a hand press, called a Ramage, in a small building on Shawnee street across from the Central school playground. It began in 1834 and was apparently financed by a group of citizens more or less as a public service. The building stood on its original site many years after the Democrat had expired.

Other short lived papers, the Madisonian and one with the lofty name of Village Record and Agricultural Intelligencer were printed over "Cousin George" Sparrod's store at Chicago and Ottawa in one of the wooden buildings that were swept away in a series of three disastrous fires that occurred during the 1850's.

The Tecumseh Herald began its long career in 1850 and until Mr. Stacy bought it in 1874, it had been owned, managed or edited by fifteen different men. One of them, William Richard, who must have been public spirited and with another source of income, financed it for eleven years at a net loss of $1500. The Herald had a tempestuous adolescence, a long and secure middle age, and now materially and editorially it is acquiring the "New Look."

BRITTON

Mrs. Bertha Chancy with Mrs. Forest Weichner will be hostesses in the Weichner home at open house Sunday, Aug. 9 from 2 to 6 p.m. for their parents Mr. and Mrs. John C. Weichner of Britton who will celebrate their 50th wedding anniversary. Mrs. Weichner, the former Sylvia Billman of Antwerp, Ohio and Mr. Weichner were married Aug. 13, 1903 at the home of the bride's parents. The family also includes four grandchildren and two great grandchildren.

The Rev. Vernon Schwartz of Scottville, Mich., has accepted the call from the Emmanuel Lutheran church of Britton. Rev. Schwartz, who is 28 years of age, is married and will be installed sometime in September.

Gregory Wayne Dunbar, son of Mr. and Mrs. Lowell Wayne Dunbar was baptized by the Rev. J. Morgan Reese during the Sunday morning services at the Congregational Christian church. Mr. and Mrs. Andrew Crutchfield were the sponsors.

Mr. and Mrs. Clare Griffin and children Clark, Janie and Cindy left Saturday night for Frankfort, Ind., where they will visit Mr. and Mrs. F. K. Grafton and family for a few days.

Mrs. Ida Miller was in Milan Friday afternoon where she attended the funeral of Mrs. Nettie Dennison.

Mr. and Mrs. Norman McCormick of Blissfield visited Mr. and Mrs. Wayne Dunbar and son Saturday evening.

Mr. and Mrs. Chris Koch and family were Sunday visitors in the Percy Cadmus home. They called on John Cadmus at Herrick Memorial hospital where he underwent an emergency appendectomy Friday.

Miss Nancy Crutchfield returned home Sunday from Dexter where she had visited Miss Kathleen Kutzner since Thursday.

Mr. and Mrs. Joe Bock accompanied Mr. and Mrs. Percy Cadmus to Jonesville where they were dinner guests of Mr. and Mrs. Ray Powell and Mr. and Mrs. Blaine Powell.

Mr. and Mrs. Gerald Richards and sons were weekend guests of her parents Mr. and Mrs. Marion Adams of North Adams and Saturday evening attended the wedding of a niece, Miss Rosalie Adams and Robert VanCamp at the Baptist church.

Mrs. Herman Miller with her baby daughter, Susan Elaine, has returned home from Herrick Memorial hospital.

Mr. and Mrs. Guy Seidel accompanied by Mr. and Mrs. Ernest Gobba of Deerfield returned home Saturday from a week's trip to Copper Harbor.

Mr. and Mrs. Leonard Ramage with Mr. and Mrs. John Pinke of Ida spent five days in northern Michigan on a fishing trip. The Ramages returned home Wednesday.

Sunday afternoon callers on Mr. and Mrs. William Cundiff were Mr. and Mrs. Charles Goldfine and daughters Justine and Mina and Mrs. Kanarski of Detroit.

Mr. and Mrs. Edward Kanous and daughters Mary Ann and Linda returned home Sunday from a ten day tour through the New England states. While in New York they visited their son Larry who is in the Air Force stationed at Geneva.

Miss Pearl Smith and Mrs. Margaret Covell of Tecumseh returned Sunday from a 15 day trip to California. While there they called on Mr. and Mrs. Roy Covell of Maywood and Mr. and Mrs. Carl Piotter of Riverside.

Mr. and Mrs. Byron Covell spent Sunday with Mr. and Mrs. Harold Covell and sons of Clinton.

Mr. and Mrs. Dale Carpenter of Tecumseh accompanied Mr. and Mrs. Wendell Frear to Petoskey anl Opal lake Thursday where they visited friends and relatives over the weekend returning home Sunday.

"WE ALWAYS HAVE TIME TO BE FRIENDLY"

MISS JOAN TINNEY WEDS CHARLES LAUER

The Rev. Fr. Michael Collins officiated at the high noon wedding Saturday at St. Elizabeth Catholic church, of Joan Tinney and Charles Lauer. The daughter of Mr. and Mrs. Earl Tinney of Waldron, the bride is employed at the Jack Pine Drive-In, while the groom, whose parents live at Lucinda, Pa., has worked at Tecumseh Products for the past two years.

The wedding attendants were Mr. and Mrs. Ralph Lauer, brother and sister-in-law of the groom and another brother and his wife, Mr. and Mrs. Paul Lauer were hosts at the reception, following the ceremony, at their home at 505 W. Brown street.

Mrs. Lauer's wedding dress was of pale yellow lace and net and she wore a corsage of white carnations, white pompoms and gypsophylia, while the matron of honor wore pink with yellow roses.

Guests included Mr. and Mrs. Dan Lauer of Fryburg, Pa., Mr. and Mrs. Russell Loomiss, Hillsdale and Mr. and Mrs. Dean Tinney, Pittsford.

Mr. and Mrs. Lauer are residing at 111 N. Pearl street.

o

MACON

Ten Macon young people returned Saturday from Camp Judson Collins. A report of their week's outing will be given before the church service Sunday.

Pvt. Larry Osburn of Camp Riley, Kansas is spending ten days with his parents, Mr. and Mrs. Garland Osburn.

Robert Shough, stationed with the Air Force in California, called on his uncle and aunt, Mr. and Mrs. Clarence Hall, Thursday. Mr. and Mrs. Rolland Reister of Tecumseh were also callers in the Hall home.

Pvt. Dean Pilbeam of Camp Atterbury, Ind., spent a few days last week with his parents, Mr. and Mrs. Ronald Pilbeam.

Miss Donna Miller spent the weekend with Miss Janet Papp.

Mr. and Mrs. Frederick Miller and family returned Thursday from Ludington, where they had spent several days.

Mrs. Emily Lewis is visiting her father in Canada this week.

Mr. and Mrs. Guy Zeluff of Dearborn were weekend guests of Mrs. Maude Harmon.

Mrs. John Taylor called on Mrs. Frank Harrison of Clinton, who is a patient in St. Joseph hospital, Ann Arbor, Friday.

Mr. and Mrs. Paul Richter of Detroit spent Sunday with Mr. and Mrs. Harold Crittenden.

Mr. and Mrs. Clayton Bigelow were Sunday dinner guests of Mr. and Mrs. Ray Hendershot of Brooklyn. In the afternoon, Mr. Bigelow attended a camp meeting held near Grass Lake, and his sister Mrs. Lura Fulkerson of White Cloud returned home with him to spend a few days.

Mr. and Mrs. Clarence Hall visited Mr. and Mrs. Howard Shough in Adrian, Friday.

Pvt. Duane Horton of Camp Riley, Kansas, is spending a few days with his wife and his parents, Mr. and Mrs. Zearl Horton before going to Germany.

Mr. and Mrs. Floyd Barrett, Mr. and Mrs. R. F. Moore and Mr. and Mrs. M. Preston attended the Preston-Moore reunion held at the Britton park, Saturday. Mrs. Barrett was elected president for the coming year.

Mr. and Mrs. Everett Nixon and family of Bowling Green, Ohio, spent Sunday with Mr. and Mrs. Verl Sanch.

Marion Crittenden of Detroit spent the weekend with her father, John Crittenden.

Albert and Ernest Cross are spending this week in Coleman.

Wednesday callers in the Clayton Bigelow home were Mr. and Mrs. Claud Turney and his mother of Toronto, Ontario.

LEIDEL-VERSHUM

Miss Margie Ann Vershum of Britton, daughter of the late Mr. and Mrs. James Vershum, and Robert E. Leidel of Maybee, son of Mr. and Mrs. Carl Leidel, were united in marriage in the bride's home Saturday afternoon at 4 p.m. The ceremony was performed by the Rev. Blake Hunt, pastor of the Baptist church at Milan, before an improvised altar of yellow and white glads and yellow candelabra.

The bride was attended by the Misses Joan Leidel of Maybee, sister of the groom, and Colleen Vershum, sister of the bride. Richard Vershum was best man and Russell Vershum was usher.

The bride was lovely in her gown of white taffeta with lace overshirt. She wore a shoulder length veil and carried an arm bouquet of white mums.

At 8 p.m. a reception in their honor was held for nearly eighty guests. Miss Joan Leidel had charge of the guest book. The three-tiered wedding cake trimmed with wedding bells and yellow roses, was cut by an aunt of the groom. Miss Mildred Prill and Miss Ann Breitner poured, assisted by Mrs. Richard Upell, Mrs. Lawrence Ditmore, Mrs. Alfred Schwede and Mrs. Forest Abner, sisters of the bride.

Both Mr. and Mrs. Leidel are graduates of Milan high school, Mrs. Leidel this June and Mr. Leidel with the class of 1952. He is presently engaged in farming near Maybee, where they will reside.

A five o'clock wedding supper was served to forty-five guests from a lace covered table. Yellow and white candles were used throughout the house which was beautifully decorated with vases of yellow and white gladioli. Sisters of the bride and Mrs. Hamilton Moore assisted in serving.

o

ODA M. BRUCE BRIDE OF L. FRANKLIN BUSH

At an informal wedding attended only by their immediate families, Oda M. Bruce and L. Franklin Bush, both of Tecumseh Rt. 2, were married Friday evening at 7 p. m. in the Congregational Christian church at Britton.

The Rev. J. Morgan Reese performed the double ring ceremony and they were attended by Mr. and Mrs. Robert Bush, brother and sister-in-law of the groom. Hampers of white gladioli and chrysanthemums with lighted candles adorned the altar.

The bride wore a suit dress of pale blue shantung silk and carried a colonial bouquet centered with a white hybrid orchid while the matron of honor wore navy blue. Her flowers also were in a colonial bouquet, which had a red rosette center. The mothers of the bride and groom wore navy with white accessories and beige and matching accessories respectively.

Mrs. Bush, who is the daughter of Mrs. Merle Cross of Tecumseh and George Bruce of Petersburg, graduated from Britton high school with the class of 1950, attended the Felt and Tarrant Comptometer School in Toledo. She has been employed in the cost analysis section of the Ford Motor Co. in Monroe.

Mr. Bush, a graduate of Britton high school in 1947, recently returned from two years of military service and is now engaged in farming. His parents are Mr. and Mrs. Leland Bush of Tecumseh.

A reception for Mr. and Mrs. Bush will be held at the Tecumseh Grange Hall, August 8 at 8 p. m.

o

BEATRICE RARICK WEDS EDWARD L. FURGASON

A wedding of interest to many in Tecumseh took place Saturday evening at the First Baptist church in Brooklyn when Beatrice Rarick became the bride of Edward L. Furgason of Tecumseh. The double ring ceremony was performed by the Rev. Paul J. Knaak and Miss Iris Lane sang "At Dawning" and the "Lord's Prayer".

The couple were attended by Mr. and Mrs. Wesley Whelan of Adrian, as matron of honor and best man, while Carol Stubbs and Edna Brown of Brooklyn were bridesmaids and Richard Kahle and Harry Furgason, a brother of the groom were ushers. The flower girl, Carol Ann Davenport, Tecumseh and the ring bearer, Leonard Jones of Tipton were niece and nephew of the groom.

The bride was lovely in a gown of lace over satin, made with a train and her veil was fingertip length. She carried a white Bible on which was a corsage of a white orchid and swansonia.

The gown of the matron of honor was pink and those of the bridesmaids blue and orchid, all of nylon net over taffeta and all made alike. They carried similiar baskets of chrysanthemums in contrasting colors.

A reception for 250 guests was held in the church parlors following the ceremony.

Mrs. Furgason is a graduate of Brooklyn high school and is employed by the Consumers Power Co. in Jackson, while Mr. Furguson, a veteran of two years in the armed forces, is employed at the Tecumseh Products Co. Their parents are Mr. and Mrs. Bert Rarick of Brooklyn and Mr. and Mrs. Leonard Furgason of Tecumseh.

Locals and Personals

Don Martin, who injured his back two weeks ago while lifting heavy supplies at the Gamble store, of which he is the manager, entered St. Joseph hospital, Ann Arbor, Friday for X-rays and treatment. Reports from the hospital indicate that he is improving but will have to remain for ten days or two weeks.

Mr. and Mrs. Delmar Finch, who have lived since last fall in Fort Lauderdale, Fla., are guests of Mrs. Finch's brother Percy Bowen and Mrs. Bowen. Enroute north, they visited Mr. Finch's sister, Mrs. James Slayton at St. Albens, W. Va., and Mr. and Mrs. Don Bowen at Washington Court House, Ohio. The Finches, who are former residents of Tecumseh are contemplating settling here permanently.

Mr. and Mrs. Ira Montague have returned from a trip through upper Michigan which extended into the Upper Peninsula, and included a four day canoe trip down the Tahquamenon river. While camping they met Mr. and Mrs. Richard Groff, former Tecumseh residents, Mrs. Groff being the former Barbara Brooks.

Ben Gillies spent last week at Devils lake where Mrs. Gillies and children are living for the summer.

Hospital Notes

The really impressive size of the new hospital wing can best be realized by walking all the way around it. Then if you make a rather precarious entrance by walking a plank through one of the back doors, you also get an idea of the complexity of the interior. Rooms, whose future use you can only guess, now have walls of dazzling white base paint and under foot is a thick layer of white dust which you surmise is for the protection of the terrazzo floor underneath.

There are no windows as yet, wood finish is being cut and fitted and dozens of operations are being carried on simultaneously. But, in spite of seeming confusion and disappointing delays, the over all picture is one of excellence of construction. From the red tiles of the entrance hall to the imposing brick column, which is the power house chimney, you feel that everything is of "the very best butter" and that if it will not be completed until October it is worth waiting for.

BIRTHS

July 29, to Mr. and Mrs. Hugh H. Hoyt, Clinton, a son.

July 29, to Mr. and Mrs. Linwood Wimple, Tecumseh, a son.

July 30, to Mr. and Mrs. Lorain Fisk, Dundee, a daughter.

July 31, to Mr. and Mrs. Kenneth Fenner, Onsted, a daughter.

Aug. 1, to Mr. and Mrs. Melvin Getz, Tecumseh, a son.

Aug. 1, to Mr. and Mrs. Wayne Smead, Adrian, a son.

Aug. 2, to Mr. and Mrs. William Randolph, Tecumseh, a daughter.

Aug. 4, to Mr. and Mrs. Willie Jennings, Dundee, a daughter.

DISMISSALS

Clinton; John Voorhees, Addison; July 28, Mrs. Ronald LaPearl, Mrs. Buford Cox, Tecumseh; Glenn Addison, Clayton; and Mrs. Warren Miller and baby and Mrs. Chano Vuniga and baby, Manchester.

July 29, Earl Case, Blissfield; Judy Bausman and August Tirb, Clinton; Pamela Russell, Adrian; Mrs. Herman Miller and baby, Britton; Dr. W. S. MacKenzie, Adrian; and Mrs. Earl Harrison, Tecumseh.

LOCALS

Mr. and Mrs. Arthur Williams, Pamela and Dennis, and Mr. and Mrs. Kenneth Davison, Kent, Barbara and Susan, have returned from a two week vacation at Ft. Lauderdale, Fla. While there, they celebrated Kent's birthday with a party at a Ft. Lauderdale restaurant. A large birthday cake was served and flowers and boutonniers were presented to each guest.

Miss Ilda Davison and William Davison of Detroit will be weekend guests of Mr. and Mrs. Kenneth Davison of Herrick Park.

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—* and how much I could save!

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

And it's the lowest-priced line

A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

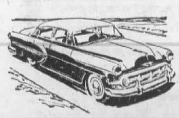
**Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.*

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.



Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

Let us demonstrate all the advantages of buying a Chevrolet *now!*

CHEVROLET

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

KUEHMANN FOODS, INC., TOLEDO, O., CHICAGO, ILL.

WE HAVE ALWAYS BEEN CLOSE NEIGHBORS—the citizens of Lenawee and Washtenaw Counties, Michigan, and Kuehmann Foods, Inc. of Toledo, makers of the *new, appetizing, highly digestible* Q-MAN THIN MAN POTATO CHIPS. Of recent years, we have become even closer neighbors, with our locating of the first of our Michigan farms in your back 40's, *in our successful search for the ultimate in quality control.*

SO KUEHMANN'S, THE OLDEST CHIPPER IN THIS TERRITORY, takes this opportunity to thank each and every one of you for your warm-hearted friendliness and close cooperation in the "growing end" of our business, and, of course, for the ever-increasing trade you have given our salesmen since 1899.

DURING THE PAST GROWING SEASON, *150,000 bushels* of choice potatoes were taken from your fertile fields and made into Q-MAN THIN MAN POTATO CHIPS. And unless we are very much mistaken, that makes us the *largest potato farmers* in the *State of Michigan.*

INCIDENTALLY, YOU MIGHT BE INTERESTED TO KNOW that *we spent more than $125,000 last year in your territory* through our payrolls, taxes and purchases of farm equipment, hardware, feed, mill and other supplies and our hiring of *local men* to keep our machinery in repair.

WE ARE VERY HAPPY TO BE A PART OF YOUR ECONOMY and to be making our contribution to the prosperity of Lenawee and Washtenaw Counties. We also like to feel that we mean equally as much to *your continued good living when it comes to the diet and health of each individual citizen.*

KUEHMANN'S HAS INCONTROVERTIBLE PROOF from scientific sources that our *New, Highly Digestible,* Q-MAN THIN MAN POTATO CHIPS, *made by a new, exclusive, carefully-controlled process, not only contain less fat and more protein, but are actually less filling, because of their increased lightness and dryness!*

WE ARE PROUD TOO, that because of this revolutionary new process, Q-MAN CHIPS are *invariably light-golden in color.* No more bitter, brown or caramelized chips—just a product with the *sweet, mild flavor of Michigan potatoes as they come from nature.*

WE HOPE that when you see a display of Q-MAN POTATO CHIPS you will be reminded that they are not only *the best food of their kind in the world,* but further, are *made by your good neighbors from locally grown potatoes.*

RIDGEWAY

Mr. and Mrs. Clifford Flower were guests the past few days of Mrs. Estella Hite.

Mrs. Daisy Harrison of Saline called on Mr. and Mrs. Elmer Linn, Thursday.

Mrs. Edith Harrison, Mrs. Ella Geehan and Mrs. John Wright of Adrian called on friends in town Thursday.

Mr. and Mrs. R. A. Halladay of Macon were Ridgeway visitors Sunday.

Lavern Thomas and daughter Mrs. Alice Linn drove to Star lake Sunday to accompany Gloria, Joe and Janie Spreeman and Patricia and Virginia Linn home, after a week of camping.

Mrs. Stella Hite is a guest this week of her sister Mrs. Mary Boss of Adrian.

Mr. and Mrs. Julian Strong returned Saturday after spending a week at Iron Mountain.

The W. S. C. S. will meet at the church at 2 p.m., Thursday, August 13.

Mr. and Mrs. R. S. Townsend and daughter Kathleen and Miss Alice Thornely of Lincoln Park, Mrs. Ray Lewis and Mr. and Mrs. E. J. Lewis of Ann Arbor were recent guests of Mr. and Mrs. Julian Strong.

Mr. and Mrs. Robert Birdsall and Donald and Bonnie of Auburn, N. Y., are spending several days with Mrs. Emma Friedlander.

BRIDE-ELECT HONORED

Miss Irene Hammel and Mrs. Ronald Rossman of Saginaw entertained Tuesday evening of last week at the Hammel home honoring Miss Patricia Wilson, whose wedding will occur Saturday. Three tables were set for bridge and the prizes, won by Mrs. Vincent Haight and Mrs. Joe Rohweder were presented to the bride-to-be who also received a shower of miscellaneous gifts, both beautiful and useful. Additional excitement was created when word was received that Patricia's brother, James, had been rushed to the hospital for an emergency appendectomy, and Mrs. Wilson was called home to be with him.

Saturday afternoon Mrs. Richard Fielder, assisted by Mrs. Robert Morse of Lafayette, Ind., entertained for Miss Wilson at her home in Herrick Park. Mrs. Morse, who was a college roommate of Patricia's will be matron of honor for her wedding. Canasta was enjoyed and a shower of miscellaneous gifts was presented to the bride-to-be.

Living With Peace Of Mind

By KIRBY PAGE

How did Jesus know the will of God for his life? The evidence reveals the answer: intensity of desire to do what his Father wanted him to do. God was so real to Jesus that the passion of his life was to please his Father. The earnestness of this purpose made God even more real, while the deepening reality of God's presence strengthened still more the determination to do his Father's will.

Fervently did Jesus desire to live. Even stronger was his purpose to do God's will. With increasing clarity Jesus had come to realize that he must choose between these two passions. In order to continue living in the flesh, he would be required to betray God's trust in him. If he gave unswerving fidelity to his Father, men of privilege and power would nail him to a tree. With such intensity that "his sweat became like great drops of blood falling down upon the ground," he prayed that if possible the cup of crucifixion be removed from him.

Nevertheles! It was this Nevertheless which made it possible for God to reveal his will to Jesus. "Nevertheless, not my will but thine be done." Only the intensity and vitality of his companionship with his Father sustained Jesus in this determination. Passionately he wanted to live. He was young. He was needed. He knew the secret of life abundant and everlasting. With compassion he wept over Jerusalem. Warm was the fellowship with his disciples and sweet was the communion with his Father. Life was precious. Crucifixion shameful and agonizing. "If it be possible, take this cup from me." "Nevertheless!"

We must find God's will in the same way that Jesus found it: intensity of desire, reality of companionship, more passionate desire. We must practice the presence of God and we must practice doing the will of God.

ENTERTAIN AT SHOWER

Mrs. Donald Brazee assisted by Mrs. Neil Brazee entertained Thursday evening honoring Mrs. Emmett Noggle of Manchester. Seventeen guests were present from Somerset, Manchester, Hillsdale, and Tecumseh and a shower of useful gifts was presented to the guest of honor. Refreshments were served by the hostesses.

—o—

Americans should not forget that their freedoms will last only as long as their vigilance.

—o—

One reason that reading is such a chore is because so many writers have so little to say.

BROOKS REUNION

Mr. and Mrs. Charles Stevenson of W. Pottawatamie St. were hosts Sunday to the Brooks family reunion. Fifty-five descendants of Allen and Mary Brooks gathered for a potluck dinner and a social visit, including Ralph Brooks of New York City, and Mr. and Mrs. George Keilwassen, Ann Arbor. Another out-of-town guest was Mrs. Edith Driscoll of New York.

Officers for the next year's reunion were elected at a short business meeting. They are Howard Brooks, president; Ned Harrington, vice president and Mrs. Robert Smith, secretary-treasurer.

Ned Kotts Mark 40th Anniversary

Nearly one hundred and fifty relatives and friends attended a Sunday afternoon open house at the North Adrian road home of Mr. and Mrs. Ned Kotts. The occasion, which celebrated the 40th anniversary of their marriage, was arranged by their children Miss Mary Louise Kotts, Mr. and Mrs. John Kotts, Mr. and Mrs. Dorman Vescelius and Mr. and Mrs. William Graham Jr.

Rhoda Sallows, daughter of the late Mr. and Mrs. Alfred Sallows and Ned Kotts, son of the late Augustus Kotts and Mrs. Kotts, who is now 94 years old, were united in marriage Aug. 6, 1913 in Milan by the Rev. Tree. Attendants at the wedding, Mr. and Mrs. Martin Eggert of Britton, Mrs. Eggert being a sister of the groom, were also present at the reception.

Mr. and Mrs. Kotts have lived in this vicinity all their lives and are engaged in farming, Mr. Kotts being also employed at the Hayden Mills. They have eight grandchildren.

The Kotts home was attractively decorated with white and wine colored snapdragons and gladioli arranged by Mrs. Herbert Murphy and Mrs. Naomi Sallows, and refreshments were served from a lace covered table centered with red roses and white bebe mums. Mrs. Merritt Chase of Clinton cut the three-tiered wedding cake and punch was served by Mrs. Earl Copeland and Mrs. Melvin Muhn, while Mrs. Amos Wilson and Mr. and Mrs. Watson also assisted in entertaining. Mrs. Naomi Sallows and Sharon Muhn had charge of gifts and James Chase of the guest book.

Most of those who served are members of the Quaker Fellowship Class of the Friends church of which Mr. and Mrs. Kotts are active members.

Mrs. Kotts' dress was a navy bemberg sheer and she wore a corsage of red roses, a gift of her husband. Corsages and boutonniers were worn by others who assisted.

Many beautiful gifts were received from the guests who came from Britton, Clinton, Adrian, Blissfield, Ann Arbor, Chelsea, Willis and Tecumseh.

—o—

It is well to remember that all of one's education does not come out of books.

—o—

Authors find it difficult to believe that there are persons who do not read books.

—o—

The dictionary, like your Bible, can do you no good unless you make use of it.

—o—

Very few friends offer to lend you money at the time when you really need money.

—o—

The world food situation is improving; now if the race will only develop good cooks!

—o—

Tecumseh is a delightful place to live in if you are a delightful person to live by.

The Price Of Your Prescription Will Be Fair . . . .

Do you wonder how the price of your prescription is determined . . . ? We can assure you that at the C. A. Wright & Son Drug Store it will be fair and reasonable.

There are two factors concerned: The cost of the ingredients and the cost of the Pharmacist's time. The moderate profit is constant. You pay only your share whatever the medicine prescribed may cost—a fair policy indeed.

Established 1850
C. A. Wright & Son
Prescription Druggists

1853

A new hardware store has been opened by I. H. Ketcham and Co., opposite the Herald office.

Improved lightning rods are being put up in the village.

Married, July 28, by Rev. Wm. Burton, Edwin Frieze and Abby L. Ellis of Clinton.

Married, July 31, by Rev. J. F. Davidson, Elias G. Brown and Amelia Chaffee.

1883

Business of all kinds is becoming more brisk and seems to indicate better times.

The wheat crop is considerably less than last year.

Storms, floods, whirlwinds, water spouts, earthquakes and rialroad disasters have darkened the record of 1883.

No baseball on the Athletic field on Sundays.

William H. Aten has recently graduated from Long Island College Hospital in Brooklyn, N. Y. and will begin practice in that city.

A new school house in the Mills district, Franklin.

The apple crop is a failure.

W. H. Sink has traded his hotel to W. H. Passmore of Monroe for the Park Hotel in that city. Mr. Passmore will be landlord at the Merchants Hotel here.

1893

There is a heavy crop of hay.

The drought is getting to be serious.

H. Brewer and Co. is working five days a week until business picks up.

The first celery shipment of the season was made Monday to New York from the Prairie Side.

A threshing machine of Wesley Avery's broke through the bridge over the Little Macon, near Granville Mills, Tuesday night. It took till 5 a.m. to get it out.

$120 has been raised here to organize a baseball team and prepare the grounds.

All persons using water at other than hours specified by the village must pay the extra rate.

1903

A water main will be constructed on the north end of the Union street main to Evans street.

An after-harvest festival will be held here August 25.

Real estate transfer — Fred Chiverall to Charles Mattis, in Tecumseh village, $1100.

Clinton Woolen Mill has the contract to furnish cloth for uniforms for the Boys Industrial School in Lansing.

1913

Alice Lowe and Bonnie Brown have purchased the millinery business of Mrs. Wright Doty in Onsted.

The cornerstone of St. Elizabeth Catholic church was laid by Rt. Rev. Bishop Kelly, August 3.

Married, July 28, Mary Tyson and Irving Gove.

There are 920 automobiles in Lenawee county, one for every 52 persons.

A special train, six coaches, filled with Clinton people went through here August 3, enroute to Devils lake for the Business Men's picnic.

1923

The Ingersoll home on W. Kilbuck street is being prepared for stucco.

Home Comers Celebration here August 8.

Manager Guy has changed the name of Bradley Opera House to Strand Theatre.

Robert H. Moore, who is traveling in Europe met Dr. Vernor Crane in London.

Married, August 5, Mabel Pelham of Brooklyn and Lawrence Boyd, Tecumseh.

1933

Another five percent dividend on moratorium accounts in the old United Savings Bank was made available this week. This is the second dividend since April.

The 100th anniversary of the settlement of the Whelan family in this vicinity will be observed at the annual Whelan-Billington reunion at Wamplers lake.

Herbert Richards left Sunday to make his home at the I.O.O.F. Home at Jackson.

Born, to Mr. and Mrs. Donald Hooten, a daughter in Toledo hospital.

1938

Tecumseh now has 24 new homes.

Mr. and Mrs. Wm. Powell are moving to the Lidke home on North Van Buren street.

Married, July 31, Edna Brees of Tecumseh and Clair Ramsay of Adrian.

Florence Beevers, Myrna Bugbee and Iris Jones are among those selected for entrance to Lenawee County Normal school in Blissfield in September.

1943

Red stamps lettered P may be used from July 1 to July 31 for meats, cheese, butter, fats, canned fish, and canned milk.

Glenn Kohler, F-2/c has been transferred from Navy Pier, Chicago to Solomon, Md.

Born, to Mr. and Mrs. William Beardsley, July 31, a daughter, Barbara Kay, at Tecumseh hospital.

Karl R. Schneider and Jack G. Osburn are the latest recruits from Tecumseh undergoing "boot training" at Great Lakes Naval Training station.

Because of the civilian manpower stortage, there will be a serious curtailment of school activities this fall. Many will not be able to open at all because of lack of teachers.

LOCALS

Mr. and Mrs. William O'Brien and five children arrived Friday from St. Louis, Mo. to visit Mrs. O'Brien's parents, Mr. and Mrs. Claire Beland. Mr. O'Brien returned home Sunday but Mrs. O'Brien and children will remain until Labor Day.

Mr. and Mrs. Robert Reis and family went to Fort Lauderdale, Florida, Monday for a vacation of two weeks.

Three girls, members of a local 4-H club, joined three other groups from Lenawee clubs to provide a program of dances for the Conference of Homemakers at Michigan State College, July 23. They were Sharon Reis, Julia Boyce and Marjorie Papp. Their accompanist was Ruth Boyce and Mrs. Reis and Mrs. Boyce went with their daughters. The Homemakers Conference includes members of the various Home Economics Extension clubs and Mrs. John Quigley attended from the local Northeast group.

Mr. and Mrs. James Beal of Renfrew, Ontario, who have been visiting their son and wife, Mr. and Mrs. Royce Beal and family of Ann Arbor, were guests Saturday of Mr. and Mrs. Clyde Bailey. Mr. and Mrs. Royce Beal joined them for dinner Saturday evening and the two families left Sunday for Renfrew, where the younger Beals will remain for a two week vacation.

Mr. and Mrs. Robert Bonner and son spent the weekend at Ipperwash Beach on Lake Huron in upper Canada. They visited Mr. Bonner's brother, Harry Bonner and family.

Fred Dickinson, who with Mrs. Dickinson is spending the summer at their cottage on Douglas lake near Johannesburg in northern Michigan, took his grandsons, Tommy and Timmy Dickinson back with him Thursday for a week's visit. Mr. and Mrs. Frederick Dickinson will join them Friday and bring the boys home.

Miss Betty Barton is spending a week with the Helzerman family at Deer lake.

Mr. and Mrs. Kenneth Marine are moving soon from Brown street to the house on S. Democratic recently vacated by Mr. and Mrs. Wayne Thorpe.

Sunday guests of Mr. and Mrs. George Green Sr. were Mr. and Mrs. Glenn Ogden and Mr. and Mrs. Jay Green of Drayton Plains, Mr. and Mrs. Hube Flumerfelt and Mr. and Mrs. John Flumerfelt of Oxford and Mr. and Mrs. David Green of Ann Arbor. Mrs. Margaret Meakin, whose home is at Vandercook Lake is visiting the Greens this week.

Mr. and Mrs. K. C. Heflin and family attended the Helfin family reunion at Elwood, Ind., Sunday.

Mr. and Mrs. James Turpin visited in Windsor, Ont., Sunday.

Mr. and Mrs. Robert Morse Jr. of Lafayette, Ind. were guests in the home of Mr. and Mrs. M. W. Wilson over the weekend. Miss Patricia Wilson also entertained Mrs. Robert Stuckwisch of Stevens Point, Wisc. during the week.

Mr. and Mrs. Jack Hanna left Monday morning for Los Angeles, Calif., where they will visit Mr. Hanna's mother, Mrs. Bess Hanna and his sister and family, Mr. and Mrs. Franklin Barritt.

Berford Barber is spending a few days with his mother, Mrs. Clyde Barber and his brother Gibbs Barber and family.

Mrs. Claire Leuser of Washington, N. J., stopped at The Herald office last week seeking information about early Tecumseh which was the home of her ancestors. Her grandfather, J. D. Shole left from here for California with the '49ers and her father, whose name was Moir, was a shoemaker about 1880. If anyone remembers either family the information could be left with The Herald.

Mr. and Mrs. Yale Kerby, Mr. and Mrs. Charles E. Stephenson and Mr. and Mrs. Thomas O'Hara enjoyed the production of "South Pacific" in Detroit Saturday evening.

The Rev. and Mrs. Harry Brunger and sons, Scotty and Billy, left Sunday evening after being weekend guests of his brother and family, Rev. and Mrs. Ronald Brunger. The two brothers had not met for nearly six years as the Rev. Harry has just returned from missionary work in China. Monday evening the Ronald Brungers went to the farm home of their parents, Mr. and Mrs. Clifford Brunger at Grand Ledge for the first reunion of the family of four brothers and one sister in eleven years. Mr. and Mrs. Earl Brunger and family were there from Charlottesville, Va., Mr. and Mrs. Mayer Bauknight and family from Charlotte, N. C., while Mr. and Mrs. Clarence Brunger reside on the family farm.

Mrs. B. J. Roberts, who has been ill for some time at her home on S. Democrat St., has gone to the home of her daughter, Mrs. Arthur Gray for care.

Mr. and Mrs. M. F. Scholer, who are visitors in the United States from Denmark, were in Tecumseh last week. Combining business with sightseeing, they were guests at the Country Club and were entertained by Mr. and Mrs. Jens Touborg.

Dr. and Mrs. Ralph Helzerman and family left Sunday for their Deer lake cabin where they will spend the next four weeks.

The Misses Beth and Geneva Satterthwaite returned Friday from a visit of several weeks with their sister and husband, Judge and Mrs. F. B. Wood and family in Berkley, Calif. While there, they were shown through the Emoryville branch of the Tecumseh Products Company by the manager, Stuart Costigan, a former Tecumseh resident. Located on a main highway between Berkley and Oakland, the plant with its sign "Tecumseh Products Co." is a thrilling surprise to wandering Tecumsehites.

MACON SCOUTS ENJOY WEEKEND OF CAMPING

Fourteen members of Boy Scout Troop 76 of Macon enjoyed a weekend of camping at Round lake in Hayes State Park. Each boy cooked his own meals and in addition to hiking and swimming parties, different types of scoutcraft were taught by Assistant Scoutmaster Harold Van Valkenburg. The group was also accompanied by Scoutmaster Joe Bartenslager, who conducted the Sunday school lesson.

CARD OF THANKS

I wish to express my sincere thanks to the friends, neighbors and relatives for the lovely cards, letters and flowers, also the nurses at Herrick Memorial hospital for their kindness and care during my stay there. John East.

Move right in for only
$2217.88*

We mean that *literally.*

Because that's all the money it takes to buy this great new 1953 Buick SPECIAL.

That's all it takes to boss its high-compression Fireball 8 Engine—now stepped up to the highest horsepower in Buick SPECIAL history.

That's all it takes to enjoy its still finer Million Dollar Ride—its full six-passenger roominess — its light-as-a-flyrod handling ease.

But if you're surprised at this news, we can't blame you a bit.

Most people are—when they learn that you *can get* Buick styling, Buick structure, Buick room and power and comfort and steadiness, all for just a few dollars more than the cost of the so-called "low-priced three."

Add another happy surprise.

In this Buick you get a long list of "extras" at no extra cost—things like direction signals, dual map lights, twin sunshades, lighter, trip-mileage indicator, automatic glove-box light, oil-bath air cleaner, full-flow oil filter, bumper guards front and rear — *things most other cars of similar price charge as extras.*

So there you are—definitely able to move right into this big, broad, robust-powered Buick for a price you'd expect to pay for a lesser car.

Why not drop in on us to see and drive this honey of a buy? The rest we'll leave up to you.

That's the price of the new
1953 Buick SPECIAL
2-Door 6-Passenger Sedan

I'm Often Wrong

By Neil Hunter

DRIVE DEFLATED — Tecumseh's swimming pool drive has deflated to the point where the merchant's committee of the Chamber of Commerce needs to pull a white rabbit out of the hat to re-arouse public interest — but now! Although work is advancing daily on the structure, if you call a hole in the ground a structure, the general public seems to have weaned away from the project; not that they ran out of interest but the proper promotion was lacking.

What we need NOW, that's right now, is a miracle drug to raise funds and stir up some interest. Always ready with a wild idea, it's those wild ideas that often work the best, your I'm Often Wrong writer suggests a softball game between the merchants on a 35-35 basis. That is, to qualify, each player must be either over 35 years of age or have over a 35-inch waistline. If he has both he is allowed to bring a son or youth to act as substitute runner, if and when he should get to second base.

We'd divide two teams of merchants into the North Siders and the South Siders with Tobe Brown captain of the former and Harold Morey captain of the latter. There's an unlimited supply of manpower for both. Of course Morey and Brown would have to pick their starting line-ups, but here's a round list of the diamond stars awaiting the call to action.

South Side — Tobe Brown, Captain.

John Saling, Elmer Eberhardt, Blair Bashore, George Derby, Dominic Coscarelli, Earl Bryan, Ernie Green, Bill Wright, Don Bammer, Dick Beemer, Bert Ousterhout, Doc Helzerman, Yale Kerby, Chris Taylor, Doc Britton, Mike Hite, Leo Lorhman, Doc Currier, Tim Neill, Cliff Cameron, Gale Fisher, Halsey Eggleston, George Kilbourn, Earl Updike, Norm Bailey, Bob McCoy, Paul Clauda, Mel Partridge, Ellsworth Collins, Don Nixon, Ralph Hodges, Perry Satt, John Zeigler, Don Norris, Al Musch, Fred Dickinson, Doc Brown, Ralph Comfort, Ed Heilman, Louie Schneider, Leon Rosacrans, Joe Rohweder, Leon Williamson, Ernie Campbell and others.

North Side — Harold Morey, Captain.

George French, Archie Porter, Bob Moore, Reg Dixon, Chuck Butler, Marv Watkins, Walt Nichols, Cliff Wolf, Don Martin, Doc Blanden, John Thompson, Leo Bishop, Ray Sluyter, Jim McDowell, Jim Osborne, Walt Pfaus, Jack Metcalf, Bob Blanks, Lyle DesErmia, Rhae Henkel, Harold Green, Ken Blumerick, E. C. Brandt, Ray Puffer, Fay Whelan, Harry Curry, Karl Schneider, T. J. Wagner, Doc Penman, Ned Baldwin, Jim Artman, Rev. Brunger, Roy Dahlke, Clarence Beach, Charley Seitz, Al Meyers, George Adamson, Bill Hamaker, Judge Rathbun, Percy Heidenreich, Roy Titley and Doc Dustin.

With all that weight on the bench, we think the crowds would collect beaucoup numbers to see the spectacle, and there's probably a lot more able bodied prospects if the managers would get out and comb their alloted prospect lists. Of course, all proceeds would go toward the Joyce Andrews Memorial Swimming Pool, the idea behind the game in the first place! Pass the hat around the crowd which would engulf Recreational softball diamond for such a spectacle and you'd need a dozen sombreros.

●

SIGN YOUR NAME — If you write a letter or a note, send a card or a paper from away to either I'm Often Wrong or to The Herald, please sign your name so we can use it. Somebody sent us a July 25 copy of the Mt. Pleasant Daily Times-News . . . no name, nothing marked on the paper so we don't know what the intent was . . . looking the paper over we noticed two interesting stories . . . one "Flash Fire Stops Balloon Flight" . . . a repeat of what happened here July 4th . . . the other is the story of a Mt. Pleasant man who scoffs at building a bridge across the Straits for $96-million for he (John Spikehorn Myers) can build a better, faster, safer and more economical tunnel for $45 million.

●

SMARTER AND SMARTER — These kids are getting smarter and smarter around Tecumseh, no doubt about it. For little Gregg Mason stopped us the other day with, "We sure like your column, Mr. Hunter." Confucious once said, "Child is the father of man." How true today.

We'll have to sign Gregg up as a charter member of our Mutual Admiration Society, motto — YOU SAY SOMETHING NICE ABOUT ME AND I'LL SAY SOMETHING NICE ABOUT YOU.

●

RAMBLING AROUND THE KEYBOARD — No person is completely immune from poison ivy in any section of Michigan . . . if you know of an organization which would sponsor a carload of beans to India this month, write CROP, 42 Michigan Arcade, Lansing . . . jaywalking is exercise that brings on that run-down feeling . . . Mommie to Junior at the supper table, "If you don't want it, don't eat it, I'll put it in daddy's lunch box tomorrow" . . . August is the month for shooting stars . . . the Lenawee county fair is in Adrian Sept. 21-26 . . . the Michigan state fair in Detroit, Sept. 4-13 . . . when you throw mud at somebody, you're the one that's losing ground . . . A Dale Carnegie course may open in Tecumseh next month!

●

DEAR DAD:

How times here change. It isn't bad seeing a horse fly sitting on the hood of a truck, but it's pretty pathetic when I swallowed a button in mistake for a sleeping tablet — and then spent a restful night.

We're all torn up at the Herald this week Dad, getting a new face in keeping with Tecumseh's fancy dress. The village pump days are gone forever!

Your son,
NEIL

LOCALS

Marine Sgt. and Mrs. William A. Marsh and family are visiting his parents, Mr. and Mrs. Erwin F. Marsh of 412½ W. Chicago Blvd.

David Sebring was a guest of Miss Mary McWilliams last week.

Eight students from Wayne University School of Nursing are at Herrick Memorial hospital for training and experience. They are the Misses Ruby Sainpluskey, Elva Larson, Mary Jane Gillece, Patricia Konieczny, Nancy Effinger, Joan Lane, Margaret Ekey and Phyllis Kuhn.

ARDIS PURPLE BRIDE OF DORMAN MOBLEY

Miss Ardis Purple, daughter of Mr. and Mrs. Forest Purple of Ridgeway, and Dorman Mobley, son of Mrs. Clara Mobley of Holloway and Mr. Mobley of Tecumseh, were married at 7:30 Thursday evening by the Rev. C. A. Bearinger at the parsonage of the Church of the Nazarene in Ridgeway.

They were attended by Mr. and Mrs. James Shields. The bride wore a navy blue street length dress and a corsage of red roses and pompoms.

Mrs. Mobley is employed at the Tecumseh telephone office and Mr. Mobley works for the Tecumseh Products Co. They left after the ceremony for a weekend trip to the Upper Peninsula and are now living at the home of the groom's mother on the Holloway road.

Consider The Value Of Experience . . .

The knowledge and ability of the Funeral Director means much. Experience can mean the difference between costly waste and dignified economy.

We offer the finest and most competent funeral service available. Our long experience and our sincere desire to serve assure the performance of this promise.

Ford brings you fine-car
Power Steering at a new low price!

Now you can have America's newest, most improved power steering—Ford Master-Guide—for $40 less than any other power steering in the low-price field.

Yes, you're reading right! Ford has added a brand new "Worth More" to its long list of fine-car features . . . Ford Master-Guide—the newest and finest in power steering . . . a system exclusive in Ford's field!

You're going to love this new kind of steering! A finger turns the wheel even when the car's standing still. Imagine how helpful this can be whenever you're tightly parked! Yet on the road Ford Master-Guide, unlike some systems, gives you the same natural "feel" you'd have *without* power steering. Master-Guide is safer, too. It takes hold only when *needed*. Try Ford Master-Guide today!

Handling and parking's a pushover! With the car standing still, you can "dial" the steering wheel with one finger . . . Master-Guide supplies the "muscle" for you! Of course, Fords have always been easy to handle, steer and park. But with Master-Guide "muscling in" when you *need* it, you use up to 75% less effort!

See it . . . Value Check it . . . Test Drive it today!

F.D.A.F.

NO RADICAL CHANGE IN DRIVING HABITS

You get the same kind of "feel" you get with ordinary steering systems, so there's no need to learn how to drive all over again with Ford Master-Guide. This *natural* feel comes mainly from having the force applied close to the front wheels. Steering ratio doesn't change; you always have complete control!

SO SIMPLE . . .
SO SAFE! . . .

Master-Guide lets you turn with ease, steer as you're used to! Driving on "shoulders" and rutted roads is even safer. And should the hydraulic system ever lose its power (which is highly unlikely due to Ford's simple design), the conventional steering system remains operative as in cars without power steering.

THE TECUMSEH HERALD

A public record of news and advertising printed in Tecumseh since 1850.

ONE HUNDRED SECOND YEAR — NUMBER 45 TECUMSEH, MICHIGAN, AUGUST 13, 1953 FIVE CENTS A COPY

Another Tecumseh First Is Unique Sidecar Manufactured By Meyers

Trying out one of the first trim green companion sidecars which rolled off assembly lines at Meyers Aircraft this week are Mrs. Donna Ward, driving, and Mrs. Helen Pawson, riding. Both work in the office at Meyers. The local firm has grown in recent years to a large employment. It also manufactures commercial aircraft, jeep tops and other small items.

The American way is written into mass production of a new Tecumseh product — side cars for motor scooters made at Meyers Aircraft, a fast growing local industry that developed an idea into reality.

The idea was a unique tortion bar suspension for better attaching a companion side car to a motor scooter. The principle was developed by Meyers engineers so the tortion bar is suspended in a two inch horizontal tubing attached to the underside of the motor scooter fromework and supported a one-wheel side car.

From the idea stage, a system of production was developed and market soon found. This week the wheels of modern day manufacturing are rolling full steam ahead.

Meyers is making the new product for Sears Roebuck to be sold as a companion item to the motor scooter imported from Genoa, Italy.

At a demonstration this week, two Meyers office employees pictured above, showed how comfortably the side car rides. It is 58 inches long, tapered in width from 18 to nine inches, is boat-shaped at the front and has a leather seat and back rest inside.

The green exterior is stylish with chrome piping and has a clear plexiglass windshield.

Along with the passenger body, Meyers also developed a utility box for small delivery such as newspaper, drug or inter plant communications. The two products are easily interchangable by removing four bolts in the undercarriage. It has a lid cover with latch.

The future demand for both is very bright, Meyers officials foresee as present orders are beyond their early expectations.

Field Day Ends 'Rec' Program

TREATS FOR 100 AFTER BIG EVENT

Tecumseh's summer recreational program had a fitting climax Friday afternoon when an estimated 100 youngsters joined in a Field Day of racing and field events directed by Lester Runk.

Nearly 75 prizes varying from a baby doll to a shoe shine kit were awarded to winners in three classes.

"The kids almost fell over backwards when they received all the nice prizes donated by nearly every merchant," Runk said.

But it was the ice cream and orange-aide that topped off an afternoon of fun.

Prizes were awarded to the following:

Seven Years and under

25 yard dash — boys
1. Michael Whelan
2. Robert Oswald
3. Donald Sniffer

25 yard dash — girls
1. Wilma La Londe

Blaze Rages In Local Bottle Gas Bulk Plant

Jim Cross Burned; Firemen Limit Damage With Heroic Action; Throng Turns Out

Curly haired, smiling Jim Cross is in Herrick Memorial recovering from burns suffered in Wednesday morning's bulk plant fire.

He is Protane service manager and was working in the charging room where the fire started. Cross was resting comfortably Wedensday afternoon. He recived first and second degree burns on his face and possibly third degree burns on his arms.

Also treated was Roscoe Ferris for minor burns but then released.

Actual cause of the fire has not been determined. The charging room is in a rear building where the common 100-pound home-type cylinders are filled from storage tanks.

This building was completely leveled and its contents ruined. Many of the small cylinders were blown apart, many flying 200 feet or more.

The fire is the second in the 15 year history of Protane in Tecumseh. The firm established here in 1938 on South Adrian street and had an earlier blaze before World War II.

Tecumseh's fire department answered an alarm at 9:50 Wednesday morning, their first in three weeks aside from a grass fire on West Cummins the night before.

Moments after the alarm, South Adrian street was teaming with activity. Fire departments arrived from Adrian, Clinton and Raisin Center.

Local police, plus their auxiliary force, along with State troopers and sheriff's officers went into immediate action. Barricades went up as small explosions continued for over an hour. A surging gas fed flame poured billows of black smoke into the air as hundreds of spectators poured into the area. Police turned away scores of cars with the warning that the big 18,000 gallon main tank "might go up any minute" and that would have blown out all the windows in the southwest corner of Tecumseh.

But the big tank "didn't blow" thanks to heroic Baldy Alderdyce and his able fire fighting force. The local firemen went into the storage area, turned off line valves to prevent possible total damage. The force worked well into the afternoon.

The on-lookers swarmed nearer and nearer the fire. One said, "It's just like a show, sounds just like a war." That was when the tanks let go in exploding. The fire was out at noon except one 1,000 gallon tank which was left to burn-out harmlessly at the safety valve.

While spectators converged from all directions on the area, residents in the disaster vicinity made plans to evacuate. Many took possessions and belongings from their homes. One resident rushed home from the beauty parlor with her hair half washed. Nearly everyone on South Adrian and West Pottawatamie evacuated and opened their windows in case the big tank went up.

A piece of red hot metal was blown into Touborg's ravine where it started a grass fire.

Windows rattled in many points as far away as the business district.

Mrs. Bert Updike barely caught a valuable piece of "milk glass" which fell from a shelf after one explosion.

Residents of that area are aroused to protest against continued location of the Protane bulk plant.

A south wind fanned the morning flames but firemen prevented any spreading away from the area. The Protane Co., here does not manufacture protane bottled gas, a product of the crude oil industry, but stores and bottles the liquified gas.

Plant manager Paul McManus, a Merchant Marine veteran, hoped for the quick recovery of employee Jim Cross and expressed his disappointment in canceling the cooking demonstration Saturday. Awaiting corporation officials arrival at the airport, he was exhausted from the turmoil. Holding his head while seated, he could only say, "Why did this have to happen to me?"

JOINT PICNIC PLANNED BY V.F.W. AND AUXILIARY

Mrs. Bert Warren presided at the regular meeting of the V.F.W. Auxiliary held Wednesday evening at the Post rooms.

Further plans were discussed for a joint picnic of the Post, Auxiliary and their families to be held Sunday, Aug. 16 at Vineyard Point park, Vineyard lake. All members are invited to attend. Meat and the beverage will be furnished and members are asked to bring their own table service, dish to pass and rolls. There will be games and contests for young and old. Anyone wishing transportation or those who can provide rides may contact Mrs. Ella Brandt, phone 241-J.

Refreshments were served at the conclusion of the meeting by Mrs. Harlon Boyes, Mrs. Ralph Cole and Mrs. Orville Bishop.

Softball Finals Friday Night

EIGHTY PARTICIPATED IN SUMMER GAMES

Some eighty players who joined in two months of summer softball games at Recreation field will hang up their gloves Friday night when two finalists cross bats in a championship playoff on the lighted diamond.

The actual playoff started Wednesday when Dick's Service played the Jokers and the FFA took on the Explorer Scouts. Tonight the Products Union goes against the Dick's—Jokers winner and then the Has Beens play the Products—FFA winner.

Friday night's championship match starts at 7:30 p. m.

Players who participated in the program were members of the following teams.

F.F.A.

Roger Finnigan, John Wilt, Milorn shaffer, Arnold Withrow, Philip Young, Albert Comfort, Charles Hendershot, Edwin Lewis, John Cadmus, Jerry House, Jim Dean, Eugene Withrow, Roy Jewel, Herman Dick, J. Stutsman, P. Stutsman.

Explorer Scouts

Roger Butler, Charles Owens, Bob Rutherford, Charles Phillips, Jim Bowser, Ted Cornell, Louis Vargo, Glen Williams, Richard Davis, Jim Whitecotton, Bob Covell, Paul Graham, Havland, A. Chase, M. Pease.

Jokers

John Hamilton, John Sisson, Jim Wilson, Bill Sisson, Jack Betzoldt, Max Brandt, Dave Van Winkle, Fred Long, Lee Phibbs, Bill Benham, Jim Breitenwischer.

Has Beens

Jim McDowell, Don Brazee, Myles Runk, Neil Hunter, Vic Lawson, Ray Larned, Marvin Yoakum, Russ Hyatt, Ed Aluk, Bob Benham, Doug Murdock, Sam Hamilton.

Products

S. Rentschler, W. Thorpe, H. Richardson, F. Graham, L. Snyder, R. Durkee, D. Dermeyer, B. Walker, T. Adams, G. Creger, G. Macky, I. Gurtzweiler, E. Drouillard, J. Dunny, P. Dunny.

Dick's Service

Swarts, Gilpin, Greenwald, Hart, Roost, Ives, Overy, Willnow, Van Valkenburg, Shandley, Barton, Whelan, Robertson, Smith, Furgason, Isaacson.

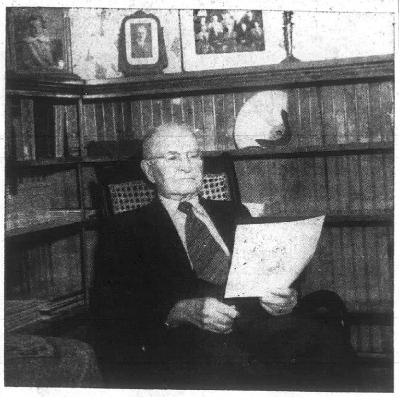
Harold Warner was umpire for the games.

Asphalt Coat Next For Chicago Blvd.

Shades of completing a long summer's project on west Chicago boulevard could be seen this week as the final three inches of bituminous concrete, blacktop or asphalt, whichever you prefer are being applied.

A thick base coat and then a top seal coat will cover the old concrete from Evans to Democrat.

Kindness Is Key To Half Century's Medical Practice By Dr. Loveland



Looking over his membership certificate in Lenawee county's famed Fifty Year Club is retired Tecumseh physician H. H. Loveland, M. D. Now retired, Dr. Loveland is shown in the old reception room, part of his home on E. Chicago boulevard. He is now 87 and very active.

"He always had time to treat the poorer people with little thought of recompense," a hospital official said this week in praise of Tecumseh's retired physician, Dr. Horace Hall Loveland.

In defense of these laurels, Dr. Loveland said a doctor's place in a community fifty years ago was the same as today — he was, and is, the closest outside influence capable of improving human health, welfare and happiness.

But fancy words are not a part of Dr. Loveland's keen mind. For his down-to-earth philosophy resulted from a remarkable 2,500 baby cases. And a lot of those were made in the copper country of northern Michigan in the days before trained nurses.

"We were lucky to have a midwife," he reminisced. But the babies seemed to live and thrive on good health under the able doctor's watchful eye.

Vital statistics for Horace Hall Loveland read something like this: Born in Newark, N. Y., 1866, attended the University of Michigan and University of Detroit Medical Schools, graduating in 1894, first practiced in Marquette county, 1896, moved to Tecumseh in 1928, retired in 1950.

In those years are written many ups and downs of medical practice. Like the year a smallpox epidemic hit the copper and lumber area, the first young doctor Loveland had ever seen, but a quick thinking program of mass vaccination saved many lives.

Coming to Tecumseh was one of those turns of fate, for Dr. H. R. Conklin had been an assistant to Dr. Loveland. The former moved here and later died. When mining operations dropped off in the late '20's, Dr. Loveland moved here and took over Dr. Conklin's practice.

Dr. Loveland's father was a New York state florist, L. A. Loveland, whose other son was also a doctor, B. C. Loveland.

Dr. and Mrs. Loveland have a son, Bradford who teaches high school in Escanaba.

Among his cherished possessions is a picture of the Fifty Year Club taken in 1951, shown are Dr. E. T. Morden, Adrian; Dr. William E. Colbath, Fairfax; Dr. P. B. Hardy, Tecumseh; Dr. I. L. Spaulding, Hudson and Dr. Loveland.

The kindly, retired physician who speaks in a soft, earnest tone had much praise for Herrick Memorial hospital and its fine staff, and for Tecumseh's excellent medical men. He remembers back during World War II when as a man of 80 he did more than double duty.

LADIES ONLY!

September 19 is "Doe Day" at the Country Club and the shenanigans will not be for masculine eyes.

Band Festival But 7 Weeks Away

Clair Camburn glanced away from the calendar in his Macon home this week and sighed with the thought of but seven weeks before Tecumseh's annual fall band festival.

Just back from a trip through the East, the busy bandmaster of many such festivals had another problem when Cement City announced that they are still without a band director. Camburn considered taking the job over himself but present commitments make that impossible.

The remaining twelve school bands will soon get down to serious business drilling for the big musical event which Tecumseh will again host on Sept. 29.

Third Season For Barton Circus

The big top went up at the James Barton circus lot this week and to the joy of many neighborhood children it was the biggest show on earth.

Tuesday afternoon was grand opening day for the throng that watched if not elephants and lions — at least one live tiger (life size if you like them small), clowns, strong men and Hindus. And then there were the sideshows—"Right this way, ladie-e-s and gentlemen, to see The Tattooed Man, The Smallest Midget and, (oh boy) The Hula Hula dancer."

There was an air of thoroughness about the big advance promotion, too, for advertising placards posted on neighborhood trees cried, "Big Show Today" and there was a main street parade. (Well, anyway there was a poster on a yardstick).

This is the third season for the Barton organization and the dramatis personae, or should we say troupe, included such veteran performers as Pat Holdridge, Tom and Glen Barton, Nancy Beland and Jim and Buzzy Bashore. The whip was cracked by that seasoned ringmaster, Jean (Your attention, please) Barton, but the real hero of the day was the financial wizard, John D. Barton, whose cool aide and popcorn concession netted the company thirty-three cents apiece.

INDIAN GRID CAMP OPENING AUG. 31

Footballs will soon be in season again!

Coach Miles Runk announced the opening of Tecumseh high grid practice for Monday, August 31 and issued an invitation to all candidates to be on hand for first day drills.

School officially opens on the traditional day after Labor Day Tuesday, Sept. 8.

Protane Calls Off Saturday Cooking Demonstration

BULK SERVICE WILL CONTINUE, DAMAGE ESTIMATED $40,000

A cooking demonstration advertised on page eight of this week's Herald was called off by local Protane manager Paul McManus. The unique upside down ad was run early today before the fire, but the demonstration and open house party is definitely off — at least for this week.

McManus called The Herald at 9:45 a.m. and just as he was asking if the ad could be killed because of a fire, he said, "There goes another one," and hung up.

He later met with Protane Corp. officials who flew here from the home office in Erie, Pa.

They estimated the damage as "considerable, perhaps around $40,000." The charging room, where the fire started, was completely destroyed. Many small 100-lb. cylinders were burst by explosion. An unknown quantity of liquified gas was burned up.

But the plant will continue operation and be back to normal in the near future. Much of the other equipment, tanks and building received little other than smoke damage.

RECEPTION TO HONOR THE ALVIN BRAZEES SUNDAY AFTERNOON

A reception and open house for the relatives and many friends of the Rev. and Mrs. Alvin Brazee is planned by their children for Sunday afternoon at the Community church at Iron Creek.

It will mark the fortieth anniversary of the marriage of Helen Smith and Alvin Brazee, which occured August 12, 1913 at the Lutheran church on the Ridge Road. The Rev. Schwede performed the ceremony and they were attended by the bride's sister, Florence Smith, now Mrs. Andrew Leutheuser, of Somerset, and Ray Brazee, a brother of the groom, who is no longer living.

Mr. Brazee's parents were Mr. and Mrs. Arthur Brazee, while Mrs. Brazee was the daughter of Mr. and Mrs. Edward Smith of Ridgeway. They have lived nearly all their married life in this vicinity, Mr. Brazee being a teacher twenty-four years in the Tecumseh schools. Their children are Neal and Donald Brazee both of Tecumseh and Mrs. Virginia Noggle of Jackson. Another son, Edward was killed in 1944, serving his country in World War II. There are six grandchildren, including a new grandson, born last Friday to their daughter, Mrs. Noggle.

The Brazees are active members of the Wit and Wisdom Club and other Tecumseh organizations and it is expected many will attend from this vicinity.

FUND BOARD GIVES $1,200 TO IMPROVE CENTRAL PLAYGROUND

Members of the board of trustees of the Community Fund approved payment of $1,200 to the improvement fund for Central school playground at a meeting Monday evening at United Savings Bank.

It was the concensus of the board members present that solicitation of personal contributions for Red Cross should be included in the Community Fund drive hereafter.

The board adjourned with plans to meet at 8 p.m. Sept. 14, for the purpose of considering budgets submitted.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.

Published By Estate Of Earl L. Wickwire.

Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

EDITORIAL

MEMO TO PARENTS — With the opening of school only three weeks away, we remind parents to check up on the health needs of their youngsters, especially those who will enter school for the first time.

The close association of children in the classroom and on the playground increases their chances of exposure to communicable diseases, and all parents should see to it that their youngsters have booster shots against smallpox, diphtheria and lockjaw before school starts, warns the Michigan Department of Health.

No thoughtful parent would allow his child to enter school without this protection, but some may forget that the immunity the child received as an infant may have "worn off" by the time he becomes of school age. Some may have neglected to have the boosters given during the spring and summer immunization campaigns.

When, through some oversight, the child has never been immunized, complete immunization should be given. It takes several weeks before initial immunization takes effect.

The Health Department manufactures products for the prevention of whooping cough, diphtheria, smallpox and lockjaw. These are distributed to local health departments and practicing physicians in the state without charge so that no youngster need be without this vital protection.

If the youngster who is to enter school this fall has not had a physical examination within the last six months, he should be taken to the family physician and dentist for a thorough check-up so that if treatment is required it can be completed before school starts.

Parents should also take the youngster who is to enter kindergarten over the route he must travel to school, pointing out any hazards. Accidents loom larger each year as a cause of death among children, and education of the child in good safety practices is the only "immunization" to protect him against these hazards.

●

FINISH THE STREAM-LINING — Postmaster General Summerfield tells us that he has his new management team organized and has improved service and cut costs. Now, he says, he wants to take in about 26 million dollars more for his stamps.

He wants, as you doubtless know, to get an extra penny on out-of-town first class letters, a cent more for air-mail stamps. He'd like publishers of newspapers and magazines to pay him 15 million a year more for his services, and collect an extra fifty from the advertising people and others who use third class mail.

We think Americans generally would rather pay for their postal service as they use it, that is, pay at the stamp window the full price of the services they expect to receive, rather than cover in their taxes postal losses currently reported at $746,000,000 a year.

But we think too, that it would hurt somewhat less to pay four cents for a stamp if we thought our Congressman was doing the same thing, and that the government bureaus were paying for postage out of their appropriations.

●

BEST SALESMAN — Retailers "can't get along" without newspaper advertising "and they'd better not try."

Those words didn't eminate from an advertising solicitor, but from a retailer, J. C. Penney, chairman of the board of the company that bears his name, and a man who knows how to sell merchandise.

"We can't do business without newspaper advertising," said Mr. Penney. "The newspapers are our market place where we come to cry our wares."

In thousands of communities, the local newspapers reach millions of readers regularly with a visual record of news and advertising that is not matched by any other means of communication.

●

THREE MORE $64 QUESTIONS — Last week The Herald presented three questions to the reading public, all of the $64 variety. This week three more questions have been submitted to The Herald, which we hope are of service to the community.

- Did the anonymous donor of the fluoridation equipment have a financial axe to grind?
- Why have not ALL of our local doctors and dentists been poled on the subject?
- Is there any connection between the city-government drive and the stone-wall resistance to a referendum on fluoridation?

Aug. 7, to Mr. and Mrs. Stanton Van Sickle, Onsted, a daughter.

Aug. 7, to Mr. and Mrs. Judson Austin, Brooklyn, a son.

Aug. 9, to Mr. and Mrs. Willard Cowen, Tipton, a daughter.

Aug. 10, to Mr. and Mrs. Robert Aten, Clinton, a son.

Aug. 11, to Mr. and Mrs. John Brooks, Tecumseh, a son.

DISMISSALS

July 30, Mrs. Wendell Louden and baby, Tipton and Elmer House, Mrs. Cecil Pence and Mrs. Eulalio Pizana, Tecumseh.

July 31, LeRoy DeJonghe, Ridgeway; Nora Downard, Tipton; Laura Burch and Mrs. Alvin Benson, Tecumseh; Mrs. Robert Bryan and baby and Mrs. Reginald Ross and baby of Onsted; Mrs. Donald Le Furge and baby, Ann Arbor and Mrs. John Wallace, of Manchester.

Aug. 1, James Wilson, Mrs. Arthur Dinse and Wallace Whiting, Tecumseh; Mrs. Peter Fisher and Mrs. Howard Heintz, Clinton and Dean Downing, Milan.

Aug. 2, Mrs. Linwood Wimple and Mrs. Joseph Rohweder, Tecumseh.

Aug. 3, Mrs. Earl Cook, Clinton and Mrs. Frank Putman, Adrain.

Aug. 4, Mrs. Hugh Hoyt and baby, Clinton; Mrs. Richard James, Adrian and Mrs. A. L. VanWinkle, Tecumseh.

LOCALS

Mrs. Norman Kemp and children, Shirley and Mark left from Willow Run, Sunday for Pensacola, Fla., where they were met by Lt. Kemp, who is stationed at Whiting Field, Milton, Fla. The Kemps plan to make their home in Florida.

Mr. and Mrs. Fred Oberline and family, accompanied by Mr. and Mrs. H. V. Oberline of Hillsdale have returned from a two weeks vacation at Gore Bay, Ontario, Canada.

Robert C. Hadley, son of Mr. and Mrs. Fred Hadley, is one of approximately 350 Duke University students who won Red Cross Water Safety certificates upon completion of water safety courses at Duke during the past school year. The courses are sponsored by the university and the American Red Cross.

Patrick Peacock is in Grayling for two weeks with the Michigan National Guard.

Mr. and Mrs. Thomas Morton and children of Detroit are visiting her parents, Mr. and Mrs. Lyman Curtiss.

Mr. and Mrs. Merton Gillin have received word from their son Jack that he has made the Naval All-Star baseball team. Jack is stationed at Yoko Suka. Japan with the Quartermasters department.

Mr. and Mrs. John Palkowski of New York City are visiting Mr. and Mrs. J. C. Douglas this week.

Mrs. Mertie Waring returned Sunday from a week's visit with her sister, Mrs. Bertha Dunn in her sister, Mrs. Bertha Waring, who had spent the week vacationing at Squaw Lake also returned home Sunday.

Gail Douglas, daughter of Mr. and Mrs. J. C. Douglas, is enjoying a five week's trip through the west which will take her into Mexico.

Mr. and Mrs. Ronald Brunger had as guests this week Mr. Brunger's brother and family, Mr. and Mrs. Earl Brunger and son Jimmie of Charllotsville, Va. Last Friday they entertained Mr. and Mrs. Mayer Bouknight and two sons of Charlotte, N. C. Mrs. Bouknight is Mr. Brunger's sister.

Mrs. David Beck, Miss Myra Mangus, Miss Nellie Wilson and Miss Mary McWilliams drove Sunday to Sylvania, O., where Mrs. Mangus remained to care for Mrs. Hubbard.

Weekend guests of Mr. and Mrs. M. W. Wilson, who came for the Saturday wedding of Miss Patricia Wilson were Mrs. Robert Stuckwisch, Stevens Point, Wisc.; Mr. and Mrs. Robert Morse Sr., Caseville, Mich.; Mr. and Mrs. Robert Morse Jr., Lafayette, Ind.; Mrs. Robert Bolton and two children, Durham, N. C.; Mrs. Emma Solan and Mr. and Mrs. E. J. Wallser, Chesaning, and Miss Judy Peterson, Berkley, Mich.

Tecumseh BOOK SHELVES
Library

More than thirty new books, something for every age and taste, have been placed on the Library shelves this week.

Adult fiction predominates with a new A. J. Cronin heading the list. "Beyond This Place" tells of a young man's dangerous and difficult fight to free his father from what he believes to be an undeserved life sentence in prison.

"Battle Cry" by Leon Uris is about the life of a Marine in the war, but it is more than just another war story.

"Home to Kentucky" is a frankly historical novel, based on the life of Henry Clay, by Alfred Crabb, who has written five such stories about Andrew Jackson, all of which are in the Library.

Another with the same locale is "The Kentuckians" by Janice Giles, which tells of the early settlement of that state.

"A Lady at Bay" by Edgar Maas is described as "an historical murder mystery" and depicts an authentic trial in France in the 17th century. There is also a modern mystery by John Rhodes, who does them so well.

Non-fiction includes "Annapurna," the account of the conquering of this (up to that time) highest peak of the Himalayan mountains by a French expedition in 1950. Written by Maurice Herzog.

In this category also is "Call Me Lucky" by Bing Crosby, which needs no comment, and "A Critical History of Children's Literature" which teachers and mothers will find most useful. It is by Corneria Meigs and goes back to "roots in the past" earlier than 1850 and deals with fairy stories, folk lore and other forms of writing for children up to 1950 which she calls the "golden age."

Our contribution from that golden age includes three for teen-agers; "Golden Cloud" a horse story; and two with an Indian background, "Chief Joseph of the Nez Perces" and "White Captive of the Sioux;" and four for the younger set, a reprint of the old favorite "Raggedy Ann," "Sleepy A.B.C.'s," "Here Comes Mrs. Goose," a sequel to "Hello Mrs. Goose," and Walt Disney's "Peter Pan," with text and illustrations from the movie.

LOCALS

Mrs. H. H. Hanna and daughter Jane will leave by car Monday for Los Angeles, Calif. where they will visit Betty Jo Hanna, who has been there for several months. They will also visit Mrs. Joseph Hanna and Mr. and Mrs. Franklin Barritt. Jane, who grad- in June from Michigan State College with an A.B. degree with honors, will teach at Long Beach the coming school year. Mr. Hanna will join his wife in September for the trip home.

Mr. and Mrs. Carl Cox have received word of the birth of a daughter July 30 to their daughter and husband, Mr. and Mrs. Charles Bryant of Danville, Ind.

Mrs. P. B. Stokes, Tampa, Fla., and her brother from Los Angeles were guests of Mr. and Mrs. Clement Covell and Mrs. Franklin Dauber on Wednesday and Thursday.

Mr. and Mrs. Frederick Bryan and two children are spending this week at Copper Harbor in northern Michigan.

Letters To The Editor

Editor, The Herald:

As I was reading your paper of July 30 I noted an interesting article in it concerning the dust from the torn-up boulevard. I have only one thing to say —.

The city folks thought it fun to drive on M-50 last summer when it was in the making; many of them thought "to heck" with the dust in the country. Now when we farmers come into town and drive on the torn-up boulevard — listen to the city folks crab about all the dust.

Miss Ardyth J. Eaton

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

VILLAGE OF TECUMSEH COUNCIL MEETING

August 3, 1953

Present: President Campbell, Trustees Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Absent: McCombs.

President Campbell appointed Manwaring to fill the vacancy on the Finance Committee caused by the absence of McCombs.

Minutes of meeting held July 20, 1953 were read and approved.

Minutes of Special Meetings held July 22 and 27, 1953 read and approved.

An itemized list of bills paid August 3, 1953 is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for period ending August 3, 1953, $19,806.29.

Moved and supported bills as read be approved and orders drawn up for the same.

Ayes: Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Engineer's report read and approved and ordered placed on file.

Police report for July read and approved and ordered placed on file.

Ayes: Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Petition presented by Leo Lohrman and Charles Hand to operate a stamp store at 503 W. Cummins street was read.

Moved and supported to accept this petition and the same to be placed on file in the Clerk's Office.

Ayes: Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported the President and Clerk be authorized to sign the Lease with General Servied Administration for the Parking Lot on South Pearl St.

Ayes: Beach, Rohweder, Manwaring, Truesdale, Driscoll.

Nays: None.

The following resolution was read for the second time, discussed and then tabled until next meeting.

RESOLUTION

The following preamble and resolution was offered by Councilman Manwaring and supported by Councilman Driscoll.

WHEREAS uncertainty has existed among the citizens of the Village as to the period for which their taxes were assessed, and

WHEREAS it is desired that the Village establish a policy as to the period for which taxes are made payable.

NOW THEREFORE BE IT RESOLVED:

That it is the declared policy of this Village that taxes are payable in advance, viz: That taxes assessed and spread during the spring or summer of any given year cover the expenses of the Village for the year following that particular spring or summer.

Resolution or ordinance regarding footage of future home in the Village was tabled for its third reading at the next meeting.

Moved and supported the meeting adjourn.

Ayes: Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

E. M. Campbell, President
Naomi R. Sallows, Clerk.

MACON

Mr. and Mrs. David Bush will entertain the Macon Community Club August 18 at 9 p.m. Mr. and Mrs Ray Gilmore will be in charge of the program and ice cream and cookies will be served.

The executive board of the W.S.C.S. met Tuesday afternoon at the home of the president, Mrs. Wade Scudder. Reports were filled out and the year's program planned.

Several friends of the S. C. House family of St. Louis, Mich., formerly of Macon, have received invitations to the wedding of their daughter Barbara, who will be married Friday, August 21, in the St. Louis Methodist church.

Friends and relatives of Mr. and Mrs. Franklin Bush, who were married July 31, attended a reception in their honor held Saturday evening in the Tecumseh Grange hall. A social evening and dancing were enjoyed and the couple received many lovely gifts. Mrs. Bush is the former Oda Bruce.

Mr. and Mrs. Gerald Carey and daughters and Mr. and Mrs. Edward Furlong of Ypsilanti spent Thursday evening visiting their parents, Mr. and Mrs. Bert Bruder. Mrs. Bruder has been ill for nearly a week.

Mr. and Mrs. L. C. House and daughter Barbara of St. Louis, Mich., called on Mr. and Mrs. Ralph Halladay Saturday, and other friends in the Macon vicinity.

Mr. and Mrs. Eric Halladay and family of Detroit spent Sunday with Mr. and Mrs. Ralph Halladay. Their son Richard remained for a longer visit with his grandparents.

Twenty-three members of the Macon Youth Fellowship enjoyed a hot dog roast before their Sunday evening meeting. Karen Swanston was the leader and a panel discussion was held. Plans and committees were named for the sub-district Youth Rally to be held in Macon, August 31.

Mr. and Mrs. Hamilton Moore and sons spent Sunday at Pokagon Park, Indiana, attending the Bruder reunion.

Miss Karen Beck is spending two weeks Traverse City.

Mrs. Floyd Barrett entertained the Macon Extension Club Tuesday. Reports were given on the Homemakers Conference.

o

MRS. FLORENCE FOGLE WEDS STANLEY WEER

Christ Episcopal church, Adrian was the setting of the Saturday evening wedding of Mrs. Florence Fogle and Stanley Weer, both of Adrian. The Rev. A. Peter Carroll, rector of the church, performed the 7 o'clock ceremony.

The bride and groom were attended by Mr. and Mrs. Richard Kingsbury, the vows being exchanged before an altar decorated with white gladioli.

For her wedding, the bride chose a gown of cinnamon brown nylon lace with matching lace hat. She wore a corsage of Talisman roses. Mrs. Kingsbury, daughter of the bride, was wearing a lavender embossed cotton dress with matching hat. Her corsage was of purple gladioli.

A reception was held in the home of the bride following the ceremony. Assisting with serving refreshments were Mrs. Ralph Dunning and Mrs. Ray Hensey of Flint, Mrs. Burton Dannells of Clinton, Mrs. John Zeigler and Mrs. Charles Howe of Tecumseh.

Mr. and Mrs. Weer are traveling to Wisconsin on their wedding trip and on their return will reside at 620 Clinton St., Adrian.

Mrs. Weer owns the Vogue Shop, Tecumseh, and Mr. Weer is assistant postmaster in Adrian.

o

Locals and Personals

Mr. and Mrs. Elmer Spreeman and son Charles and Mr. and Mrs. William Spreeman spent Friday to Sunday with Mrs. Elmer Spreeman's aunt, Miss Martha Marowelli in Douglas, Mich.

Clare Camburn was in Detroit a few days this week attending the Grinnell Music school.

Morse - Wilson Vows Exchanged Saturday Evening

St. Peter's Episcopal church made a beautiful setting Saturday evening for the marriage of Patricia Ann Wilson, daughter of Mr. and Mrs. Melbourne W. Wilson, and James Richard Morse, son of Mr. and Mrs. Robert Morse of Caseville.

The decorations of creamy white consisted of vases of gladioli and chrysanthemums on the altar and hampers of gladioli with lighted candelabra flanking the chancel, while pews were marked by gladioli tied with satin bows.

Nuptial music was played by Joseph Harris of Jackson and Miss Margaret Hardy of Tipton sang "Because" and "I'll Walk Beside You," followed by "The Lord's Prayer" during the ceremony, performed by the Rev. Edward Dickin.

Given in marriage by her father the bride was charming in a gown of white taffeta, with hooped over skirt of corded Chantilly lace and shirred tulle sweeping into a train. The fitted bodice, embroidered with irridescent sequins had a Tudor collar and long sleeves with points over the hands. A jewelled cap of lace held the double finger tip length veil and she carried a white prayer book with lace cover decorated with white roses.

Her attendants were Mrs. Nordine Richards Morse, a college roommate, as matron of honor, and Miss Irene Hammel, Mrs. Marilyn Van Winkle Rossman of Saginaw and Mrs. Joan Morse Stuckwisch, Stevens Point, Wisc., as bridesmaids. Their gowns, aqua for the matron of honor and coral for the bridesmaids, were identical in style and material. Of nylon net and taffeta, they were strapless with stoles, while the floor length, hooped skirts had draped aprons of taffeta over tulle. They wore matching head bands and mitts and carried cascade bouquets of cream fugi-chrysanthemums with satin ribbons and maline, the color of their gowns.

The groom was attended by his twin brother, Robert Morse Jr. of Lafayette, Ind., while the ushers were James G. Wilson, brother of the bride, Kenneth Harrington of Ann Arbor and Walter Turri of Fairborn, Ohio.

For her daughter's wedding, Mrs. Wilson wore a floor length gown of gray and black lace with pink accessories and her corsage of pink roses was carried on a black taffeta purse. Mrs. Robert Morse Sr. wore dusty pink lace in floor length, with a shoulder corsage of Eucharis lilies. Her accessories were white. Mrs. Emma Sloan, Patricia's grandmother wore an aqua print with a corsage of gardenias.

The Country Club, which was the scene of the reception for 250 guests after the wedding, was decorated in coral gladioli and the table at which Mrs. Vincent Haight and Mrs. Frank V. Owen cut the wedding cake was decked with gardenias and candles.

The wedding party was assisted in receiving by Mr. and Mrs. Jack Hartung of Kalamazoo, Mr. and Mrs. Paul Breitenwischer and Mr. and Mrs. Robert Todd of Sparta, while Mrs. H. H. Hammel, Mrs. Frank Purcell, Mrs. Charles Butler and Mrs. H. H. Hanna presided at the coffee urns and the Misses Shirley Fosbender, Joan Breitenwischer, Martha Jane Hanna and Mary Teresa Sack at the punch bowl.

For the wedding trip, which will include Yellowstone Park and the Black Hills, Mrs. Morse chose a black linen suit with yellow accessories.

Mrs. Morse graduated from Tecumseh high school and Western Michigan College where she was a member of Delta Zeta and has taught for one year at Charlotte. The groom, who is a graduate of Cooley high school, Detroit and the University of Michigan, where he was a member of Phi Delta Chi, is affiliated with "The Quarry" in Ann Arbor. Mrs. Morse will teach in Saline this year, where they will reside.

LOCALS

Mr. and Mrs. Henry Bullion of Leven, Fife, Scotland, sailed for home Friday from Montreal, Canada after a five weeks visit with Mr. Bullion's sister and husband, Mr. and Mrs. Sidney Gransden on Occidental Road. They have been touring the United States and Canada for three months, including a trip with the Gransdens to Kirkland Lake in northern Canada, where Mr. Bullion worked thirty years ago. He found it grown from a town of 1,000 inhabitants to more than 30,000 and met just three people he knew. Mrs. Gransden, who was also born in Scotland, had not seen her brother in twenty-three years.

Mr. and Mrs. Fred Hadley have moved from 112 Pearl street to the Paul Nobles house on N. Maumee street.

Jeannine Heflin is spending a week with her cousin Phyllis Jolly of Anderson, Ind.

Mr. and Mrs. James Turpin and Mrs. Donald Younglove were in Huntington, W. Va., over the weekend.

Mr. and Mrs. Frederic Stanton of Royal Oak were Saturday guests of Mr. and Mrs. George Adamson.

Mr. and Mrs. Russell Gregory of Jackson were guests Sunday of Mr. and Mrs. George Hay.

Mr. and Mrs. Edward Leighton Jr. and family left Saturday for a vacation trip through northern Michigan.

Miss Mary McWilliams was in Ypsilanti Saturday for the wedding of her niece, Nancy Elizabeth Lathers, daughter of Mr. and Mrs. Maurice Lathers and Daniel James Pitkin, son of Mr. and Mrs. G. Richard Pitkin, which took place at the home of the bride's parents in the presence of the immediate family and close friends. The ceremony was performed by the Rev. Raymond B. Bair, pastor of the First Presbyterian church and the couple were attended by Miss Nathalie Helfrich and William Pitkin, brother of the groom.

Mrs. Lloyd Rhein and son Peter are visiting her mother and sister in Des Moines, Iowa for a week.

Mrs. George Hay and grandmother Mrs. Minnie Enders have returned from Minneapolis, Minn., where they visited Mrs. Enders' brother.

HOLLOWAY

Mrs. Carl Wilson was guest of honor at a stork shower given by her sister, Mrs. Jim Felton at the home of their mother, Mrs. John Marine. The gifts were placed in a chimney with a stork standing over it holding a doll in a diaper in its beak. The table was decorated with a bowl of gladioli. The favors were bassinets made of lace paper doilies filled with candy mints. About twenty-three guests were present and Mrs. Wilson received many lovely gifts. Mrs. Allan Cuttler assisted Mrs. Felton with the serving.

Mr. and Mrs. Wayne Allen and family of Clayton and Allan Reister of Onsted were Sunday dinner guests of Mr. and Mrs. Wilson Sawyer. Afternoon callers were Mr. and Mrs. Herbert Howe of Waldron.

Bible school at the Holloway Presbyterian church, being conducted by Rev. and Mrs. Shreve of Raisin Center, will hold their closing program Friday evening at 8 p.m.

The Ladies Aid of the Holloway Presbyterian church will meet Thursday, August 20 at the Elmer Green cottage at Wamplers lake. A picnic dinner will be served at 1 p.m. for members and their families.

The young people of the Raisin Center Friends church presented an interesting program at the Sunday evening service. The program consisted of a piano solo by Alice Morton, an inspiring lesson led by Lucy Miller, a trumpet solo by Lowell Nichols and a girls' quartet number by Thelma Anderson, Carolyn Morton, Lucy Miller and Alice Morton. The entire group enjoyed singing several choruses and joined in the discussion of the lesson. This Sunday evening the ladies of the Missionary Society will have charge of the 7:30 p.m. service.

o

ARTHUR W. DARLING BURIED IN CLINTON

Arthur W. Darling, who for the past four years had made his home with his sister, Mrs. Clement Hardenburgh, 118 S. Evans street, died Friday morning at Mercy hospital, Jackson, where he had been a patient for eight weeks.

The son of the late Frank and Josephine Wooden Darling, he was born in Tecumseh, Nov. 4, 1878. He had lived for fifty years in Jackson before coming to Tecumseh four years ago and was employed as a salesman.

Survivors are two sisters, Mrs. Anna Hardenburgh and Mrs. W. A. Kuespert of South Bend, Ind.; a granddaughter, Mrs. Tom Beldner and one great granddaughter of Reading; three step-daughters, Mrs. Elizabeth Griffin, Dearborn, Mrs. Willeta Jarman, Angola, Ind., and Mrs. Josephine Rogers, Miami, Fla. He was preceeded in death by his first wife, Kathleen, who died 15 years ago, a son, James, a sister, Mrs. John Saum and two brothers, Leslie and Stanley. Mr. Darling married Mrs. Gertrude Hackett of Jackson in 1943, who died in January, 1950.

Funeral services were held Monday, 2:30 p.m. at the Collins Funeral Home, the Rev. Alvin Brazee officiating. Burial was in Riverside cemetery at Clinton and pallbearers were Earl Updike, Burlin Brees, George Elliott, Harold Morey, Jack Metcalf and Lawrence Price.

Friends and relatives who attended were from South Bend and Angola, Ind., Detroit, Dearborn, Flint, Birmingham, Reading, Jackson, Manchester, Adrian and Clinton.

BRITTON

Miss Gail Claxton, daughter of Dr. and Mrs. W. T. Claxton, will take one of the principal roles in the National Music Camp's production of "Goodbye, My Fancy." Miss Claxton has been active in dramatic productions both at Tecumseh high school and at Interlochen.

The Britton Band Boosters club reports that it has raised $600.00 so far and a down payment has been made on the uniforms for the band. There is still a large amount due. Anyone wishing to contribute may contact Mrs. Walter Prill or Mrs. Paul Rowlands. Checks should be made payable to the Britton-Macon Band Boosters club.

Mr. and Mrs. Jay Ferman in company with Mr. and Mrs. Ford Exelby arrived home recently from a vacation trip to Grand Marais.

William Cundiff of Detroit spent from Monday till Thursday with relatives here.

Mr. and Mrs. Clare Griffin and children arrived Wednesday from a trip to Frankfort, Ind., coming home by way of Lake Michigan and Battle Creek.

Mr. and Mrs. Herman Steuwe entertained recently a group of relatives and friends in honor of their son Max who left Aug. 11 to enter the Air Corps. A potluck supper was enjoyed and Max received many nice gifts.

Ernest Oliver spent the weekend with relatives in Detroit.

The Sara DuBois Post Noble Grands will meet at the home of Mrs. Marie Pocklington Friday evening at 8 p.m. All members are asked to be present.

Weekend guests of Mr. and Mrs. R. B. Kanous and Mrs. Mary Brablec and other relatives were Mr. and Mrs. Carl Brablec of Roseville. Also guests in the Kanous home were Mr. and Mrs. Louis Allegrina and sons of Detroit.

Seventy relatives, neighbors and friends attended the 50th wedding anniversary open house for Mr. and Mrs. John Weichner at the home of their son Mr. and Mrs. Forest Weichner in Britton. Those attending from away were from Indiana, Ohio, and Detroit and Perry.

Mr. and Mrs. Andrew Crutchfield and children, Mr. and Mrs. Wayne Dunbar and son are spending this week vacationing at Evans lake.

Saturday visitors in the Fay Wiggins home were Mr. and Mrs. Robert Mayfield and children of Ann Arbor. Sunday visitors were Mr. and Mrs. Richard Wiggins and son.

Weekend guests of Mr. and Mrs. Royal McElroy were Mr. and Mrs. Holden McElroy of South Bend, Ind. and Mrs. Lavina Pupard of Monroe. Sunday guests were Mr. and Mrs. Everett Exelby of Ridgeway and Clifford Pupard of Monroe.

Locals and Personals

Mr. and Mrs. John DeFoe and daughter Kerry, who have been visiting Mrs. DeFoe's mother, Mrs. Earl Lindsley, left Saturday for their home in Memphis, Tenn. Another daughter, Mrs. Barbara Pfalz of Detroit spent the weekend with her mother and Sunday, Mr. and Mrs. Mitchell Ellston of White Cloud called in the same home.

Born, Wednesday, August 5, in Saline hospital, to Mr. and Mrs. Russell Hall of 3447 Murray Dr., a son, David Lee.

Mr. and Mrs. Kenneth Simpson of Bedfordshire, England, who have been visiting their daughter, Mrs. George Derby and her family since early in May, leave by air from New York tomorrow for their home. Mr. and Mrs. Derby and two children accompanied them to New York where they will remain for a few days sightseeing.

Kenneth Munson came last week from Mill Valley, Calif., to join Mrs. Munson and two children, who have spent the summer with Mrs. Munson's father, Perry Satterthwaite. The family left for California Friday morning, going by way of northern Michigan.

Gerald Roberts, after further tests at Howell Sanitorium where he had gone for treatment, was released and has returned to his home here.

Mrs. David Yarnell of Philadelphia is a guest of Satterthwaite relatives. A granddaughter of the late Joshua Taylor, whose farm was in Raisin township, she spent many summers in the house on Raisin Center highway (Railroad Road) which was destroyed by fire last fall.

Want to be nimble, smooth and quick?

TT Dynaflow* does the trick!

We have just the place for you. If such is your desire.

It's at the wheel of a 1953 Buick with Twin-Turbine Dynaflow.

And we suggest you hold on to your hat and your heart when the action starts—for here's what happens:

You press the pedal and, from a standing start, you're up to a legal 30 mph before you have time to breathe but twice.

Or, you're in the thick of traffic—moving smoothly, easily, quietly. Then, when it's safe to do so, you move instantly into the clear with the greatest of ease—in one progressive build-up of velvet acceleration—without a single gear shifted or a clutch pedal pushed.

That, sir, is the big thrill command you get in any 1953 Buick SPECIAL, SUPER or ROADMASTER with new Twin-Turbine Dynaflow.

For this fully automatic drive now has two turbines where one did the trick before. Two turbines for instant getaway response—with whisper quiet—and with infinite smoothness through all ranges.

Of course, a lot of able power goes with this smooth, quick getaway—the highest horsepowers and compression ratios, Series for Series, in all Buick history.

And so does big room. And the supreme comfort of the Buick Million Dollar Ride. And the superb handling ease of finely balanced weight. Even Power Steering* is at hand to make parking and turning still easier.

Why not drop in on us soon and sample one of these great new 1953 Buicks with TT Dynaflow? It's an experience — and a value story — too good to miss.

**Standard on Roadmaster, optional at extra cost on other Series.*

Locals and Personals

A group of seven families, all Herrick Park neighbors of Mr. and Mrs. Ben Gillis, joined them at the Kirk cottage at Devils lake, Sunday for a potluck picnic.

Mrs. Francis Taylor and baby and Mrs. Charles Lister of Britton were guests of Mrs. William Spreeman, Monday.

Mr. and Mrs. Noble Gregg and Mr. and Mrs. W. G. Waldron spent the weekend in Kentucky. They were joined by Pvt. Wilfred Waldron Jr. at Fort Knox and visited Mammoth Cave and historic Bardstown, where they saw the plantation that was the inspiration for the song, "My Old Kentucky Home."

Kent Davison, son of Mr. and Mrs. Kenneth Davison, is spending the week in Detroit, visiting relatives and friends. Mr. and Mrs. Davison will go to Detroit Saturday evening for the wedding of their niece, Miss Milred Davison.

The good old days are best forgotten.

THE HERALD

Publishing —— Printing

From where I sit ... *by* Joe Marsh

Harvesting a Better America

Rubbed my eyes yesterday when I saw Hap Jackson's truck in Biff Morgan's alfalfa field . . . helping Biff get in his cutting.

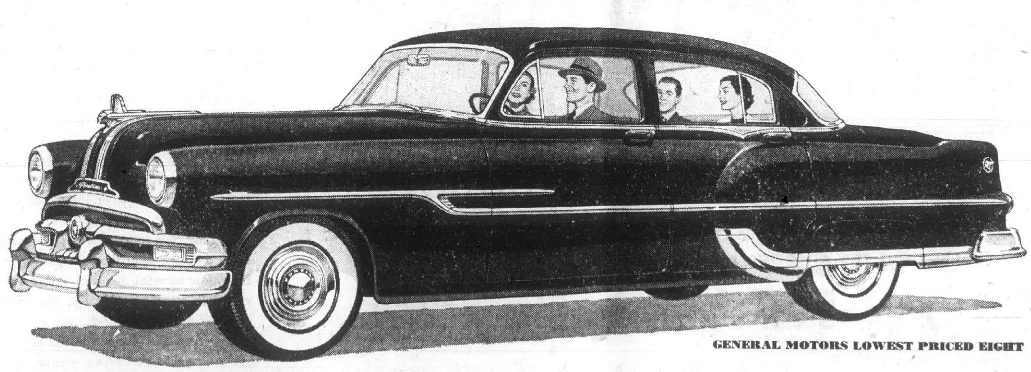
Since they've been carrying on a friendly argument for years (over how much fertilizer to use per acre of alfalfa), I had to ask Hap what was going on.

"Got my own crop in safely last week," he says. "And since Biff's boy is at the summer encampment of the National Guard, I figured the least I could do was to help him out. After all," Hap went on, "there's *no* argument over how important the National Guard is to all of us."

From where I sit, a fellow like me, who's too old to get in the Guard, can still vote, do a turn at jury duty, and respect others' rights. Even a little thing like respecting a neighbor's right to have, say, beer or buttermilk at dinner is important if we want to keep America strong. We have to be on "guard" in more ways than one these days!

Joe Marsh

Compare the PERFORMANCE!
Compare the PRICE!



GENERAL MOTORS LOWEST PRICED EIGHT

In all-around performance, Pontiac compares favorably with any car—and you get this outstanding performance along with an unsurpassed record for dependability, economy and long life. But Pontiac compares with the finest cars in other ways, too: in handling ease, in comfort, in roominess. All this makes Pontiac's low price even more remarkable. And not only is Pontiac priced right down next to the lowest but it also saves you money every mile you drive. And to top off Pontiac's low cost you can look ahead to its assured high resale value. Why not come in and let us prove it?

Dollar for Dollar you can't beat a
Pontiac

See How Much You Get At So Very Little Cost!

PONTIAC'S GREAT POWER PLANT This powerful, high-compression engine gives you more power than you'll probably ever need. Pontiac engines are famous for delivering years and years of wonderful miles with only routine attention.

DUAL-RANGE HYDRA-MATIC* Lets you choose the performance you want, when you want it: alert response in city traffic or gas-saving, almost-silent cruising on the open road.

122" WHEELBASE No car so big is priced so low—and this long wheelbase means extra roominess and a more solid feeling of security.

POWER STEERING* Parking's simple with Pontiac's Power Steering, which relieves you of almost all steering effort but at the same time requires absolutely no change in driving habits.

BODY BY FISHER Pontiac's de luxe interiors are keyed to body color. Appointments and conveniences compare with the finest. There's ample room to stretch out and relax.

*Optional at extra cost.

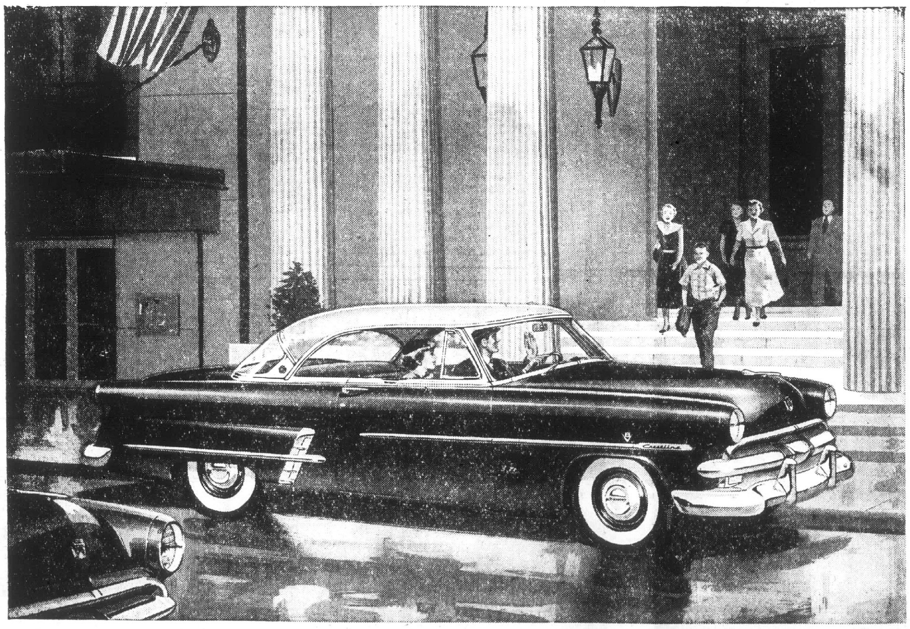
COLLECT $1,392

July was a lucrative month for the village treasury as $1,392.30 was collected from traffic fines, meter violations and regular meter collections.

Police chief George Kilbourn reported to the council that his department filed nine accident reports, received 10 complaints, issued 42 traffic summonses, had 38 meter violations, made 19 arrests and completed five liquor investigation.



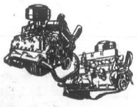
In every way, more car for your money !

Ford gives you V-8 power like that of costly cars... fine car build . . . fine car ride and "at-home-everywhere" good looks - but the price tag never moves out of the low-price field

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over $1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features ...but to get the full Ford "Worth More" story, Test Drive a new Ford *today!*

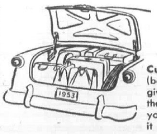
Less front-end road shock. The kind of shock you feel most is reduced up to 80% with Ford's new ride. You get a smoother, more balanced, more *comfortable* ride all around!

Suspended pedals are designed to work easier and make foot space of your Ford's entire floor area. Suspended pedals are also a "keep out" sign to dirt and drafts . . . make it easier to keep the floor clean!



Smooth V-8 power is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-leveling "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Pilot!

An extra suitcase will fit into Ford's luggage compartment—the roomiest in the low-price field. In fact, Ford's combined luggage and passenger space is the greatest in the low-price field . . . compares with that of many cars of higher price.



Center-Fill Fueling permits filling your Ford from either side . . . saves you time when refueling . . . and puts an end to hose scratches on your fender!

Curved one-piece windshield (below) and large picture windows, give Ford the most "look out" area in the low-price field . . . another reason your Ford is worth more when you buy it . . . worth more when you sell it!

GREAT TV! FORD THEATRE,

See it . . . Value Check it . . . Test Drive it . . .

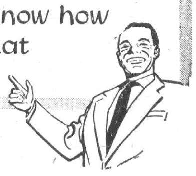
Smart cooks know how to beat the heat



What homemaker wouldn't like to be free from cooking worries, especially during the hot summer months?

What woman wouldn't like to be able to visit with her friends, take in a movie, or go to the beach with her children on these wonderful summer afternoons?

You may not believe me — but thousands of smart cooks are doing these things every day. It's no trick at all when you cook with a wonderful new, fully automatic gas range. You simply prepare a complete oven meal, place it in the oven of your range, ***set the automatic controls*** and you are ***free to do as you please.*** When the time comes to sit down to the evening meal ***the dinner is cooked to perfection, waiting, ready to serve.***

Your automatic gas range took over the complete cooking job. It maintained the correct temperature . . . it turned "on" and "off" at just the right time to meet your schedule perfectly.

But don't take my word for it. Come in. See these new gas ranges. Ask your friends, or neighbors about their new automatic gas ranges and you'll understand why they're called smart cooks.

Your Gas Appliance Dealer...
will be glad to show you these new automatic ranges. They ***cost less to buy, less to use,*** and ***less to install*** than any other automatic range on the market today.

PG-3446-20

I'm Often Wrong

By Neil Hunter

OUR YOUNG MEN — As we watched Dr. Bob Murray and Dr. Bill Britton take the floor during last week's anti-fluoridation meeting we couldn't help but think how very fortunate Tecumseh is to have these—and many, many other—capable and promising young men. For in these young men is every sign of action for community progress. The community's future is secure in the hands of young men who think clearly, though they may on occasion stumble, for they will surely develop sound judgment and become capable leaders.

Tecumseh has many other Murrays and Brittons in industry, in business, in education, in professions and so on. No where else have we seen so many outstanding young men, keen of mind, agile of thought, gaining experience and ability to carry on the tasks the city dads of today will hand down to them.

●

TOO MANY DOCTORS — And while we're on the subject, there are too many doctors; not too many medical doctors but too many people who carry the doctor handle around. We wish someone would get a name for each profession so "doctor" would mean what it is supposed to mean and not used loosely like in England where any person of public office or public employee from a congressman to a village councilman is called "governor." Out west they call anyone from an auctioneer to a traffic cop "colonel," down south they do the same with "prof' from a school house janitor to a rack boy in a pool room.

If you are speaking of a dentist there should be a name, like a-a-a-a, well I can't think of one right off, couldn't be driller could it? But there must be one. Same with a vet, or some well educated guy with a Doctor of Phosphates (I like lime). Give each a title and give the Doctor the Doctor.

●

TOO MANY DEARS — Another thing we never like and wish someone would be bold enough to change, is the custom of writing Dear in the salutation of every letter whether it's an order to Sears for a left-handed monkey wrench or a love letter to Santa Claus.

It just doesn't seem right to me to start off, Dear Mr. Goldbottom: Would you please send me one (1) of the hard-top cellophane bomb shelters advertised on TV Saturday night for every American home. I am enclosing the packing crate from my new furnace and 50 words on why I want your bomb shelter for my mother-in-law to stay in when she visits us.

Yes, no matter what we're writing for, we always say Dear. It's alright for families or loved-ones, but not for some plump and prosperous businessman whom we'll never see, and never care to. It just seems like too much affection, where there ain't any.

●

WE NEED A FLOWER — Someone should come to the front this fall or next spring with a flower for Tecumseh to plant along the new boulevard and profusely around homes for a city-wide decoration that will beautify the community and bring recognition to Tecumseh as the city of spitunyas or some other flower. Wouldn't it be fun, and pretty too. Some club ought to wring plenty out of that idea.

●

OUT OF SAYINGS? — We haven't had many good sayings or mottos, not even any good jokes lately. C. R. Henkel saw this one up north, "Children should be SEEN and not HURT." Frank Buck said, "Free advice is worth just what you pay for it."

We did receive this wire from a General—seems funny, 10 years ago we couldn't get past a KP order from a Lieutenant — this week asking us to arouse our community in civil defense. Gen N. F. Twining wired us:

At a time when men of good will are hoping and praying for peace there are some bitter facts we must keep in mind constantly. Since 1945 Soviet Russia has stretched the Iron Curtain around 13 neighboring countries under the pretext of liberating them. Today hidden behind that Iron Curtain the Kremlin has nearly 1000 long range bombers capable of devastating atom bomb attacks on any part of the U. S. Our military forces are on 24-hour guard against possible sneak attacks but they must be supplemented by thousands of additional civilian volunteer plane spotters for the ground observer corps. A fully manned civilian observer corps is absolutely vital. Your community, Tecumseh, Michigan, has an important roll to play in this national program.

●

DEAR DAD:

This is National Roller Towel week. What next. I suppose soon no home will be complete without a roller towel. That's all we need.

Your Son,
NEIL

LOCALS

Mrs. Lillian Owen had as her guests over the weekend her sister-in-law, Mrs. Edith Owen Rice of San Antonio, Texas; Jaclyn and Pamela Parker, Houston, Texas and the Rev. and Mrs. Edmund L. Maransek from Jefferson, Iowa. Rev. Maransek is a Presbyterian minister in Jefferson. The group was also entertained by Mr. and Mrs. Carl Kempf.

Bert Lawrence sent the recent issue of The Herald which told of his retirement from making cigars to Frank Ripley, another old-time cigar maker here, who is now living in Altadena, Calif.

Mr. and Mrs. Francis Langthorne and daughter Joan of Detroit, visited Mrs. Langthorne's father and aunt, Fred Swan and Dr. Mary Swan last week.

The August 6 issue of the Michigan Christian Advocate notes the death of two men who were well known in Tecumseh's Methodist circles. They were Dr. Luther Butt, pastor of Strathmoor Methodist church in Detroit who died July 20; and the Rev. M. T. Seeley, retired, whose death occurred July 19, with services in the Marlette Methodist church. Dr. Butt was superintendent of the Ann Arbor district from 1942 to 1948 and was frequently in Tecumseh. Rev. Seeley was pastor of the Tecumseh Methodist church in the early 1900's and his name is familiar to many of the local members. The paper says he is survived by 21 grandchildren and 56 great grandchildren.

Lt. and Mrs. Robert Hughes and daughter Robin left Thursday after a week's visit with Mrs. Hughes' grandmother, Mrs. R. K. Anderson. They were enroute to Fort Belvoir, Va., where Lt. Hughes will be stationed following three years duty in Germany.

Mrs. Eckford Dodd Tyler of Pasadena, Calif., is a guest of her cousin, Mrs. Perry Hayden and family.

Mrs. Ellsworth Collins and daughter, Mrs. Nilo Manso and two children are spending this week at the Collins cabin at South Branch.

Mrs. Earl Lindsley left Monday for Lodi, N. Y., to spend her vacation with her sister and husband, Mr. and Mrs. Darwin Smith.

Mrs. B. G. Ousterhout went to Chicago Sunday to attend the summer gift show. She will return Friday.

Mr. and Mrs. Charles Manley Jr. spent Sunday with Mrs. Manley's parents, Mr. and Mrs. B. B. Everlove in Grand Rapids.

Mr. and Mrs. Victor Voorhees and son Robert and Mr. and Mrs. Charles Howe and grandson John attended a family dinner Sunday at the home of Mr. and Mrs. Carl Voorhees in Nashville.

Motel Reports Items Of Interest

The Tecumseh Motel has now completed two months of operation, and its records come up with some interesting figures. Business began with the registering of John G. Blocker and his mother of Lawrence, Kansas on June 12 of this year.

Almost 300 people have enjoyed its hospitality thus far. They have purchased more than 500 meals in the restaurants of the Tecumseh area and have come from 18 different states or provinces, including Massachusettes, Florida, California, Quebec and British Columbia.

Business, touring, and visiting local people are the reasons most often given for being here. Many have done some shopping in the vicinity. Two couples from Ontario purchased their limit ($400) of goods to take back from Tecumseh and Adrian.

Impressions of the Tecumseh Motel also vary. Two guests complained that the rates were too high—over thirty have said they would gladly pay more for the same accommodations. A note was left in one room, "The signs did not deceive us. This is the best in the whole U.S.A. Signed, The Kersten Family (Cleveland, O.)"

Pilferage from the motels for the two months has been one towel.

You should make up your mind to do some serious reading in 1953.

We Cannot Be
An Unbeliever ....

... in our profession. For the end of life, like the beginning, is the work of the hand of God.

That is why we say that the end of life need not be less beautiful. We try to convey beauty and dignity in every service for the departed and for those remaining to carry on life in this world.

CARD OF THANKS

We wish to sincerely thank the many friends who so kindly remembered our brother, Arthur Darling, during his stay in Jackson hospital and all those who have been so kind to us since his death. We are especially grateful to the Rev. Alvin Brazee for his comfort and to the Pythian Sisters and Daughters of St. Peter's, who provided the dinner for out-of-town relatives.

Anna Hardenburgh
Gladys Kuespert.

Nothing is ever accomplished tomorrow.

Board Shifts Last Minute Plans For School Opening

Second verse, same as the first might be the theme song of Tecumseh's Board of Education which started switching classes around for fall school opening Sept. 8.

In session Tuesday night, the board tentatively decided to open kindergarten classes in the high school, first grade in the library basement, second, third, fourth and fifth grades in the Central school aduitorium, typing room, English room and library, sixth grade in the high school.

For Supt. James McDowell officially announced that the Patterson school will not be ready on opening day, in fact it is but two-thirds complete and may not be finished until the second semester, the contractors have until February. Only two rooms of the high school northeast addition will be ready, they are the downstairs two. The new gym has just been "started," in comparison.

Also Tuesday the board increased tuition for outside students from $62.00 to $128, elementary and from $95 to $143 secondary.

McDowell announced that 16 new teachers have been hired. They are Myrna Bugbee, Mary Steinhoff, Norma Beitelschies, Mrs. Patricia Schlater, Mrs. Elsie Neitling, Mrs. Mary Vallie, Mrs. Ellen Illeck, Robert Kelty, Carl Hale, Mrs. Leva Brown, Mrs. Katherine Whited, Esther Schell, Jacqueline Egan, Mrs. Marjorie Marx, Harold Brack and Judy Warner.

Last year's staff remains the same except for the loss of nine teachers, Juanita Ward, Illa Mae Cooper, Wilfred Waldron, Pat Hammack, Mrs. Joe Horvath, Mrs. William Macbeth, Mrs. Faye VanValkenburg, Arthur Schwartz and Duane Furbush.

MANY LOCAL TEACHERS COMPLETE SUMMER SCHOOL COURSES

Vacation for a large group of Tecumseh teachers meant going back to school this summer, some to work for advanced degrees, some to renew and refresh their teaching technics.

Courses of six and eight weeks at the University of Michigan were attended by Mr. and Mrs. Lester Runk, Donald Brazee, Douglas Murdoch, Victor Lawson and John Tater, while Mrs. Harold Naser completed a two weeks course in human relations at the University last week. Mrs. Runk and Mr. Lawson received degrees of Master of Arts at the close of their summer's work.

Mrs. Bertram Updyke, Mrs. Roy VanWinkle, Mrs. Edward Buttolph, Mrs. Mervyn Boltz, Mrs. Purnell Osburn and Mrs. Ina Bailey spent six weeks at Ypsilanti State Normal College taking subjects that ranged from science to geography and current events. Mrs. Boltz and Mrs. Osburn received Bachelor of Science degrees at the completion of the course while Mrs. Updyke earned an A. B. degrees. Also attending the Normal this summer was Mrs. Mary Vallee, the former Mary Riccia, who taught in Tecumseh a few years ago and who will return here as a teacher this fall.

Others who took advanced work this summer were Mrs. Leon Van Valkenburg and Mrs. Ray Puffer, at Adrian college and Miss Bertha La Pointe, Mrs. Janet Woodward and Miss Mary Brown who took six weeks courses at Siena Heights, Adrian.

MANAGER SPEAKS

N. G. Damoose, city manager of Ypsilanti, was guest speaker at Rotary Tuesday evening and pointed out advantages of the city form of government. Guests were Palmer Saxton, Henry Newlin and Elmer Seager, Blissfield; Wayne Ballfet, Clinton and Ralph Schulter, Battle Creek.

MANY FRIENDS ATTEND BRAZEE ANNIVERSARY

Sunday afternoon friends gathered in the service center of the Iron Creek church, in observance of the 40th wedding anniversary of the pastor and his wife, Mr. and Mrs. Alvin Brazee. Flowers and gifts added much to the inviting charm of the hall.

Planned by the children of the honored couple, the details of the afternoon's hospitality were cared for by the ladies of the church, who also supplied the many fine cakes served in addition to the beautiful wedding cake which centered the serving table, a gift from the children.

During the afternoon the Misses Evelyn and Marlys Arnold of Tecumseh, accompanied by Alfred Middlebrook of Clinton, sang "Always," "I'll Walk Beside You" and "Bless This House," and Neal Brazee read the original account taken from The Tecumseh Herald of forty years ago, of the marriage of his parents, Helen G. Smith and Alvin C. Brazee.

Guests from Manchester, Clinton, Tecumseh, Adrian, Macon, Onsted, Somerset, Ridgeway, Fayette, Ohio, Detroit and as far away as Charleston, W. Va. and Pasadena, Calif. helped to make memorable the day which marked forty years of life together of Helen and Alvin Brazee and also their twenty-five years of service with the Iron Creek church.

Four Injured In Auto Accident

Two Tecumseh young men are still in Herrick Memorial hospital recovering from injuries suffered in a one-car accident Friday evening north of the Iron bridge.

Dick Henkel, driver of the convertible which went out of control on M-52 between the bridge and Burt street, and Dave Vanderpool are both recovering satisfactorily in the hospital, neither is in serious condition. Richard and John Colson were discharged earlier.

The four young men were driving toward Clinton in Henkel's yellow convertible, which is now a total wreck after hitting a guard post, two mail boxes and turning over on its side from the impact with a telephone post. The car traveled 272 feet from the point it left the highway until it overturned. The investigating officer's report states from interrogation of Henkel that the car was going "60 or 65 when it crossed the bridge when the steering linkage seemed to come loose on the right side, he could not control the car." Henkel has been charged with reckless driving.

Policemen said that an unusually large turnout of spectators swarmed to the scene just minutes after Friday night's accident.

In two minor car accidents early this week, Don Nesbitt was charged with making an improper left turn from N. Evans on to W. Logan Tuesday morning when his truck collided with a pickup driven by Earldean Roe. Total damage was estimated at $200.

Waldo Mohr was charged with failing to stop in a safe distance after his car hit the rear of a car he was following Sunday morning on W. Chicago at Democrat. Virgil H. White, Clinton, slowed down at the grade separation when the accident occured. Mrs. Mohr and Mrs. Grace Coffey were slightly injured and treated at the hospital.

Tecumseh's Home Building Boom Continues Ahead In All Directions

Once Prize Farm, Tecumseh Acres Nears 179 Homes

SIGNIFICANT OF LOCAL GROWTH IS SUBDIVISION SOUTHWEST OF TOWN

Ninety-three years ago the Sutton farm, later known as Green Acres on the outskirts of the village of Tecumseh just one-quarter mile south of the boulevard on south Adrian street, was one of the show places of Lenawee county. Now that same farm is being transformed into 179 individual show places, with each owner as proud of his home as was Nehemiah M. Sutton, the owner ninety-three years ago.

The writer of Nehemiah Sutton's biography describes the farm in this manner. "One of the most beautiful homesteads in Tecumseh township. It comprises a fine body of land, and a handsome and commodious two-story dwelling which stands nearly a quarter of a mile from the main road and is approached by a beautiful avenue, flanked on either side by handsome shade trees and ending in well kept grounds. Everything about the premises indicates the existence of cultivated and refined tastes, and the family was among the most widely known and highly respected citizens of Lenawee county."

Arthur B. Harding, a resident of Tecumseh recalls many years ago when a boy he worked for Mr. Sutton. At that time Mr. Sutton employed twenty-five men and three women and was well thought of by his employees as being kind and generous.

Mr. Sutton also owned nine-tenths of the stock in the village opera house which was built in 1878 and was known as Sutton's Opera House. It was the center of all civic meetings, and was host to some of the best traveling shows of the times. Sutton's Opera House is now the Strand Theatre.

Nehemiah Sutton was born June 21, 1829, in Cayuga county, New York where he was reared until seven years of age. In the spring of 1836 he moved with his parents to Michigan where they located on a farm of 640 acres which the father purchased near Battle Creek. Upon first reaching this section of the country, Indians were more numerous than white people, but the elder Sutton was a man of great energy and resolution, and built up a good home from the wilderness, spending his last days in ease and comfort.

After the death of her husband, the mother came to Raisin township, this county, where her death took place in the fall of 1871.

Mr. Sutton was married March 13, 1854 to Miss Mary E. Satterthwaite, a native of this state and the daughter of Reuben and Rachel Satterthwaite, who were among the pioneer settlers of Lenawee county.

The Sutton farm was purchased in the early spring of 1949 by Town & Country Homes, Inc., a Detroit building firm for the purpose of building 179 new one family homes to ease the housing shortage in the Tecumseh area.

It was due to a friendship between the firm's secretary and treasurer, S. Brooks Barron and John R. Thompson, vice president of United Savings Bank that the firm came to Tecumseh to build.

The subdivision has been rightly named Tecumseh Acres since it was subdivided into lots ranging in size from three-quarters to one and one-quarter of an acre, thus using the late Henry Ford's theory that each home should have enough ground to support a family in fruits and vegetables.

The building site was chosen because of its location in regard to factories, nearness to a good shopping center, school bus service to good schools, and because it was just outside the village limits.

The Tecumseh Acres subdivision has been highly commended by William Grabendike, head of the Detroit appraisal division of the Veteran's Administration, and has also been acclaimed by Claude Porter, local inspector for the Veteran's Administration.

Glenn H. Kohler has been exclusive sales agent for these homes since the first home was built and occupied in July, 1949. Since that time 126 homes have been built and occupied, and ten new homes are now under construction. This leaves only 43 homes yet to be built to complete the subdivision of 179 homes.

These homes offer many new features such as tiled bath with both tub and shower, Youngstown kitchen cabinets, automatic oil furnace, oak floors, flush doors, extra large lots, and the purchaser's choice of interior colors.

A very large percentage of the residents of Tecumseh Acres are Tecumseh Products employees, who have been driving many miles to work each day until purchasing a home in Tecumseh Acres.

Tecumseh Acres has offered a lovely home site for many families and has added much to the growth of Tecumseh.

Here's how Tecumseh Acres looked back in the summer of 1949 when the first homes went up along Russell Road. These are part of the original group which sold for $7,750. Now the same one and a-half story structures sell around $1175, without basement. Tecumseh Acres has 179 plotted lots, nearly all are filled, forty homes went up this summer. Most of the occupants are Products workers.

This beautiful one-story three bedroom home, recently purchased by Mr. and Mrs. Robert Helcomb, is typical of the ranch style structures built along Murray Drive, Tecumseh Acres, this year.

Located on Lot No. 40, the house sold around $12,000, has a half acre of land. Within, there are Youngstown built-in kitchen cabinets, oak flooring, automatic oil heating, birch flush doors, tile bath, built in exhaust, was built by Town & Country Homes Inc. Sold by Glenn H. Kohler.

GENE SHOEMAKER IS NEW KROGER MANAGER

Gene Shoemaker, who worked in the local Kroger store prior to serving in the Armed Forces during the Korean conflict, was transferred from Jackson this week to take over manager duties of Tecumseh's Kroger store.

Ernie Peters announced, along with his resignation from the Kroger Co., that he has accepted a position as salesman with Schneider Bros. automobile company. Peters has been with Kroger for seven years and local manager for the past four.

His successor, Mr. Shoemaker is 21 and single. He has also worked in Kroger stores at Milan and Brooklyn.

Golf Contenders Eliminated In Annual Tourney

Nearly half of the field of 120 contenders in the annual Country Club golf championship have been eliminated as play nears the Labor Day finals.

In recent matches, championship flight, C. O. Butler defeated Vince Haight 1-up in 25 holes, Tom Rohweder defeated Dick Haight 5-4, Bobby Moore defeated Ned Rosacrans 2-1 and Kirk Smith defeated Frank Rice 6-5. Defending champion Jim Wilson dropped out of play because of an operation.

Don Smith defeated Bill Damon 4-2 in first flight competition, Dick Eggleston defeated Ralph Hodges 5-4, Joe Lane defeated Max Smith 5-4, Al Russell defeated Bill Hanna 4-3, Ralph Comfort defeated Bob Bowers 1-up in 21 holes, Dale Bowen defeated Al Musch 7-6, Hal Kelso defeated Virgil Tucker 3-2 and Dr. Blanden defeated Leo Seidel 2-1.

The annual women's club tournament has progressed to the quarter finals after Pauline Moore defeated Rozelle Rice 5-4 and Helen Kelso defeated Millie Butler 3-1, championship flight. Francey Blanden defeated Mary Lou Murdoch 2-1 and Ruth Hanna defeated Helen Sisson 3-2, first flight. Edna Smith defeated Joan Rosacrans 3-2 in the second.

Highlight of recent golfing activities is a hole-in-one by Art Geisenhaven who cupped a 175-yard shot with a five iron on No. 4. He was playing with Bill Furry in the Tresco tournament which is well underway. It was the third perfect shot in the local club's history, Louis Vargo and George Rathbun scored earlier "aces."

Spectacular events coming up include a "Calcutta" best ball twosome Sunday with some 25 teams participating. On Sunday, Sept. 6 a member-caddy tournament will be held.

In the current caddy tournament Marshall Boike defeated Dave Rutherford, John Elliot defeated Bill Newell, David Lamkin deefated Ronnie Gurtzwiler, Junior Lopez defeated Jackie George, Ted Kempf defeated David Elliot, Charles Duncan defeated Ray Lasky, and Charles Duncan defeated Dick Baker.

SOFTBALL CHAMPS

Dick's Service, Tipton, defeated the Has Bens 14-3 Friday to win the annual summer recreation softball championship at recreation field.

Air Patrol Starts New Headquarters

Tecumseh's Civil Air Patrol squadron jumped at the chance to purchase the old B & B Cities Service gas station on Chicago blvd. For the low price of $75 and a lot of donated man hours will someday mean a much-needed headquarters building to go up at the local airport.

The airmen tackled the job of moving a furnace, doors, windows, plumbing, cement blocks, etc., to the north side of the east-west runway on the west fringe of the field along M-52. The building will have many uses including meetings, training classes, cadet training program and air flight study.

Commander Elmer Burleson pointed out to youthful cadets that by taking the primary training they can enter the AAF without two years of college.

Burleson thanked the community for its support in the spring scrap drive which netted the squadron about $700.

Senior members of the local flying outfit are Robert Allen, Harold Brown, Lyle Bidwell, Fredrick Bryan, Commander Burleson, Richard Carter, Herbert Cleveland, Eric Dillon, Orin Doolittle, Louis Greenman, Roy Isaacson, Richard and Hazel Jacobs, Dorman Jones, Stanley Miller, Ernest Peters, William Powell, Andrew, Blanche, Earl and Josephine Roe, Wayne Schulze, James Sloan, Ralph Westgate, Forest Abner, Douglas Hall, James Smith, Keith Carpenter and Lawrence Rinehart.

NEW OFFICERS

Richard "Red" Simpson, a former sheriff deputy, and James Vallie, who has been employed at the Products, joined the Tecumseh police department this week.

Vallie studied police administration at MSC and was a member of the Military Police in the Armed Forces. He is 25, married and lives in Tecumseh. He is well known around the Ridgeway and Britton areas where he formerly lived.

"Red" Simpson lived at Peoria, Ill., and Wabash, Ind., before going to Adrian. He was a Short Way bus driver prior to joining the Lenawee county sheriff's force. Mr. and Mrs. Simpson have plans to move to Tecumseh this week.

Other members of the local force, which now totals seven officers, are Chief Kilbourn, Oliver Heberlein, Don Rodehaver, Eugene Skinner and Bob Purkey.

Many New Units Complete Herrick Park This Summer

THIRD ADDITION TO INDIAN ACRES STARTS ON NORTH UNION ST.

Paralleling Tecumseh's industrial expansion from a "Wayside Village" to a bustling industrial community is the post WWII home building boom—which today sees no let-up.

For many new homes are now in the making and even more are in the cards for future construction.

A long range prediction is impossible for economic conditions may change in this unsettled era, but the most pessimistic, near-sighted glance into tomorrow's outlook abounds with optimism for a steady increase in local population and more dwelling units.

The next big scale housing subdivision will be a third addition to Indian Acres. Ground was broken this week for nine new homes to go up on the 15 acre tract west of Union and north of Brown. Numerous homes are expected to follow next year as Town & Country Homes, Inc., concentrate on this new area after completing Herrick Park. The nine homes now released for construction will be on a winding street running west from Union.

This subdivision has been held back until Herrick Park was filled up with its 140 home quota. The final 13 are now under construction though a few more will be added in years to come along the outer fringes. This beautiful, well planned subdivision has been studied and watched by housing engineers from all over the country as this is one of the few areas which contain three classes of homes A, B and C.

Once known as the John Temple farm, Herrick Park was started in Sept. 1948 and enjoyed a constant growth.

Its completion this summer means far from an end to home building as Sunset Meade, Tecumseh Acres and a number of odd lots in the older residential area are being filled up.

R. S. Moore & Son, original owners of the third Indian Acres addition, sold the property to Town & Country Homes, Inc., the firm which just finished 34 homes in Herrick Park. Heavy earth moving equipment has already started working and lot stakes can be seen in the subdivision which someday will rival Herrick Park.

Fast growing Sunset Meade on West Pottawatamie has a half dozen new structures in the process of building as Tecumseh goes "west."

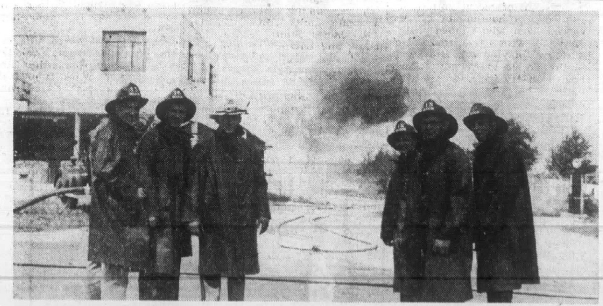
Another area which will enjoy building soon is the Goodacre Subdivision on North Burt street where College Park Homes plan a building project for inexpensive dwellings.

These developments are indicative of Tecumseh's growth from 2,900 population in 1940 to 5,600 in 1953 and should parallel the trend toward 10,000 in 1960 if homes continue to go up at the present pace.

GOODWILL PICKUP

Mrs. Carl Burch, local telephone representative for Goodwill Industries, announces that the Goodwill pick-up trucks will visit Tecumseh on Tuesday to collect usable household discards for its rehabilitation program. Pick-up arrangements may be made by phoning Mrs. Burch, 868.

Goodwill trucks will also visit Britton on August 25, and will be in Clinton and Macon on Wednesday, August 26. The telephone numbers of the local representatives are Britton 2121, Clinton 257 and Macon 26.



VOLUNTEER FIREMEN are shown taking a breather during last week's big blaze at the local Protane bottle gas plant. Left to right arre Dick, Don and Lee Purkey, John Hamilton, Roger Linger and Max Brandt. The fire was one of Tecumseh's largest in recent years but loss was limited by the heroic work of these and other members of the volunteer fire force which has 17 members and answers all types of calls, day and night, the year around. Jim Cross, who suffered first and second degree burns in the initial explosion while working in the charging building, is recovering satisfactorily at Herrick Memorial hospital. The Protane company is returning to normal operation. Wilfred Waldron snapped the above photo.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

Editorials

HEART OF THE STAFF — With regret we note in a publication trade paper that someday a fancy electronic device will replace the newspaper's linotype machine and a specially trained girl will do on a typewriter-like keyboard what the thousands of good Joes who set the nation's news now do. It's a pity if true, for from years of experience, publishers everywhere know that it's the man at the typesetting machine who turns words into hard metal — who is the real heart of the paper.

If you have ever heard the flowing jingle-jangle of brass mats (moulds for letters and words) which stream through intricate magazine channels into casting moulds, you know how important the job is. Setting moulton metal into tomorrow's news is part of the American way, it's one of many vital jobs on a newspaper where every person in every department must cooperatively work together to get out the paper.

We say keep the linotype operator, but that is probably what many publishers said in the late 1880's when linotype machines were first introduced by Merganthaler. Then it was "keep the handset, those fancy type setting machines will never work." But they did work and instead of laying men off like many said, they established a great new industry, they put newspaper on the fore, they have done, and will continue to do a great job, for they are operated by a great crew of skilled craftsmen!

●

OUR GREAT DEBT (PERSONAL) — A growing number of U. S. families are in debt "over their heads" and need emergency help in working out, according to a survey of consumer credit made by the family economics bureau of Northwestern National Life Insurance company.

Debt adjustment companies consulted in the survey report an increasing case load of insolvent families, overloaded with installment obligations. Some of the bank personal loan officials consulted, comment that a larger proportion of their applicants for loans are found to be already too burdened with debts to qualify as acceptable risks, unless they can find co-signers or put up special collateral.

Concealed in over-all statistics of total consumer debt vs. total consumer income is the vital fact that the bulk of the debt is concentrated among a minority segment of the population, the report says.

The survey shows that the typical installment-burdened family, seeking help from a debt adjustment firm, is situated as follows:

Income, between $3,000 and $4,000 a year.

Owes from 8 to 15 creditors a total of $1,200 to $2,500, or four to eight month's income.

Has automobile and television set.

Has no savings or other cash resources.

The debt adjustment firm usually takes charge of the paycheck of such a family, returns unwise purchases if possible, and works out easier payoff terms with remaining creditors, meanwhile keeping the family on a strict economy living budget.

The principal causes which throw such families into financial tailspins, according to debt adjustment counsellors, are:

1. Inflation and high taxes.
2. Inability to resist "impulse" buying combined with easy credit.
3. Illness or other emergencies.
4. Plain bad management.

●

MORE LIBRARIES — Mrs. Loleta D. Fyan, Michigan State Librarian, has announced that, by action of the 1953 legislature, new library grants will soon be available to bring more books and information services to more people of Michigan and to encourage the growth and extension of local public library services. This new public library development fund will total approximately $56,000 for the year 1953-54. It is a portion of the $362,000 for state aid to public libraries

More than one-eighth of Michigan citizens, 843,807 people appropriated by the 1953 legislature.
to be exact, are now without direct access to a locally supported public library. This new program of grants is expected to increase the effectiveness of present libraries and to help them extend their facilities to more residents of rural and urban areas, both children and adults.

Mrs. Fyan urged the trustees of public libraries to submit applications for grants from this fund to initiate plans which will stimulate the creation of county or regional libraries or encourage contractual or federated library services. "Citizens of a democracy need opportunities for self-education at all times," Mrs. Fyan added. "The complexities of life today make the need an urgent one. Books and libraries play an indispensable part in keeping our citizens informed. We must work to make them available to everyone."

HONORED AT SHOWER

A miscellaneous shower honoring Miss Joyce Kopka whose marriage will occur Saturday evening, was held at the Friends church Wednesday following weekly prayer meeting. Members of the church and Sunday school as well as other friends were present and Miss Kopka received many lovely gifts. Refreshments were served.

Is That So!

By Miss Clara Waldron

The grandmother of song and story, whose lace cap graced the chimney corner, has a modern counterpart with interests as diversified as oil painting and baseball. Mrs. B. B. TurnBull's pictures are the result of her own natural talent. The baseball she has had thrust upon her.

A grandson is the reason for her interest, tall, dark and handsome, six foot-three, David Crocker of Chelsea. Not yet twenty, a right-handed pitcher, he has been on the payroll of the St. Louis Browns for two years and is under contract for at least two more.

So far of course, Mrs. TurnBull's interest has been strictly minor league, for David has been in "farm" camps for two summers, in Pennsylvania, Hannibal, Mo., Anderson, S. C., and now at Aberdene, S. D. From the last named, he traveled with other potential Browns, playing minor league teams over the four states of Iowa, South Dakota, Minnesota and Wisconsin.

He was probably "scouted" while he was still pitching for his high school team in Chelsea, for he had played college ball for only a short time before he was offered a four year contract with the Browns. He was not yet eighteen at that time and, of course, it meant the end of college athletics for him, which is his one regret. Otherwise, his is a modern success story. He is to finish college (so far he has attended both the University of Michigan and Kalamazoo Western) amply financed by the ball club and in summer he plays with the minors.

Whether he makes a successful pitcher with the big time or not, his career is assured for he is planning a law course, knowing full well that a pitcher's life is a short one. And while he is earning his education doing the thing he likes better than anything else in the world, his day-by-day progress is followed by a proud grandmother, who is struggling to master the fine points of the game.

Mrs. TurnBull (and incidentally it is really spelled that way) has been part of Tecumseh since her husband came here as treasurer of the Proructs company in its earliest days. Painting is only one of her hobbies which include ceramics, hooked rugs and refinishing furniture—and now baseball.

RIDGEWAY

Elmer Linn
Correspondent

Mr. and Mrs. Paul C. Allison of Pontiac called on Ridgeway friends the past week.

Mrs. Elmer Linn and daughter Miss Florine Linn and David Linn were in Romulus on business Monday.

Mrs. Mildred McDonnell of Dearborn was a guest of Mrs. Marcia Baker, Thursday.

Mr. and Mrs. William Pearey of Perry, Ohio were guests of Mr. and Mrs. Julian Strong, Sunday.

Miss Bonnie Francis of Milan spent the past week with her grandparents, Mr. and Mrs. William Fletcher.

Mr. and Mrs. Dewey Sturtevant, Mrs. Emma Friedlander and the Misses Lulu and Julia Gilmore attended the 40th wedding anniversary of the Rev. and Mrs. Alvin Brazee in Iron Creek, Sunday.

Howard Landin of St. Clair Shores spent Sunday with his wife and son at the home of Mrs. Gertrude Birdsall.

Miss Esther Harwood of Mesick is visiting her sister Mrs. Johnston.

Mr. and Mrs. Lester Edelbrock are home from a trip through the eastern states.

Pfc. Ralph Keith is home from California on a furlough.

Miss Alice Filter is on a trip through northern Michigan accompanied by her sister, Mrs. Mildred Netcher of Onsted.

Mr. and Mrs. Clair Pocklington of Royal Oak spent Sunday with his parents, Mr. and Mrs. Elmer Pocklington. Their daughters, who have been spending several weeks with their grandparents, returned home with them.

Mr. and Mrs. Wayne Filter have moved to their new home recently purchased from Mrs. George Meyers.

Mr. and Mrs. William Burnor are vacationing in the northern part of the state.

The next meeting of the United Workers will be held with Mr. and Mrs. Will Grigg near Tipton.

Mr. and Mrs. George Bishop and son Richard spent the weekend with relatives in Chicago.

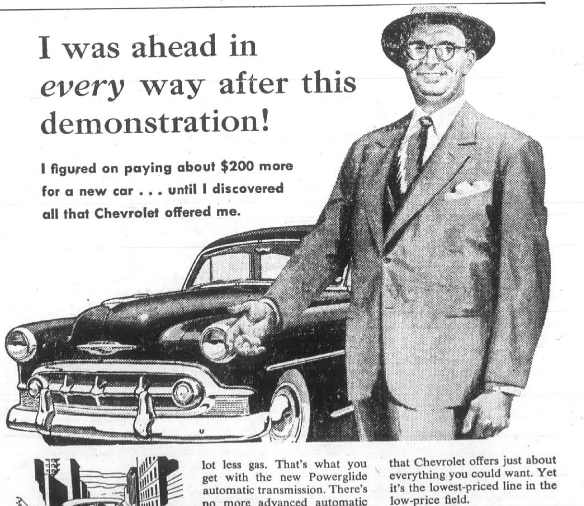
I was ahead in *every* way after this demonstration!

I figured on paying about $200 more for a new car . . . until I discovered all that Chevrolet offered me.

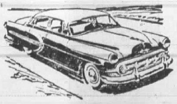


You're "sitting pretty" behind the wheel
Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around
You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas
That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

Biggest brakes for smoother, easier stops
An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.



It's heavier for better roadability
You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*
A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

And it's the lowest-priced line
A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

**Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.*

Let us demonstrate all the advantages of buying a Chevrolet *now!*
CHEVROLET
MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

ATTEND CRANE SCHOOL REUNION

Mr. and Mrs. L. W. Johnson attended the reunion of the Crane neighborhood and school northeast of Blissfield, Sunday afternoon. Former teachers and pupils gathered to the number of 125, of whom nine were teachers.

There were talks and reminiscences, and refreshments of homemade ice cream and cake and although this was the first gathering of the group, it was decided to make it an annual affair. Mrs. Johnson, who attended the school as a child, is a member of the Kendricks-Brown family, descendants of which have gone to school there for five and six generations. Mrs. Jennie Brockway, Mrs. Johnson's mother, accompanied her home for a week's visit.

Baseball managers are now beginning to realize that their optimistic predictions might have been optimistic.

Every newspaper should attempt to present the news fairly, and that is what the Tecumseh Herald tries to do.

Shop In Tecumseh

HOLLOWAY

Mrs. Kaye Kelch
Correspondent

The Ladies Aid of the Holloway Presbyterian church will have their picnic at the Elmer Green cottage at Sand lake instead of Wamplers lake as was reported in last week's paper.

Sunday dinner guests of Mr. and Mrs. Marshall Drouillard were Mr. and Mrs. Guy Phipps and family of Sand Creek. Afternoon callers were Mr. and Mrs. Tony Mominee, Mr. and Mrs. Henry Mominee of Toledo, Mr. and Mrs. Raymond Damon, Mrs. Lena Clauda of Adrian, Mr. and Mrs. Richard Waller of Madison Center, Mr. and Mrs. Percy Slater and Mr. and Mrs. Paul Clauda and family of Tecumseh.

Mrs. Sam Mitchell and Miss Ruth Procknow of Wellsville left Monday morning for California with Mrs. Mitchell's parents, Mr. and Mrs. Baldwin, who have spent two weeks here visiting. They plan to spend a couple of days in Hollywood, Calif., then going to Texas to visit Mrs. Mtichell's sister and husband, Mr. and Mrs. Joe R. Lee. They are also planning to visit Airman Tom Mitchell at Eglin Field, Fla.

That fellow who predicted the end of the world this year hasn't been heard from lately.

MACON

Mrs. Hamilton Moore
Correspondent

Mr. and Mrs. Lawrence Ash and Mr. and Mrs. Harold Rohrback are on a trip through the western states.

The Macon Homemakers Extension Club picnic will be held at the home of Mrs. Virginia Englehart Thursday at 12:30 p.m.

Mr. and Mrs. Paul Volmer spent Sunday in Pontiac visiting her parents.

Miss Velma Crittenden spent Sunday with Mr. and Mrs. Paul Sorenson in Dearborn.

The annual Shough family reunion was held Sunday at the Hamilton Moore residence with 82 pjresent from California, Texas, Arizona, New York, Ohio and Michigan. Sgt. Robert Shough of California, recently returned from Korea, came the farthest. Following a chicken dinner, Oakley Shough of Adrian, president, conducted the business meeting and welcomed the three servicemen, Robert, Raymond and Norman Shough. Howard Shough of Adrian was elected president for the next year. Mr. and Mrs. John Osenko of Blissfield will have charge of the program and Mr. and Mrs. Clarence Gilman of Tecumseh will be hosts. This year's hosts were Mr. and Mrs. Wade Stull of Dundee and Mrs. Gerald Carey had charge of the program.

Robert Howell and sons of Wayne spent Saturday with his mother Mrs. Lila Howell.

Raymond Schumaker and son, formerly of Macon, spent Sunday calling on Macon friends.

Mr. and Mrs. Walter Craig and Mr. and Mrs. Boldt Sarvey of Tecumseh are spending this week at Craig's cottage near Harrison.

Mr. and Mrs. Carl Thomas and family are vacationing in northern Michigan.

The Macon W.S.C.S. will meet with Mrs. Carrie Horton Thursday afternoon, August 27. Each member is urged to attend so plans can be made for the annual chicken supper and bazaar to be held October 9. Program books for the year will be distributed.

Richard Moore is spending the week at Camp Judson-Collins.

Mrs. Ida Maud Tingley and son Clifford of Detroit spent the weekend with her mother Mrs. Mary Howell.

Mrs. Lowell Monagin and son Dale are moving to Britton this week.

Mrs. Mary Howell entertained Mrs. Eva Camburn, Mrs. Marion Spitler and Mrs. Carrie Payne, Thursday, in honor of Mrs. Payne's 81st birthday.

Mr. and Mrs. Arthur Schroeder, Mr. and Mrs. Clarence Schroeder and Mr. and Mrs. William Gibson are spending a week in northern Michigan.

Twenty-four Macon young people met Saturday evening at the home of Karen and Geraldine Beck for a hayride which took them to the home of Margie Papp, where the group enjoyed a hot dog and corn roast. Sunday evening, the Youth Fellowship met with Truman Jordan as leader. A discussion was held on the subject, "Can a person be a Christian and not attend church?" Committees are busy planning for the sub-district rally to be held in Macon August 30 at 3:45 p.m.

Pvt. Dean Pilbeam of Camp

o

ENGAGEMENT ANNOUNCED

Announcement is being made of the approaching marriage of Miss Mary Maze, daughter of Mr. and Mrs. Maurice Baldwin of Pontiac to William Aebersold, which will take place August 29 at the Central Methodist church in Pontiac.

Mr. Aebersold, who is the son of Mr. and Mrs. E. J. Aebersold, has been teaching this past year in Waterford Township Consolidated school near Pontiac.

MRS. WALTER J. BIRD BURIED IN RIDGEWAY

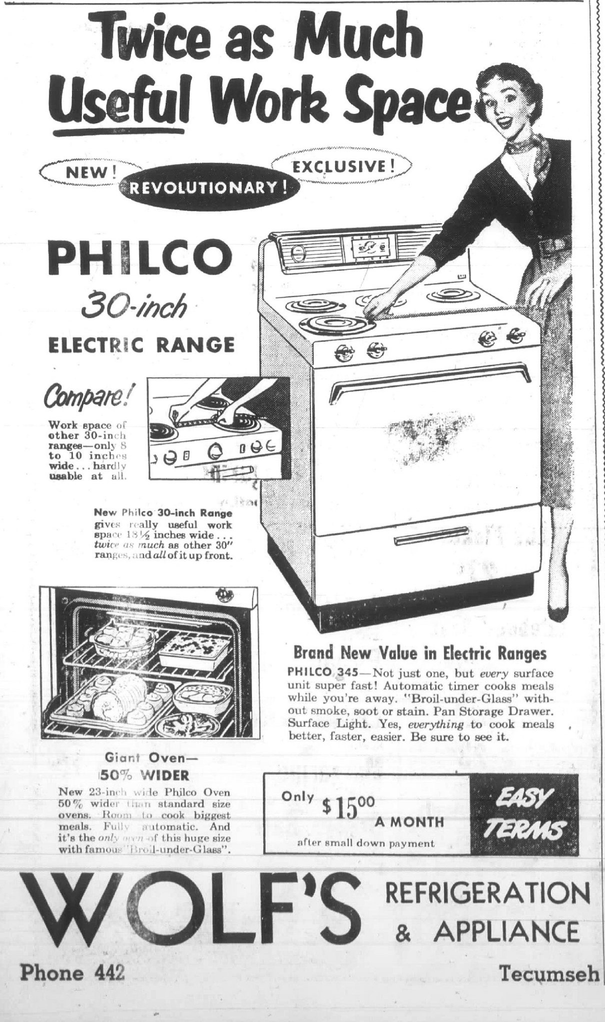
Funeral services for Mrs. Walter J. Bird who died Thursday at Herrick Memorial hospital were held Sunday at 2:30 p.m. at the Niblack Funeral Home, Britton, with the Rev. Blake W. Hunt officiating.

Burial was in the Ridgeway cemetery. Bearers were Ralph Fairchild, Robert Gunder, Gordon Hoover, Carlton Murry, Roscoe Rendell and Robert DuBois.

Mrs. Bird was injured in an automobile accident March 18 near Wolverine and was never able to return to her home southwest of Britton.

Mr. and Mrs. Bird moved to near Britton from Monroe county in 1918. She was a member of the Baptist church in Milan.

Besides her husband, she is survived by two daughters, Mrs. Nina Butler of Tecumseh and Mrs. Dora Ruhl of Britton; four sons, Walter Jr. and Raymond both of Britton, Earl of Stevenson and Dale of Dundee; 29 grandchildren and two great grandchildren. She was preceded in death by her parents and one sister.



Twice as Much Useful Work Space

NEW! REVOLUTIONARY! EXCLUSIVE!

PHILCO 30-inch ELECTRIC RANGE

I'm Often Wrong

By Neil Hunter

SWIMMING POOL TOUR — We just got back from a Cook's tour of the Joyce Andrews Memorial Swimming pool at the north end of Recreation field and we must say that this is a wonderful bit of construction. If you have some mistaken idea that a modern-day swimming pool has any relation to a hole in the ground you are as wrong as we often are.

The pool, without a doubt, is studded with everything imaginable for the convenience of the public. We oh'd and ah'd as we were guided from room to room in the bath house by our guide Del Jackson, superintendent of the job. A month ago Del threw facts and figures at us from his blue print file in the construction shanty, but this week he hied us over to the bath house with, "Come see now for yourself."

We found things in the 'plumbing' stage as we wandered into the office, the first aid room, life guard station, boy's shower room, locker room, showers, toilet and out to the pool, the circular system they'll have for all swimmers to check in at the desk, pass on through the dressing and shower rooms before the big plunge.

The concrete bathhouse is divided with the same facilities for both boys and girls. It's cement throughout including a cement plank roof. On the south is the kiddies' wadding pool well along in construction, and the youngster's sand beach. On the north, of course, is the big pool, a cement ramp running from the pool ledge to the bathhouse.

Proud over the fine job his boys are doing, Supt. Jackson directed us to the engineer's room where more than a mile of pipe converges to the "works" of the plant. For the water is all heated, constantly flowing and being filtered, and so on. It's the plumbing system which involves the great expense. Del told us of a recent visitor from St. Louis, Mich., where they had $25,000 and started out to build a pool, that amount didn't get them out of the ground. A second contractor then took over and he finally found the costs too much to handle. Finally the community took over the project with free labor.

Visitors are nothing new to Jackson. A group of men flew in the other day from Dearborn where they are considering copying Tecumseh's layout for themselves. Many such pools are said to cost around $100,000 on a basis of time and materials. Del said to start watching Saturday Evening Post, he had a writer from that magazine on location one day collecting material for a story. He's had a lot of other visitors watching the pool take shape, many from distant points.

The big question, "When will it be done?" was hesitantly answered, "around the middle of September. We're in the plumber's stage right now, that's a tremendous job, takes an awful lot of time."

It was a real Cook's tour, the best hour we've spent in many moons, one every Tecumsehian should spend to unite the community's effort in support of this fine project.

●

BUT IT'S A POISON — An opinionated argument on controversial fluoridation? Never for this column! We pass on the following from Friday's Toledo Blade because it's different, it's so well done, it's written in such a different twist that we know you'll enjoy its content regardless of your views.

"But It's A Poison — Among the red herrings most frequently dragged across the path of any argument about injecting fluorine into public water supplies as a means of reducing tooth decay in children, none is so persistent as the plaintive assertion — "but it's a poison."

"Which it is, of course—in some quantities and under some circumstances. But so, according to Blakiston's New Gould Medical Dictionary, are all these:

"Arsenic, which also is used to treat wasting diseases, skin diseases, and pulmonary ailments.

"Aspirin, commonest of all household remedies.

"Atropine, which is an antidote for morphine and is administered internally to treat bronchial asthma and other ailments.

"Caffeine, an element which millions take into their bodies several times daily with their coffee.

"Chlorine, the almost universal water purifier.

"Iodine, an aid in both prevention and treatment of goiter; also used in combating syphilis and tuberculosis.

"The list goes on and on, through benzene, cocaine, digitalis, phenol, strychnine, wintergreen oil, and scores of others. All these, which may be used to save lives or ease suffering when administered in controlled amounts, also may be — in other amounts and other circumstances — deadly poisonous.

"Fluorine may, indeed, be a poison. Properly used, however, it helps prevent dental decay. Like many an other element and compound, its toxic qualities don't stand in the way of its beneficent ones."

●

DEAR DAD:

Just think how many people's deeds are contradicted by their deeds!

We're not out of business this week, Dad, we just put some paper over the new window until the awning comes. Got a new street out in front too. All this town needs is a clock on main street and we'll be right up with the time!

Did you hear the story Godfrey told about the 78 year old lady who fractured her finger playing baseball on her grandson's team. Asked why she was out playing baseball she said, "It's too hot to get out the football!"

Your Son,
Neil

LOCALS

Miss Patricia Price of Fullerton, Calif., is a guest of Mr. and Mrs. Carl Fosbender for the next two weeks.

Mrs. K. R. Coronet of Columbus, Ohio, is visiting Mrs. Nira Parrett.

The Misses Alta and Alva Cooper of The Plains, Ohio, and Mrs. Ida Miller of Britton were Monday evening dinner guests of Mr. and Mrs. William Custer.

Mr. and Mrs. Grover Burg of Ann Arbor visited Charles Kemp Tuesday afternoon and evening.

Mr. and Mrs. Carlyle Mason and son Gregg spent several days last week at Wamplers lake.

Mr. and Mrs. Carson House and sons, Carson and Michael, spent the weekend in Mansfield, Ohio, as guests of Mrs. Harriet Holdridge and family. Miss Sue Holdridge returned with them to spend a week.

Rev. and Mrs. Harry Brunger and two sons visited his brother, the Rev. Ronald Brunger and family Sunday and Monday. Recently returned from Hong Kong, Rev. Brunger is on a month's speaking tour which will take him into Canada. He will then go to New Haven, Conn., for a semester at Yale University.

Mrs. Harold Naser has received word of the death of a cousin, Hal Patterson which occurred at the Veteran's Hospital in Houston, Texas. Mr. Patterson will be remembered here as the son of James and Ida Patterson, former residents of Tecumseh. He is survived by his wife Mildred and two sons Robert and Harold R. Patterson Jr. of Texas City, Texas.

HOSPITAL Notes

The busy life of a hospital is carried on by many people, doctors, nurses, office workers, kitchen staff and others. But back of their activities is another group which is responsible to the community for the broad policies of the institution. For Herrick Memorial hospital functions under a village ordinance and its governing body, the board of trustees, is appointed by the village council. Normally there are five members, named to staggered terms of five years each, but during the present building program two more have been added.

The board now consists of Frank K. Smith, president, Lloyd Rhein, vice president, Mrs. Hoyt Whelan, secretary-treasurer, and Clarence Gilmore, Lester Rogers, Ernest Campbell and Glenn Kohler.

In addition to setting the board policies of the hospital, deciding about building programs, etc., the board must also approve all appointments to the medical staff, subject to the approval of other staff members, and work in cooperation with the Hospital Auxiliary, which in turn is responsible to it. The trustees also accept and decide on the use of all gifts and donations made to the hospital, either directly or through the memorial fund.

From the beginning of the hospital, the board's responsibilities have been many and steadily increasing and the record has been one of unselfish, individual, unrewarded service.

DISMISSALS

Aug. 5, John Cadmus, Mrs. Harold Clark and Mrs. William McBeth, Tecumseh; Mrs. Elvie Barth and Mrs. John McVay, Adrian; Harry Wilson, Manchester and Mrs. Raynor Spreeman, Dundee.

Aug. 6, Mrs. Kenneth Fenner and baby , Onsted and Terry Landin, St. Clair Shores.

Aug. 7, Mrs. Melvin Getz and Mrs. William Randolph and baby, Tecumseh.

Aug. 8, Omer Leo Clark, Clinton; Floyd Hicks, Tecumseh; Emma Boomer, Manchester; Erma Smead and baby, Adrian; Marie Jennings and baby, Dundee; Frances Cannon, Deerfield; Willow Bell Myers, Tecumseh; and Hugh Hoyt, Clinton.

Aug. 9, Margaret Fisk and baby, Dundee; Ellen Purkey and baby, Tecumseh; and Betty Burleson, Clinton.

Aug. 10, Marilyn Warner and baby, Tecumseh; and Marie Gall and baby, Britton.

Aug. 9, Mrs. Lorain Fisk and baby, Dundee; Mrs. Robt. Purkey and baby, Tecumseh, and Mrs. Clyde Burleson, Clinton.

Aug. 10, Mrs. Robert Warner and baby, Tecumseh, and Mrs. Lauren Gall and baby, Britton.

Aug. 11, Grady Begley, Milan; Jack O. Mercer, Detroit; Carol Jean Campbell, Tecumseh and Rolland C. Hitsman, Fort Knox, Ky.

Aug. 12, Mrs. Dan Rehberg, Deerfield; Mrs. Alex S. Mann and baby, Tipton; Mrs. Justin D. Austin and baby, Brooklyn and Mrs. Fred Weseloh, Tecumseh.

Aug. 13, Mrs. Walter Hundley, Milan; Mrs. Willard Cowen and baby, Tipton and Mrs. Golden Hoffman, Dundee.

BIRTHS

Aug. 12, to Mr. and Mrs. Ervin Shilling, Milan, a son.

Aug. 14, to Mr. and Mrs. Joseph Gebarowski, Tecumseh, a daughter.

Aug. 15, to Mr. and Mrs. Richard Spreeman, Deerfield, a son.

Aug. 15, to Mr. and Mrs. Daniel Brown, Tipton, a son.

Aug. 16, to Mr. and Mrs. John Robinson, Tecumseh, a daughter.

Aug. 17, to Mr. and Mrs. Keith Woodby, Tecumseh, a daughter.

Aug. 17, to Mr. and Mrs. David House, Tecumseh, a daughter.

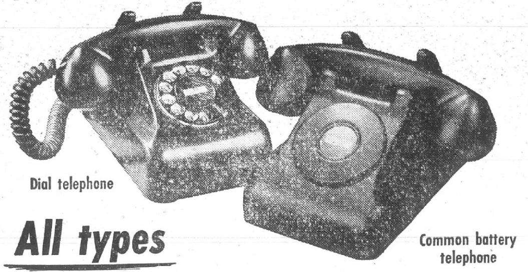
BRUCE PACKARD TO RECEIVE AWARD AT SUNDAY SERVICE

Morning service at the Methodist church Sunday will be marked by a special Boy Scout ceremony at which the God and Country Award will be presented to Bruce Packard.

Scout Troop 73 will attend the service and Eli Dickerson of Adrian, Scout executive, will speak briefly on the significance of the award.

Now we are told that the Army still doesn't have a top-flight offensive tank. Seems like we've heard that before.

All types give good communication



All types cost more to operate

While the trend is toward more dial telephone service, the fact remains that the common battery and magneto telephones also furnish good telephone service.

Regardless of which type of service you have, the cost of supplying it has increased. Regardless of which type of exchange is involved, the cost of telephone cable has tripled, wages have increased, and taxes and all other costs have risen.

All services must pay their way. Only then will we be financially able to continue giving good telephone service and to meet the growing needs of the communities.

Mrs. Andrew Crutchfield
Correspondent

The annual I.O.O.F. Homecoming will be held in the village park Friday evening and all day Saturday, August 21 and 22.

Delora May, infant daughter of Mr. and Mrs. Ronald Maschino was baptized recently by the Rev. William Weinlander at the North Blissfield Lutheran church. Mr. and Mrs. Dewayne Jackson of Berrien Springs, Mrs. Rollin Mahoney of Blissfield and Carl Tiede, who just returned from Japan were the sponsors. Dinner was served to 33 relatives of the family in the home of Mr. and Mrs. Ernest Maschino.

Mrs. Ezra Roe underwent surgery at Herrick Memorial hospital recently.

Mr. and Mrs. Neal Judkins and children Pam and Gary returned home Saturday after spending a week at the W. R. Kuster cottage at Evans lake.

Mrs. Maude Davis has gone to Barry, Ill., where she will visit for an indefinite time.

Mrs. W. S. Niblack and daughters Marcella and Penny spent last week in northern Michigan where they visited Mackinac Island and Tahquamenon Falls and called on Rev. and Mrs. H. P. Rogers of Shelby.

Miss Almeda Niblack of Hillsdale is visiting in the W. S. Niblack home for several days.

Mr. and Mrs. Robert Gibson attended the All Star football game in Chicago over the weekend and were Saturday over night guests of Mr. and Mrs. Holden McElroy at South Bend, Ind.

Mr. and Mrs. Robert Kuster and children of Valparaiso, Ind., spent Friday and Saturday with his parents, Mr. and Mrs. W. R. Kuster and are vacationing this week at the Kuster cottage at Evans lake.

Rev. E. H. DuBois is spending two weeks at Drayton Plains.

George DuBois was home from Detroit over the weekend.

Mr. and Mrs. Walter Prill had as guests last week her brother and his wife, Mr. and Mrs. W. T. Rogers of Ottawa, Canada.

Mr. and Mrs. Warren Lewis accompanied Mr. and Mrs. Gropheir of Milan to Saginaw, Sunday where they visited Mr. Lewis' sister who is ill.

Rev. and Mrs. E. H. DuBois with 13 young people from the Bethel Baptist church attended the Gull Lake Bible Conference last week.

Pvt. Richard Prill was home over the weekend from Ft. Knox, Ky.

The Misses Arcelia McElroy and Jean Mitchell of Kenton, Ohio visited Mr. and Mrs. Royal McElroy Sunday and all were dinner guests of Mr. and Mrs. Everett Exelby of Ridgeway.

Mr. and Mrs. Fred Rhora with Mr. and Mrs. Harley Monk of Dundee returned home Saturday from a week's trip to Copper Harbor and other points of interest in the northern part of the state.

Mr. and Mrs. Raymond Auten and children Terry, Lois and Norman were weekend guests of her mother, Mrs. Kathryn Chapman of Cassopolis.

Sunday afternoon callers on Mr. and Mrs. William Cundiff were Mr. and Mrs. Robert Hart, Mr. and Mrs. Morris Hart, Mrs. Bertha Goldfine, Mr. and Mrs. Charles Goldfine and daughters and Mrs. Val Kanarski, all of Detroit.

Mr. and Mrs. Lawrence Ash and Mr. and Mrs. Harold Rohrback have returned home from a nine day trip through the middle and northwestern states.

Mr. and Mrs. Carl Johnson of Sparton have been visiting for sometime with their daughter and family, Mr. and Mrs. Lawrence Ash and son Gary. Other Sunday dinner guests in the Ash home were Mr. and Mrs. Leonard Anderson and Mr. and Mrs. Carl Saur of Kent City, Mr. and Mrs. Harold Rohrback and family and Donald Dickerson.

The Misses Beverly and Judy Rohrback have returned home from a two week's visit with their grandparents Mr. and Mrs. George Rohrback of Adrian.

Mr. and Mrs. Harley Hummel and children left Friday on a three week's trip to the west coast.

Mr. and Mrs. Leland Kapnick and children with Mr. and Mrs. Ross Bradford and children of Hillsdale spent Sunday at the Detroit Zoo.

ARCHERY WINNERS

Harold Hall and Bob Williamson won trophies at Howell, Sunday in competition with 500 archers from Detroit and surrounding area. Also participating in the Metropolitan Open were Fred Cooley and C. R. Dustin from Tecumseh.

LOCALS

Guests last week of Mrs. Hoyt Whelan were her granddaughter and family, Mr. and Mrs. Thomas Ahern and daughter Caroline from Levittown, N. Y. Levittown is the "miracle town," described in the Readers Digest, that was built over night. Mr. Ahern works for the Sperry Gyroscope Co. in nearby Great Neck. Mrs. Ahern is the daughter of Mr. and Mrs. Marcus Fisher.

Mr. and Mrs. Don Heesen and son Hunter have gone for a month's trip to Pomona, Calif., where they will visit another son, J. C. Heesen and family.

Dr. Robert Laidlaw arrived home Sunday morning. Friday of this week he will leave with Mrs. Laidlaw for an Air Force Base at Pleasanton near San Francisco, Calif. They are driving through by way of Yellowstone National Park and other points of interest, and will go to southern California first. He does not know where he will be sent from this base and Mrs. Laidlaw may return here for the time of his tour of duty.

Mr. and Mrs. Norman Thurston of Toledo and Mr. and Mrs. W. Elmer Slayton of Adrian were Sunday guests of Mr. and Mrs. George Adamson.

Mr. and Mrs. Lee Kelley were in Lima, Ohio, over the weekend attending a family reunion.

Lowell Kelley, Joe Gregory and Elroy Vanderpool are at Camp Grayling this week with the Michigan National Guard.

Mrs. James Turpin was in Toledo, Friday.

Mrs. Lyman Curtiss and Mr. and Mrs. Thomas Morton and family left Sunday for northern Michigan for a few days vacation.

M. R. McClain was in Lima, Ohio and Ft. Wayne, Ind., Friday and Saturday on a business trip.

The condition of Faye Whelan, who has been a patient at the University hospital in Ann Arbor for the past week for observation and treatment of a leg infection, is reported as somewhat improved.

Mrs. Carl Burch has been informed of the birth of a great-granddaughter, Elizabeth Ann, to her grandson and wife, Mr. and Mrs. Bruce Burch at Danville, Virginia.

Mr. and Mrs. Joe Rohweder and daughter Susan are vacationing this week at Walloon lake.

Mrs. Mildred North of Holt is visiting her cousin Mrs. Charles Williamson a few days this week. She was accompanied by Mrs. Flossie Geisenhaven who is visiting her son and family Mr. and Mrs. A. J. Geisenhaven.

Mr. and Mrs. R. W. Puffer have been vacationing at their cabin at South Branch for two weeks.

Mr. and Mrs. John Graham are visiting relatives in Cleveland for two weeks.

Mr. and Mrs. Jack Hanna returned this week from Los Angeles, Calif,. where they had been visiting his mother, Mrs. J. M. Hanna.

Mr. and Mrs. Otto Meiers and family returned Sunday from a week's vacation at Hess lake near Newaygo.

Mr. and Mrs. Fordyce Bragg and son Charles and Robert Johnson of Otsego visited Mr. and Mrs. Lewis Schultz, Sunday.

Mr. and Mrs. Robert Watson of Dearborn were Sunday guests of Mr. and Mrs. John Watson.

Mr. and Mrs. Elwood Rinehart of Bradenton, Fla., spent a few days this week with his sister and husband, Mr. and Mrs. Marvin Watkins.

Mr. and Mrs. Archie Porter are vacationing this week at a cottage on Devils lake.

Mrs. Vevia Anderson spent the weekend at Wamplers lake as the guest of Mrs. Mabel Whiting.

Mr. and Mrs. Al Pope and son are visiting her sister and family, Mr. and Mrs. Roscoe Baldwin of Marquette this week.

CARD OF THANKS

I wish to thank my many friends who sent me cards, letters and flowers during my recent illness. Also the W.S.C.S. for the lovely box of fruit.

Mrs. Earl Kuder

Living With Peace Of Mind

By KIRBY PAGE

Cultivate the grace of gratitude if you would have peace of soul. Praise God for privileges innumerable. A human infant is one of the most helpless of all animals. Throughout his days man is utterly dependent. He cannot survive without the ingredients supplied by God's providence—air, water, sunshine. To an incalculable degree he is indebted to parents, relatives, friends. Unnumbered generations have labored to create the heritage which he enjoys. Contributions to his well-being continue to flow from the far corners of the earth.

Prayerful reflection upon magnitude of indebtedness is a wholesome experience. In countless unrecognized ways a man's life is enriched. Memory is too faint to hold in mind more than a tiny proportion of privileges experienced. With Cortland W. Sayres let imagination soar:

One midnight, deep in starlight still,
I dreamed that I received this bill:
(———) in account with Life:
Five thousand breathless dawns all new,
Five thousand flowers fresh in dew;
Five thousand sunsets wrapped in gold;
One million snow-flakes served ice-cold;
Five quiet friends; one baby's love;
One white-mad sea with clouds above;
One hundred music-haunted dreams
Of moon-drenched roads and hurrying streams;
Of phophesying winds, and trees;
Of silent stars and browsing bees;
One June night in a fragrant wood;
One heart that loved and understood.
I wondered when I waked at day,
How—how in God's name—I could pay.

Letters To The Editor

Editor, The Herald:

You asked for letters on any controversial subject of which the fluoridation of water seems to be the main issue now.

I have studied the harm it will do and does, which I think will far outweigh the good that they are not certain yet that it will do.

First: When this chemical is added, it decomposes the water, which you can well believe if you draw a glass of water and try to drink it, the odor is so bad you just do not want a drink. We are carrying our drinking water from our well in Raisin township.

Second: When this chemical unites with the hydrogen, it forms an acid which is a deadly poison. Most of us have too much poison in our systems now that we cannot eliminate, without having more forced upon us, which is just one more of our rights of freedom taken away, and one step nearer to dictatorship and Communism.

Do we want that in our good old U. S. A.?

Wake up, townfolk, before it is too late. Why let them poison and spoil a water that is 98.9 percent pure?

Mrs. C. C. Richard

You can reach a Star

Is it a matter of dollars that keeps you from stepping up to something better?

Come, discover a new peak of motoring pleasure at a price that never leaves the ground.

Yes, this big-power-packed Buick SPECIAL Convertible is yours to enjoy for scarcely more than the Convertibles of "the low-priced three."

And what a joyous carload of thrills that little extra provides.

Here you get a Fireball 8 Engine with the highest horsepower and compression ratio a Buick SPECIAL ever commanded.

Here you get the big car lift and luxury of Buick's Million Dollar Ride—gentled to lullaby softness by coil springing on all four wheels.

And here are all the other unique and wonderful things that make a Buick SPECIAL such a special Buick. The casual comfort. The suave styling. The neat and knowing craftsmanship that marks every inch of the structure.

Here, too, if you want them, are Twin-Turbine Dynaflow* to give you new, smooth and silent getaways — and Power Steering* to guide your going with finger-tip ease.

So why not try it yourself, this dazzling beauty that gives so much and asks so little. Check it for price, test it for performance, compare it for value. How about dropping in this week?

*Standard on Roadmaster, optional at extra cost on other Series.

The price of wheat is now 90 cents, a decline of nearly 10 cents.

1883

Married, August 16, by Rev. H. A. DeSpelder, P. C. Woodward and Kate Boyce.

The quality and quantity of the wheat crop is better than expected and price ranges from $1.00 to $1.05 per bushel.

Married, August 16, Charles A. Waldron and Josie Colvin.

Lightning struck and destroyed Sam Underwood's barn, a horse and two tons of hay, Sunday.

Comfort Roller mills are open again after a complete overhauling.

Woolcut Marsh will open a meat market on railroad street.

The M. and O. has bought three acres from N. M. Sutton, adjoining their track for a gravel pit.

Track laying on the M. and O. has proceeded west of Tecumseh to the Franklin township line.

The name of Sinks Hotel has been changed to the Lilley House.

The 20th annual meeting of the Raisin Valley Seminary Association was held Friday.

1893

Married, August 17, Rosa Dibble of Ridgeway and Arthur Curtis of Adrian.

The frame is up for the new schoolhouse in Newburg.

B. C. Scudder has built a brick addition to his store in Macon.

Grashoppers are destroying gardens in this vicinity.

1903

Mr. and Mrs. Joel Henderson celebrated their golden wedding, August 18.

Born, August 10, to Mr. and Mrs. Jay Pawson, a son.

Tecumseh baseball team has won 22 out of 28 games this season and tied for second place.

Married, August 12, in Windsor, Nellie Avery and Louis Fabrique.

531 railroad tickets were sold from Tecumseh to Adrian Friday for the circus.

The theater season opens in Tecumseh Friday with Lincoln J. Carter's great play, "The Heart of Chicago."

1913

Married, August 16, Ira Freer and Donna Sisson of Britton.

Born, August 17, to Mr. and Mrs. Leonard Beasley of Britton, a son.

Born, August 14, to Mr. and Mrs. Wesley Scofield, a daughter.

At a meeting of Tecumseh, Macon and Ridgeway town boards an ordinance was passed, granting a franchise to the Tecumseh Electric Co. to erect poles and wires for light and power in the townships, and a special election will be held.

Earl Coller left Wednesday for Chicago to join the "Shepherd of the Hills" company.

1923

A carnival at Elliott Park this week.

Born, August 13, to Mr. and Mrs. Milo Denny, a daughter.

Alice Wyman, 10 years old, fell out of a swing Saturday and broke her arm.

Born, August 16, to Mr. and Mrs. Cloyd Richards, a son.

Born, August 17, to Mr. and Mrs. Fred Hendershot, of Chicago, a son.

Born, August 16, to Mr. and Mrs. Faye VanValkenburg, a son.

Fred Van Tyne is clerking for McCann and Bowen.

Bernice Austin has taken a position with the Lilley State Bank.

1933

The Butler Super-service station opened Saturday with an old fashioned dancing party, music by the Manwaring trio.

Dr. H. H. Hammel left this week for Wyoming and Arizona to collect specimens for the University of Michigan and will take pictures of the Hopi and Navajo Indian reservation.

Born, August 18, to Mr. and Mrs. Lucien Williamson of Monroe, a son.

Two snow white cranes were seen recently on the Red Pond by John Mull.

The Lutes Grocery, formerly Wilson's Cash Grocery, is being moved to Adrian.

John Pocklington of Britton celebrated his 87th birthday, August 17.

An investigator has been employed by the Sand Lake cottage owners to find out the cause of the lake level lowering and to determine a possible remedy.

Charles Skinner Jr. and Eleanor Lee of Chicago were married Aug. 13.

1938

A fire on the Kehoe farm near Clinton, August 13 destroyed a large barn, tool shed and five straw stacks with a $30,000 loss.

A homecoming service will be held at the Friends church Sunday in honor of Rev. Escolme and family who are expected to return from a four months sojourn in England.

Mr. and Mrs. Alan Bell have recently returned to their home on W. Pottawatamie that has been repaired after their fire.

Born, August 19, to Mr. and Mrs. Maurice Lathers, a son.

Ralph Ruesink, who was seriously injured in an auto accident, has been brought from Hillsdale hospital to his home.

Born, August 16, to Mr. and Mrs. Clare Martin, a son.

1943

The Rev. B. O. Bashore of Independence, Iowa, will occupy the pulpit at the Baptist church as a candidate Sunday morning.

Wade Jones, village clerk, announces that there have been 167 births in the village so far this year as compared with a 151 a year ago, an increase of about 10 percent.

A committee on health education has been set up with Mrs. Richard Preston as chairman. Plans are being made for a health survey of the town.

Born, August 16, at Tecumseh hospital to Mr. and Mrs. Wilson Spreeman of Holloway, a daughter.

Mr. and Mrs. E. H. McConnell have gone to Wakefield to attend the wedding of their son Raymond, a state trooper, and Miss Maxine Ramberg.

MOBILE X-RAY UNIT HERE SEPTEMBER 15

At a recent meeting of the board of Herrick Memorial hospital, it was announced that the mobile X-ray unit of the Michigan Department of Health, which is maintained in conjunction with the state Tuberculosis Society, will be in Tecumseh September 15 for five days. It will be sponsored locally by the Hospital Auxiliary and the president, Mrs. Hoyt Whelan, appointed a committee on arrangements.

This committee, consisting of Mrs. Charles Mensing, chairman, Mrs. Paul Eddy, Mrs. Mel Partridge, Mrs. T. O. Pihl and Mrs. Maxwell Smith will arrange for location and personnel and will make further announcement of plans.

---o---

We often wonder why some stout sisters spend so much money on clothes.

---o---

Tecumseh can be anything the people of the community decide to make it.

CELEBRATE ANNIVERSARY WITH OPEN HOUSE SUNDAY

Mr. and Mrs. Palmer Nortley will celebrate their golden wedding anniversary Sunday with an open house from two until five o'clock at their home between Napoleon and Manchester on the Washtenaw and Jackson county line.

Mr. and Mrs. Nortley were married August 22, 1903, by the Rev. M. T. Seelye in Tecumseh. They have six children, Iva at home, Bessie, Garland, Arlone and Richard of Norvell and Cassius of Grass Lake; seven grandchildren and two great granddaughters.

---o---

RELIABLE CIRCLE

Eighteen members of the Reliable Circle of the Methodist church enjoyed a picnic dinner on the beach Tuesday afternoon, August 11. Their hostess was Mrs. Bert Warren, whose cottage is on Vineyard Point, Vineyard lake. All members whose birthdays came in the months from June to September were honored guests, a cake with candles featuring the occasion.

BIBLE SCHOOL CLOSES WITH DEMONSTRATION

Vacation Bible school of the Friends church held its final sessions last week and Sunday morning the pupils presented their demonstration at morning service.

One hundred eighty were present and there were chorus and solo singing and examples of Bible memory verses. Each child was given a statuette of a shepherd and sheep, exemplifying the theme of the school, "Christ the Good Shepherd," and a gilded wooden cross which was part of the group handicraft work.

Nothing can be gained listening to rumors.

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

Mr. and Mrs. Russell Berry of Detroit were guests Sunday of Mrs. Anna LaPointe and daughter, Bertha.

Mrs. Ed Aebersold and Mrs. Fred Marsh were in Pontiac over Tuesday night. Mrs. Aebersold attended a shower given for her future daughter-in-law, Miss Mary Maze, while Mrs. Marsh visited her daughter and family, Mr. and Mrs. H. G. Dernberger.

Mr. and Mrs. William A. Wright and family returned last week from Hollywood, Fla., where they had spent several weeks visiting Mrs. Wright's parents, Mr. and Mrs. F. E. N. Thatcher. Mrs. Wright and daughter Laura leave Thursday for Muskegon where they will visit Dr. S. W. Thieme for a few days.

Mr. and Mrs. Chester Beach have returned home after spending some time at their cottage at Sand lake. They are leaving this week for Phillips, Wisc., where they will visit Mrs. Beach's parents, Mr. and Mrs. James Cummings for two weeks.

Mrs. Donald Wright with friends from Adrian is traveling through Nova Scotia and Canada.

Mrs. Ruth LaPrad and children and Mrs. Margaretta Brisbin are vacationing in northern Michigan.

Jeannine Heflin, daughter of Mr. and Mrs. K. C. Heflin has returned home from Anderson, Ind., after several days visit with her aunt, Mrs. L. H. Jolley. Mrs. Jolley accompanied Jeannine home and remained for a visit.

M. G. Partridge is a patient at Herrick Memorial hospital, following surgery last week from which he is recovering satisfactorily. Sunday afternoon callers on Mr. and Mrs. Partridge were Mr. and Mrs. Arthur Marsh of Ann Arbor.

Miss Catherine Hicks, daughter of Mr. and Mrs. Floyd Hicks, spent last weekend visiting friends in Ionia.

Mrs. B. J. Roberts attended the annual reunion of the Lamkin family which was held at the park in Milan, Sunday.

Mr. and Mrs. George Meads and two children enjoyed a vacation trip to Niagara Falls and other points in Canada, returning through Buffalo. The Meads live in the first house north of the Protane Gas Co. and reached home just in time to be evacuated during the explosion and fire.

Mr. and Mrs. Edward Escolme and Ralph Comfort will drive to Damascus, Ohio, Monday to attend the Ohio Yearly Meeting of the Friends church. They will be accompanied by Mrs. Oscar Meads and daughter Shirley, Astride Friemanis, Mrs. Sheldon Chase and daughters, Caroline and Marjorie, Marilyn Manley and Mary Louise Kotts.

Before the rehearsal of the Butler-Schriver wedding last Tuesday, word was received that Pvt. Schriver had been injured in an auto accident near Peoria, Ill. Although he suffered a rather painful head injury, he arrived Tuesday afternoon and the wedding took place as scheduled.

Guests Sunday afternoon and evening at the home of Rev. and Mrs. Ronald Brunger were Mrs. Brunger's brother and family, Mr. and Mrs. Robert Hurst and her parents, Mr. and Mrs. George Hurst all of Ann Arbor, Mr. Brunger's uncle and aunt, Mr. and Mrs. Elma Gould of Fort Wayne, Ind. and their daughters Mrs. Pauline Parks of Ann Arbor and Mrs. Joe Cox and Mr. Cox and son of Ypsilanti.

Mrs. Anna Hardenburgh has been confined to her home on South Evans street by illness.

The officers of the Baptist Ladies Union, the Baptist League and the Women's Association of the church met Monday evening at the home of Mrs. Eddie Kirkland to make plans for their programs for the coming year.

Mr. and Mrs. Frederick Bryan and two children and Mr. and Mrs. Frank Robinette left Tuesday for a week's trip to the limestone caves of southern Ohio and down the Skyline Drive.

The annual picnic of the Quaker Fellowship class of the Friends church was held Monday evening at the home of Mr. and Mrs. Ralph Comfort with a potluck supper and program.

o

MRS. WHELAN ATTENDS HOSPITAL CONVENTION IN SAN FRANCISCO

Mrs. Hoyt Whelan, a member of the board of Herrick Memorial hospital and president of the Hospital Auxiliary, will leave August 25 for San Francisco where she will attend the 55th annual convention of the American Association and the sixth annual meeting of the National Association of Hospital Auxiliaries. She will represent Tecumseh's organizations at both meetings, an unusual event for a town of this size.

Delegates will travel by special coaches and plans for the meetings, which will take place in the civic auditorium, include talks by Mrs. Oveta Culp Hobby and hospital authorities of England and America. The banquet at the Palace hotel will feature entertainment by Edgar Bergen and Charley McCarthy and there will be many worthwhile exhibits and round table discussions.

When the conference ends, Mrs. Whelan, with a group of other delegates, will fly to the Hawaiian Islands for ten days, returning by boat by way of Los Angeles.

CARD OF THANKS

We would like to thank all our friends who so generously assisted our children in making our wedding anniversary such a happy occasion. Also we would like to thank all who remembered us with cards, flowers, cakes and other gifts. Alvin and Helen Brazee.

PHYLLIS BUTLER AND CHARLES SCRIVER WED WEDNESDAY EVENING

Phyllis Ann Butler, daughter of Mr. and Mrs. Richard Butler and Pvt. Charles E. Scriver were married Wednesday evening at 8 p.m. at the Friends church, with the Rev. Edward Escolme officiating at the double ring ceremony.

Pink and white gladioli and palms formed the decorations in the candlelighted church, where Jerry Butler, brother of the bride, sang "I Love You Truly" and "O Promise Me" before the ceremony.

The bride, who entered the church on the arm of her father, was dressed in white satin and tulle, the gown having a fitted bodice with yoke edged with Chantilly lace, long pointed sleeves and a round train. A pearl trimmed headband held her finger tip length veil and she carried a white Bible topped with a corsage of white lilies.

Miss Phyllis Carpenter as maid of honor wore a floor length gown of pink nylon net over satin with a short pink veil and her flowers were blue delphiniums. The flower girl, little Carol Bird, the bride's niece, was dressed in white with a white veil with pink flower band and carried a pink nosegay. The ring was carried on a heart shaped, satin pillow by Larry Ruhl, nephew of the bride.

Pvt. Schiver was attended by David Knight as best man, while Roger Butler and Dean Schiver, brothers of the bridal couple acted as ushers.

The bride's mother was dressed in light green and her corsage was of yellow glamelias.

A reception for nearly one hundred guests was held in the church parlors following the ceremony. Mrs. Lester Ruhl cut the wedding cake and was assisted in serving by Mrs. George Watson and Mrs. Ned Kotts.

For traveling the bride wore a gray suit with a glamelia corsage.

Pvt. Schiver, who is stationed at Fort Riley, Kansas previously lived in Clinton and was employed at the Tecumseh Products Co. He expects to be sent overseas soon and Mrs. Scriver will remain at the home of her parents until it is possible for her to join him.

o

BRYAN-SISSON FAMILY REUNION HELD SUNDAY

The 48th annual reunion of the Bryan-Sisson families was held Sunday at the home of Mr. and Mrs. Vearl Osburn on Matthews highway. Forty-three members were present from Charleston, W. Va., Clawson, Adrian, Palmyra, Britton, Melvindale, Addison and Tecumseh. Letters were read from Oberlin, Kansas; Fort Collins, Colo.; Portland, Ore. and Durand, Mich.

A picnic dinner was enjoyed and was followed by a business meeting at which the same officers were re-elected: Robert Bryan, president; Frederick Bryan, vice president and Mrs. Floyd Bryan, secretary-treasurer.

The speaker of the afternoon, Delmar Finch, whose home has been in W. Virginia and who had not attended a reunion in forty years, told of family relationships and gave interesting comments on the changes he is finding in Tecumseh and in our way of life since his boyhood here.

Plans were made for the next meeting in 1954 at the home of Delmar Bryan in Adrian and for the 50th reunion which will take place on the old family farm now occupied by Robert Bryan and family.

Teachers Hold Pre-School Sessions Prior To Official Class Opening September 8

There will be three days of pre-school sessions next week for teachers only, before the throng of 1,500 Tecumseh lads and lassies officially open classes on Tuesday, Sept. 8.

Schedule for informal teacher's meetings which start Wednesday morning and continue through Friday noon is as follows:

Sept. 2

9:30 General teachers meeting—high school study hall
11:00 Secondary teachers desk and room assignments
11:00 Elementary teachers visit Central and room assignments
1:00 Elementary meeting—Mr. Greene
1:00 Secondary meeting—Mr. Hart
3:00 Staff tea—A get together for staff members and their wives or husbands given by the Greenes, Kaisers, Harts and McDowells—cafeteria—high school building

Sept. 3

9:30 Teachers meet with principals
1:00 Teachers work periods
2:00 Special meeting—Teachers new to staff and others who desire—Superintendent's office

Sept. 4

9:00 Final meeting with principals
10:00 Elementary teachers meet with Mrs. Jacobs—Central auditorium
11:00 General teachers meeting in high school study hall
12:00 Dismissed for weekend

Following the staff meetings, school opens at 8:15 a.m. Tuesday with class enrollments. Supt. McDowell announced the following schedule for the entire 1953-54 academic year.

September 8—School Opens—enrollment and classes
September 25—County Fair
October 8, 9—State Teachers' Institute
November 25—Schools close for Thanksgiving recess
November 30—School resumes
December 23—School closes for Christmas vacation
January 4—School resumes
January 19, 20, 21—Exams (secondary school)
January 22—School out—Teachers work on records
January 22—First semester ends
January 25—Second semester begins
February —County Institute
April 15—School closes for Easter vacation
April 20—School resumes
May 23—Baccalaureate
May 31—June 1, 2—Exams (secondary school)
June 2—Class Day
June 3—School out—Teachers work on records
June 3—Commencement
June 4—Honors Assembly—School closes

McDowell also announced the following teacher assignments for the forthcoming school year. Since the new Patterson Elementary building will not be ready when classes open Sept. 8, teachers assigned there will meet with their respective groups at either the high school or Central school as the Board of Education assigned.

Mrs. Dorothy Updike	Kindergarten	Patterson
Mrs. Margaret Heimerdinger	Kindergarten	Brownville
Miss Myrna Bugbee	Kindergarten	West Branch
Miss Mary Steinhoff	First	West Branch
Mrs. Louise Faling	First	Patterson

Trade and Industry	Myles E. Runk
Agriculture Director	Paul Burns
Student Council	Neville Hart

BUSINESS WOMEN PLAN TO HELP KEEP TECUMSEH CLEAN OF WASTE PAPER

"The old concrete wasn't so bad," a Business and Professional Women's club member said this week in announcing a forthcoming educational program to help keep Tecumseh clean.

"But every single piece of paper on the new blacktop stands out like a sore thumb."

The civic-minded B & PW plan to interest school children in an essay or poster contest to start the younger generation off right and not throw waste paper around carelessly.

Village president E. M. Campbell said the council plans to also carry on a keep-clean program by purchasing a half dozen green covered waste paper and refuse containers to distribute around the business district.

He also asked merchants to pick-up their sidewalk sweepings and not whisk papers and junk off the curb each morning onto the street as many have done in the past, including this week.

Ed Nelson said the street gutters have been swept once a week this summer but can be cleaned more often in the future if needed.

By The Shores Of Gitche Gumee . . .

You can't pronounce Tecumseh's new street names without an Indian guide!

For three new streets in the current addition to Indian Acres, west of Union and north of Brown, honor the redmen who once camped on the present site of this village. tI was the summer camping ground of the Pottawatamie, though an occasional Chippewa or Sac wandered to the banks of the white man's Red Pond.

The new streets have officially been named Seneca, Wenonah and Nokomis in the proposed 60 home subdivision. Nine homes are now in the making by College Park Homes, Inc.

Hanna-Kelso Win Calcutta Tourney

Bob Hanna and Hal Kelso topped a field of 25 teams in Tecumseh Country Club's annual Calcutta golf tournament Sunday to win first prize with a low combined score of 60, eleven strokes under par. Hanna played an outstanding game with a handicap low net score of 68.

Mary Lou Fischer "bought" the winning team in a colorful pre-tournament auction. Nearly 200 spectators watched the matches.

Frank Purcell, Art Geisenhaver, Jim Spooner, Doug Murdoch, Dick Eggleston and Paul Clauda also won prizes. Frank Smith had low putts with 27 and Jake Fasszke, low gross, 68.

Annual club championship play tightened this week as the tournament entered the semi-finals. Kirk Smith faces Bobby Moore and C. O. Butler takes on Tom Rohweder this weekend to set-up the tournament finals for Labor Day.

In the first flight Don Smith is matched against Al Russell and Ralph Comfort against Hal (three-putt) Kelso.

Al Merz meets George McCombs and Vic Lawson faces a still undetermined opponent in the second flight.

Mrs. R. H. Moore and Mrs. Hal Kelso square-off on Labor Day for the annual women's title. In the first flight, Mrs. M. R. Blanden and Mrs. Bob Hanna play.

A junior girl's tournament is also in progress this week.

Meanwhile, four top-golfing caddies meet in the annual caddy tournament, Rudy Lopez vs David Lamkin and Junior Lopez vs Chuck Duncan.

Iron Bridge May Be Next To Go

Soon you'll have to drive out of town to find a barricade!

For those unfriendly road blocks which have been a part of Tecumseh's landscape for the past two summers are vanishing with the completion of highway projects. Already paving on east Chicago Blvd. has dropped over Globe Mill hill and passed the Button factory enroute to the relocated Raisin River bridge now under construction.

When all this is completed, the state bridge and highway commissions have another offering for Tecumseh—a new bridge on Mill street to replace the old iron span which has long stood east of Red Pond.

Though not even on "paper," the proposed bridge is in the planning stage and could fast become a reality if anything ever happens to the faithful old, narrow bridge which has been called the "wonder" bridge. Officials have often wondered how it supports the heavy truck loads of steel and gravel which gallop over the rolling bridge floor.

Many Sides To Variety Of Tecumseh's Council Business

"Kaleidoscopic" is the appropriate term to describe the general nature of business transacted the year around by Tecumseh's governing body, the Common Council.

In fact this week's session was so varied and inter-mixed with dabs of this-and-that from start to finish that the average citizen would shudder at the scope of business transacted.

Generally reviewing the endless variety of matters which passed before the council Monday night, a reporter's notebook is penciled with the following highlights of "routine" community government.

● Melvin R. Smith, Clinton, lawyer for the Anti-Fluoridation committee, brought up the issue of Tecumseh's present use of sodium fluoride in village drinking water to stop children's tooth decay. He reviewed what Earl Bryan has already done and suggested a possible referendum to give the people a chance to vote on fluoridation. Sixteen of Bryan's followers were on hand.

President E. M. Campbell said an injunction was promised by Bryan sometime ago, which the council invited; but none has been served. He said no petition for special election has been filed, but the council would have to acknowledge one if it contained the proper number of signatures.

● Don Morley then appeared before the council asking why there had been no action on his petition of last January for sidewalk installation in the last block on south Union.

The council reviewed Morley's petition, signed by a majority of property owners in that location, and promised action as soon as the many present projects are completed. Engineer Ed Nelson briefly reviewed the numerous undertakings by his staff during the summer and pointed out the many jobs which still are ahead. His energetic program was commended by the council.

● A revised contract with Consumers Power was tabled for further consideration as a councilman mentioned that Tecumseh Products may initiate a plan in the near future to start re-using the tremendous volume of water they now consume, thus cutting down the number of gallons pumped by the village in the future. For nearly one million of the present two and a-half million gallons pumped daily, go into industrial use.

● A geophysical consultant, William G. Keech, Ph.D., East Lansing, applied to the council for an underground mapping job which would show the earth's formation in the Tecumseh area and aid in detecting the location of water. No action was taken.

● Residential zoning and lot widths were discussed at detail in an effort to establish a uniform plan for constructing A, B and C homes in the future.

● A program to check fire hydrants and feeder lines was outlined and the council decided to increase "pumper" hydrants in the vicinity of Tecumseh Products.

● The council discussed maintaining state trunklines M-50 and M-52 within the village limits and decided upon an estimated cost to the state. This money will be returned to Tecumseh from Lansing to cover the expense of such upkeep as snow removal.

● A resolution was passed to clear up the past misunderstanding about village taxes which are paid in the spring and summer for the forthcoming year. Thus Tecumseh taxes are paid in "advance", the council explained.

● The following petition was filed with the village clerk: "We, the undersigned property owners in the 400 block of East Pottawatamie hereby petition the village council for installation of curb and gutter in front of our homes on said street at their earliest convenience.

"In case of inability to schedule same for this fall, we are requesting that gutters of said block be scraped and cleaned so waste water will run away, and that said street be leveled and put in repair before fall rains. Now the north side gutter is completely level and all water runs in the south side of the street.

"Edna Staulter, Garth Anderson, Raymond Pask, Carl Lowe, Paul Nobles, Wesley Scofield, Eugene A. Welling and Al Schwede."

Engineer Nelson said he planned a village-wide fall street cleaning and repairing program as soon the major current projects are completed; mainly curbing North Union, putting sidewalk and curb in at the hospital addition and tiling Central school playground. Nelson spoke doubtfully about getting to Brown street this year with curbing.

● Charles Gorton was officially named superintendent of the Sewage Treatment Works and another title was added to engineer Nelson, Highway Maintenance Engineer.

● An agreement was completed with Knapp construction to lower sidewalks on West Chicago Blvd. to comply with the general landscape level and proper driveway grade. On East Chicago the opposite will be done as sidewalks will be raised in low areas. The village pays a share in this expense.

A drain baisin will be put into the new pavement near Dr. Helzerman's on West Chicago by the Knapp Co. where the concrete settled and formed a low area where water gathers without draining.

● Village Attorney Jim Beardsley was instructed to prepare a lease agreement with the school board so the village can take over operation and maintenance of the Joyce Andrews Memorial Swimming Pool when completed. The village will pay all operating costs and in turn receive all revenues. Some of the main costs include water, electricity and gas for heating the water. Village officials have kept a close check on the pool's progress and spoke highly of construction work. Hopes are still alive for opening the pool in September.

● Police chief George Kilbourn outlined a future plan to limit Ottawa street to one way southbound traffic only and Patterson, east of Ottawa, one way eastbound traffic only. He also said that soon Pearl may become a stop street at Patterson. This will probably follow the installation of a new intercom system of signal lights on Chicago by the state. Lights will go in at Maumee, Ottawa and Evans, plus a flasher at Adrian street. New light poles will soon go in at the main four corners and the new green overhead metal poles hooked-up.

Glenn Driscoll read a communication from John Boldon asking for an ordinance against U-turns on Mill street. No action was taken.

TURN IN SUITS!

Baseball season is all over for the Tecumseh Products nine, but for turning in their suits, which are owned by the sponsoring firm.

Assistant manager Bill Benham asked all players to attach their names to complete uniforms and turn them in at Hooton's service station.

Celebrate 50th Anniversary Sunday

MR. AND MRS. RAY GILMORE

A reception in honor of Mr. and Mrs. Ray Gilmore, who are celebrating their golden wedding anniversary Sunday, August 30, will be held at the home of Mr. and Mrs. Herbert Gilmore near Macon, from two until five in the afternoon.

The Gilmores were married August 26, 1903, by the Rev. C. H. Colvin in the home in which they now reside near Macon. They have spent their entire lives in the same community, engaged in farming. Mr. and Mrs. Gilmore are members and active workers of the Macon Methodist church.

Two sons, Herbert and Millard live near Macon. They also have two grandchildren, Mrs. Stewart Niblack, Camp Lejeune, N. C., and Wesley Gilmore, Sheppard Air Force Base, Texas.

Closing Ottawa St. At Central School Would Be Safety Measure – McDowell

(Tecumseh village council has plans to close north Ottawa with a permanent street blockade at the south boundary of the Central school playground, providing there are no serious objections. In the following article, Supt. James McDowell points out the advantages of this project as both a safety, economical and practical measure so pupils can go from the school across to the improved playground without traffic danger).

BY SUPT. JAMES McDOWELL

The Central School building on North Ottawa was designed as an all-purpose school to serve grades as well as the high school pupils. When built, there were few automobiles and few small children who went there to school. The playground in the park was adequate and there was little danger from automobiles in crossing the street to get to the play area.

The redesigned Central building will house over 750 children this fall. These children will range from five to thirteen years of age, a far cry from the days of yesteryear. The traffic problem on Ottawa has worried the local Board of Education ever since Central became a complete elementary school in 1950. There have been several accidents, but luckily no child has been killed.

Last year the village made Ottawa Street one way, north only, during school hours and provided a policeman for duty there during the day. Even so, there were some close calls. Teachers got their groups together to cross the road, but no teacher can hold hands with thirty-five little tots at once. There was definitely a traffic hazard which had to be eliminated.

Members of the Board of Education and the Sup. of Schools meeting with the council last year and again this year to discuss the matter have asked that Ottawa be closed directly in front of the school. This would eliminate the traffic hazard and provide much needed play area in rainy weather. The council has agreed to the plan as few local people will be effected for only those who live in that block on Ottawa would need to travel off course so to speak and then only if they desired to go north. The detour required would only be one block which is a small price to pay for the safety of 750 children.

The work on the playground at Central is progressing and there are high hopes that it will be completed by Sept. 8 when school opens. There will be cyclone fence on the north, west, and south of the area and it will be open to the east towards the school. Posts are to be sunk in the street to prevent traffic from entering the area and it will be fenced towards the north.

This is perhaps the most outstanding achievement in the interests of safety yet accomplished in Tecumseh. The council is to be commended on its civic interest and foresight in closing this small area of Ottawa street.

GARBAGE CONTRACT RENEWABLE OCT. 1

Tecumseh's village council looked to the people who should know — the housewives — as they consider renewing a six months contract with the Jones Hauling Service, Jackson, for continued collection of garbage.

Reports have generally been favorable for the twice weekly pickup service this summer though the firm has suffered occasional help trouble. Costs have been $1.20 a month payable in advance for six months.

To contact the Jones firm, which also serves homes outside the village limits, call 558, the village business office.

If no objections are received, the present contract will be renewed before its expiration Oct. 1.

Hudson Masters Festival Part

OTHER BANDS WORKING ON STORYBOOK THEME

Clare Camburn returned from Hudson this week with a report that the 54-member Hudson band has already mastered its part — The Three Bears — in Tecumseh's seventh annual band festival which will be presented here Tuesday, Sept. 29.

The far-sighted festival director said Hudson has worked hard this summer on its part in the 85 minute program. Thirteen bands will participate, each having five minutes to "strut its stuff". The festival will start in typical Camburn fashion at 8:00 p. m. sharp and be over 90 minutes later at 9:30 with a mass demonstration climaxing the annual event.

Camburn said other county bands have joined Hudson and have a head-start before school officially opens.

Hudson will journey to the Canadian National Exhibition at Toronto, Aug. 31 — Sept. 2 and participate in a concert there plus visiting Niagara Falls.

Posters advertising Tecumseh's forthcoming festival have been widely distributed by Camburn in anticipation of an even larger crowd than last year's 5,000.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.

Published By Estate Of Earl L. Wickwire.

Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

Editorials

ALWAYS SOMETHING ELSE—Nice thing about newspaper life, especially on a small weekly where there is such a diversity of jobs that each member of the staff does a little bit of everything, is that something new and different is always bobbing up to shatter the hum-drum and stir things up anew. This week The Herald was fronted with two interesting questions by the public, or rather by persons who came to the community's newspaper as a source of information. They wanted answers. Since editorially we are not dealing with personalities but with issues, we pass along the questions, admitting that we too would like to know more.

"Is the wheat control issue a reversal of the true American way?" and "Is Michigan's unemployment compensation law too lenient?" Though we probed into both with interest, The Herald still desires to know more and believes the general public deserves some facts on both matters. Any assistance? Here's what we gathered.

● **WHEAT** — There are 800,000 farmers in the nation who grow 15 acres of wheat or more each year. On Aug. 14 they voted to determine whether or not they favored government controlled planting and market quotas for next year in return for high support prices. As usual in any kind of voting, not everyone balloted. But about half voted 7-to-1 in favor of continued quotas and $2.20 a bushel for wheat for 1954. And some dander went up right in our own Tecumseh farm vicinity where some farmers balked at the result as a reversal of the American way, and their hope that the Republicans would put an end to all the past government aid.

It doesn't seem just what the people ordered last November, or is there another side? Probably is.

● **UNEMPLOYMENT** — As we have been informed, the present Michigan unemployment compensation law is a good one, but too easily subject to abuse. For if any working person is laid off, he or she can apply for unemployment insurance at the nearest state office and after two weeks receive regular checks based on previous earnings. All well and good in a time of few jobs and more workers than there is work. Then families need aid to tide them over. All a worker has to do is follow six simple points. He must certify:

1. I was registered for and seeking work. (He must make two attempts to seek work each week).
2. I did not refuse to apply for or accept any work offered me except as reported by me to this commission.
3. I was able and available to perform full time work.
4. I did not work other than that for which I had earnings as reported above.
5. I did not claim or receive benefits under any other state or federal law.
6. I know that the law provides penalties or fine and imprisonment for any false statement. I hereby certify to the above statements and claim benefits for that week.

Three recent examples have been cited where false claims were made, money paid out wrongfully and the law failed. These cases are entitled, "one more check," "miscalculated earnings" and "back to work tomorrow" cases. Of course any board law has abuses, and perhaps this one is no different.

Bowen-Fosbender Vows Exchanged

Against a background of massed palms and draped plumosa, the altar of the Baptist church was decorated with lighted candles in tiered candelabra and hampers of white gladioli at 4 o'clock Saturday afternoon when Miss Shirley Ann Fosbender became the bride of Dale Jerome Bowen, Jr. The Rev. Alvin Brazee performed the double ring ceremony, the ring being carried by little Mark Deaner.

Richard Wagner of Adrian presided at the organ and the Misses Marlys and Evelyn Arnold sang "My Wonderful One" and "All the Things You Are" before the entry of the bridal party, and "The Lord's Prayer" was rendered by Miss Patricia Price of California.

The bride, who was given in marriage by her father, was preceded by her maid of honor, Miss Judy Walmer of Kalamazoo and the Misses Barbara Corria of Northport, Thelma Putman of Bangor, and Marlys and Evelyn Arnold and Dulcie Bowen, Tecumseh, as bridesmaids.

The bridal gown was of nylon tulle and Chantilly lace over taffeta, with fitted bodice, long sleeves and portrait neckline, outlined with pearls. The bouffant skirt was of tulle ruffles to the waist, with overdress and peplum of lace which swept to a short train. Her veil, double and of finger tip length, was caught in a pearl embroidered tiara headdress. She carried a colonial bouquet of eucharis lilies and white Pinnocchio pom-poms backed by white maline and with a cascade of ivy strands.

The gowns of the six attendants, of alternating light and dark larkspur blue, were of identical design with strapless, shirred bodices of tulle and very full, floor length, hooped skirts trimmed with rosettes of the same material. Their headbands and fitted stoles were of the same color and they carried Colonial bouquets of matching maline and red-shaded croton leaves centered with rubrum lilies and red rosettes.

David Green of Ann Arbor attended Mr. Bowen as best man, while Don Wallace, Ypsilanti, Ken Swartz, Tipton and Jack Colson, Gerald VanValkenburg and Conrad Fosbender, Tecumseh were ushers.

Two hundred-and-fifty guests including those from California, Arizona, Toronto, Detroit, Jackson, Hillsdale, Ann Arbor and Ypsilanti were entertained after the ceremony at the Country Club, which was beautifully decorated for the occasion.

The new Mrs. Bowen wore a suit of beige linen with brown accessories when the bridal couple left on a trip to northern Michigan. The daughter of Mr. and Mrs. Carl Fosbender, the bride graduated from Tecumseh high school with the class of 1951 and has attended Western College at Kalamazoo for two years, while the groom, the son of Mr. and Mrs. Dale Bowen, is a 1950 graduate of Tecumseh high school and a senior in the engineering school at Purdue University, where he is a member of Sigma Phi Epsilon fraternity.

They will make their home in Lafayette, Indiana.

Mr. and Mrs. Dale Bowen, parents of the groom, were hosts at a rehearsal dinner for 26 guests Friday evening at the Country Club.

o

BRITTON

Sgt. James Gephart of Quantico, Va. spent the week with his wife at the home of her parents, Rev. and Mrs. E. H. DuBois.

Raynor Benedict has returned home from Flower hospital, Toledo, where he has been a surgical patient for three weeks.

Letters To The Editor

Editor, The Herald:

A fellow begins to wonder how far this Communism menace is going to be stretched.

Back during the "to be or not to be a city campaign," I saw a poster on a car which stated, "Tecumseh is not spelled R-U-S-S-I-A — VOTE NO."

Now we find the ugly Hydra of Communism rearing its head in the fluoridation issue. For in a Letter to the Editor last week, the momentuos deduction is made that fluoridation is another step toward that dreaded form of government. If anyone sees the connection, I wish he would explain it to me.

It seems to me, if people would pay more attention to facts and less to innuendoes, the good old USA would be a whole lot better off and it would be a big step toward fighting what these people seem to fear most.

Dick Pearson

o

SERVICES SATURDAY FOR BABY AUSTIN

Services at the grave in Palmyra cemetery were held at 2:30 Saturday afternoon for the infant daughter of Mr. and Mrs. Gail Austin, who died Thursday evening at Herrick Memorial hospital following birth there on Tuesday. Survivors besides her parents are two sisters, Rebecca Ann, nine years old and Susan Eileen, seven, grandparents, Mr. and Mrs. Daniel Austin, Tecumseh and Mr. and Mrs. G. Harvey Lewis, Britton. The body was at the Green Funeral Home before being taken to Palmyra where the Rev. Lowell R. Shreve of Raisin Center had charge of the services.

Far more miles per gallon

on the trips YOU take!

On long trips, short trips, all trips, you get far greater gas mileage out of a '53 Chevrolet. It offers important savings in everyday driving over everyday roads!

Out to the golf course. Off for a week-end of fishing. Half across the country on a full-scale vacation. *Wherever* you go—*however* you drive—you're going to get there on a lot less gasoline in a fine new Chevrolet.

The truth is, this year's Chevrolet owners are enjoying *the most important gain in economy in Chevrolet history. Plus* more power. Faster acceleration. More "steam" for the steep hills.

That's the beauty of Chevrolet's two great *high-compression* engines—the new 115-h.p. "Blue-Flame" engine in Powerglide* models, and the advanced 108-h.p. "Thrift-King" engine in gearshift models. They squeeze much *more* out of regular gasoline—more miles, more pleasure.

Along with this greater gas mileage, you get lower over-all upkeep costs. And Chevrolet is the lowest-priced line in its field. Drop in and let us show you how you'll be better off in *every* way with a 1953 Chevrolet!

**Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.*

COUNTY OF LENAWEE.

I, Robert B. King, Clerk of Lenawee County and of the Circuit Court thereof, the same being a Court of Record, and having a Seal, do hereby certify that I have compared the attached copy of Order of Appearance with the original and have found it to be a correct transcript therefrom, and of the whole thereof.

In Testimony Whereof, I have hereunto set my hand and affixed the seal of said Circuit Court this 19th day of August, 1953.

R. B. King, Clerk.

STATE OF MICHIGAN
CIRCUIT COURT FOR THE COUNTY OF LENAWEE
In Chancery

ROBERTA B. GREENMAN, (formerly known as Roberta B. Lupton)
Plaintiff
vs.
ORDER OF APPEARANCE

W. J. C. HASTINGS, and wife, NANNIE, CHARLES F. HASTINGS, and wife, ANNA, JOHN R. HASTINGS, and wife, MINNIE, NELLIE LAWRENCE, MARTHENA MOSHER, MARY MILLER, JAMES B. HUNTER and JOHN HASTINGS, or their unknown heirs, devisees, legatees and assigns, and all persons who might claim under the persons named, any dower or homestead right whether vested or unchoate, at the time of beginning such suit or proceeding.
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian in said County on the 19th day of Aug., 1953.

PRESENT: Honorable Henry I. Bourns, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Roberta B. Greenman attached thereto, from which it satisfactorily appears to the Court that the Defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties Defendant in the above entitled cause, and

It further apeparing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said Defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said Defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of J. C. Beardsley, Attorney for Plaintiff, it is ordered that said Defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns.

Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the west 10 feet thereof.

It is further ordered that within forty days Plaintiff cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

Henry I. Bourns
Circuit Judge
R. B. King
Clerk of Circuit Court

Take notice, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Village of Tecumseh, County of Lenawee, State of Michigan, described as follows, to wit: Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the West 10 feet thereof.

10/1 J. C. BEARDSLEY.

EASTERN STAR

Officers of the Order of Eastern Star will meet this evening Aug. 27, for practice at the Masonic Temple.

MACON

Mrs. Hamilton Moore
Correspondent

Mr. and Mrs. David Bush entertained the Macon Community Club Tuesday evening. Twenty-two members were present. Mrs. Ray Gilmore was in charge of the program which was conducted in the form of a school classroom with Mrs. Charles Gorton as teacher and the various members as students. Songs were sung, recitations heard, and a spell-down conducted. Mrs. Clayton Bigelow told of the history of the club, which was organized in 1921 and was then called the Macon Poultry Club. Several charter members still belong to the club, among them Mr. and Mrs. Ray Gilmore, Mr. and Mrs. Revilo Sage, Mrs. Mae Morgan and Guy Collins. The next meeting will be at the home of Mr. and Mrs. Joseph Sheward and Mr. and Mrs. Arthur Lopshire will have charge of the program.

The Macon Homemakers Extension Club met Thursday for a picnic dinner at the home of Mrs. Virginia Englehart, with 12 members present. Following the dinner, Mrs. Ruth Howell, president, conducted the business meeting when it was announced that the mobile X-ray unit of the Michigan Department of Health will be in Tecumseh beginning Sept. 15 for five days. Mrs. Percy Cadmus gave an interesting report on the Homemakers Conference which was held recently at Lansing. It was decided to make aluminum trays at the September meeting. Members wishing to participate in this work may contact Mrs. Verl Sanch, who will order materials.

Mr. and Mrs. Verl Sanch received word from their son Melvin that he had been transferred to the air base at Wichita Falls, Texas. He wrote that it was very warm and dusty there.

Mrs. Emma Hammond and Mrs. Edith Smith of Saline called on Mrs. Carrie Payne, Thursday.

Mrs. Rose Harmon and Mrs. Bessie Travis spent Tuesday in Toledo.

Mrs. Joseph Sheward took her twin grandsons Robert and William Neil to their home in Dansville, Ill., after spending the summer vacation here.

Mr. and Mrs. Hamilton Moore were in St. Louis, Mich., Friday evening atending the wedding of Miss Barbara House, daughter of Mr. and Mrs. L. C. House, formerly of Macon, and Bruce Carlson. The wedding took place in the Methodist church. The Moores returned to Lansing and spent the night with her brother and family.

Eddie Brock, Jimmie Woods and Ronald Croll returned home Saturday from a week's trip through northern Michigan, Wisconsin and Chicago.

Mr. and Mrs. Stewart Niblack arrived from North Carolina for a few days visit with their parents, Mr. and Mrs. Herbert Gilmore and Mr. and Mrs. W. S. Niblack of Britton.

Mr. and Mrs. Melvin Sanch and son of Milan spent Sunday with his brother Verl Sanch and family.

Mrs. Rose Crook of Coman, Mich., sister of Albert Cross, died while visiting her brother in Bowling Green, Ohio. The funeral was held in Bowling Green, Monday, several attending from here.

FORMER RESIDENT DIES IN CALIFORNIA

Word has been received of the death at his home in Riverside, Calif., of Carl Peotter, son of Charles Peotter of South Adrian street. Born in Tecumseh fifty-eight years ago, Mr. Peotter had worked on the fire department in Jackson until he moved to California five years ago.

In adidtion to his father, he is survived by his widow, the former Gladys Lewis, a son Charles, a daughter Mary, five sisters, Mrs. Ruth Covell, Mrs. Marian Rumpf, Mrs. Esther Gurtzweiler, Mrs. Margaret Covell and Mrs. Rita Clark, all of whom live in Tecumseh; two brothers, Ralph, Tecumseh and Roscoe, Carleton. He was preceded in death by his mother and a sister, Mrs. Josephine Maynard. Funeral and burial were Monday in California.

Why is it that the best-dressed "ten" are always famous people!

Don't attempt to talk sense with anyone who doesn't want to learn.

I'm Often Wrong

By Neil Hunter

LOTS OF COOPERATION — We couldn't do this column if we didn't have such splendid cooperation . . . that's democracy . . . that's America . . . that's Tecumseh . . . that's the Tecumseh way . . . in nearly a year of residence we have fast grown to love this community . . .and already call it our own "home town" . . . what more could we ask for in America . . . labor and capital . . . competitive athletics . . . that line that forms to the right . . . a letter to the editor . . . in Tecumseh it's not a matter of **who's** right but **what's** right . . . isn't it too bad so many people's creeds are contradicted by their deeds (corrected from last week).

Yes, we've had a lot of kind words from Tecumseh in support of The Herald and encouragement of continuing I'm Often Wrong . . . Mrs. Heidenreich went out of her way this week to express a few kind words for our trying to put a little extra into an everyday job . . . Bud McEnroe also joined our mutual admiration society when he said "keep up the good work" this week . . . Bud's covered most of Uncle Sammy's forty-eight in youthful travels and votes Tecumseh right at the top . . . Joe Rice, a guy who should know how fire departments operate, for he once headed two over in Hillsdale county before going to the Products, gave us some praiseworthy information on volunteer blaze battling crews.

Joe's figures rightfully praise the volunteers as the boys who not only put out the majority of fires throughout the nation, but also the majority of the big ones. Rice shows that over a million volunteers make up over 14,000 community departments, and they handle everything that comes along, just like Tecumseh's dept. does, from the million dollar baby to the five and ten cent grass blaze.

We've had some encouraging notes from time to time which make column life more interesting . . . Doc Brown straightens us out on the term Doctor . . . we've had a couple of unsigned notes which we can't pass along . . . but appreciate them as part of the game . . . sure we make mistakes now and then . . . if we were perfect and could write like those fancy dudes on the big city papers we'd probably hire out for a newsbeat in a skyscraper town and not be here to see Mrs. Kopka's giant sunflower or listen to an enraged driver who couldn't get to Ridgeway without a half dozen detours . . . but somedays you can't seem to make a nickel . . . but life goes on in Tecumseh and our growing number of friends links us closer and closer to this, our own home town.

FOR A HOME OF YOUR OWN — SEE HANNA'S

Joyce Kopka Weds Fredrick Lippiatt

A wedding of beautiful appointments was solemnized at the Friends church Saturday afternoon when Joyce Leone Kopka and Fredrick Leroy Lippiatt exchanged vows before an altar banked with gladioli and palms and lighted with white candelabra. The double ring ceremony was performed by the Rev. Edward Escolme at three o'clock.

The bride is the daughter of Mr. and Mrs. John A. Kopka, 8 Water St., and Mr. Lippiatt is the son of Mrs. Charles Lippiatt of Salem, Ohio, and the late Mr. Lippiatt.

Given in marriage by her father, the bride was attractive in a floor length gown of white organza with fitted bodice and featuring a yoke and peplum of lace trimmed with rhinestones. Long sleeves ended in points over the hands. Her fingertip veil with lace edging was suspended from a wreath of white orange blossoms and leaves. She carried a Colonial bouquet of white bridal roses with white satin streamers knotted with miniature pink demure roses.

The bride asked her sister, Mrs. Earl Yoakum to be matron of honor and the Misses Vervalee Gray, Canton, Ohio, Faye and Katherine Lippiatt, Salem, Ohio, sisters of the bridegroom, were bridesmaids.

Mr. Lippiatt was attended by A. W. Langley, Greensboro, N. C., as best man. Ushers were Marvin Eastman, Mansfield, Ohio; Angus Bond, Cleveland and Earl Yoakum.

A reception for 150 guests was held in the church parlors following the ceremony. Guests were present from Monroe, Dundee, Britton, Adrian, Tecumseh, Salem and Toledo, Ohio. Mrs. Lora Bremmerman of Cleveland cut the wedding cakes and serving was done by the Friendly Class of the church. Mrs. Elizabeth Ludwig was in charge of the guest book.

Mrs. Lippiatt is a graduate of Tecumseh high school and attended Cleveland Bible College.. She is now employed by the Cleveland Credit Bureau. Mr. Lippiatt graduated from Salem high school and is a senior at Cleveland Bible College. Upon completion of his studies, he plans to enter the ministry.

LOCALS

Mrs. Francis Comfort Tyler of Pasadena, Calif., who has been a guest of Mr. and Mrs. Perry Hayden for several weeks is spending a few days in Detroit with relatives and friends.

Rev. and Mrs. Ronald Brunger and family spent Sunday night and part of Monday with Mrs. Brunger's brother and family, Mr. and Mrs. Robert Hurst at their cottage at Joslyn lake near Chelsea.

Betty Hayden is in Louisville, Ky. this week, caring for David and Debby Wells, while her sister Mary Jane and husband, Mr. and Mrs. Ronald Wells, attend the southern Baptist Music Conference, at Ridgecrest, N. C.

The Fred Fischer family, formerly of Britton, are visitors in Tecumseh and vicinity this week. They are staying in the G. A. Rathbun home. Mr. Fischer is now engaged in the contracting business in St. Petersburg, Fla.

David B. Lott, SK/2c, of the U.S. Coast Guard, who is stationed in Boston is visiting his parents, Mr. and Mrs. John Lott this week.

Mrs. J. P. Cant and daughter Jannette of Detroit are guests this week at the home of Mr. and Mrs. John Lott.

Mr. and Mrs. John Nichols and family and Miss Dorothy Smith of Connersville, Ind., spent Thursday to Sunday of last week as guests of Mr. and Mrs. Waldo Mohr. The Nichols were former residents of Tecumseh, when he was connected with the Products Co. On Friday evening Mr. and Mrs. Bert Warren entertained for the Nichols with a picnic supper at their Vineyard lake cottage, the other guests being, Mr. and Mrs. George Hay and family, Mr. and Mrs. Harold Warren and family, Mr. and Mrs. Harlan Boyes and son and Mr. and Mrs. Mohr. Saturday evening the Boyes also entertained Mr. and Mrs. Nichols at their home in Tipton.

Mrs. John Carson and daughter Ann are entertaining their cousins, Mr. and Mrs. Jack Howie of Flint, this week.

Mr. and Mrs. John R. Lott honored the birthday anniversary of Mrs. David W. Beck, Sunday, by entertaining a group of her relatives from Detroit, Livonia, Farmington, Grosse Pointe, Monroe and Wallaceburg, Canada. A buffet supper was served and a pleasant social time enjoyed.

Mr. and Mrs. Roscoe Ferris and Mr. and Mrs. William Frost spent Friday to Monday in beautiful Renfro Valley, Ky., returning through the foot hills of the Smokey Mountains.

Miss Marjorie Boyce and her pupil Garry Beduell, of St. Clair Shores spent the weekend at the home of her mother, Mrs. Alta Boyce. Sunday Mr. and Mrs. Wilbur Boyce entertained at a birthday dinner, honoring the anniversaries of Mrs. Alta Boyce and Miss Marie Boyce. Guests included Mrs. Margaret Kidman and Mr. and Mrs. Beduell, who came from St. Clair Shores to take Miss Boyce and Garry home.

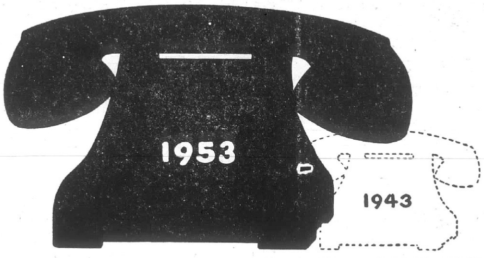
Dogs are smarter than some people think, but not as smart as others think.



Be a good party-line neighbor

To give you better telephone service—
We've tripled plant investment in just 10 years!

Good telephone service is not just a matter of connecting a new instrument for each household that wants one. More telephone equipment must be placed in service all along the line. More wire, more cable, more central office equipment, more toll lines, more employees—more of everything is required to expand telephone service.

Within the last 10 years General Telephone Company of Michigan has enlarged and improved the plant and equipment in back of the average telephone to the extent that plant investment has tripled—from $7,743,000 in 1943 to $23,509,000 this year.

The people whose savings built this plant expect a fair return on their investment. A fair return is essential to the continued improvement and enlargement of your telephone service.

GENERAL TELEPHONE COMPANY OF MICHIGAN

WORLD'S ONLY VERTICAL VALVE V8

You can tell in an instant it's a Very great 8

At idling speed, the engine of this 1953 Buick is deceptively docile.

All you hear is a silken whisper, a kitten purr, a smooth flow of air channeling quietly through metal passageways.

Then—you want to go. You nudge the pedal. You go.

That's when you discover that you're sitting behind an engine of electrifying response.

That's when you begin to know how the power of the first Fireball V8 can handle getaway, cruising, hill-climbing.

That's when you learn what Buick's highest-compression engine in fifty great years can mean in spirited and soul-satisfying road command.

It's an experience too wonderful to miss—the bossing of this brilliant new V8 Engine that powers every 1953 Buick SUPER and ROADMASTER.

So we cordially invite you to come in and try it.

We cordially invite you to hold rein on this truly advanced V8—the world's first V8 with *vertical* valves, with "T" type intake manifold, with zero-power-loss muffler—*and the first standard-production American passenger-car engine to reach 8.5 to 1 compression ratio.*

Why not come in for a sampling?

That way you can also try the other Buick gems—like Twin-Turbine Dynaflow*—and the Million Dollar Ride—and the room and visibility and handling ease of the greatest Buicks yet. Can you make it this week?

TYPICAL PRICES ON 1953 BUICKS, DELIVERED LOCALLY

SPECIAL 2-Door 6-Passenger Sedan MODEL 48D................	$2217.88

ROADMASTER 4-Door 6-Passenger Riviera Sedan, MODEL 72R, with Twin-Turbine Dynaflow and Power Steering as standard equipment at no extra cost	$3278.36

Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

**Standard on Roadmaster, optional at extra cost on other Series.*

THE GREATEST BUICK IN 50 GREAT YEARS

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

SCHNEIDER BROS. GARAGE, INC.
130-132 W. Chicago Blvd. Tecumseh, Michigan Phone 65

A homemaker appreciates a day off too.

Holidays and vacations come and go. Everyone enjoys a period of rest and relaxation . . . everyone that is, except the homemaker, whose cooking chores keep her tied to the kitchen.

And when these hot summer days roll around that's when she would really appreciate an afternoon free from cooking cares.

Because of these facts smart homemakers are switching to modern fully automatic gas ranges. They can plan their work—place the evening meal in the oven of their new gas range, set the automatic controls, and take the afternoon off. They can visit with friends, take in a movie or enjoy an outing with the children . . . free from cooking cares . . . because the range will turn "on" and "off" automatically at the time pre-selected. Dinner will be cooked to perfection and ready to serve when she returns.

You can't beat an automatic gas range for easier, faster cooking performance. It has smart new styling too, with easy-to-clean porcelain finishes, insulated ovens, smokeless broilers and many other time and labor saving features that will thrill you. See them today.

Your Gas Appliance Dealer...
will be glad to show you these new automatic ranges. They ***cost less to buy, less to use,*** and ***less to install*** than any other automatic range on the market today.

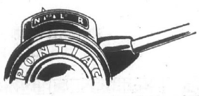
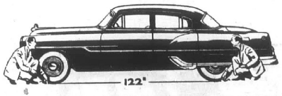
AT LOWEST COST!

Dual-Range
Hydra-Matic Drive



Pontiac's wonderful Dual-Range Hydra-Matic* gives you both eager pep and alertness in traffic and smooth, quiet, gas-saving cruising on the open road. And it's the same time-proved automatic drive you find in the most expensive cars in America!

122" Wheelbase



Pontiac is a big car—in fact no car so big is priced so low. This extra size gives you more room and contributes greatly to Pontiac's smooth, relaxing, road-hugging ride—a ride that gives you a wonderful feeling of solid security wherever you go.

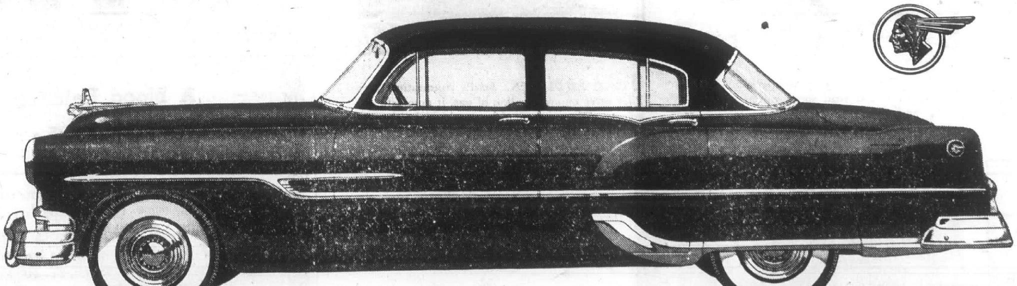
Power Steering

Pontiac's Power Steering* takes over almost all the work of turning and parking and provides driving as effortless as modern engineering can make it. It's the same type of power steering you get in the finest cars.
*Optional at extra cost.

Body by Fisher

BODY by FISHER

Inside Pontiac's big, roomy body you'll find luxury and comfort far beyond its modest price, with interiors finished with the same fine attention to detail as America's costliest cars.



GENERAL MOTORS LOWEST PRICED EIGHT

Put yourself in the driver's seat of a Pontiac and immediately some very wonderful things happen. First, you find yourself in command of a big, high-compression engine that responds so eagerly you know there's power to spare. You control this big 122-inch wheelbase beauty with almost no effort. But only after you've driven it for many thousands of miles do you realize that Pontiac's outstanding point of extra value is its famed dependability, long life and amazingly low operating and maintenance cost. And this great Pontiac quality is *proved beyond question by its accepted high resale value.* Come in and get the facts.

Dollar for Dollar you can't beat a

LOCALS

Mrs. Palmer Tollesson and son Edward of Richmond, Calif., spent last week with her aunt and uncle, Mr. and Mrs. John Calhoun, and other relatives. Mrs. Tollesson is the former Dorothy Rector, daughter of Bert and Madge (Hialey) Rector, who once lived in Tecumseh. They left Sunday, returning home by way of northern Michigan.

Mrs. Addie Finnegan and grandson, Roger Finnegan, have been in Cincinnati visiting relatives. Mrs. Finnegan returned Sunday but Roger remained for a week.

Mr. and Mrs. James Baker of Rogers highway have returned from a week's trip to Kentucky, where they visited relatives.

Mrs. John S. Smith, who formerly lived on West Pottawatamie, and her daughter and husband, Mr. and Mrs. Paul Joseph of Dearborn, called on old Tecumseh friends Sunday.

Miss Eva Norris, who has spent the summer visiting the Misses Beth and Geneva Satterthwaite and Mrs. R. K. Anderson, left yesterday for Chicago. From there she will go to her home in Westport, Conn.

Mr. and Mrs. Robert Furgason, and son Michael, will return this week from a month's trip to the west coast.

Fay Whelan, who has been undergoing treatment at the University hospital in Ann Arbor, has returned to his home here. He is somewhat better but is still confined to a chair.

Mr. and Mrs. Thomas Hamilton are entertaining Mrs. Hamilton's brother and wife, Mr. and Mrs. W. H. Hanna and Mrs. Samuel Hanna and son John and Mrs. A. Wood, all of Toronto, Canada. Last week the group spent a day visiting friends in Albion and Jackson.

Culbertson School, Fractional No. 1, will open the new school year Tuesday, September 8, school resuming that day.

Mr. and Mrs. Dan Pitkin of Trenton spent Saturday with her aunt, Miss Mary McWilliams.

DOE DAY, SEPT. 19

"Does e Doats" according to the song, but according to those who know, they eat many other things at the Country Club Sept. 19.

Tecumseh BOOK SHELVES *Library*

(The fourth in the series of sketches of the history of the Tecumseh Library).

The Tecumseh Public Library of District No. 7, which was formed in 1895 by merging the books of the small school library with the assets of the private corporation known as the Tecumseh Library Association, was housed for ten years on the second floor of the Union Hall. Its facilities were woefully inadequate from modern standards. The rooms were dark and crowded, but they were crowded with books—most of them good books.

To many of that generation, to whom reading meant not only a wider vision and perspective but also the information and entertainment now provided by movies, radio and television, those crowded, dark, poorly ventilated rooms were "a little bit of Heaven."

As the years passed, however, it was a paradise that needed room to expand. A new building meant what seemed an almost impossible expense, so following the suggestion of one of its members, Seaton W. Anderson, the school board investigated the possibility of a grant from Andrew Carnegie, who was then embarked on his program of constructing library buildings across the country. They applied, were investigated and with certain stipulations regarding a site and maintenance, their request was granted. Dr. L. G. North was chairman of the board and he appointed Joseph H. Smith to head the construction committee.

The spot selected could not have been more fitting, for, beside its excellent location, it had been for 56 years the site of the home of one of Tecumseh's men of letters. Benjamin L. Baxter was one of the best read men the town has ever known. Teacher and lawyer, he had been head of Tecumseh's branch of the University of Michigan, a regent of that university, an early owner of The Tecumseh Herald and for years its official "ghost" editorial writer. His large private library, like his beautiful rose garden had been always open to his friends. In fact during his later years he issued cards for his books like any formal library.

Benjamin Baxter had died in 1902, but when two years later, the Carnegie Public Library rose almost on his hearthstone, those who had known him well felt its presiding genius might well be a slender, white bearded, white haired figure, pounding the sidewalk with his cane and cackling highpitched laughter over one of his own stories.

A pretty girl need not rush into matrimony.

No one has visited us recently, in order to lend us money.

No one is interested in the pain you had the other day.

More ill health is caused by too much food than too little.

Few female gatherings sift down to one speaker at a time.

Adult education is more of a problem than juvenile education.

FFA Officers Attend Camp

Six Tecumseh high FFA officers joined with 142 other Future Farmers from high schools throughout Lenawee, Monroe, Hillsdale, Washtenaw and Jackson counties in a three-day leadership camp last week at Wolf Lake.

The annual training session teaches better FFA leadership in both school and community life. All of the boys are given a full schedule of activities which includes officers training, group leadership, special activities, and recreation.

Some of the recreational activities of the group were: Softball, volley ball, track, swimming contests, and tournaments between tribes of these activities. All of the boys were given a "check up" by a doctor at the beginning of the camp to make sure they were eligible for the activities.

This year the boys had the pleasure of meeting and talking with John Pickthall, a British exchange youth. He spoke about the schools and farm life of his country. The boys were quite surprised about the differences in farming between the two countries.

The officers attending the camp from Tecumseh were: Philip Young, president; John Cadmus, vice-president; Charles Hendershot, secretary; John Wilt, treasurer; Arnold Withrow, reporter; and Herbert Quigley, sentinel.

Mr. and Mrs. Quigley assisted Paul Burns, FFA advisor, in transporting the boys to camp, and Mr. and Mrs. Hendershot assisted in taking the boys home.

Newspaper advertising set a new record in 1952, and proved number one as a seller of commodities.

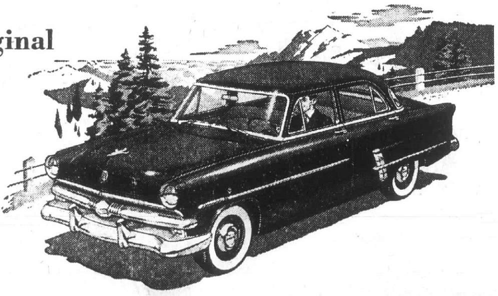
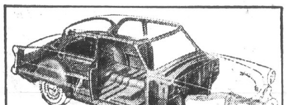
Keeps its value better than any other car!

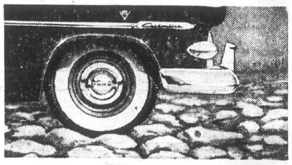
Used car dealers report that Fords return more of their original cost than any other car— and there are 41 reasons why:



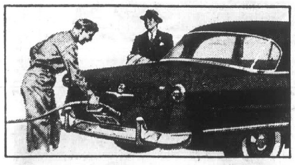
Take power. Ford's two high-compression engines are real leaders in their class. Ford's the only car in the low-price field to offer you the smooth power of a V-8 engine. And no other car in any field has so modern a Six.



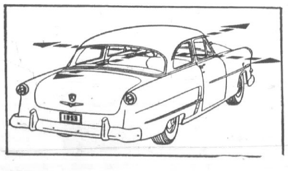
Take build. Ford's Crestmark body gives you style-setting beauty with rugged "build" underneath. Where many cars are bolted Fords are welded hull-tight to keep out rust-causing weather and dirt.



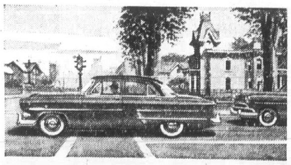
Take ride. Ford's wonderful, new ride reduces front end road shock up to 80%. New spring and shock absorber action gives you the easy ride you want without gas-eating extra weight.



Take savings. Ford's Automatic Power Pilot saves on every gallon of gas. It automatically adjusts carburetion, ignition and combustion to make every drop of gas work its heart out.



Take visibility. Ford gives you the "all-around" view you need in today's fast-moving traffic. A curved one-piece windshield, car-wide rear window and large "picture windows" all around make sure you have Full-Circle visibility.



Take drives. Only Ford in its field gives you a choice of a completely automatic drive, Fordomatic, the finest, most versatile automatic you can buy . . . fuel-saving Overdrive . . . or easy-shifting Conventional Dri ve.

The swing is to

The Passing
From This Life . . . .

. . . need not be less beautiful than the beginning of our stay on earth. For much of the sadness incident to parting can be lost in the knowledge that our time here has been but a brief part of our greater journey, and the good done by every person who has lived on this earth has earned a more beautiful life in the future.

So the funeral should be to all a remembrance of beauty, peace, and tranquillity.

Tecumseh since 1850.

ONE HUNDRED SECOND YEAR — NUMBER 48 — TECUMSEH, MICHIGAN, SEPTEMBER 3, 1953 — FIVE CENTS A COPY

September Last Month For Appreciation Days

After a two year stand in Tecumseh, the final curtain will fall on Appreciation Days this month.

At a combined meeting of merchants and the board of Chamber of Commerce directors, it was unanimously decided to discontinue the promotion at the end of the present fiscal year, which ends after the Sept. 26 drawing.

Fay Whelan, mainstay for the program, announced his resignation in letters to C of C president Clarence Beach and Merchants committee head, Leo Lohrman. In view of this and a general feeling among businessmen that the worthwhile plan has served its purpose during the past years and died a natural death, the program will be dropped.

Mr. Lohrman noted, however, that the crowds continue to show an increase and turnouts of over a thousand are not unusual.

Another promotion of a different nature will be considered for the future to take the place of Appreciation Days.

At the recent meeting, merchants spoke of a fall celebration for Tecumseh and of the forthcoming Band Festival scheduled for Tuesday, Sept. 29.

During a brief discussion of Friday vs Saturday night store opening, merchants said they are satisfied with business as it is and some are even closing on Saturday night to stimulate Monday business.

Local Scouts Lived On Famed New Mexico Ranch This Summer

(Charles Owens and Bruce Packard, members of the Explorer Boy Scout troop locally sponsored by the United Products Workers Union spent a dream month this summer in the wilds of New Mexico. Here are some of their experiences as personally written by one of the boys).

BY CHARLES OWENS

Philmont Boy Scout Ranch is a 127,000 acre ranch given to the Boy Scouts of America in 1942, by Waite Phillips, wealthy oil owner. It is located in the northeastern corner of New Mexico and is within the southern extension of the Rocky Mountains.

Bruce Packard and I arrived at the ranch headquarters on July 7th. There we met our Scoutmaster and the other fellows from all over the country, that were going to take Junior Leadership Training.

We were told that the course would be plenty rough but that we would be living as scouts 24 hours a day, for 36 days.

Our first camp was Zastro, where we were taught many things. Among them were: Camp inspection every morning to keep the campsite spotless and clean, "Doc" Loomis, one of Philmont's instructors gave us instructions on axemanship, foot care, and Dutch oven cooking.

From Zastro we packed burros and left for Lost Cabin. This area is one of the most beautiful at Philmont, the creeks and rivers are well stocked with fish, there are dense forests, Pine, Poderosa Pine, Spruce Fir, and Aspen trees blanket the mountainsides.

At Lost Cabin we were busy building a log cabin. We would cut, trim, debark, and notch the trees for the cabin. Also, at Lost Cabin we had a two day Survival Experience.

We were taken out in groups, and set in different locations along the Agna Fria River. We were given one knife each, one axe per group, one-half cup of salt, one cup of sugar and were told to build a shelter and find our own food. We were told how to hollow out an Aspen log, for a bowl, and to heat stones in the fire and pour water in the bowl. This was our only way of getting the water to boil, to cook food. Some of the food we ate was zncca roots, dandelion greens, wild onions, wild strawberries, and fish. We started our fire by the flint and steel method.

From Lost Cabin each patrol was given a different compass degree reading and was to find the next camp, Crooked Creek.

Crooked Creek camp was the most beautiful camp at Philmont. Here we had another log cabin to build and held a Scout Field Day, which included such events, as log chopping, tree felling, knot tying, first aid, horseshoe pitching, races, Dutch oven cooking, and rope throwing.

From Crooked Creek we went to Clear Creek Mountain. This is one of the taller mountains in the United States, elevation 12,600 feet. About half way up the mounain it began to hail and sleet, when we reached the top we slept there for the night with only our sleeping bags to protect us.

The next morning we arose early to see sunrise and the surrounding area. It was truly a spectacular sight, one can see five states from the top.

Our next camp was Aspen Springs, where we were to sleep in caves. We were allowed to pick any cave within a quarter mile radius. Some of them were just overhanging ledges, but they served their purpose and were quite comfortable.

After six days at Aspen we prepared for a long 23 mile hike over some of Philmont's roughest land. We made the hike in six hours and forty-one minutes, a new record.

This Sioux Camp was our last one, and most of the time was spent earning Philmont awards and washing clothes. The next to the last day we had an adventure trail which consisted of all the things we had been taught, and the following day we had our tests and Buffalo Banquet.

I thought my trip was wonderful and it is my opinion that there is no finer scouting experience, and I would gladly go back to Philmont anytime.

LEGION AUXILIARY ELECTS OFFICERS

Mrs. Kenneth Herrick, president of the Auxiliary of Underwood-Orr Post of the American Legion conducted the first meeting of the new season at the Memorial Home, Monday evening.

During the business meeting these officers were elected for the coming year: President, Mrs. Vern Manwaring; first vice president, Mrs. Harold Easton; second vice president, Mrs. Robert Lowe; secretary, Mrs. Donald Woods; coresponding secretary, Mrs. William Powell; treasurer, Mrs. Richard Eggleston; chaplain, Mrs. Lyle Grigg; historian, Mrs. Louis Schneider; sergeant at arms, Mrs. Dwight Drake, and as a new member of the executive board, Mrs. Charles Osburn.

A report of the proceedings of the state convention of the Legion held in Detroit was given by Mrs. Donald Woods and announcement was made of the TB chest X-ray program to be held in Tecumseh Sept. 15 to 21, with a request for volunteers to assist Hospital Auxiliary members on those days.

Refreshments were served after the meeting by Mrs. Patsy Baird and her committee, Mrs. Jan Kachur and Mrs. Leland Cheever.

A special meeting will be called on Sept. 21 for installation of new officers.

ANNOUNCE OPENINGS AT POST OFFICE

A civil service examination for probational appointment to positions of substitute clerk and substitute carrier at the local Post Office has been announced by Postmaster Jack Metcalf. Present pay rate for both jobs is $1.61½ per hour.

Competition in this examination is restricted to residents of Tecumseh between the ages 18 and 50. A written test is required of all applicants.

Full information can be obtained from Postmaster Metcalf.

RESUME MEETINGS

Tecumseh's Underwood-Orr American Legion Post will resume meeting tonight at 8 p. m. after a three month's summer recess. Reports on the state convention and installation of new officers will highlight business.

SAVINGS BRANCH HEAD MOVES TO TECUMSEH

John Surratt, Tecumseh branch manager of the Adrian Federal Savings and Loan, has moved into the old Fred Wood house, 203 N. Union.

The brick house, long a landmark at the corner of Logan and Union, has been occupied by the Frank Fairbanks family. Mr. Fairbanks has purchased a home at 110 N. Maumee from George Seitz.

Mr. Surratt will head the local Savings & Loan office which will be constructed this fall at 140 W. Chicago, next to Schneider Bros. garage.

Heat Limits Early Indian Grid Drills

COACH LES RUNK HAS 59 CANDIDATES OUT

It was too hot this week for 59 hustling Indian gridmen to think long about the eleven "wide open" posts on this fall's Tecumseh football team.

Coach Les Runk smiled with satisfaction as he looked over the record turnout of 59 pigskins at opening day drills Monday. He saw a light, fast team in the making which will run from a single wing formation.

Assisting the chunky grid mentor are Carl Hale and Don Brazee. Practice continues twice daily this week and every afternoon at 4:00 after school opens prior to the first game at Addison Sept. 18. The Indians play four at home, four away.

Candidates who have already joined the Indian grid camp are Bill Brown, Bill Benham, Jim Bowser, Doug Hooten, Roger Butler, Chas. Phillips, LeRoy Betzoldt, David Scutt, Bob Benham, Tom Baldwin, Marvin Yoakum, Bud Hoffman, Max McLaurey, Tom Neitling, Jim Purkey, Bruce Packard, Don Partridge and Chuck O'Neil.

Jim Whitecotton, Jerry House, Dennis Farley, Clarence Harvey, William Spreeman, Bob Manley, Phil Stutsman, Glenn Haviland, John Cadmus, Tom Maupin, Larry Hooten, John Arft, Jack Purcell, George Tilton, Norbert Marsh, Harry Withrow, Ray Larned, Dean Andrews, Jim Armstrong and Barry Packard.

Gary Cameron, Ronnie Mikesell, Edwin Covell, Bill Hanson, Ray Nichols, Jim Jackson, Bill Newell, Carles Foreman, Neil O'Hara, Ronald Gurtzweiler and Oleg Michajlenko.

William Tilton, R. Aylesworth, Bill Every, Jim Mack, Warren Naugle, Jim Dewey, Ely Vanderpool, Joe Gregory, Albert Hart, Harlan Yenor.

Schedule:

Sept. 18 — At Addison
Sept. 25 — Hudson here
Oct. 2 — Monroe C.C. here
Oct. 9 — Morenci there
Oct. 16 — Open
Oct. 23 — Hillsdale there
Oct. 30 — Clinton here
Nov. 6 — Blissfield there
Nov. 13 — Bedford here

ATTEND TOURNAMENT

Harold Hall, C. R. Dustin, Gary Hall, John Damon, Bob Williamson and Fred Cooley were in Pontiac, Sunday for the State Field Archery championship tournament. Mr. Cooley took first place in the bowman free style event and Mr. Williamson third place. Mr. Cooley's score was among the four highest and he was placed on the Lenawee archer's team, which won first place in team championship.

Increased Enrollment For Opening Classes At Britton-Macon Ag School

Enrollment went up from 50 to 60 students Tuesday as opening classes were held at the Britton-Macon Agricultural school.

After a pre-school instruction session for teachers Monday under the direction of Supt. Rudolph Koczman, classes officially got underway Tuesday with the addition of 10 students. School will be recessed for Labor Day.

Members of the Britton-Macon high school faculty are William Saxton, principal and coach; Russell Spalding, agriculture; Miss Patricia Hovis, homemaking; William Redson, industrial arts; Miss Hallie Mehler, science and mathematics; Alvin Geierman, English and Latin; Richard Lower, band and vocal music; John Swain, social studies and coach; Hazen Jewell, commercial; Miss Edith Buffett, girls physical education; Richard Redd, art and sixth grade; Mrs. Marion Barrett, fifth grade; Miss Mary Pritchard, fourth grade; Mrs. Geraldine Beal, third grade; Mrs. Anna Smith, second grade; Mrs. Lillian Kniffen, first grade; Mrs. Lillian Miller, kindergarten and Mrs. Herbert Woodall, assistant music instructor.

Clarence Hereford is the president of the Board of Education and Clare Griffin is president of the alumni association. Mrs. Mildred Bauer, R. N., is consultant nurse.

The new elementary building was put into use last year. The high school is a one year approved school and has been on the accredited list of the University of Michigan since 1936. The school will continue to participate as a member of the National School Lunch Program. At present, the school has a fleet of five buses used to transport students to and from school.

Departments of the school include mathematics, commercial, home economics, social studies, science, English, language, industrial arts, vocational agriculture, athletics, music, physical education for girls, public speaking and journalism. The last three departments are new this year.

This year Britton will have a football team and a tentative schedule includes Ida, Deerfield, Petersburg, St. Mary's, Adrian, Boysville and North Adams.

Other organizations at the school include the FFA, the Brittonian, the school annual, student council, Girls Athletic Club and the Reflector, the school paper.

Final Plans Revised For School Opening Tuesday

Final plans are only tentative plans as far as Supt. James McDowell is concerned, but in the case of school opening Tuesday, they are final enough to get Tecumseh's intricate wheels of education rolling for at least the beginning of another academic year.

Here is a last minute run-down of instruction from the superintendent's office to the army of some 1500 boys and girls who will cease vacationing Tuesday and take-up where their studies left off last June.

Students in grades seven through 12 are to report to the high school building on Maumee street at 8:30 a.m. Tuesday, September 8.

12th grade boys report to Room 5
12th grade girls report to Room 6
11th grade boys report to Room 10
11th grade girls report to Room 29
10th grade boys report to Room 1
10th grade girls report to Room 24
9th grade boys report to Room 25
9th grade girls report to Room 23
8th grade boys report to Room 27
8th grade girls report to Room 22
7th grade boys report to Room 26
7th grade girls report to Room 28

HIGH SCHOOL

Students are to be prepared to pay their book rental fee at the opening session on Tuesday:

Grades 7 and 8	$4.00
Grades 9 thru 12	$5.00

Students will remain in school the entire day as classes will meet in regular session.

The school cafeteria will be open for lunch Tuesday noon.

GRADE SCHOOL

Due to the fact that the Patterson school will not be ready for the opening of the school year, it is necessary to revise the schedule of classes given out last spring. Below is the new schedule for all grade teachers:

Kindergarten
Mrs. Updike—new room, new high school
Mrs. Heimerdinger—Brownville
Miss Bugbee—West Branch

First Grade
Miss Steinhoff—West Branch
Mrs. Faling—Library basement
Mrs. Neitling—Central school—Room 103
Miss Warner—Central school library—Rom 301
Mrs. Schlater—Central school—Room 305
Mrs. McFerran Beitelschies—Central school—Room 313

Second Grade
Mrs. Garlick—Central school—Room 204
Miss LaPointe—West Branch
Mrs. Puffer—Central school—Room 201
Mrs. VanWinkle—Central school—Room 200

Third Grade
Miss Baker—Central school—Room 208
Mrs. Illeck—Central school—Room 203
Mrs. Vallie—Central school—Room 207

Fourth Grade
Mrs. Colson—new room, new high school
Mrs. Whiting—Central school—Room 310
Mrs. Baily—Central school—Room 312

Fifth Grade
Mrs. Osburn—Central school—Room 205
Mrs. Runk—Central school—Room 303
Mrs. Uckele—Central school—Room 300

Sixth Grade
Mr. Kaiser—new room, new high school
Mr. Kelty—Central school—306-7
Miss Hopkins—Central school—Room 308

Special
Mrs. Buttolph—Central school—Room 105
Mrs. Schippers—Central school—Room 302
Mrs. Westdyke—Central school—Room 102

KINDERGARTEN SCHEDULE

Brownville
A.M.—Bus children (Tecumseh Acres)
P.M.—Brown St., Herrick Park, North Union, north of Brown

West Branch
A.M.—South of Chicago, west of Evans
P.M.—South of Chicago, east of Evans

High School
A.M.—South of Brown, west of Evans, north of Chicago
P.M.—District 9, south of Brown, east of Evans, north of Chicago.

The hours of school for the kindergarten will be:

Mornings — 8:30 — 11:00
Afternoons — 1:00 — 3:30

Children who have not previously enrolled may do so at the Central school office Tuesday, September 8.

School will be in session all day Tuesday, September 8.

BUS SCHEDULE

Bus schedules are only tentative and the time at which the bus will be passing to pick up children is as yet undetermined. Children who wish to ride the busses please keep watch for same first few days after which the busses will be on regular time schedules. Trips, subject to change at any time, will begin as follows:

Trip No. 1—Peck—Billington's to Occidental to Russell—to Adrian to school—(no kindergarten from Tecumseh Acres) to Central.

Trip No. 2 — Peck — Occidental to Shady Lane—down Murray Drive to Adrian St. to Brownville, Central and High school.

Trip No. 3 — Tatar — Start Paul's Trailer Camp—North Union to Brown to Clinton Rd. to Aebersold Market to Macon Rd to Murphy Rd. to Milwaukee Rd. to high school and Central.

Trip No. 4 — Tatar — South Maumee to Russell Rd. to Occidental to Brownville, High school and Central.

Mr. Peck will drive kindergarten pupils home at noon, leaving at 11 a.m. Children living on South Union, more than one mile from the school which they are to attend may ride bus by walking to the corner of South Union and Russell Rd. for Trip No. 4. Children on West Brown living more than one mile from school will walk to the corner of Brown and North Union for ride to school.

HEAT WAVE DROPS WATER LEVEL TO DANGER POINT!

Two weeks of near 100-degree temperature weather have increased Tecumseh's water consumption to the point that the pumping level at the supply wells has reached the low danger level, officials reported Wednesday.

At the same time they asked commercial and residential water users to "conserve water whenever and wherever possible for the duration of the heat wave."

Engineer Ed Nelson and Supt. John Kopka left Wednesday for a state-wide meeting of municipal authorities after issuing a plea to Tecumseh for conserving every possible drop of water.

Daily consumption has surpassed all previous marks during the past two weeks.

Fund Drive Staged By Outdoor Group

CONSERVATION LEAGUE BUILDING CLUB GROUNDS

Tecumseh's Conservation League is actively raising funds through contributions to pay for club grounds located on 80 acres recently purchased two miles north of the Pink school near Tipton.

The league's many accomplishments include tree planting, soil testing and general promotion of conservation and wildlife measures. At the grounds a trap shooting course is under current construction, as are rifle, pistol and bow and arrow ranges.

On Nov. 10 a first annual banquet is planned. A fish supper will be served at the Grange hall and swiss steak at the Baptist Youth House. A program will follow with Mort Neff from Detroit speaking at the Union Hall.

Roger Smith is president of the local league, Frank E. Lasky, vice-president; Delbert King treasurer and Jim Smith, secretary. Members of the board of directors are Stanley Rentschler, Darwin and Don Creger, Lowell Wise and Ira Montague.

FUND BOARD TO MEET

The annual meeting of the board of the Tecumseh Community Fund will be held September 14, at which time it is announced the budget for the ensuing year will be made out.

All organizations who receive contributions from the fund and who have not yet submitted their budget requests, should send them at once to the chairman, Mrs. Frank K. Smith.

CORRECTION

A. C. Hamaker, not John Boldon as published in last week's issue of The Herald, asked the Village Council on Aug. 24 to consider an ordinance prohibiting further U-turns on Mill street.

School Bells Ring For Rural Students

CONDITIONS NORMAL IN SIX AREA SCHOOLS

School bells have already rung for a few of the boys and girls in neighboring districts of Tecumseh. Most of the rural schools in the area do not begin activities until after Labor Day but the Newburg school opened Monday and with a new teacher, Miss Margaret Halley, who lives nearby. The Culbertson school on the Macon road also has a new teacher, Mrs. Evelyn Le Fevre, and expects a crowded schedule with perhaps as many as fifty pupils.

South of Tecumseh in Raisin township even more boys and girls, probably 60, will greet the two teachers at Raisin district No. 5, the Colvin school. Mrs. Renfro of Adrian and Mrs. Ralph Young, who lives on Dinius Road, will teach there in the regular schoolroom and in the improvised, though adequate room that has been constructed in the basement.

There is less congestion in the Lanning district in Raisin. Mrs. Llewellyn Sisson of Tecumseh will be at the desk she has occupied for a number of years. Similiar uncrowded conditions will be found at the Centennial school on the corner of Bihlmyer highway and Ives road in Raisin. This building was completely renovated by Henry Ford as one of his projects and there is an additional structure that can be used in case of more pupils. Mrs. Louise Vaughan will teach there this year.

The trim brick building on M-50 west of Tecumseh, known as the "Pink School" has a normal quota of students this year and will be under the direction of Mrs. Raymond Marrow, who lives on a neighboring farm.

There were ten rural schools within the area covered when the original districts were laid out. Four of them, the Comfort, Waring, Waldron and Gillespie schools have been abandoned, some by consolidation and some by inclusion in the Tecumseh system, but the remaining six are beginning a new year under good conditions.

LOCAL MEN AMONG GUARDS AT CAMP

A number of Tecumseh men were among the National Guard troops who trained during the past two weeks at Grayling.

From Adrian's Company B, 126th Inf., were Douglas Aylesworth, Victor Lawson, Joe Gregory, Lowell Kelley and Elroy Vanderpool.

Also in camp were the following who belong to Ypsilanti's 46th Signal company, Jim Rohrer, Jerry Smith, Dick Schoolmaster and George Ruhle.

GIVE FULL REPORT

Simply tell the operator, "I have a fire to report" if you are the first to see a blaze. An attendant is on duty at the fire station 24 hours a day. Tell him your name and exact location of the fire, then stand by to assist in directing the fire trucks.

Seven recent fires brought a warning to Tecumseh to take every precaution during this hot, dry season where the countryside is dangerously tindered.

Quiet Labor Day Celebration Here

Tecumseh will take a day off Monday to honor its working men.

A legal holiday, Labor Day annually falls on the first Monday of September and has grown to signify the end of summer's holiday season and the beginning of school again. Fall actually starts Sept. 23. School opens Tuesday the day after Labor Day as families migrate back to town from the lakes.

In Tecumseh, where labor and capital have been combined during recent years for a remarkable community growth, there is no particular celebration for the event. Business firms, professional offices and industrial plants will be closed for the long weekend. The Post Office will be opened from 2 to 4 p.m. Monday for boxholders, there will be no window service.

Labor Day was started by the Knights of Labor in 1882 and has become an American tradition.

Butler-Smith Play In Golf Finals

C. O. "Chuck" Butler, veteran of many seasons on the golf links and first Tecumseh Country Club champion of 1949, will match shots Labor Day with a younger Kirk Smith for the club's '53 title. The pair go out for 18 holes at 9 a.m. Monday morning and then return for a final 18 at 2:00 in the afternoon.

To reach the finals, Smith beat Bobby Moore 11-up, 10 holes to go while Butler edged Tom Rohweder 2-up.

Other club champions have been Vince Haight in 1950, Fred Fisher, '51 and Jim Wilson, '52.

Also on Labor Day Mrs. Hal Kelso and Mrs. R. H. Moore play for the women's championship. They go out at 9:40 and 2:40.

A number of other flights will also be completed during the day. A large gallery is expected to follow Butler and Smith.

In recent activity at the local club, Barbara Ousterhout won a girl's tournament with a low net of 35. Linda Hanna and Janice Osworth tied for low gross with 56 each. Martha Owen finished with a 57, Sherry Tucker, 64 and Joyce Schaible, in her first year of playing, 79.

Junior Lopez and Rudy Lopez will clash in a brother act for the caddy championship.

A lady-caddy tournament, a member-caddy day and President's Day are all being planned in the future by Pro Leo Bishop.

Editorials

SCHOOL DAYS AHEAD — To many a freckle-faced youngster September is a foreboding sound. For it is in this month that complete freedom dies for millions of boys and girls, and the schoolroom curriculum once again demands its place in their lives.

To the youngster who roamed the hills with an adventurous spirit during June, July and August, this confinement often comes hard. To the freckle-faced lad who spent his time swimming in that nearby stream or lake, or hiking through the woods, or just lying on the bank of some stream waiting for a fish to bite, looking up into a summer sky, school is the worst of all of mankind's inventions.

To most young girls, the catastrophe of reopening schools is not as grave a matter. Somehow, as is the case with their mothers, the female sex seems to adjust to shock more easily.

But the consolations which come with school and September are many. For one thing, football is just around the corner and the first crisp days of Autumn follow closely behind.

To that youngster who hunts over hills and valleys, colored in brilliant fall hues, the first cool days remind him of the smell of gunpowder, and the taste of quail or pheasant. And then, with September and the cooler weather, come either thoughts of the first snow of the year, or Thanksgiving or Christmas.

And, despite the tremendous grief at the arrival of September, the consequences are neither serious or long-lived. But, if it is any consolation, lads, father, and most of the red-blooded men around (and maybe mother), long ago suffered the same emotions. They faced the threat of education with a stiff upper lip.

Letters To The Editor

Editor, The Herald:

This probably won't rate the front page, but there are a great number of us that hope that it does. It is about time to give our Tecumseh school band leader a little recognition. Nothing is ever said about what has been done or is being done with the boys and girls of Tecumseh who are band participants or aspirants.

Does anyone know just how many years it takes to build up a good band? Just ask our very able band leader and he will tell you some interesting facts.

When our band leader Bob Peck came here two years ago he had to start practically from scratch as there was nothing left of our so-called band except a few struggling players who couldn't even play the "National Anthem." Under Mr. Peck's enthusiastic leadership, our band is gradually making a place for itself. In fact, in the near future when Mr. Peck's prodigies from the lower grades are old enough to play in our high school band, our band will be as good as any in the county.

We are back of you, Bob Peck!

Bunny Clark
(Mrs. Harold Clark)

o

Editor, The Herald:

To those elected to office, the annihilation of the human race is at hand.

The race for greed and superiority has crushed out sensibility and cleanliness of heart, which can only be regained through a Godly miracle.

This miracle would have to strike and change the heart of men with a force as jarring as our atomic blast. Now, the only force which would touch the hearts of thousands upon thousands would be the return of Jesus Christ.

There is still time for level Christian thinking, and for man to exert his will to live accordingly. We must each make an all out effort to change the hearts of men bent to force their will upon their fellow men otherwise our generation will see a ghastly end.

For the skeptic who believes not in God and accepts only one side of an issue is truly not an American or a child of God, because it is both sides of an issue that comes to a truthful result, forcing anyone to do ones will is truly Communistic, in nature, not American.

Men are elected to office by the people to exercise the people's will, not their own, that is the Democratic way.

Whether it's a skeleton in the closet or fixing voting machines those who profess righteousness and do evil travel in their own cesspool of rotten corruption and die in their own filth.

But if we do good for our neighbor we follow the pattern of Liberty and Justice for all, and friends grow like the crops in the fields, that is what makes a strong America, State, City or Village or even an individual.

Which way the trend goes is the fate that we will have to accept, and it is time each one of us start eliminating the cobwebs from our mentality if we Americans wish to survive.

C. C. Richard

o

Editor, The Herald:

The following poem was written with the drive to keep Tecumseh's streets clean in mind:

Oh what litter on the lawn
Is scattered oft from dust til dawn!
Empty Dixie cup and spoon,
And nearby a toy balloon,
Wrecked and broken lies forlorn
Of its flying power shorn,
Bits of gum and candy wrapper
Tossed aside by teen-age flapper
And the sticks that once did know
The cooling pie called Eskimo.

Orange and banana skin
May cause a fall and bark a shin.
Paper bags and cellophane
Look most untidy in the rain.
Oh, why do we from day til night
Make lawns and sidewalks such a sight!
Cardboards torn from cartons many
Do not adorn the landscape any.
Scraps of foil and torn sales slips,
Papers showing bargain tips,
Stubs of tickets from the show,
Not old or young should ever throw.
If there were containers neat
On the corners of the street
Would we use them
Or abuse them?

Local Topics

Mr. and Mrs. Leon Williamson and Mr. and Mrs. A. A. Musch are vacationing this week at Grand Marais. The Williamsons will spend the Labor Day weekend with their daughter and family, Mr. and Mrs. Don Woodbury at Peck, Mich. Mr. and Mrs. Musch will be Labor Day guests of friends in Grayling.

Todd Herrick has returned from Camp Al-Gon-Quain, Burt Lake, where he attended the entire camp session of eight weeks and received awards in horsemanship, canoeing, handicraft, archery and outdoor camping. On his way home, he visited his grandparents, Mr. and Mrs. R. W. Herrick, who are spending the summer at Macatawa. Todd is now with his parents, Mr. and Mrs. Kenneth Herrick at their cottage at Wamplers Lake.

Beth and Geneva Satterthwaite and their guest, Mrs. David Yarnell of Philadelphia spent part of last week in Canada, near Exeter, Ontario. They visited friends of Mrs. Yarnell.

Mrs. Hoyt Whelan left last week on a month's trip to the west coast and Hawaii. Much of her time will be generously given to attending the National Hospital Association convention and a meeting of the National Association of Hospital Auxiliaries in San Francisco for the benefit of the local hospital board of which she is a member.

Mr. and Mrs. Elwin May and family of Muskegon are visiting her parents, Mr. and Mrs. Russell D. Hall of Herrick Park.

Mr. and Mrs. James Heflin and family spent a few days last week at Trout lake in northern Michigan.

William Peacock was in Detroit on business Friday.

A. C. Hamaker and John Saum were in New York on business a few days last week.

The Misses Meta, Rose and Mildred Windemuth and Mrs. Ralph Stepan all of Fort Wayne, Ind., were Tecumseh visitors last week, coming to see Miss Phoebe Wagner.

Albert Taylor of Boston was a weekend guest of Miss Ilene Beach at the home of her parents, Mr. and Mrs. Clarence Beach. He is stationed at the Boston Naval Yards.

Mrs. Alta Boyce and Mr. and Mrs. Wilbur Boyce and family attended the 50th wedding anniversary of Mr. and Mrs. Ray Gilmore of Macon, Sunday.

Members of the Garden Club have received an invitation to attend a Flower Show of the Farmington Garden Club to be held at the Methodist church September 11.

Mr. and Mrs. Winfield Phelps of Howell were Saturday guests of Miss Mary McWilliams.

Mrs. O. W. Laidlaw, accompanied by Mrs. Floyd Elliott, drove to Milford last week to visit her son and family, Mr. and Mrs. David Laidlaw. She brought her twin granddaughters, Ayesha and Linda home with her for several days visit.

Mr. and Mrs. Edward Boss were guests for part of last week at the Lake Huron cottage of Mr. and Mrs. Frederick Rhines and family near Oscoda. Mr. Rhines, whose home is in Pittsburgh, is an old college friend of Mr. Boss.

Jerry Barton, son of Mr. and Mrs. James Barton has been on crutches for nearly two weeks because of a broken foot sustained while working at a draining operation on the D. D. Walper farm.

Mr. and Mrs. E. C. McConnell have returned from two weeks in northern Michigan. With Mr. and Mrs. Dodge of Mio they toured the upper peninsula and during the second week Mr. and Mrs. Ned Lanning joined them at their cabin at South Branch.

D. D. Walper has returned from St. Joseph hospital in Ann Arbor where he went for a week's observation and treatment following a sudden illness at his Wamplers lake cottage.

Mr. and Mrs. W. G. Waldron spent several days this week with their daughter and family, Mr. and Mrs. William Munn of Princeton, Ill. Mr. Munn was seriously injured in a motorcycle accident some months ago and his leg is still in a cast. It is anticipated that it will be another month before he will be able to walk.

Miss June Norton of New York City has been a guest of Miss Geneva Satterthwaite over the past weekend. Mrs. David Yarnell who spent the month of August in the same home returned to Philadelphia, Tuesday.

Mr. and Mrs. Edward Swartz came from Indiana the last of the week to visit VanValkenburg relatives in this vicinity for several days.

Harold Anderson, who moved to Clark Lake this summer, was a patient at Herrick Memorial hospital part of last week, following a back injury. He returned home Saturday but will be confined to his bed for some time.

Robert Bailey left Monday for Sault Ste. Marie to resume his teaching work. He has been home for a few weeks after attending summer school at Ypsilanti.

Mrs. Kenneth Davison was in Romeo last Saturday evening for the wedding of her cousin Elizabeth Wyss and John C. Gee which occurred at the Romeo Episcopal church at 4 p.m. She also attended the reception given later for the wedding party at the Arnold Wyss lodge at Capac.

Kent Davison, son of Mr. and Mrs. Kenneth Davison will leave September 10 for Howe Military School at Howe, Ind.

Mrs. Royce Beal and two children of Ann Arbor spent part of last week at the home of Mr. and Mrs. Clyde Bailey.

Mrs. R. G. Adam of Butte, Montana, Mr. and Mrs. Howard Adam and two children of Lakeland, Fla., A. A. Davis of Chicago and Mrs. F. B. Thompson of Detroit were guests of Dr. and Mrs. E. E. Davis the last of the week, coming for the wedding of Katherine Davis and George Adam.

Those attending the Aebersold-Maze wedding in Pontiac, Saturday evening from Tecumseh and vicinity were Mr. and Mrs. E. J. Aebersold, Mrs. Lloyd Aebersold and sons, Gerald and Frederick, Mrs. Charles O'Neill and son, Charles, Mr. and Mrs. Keith DesErmia, Mr. and Mrs. Noble Gregg, Mr. and Mrs. Charles Aebersold and Donald Aebersold, all of Tecumseh; Mr. and Mrs. Seaton Dove, Mrs. Jennie Lewis and Mr. and Mrs. Dorman Skeels, Adrian, and Miss Helen Kinetz, Deerfield. Mr. and Mrs. Henry Karl Smith went to Pontiac, Friday for the rehearsal dinner and remained for the ceremony and Miss Mary Gregg, aunt of the groom, came from Washington and was a guest of Mr. and Mrs. E. J. Aebersold, going to Pontiac with them.

Mrs. Carl Burch has been confined to her home by illness for the past week.

Mr. and Mrs. Forest Abner entertained thirty relatives and friends Sunday afternoon in honor of the 40th wedding anniversary of Mr. Abner's parents, Mr. and Mrs. G. A. Abner. Mrs. George Meads, a daughter of Mr. and Mrs. Abner, baked and served a three-tiered wedding cake for the occasion. Guest were from Monroe, Pioneer, Ohio, Blissfield and Clinton. Mr. and Mrs. Abner were presented with many lovely gifts.

Mr. and Mrs Marvin Johnson and children, Ronnie and Marilyn and Mrs. Arthur Gray left Monday for Centralia, Ill. to visit Mr. Johnson's sister and family, Mr. and Mrs. Don Mitchell for the remainder of the week.

Mrs. Mae Parks left Tuesday for Detroit and from there will go to West Haven, Conn. where she will be a guest of her niece and family, Mr. and Mrs. R. D. Banta. Mrs. Banta is the former Marie Despelder.

Adam - Davis Vows Exchanged

A wedding of dignified simplicity united Katherine Alice Davis, only daughter of Dr. and Mrs. E. E. Davis of Tecumseh and George Roscoe Adam of Butte, Montana, Friday afternoon at 4:30 at the Presbyterian church A former classmate of the bride, Mrs. Joseph R. Matsen of Ann Arbor was matron of honor, while Howard Adam of Lakeland, Fla. attended his brother as best man and Paul Roten of Sioux Falls, S. D. and Conrad Welke of Ann Arbor were ushers.

The double ring service was read by the Rev. George Walworth before an altar of white gladioli and lighted candles and Mrs. Frederick Dickinson played the impressive nuptial music as the bride entered the church on the arm of her father.

Her gown of lace over satin was ballerina length and made with a jacket which had a high collar and long pointed sleeves. A beaded tiara held her fingertip veil and she carried a lace covered white Bible trimmed with phalaenopsis orchids and stephanotis, with streamers of white satin.

Mrs. Matsen's gown was of royal blue organdy with an applique of velvet flowers at neckline and on the skirt. She wore a matching headband of velvet and carried a cascade bouquet of white mums with Pinocchio pom-poms varied by rosettes of irridescent blue maline.

A reception for 100 guests was held in the Fellowship Center, where Mrs. Howard Adam of Lakeland, Fla. cut the three-tiered wedding cake, which was encircled by white pom-poms and topped by a miniature bride and groom. Mrs. C. Welke of Ann Arbor served punch and Miss Anne Hutton of Ann Arbor had charge of the guest book.

The son of Mr. and Mrs. R. G. Adam of Butte, the groom is a graduate of Butte high school and has his B.A. degree from Western College of Education at Dillon and M.A. from the University of Michigan. He is a veteran of World War II, and a teacher in the Butte schools.

The new Mrs. Adam graduated from Tecumseh high school and from Cleary College in Ypsilanti and has been employed at the University of Michigan. Their home address will be 3115 Paxson Ave., Butte, Montana.

In Testimony Whereof, I have hereunto set my hand and affixed the seal of said Circuit Court this 19th day of August, 1953.

R. B. King, Clerk.

STATE OF MICHIGAN
CIRCUIT COURT FOR THE COUNTY OF LENAWEE
In Chancery

ROBERTA B. GREENMAN, (formerly known as Roberta B. Lupton)
Plaintiff
vs.
ORDER OF APPEARANCE

W. J. C. HASTINGS, and wife, NANNIE, CHARLES F. HASTINGS, and wife, ANNA, JOHN R. HASTINGS, and wife, MINNIE, NELLIE LAWRENCE, MARTHENA MOSHER, MARY MILLER, JAMES B. HUNTER and JOHN HASTINGS, or their unknown heirs, devisees, legatees and assigns, and all persons who might claim under the persons named, any dower or homestead right whether vested or unchoate, at the time of beginning such suit or proceeding.
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian in said County on the 19th day of Aug., 1953.

PRESENT: Honorable Henry I. Bourns, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Roberta B. Greenman attached thereto, from which it satisfactorily appears to the Court that the Defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties Defendant in the above entitled cause, and

It further apeparing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said Defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said Defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of J. C. Beardsley, Attorney for Plaintiff, it is ordered that said Defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns.

Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the west 10 feet thereof.

It is further ordered that within forty days Plaintiff cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

Henry I. Bourns
Circuit Judge
R. B. King
Clerk of Circuit Court

Take notice, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Village of Tecumseh, County of Lenawee, State of Michigan, described as follows, to wit: Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the West 10 feet thereof.

10/1 J. C. BEARDSLEY.

CHARLES S. NOBLES BURIED SATURDAY

The funeral of Charles S. Nobles, who died August 26 at the Parrett Nursing Home was held Saturday at 2 p.m. at the Green Funeral Home, the Rev. George Walworth officiating.

Mr. Nobles, 85, was born in Macon, the son of James and Lydia Vosburg Nobles and had lived in this vicinity all his life, being a farmer and later a carpenter. He was a member of Tecumseh lodge F. and A. M.

He was preceded in death by his wife, the former Ann Hendershot; three brothers, Gaylord, William and Frederick, and two sisters, Mrs. Louise Sisson and Miss Nell Nobles. Survivors are two sons, Raymond of Litchfield and Fred of Tecumseh and several nieces and nephews.

Members of the local Masonic lodge attended the services in a body and the bearers were also Masons, Victor Gillespie, Ray Schlegel, Roy Titley, Kenneth Hall, Ted McConnell and Howard Wilson Jr. Masonic services at the grave in Brookside were conducted by Ray Schlegel and Howard Wilson Sr.

Human beings are different and no rule can be applied to them en masse.

Miss Maze Bride Of William Aebersold

The Central Methodist church of Pontiac was the scene of an evening wedding Saturday when at 8 p.m. Mary Ruth Maze became the bride of William Aebersold, son of Mr. and Mrs. E. J. Aebersold of Tecumseh. The Rev. Walter C. B. Saxton of Sault Ste. Marie, uncle of the bride, read the single ring service before an altar banked with white gladioli and palms.

Miss Maze was given in marriage by her step-father, M. E. Baldwin, and her matron of honor was a cousin, Mrs. Harold W. Lankey. Henry Karl Smith of Tecumseh, brother-in-law of the groom, assisted him as best man and four college friends, William Hillis of Flint, Richard Hawkins and Fred Millis of Pontiac and Robert Richards of Saginaw, were ushers.

The bride was lovely in a ballerina length gown of Chantilly lace made with matching jacket which had a Peter Pan collar and long sleeves. Her elbow length veil was caught in a lace headband and she wore a string of pearls brought by the groom from Korea. She carried a cascade bouquet of ivy and stephanotis, centered with a white orchid.

Mrs. Lankey wore white tulle with a bodice of yellow daisies and matching stole. She carried daisy mums and her headdress was of the same flowers.

A reception for about 200 guests from Chicago, Evanston, Sault Ste. Marie and Tecumseh was held at the church after the ceremony.

Mrs. Aebersold, the daughter of Mr. and Mrs. M. E. Baldwin, is a graduate of Pontiac high school and has been employed by the Pontiac Varnish Co.

Mr. Aebersold, a veteran with the 12th Infantry in Germany and the 31st in Korea, is a graduate of Tecumseh high school and Adrian College, and will teach in the Waterford Township consolidated school. They will live in Pontiac.

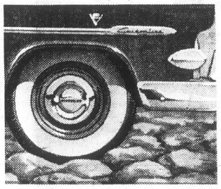
PLUMBING–HEATING
—FOR—
SERVICE

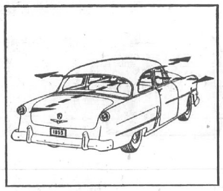
Look what your FORD dollar buys!

Check the features below against any car in the low-price field and you'll see why Ford's worth more when you buy it...worth more when you sell it.

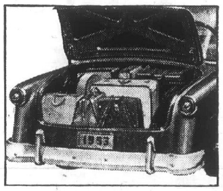
V-8 POWER is yours in Ford—but not in other low-priced cars. It's the product of Ford's experience in building over 13,000,000 V-8's! Ford's high-compression, low-friction Mileage Maker Six with Overdrive, is the Economy Sweepstakes winner.



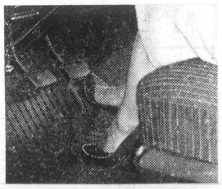
ROAD-LEVELING RIDE reduces front end road shock alone up to 80%. Wide front tread, diagonally-mounted shock absorbers take tilt out of turns. You'll discover in the '53 Ford that a car need not be excessively heavy to ride smooth as silk.



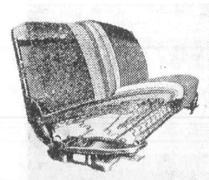
FULL-CIRCLE VISIBILITY is yours in Ford. With huge, curved, one-piece windshield, car-wide rear window and "picture windows" all-around, Ford has more "look out" area than any car in the low-price field. I-REST tinted glass also available.



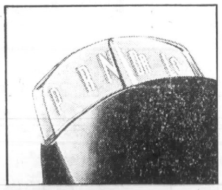
ROOMY TRUNK is one suitcase bigger . . . bigger than any other luggage compartment in Ford's field . . . bigger than you'll find in many of the expensive cars. With Ford's Center-Fill Fueling, there's no long gas-fill pipe to eat up your trunk space.



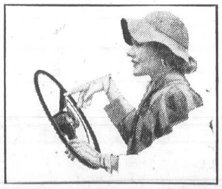
SUSPENDED PEDALS make braking and clutching easier . . . allow more clear floor space . . . eliminate dusty, drafty floor holes. This feature, exclusive to Ford in its field, permits dash-mounting of brake master cylinder for easy accessibility.



FOAM-RUBBER CUSHIONS over non-sag springs in Ford's sofa-wide seats make even long trips a treat. And you'll find that *only* Ford in the low-price field offers this fine car feature as standard equipment on both front and rear seats in *all* models.



FORDOMATIC DRIVE—an optional extra—is really *two* automatic drives in *one*. It has a fluid torque converter for smooth, steady power flow. It has automatic gears for greater "get-up-and-go." Ford also offers you Overdrive and Conventional Drive.



MASTER-GUIDE POWER STEERING—an optional extra on V-8 models—gives you the natural "feel" of steering on the straight-away yet takes the work out of turning. Absorbs road shocks before they reach the steering wheel—adds to safety.

If you're interested in A-1 used cars, be sure to see our selections.

Say You Saw It In The Tecumseh Herald

BRITTON

Mrs. Andrew Crutchfield
Correspondent

Friends in the vicinity will be interested to hear of the marriage of David R. Boyd, son of Mr. and Mrs. Leon Boyd and Mary Jacqueline Boone, daughter of Mr. and Mrs. Paul Boone, also of Detroit. The wedding took place Aug. 21 at 7:30 p.m. in the St. Andrew's Methodist church. Leon Boyd was formerly of Britton. Mr. and Mrs. Gladwin Boyd and Mr. and Mrs. Robert McCarbery attended from Britton.

Recent callers of Mrs. Minnie Gittus were Mrs. Earl Brehemer of Dundee and her guests, the Misses Nellie and Velma Budde of Stafford, Kansas.

Mr. and Mrs. Wilton Gittus and Sandra are visiting her parents at Conway, Mass.

Mr. and Mrs. Garfield Gray attended the 25th wedding anniversary of Mr. and Mrs. Leo Burnor Sunday afternoon in Adrian.

Mr. and Mrs. William Cundiff, Mr. and Mrs. Wayne Dunbar and son and Mr. and Mrs. Andrew Crutchfield and children attended, the silver wedding anniversary celebration for Mr. and Mrs. Leonard Cundiff at the home of their son-in-law and daughter, Mr. and Mrs. Leland Richardson near Adrian Saturday evening.

Ronald Croll, Jimmy Wood and Eddie Bock returned home Saturday from a trip through northern Michigan and the Wisconsin Dells.

Mrs. Amanda Price, Mrs. Camilla Downing, Mrs. Irma Brown, Mrs. Minnie Gittus and Mrs. Sophia Bailey attended Homemakers Camp, Friday at "Camp of the Hills" Wamplers lake.

The Misses Alta and Elva Cooper of The Plains, Ohio spent last week with Mrs. Ida Miller and they with Mrs. Harry Gill spent Wednesday with friends in Cone.

Mr. and Mrs. Clay Croll with Mr. and Mrs. Jesse Hodinott of Onsted were weekend guests of Mr. and Mrs. Roy Pates of Brown City.

Jimmy Dansforth Jr. who makes his home with Mr. and Mrs. Garfield Gray left last week by plane with his father James Dansforth Sr. and Mrs. Dansforth for Ft. Lauderdale, Fla. where they are vacationing for two weeks.

Marian Rieve has purchased the Neal Judkins house on Wells St. and hopes to be moved in by next Monday. Mr. and Mrs. Judkins and children are moving to the Eberhardt farm south of Britton.

Mrs. Charles Patterson has returned home from Herrick hospital where she has been a surgical patient.

Mr. and Mrs. A. R. Musson and children Diana and Lee of Rochester, William Morrell of Washington, D. C., Mr. and Mrs. Elwood Tucker and children Tommy and Tamara Sue and Mr. and Mrs. Lawrence Hoagland gathered at the home of Mr. and Mrs. Frank Hoagland Sunday for dinner. The occasion marked the 85th birthday of Frank Hoagland and the 79th birthday of Mrs. Frank Hoagland.

Mr. and Mrs. Lawrence Hoagland returned home Saturday night from a week's trip in northern Michigan, through the Porcupine Mountains and to Grand Marais.

Mr. and Mrs. William Cundiff with Mr. and Mrs. John Slick and sons of Ridgeway made a trip to Tecumseh, Ont. Sunday and on their way home called on Mr. and Mrs. Clair Slick and family of Dearborn.

Mr. and Mrs. Harley Kimerer with Mr. and Mrs. Clarence Herford recently returned from a three week's tour in the west.

Mrs. Lois Bilby of Jackson is visiting in the home of her nephew, David Cook and family. Henry Teachout of Detroit was a Sunday guest in the Cook home.

Mr. and Mrs. Fay Wiggins entertained at Sunday dinner Mr. and Mrs. Richard Wiggins and daughter Nancy of Wayne and Mr. and Mrs. Robert Mayfield and children of Ann Arbor in observance of the birthday anniversaries of Mrs. Mayfield and Richard Wiggins.

Country Club To Have Art Exhibit

SPONSORED BY CLUB'S WOMEN'S ASSOCIATION

The Tecumseh Country Club Women's Association is sponsoring an exhibition of paintings by Phyllis Shuenberger Peterson and Russell Steinke, to which the public is invited. The exhibition will be held Thursday, September 10 from 2 to 5 p.m. and from 7 to 10 p.m. at the Country Club.

Mrs. Peterson started painting at an early age under the instruction of Walter E. Baum, N.A. at the Kline Baum Art School in Allentown, Penn. She continued post-high school study at Moore Institute in Philadelphia where she completed a four year course in fine arts and illustration through a scholarship award. Her study at Moore was with numerous internationally known artists.

After graduation, most of her time and talents were spent not only painting scenery both inland and along the Maine and Massachusetts coast, but also many portraits. Her work has been exhibited in Philadelphia, New York, and other cities in the east. Mrs. Petersen's paintings have been purchased by many private collectors and individual art patrons from coast to coast. Her awards are numerous.

Russell Steinke decided upon a professional career as an artist only recently after taking prizes in the Southwest Artist Exhibition in Oklahoma in 1948 and 1949.

He has studied at the University of Michigan and for the past two years at the Art Student's League in New York City where he has been a student of Louis Bouche and John Carroll. He was invited by the Hudson Art Galleries of Detroit to give a one man show this past spring. His pictures have also been shown in exhibits at the Art Student's League in New York City; the Michigan Artist's Exhibit at the Detroit Art Institute and for several years in the annual show of the Ann Arbor Artist's Association.

Mr. Steinke's pictures have aroused great interest wherever they have been shown. A fine future has been predicted for him by his teachers and associates in his profession. He expects to return this winter to New York City, where he will continue to study aud prepare for his next exhibit.

Losses In Social Security Benefits

Thousands of dollars in Social Security insurance benefits are being lost yearly.

To workers who are now age 65 or over, there is an additional danger of this occurring because of the possibility of temporary lay-offs in local plants due to the recent General Motors fire. Most workers will expect to return to their former jobs and will not bothers to file an application for social security benefits, even though they could draw these benefits, while they also draw unemployment compensation.

Many workers think that both benefits cannot be drawn at the same time.

While most workers are limited to earnings of not over $75 per month when drawing benefits, workers age 75 or over, or workers in non-social security employment may get benefits regardless of their earnings.

"The best advice," R. C. Backus, regional manager, states, "is for any worker over 65 to contact his local social security office and get information." Then we can take whatever steps are necessary to protect the person's interest.

Other types of benefits that can be lost are widow's or children's when the widow or other person does not file an application soon after the worker's death. Any inquiries about benefits should be addressed to the Social Security Administration, County Building, Jackson.

Happiness is a state of mind—try to remember that when worried.

Makers of women's clothes can always change the style if sales drag.

New Telephone Directory
CLOSES SOON

Is your present listing correct?

If you wish to make any changes in your telephone listing, please notify our Business Office today. The new telephone directory goes to press soon. It is important to advise us of any additions or corrections promptly.

Do you wish to list others in your household?

More than one person can be listed on a telephone number, either business or residence. An extra listing for others in your family is convenient—particularly where relatives have different last names. You may also list other members of your business on your business telephone number.

The cost of a residential extra listing is only 25 cents a month.

TECUMSEH
HERALD

You're "sitting pretty" behind the wheel

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet *now!*

CHEVROLET

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

**Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.*

SCHNEIDER BROS. GARAGE, INC.

130-132 W. Chicago Blvd. Tecumseh, Michigan Phone 65

From our EARLY FILES

1883

Dr. Hause will go to Florida to engage in orange culture.

Tecumseh's quota in the September bond drive is $354,750.

Weight Guesser's Carnival at Wolf's

Amateur weight guessers are having a carnival in Tecumseh this week, competing with each other to estimate the exact weight of "Porkie," a frozen pig. Porkie is on display in a Ben-Hur freezer at Wolf's Appliance this week. He will be given away at 8:15 p.m. Saturday night to the first person who guesses his weight most accurately.

"Judges of the contest will have a difficult job," Clifford Wolf said, "as a surprising number of entries are within an exceptionally close range."

Official weighing will follow Appreciation Days Saturday night and the winner will be publicly announced after the judges complete their work. Porkie will then be delivered to the winner's address without cost.

The theory of never saying "no" to children leaves us a bit cold.

The Passing From This Life ....

. . . need not be less beautiful than the beginning of our stay on earth. For much of the sadness incident to parting can be lost in the knowledge that our time here has been but a brief part of our greater journey, and the good done by every person who has lived on this earth has earned a more beautiful life in the future.

So the funeral should be to all a remembrance of beauty, peace, and tranquillity.

Council Votes To Close North Maumee Temporarily

Barricades will go up this week on North Maumee street blocking off traffic in front of Central school.

During a brisk discussion of the move in Tuesday night's session, the council decided to close the street off as both a safety and economical measure.

After a story by Supt. James McDowell in The Herald two weeks ago asking citizens to go along with the school board's plea for closing the street, few adverse comments were heard.

The new barricades will go up at the south edge of school property, approximately the middle of the block, and at Shawnee and Ottawa to give youngsters a free runway between the school and playground.

Only a temporary vote was taken to see how the plan works out in a month or two.

Also Tuesday night, the council decided to send an urgent telegram to the State Highway Department asking for immediate action installing four light poles at the intersection of Chicago and Evans.

Waiting for these poles has held up connection of new light poles all along the business street and delayed installation of new stop lights and flasher light at Adrian street.

Originally Tecumseh planned to put in the four big poles at the main corner, but last spring the state said it was their obligation. A difference of four feet then held up progress as the railroad insisted on a 32 foot clearance and state blueprints only call for 28 feet.

The council wired state officials for an immediate settlement to the controversy and installation of the new poles at once.

Further discussion Tuesday night included a long range curb and gutter program to complete the entire town in the future.

It was announced that trash receptacles have been ordered for the main street.

A plan to make Patterson street, east of Ottawa, a one-way street for eastbound traffic only, was discussed with the hope that Ottawa would not become a one way southbound street. No action was taken.

The street lighting committee was instructed to investigate the need for a corner light at Parkway and Maple and one, or possibly two lights on North Union by the cemetery.

New Wrinkles To Band Festival

BRITTON COMING WITH JACK IN THE BEANSTALK

As Lenawee county bands get down to serious practice for the annual Tecumseh band festival Sept. 29, director Clair Camburn receives numerous reports of interesting progress.

From Britton comes word from Richard Lower, music instructor, that the "Jack in the Beanstalk" theme will be carried out in every detail including a huge gas filled balloon, ladder and real live giant.

Adrian's big 70 piece band also has some new wrinkles for this year's program with its theme, "The Circus."

Adrian Catholic Central has changed from "Old West" to "South of the Border."

Cement City is still without a director but Supt. Homer Earl has taken over band duties to assure that community's representation in Tecumseh.

The "Storybook" theme will be carried out by every one of the 13 participating bands before an expected 5,000 spectators at Recreation Bowl.

Camburn plans to travel with a pick-up Dutch band from Tecumseh on the weekend before the festival to Adrian and numerous points around the county to create interest.

Rev. Blair Bashore is assisting with arrangements. The annual affair is sponsored by the Chamber of Commerce.

FILM SERIES SHOWN AT FRIENDS CHURCH

Increasingly large audiences are being drawn to the Sunday evening meetings at the Friends church by the series of Baptista films with accompanying sermons by Dr. Walter Wilson of Kansas City that are being shown each week at 7:30. The title of the one to be shown this week is "Christ and the Animal Kingdom," the previous ones being of the mineral and plant world.

Mrs. Lena Cox will fill the pulpit for the morning service in the absence of the Rev. Edward Escolme, who with Mrs. Escolme is on a vacation tour through northern Michigan and Canada. Mrs. Perry Hayden has charge of evening services.

AUGUST WAS BUSY MONTH FOR POLICE

Police chief George Kilbourn reported a busy month during August for the local force which made 14 arrests, issued 35 traffic summonses, handled six accidents and answered 18 complaints. There were no parking meter violations.

On the income side of Kilbourn's report, the force was responsible for the receipt of $715.47, of which $310.70 was collected in fines and costs, $1.50 in meter violations and $403.20 in meter collections.

CHARTER COMMISSION

Progress continues on Tecumseh's forthcoming city charter which is expected to be completed soon and put before the voters in October. Already a number of chapters have been written by the Charter Commission which meets tonight in the council chambers.

Flowing Well Is Unsafe!

A water specimen was recently returned from the state health department marked "Unsafe For Drinking." It had been taken from the flowing well on North Union just past Paul's Trailer camp.

The village recently drilled for a new water source on the Al Tonneberger property and miraculously got a flowing well at 102 feet. Without pumping, it constantly gushes water out of a ten inch pipe which has attracted a number of visitors, some thirsty enough to drink the cool 47-degree water.

At first the council thought of posting No Trespassing signs but decided upon the Unsafe For Drinking until another test can be taken. The first sample came from an overflow with the wooden cap on the pipe, the second, now in Lansing, was taken with the cap off.

The well drilling company pumped 300 gallons a minute from the well.

CONTEST WINNER

Leon Rosacrans guessed one ounce off the actual weight of a pig recently displayed at Wolf's Appliance and won the frozen animal over 900 other contestants.

VFW SPONSORED SCOUTS TO NEW MEXICO RANCH

Tecumseh Veterans of Foreign Wars Post No. 4187 sponsored Charles Owens and Bruce Packard to their summer Boy Scout excursion to New Mexico's Philmont ranch.

The VFW backs the local Explorer Scout troop for older boys while Rotary and United Products Workers each sponsor a Boy Scout troop.

FIRST MEETING HELD IN NEW PYTHIAN HALL

A memorial service conducted by the Josephine H. Hall Temple of the Pythian Sisters at their regular meeting last evening was the first formal meeting held in the new hall recently purchased by the Pythian Lodge at Pearl and Pottawatamie streets.

The house acquired from the Palman family is one of the landmarks of that part of town having been built by Webster Anderson about 1870. Because of its location and size, it is ideally suited to the needs of the lodge and, since they took possession a couple of weeks ago, they have already made considerable progress in its reconstruction to fit their use.

A partition on the lower floor is to be removed to make a large meeting room and the upper floor will be remodeled for one or possibly two apartments. Members plan to assist with the finishing after the carpenters have completed construction work.

MOON TRIP THEME OF SCOUT PROGRAM

Thirty girls and ten adults attended the two hour recreational program in Elliott Park Thursday afternoon sponsored by officers of the Girl Scout Association.

The theme of the afternoon was an imaginary trip to the moon and as the Brownies and Girl Scouts arrived they registered for the trip and were assigned to groups for planning a program to be presented during the second hour. Each group chose a name and not only prepared a portion of the program but also made animals to be found on the moon out of garden vegetables and were exhibited as part of the program.

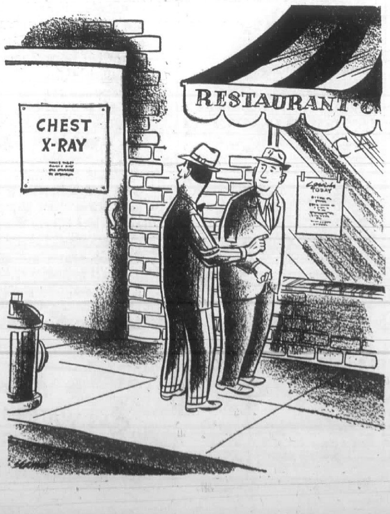
After drinking plenty of cool refreshing space water, the girls assembled and enjoyed the following program: Flying Gypsies gave a style show of clothes suitable to wear in space ships to the moon; Flying Astroids gave a revue of a Girl Scout meeting on the moon showing the girls giving their promise in their own language and then a demonstration of gathering astroids to be used necessarily as defense weapons; Happy Moon Beamers presented acts from a circus on the moon including the performance of an eight legged monster under the direction of its mistress. After playing two games characteristic of recreation on the moon, the girls flew back to earth safely and formed their good-night circle, thereby, closing the program. The purpose of the program was to develop imagination and creative ability.

OVER FIFTY CLUB

The Over Fifty group will resume meetings Thursday, September 10th with a potluck luncheon at noon in the social room of the Methodist church with the Temple Dependables acting as hostesses. The program theme will be "Back to School" and guests are asked to bring old school books, school pictures, lunch boxes, school satchels, school bells, etc. for an exhibit.

Those attending are asked also to bring their own table service and food to pass. The beverage and rolls will be provided by the committee. This is a community affair and is inter-denominational and those not having housekeeping facilities may pay for luncheon and use church dishes.

"Order Me a Minute Steak— I'll be Right With You"



Mobile TB Chest X-ray Unit Brings Free Health Service To Tecumseh Sept. 15-21

Takes 30 Seconds For Free Checkup, No Undressing!

Have you had your chest X-ray this year? Annual chest X-rays show whether you are still free from unknown tuberculosis.

The Lenawee County Health Department has arranged for a Michigan Department of Public Health X-ray unit to stage a county wide chest X-ray program from Sept. 15 to Oct. 16. All adults and children, generally over 8 years old, are urged to take advantage of this opportunity offered by the Tuberculosis Association also sponsors of the program.

Tecumseh has been assigned the modern, mobile unit for its first five days in the county. The unit will be parked in front of Butler Motor Sales according to this schedule.

Tuesday	Sept. 15	1:00-8:30
Wednesday	Sept. 16	1:00-8:30
Thursday	Sept. 17	12:00-7:30
Friday	Sept. 18	9:00-5:00
Monday	Sept. 21	9:00-5:00

From here the mobile unit moves to Deerfield, Blissfield, Morenci, etc., finishing in Adrian on Oct. 16.

Persons living in Clinton, Ridgeway, Macon, Britton and Holloway will have their X-rays taken here.

It takes only a few minutes to get a chest X-ray. No undressing is necessary. Just empty pockets and remove jewelry or other metal objects from the chest area.

The X-rays are FREE, paid for by your taxes to help prevent the spread of unsuspected tuberculosis, our most costly public health problem. It is especially important for all adults to be X-rayed annually to safeguard children as well as themselves. Half of our tuberculosis deaths now occur after fifty years of age, particularly among men.

Usually over 95 per cent of the X-rays show normal chests. But, if there is any unsuspected condition, the sooner it is discovered and cared for, the better for everyone.

Mrs. Hilda Will is chairman of the local program and assisted by Mrs. Charles Mensing, Mrs. Paul Eddy, Mrs. Mel Partridge, Mrs. Max Smith, Mrs. Dale Bowen and Mrs. Fay Whelan.

"We are counting on everyone's cooperation in keeping the X-ray unit going at top speed—over 100 X-rays an hour—to bring the greatest possible protection to our community." Mrs. Will said, "so plan on bringing your family, talk it up among your friends and neighbors, let's make Tecumseh's program outstanding in the county."

Two New Golf Champs Crowned

Kirk Smith and Mrs. Hal Kelso were crowned Country Club golf champions after the annual tournament finals on Labor Day.

Smith won the men's championship flight 13 and 12 over Chuck Butler while Mrs. Kelso downed defending champion Mrs. R. H. Moore 1-up in 18 holes.

Both champions were praised by Pro Leo Bishop for "diligent summer practice." Smith has been grinding off his youthful rough edges with an eye on 11 winter tournaments as he plans to follow the Southern golf circuit. On Labor Day Kirk was playing one-over-par when he won the match on the twenty-fourth hole.

Mrs. Kelso downed Mrs. Moore 95-94 in 18 holes.

Other flight winners were Don Smith over Ralph Comfort (first) 1-up in 36 holes; Vic Lawson over Al Merz (second) 1-up in 39 holes; Charles Stevenson over Ray Schlegel 1-up in 19 holes.

In the women's division, Ruth Hanna won over Mrs. M. R. Blanden (first flight) 5 and 4 and Edna Smith defeated Edna Helzerman 6 and 5.

Junior Lopez won the recent caddy's tournament 4 and 3 over his brother Rudy Lopez.

Virgil Tucker and David Lamkin had a combined low net of 144 to win the player-caddy tournament Sunday.

Pro Bishop announced a President's Day tournament for this weekend, "Choose your own partners, best ball tournament with added driving and putting contests, plus hole-in-one event."

WILL BECOME NEW DEPUTY SHERIFF

DONALD RODEHAVER

A Tecumseh police officer, Don Rodehaver has announced acceptance of a position as Lenawee county deputy sheriff. His resignation from the Tecumseh force becomes effective Oct. 1.

Originally from Hudson, Rodehaver joined the local force in June 1952 and has served under Chief George Kilbourn since. During his recent vacation, he spent a week on sheriff's duty.

Deputy Rodehaver plans to move his wife and two year old son Danny to a home on Division street in Adrian soon.

AUXILIARY TOLD OF CHEST X-RAY CAMPAIGN

Mrs. Hilda Will, general chairman of the mobile X-ray chest campaign for this part of the county reported on progress that has been made in preparation for work here, at a meeting of the Auxiliary of Herrick Memorial hospital Tuesday evening. Mrs. Charles Mensing, vice president, conducted the meeting in the absence of the president, Mrs. Hoyt Whelan, who is attending the National Association of Hospital Auxiliaries in San Francisco.

Mrs. Will told Auxiliary members that the unit will be stationed at Butler Motor Sales and there will be auxiliary members in constant attendance for registration. No preliminary examination is necessary and the X-rays are taken through the clothing. Mrs. Mensing is chairman of the work of the Auxiliary and Mrs. Paul Eddy has had charge of publicity to organizations.

As the unit will not be stationed at the county fair this year, Mrs. Will emphasized the importance of this clinic for the region and urged everyone to take advantage of this valuable service. Those who live in Britton and Tipton are to be included in this area and while Friday has been designated as Tecumseh day, Mrs. Will stated that anyone can be taken care of at any time.

Miss Gertrude Spaulding spoke briefly on the availability of Blue Cross insurance for those people who are not regularly employed, a service which is not commonly known.

At the close of the business meeting refreshments were served by Mrs. Norris Morehouse and her committee, Mrs. Albert Jahn, Mrs. Earl Wood, Mrs. Chester Beach, Mrs. Clarence Beach and Mrs. Cecil Williams.

FLUORIDATION PROGRAM OPERATING IN 43 STATES

One out of seven persons in Michigan is drinking water containing enough fluoride to reduce tooth decay as compared to one out of nine in the United States, according to the Michigan Department of Health.

The largest city in Michigan fluoridating its water — and the first city in the Nation to do so —is Grand Rapids with a population of about 180,000. The smallest is Lake Odessa with a population of 1,600.

Fluoridation began in Grand Rapids in January 1945. Each year since, the youngsters have been examined to determine if there was a change in the amount of tooth decay. The six-year-olds who have been drinking the fluoridated water since birth have 67 per cent less decay than six-year-olds living in areas where the water is lacking in fluorides.

Fluoridation programs are in operation in 43 of the 48 states, the District of Columbia and some of the territories.

LEGION INSTALLS AT OPENING MEETING

Robert Lowe was re-installed as commander of Tecumseh's Underwood-Orr American Legion post as fall business was resumed at a meeting last Thursday.

Other officers charged to their respective posts by the Lenawee county 40 et 8 installation team are Lyle Grigg, first vice-commander; Harold Easton, second vice-commander; Larry Cote, adjutant; Jim Rohrer, finance officer; Herbert Cleveland, chaplain; Neil Hunter, historian and Harold Anderson, sgt-at-arms.

Future activity for the fall and winter months was discussed with an emphasis on surpassing the present membership of 324 planned.

Enrollment Nears 1,575 Record Mark As School Opens

"It was just like every first day of school, only more so," Supt. James McDowell said Tuesday evening after directing the enrollment of a record 1,554 pupils — and more are expected to come during the remainder of the week.

McDowell tabulated the following first day enrollment figures.

Kindergarten	155
First Grade	190
Second	145
Third	160
Fourth	97
Fifth	112
Sixth	105
Opportunity Class	17
Seventh	93
Eighth	112
Ninth	138
Tenth	112
Eleventh	91
Twelfth	81
total	1554

"By the end of the week," McDowell forecast, "we'll probably have 1575, maybe more. Last year we only served 1318."

Highlight of opening day was the arrival of furniture for the Patterson school at 6:30 a.m. To add confusion, the furniture had to be distributed and put together at the other schools which are handling Patterson pupils until the new elementary building is completed.

Supt. McDowell praised his teaching staff for ably handling an awkward situation on opening day. This staff has added a remarkable 221 semester hours of credit toward advanced degrees during the summer.

There are only five non-degree teachers on the entire staff, 36 have bachelor degrees, 16 have masters.

Exhibit Paintings At Country Club

An exhibition of the paintings of Phyllis Shuenberger Peterson and Russell Steinke is being held this afternoon and evening from 2 to 5 and 7 to 10 p. m. at the Country Club under the sponsorship of the Women's Association of the club.

The exhibition includes landscapes, still life pictures and portraits, some of which have a local interest. Mrs. Peterson's work has been done largely in the east, where she studied at the Kline Baum Art School in Pennsylvania and in the Moore Institute of Philadelphia. Her home is now in Adrian and she has conducted art classes there and in Tecumseh.

Russell Steinke, who studied at the University of Michigan and at the Art Student's League in New York City, has exhibited in New York, Detroit and Ann Arbor and had a very successful one man show in the Hudson Art Galleries last spring. He also has had a class of students in Tecumseh this year and has lived here for the past three summers.

The public is invited to this exhibit which is the first of its kind in Tecumseh. There is no charge for admission and a group of hostesses from the association will welcome all comers.

ARCHERS TAKE HONORS

Several local archery enthusiasts attended the State Championship Target meet held in Saginaw last Monday. They were Dr. Richard Dustin, C. R. Dustin, Harold Hall, Harold Brion and Robert Williamson. Harold Hall placed third in the "instinctive" class B, Williamson second in free style class B and Harold Brion took first place in class C.

County Home 'Ec' Club Visits Here

By Josephine Brighenti
Home Demonstration Agent

Lenawee county Home Economics extension club members are a little better acquainted with the many features of their county — and in particular, a little better acquainted with Tecumseh—after the second annual "Operations W" held recently.

A large group turned out for the tour, which was full of mystery, fun and education, which started at the county fairgrounds recently.

Our first stop was at Tecumseh Products. Here we were met by Mr. M. W. Wilson, personnel manager, who divided the ladies in groups of twenty. Special guides were assigned each group and our tour through the factory began. All ladies present owned a refrigerator and many owned a frozen food unit and know how to use it. But it was the first time that the majority of women ever saw the manufacture of parts of a refrigerator system.

Seeing the workmanship involved made each one of us more appreciative of our freezing unit and its care. We tend to take so much of our equipment for granted. A tour like this one makes us more appreciative of our modern equipment. We often wonder how our grandmothers ever got along without refrigeration, especially on days like this when it is 90° and above.

A tour through the housing project for employees of Tecumseh Products was enjoyed by all.

We who live in these United States can be most thankful for benefits we enjoy through thoughtful philanthropic employers.

Everyone enjoyed the delicious dinner served at the Tecumseh Country Club. While we were waiting to be served, the pro and his assistant demonstrated the use of the various irons on the golf course. We all wished we could play golf with such ease. It was fun to see a woman golfer as the pro sees her. He sure put on a good act.

The program arranged by the Lenawee Soil Conservation District was most enlightening and educational.

DR. DUSTIN REPRESENTS COUNTY MEDICAL MEN

Dr. Richard E. Dustin will serve as a member of the House of Delegates when Michigan doctors of medicine meet in Grand Rapids September 21-25 for the 88th Annual Session of the Michigan State Medical Society. Dr. Dustin will act as delegate from Lenawee county.

The House of Delegates, legislative and policy-making body of the State Medical Society made up of M.D.'s representing various geographic areas, will conduct its annual business during the first two days of the session. The final three days will be devoted to intensive study of the latest medical advances.

High on the House of Delegates agenda will be the selection of Michigan's foremost family physician for 1953 from a list of 22 candidates nominated from counties throughout the state.

Twenty-six outstanding medical lecturers from every section of the nation will conduct some 40 scientific meetings dealing with recent developments in the many fields of medicine. Among these will be the first annual Beaumont Lecture, presented in honor of William Beaumont, M.D., pioneer Michigan physician who observed the digestive process through a "window" in the stomach of a young fur-trader wounded on Mackinac Island.

REP. ROLLO CONLIN SPEAKS TO ROTARY

Guest speaker at Rotary Tuesday evening following dinner at the Country Club was State Rep. Rollo Conlin of Tipton. His topic was "Taxation," a subject with which his name has been long associated in the legislature.

Mr. Conlin reviewed the tax situation in Michigan, deploring the present policy of deficit spending, and explained in detail his plan for revising the sales tax money. This program was turned down by the legislature but Rep. Conlin stated that he plans to offer it again in a slightly altered form at the next session.

Several guests were present from Clinton and Edward Mayhew of Rotary of Highland Park spoke briefly.

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

Editorials

WHO, ME? — Yes, you! Young or old, rich or poor, man or woman, **you** could have TB and not know it. Why not be sure your lungs are OK and join in the public health free X-ray program which comes to Tecumseh next week?

Tuberculosis is such an undercover operator that it sneaks up on you with no warning symptoms, but the modern X-ray machine we'll have here tracks down TB in its early stages, that's when it is most quickly cured.

When you step up to the mobile truck in front of Butler Motors for your free X-ray next week, plan on spending 30 seconds, no more, no less, for the technicians will be geared to handle two persons or more every minute, over 100 an hour. All of Tecumseh and surrounding area can easily be handled in the five days, which is the longest time given to any county community outside Adrian. Actual thousands will be X-rayed here, for it's simple as one-two-three; 1 — there's no undressing, 2—you take one deep breath, 3—hold it. That's all, a complete report will be mailed to you. And it's free.

Why not be sure? Turn out for 30 seconds with all your family on any of the days scheduled in the front page story of this issue. No matter when your lungs were checked last, no matter how fine you feel, everyone 8 to 80 should step up for a free "picture." It's on the health department.

You owe an X-ray next week to yourself, to your family, to your community!

●

TAXES GO UP — Many of our lower-income families will pay more federal taxes next year despite a 10 per cent reduction in individual income taxes set for Jan. 1.

The explanation: An automatic increase in social security taxes, which Congress has decided to let take effect on the same date.

In some cases, the social security boost more than offsets the reduction in income taxes.

President Eisenhower asked the lawmakers to cancel the social security tax increase, but the administration did not press the matter and Congress took no action.

A powerful group of lawmakers apparently was ready to try to block Mr. Eisenhower's proposal, on the theory that the tax boost is needed to safeguard death and retirement benefits for millions of persons under social security laws.

Congressional tax authorities estimate the 10 per cent reduction in individual income taxes, for example, will save $13.20 a year for a married couple with two children and an income of $3,000 a year.

The tax cut would be reflected after Jan. 1 in pay checks subject to the withholding plan.

But the same checks will reflect an increase in withholding for social security. The boost on workers is from 1½ per cent withheld now, to 2 per cent. Employers must pay at the same increased rate.

So, for the $3,000-income family, the social security increase will amount to $15 a year—or $1.80 more than the income-tax reduction.

A married couple with no dependents and $1,500 income would gain $6.60 from the income-tax cut. But the same couple would pay $7.50 more if the social security tax increases. Net loss: 90 cents.

The tax effect does not apply to higher income families, because they pay more income taxes and thus get a bigger dollar reduction.

But the social security tax is limited to the first $3,600 of income. So the maximum social security increase will be $18 a year.

●

DEATH IN THE ICEBOX — The death of nine children in one day, recently, in discarded refrigerators, provided shocking evidence that the danger of death from discarded refrigerators is still a very real one. Such tragedies are all the more regrettable because they could be prevented with only a minimum of effort.

It is always advisable to remove the handle and latch from the door of an old refrigerator or ice-box before leaving it in an out-of-the-way spot, where children might use it in their play. Many handles may be removed with only a screwdriver and those which require other tools are relatively simple to remove.

We can think of few methods of accidental death so unnecessary, so easily prevented, and so horrible in execution, as suffocation in a closed refrigerator. Yet, despite the fact that every death in a discarded refrigerator is inexcusable, they continue to occur because of the irresponsibility of adults.

Is That So!

By Miss Clara Waldron

"No Market For Kalamazoo Celery" was the headline of a recent item in Michigan newspapers, an item that made some local residents feel that history was repeating itself. For history has a way of demonstrating how quickly economic conditions can change and how fleeting a boom prosperity can be. For over forty years, from the 1880's to the late 1920's, celery growing was an important industry in this region. Now it has disappeared, without leaving a trace. In fact newcomers raise a skeptical eyebrow over stories of special railroad spurs that were built into the celery fields, where carload lots were packed for shipment to wholesale markets.

Just when and by whom the first experimental planting was made is in question, but it followed the draining of swamp land that took place about 1880, which left acres of black muck soil available for use. The largest area was that of an old lake bed, which lay along Ives road in Raisin township, and which was drained by the digging of a county ditch, known as Cook's Drain. Here a Tecumseh dentist, Dr. Stewart of the firm of Stewart and Wheeler, promoted a venture that grew into the Prairie Side Celery Co., with many acres under intensive cultivation, many employees, an elaborate irrigation system, washing and packing houses, a side track from the D. T. and I. railroad and a small settlement of homes for workers.

Another company, called the Tecumseh Celery Co., operated a slightly smaller acreage on the southern edge of the lake bed, while a mile north a railroad spur from the M. and O. ran into the farm of Joseph Russell and sons, whose celery land was just north of Russell road. There were other, smaller growers, some as far north as Franklin township, where Wilson brothers operated on land irrigated by a flowing well, and in all, probably 500 acres were under the intensive, hand operated cultivation celery then demanded.

LaVern Russell remembers that his father's venture began with seed brought him from England by a Mr. Haines, who had been visiting in his native country and who recognized the similarity between the soil used there and the newly drained muck land. This was probably the first of Tecumseh's celery culture, but others became interested almost at once.

Celery was not a common vegetable in the middle-west at that time. People had to learn to like it as they did olives, but it must have caught on quickly for the expanding production found a ready market. For some reason, perhaps because it was already grown in the east, most that was raised here was shipped to St. Louis, at first in small lots by express and then by iced refrigerator cars. Small growers sold to local grocers or peddled it from house to house. Housewives "put down" celery in muck soil in cool cellars for winter use. Where the soil was at all suited, farmers bought a few plants from the big growers and raised a family supply. What is now a year round commodity was then a seasonal luxury and its growers prospered accordingly.

(To be continued)

Tecumseh BOOK SHELVES Library

New books at the Library are mainly on the lighter side—summer reading.

Teen-agers—Girls: "Boy Trouble," Rosamond Du Jarin; "Coronation for Cinderella," Bonnie Hall and "Vagabond Summer," Anne Emery, a story of an American hostel trip; Boys: "The Tenderfoot," Max Brand.

There is a biography intended for all young people, "The Story of Clara Barton of the Red Cross" by Jeanette Nolan who has written others of the same type, including one of Florence Nightingale.

For adults who like spine chilling mysteries there is a new Nero Wolf, "Prisoners Base" and "The Black Spider" by Patrick Quentin besides twenty-four volumes of the Detective Book Club publications, the generous gift of Mrs. Fred Dickinson.

Other adult fiction: "Mountain Gold" by Charlotte Paul; "The Vermillion Gate" by Lin Yutang "The House of the Moreys" by Phyllis Bentley and that much discussed book about the secret of eternal life, "The Foolish Immortals" by Paul Gallico.

Three novels that will be popular are: "Time and Time Again" a new story from the pen of James Hilton in the vein of "Goodbye Mr. Chips"; "Wings of Dawn" by Guy Howard, the "walkin' preacher of the Ozarks," whose life has been spent among the people of those mountains and the book that admirers of Ben Ames Williams have been waiting for, "The Unconquered," which supplements his story of the Civil War "House Divided."

Letters To The Editor

Editor, The Herald:

I agree with Mrs. Clark's letter in your paper last week in two ways, first of all, that it didn't rate the front page, and second, that we do have a fine band leader.

I don't think it deserves page one because it wasn't necessary to insult Mr. Clair Camburn to give Mr. Peck a well deserved pat on the back. I agree Mr. Peck is a fine person and an excellent director, but as Mrs. Clark said, it takes years to build a good band. Ours isn't tops perhaps, but I'd say good, and Mr. Peck's two years didn't do it all.

He's done an excellent job, yes, but Mr. Camburn deserves plenty of credit too.

I have heard our bands play the National Anthem many times before Mr. Peck came here!

Mrs. V. Partridge

AT WELDING SCHOOL

Russell Spaulding, vocational agriculture instructor at Britton-Macon Ag school has returned from a special course in how to instruct arc welding conducted by the Lincoln Electric Co., Cleveland.

WALTER OSTRUM BURIED SATURDAY

Funeral services were held Saturday afternoon at the Green Funeral Home for Walter Ostrum, father of Mrs. Kenneth Shelhart of Tecumseh. Mr. Ostrum was born in Ogden, in 1875 and had lived in Lenawee county all his life.

Other survivors are his widow, Daisy Goodwin Ostrum; five sons, George, Petersburg, Kenneth, Adrian, Burton, Clayton, and Edwin, Maquoketa, Iowa; three other daughters, Mrs. Charles Anspach and Mrs. Genevieve Jordan, Britton and Mrs. Duane Creger, Raisin Center.

Services were conducted by the Rev. Lowell Shreve of Raisin Center, with burial in Hills Memorial Park cemetery, Adrian. The bearers were Harold Griewahn, Floyd Graham and Lawrence Galloway of Raisin Center, Lonnie Damon, Tecumseh, George Hagar, Clayton and George Hagar, Jr., Adrian.

o

BIDWELL—NORTLEY

Alta L. Nortley of 305 N. Pearl St. and Lyle L. Bidwell of 7361 Occidental Rd., were married Saturday at St. James Episcopal church, Cheboygan, by the Rev. Charles E. Edinger. They were attended by Mr. and Mrs. James Sloan Sr. The bride is the daughter of Mrs. Robert Nortley Jr. and Mr. Bidwell is the son of Mrs. Steve Bidwell.

The new Mrs. Bidwell is a graduate of Tecumseh high school and is employed in the office of the Nu-Way Stretch Co., Adrian. Mr. Bidwell graduated from Hanover high school and attended Michigan State College. He is employed by the Cities Service Oil Co., Adrian. They will make their home in Tecumseh.

Rae Nita Larsen Wed In Dearborn

A wedding of beautiful appointments was solemnized Saturday at 11 o'clock at Christ Episcopal church, Dearborn, when Miss Rae Nita Larsen, daughter of Mrs. John Larsen of Jackson, formerly of Tecumseh, became the bride of Elmer A. Heintzelman of Hollywood, Calif. The ceremony was performed by the Rev. E. R. A. Green, former rector of St. Peter's Episcopal church, Tecumseh, before only the immediate family.

The bride, given in marriage by her brother, Jack Larsen of Silver Springs, Md., was lovely in an ice blue ballerina length gown of lace over taffeta. Fashioned in an off-the-shoulder style, the gown was embroidered with irridescent sequins, as was the lace cloche from which fell her veil of illusion. She carried a white prayer book topped with white gardenias.

As her sister's matron of honor, Mrs. Clinton M. O'Jibway of East Lansing was gowned in beige lace taffeta with a matching satin cloche and tiny eyebrow veil. She carried coral glamelias. Mr. O'Jibway attended Mr. Heintzelman as best man.

Mrs. Larsen chose for her daughter's wedding a dress of powder blue with navy hat and accessories. She wore a corsage of pink glamelias.

Following the ceremony, luncheon was served at Dearborn Inn. Mr. and Mrs. Heintzelman left for a trip through the west and will make their home at 6731 Leland Way, Hollywood, Calif. For traveling, the bride wore a blue and white checked suit and an orchid corsage.

Mrs. Heintzelman is a graduate of Tecumseh high school and the University of Michigan where she was a member of Alpha Gamma Delta sorority and the Scroll honorary society. While a resident of Tecumseh, she was well known as a dancing instructor, more recently operating a dancing studio in Jackson.

Mr. Heintzelman graduated from Dunbar high school, Leisenring, Pa. He majored in music and has studied in New York and is now employed in Hollywood.

o

TEACHERS WELCOMED

As a welcome to new teachers of the staff of Tecumseh public schools, a tea was given Wednesday afternoon in the high school cafeteria for nearly 100 persons. Hosts were Supt. and Mrs. James McDowell and Principals Neville L. Hart, Earl Greene and Wayne Kaiser and their wives.

Centering the tea table was an arrangement of fall flowers, yellow and white chrysanthemums. Presiding at the tea service were Mrs. Aden Mead, Mrs. R. F. Helzerman, Mrs. Paul Breitenwischer and Mrs. Wellington Wotring.

Local Topics

Miss Margaret Lowry has returned from a month's vacation visit with her sister and family, Mr. and Mrs. W. H. Jones of Henderson, N. C.

Mr. and Mrs. R. J. McCoy accompanied by Mr. and Mrs. John Norman have returned from a trip through northern Michigan which included a visit to the locks at Sault Ste. Marie.

Miss Marilyn Baaske left Saturday morning for Miami, Fla. where she will spend two weeks as the guest of her brother and family, Capt. and Mrs. A. R. Baaske.

Mrs. Lawrence Blum will teach in the Cary Elementary school, Detroit, for the ensuing year. Mrs. one years, has been on a three year leave of absence. The Blums live on a farm on Occidental road and Mr. Blum is also employed in Detroit.

Miss Margaret Lowry was in Detroit Saturday for the wedding of her nephew, John Lowry to Miss Betty Swindell. The ceremony took place at 12:30 at St. Mary of Redford church and was followed by a reception and dinner at Dearborn Inn. The groom is the son of Mr. and Mrs. Harold J. Lowry of Birmingham and is a graduate of Harvard University and the Law School of the University of Michigan. His father is well known in Tecumseh where he lived as a boy.

Mr. and Mrs. W. Edward Macbeth, George Barnes, and Mrs. L. J. Macbeth of New Rochelle, N.Y. and Mrs. William Gast of Plainsville, Neb. have been guests in the home of Mr. and Mrs. William E. Macbeth. Mr. and Mrs. Burnard Vur of Chicago also visited them over the weekend.

David Shilling has returned to his home in Milan after spending three weeks with his grandparents, Mr. and Mrs. Lynne Hubbard. Richard Hubbard, who has been spending the summer at Sault Ste. Marie came home last week.

Mrs. Arthur George and children have returned from a week's visit with her sister and family, Mrs. Janet Pratt in Cleveland. Mrs. Wilmer Sederer and daughter have been guests in the George home.

Miss Betty Bishop, daughter of Mr. and Mrs. Orville Bishop accompanied her grandmother, Mrs. A. B. Daniels to her home in Starkville, Miss., last week. She also visited her paternal grandmother, Mrs. L. L. Bishop in Baldwyn, Miss.

Miss Ruth Harding spent the Labor Day weekend with her cousin, Mrs. Charles Sanford and family in Jackson.

Ronald Pocklington and his mother, Mrs. Guy T. Pocklington, had as recent guests Dr. Allen Holmberg and family of Ithica, N. Y. Dr. Holmberg and Mr. Pocklington were friends in South America several years ago and the doctor and family were on their way home from a summer in Peru. He is professor of anthropology at Cornell University.

Allan Seager has been informed of his appointment to the committee on College Reading of the National Institute of Teachers of English. Mr. Seager, who is an associate profesor of English at the University of Michigan, is also the author of several successful novels and numerous short stories. This week he is in New York, where he will confer with his publishers, Simon and Shuster, regarding the book on which he is now engaged.

Mr. and Mrs. Charles Stevenson and Mr. and Mrs. James Barton were fishing at Badennoc in the Upper Peninsula over Labor Day.

Diane Woodward, daughter of Mr. and Mrs. Andrew Woodward has returned from Indian River in northern Michigan where she has spent the summer.

Miss Mary Brown went last week to Grosse Pointe where she will teach in the elementary schools this year. Other Tecumseh teachers who have returned to their work in out-of-town schools are, Miss Gertrude Turner, Saginaw; Miss Vera Gilbert and Mrs. James Tonneberger, Onsted; Mrs. Andrew Woodward, Clinton, and Miss Geneva Satterthwaite, Ann Arbor.

The condition of Mrs. Ronald Johnson who was operated on at Herrick Memorial hospital, Tuesday is reported as satisfactory.

Mrs. R. K. Anderson has been informed that her granddaughter, Mrs. Robert Hughes is in the Post hospital at Fort Belvoir, Va. stricken with polio. Lt. and Mrs. Hughes and daughter were in Tecumseh recently on their way home from Germany. Her condition is considered not critical but she will be forced to remain in the hospital for several weeks. Mrs. Anderson left Tuesday for Fort Belvoir.

Mr. and Mrs. Donald Heesen and son Hunter have returned from a month in Pomona, Calif. where they visited Mr. and Mrs. J. D. Heesen and family.

Mr. and Mrs. L. H. Johnston and daughter Linda spent last weekend in Blissfield with relatives.

Miss Louise Phelps was visited this week by her niece, Miss Phelps, from Portland, Oregon. Miss Phelps is the daughter of David Phelps who formerly lived in Tecumseh.

Mr. and Mrs. R. H. Moore returned from northern Michigan last week in order that Mrs. Moore might play in the golf tournament at the Country Club.

C. M. Brown, Jens Touborg and Joseph Rohweder went to Jackson Hole, Wyoming, Monday for elk hunting.

Mrs. Claude Cuthbert of Kent, Ohio, is a guest of Mrs. Charles Williamson for a couple of weeks. Mrs. Cuthbert formerly lived in Tecumseh when her husband was sales manager of the Uncle Sam Macaroni factory before it became Quaker Oats.

Mrs. Lizzie Foster entertained her daughter-in-law, Mrs. Bessie Aten of Jackson over the weekend. Mrs. Foster's niece, Mrs. Mary Gooding of Milan has been with Mrs. Foster for several weeks following her recent illness.

Mr. and Mrs. M. G. Partridge have been entertaining Mrs. Partridge's sister and husband, Mr. and Mrs. Arthur Marsh of Ann Arbor for the past week.

Mr. and Mrs. Glenn Davis and Mr. and Mrs. Lloyd Rohrback have returned from several days stay at the Taylor and Hawk camp near Alpena.

Mr. and Mrs. James Gabler, Mr. and Mrs. Harold Easton and Mr. and Mrs. Walter Morden have all moved to Herrick Park, the Gablers and Eastons to homes in the Center Circle and the Mordens to Outer Drive.

Mr. and Mrs. George French returned home last week from an extensive trip to the west coast during which they visited Mrs. French's daughter, Mrs. Lee Settle and family at Oceanside, Calif., and many points of interest on the way.

Mr. and Mrs. M. G. Partridge will be dinner guests of their son and wife Mr. and Mrs. M. C. Partridge this evening at the Plymouth Country Club.

Mrs. Ray Sluyter, Mrs. Alta Boyce, Mrs. George Walworth, Mrs. E. E. Davis and Miss Edith Ingersoll, all officers of the Women's Association of the Presbyterian church, went to Jackson Wednesday to a meeting of officers of associations of this region.

Mr. and Mrs. Clyde Bailey visited their daughter and family, Mr. and Mrs. Royce Beal of Ann Arbor, Sunday.

Ned Baldwin, Z. B. Hancock of Adrian and C. Gilson of Blissfield left Sunday for a few days fishing trip at West Twin lake.

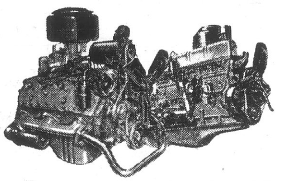
Mrs. K. Lowell Wise and children Stanley and Gregg visited her parents, Mr. and Mrs. Paul Harwood at Alma last week. Mr. Wise and his father Kennard Wise joined them for the Labor Day weekend which was spent at the Harwood cottage near Baldwin.

Mr. and Mrs. Luther Wood, Mr. and Mrs. Robert Wood and family and Mr. and Mrs. Erwin Buss attended the Wood-Davis reunion on the Island in Adrian, Sunday. About fifty were present. Mr. and Mrs. Luther Wood were hosts for the occasion while Mrs. Buss was chairman of the program committee.

Mr. and Mrs. Lynn Hubbard and sons Russell and Richard are on a short trip to points of interest in the Upper Peninsula enroute to Houghton School of Mines and Technology where Russell will study this year.

Here's what's behind the big swing to FORD

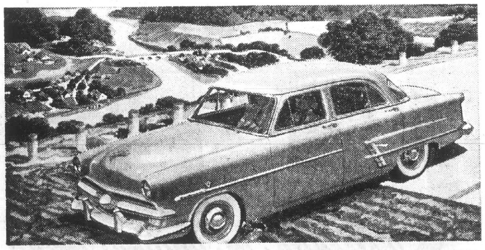
FORD GIVES YOU EVERYTHING YOU WANT AND NEED AT A PRICE YOU WANT TO PAY!



AMERICA'S COSTLIEST CARS ARE SWINGING TO V-8 ENGINES, but Ford's had one for years. (Ford's built more V-8's *than all other makers combined!*)

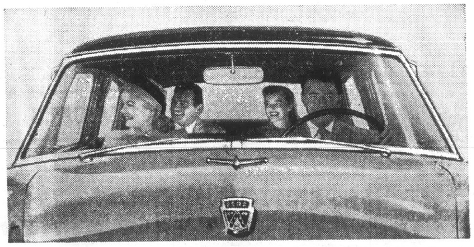
IF ITS A SIX YOU WANT, Ford has the most modern in the industry. Ford's Mileage Maker Six with Overdrive beat *all* other cars in the recent Mobilgas Economy Run!

DOES ANY OTHER CAR offer you a choice of V-8 or Six engine—or a choice of three great drives? How about foam-rubber in *all* seats in *all* models, extra trunk space, smooth ride—does any other car measure up to Ford feature for feature? You know the answer—that some cars *do* offer most of these features. But the only ones that *do* are costlier cars! Not a single one of them is in Ford's price field! And Ford offers you these "fine car" features, at half the fine car cost! No wonder the swing's to Ford!



YOU DON'T NEED A HEAVY LIMOUSINE FOR A SMOOTH RIDE. Ford's new rubber compression bumpers and more responsive spring and shock absorber action reduce front end road shock *alone* up to 80%. Takes you over bumps and ruts smooth as silk. Try a Test Drive!

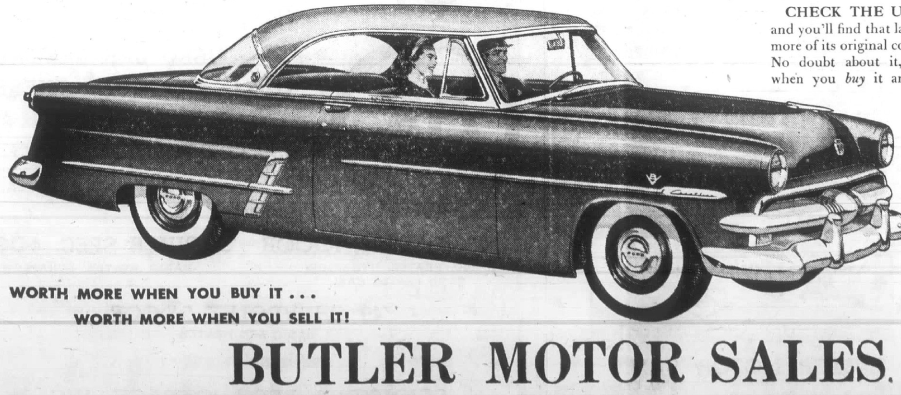
FORDOMATIC DOES MORE THINGS FOR YOU AUTOMATICALLY—over a wider range—than any drive in the low-price field. It does all the shifting for you—better than you can do it! And Fordomatic combines smooth power flow with lots of "get-up-and-go!"



NO WORRY ABOUT "BLIND SPOTS" IN FORD! With a huge one-piece windshield . . . car-wide rear window, Ford has more "look out" area than any car in its field! It's truly *Full-Circle* Visibility. Fords are built with your safety—and your family's safety—in mind.

FORD'S MASTER-GUIDE POWER STEERING is the newest and finest in America—and it's the lowest-priced power steering in Ford's field! Unlike many systems, Ford Master-Guide gives help *only when you need it* . . . retains the natural "feel" of the wheel on straightaways.

CHECK THE USED CAR LOTS
and you'll find that last year's Ford returns more of its original cost than any other car! No doubt about it, Ford's worth more when you *buy* it and when you *sell* it!



WORTH MORE WHEN YOU BUY IT . . .
WORTH MORE WHEN YOU SELL IT!

- Waist High Dial Control lets you dial heat like you tune a radio.

Bonus Offer

Now included with the purchase of every Duo Therm stove is a handy DUO-THERM MECHANICAL THERMOSTAT fits right on top of your oil control . . . gives you automatic heat without electricity or wiring!

SLUYTER ELECTRIC APPLIANCES

I'm Often Wrong

By Neil Hunter

STRONG LANGUAGE — This week we should dust off the big dictionary and look up some good old fashioned strong mule-kick words . . . words like genuine, that's kick enough, to express our opinion of the many, many friends we've made of late since I'm Often Wrong was hatched . . . friends like Neil DePuy are nothing but genuine, if that's strong enough, for likeable Neil, whose last name is pronounced DePew, brought a little sunshine into our newspaper life with a few scattered words of "keep it up" recently . . . and he went out of his way to do it . . . that's Tecumseh . . . former co-worker Jerry "Smiling Boy" Wilcox, who now manages a job printing shop in Jackson, made it a point to see us over Labor Day while visiting in Tecumseh parts and in his usual friendly way said "that column's mighty decent" . . . J. T. "Jay" Callihan, Walt Pfaus' right hand man, is another top notch Tecumseh friend we can't help but like and add his name to our genuine list after a little WWII reminiscing and some off-the-record discussion of what makes Tecumseh the greatest little place on earth . . . two kids we can't help but like are the Kenton Hunts, who incidentally are celebrating their 13th anniversary this Sunday, the 13th of Sept. . . . unlucky?? . . . shucks no, they wuz married on Friday the 13th . . . that anniversary blow-off, by the way, will take place at their cottage out at Round Lake Sunday afternoon and evening . . . 2210 Ferndale Road . . . it wouldn't be like Tecumseh if they don't have a full house of friends at both sessions.

If we were ever on a quiz program and they asked us what our hometown has that is different we'd have to say that "In Tecumseh you get more bounce to the ounce," . . . bounce, that is, in living . . . if we ever changed the name of this column, it would be to "I Like It Here" . . . whenever we drive to Detroit or Toledo, Adrian or Ann Arbor we always seem to comment when driving into the yard . . . we'll take Tecumseh anyday!

●

HOW WE CAN HELP — Someone asked, "How can our family give help to a Korean family?" and we hesitantly answered, "We don't know, but we'll find out." And this is what we found. For instance, you can:

- Adopt a war orphan. Recent reports show more than 500,000 Korean children orphaned or cut off from all means of support. Two American organizations operating in this field are the Save the Children Federation, 345 East 46th Street, New York 17, and Foster Parents Plan for War Children, Inc., 55 West 42d Street, New York, 36. A Korean "adoption" can be made through the former for $120 a year.
- Send a CARE parcel: CARE has parcels ranging in price from $4 to $18.25 or it will accept a relief contribution of any amount to be applied on such parcels. They also have a "self-help" program through which you may send to Korea a package of farm tools for $10, a steel plow for $17.50, or a midwife kit for $25 to reduce infant mortality. Address: 660 First Avenue, New York City, 16.
- **Knit for Korea: American Relief for Korea has embarked on a nationwide campaign to establish 5,000 Knit for Korea Circles that will eventually involve 100,000 women knitting vitally needed woolen garments, especially designed for infants, and the aged and infirm of war-wracked Korea. Three hundred thousand booklets giving detailed instructions prepared by the National Hand Knitting Yarn Association are available for distribution. Address: 67 West 44th Street, New York, 36, N. Y.**
- **Send old clothes: American Relief for Korea will start another used clothing campaign in September. Watch your local newspapers for announcement or inquire at 67 West 44th Street, New York.**
- **Send money: One of the newest organizations in the Korean relief field is the American Korean Foundation, headed by the President's brother, Dr. Milton S. Eisenhower. The foundation is setting up an orphan clearing center at Pusan, has sent emergency medical supplies, and is planning rehabilitation.**

●

DEAR DAD:

Getting up in the morning wouldn't be so bad if it didn't come just before you have to start to work.

They tell a story here dad about a fellow who used to be slightly on the foolish side, and whenever they'd offer him a nickel or a dime, he'd always take the nickel. Finally someone tried to wise him up and said, "Don't let them put it over on you, next time take the dime, it's worth twice as much as the nickel." But the other answered, "Aw shucks no, then they wouldn't try me on it any more."

Poem of the week:

"Eleanor wrote a column, and Margaret Truman sang,
But Mamie without such talents, goes over with a BANG."

Your son,
NEIL

RIDGEWAY

Elmer Linn
Correspondent

Mr. and Mrs. William Spreeman and Mr. and Mrs. Elmer Spreeman of Tecumseh called on friends in town Wednesday evening.

Mrs. Myrl Murray and Mr. and Mrs. George Kirby and Luella Mae and Michael of Milan called on Mr. and Mrs. Elmer Linn, Sunday.

William Beach received word of the death of his sister, Mrs. Eva Wine, which occurred Sunday at Flower hospital, Toledo. Mr. and Mrs. Beach attended the funeral in Toledo, Wednesday.

Mr. and Mrs. Elmer Lewis and Mrs. Ray Lewis of Ann Arbor were guests of Mr. and Mrs. Julian Strong, Sunday.

Mrs. Hattie Wood is spending a few days with her daughter, Mrs. Pearl Schiller of Albion.

GARDEN CLUB — Meeting at home of Miss Ann Carson, 2 p.m. Committee, Mrs. Neil Pearson, Mrs. Kennard Wise and Mrs. Grace Coffey. Program, a workshop on flower arrangement under the direction of Miss Clara Snow of Detroit.

The horns that Michelangelo carved on his statue of Moses in St. Peter's Church, Rome, were the result of a Bible scholar's mistake. The Bible says that rays shone from the head of Moses when he came down from Mount Sinai, and early scholars translated the Hebrew word for "rays" as "horns."

CHECK, COMPARE AND SAVE!

A & P HELPS YOU GET MORE FOR LESS!

Your total food bill is what counts — not just the cost of one or two items. That's why it pays to shop regularly at A&P, where you save on hundreds of fine foods every day. Want proof? Check the prices below against those in other stores. Add up the savings. You'll find they cut your total food bill substantially. Then visit your A&P and compare quality. Determination of Heirs.
STATE OF MICHIGAN,
THE PROBATE COURT FOR
THE COUNTY OF LENAWEE.

At a session of said Court, held at the Probate Office, in the City of Adrian, in said County, on the 20th day of August A. D. 1953.

Present, HONORABLE L. B. KUNEY, Judge of Probate.

In the Matter of the Estate of ELLEN SECOR, (also known as Ellen Stephenson, Eleanor Secor, Eleanor Stephenson, Elen Stephenson and Ellen Seccor) Peter Vincze, successor in title to real estate formerly owned by said deceased, having filed in said Court his petition praying that said Court adjudicate and determine who were at the time of her death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized,

It Is Ordered, that the 14th day of September A. D. 1953 at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition;

It Is Further Ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in the Tecumseh Herald a newspaper printed and circulated in said County.

L. B. KUNEY,
Judge of Probate.

A true copy.

Defendants.

At a session of said Court held at the Courthouse in the City of Adrian in said County on the 19th day of Aug., 1953.

PRESENT: Honorable Henry I. Bourns, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Roberta B. Greenman attached thereto, from which it satisfactorily appears to the Court that the Defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties Defendant in the above entitled cause, and

It further apeparing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said Defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said Defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of J. C. Beardsley, Attorney for Plaintiff, it is ordered that said Defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns.

Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the west 10 feet thereof.

It is further ordered that within forty days Plaintiff cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

Henry I. Bourns
Circuit Judge
R. B. King
Clerk of Circuit Court

Take notice, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Village of Tecumseh, County of Lenawee, State of Michigan, described as follows, to wit: Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the West 10 feet thereof.

10/1 J. C. BEARDSLEY.

VILLAGE OF TECUMSEH COUNCIL MEETING

August 24, 1953
(Adjourned from Aug. 17, 1953)

Present: President Campbell, Trustees McCombs, Beach, Manwaring, Truesdale, Driscoll.

Absent: Rohweder.

Minutes of meetings held August 3, and August 17th read and approved.

An itemized list of bills paid August 24, 1953 is recorded in the Village Clerk's office and is open for public inspection.

Total disbursements for period ending August 17, 1953, $13,735.85.

Moved and supported bills as read be approved and orders drawn up for the same.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

Ordinance regarding Frontage of building lots was tabled until next meeting for the third reading and action.

Petition from property owners in the 400 block of East Pottawatamie street for the installation of curb and gutter was read and accepted and given to the Village Engineer for scheduling in 1954.

Moved and supported that the President and Clerk be authorized to sign the Municipal Maintenance Contract with the State Highway Department.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported E. J. Nelson be designated as "Maintenance Engineer" on the Municipal Maintenance Contract with the State Highway.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

The following resolution was presented for the third reading.

RESOLUTION

The following preamble and resolution was offered by Councilman Manwaring and supported by Councilman Driscoll:

WHEREAS uncertainty has existed among the citizens of the Village as to the period for which their taxes were assessed, and

WHEREAS it is desired that the Village establish a policy as to the period for which taxes are made payable.

NOW THEREFORE BE IT RESOLVED:

That it is the declared policy of this Village that taxes are payable in advance, viz: That taxes assessed and spread during the spring or summer of any given year cover the expenses of the Village for the year following that particular spring or summer.

Motion by Manwaring and supported by Beach this resolution be adopted.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

Resolution by McCombs and supported by Truesdale, Charles Gorton be named to operate and be responsible for the sewage treatment works, and the President be authorized to sign the Certificate for same.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported the meeting adjourn.

Ayes: Beach, McCombs, Manwaring, Truesdale, Driscoll.

Nays: None.

E. M. Campbell, President
Naomi R. Sallows, Clerk

HOSPITAL Notes

BIRTHS

Sept. 1, to Mr. and Mrs. Marvin Martin, Tipton, a son.

Sept. 1 to Mr. and Mrs. Robert Cowen, Tecumseh, a son.

Sept. 1, to Mr. and Mrs. Donald Cook, Chelsea, a daughter.

Sept. 2, to Mr. and Mrs. Clarence Kopka, Britton, a son.

Sept. 2, to Mr. and Mrs. Lee Taylor, Britton, a daughter.

Sept. 3, to Mr. and Mrs. James Braman, Tecumseh, a son.

Sept. 3, to Mr. and Mrs. Earl Cook, Clinton, a son.

Sept. 3, to Mr. and Mrs. Carl Wilson, Deerfield, a daughter.

Sept. 4, to Mr. and Mrs. James Cross, Tecumseh, a daughter.

Sept. 4, to Mr. and Mrs. Jerry Dillon, Adrian, a son.

Sept. 4, to Mr. and Mrs. Paul Hammond, Britton, a daughter.

Sept. 5, to Mr. and Mrs. Paul Burns, Tecumseh, a son.

Sept. 5, to Mr. and Mrs. Henry Young, Tecumseh, a son.

Sept. 6, to Mr. and Mrs. Gordon Scampo, Tecumseh, a daughter.

Sept. 6, to Mr. and Mrs. Dalton VanValkenburg, Tecumseh, a son.

EXCHANGE CLUB

Guest speaker at next Wednesday's meeting of the Exchange Club which will follow 6:30 dinner at the Country Club, will be Harold C. Saakitne, attorney for the New York Central R.R. with offices in Detroit. Mr. Saakitne, who will speak on the general topic of railroads, is a graduate of the University of Michigan and of the Harvard law school and has been a radio commentator at Albuquerque, N. M. and at Boston, Mass., and press secretary for Sen. Clinton Anderson, former Secretary of Agriculture.

GOLDEN RULE CIRCLE

Mrs. Guy T. Pocklington was hostess for the September meeting of the Golden Rule Circle of the Presbyterian church at her farm home south of Ridgeway, Tuesday evening. There was a potluck picnic, the hostess being assisted by Mrs. Cecil Williams, Miss Geraldine French, Mrs. Ronald Harris and Miss Lucile Hawley. The mobile TB chest X-ray program set for Tecumseh Sept. 15 to 21 was discussed and it was requested that any member who could donate an hour or two of time, especially during the afternoon of that period should contact Mrs. Paul Eddy. The next meeting of the circle, October 6, will be at the home of Mrs. Hilda Will.

VFW AUXILIARY

Mrs. Ella Brandt was selected captain of the newly formed VFW auxiliary bowling team at a recent meeting.

The Hall-Slater auxiliary voted to double its hospital quota and send all other quotas to the department. A mother's cabin was approved for the national home in Eaton Rapids. Mrs. Elsie Filter reported on the joint summer picnic.

Next meeting will be Sept. 16.

OPEN HOUSE SUNDAY

Mr. and Mrs. E. J. Aebersold will entertain at their home north of Tecumseh on Sunday, 3 p. m., in honor of their son William and his bride.

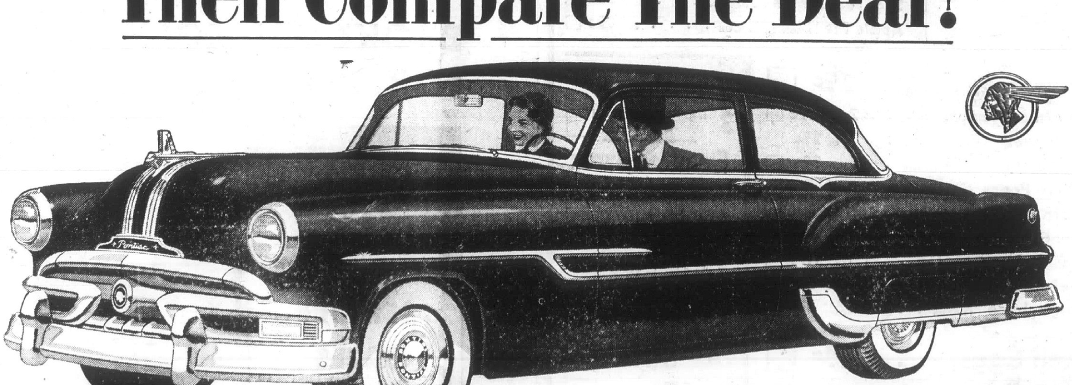
DRIVE IT! PRICE IT!
Then Compare The Deal!



GENERAL MOTORS LOWEST PRICED EIGHT

Even a picture tells you a great deal about Pontiac's beauty, its long lines and substantial feel. But the best way to appreciate what makes Pontiac such a great value is to drive it.

Then you'll know you have a real performer in hand. Pontiac always responds with eager high-compression power—more power than you are ever likely to need. For all normal driving, the engine can loaf—one reason why Pontiac leads such a dependable and economical long life.

There's a great deal more to the Pontiac story: a new ease of handling, beautiful Dual-Streak styling, wonderful roominess, comfort and luxury. And there is Pontiac's PRICE—actually just a few dollars above the very lowest-priced field!

So come in now and drive Pontiac, price Pontiac, compare Pontiac! We're confident that you'll quickly agree that Pontiac is your best dollar-for-dollar deal!

Dollar for Dollar you can't beat a

Marjorie Rosacrans and a girl friend have returned from a 2,600 mile hike through Colorado, Idaho, Montana and Wyoming.

Braun and Bridges have moved to the McCoy building recently remodeled.

The last cement on the Tipton road was poured September 2.

The school enrollment here is 640, the largest in the school history.

1933

Born, Sept. 1, to Mr. and Mrs. Lyle Whelan, a daughter.

Born, Sept. 3, to Mr. and Mrs. Leland Bush, a son.

Dr. and Mrs. P. B. Hardy are in Gallop, New Mexico for the Inter-Tribal Indian ceremonies.

E. S. Manchester and Dorothy Brush of Berea, O., were married Sept. 7 at Berea.

1938

A milk house at the John Conklin farm was destroyed by fire Sept. 6 when a gasoline engine caught fire.

600 students enrolled in Tecumseh schools with 300 in the first six grades.

Betty Bell of Tecumseh has enrolled at the Traphagen School of Fashion in New York for the fall term.

John Conklin Jr. was awarded the first prize on a two-year-old 4-H colt at the state fair last week and the grand champion on all 4-H colts.

Jerry Hammel, Betty Williamson, and Maxine Leighton have enrolled for training at Mercy Hospital School of Nursing.

The street lamp posts in the downtown district have been painted, the base in black with aluminum top.

Mr. and Mrs. L. E. Brown celebrated their 20th wedding anniversary Sept. 7.

1943

Mr. and Mrs. Elmer Russell have moved to Melvindale.

Born, September 2, to Mr. and Mrs. Charles Jones, at Tecumseh hospital, a son.

Certificates to purchase heating or cooking stoves that burn coal, wood, oil or gas, must now be obtained from local board. All dealers must register with local board by September 10.

Schools have opened with an enrollment of 651 which is only five more than last year.

WESTMINSTER LEAGUE

The Westminster League held their first meeting of the new season at the home of Mrs. Barney Goodman last Tuesday evening. Mrs. Goodman was assisted by Mrs. Stanley Kruse, Mrs. Wellington Wotring and Mrs. Otto Meiers. The invocation was given by Mrs. Elmer Wilt and thirteen members answered roll call, with three visitors.

It was announced that the League will serve dinner for the Business and Professional Women's Club, Sept. 25. After the formal meeting had been closed by the Lord's Prayer, Mrs. John Saling gave an interesting account of her visit this summer at the 165th General Assembly of the Presbyterian church, to which she was a delegate.

Refreshments were then served by the hostesses. The October 6 meeting of the League will be held at the home of Mrs. John Curth.

PYTHIAN PICNIC

Saline Valley Farms will be the site of the fourth annual picnic of the Pythians, Pythian Sisters, "Dokies" and Nomads, Sunday, Sept. 13. There will be a potluck dinner, sports and games, including a tug of war. Grand Lodge officers will be there and all lodges of the area are invited.

RIDGEWAY

Elmer Linn
Correspondent

Dinner guests of Mrs. Marcia Baker and sons, Sunday were Mr. and Mrs. Edward Krinns and Carl and Delores, Mr. and Mrs. Walter Krinns of Ann Arbor, and Mrs. Mildred McDonnell of Dearborn.

Mr. and Mrs. Julian Strong have returned from a visit with relatives and friends at Lorraine and Cleveland, Ohio.

Mr. and Mrs. Edward Krinns and children left Tuesday for their home in Capitola, Calif., after a visit with her mother and other relatives.

Mr. and Mrs. Clarence Haughn and daughter of Holloway were recent guests of Mrs. Stella Hite.

Miss Carol Raymond of Milford is a guest this week of Mr. and Mrs. Bernard Bishop.

Mrs. Hattie Wood spent a part of last week with Mr. and Mrs. Claude Crutchfield of Manchester.

Richard Bishop left Tuesday morning for the service. His parents, Mr. and Mrs. George Bishop entertained in his honor Sunday evening several relatives and friends.

This demonstration was worth many hundreds of dollars to me!

I thought only a higher-priced car would suit me. But then I found out how much more Chevrolet offered for how much less!

You're "sitting pretty" behind the wheel
Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around
You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

You get more power on less gas
That's because Chevrolet's two great valve-in-head engines are *high-compression* engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field — the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p "Thrift-King" engine.

Biggest brakes for smoother, easier stops
An easy nudge on the pedal brings smooth, positive response —right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability
You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

You get greater getaway with the new Powerglide*
A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at *any* price.

And it's the lowest-priced line
A demonstration will show *you* that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

Let us demonstrate
all the advantages
of buying a Chevrolet *now!*

BRITTON

Mrs. Andrew Crutchfield
Correspondent

Four young men of this year's graduating class of Britton high school have completed their basic training at Sampson Air Force Base, Geneva, N. Y. and have been transferred to other bases. They are Airmen 3/c Larry Kanous and Frank Vallie who are now at Kessler Air Force Base in Miss., A 3/c Ronald Haas now of New Castle County Air Force Base at Wilmington, Del., and A 3/c Melvin Sanch now at Sheppard Air Force Base, Wichita Falls, Texas. A 3/c John (Bill) Penn formerly of Britton also has completed his basic at Sampson Air Force Base and is now at Kessler Air Force Base, Miss. Herman Fay Steuwe Jr. has enlisted in the Air Corps and is now taking basic training at Sampson Air Force Base at Geneva, N. Y.

Sixteen children were entertained by Mrs. Fred Bryan, local librarian at a frankfurter roast in the village park Thursday night. The group enjoyed an evening of games preceding the roast. These children had read the required number of books during the summer to become eligible for the party.

At a recent meeting of the Methodist W.S.C.S. the date for the church fair was set for October 14.

Russell Spalding, vocational agriculture instructor at Britton-Macon school has returned from a special one-week course in arc welding at the Lincoln Electric Co. plant in Cleveland.

Mr. and Mrs. G. L. Gripton were recently entertained by their sons Glen Gripton and Mrs. Gripton and Edward Gripton and family of Dearborn at a dinner at the Tamerlane Terrace in Clinton in observance of their 57th wedding anniversary.

Mr. and Mrs. Raymond Deck of Ypsilanti with Mr. and Mrs. Charles Benedict spent the weekend at the Benedict cottage at Wamplers lake.

Mr. and Mrs. Rudolph Koczman and children are moving from Dundee into the Henry Croll house.

Mr. and Mrs. William Wonderly and daughter Dorothy accompanied by Mr. and Mrs. George Squires have returned from a week's vacation in northern Michigan. They visited friends and relatives at Benton Harbor, in Wisconsin and Chicago.

Mr. and Mrs. Clarence Exelby and Mr. and Mrs. Garfield Gray attended the Stewlow-Gubbe wedding at the North Blissfield Lutheran church and the reception in Tecumseh Saturday evening.

Recent visitors of Mr. and Mrs. Clarence Exelby were Mr. and Mrs. George Sotz of Jackson and Mr. and Mrs. LaVern Randall of Manitou Beach.

Sunday visitors of Mr. and Mrs. William Cundiff were Mr. and Mrs. James Cundiff of Sylvania, Mr. and Mrs. Warren Filter and children of Tecumseh, Mr. and Mrs. John Slick and sons of Ridgeway, Mr. and Mrs. Charles Goldfine and daughters and Mrs. Konarske of Detroit. Mrs. Goldfine and daughters remained for a week's visit in the Cundiff home.

Mr. and Mrs. Stewart Niblack returned Sunday to Camp Le Jeune, N. C., after spending a week with their parents, Mr. and Mrs. Herbert Gilmore and Mr. and Mrs. W. S. Niblack and attending the golden wedding anniversary of Mrs. Stewart Niblack's grandparents Mr. and Mrs. Ray Gilmore.

Miss Marcella Niblack has returned to Riverside hospital in Toledo after a month's vacation with her parents Mr. and Mrs. W. S. Niblack and other relatives.

Mr. and Mrs. Kenneth Zarnow, Mr. and Mrs. Joe O'Neil and Wilbur and Caroline Scott were Sunday guests of Mr. and Mrs. Nick Grasser and family of Allenton. During the afternoon a group of relatives and friends gathered at the Grasser home to congratulate Mr. and Mrs. O'Neil who were recently married. They were the recipients of many lovely gifts.

MACON

Mrs. Hamilton Moore
Correspondent

The home of Mr. and Mrs. Herbert Gilmore was attractively decorated with yellow candles and bouquets Sunday when they honored Mr. and Mrs. Ray Gilmore on their golden wedding anniversary. One hundred-and-sixty friends and relatives called during the afternoon from Parma, Gregory, Toledo, Britton and Macon. Mrs. Stewart Niblack of North Carolina, their granddaughter, cut the wedding cake and Mrs. Ruth Neidham Miller of Saline, niece, served the punch and tea. Several neighborhood ladies assisted. Mr. and Mrs. Gilmore received many lovely gifts.

Mr. and Mrs. Stewart Niblack left Sunday evening for Camp LeJeune, N. C., after spending the past week visiting relatives.

The Misses Geraldine and Karen Beck entertained at Sunday dinner Wayne Smith of Dundee, Judy and Janet Crittenden, Bud and Bill Gorton and Jimmie Rhoades. Later the group attended the Sub-district Rally at the Macon church.

Mr. and Mrs. Clarence Hall returned Thursday from spending a few days in Ohio visiting friends and relatives.

Wayne Smith, student minister of the Wellsville church was guest minister Sunday at the Macon church. Mrs. Wesley Proctor has been guest organist through the month of August. Mrs. Herbert Morden was soloist Sunday.

Mr. and Mrs. Edward Furlong of Ypsilanti and Mr. and Mrs. Chalmer Bruder and family of Belleville spent Sunday with Mr. and Mrs. Bert Bruder.

Mrs. Herman Mehler and grandson David went to Beulah, Wednesday and her daughter Miss Hallie Jane Mehler, who has spent the summer at the Hill and Dale resort there returned home with them. Miss Mehler will teach again this year in the Britton-Macon Agriculture school.

Philip Zick, five year old son of Mr. and Mrs. Edgar Zick, was taken to the University hospital, Ann Arbor, Tuesday with polio. He underwent surgery, Thursday, inserting a tube in his throat.

Mr. and Mrs. Wayne Walker of New Hudson spent Thursday with Mr. and Mrs. Wade Scudder.

Mrs. Bertha Stiltzo is spending a few days with Mrs. Pearl Kuder and others in the Macon area.

Mrs. Carrie Horton entertained the Macon W.S.C.S. Thursday afternoon with 18 members present. Mrs. Wade Scudder conducted the business meeting and Mrs. Ellen Collins led the devotions. Mrs. Herbert Morden was appointed dining room chairman of the annual chicken supper and bazaar to be held Friday, Oct. 9. Other chairmen apopinted were: Mrs. Mildred Moore, kitchen; Mrs. Elton Osborne, clean-up; Mrs. Ray Gilmore, fancy work; Mrs. Margaret Hall, produce and bake booth. The ladies have received their shipment of household hint books which they have for sale. Refreshments were served at the close of the meeting.

The Macon Youth Fellowship entertained at a Sub-district Rally Sunday, at which five churches were represented with over fifty present. Registration began at 3:45 p.m. followed by discussions and games. Supper was served at 6 p.m. followed by folk dancing and singing led by the Rev. Vaughn Whited. Wayne Smith of Dundee was the speaker of the evening.

ROADMASTER
CUSTOM BUILT BY BUICK

TO you who have yet to drive a 1953 Buick ROADMASTER, we have this to say:

There is waiting for you at the wheel of this car a tremendously satisfying experience—the most magnificent Buick motoring experience of the past half century.

We say this as a matter of straight and simple fact.

For in this automobile—the smoothest-riding, the most maneuverable, and the most instantly responsive ROADMASTER in history—is an engine unlike any other in the world, plus an automatic transmission of similar uniqueness.

Here, you command the first Fireball V8 Engine—the world's first V8 with *vertical* valves—the modern and advanced V8 with the highest horsepower ever placed in a Buick, and the highest compression on the American scene today.

Here, you command distance through the liquid grace of Twin-Turbine Dynaflow—where getaway response is instant and quiet, and power build-up is infinitely, utterly smooth.

Here too, you take a new step forward in fine-car motoring—in the luxury of your ride, the luxury of your surroundings, the luxury of your control, *with Power Steering standard equipment at no extra cost.*

We can give you the details, the reasons, the facts.

But—wouldn't you rather learn the sum total of such things in a road sampling of the greatest ROADMASTER yet built?

We'll be happy to arrange matters. Why not visit us soon?

**Available at additional cost on Roadmaster and Super models only. **Optional at extra cost in Super and Roadmaster Sedan and Riviera models.*

ANNUAL BAPTIST BAZAAR OCT. 9

October 9 is the date that has been set for the annual bazaar and public supper of the Baptist church. A church wide fund raising project, this is one of the major undertakings of the year and is under the general chairmanship of a committee composed of Mr. and Mrs. Floyd Barrett, Mr. and Mrs. Roscoe Hewlett and Mr. and Mrs. Dow Bilby.

Departments and committees announced include, aprons, Everready Class, with Mrs. Burt Gray, Mrs. Jay Morse and Miss Elizabeth Chase; fancy work, Good Cheer Class, under Mrs. Floyd Bryan and Mrs. Ernest VanVleet; baked goods, Happy Home Builders, with Mrs. Lyle Grigg, Mrs. Llewellyn Sisson and Mrs. Carl Kempf; candy, Senior Fellowship under Norma Bilby, Janet Bashore and Linda Sisson; novelties, Junior Fellowship, Robert French, Bruce Packard, David Grigg and Earl Bilby; fish pond, little folks with Ann Grigg and Jean Nettleman; and the Country Market, Men's Class, George Green, Harley McConnell, Leslie Becker, Ernest Harris, Lyle Grigg and Llewellyn Sisson.

Table decorations for the supper will be in charge of Mrs. R. S. Moore; dining room committee, the Charles Stevensons, chairmen, the Lawrence Holdridges, Harold Eastons, Carl Fosbenders, Jerry Dolaces, Harold Kelsos, Harold Blacks, James Danforths, Charles Belands, Orville Bishops and Marion Morses; kitchen committee, chairmen, the Roscoe Hewletts and the Dow Bilbys, Mills Swicks, William Griggs, Cy Baileys, Harold Davidsons, Floyd Barretts, Harley McConnells, Arlie Becker, Lulu McConnell and Lillian Owen.

—o—

FORMER RESIDENT WED IN ROSCOMMON

A wedding of interest to many in Tecumseh was that of the daughter of Mr. and Mrs. Harold Treat, former residents who now live in Roscommon. Barbara Joan Treat was married to William R. Herrin of Roscommon last Saturday evening in the First Congregational church with the Rev. D. D. Brady officiating.

Wearing Chantilly lace over nylon tulle and satin, made in waltz length with a veil of imported French illusion held by a pearl trimmed Juliet cap, the bride carried an arm bouquet of roses and white stock. Her attendants wore gowns of myrtle green and apple red irridescent silk over taffeta and had matching heart-shaped headdresses.

After the ceremony a reception for 250 guests was held at the Pioneer Hill Sports Lodge. Mr. and Mrs. Herrin will live at Kalamazoo where he is a student.

MACON

LEWIS—OSBURN

Miss Alice Mary Osburn became the bride of Leon Arthur Lewis in a wedding beautiful in its simplicity Saturday afternoon at 2:30 at the Macon Methodist church. The bride is the daughter of Mr. and Mrs. Garland Osburn of Macon and Mr. Lewis is the son of Mr. and Mrs. Arthur Lewis of Holloway.

Bouquets of garden flowers and white candles decorated the altar of the church and the ceremony was performed by the Rev. Vaughn Whited, pastor of the church.

The bride, given in marriage by her father, wore a blue marine velvet suit an da corsage of white carnations.

Mrs. William Osburn, as matron of honor, wore a suit of winter blue with charcoal grey accessories and a corsage of white bebe mums. The bride's brother, William Osburn, attended Mr. Lewis as best man.

For her daughter's wedding Mrs. Osburn chose a turquoise blue dress with blue accessories. Mrs. Lewis wore a navy blue dress with accessories of pink and black.

A reception was held at the home of the bride's parents. A tiered wedding cake was topped with miniature bride and groom. The Misses Inez and Cheryl Mickel assisted in serving.

Both Mr. and Mrs. Lewis are graduates of Tecumseh high school and Mrs. Lewis has been employed at the Button Factory in Tecumseh. Mr. Lewis served with the U. S. Army in Korea and is now engaged in farming. They will live in an apartment on the Lewis farm near Holloway.

Philip Zick, five year old son of Mr. and Mrs. Edgar Zick and a polio patient at University hospital, Ann Arbor, is showing some improvement. Philip has had polio and pneumonia for two weeks.

Mr. and Mrs. Bert Bruder spent Sunday with their son Chalmer Bruder and family in Belleville.

Friday callers in the Clarence Hall home were Mr. and Mrs. Charles Biddle of Ypsilanti.

Mr. and Mrs. Kenneth Johnston and family have returned from a trip through the west. They called on Capt. and Mrs. James B. Clark and family in Spokane, Wash.

Mr. and Mrs. Elwin Bugbee are spending several days at their cottage at Clear lake near Johannesburg.

Larry and Jerry Dicks of Tecumseh spent several days visiting their grandparents, Mr. and Mrs. Joseph Bock last week.

The Macon Extension Club met at the home of Mrs. Joseph Bock Tuesday afternoon. Sixteen members and two guests were present. New officers elected were: Mrs. Lawrence Ash, chairman; Mrs. Julia Johnston and Mrs. Marie Kahle, project leaders; Mrs. Miller, secretary and treasurer.

The Macon Homemakers Extension Club will meet Thursday, Sept. 17 at Moore's recreation building to make trays.

Twenty-six Macon young people met Sunday evening at the church. Eddie Clark was leader for the evening and plans were made for the food booth for the Chelsea Home to be held early in October.

Mr. and Mrs. Charles Bigelow and family returned Labor Day from their Hill and Dale resort cottage on Crystal lake, where they have spent the last three months.

One hundred-and-fifty Tecumseh Grange members enjoyed a hot dog roast and picnic Thursday evening at the home of Mr. and Mrs. Verl Sanch.

Mrs. Miller of Manchester visited her daughter and family, Mr. and Mrs. Charles Howell over the Labor Day weekend.

Mr. and Mrs. Ross Biddle are spending two weeks at Waters, Mich.

Mr. and Mrs. Hamilton Moore and sons spent Saturday at Amherstburg, Canada and Bob-Lo.

The September meeting of the Macon Community Club will be held at the home of Mr. and Mrs. Joseph Sheward, Tuesday, Sept. 15 at 8 p.m.

Pvt. Larry Osburn of Camp Wood, N. J., flew home Saturday for the wedding of his sister Alice Osburn. He returned to camp by train, leaving Sunday evening.

TECUMSEH, MICHIGAN, SEPTEMBER 17, 1953

FIVE CENTS A COPY

One-Third Of '53 THS Senior Class Join Over Fifty Tecumseh Students In Scattered Colleges This Autumn

From Homemaking to Medicine, Drama, Business, Nursing, Engineering, Agriculture and Journalism, are but a few of the varied subjects some two dozens — out of 65 — members of last June's graduating class will study this fall on scattered college campuses.

This high percentage is not new for Tecumseh, as local THS alums have consistently gone on for higher learning. This year a total of over 50 from here will leave for colleges and universities.

From the class of '53, these have selected further education at the following colleges.

Michigan State — Merlyn Wagner, Agricultural Engineering; Nancy Treby, Elementary Education; Joan Pfaus, Business Education; Diane Dillon, Elementary Education; Jack Betzoldt, Engineering; Marian Titley, Journalism.

Michigan Tech — Bob Binns, Bill Beardsley, Melvin Boltz (not pictured).

U of M — Jerry Barron, Dentistry; Irma Brollier, Science; Gail Claxton, Science; Nancy Kinietz, Nursing; Tom Naser, Medicine; Pat O'Brien (not pictured, will begin in February) Library Science; Gretta Porter, Speech - Drama.

Other colleges — Siena Heights, Mary Lou Alderdyce, Homemaking; Hillsdale, Peter Brock, Liberal Arts; Adrian college, Jeane Conlin, Liberal Arts; St. Joseph Nursing school, Kay Morden; Mich. State Normal, Lorissa Peotter, Education; Stephens College, Margaret Touborg, Liberal Arts; Ohio State, Jim Wilson, Liberal Arts.

When these freshmen leave for their first college classes, they will be among a large army of other Tecumseh students who have gone ahead to scattered institutions.

Among those going to Michigan State are Carl Freckleton, John Sisson, Beverly Hay, Jolene Barron, Richard Hubbard, Cathron Hicks, Pauline Bagshaw, Robert Marsh, Howard Pennington, Robert Hall and Richard Whelan.

U of M — Kenneth Swartz, Gerald VanValkenburg, John C. Cameron, Catherine Sisson, Gordon Keyser, James Sisson, Richard Watkins and Tom Judd.

Michigan Normal — David VanWinkle, Gordon Garlick and Shirley Teske.

Some of the many other college students from Tecumseh will be Russell Hubbard, Michigan Tech; Jack Peotter, Jackson Jr. College; Nita Spangler, Coty College, Nevada, Mo.; Joan Lewis, Sparrow Hospital, Lansing; Barbara Schoech, University hospital; James Breitenwischer, Notre Dame; Tom Rohweder, Western Reserve; Dick Pearson, Boston University.

Spirited Indian Gridmen Invade Addison Friday

Spirits for an open game victory were high in chalk-talk and scrimmage sessions this week as Tecumseh's speedy high school Indians eyed Friday night's invasion of Addison.

Coach Lester Runk drilled on a single-wing offense built around shifty Bill Benham who runs from the right halfback position.

Runk said few of the starting spots were "sewed-up" for Friday night's opener but tabbed these lads as top candidates for the kick-off line-up.

Ends—Jim Bowser and Bill Brown

Tackles—Roger Butler and Phil Stutesman

Guards—Bob Benham and Tom Baldwin

Center—Marvin Yoakum

QB—Alroy Vanderpool

HB—Bill Benham and Albert Hart

Fullback—Dave Scutt

Rounding out Friday's traveling squad to Addison are LeRoy Betzoldt, Bill Every, Clarence Harvey, Charles Phillips, Arnold and Harry Withrow, James Whitecotton, George Tilton, Tom Neittling, Max McLaury, Ed Lewis, Doug Hooten, Bud Hoffman, Joe Gregory, John Arft and Dennis Farley.

Inexperience and a "thin" backfield failed to dampen Indian spirits as the squad worked hard in practice, as they have for three weeks. Coach Runk had nothing but words of praise for their willingness and a hopeful prediction for victory.

The Indians return home the following Friday night for a local opener with Hudson.

Charter Commission Undecided On Best Form Of Future Government

Immediate City Manager Change vs Optional Form

How much closer could you get to actually deciding the future of your own community than by advising the charter commission—which is nothing more than a planning group to carry out public opinion—on the future course you think best for Tecumseh to follow?

Tecumseh needs the modern efficient city form of government, as has been known for sometime and proven at a recent election.

The old village charter was antiquated and inadequate for today. It limited the powers of local government, it defeated progress, it stood in the way of economical, up-to-date development in a rapidly changing and advancing age.

This was generally understood, so a commission was elected to prepare a new charter and map a course for the city's future. After three months of bi-weekly sessions of detailed examination, the group has selected from many proposed forms, two which would locally fill the community's needs.

The only question left before a final draft is prepared, remains, which is best for Tecumseh? To make a clean break and go to the Manager Form? Or to make a partial break now, retain some of the old village council ways in a City Council with an option written into the charter for future change to Manager Form, if and when deemed advisable by the council?

Each plan has its advantages, thus the voting public is urgently requested to use the "straw vote" ballot to let the commission know which way the wind blows.

- IMMEDIATE CITY MANAGER CHANGE

This form represents an immediate clean break from the old to the new. City manager form is popular in many Michigan communities, it is said to be very efficient as the manager employed by the city is a highly trained technician, skilled in the business of running a city with its many departments and varied phases. His duties are spelled out in the charter.

The charter group favoring this plan explain the city manager as a "general manager" of the community. In a business parallel, the electors are the same as the stockholders of a corporation, the council remains as equivalent to the board of directors, and the manager follows their policies in directing the operations of the corporation.

The group favoring this plan sincerely feel a moral obligation to the voters whom they feel voted the change with hopes of manager form. City manager was written between the lines of the campaign literature to Vote Yes.

- COUNCIL WITH OPTIONAL CHANGE

On the other hand, a group of charter members feel Tecumseh's voting public prefers to retain the advantages of the present form and to abolish, as they see fit, any disadvantages. This plan is more flexible, a change could easily be made back and forth between the two systems as circumstances change. If a manager were hired in the future, his duties and responsibilities could be altered as they would not be written into the charter but set up by the council according to resolution.

Both plans have been, and at present are, being used successfully in the state. Whichever you prefer, designate on the ballot, your vote will decide Tecumseh's future.

Mobile X-ray Unit Is Popular Place

Most popular place in Tecumseh this week is the mobile chest X-ray truck parked in front of Butler Motor Sales.

For actual "hundreds" verged from all points of the Tecumseh area on the free one-minute public health service since it set up shop on Chicago boulevard Tuesday afternoon. Mrs. Hilda Will and her co-workers were pleased with the tremendous response the first two days, but are anxious to have more adults take advantage of the wonderful opportunity.

The unit will continue to operate here on Friday from 9 to 5 and on Monday from 9 to 5. No X-rays will be taken Saturday. So again all persons from 15 to 115 are urged to get their free chest X-ray while the unit is here in Tecumseh.

Those whose chests are found to be apparently normal will receive a card from the Michigan State Health Department to tell them so. Those whose chest X-rays seem to indicate something not normal will receive information and advice which will be confidential to the individual, to his doctor and to the County Health Department.

On next Tuesday the unit will move to Deerfield where it will be set up at the High School and will operate on Tuesday and Wednesday.

Tuberculosis is a treacherous under cover operator. It sneaks up on you with no warning symptoms. Why not be sure your lungs are O.K.?

TO SHOW FILM

A returned missionary from Alaska, the Rev. Stafford Anderson, will show a colored film, depicting the industry, people, and scenic beauty of that country next Wednesday evening, September 23, at the Assembly of God beginning at 8 p.m. The picture takes more than an hour and a half to show and has been described as one of the most complete and interesting of its kind.

Women Golfers In Spotlight Saturday

Plans for Doe Day at the Country Club Saturday under the sponsorship of the Women's Association, are reaching completion. Chairman of the event, Mrs. O. W. Laidlaw, announces that there will be regular golf beginning at 9 a.m. and crazy golf at 11, with cards all morning for those who wish. A snack bar will also be open all forenoon with buffet luncheon at noon, in connection with which there will be a parade of costumes. All who wish may come in costume although this is not a requirement as all members and guests are welcome. It is recommended that reservations be made early.

Highlight of the afternoon will be the floor show under the direction of Mrs. Ray Sluyter which promises to be very entertaining. The committee reiterates that this event is strictly for ladies only.

In other recent activity at Tecumseh's Country Club, three teams tied for President's Day honors Sunday, Art Geisenhaver and Frank Purcell, Joe Lane and Ellis Dersham, Don Smith and Al Merz.

LEGION AUXILIARY

Recently elected officers of the American Legion Auxiliary will be installed at a special meeting Monday evening at the Legion Home, 8 p.m. Mrs. Louis Schneider Sr. will act as installing officer.

Delegates and alternates to the fall conference will also be elected at this meeting, and new officers of the Britton Legion Auxiliary will be installed by the local ritual team.

Accident Fatal To John A. Austin, 81

BURIED TUESDAY AFTER LONG INDUSTRIAL LIFE

A half century's leadership in the industrial life of Tecumseh ended early Sunday morning when John A. Austin died in Herrick Memorial hospital. He was 81 and had been connected with local industry since moving here from Macon before the turn of the century.

JOHN A. AUSTIN

Men who worked under him at either the old H. Brewer & Co. foundry where the Products now stands, or at the Cramer Engineering Co., now located on north Pearl, praised him as the "best man they ever worked for." He was a master of engineering, mechanics and machine tooling.

The accident which took his life, like all accidents, was uncalled for. It happened at the intersection of north Evans and Logan when a car driven by Bill Brown, Jr., Rt. 2 Adrian, hit the back end of the Austin car when the local man was driving across Evans. Brown had forced a car off the road just before hitting the Austin car and is said to have been traveling at a high rate of speed. He had been drinking. His two companions in the car fled the scene of accident Saturday morning.

Brown is charged with negligent homicide. His father, Bill Brown Sr., said his accused son can neither read nor write. They moved to Tecumseh from Virginia in 1942. The father had worked for Mr. Austin and said, "There was never a finer man he had ever worked for."

Austin failed to regain consciousness after the accident.

He was born July 27, 1872, in Macon. This picture was taken in the 1920's when he was plant manager of the Brewer foundry. He held the same position with the Cramer foundry the day of the accident.

Funeral services were held Tuesday afternoon at Collins Funeral Home with the Rev. Ronald Brunger officiating. Burial followed in Brookside cemetery. Pallbearers were Robert Camburn, Max Camburn, Clare Camburn, Harry Duncan, Robert Bryan and Oscar Bryan, all nephews of the deceased.

Surviving are a son Raymond and grandson Keith, Libertyville, Ill.; a sister, Mrs. Eva Camburn, Macon; two brothers, Lavern, Tecumseh and LaMont, Lansing; and several nieces, nephews and cousins.

His wife Maude Irene Dove preceded him in death, March 26, 1951, and also four sisters died previously, Mrs. Minnie Cameron, Mrs. Cora Fields, Mrs. Grace McCoy and Mrs. Augusta Pennington.

CORRECTION

United Products Workers sponsored Bruce Packard on the Boy Scout excursion to Philmont Ranch in New Mexico this summer, not the Veterans of Foreign Wars as stated in last week's Herald.

Citizens Asked To Give "Straw Vote" Opinions

When Tecumseh selected nine charter commissioners to blueprint the future of a larger incorporated city, they selected wisely — for a "straw vote" appeal this week evidenced their efforts to fit the best wishes of the people of the community's needs.

No one-track commission, the charter group has weighed the benefits of numerous forms of possible government for Tecumseh, and in session this week narrowed the field to two, city manager form or city council form with option to become city manager type as future needs require.

To see which way the "wind blows" a straw vote was asked and the below ballot prepared for every citizen within the new incorporated boundaries to cast as a basis of public opinion.

Complete the "straw vote" ballot this week and either mail it or leave it at the Village Clerk's office, 114 South Evans street. On the basis of this opinion, the commission will complete a charter for future presentation to the public for final vote of ratification.

Tecumseh, Michigan — September 17, 1953

STRAW VOTE BALLOT

vote for one only

☐ In favor Of Immediate City Manager Form For The Future City of Tecumseh

☐ In Favor Of City Council Form With Option To Change To City Manager Form As Future Requires For The City Of Tecumseh

Additional ballots are available at the Village Business office. Every eligible citizen may vote. Results will be announced next week.

Big Ones Didn't Get Away

WOOD
GRAND MARAIS

Over-sized Lake Trout were in order when three Tecumseh families recently went trolling in Lake Superior off Grand Marais in the Upper Peninsula. Shown behind a half dozen whoppers are, left to right, Al Musch, Jimmy Beach, Mrs. Musch, Leon Williamson, Mrs. Chet Beach and Chet and Mrs. Williamson. It was Leon Williamson who landed the 18-pounder in center.

Teachers, Parents Will Get Acquainted At Central School Reception Tonight

A public reception at Central school tonight will give Tecumseh parents their first chance to shake hands with the teachers who will direct the academic training of some 1500 boys and girls for the next nine months. The annual affair, which starts at 8 p.m., is sponsored by the Parent-Teachers Association.

Reception hosts will be Supt. and Mrs. James McDowell, Mr. and Mrs. Neville Hart, Mr. and Mrs. Earl Greene and Mr. and Mrs. Wayne Kaiser.

Following the introduction of parents to teachers a program of interest to all will feature the parent's place in modern education. Refreshments will be served.

P.T.A. officials point out the importance of this initial activity each year and invite all parents to meet the community's fine teaching staff and know more of the public school system.

An active and worthwhile schedule of events for the forthcoming school year is planned by the following P.T.A. officers.

President, Mrs. Wellington Wotring; vice president, Mrs. Murray Day; teacher vice president, Miles Runk; secretary, Mrs. George Anderson; treasurer, Mrs. Harry Beland; historian, Mrs. Lawrence Price and parliamentarian, Rev. B. O. Bashore.

The membership committee consists of Mrs. James Barton, chairman, Mrs. Clyde Smith, Mrs. Frank K. Smith, Mrs. Maynard Lucas and Mrs. James Gabler. Mrs. Day and Mr. Runk are co-chairmen of the program committee and will be assisted by Mrs. Wilmer Kaiser and Mrs. Charles Ireland. Mrs. Mahlon Sebring is chairman of the hospitality committee which is to be named.

Mrs. Earl Roe, chairman, and Mrs. Richard Preston are the used clothing committee, always an important project of the association, and Mrs. Frederick Dickinson heads the room mothers' committee. Mr. and Mrs. James Elliott and Mr. and Mrs. Robert Hanna will have charge of the P.T.A. dances which are held after all football games during the fall season.

TOWNSHIPS vs ECONOMY — Michigan taxpayers now have been served with official notice that any attempt to correct the state's chaotic and unfair financial system by consolidation of useless township governments will be fought to the bitter end.

Notice came in the form of an announcement by the Michigan State Association of Township Officers that a nine-county nucleus organization had been set up to oppose any move to abolish the state's township governments. Additional units of the new organization are to be set up in the other 74 counties, according to the report.

This action followed the launching last month of a crusade designed to bring about much needed reform in the state's present system of tax distribution, which results in all but 26% of the half-billion dollars collected annually, going to the more than 6,000 units of local government which have mushroomed into existence during the past century. Named with INSIDE MICHIGAN magazine as opponents to township government are the Michigan League of Municipalities and the "Little Hoover Commission."

In its September issue, the magazine continues to stress the fact that a large part of the state's present financial difficulty is caused by the township tax grab. It points out that for the past two years teams of political scientists have been probing Michigan's local government and reporting incredible inequities, particularly as they involve the townships.

The INSIDE MICHIGAN article states, "There is no longer any excuse for tolerating the expensive, politics-ridden township form of government."

"Townships are an artificial barrier between the state and the county, which jointly perform all the services, and the taxpayer who pays the bills. Townships **(which receive 77 per cent of their entire income from state taxpayers!)** cost the taxpayers millions of dollars and not only accomplish nothing, but hinder, delay and complicate county efforts to help the people."

"Townships are essentially local political lobbies which perpetuate themselves in power by controlling nominations to the lower house of the Legislature and by that means directing the course of all legislation affecting local government."

"The effect of this multiplicity of fee-paid and small salaried job-holders in the townships is to hold on the public payroll a percentage of the township population which is the same as quartering on the helpless population a permanent army of occupation."

In citing examples of how the townships enjoy "special privilege" in the matter of state tax allocations, the article cites the abuse of that section of a law (township inspired) which forces the state to pay out $6.15 in cash for every township resident, men, women and children. Under this law, townships have been collecting the $6.15 per head for every prison, hospital, asylum, reformatory or children's home inmate within the township limits, although such persons are wards of the state.

In Blackman township, Jackson County, last year $37,562.50 extra was collected by the township because the 5,850 inmates of Jackson prison "resided" in the township. Nankin township, Wayne County, gots its $6.15 per head for the 3,555 inmates of Wayne County General Hospital and for the 3,915 patients at Eloise mental hospital. Lapeer county's Lapeer township drew more than $35,000 "extra" because of the training school there.

In showing how the township "gravy train" works, the article emphasizes this fact: The average per capita township tax in the 1266 townships is **under** $1, while the average per capita state aid to all townships, **regardless of need**, is $7.65.

Farmers, too, the article asserts, are becoming alarmed at some of the inequities in effect in many townships. They are eying the township political structures with considerable suspicion, now that they have found out that their farms are heavily assessed while real estate developments on main highways outside cities and villages are notoriously **under assessed.** They are finding out that in many instances such developments are business projects in which the township supervisor is interested and inasmuch as he is the township assessor, his assessments often are dictated by his business interests.

According to D. B. Kinsey, research director of the Michigan Farm Bureau, the article states that farmers are beginning to object to the township structure on five grounds, not the least of which is the fact that the assessors know farm values and assess them to the limit while they are not sure of residential values and under value such property.

MACON

Mr. and Mrs. Ralph Halladay spent Saturday and Sunday with relatives in Delta, Ohio.

Mr. and Mrs. Wade Scudder spent Sunday with her parents, Mr. and Mrs. Ralph Walker in Dansville.

The September meeting of the Macon W.S.C.S. will be held Thursday, Sept. 24 at 1:30 p.m. at the home of Mrs. Lois Jordan. Members of the group have been invited to Clinton Friday, Oct. 2 for a potluck supper at 6:30. At 7:30 p.m. Miss Parks, a returned missionary will speak.

Mr. and Mrs. Leon Lewis returned Friday from their wedding trip through northern Michigan.

About 40 Macon people attended the Singspiration service held Sunday at the Palmyra Presbyterian church. The Macon choir sang. The next Singspiration will be held in Tecumseh Methodist church October 18.

Mr. and Mrs. Jack Barritt returned Saturday from a week's trip through northern Michigan.

Born, in St. Joseph hospital, Ann Arbor, a daughter, to Mr. and Mrs. Floyd Spence, Jr.

Karen Swanston, Lenora and Truman Jordan and Kenneth Van Valkenburg were in Plymouth, Sunday afternoon attending the Ann Arbor district youth rally.

Mrs. Hamilton Moore attended the executive board meeting of the Ann Arbor district W.S.C.S. officers held in Ann Arbor Tuesday at the home of the president, Mrs. Ruby Klager.

A large group attended the installation of the Rev. Vernon Schwartz as pastor of the Immanuel Lutheran church, Sunday afternoon at 3:30.

Rally Day will be observed in the Macon church September 27 during the Sunday school hour.

---o---

MUSIC CLUB

The Music Club opened its new season Tuesday evening with a program of two piano duets at the home of Mrs. W. G. Waldron. Music was preceded by a "Pay-Your-Dues" potluck supper for about thirty members.

After a short business meeting conducted by the president, Mrs. Thomas Gallant, Mrs. Waldron announced the following program, "March Militaire" and "Dance Caprice" by Greig, with Mrs. Lester Runk and Mrs. Thomas Gallant at two pianos; "Lieberstraum" Liszt, played by Mrs. Murray Day and Mrs. John Hamilton; "Bist Du Mir," by Mrs. Wilber Boyce and daughter Julia; "Habenera" from Carmen, played by Mrs. H. W. Dillon and daughter Diane; "Malaguena" by Lecuona, a Spanish number played by Mrs. John McColl and Wilfred Waldron; "Blue Danube Waltz" of Strauss by Mrs. Eleanor Schippers and Mrs. Arthur Schwartz; and an eight-hand, two piano, rendition of "Homage to Verdi" played by Diane Woodward, Brenda Porter, Mrs. W. G. Waldron and Wilfred Waldron.

BRITTON

ENROLLMENT INCREASED

Supt. Rudolph Koczman reports a 33 percent increase in enrollment at the Britton-Macon Agricultural school. A total of 461 students have enrolled.

The staff and assignments are as follows: Mrs. Lillian Miller, kindergarten; Mrs. Lillian Kniffen, first; Mrs. Anna Smith, second; Mrs. Geraldine Beal, third; Miss Mary Jane Prichard, fourth; Mrs. Marian Barrett, fifth; Mrs. Harold Prielipp and Richard Redd, sixth and art; William Saxton, principal and coach; Russell Spalding, agriculture; Miss Patricia Hovis, homemaking; Kenneth Kennemur, idustrial arts and mathematics; Alvin Geirman, English and Latin; Richard Lower, band and vocal; John Swain, social studies and coach; Mrs. L. Eichenaur, commercial and Miss Edith Buffett, girls physical education.

New courses open to the students are public speaking, art, industrial arts and physical education for girls. Football has been added, with games scheduled with Petersburg, Ida, Adrian Catholic Central, Deerfield and North Adams.

The Rev. and Mrs. C. A. Bearinger are having open house at the newly purchased parsonage, 344 N. Main St., Saturday from 1:30 to 4:30 p.m. and 6:30 to 8:30 p.m. Friends in the community are invited.

The Rev. Otto M. Riedel, visiting pastor for the Jackson circut, was in charge of the services Sunday afternoon when the Rev. Vernon Schwartz was installed as pastor of the Lake Ridge Immanuel Lutheran church. A reception was held in the church basement following the services.

Mr. and Mrs. Paul Jungel of Lawrence were Saturday overnight guests of Mr. and Mrs. Cass Zeluff. The Zeluffs, who have spent nine weeks at Reynolds Lake, returned to their home with the Jungels. Mr. and Mrs. Richard Zeluff of Clinton visited in the Zeluff home Sunday evening.

Virgil Bortel returned home Sunday from the State fairs in Detroit and Columbus, O., where he exhibited sheep.

Ben Beasley, Clay Croll, Mrs. Sam Patterson, Mrs. Harold Miller and Mrs. Virgil Bortel were in Adrian Saturday where they attended the funeral of James Anderson, a former Britton resident.

Mr. and Mrs. William Kuster returned home Sunday from a trip to Copper Harbor. They came home by way of Wisconsin and spent the weekend with their son, Robert Kuster and family of Valparaiso, Ind.

Mrs. James Gephart with her infant son Gregory George returned Sunday to the home of her parents Rev. and Mrs. E. H. DuBois from Toledo hospital.

Mrs. Lee Taylor with her baby daughter Peggy Lerene has returned home from Herrick hospital.

Orville Van Brunt of Irvington, N. J., is a guest of Mr. and Mrs. Harold Prielipp and family and visiting relatives in the vicinity.

---o---

FLORENCE WELD GUILD

Mrs. D. W. Beck and Mrs. John Lott were hostesses for the September meeting of the Florence Weld Mission Guild at their home Monday evening. Twenty-three members gathered for the bountiful potluck supper at 6:30, after which the president Mrs. Thomas Hamilton conducted a short business meeting. Mrs. Alta Boyce had charge of devotions and the program chairman, Mrs. Albert Jahn, then introduced Mrs. John Saling, who gave a most interesting account of the meeting of the National General Assembly at Minneapolis which she attended this summer.

Local Topics

The eighty-fourth birthday anniversary of Mrs. Charles Lister occurred Tuesday, and on Sunday the occasion was celebrated by a potluck dinner in her honor. The guests were, Mr. and Mrs. Leonard Beasley, Durand; Mr. and Mrs. Clark Lasey and son, Ovid; Mr. and Mrs. Leon Beasley, Monroe; Mr. and Mrs. John Schmidt, Dundee; Mr. and Mrs. Charles Davidson, Detroit, and Mr. and Mrs. William Spreeman and Mrs. Alvira Tucker, Tecumseh. The celebration was a double one, for it also marked the birthdays of Mr. and Mrs. Davidson.

Mr. and Mrs. William Custer spent part of last week visiting relatives in Dundee and Monroe.

Mr. and Mrs. Lewis Richards and children were in Detroit, Sunday to see Mrs. Richards' brother, Elmer Hewett who is a hospital patient there.

Mrs. A. B. Bennett of Charlevoix has been a guest this past week in the home of Mr. and Mrs. L. W. Johnston.

Mrs. Donald Mueller, who makes her home at present with her parents, Mr. and Mrs. Percy Cadmus, has received word that her husband, Pfc. Donald Mueller will leave Korea about Oct. 15. He has been stationed there as a cook since last January and on his arrival in this country expects to receive his release from the army.

Robert Tam represented Boy Scout Troop 73 sponsored by the Products Union and Grenval Spangler, Explorer Troop 47 sponsored by the VFW at a Scout planning council held Saturday at Camp Kanestake, Washington Lake.

Mr. and Mrs. W. H. Schwartau and son of New York City have been guests this week of Mrs. Schwartau's mother, Mrs. Maude Bell. They returned home today.

Miss Jolene Barron and Robert Fee came from Detroit last weekend for a visit with her parents, Mr. and Mrs. Keith Barron. Miss Barron, who has been employed in the insurance firm of Mrs. Wade Jones of Detroit, will enter Michigan State College next week.

Mrs. Charles Butler is entertaining Mr. Butler's sisters, Mrs. Charles Gorham and Mrs. Alice Scott of Battle Creek this week during the absence of Mr. Butler who is one of the group of Tecumseh men hunting elk in Wyoming.

Mrs. Joseph Glenn of Wayne, who before her marriage was Jean Kopka, daughter of Mr. and Mrs. Kenneth Kopka, Tecumseh, was seriously injured in an automobile accident two weeks ago. She is in Wayne County Receiving hospital at Eloise and is only now considered off the critical list.

Mrs. John McColl is teaching vocal music in the Adrian public schools this year.

Glenn Lewis is a patient in Herrick Memorial hospital following an emergency appendectomy operation.

I'm Often Wrong

By Neil Hunter

Sorry, no room, ads squeezed me out. Better luck next week!

RECEPTION SUNDAY HONORED NEWLYWEDS

Mr. and Mrs. E. J. Aebersold entertained at an informal reception for more than 150 friends and neighbors, Sunday afternoon at their farm home north of town, honoring their son and his bride, Mr. and Mrs. William Aebersold, who were married August 26.

Bouquets of beautiful gladioli arranged by Mrs. Herbert Murphy made an attractive setting for the serving tables where Mrs. Clarence Beach, Mrs. Ernest Brandt, Mrs. Charles Allen and Mrs. Maurice Baldwin poured the tea and coffee, while Mrs. Charles O'Neill served the punch.

Mr. and Mrs. Archie Porter and Mr. and Mrs. Herbert Murphy assisted the hosts in receiving their guests and Mrs. Roscoe Hewlett and Mrs. Merle Melotte aided Mrs. Aebersold in serving.

Among those from out-of-town were Mr. and Mrs. Maurice Baldwin, parents of the bride, and Mr. and Mrs. Harold Lankey of Pontiac, and relatives and friends from Detroit, Grosse Ile, Adrian and Britton.

LOCAL ORGANIZATIONS SERVE MEALS AT FAIR

Tecumseh will be well out in the lead in the culinary department at the Lenawee County Fair next week. Both the Tecumseh Grange and the Baptist church will serve meals and lunches on the grounds for the entire week. The Baptist committee will be headed by Mr. and Mrs. Roscoe Hewlett, who with other members will live on the grounds and will be joined each day by a new group of helpers. Both organizations will be housed in tents and both feature homebaked pies.

The Grange has inaugurated a new system of cafeteria serving which they have found very efficient and, in addition to regular meals, will furnish lunches at all hours. Mrs. Percy Cadmus, Grange home economics chairman, announces to members that pie tins to be used for homemade pies are available at her home at any time.

ART EXHIBITION ATTENDED BY 200

More than two hundred people from all parts of Lenawee county and elsewhere attended the exhibition of the paintings of Mrs. Phyllis Peterson and Russell Steinke at the Country Club last Thursday afternoon and evening. There were artists, would be artists and those who "just knew what they liked." And all found something to like in the thirty-nine pictures on show.

Comments were as varied as the pictures and the people, but there was agreement that Tecumseh was fortunate to entertain two such talented artists and there was general satisfaction that their association was to continue. For although Mrs. Peterson will not teach the Adult Education classes this winter, she will be available for private lessons, and Mr. Steinke, who left Friday for New York City for another year of study under Louis Bouche at the Art Students League will return to Tecumseh and the Red Pond next summer.

Illustrative of the large area represented by those present was the fact that the door prize, an oil by Mrs. Peterson, was won by Darwin Smith of Lodi, N. Y., a former teacher in Tecumseh's schools and a guest of Mrs. Earl Lindsley. Other visitors came from Cleveland, Toledo, Ann Arbor, Saline, Battle Creek, Coldwater, Birmingham and Adrian.

Mrs. Neville Hart and other ladies of the Country Club association who made the show possible, expressed much gratification over the success of their work and the hope that it will be only the first of many.

LOCALS

Word has been received that the condition of Dr. Ralph Helzerman, who underwent surgery Tuesday morning at Good Samaritan hospital, Cincinnati, is considered satisfactory. He will be in the hospital at least another ten days. His room number is 334.

Mrs. Henry Kempf Sr. underwent surgery at Herrick Memorial hospital Tuesday.

Mrs. Francis Langthorn and daughter, Joan, of Detroit spent the weekend with Mrs. Langthorn's father and aunt, Fred Swan and Dr. Mary Swan, while Mr. Langthorn attended the conference of Methodist men of the Detroit area which was held at Wamplers lake.

Miss Louise Gale of Muncie, Ind. is a guest this week in the home of Mr. and Mrs. W. G. Waldron.

The Rev. George E. Walworth, John Saling and Bob Ries returned Sunday evening from Greenville where they attended a Presbyterian men's meeting. Rev. Walworth was elected new adviser for the council. Mrs. Ries is president of the Lansing Presbytery.

Mr. and Mrs. William E. Curry and baby from Van Nuys, Calif., are visiting with Mr. and Mrs. Harry Curry and Mr. and Mrs. Ivan Maynard.

Tom Rohweder and Richard Haight left Friday for a trip through Canada and the eastern states. They expected to visit Montreal, Ottawa and Quebec, returning through New York State to Western Reserve College at Cleveland where Tom will study this year.

Pvt. Wilfred R. Waldron is at home for a ten day furlough, following completion of basic training at Fort Knox, Ky. He expects to be stationed at Fort Knox for some time in the department of Military Police.

Mrs. Allan Seager and daughters were called to Grand Rapids Saturday morning because of the serious illness of Mrs. Seager's mother, who was to undergo surgery that day. Mr. Seager is in New York City on business.

St. Sgt. and Mrs. Stanley Frost and family have come from Selfridge Field to the home of his parents, Mr. and Mrs. Carrol Frost for a visit of about a month, after which they will go to California and then to a base in Alaska. Sgt. Frost has been stationed at Selfridge Air Base for the last year and a-half.

Mr. and Mrs. Jack Curtiss and Mr. and Mrs. Joe Nykodym spent last weekend at Long Lake near Cheboygan.

Mr. and Mrs. Cecil Viele had as their guests over the week end their daughter and family, Mr. and Mrs. John Snyder and children of Fenton.

Mr. and Mrs. Donald Cobb have returned from their cottage at Wamplers lake where they spent the summer. Mrs. Cobb's mother, Mrs. R. W. Herrick is also home from their summer home at Macatawa on Lake Michigan.

Available until Sept. 30 only!

A Special Blue Cross-Blue Shield Plan for anyone who can't join through a group!

NOW you can enroll your family for this protection against hospital and surgical bills, all by yourself!

NOW you don't need the help of any "group" to join, if you are a Michigan resident under 65 years of age!

No physical examination or health statement is ever required for enrollment in Blue Cross-Blue Shield!

Chances are *one in three* that someone in your family will have to go to the hospital this year.

If that happens, it will be worry enough to you . . . so, don't risk having to worry about the bills.

Protect your family now, during this *special* Blue Cross - Blue Shield *non-group enrollment* campaign. Here's the one chance you will have this year, as an individual, to get the best protection against hospital and surgical bills that money can buy.

But, ACT NOW—before the September 30th deadline. Use the coupon below!

How Blue Cross - Blue Shield Protects You

This special Blue Cross Plan pays as much as $10 a day for your hospital room and board. It covers in full the expensive extras on your hospital bill, as described below. This special Blue Shield Surgical Plan pays liberally for services of a licensed surgeon anywhere in the world.

Blue Cross - Blue Shield Rates are Low for the Protection You Get!

Only pennies per day! And, best of all, your contract will never be cancelled because you have occasion to use its benefits.

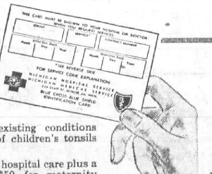
Your benefits are not reduced after age 65.

No enrollment fees or agent's commissions to pay.

No claims to fill out. Blue Cross - Blue Shield pay your hospital and doctor directly.

Act Now! Send No Money!

This special non-group enrollment opportunity is limited to the next few days. So *today*, fill out and mail the coupon below. This will put you under no obligation . . . nor will it make you a member. *No one will call on you.*



THIS CARD MUST BE SHOWN TO YOUR HOSPITAL OR DOCTOR WHEN YOU REQUEST SERVICES
MICHIGAN HOSPITAL SERVICE
MICHIGAN MEDICAL SERVICE
BLUE CROSS-BLUE SHIELD IDENTIFICATION CARD

How the SPECIAL NON-GROUP PLANS take care of your family's hospital and surgical bills!

Thirty full days of hospital care for each enrolled family member. Another 30 days available when you have been out of the hospital for at least 6 months.

Surgical plan pays your doctor liberal stated amounts for surgical operations.

UNLIMITED—use of operating room • anesthesia (when administered by hospital employee) • laboratory examinations • drugs and dressings • physical therapy • oxygen • basal metabolism examinations and other listed hospital services for 30 full days of care when performed at any of the more than 200 Michigan Blue Cross participating hospitals.

Only 6 months waiting period for chronic and pre-existing conditions and for removal of children's tonsils and adenoids.

Up to $9 a day for hospital care plus a delivery fee of $50 for maternity cases after only nine months of membership.

All Benefits of the Non-Group Contracts are available in more than 200 participating hospitals in Michigan.

Benefits in *non-participating hospitals* provide for payment to the hospital up to $6.50 per day for room, *plus* $65 per admission for other hospital services.

Enrolled persons may keep their protection after they become 65, with no reduction in benefits.

This coupon must be mailed before Sept. 30th

Don't put it off for another minute! Take the one chance you will have to get protection without the help of a group. Mail this coupon now. Pass the coupon on to a friend if you already have Blue Cross - Blue Shield.

BLUE CROSS - BLUE SHIELD
234 STATE STREET, DETROIT 26, MICHIGAN
I am interested in the NON-GROUP Blue Cross - Blue Shield Plans. Mail me details of benefits and an application blank for membership. I understand that this coupon *does not enroll me and places me under no obligation.*

SPANGLER HEADS NEW COUNTY LEGION GROUP, PLAN DANCE HERE

Delegates from Blissfield, Hudson, Onsted and Tecumseh attended a meeting of the newly formed Lenawee county council of the American Legion held Thursday in the local Underwood-Orr post rooms.

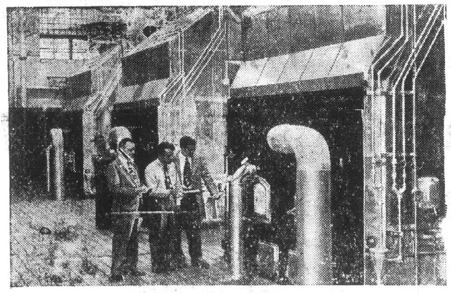
Ken Nicklay, Yale L. Kerby, Jr. and Grenval Spangler were named on a committee to plan a benefit dance. The proceeds will be given to David Lincoln, the Jackson Zouave who was injured at the Lenawee Fairgrounds on Labor Day. He was not covered by insurance and planned on being married Oct. 24. A tentative date for the dance was set for Oct. 9 at the Tecumseh Legion home.

Grenval Spangler was elected as new commander of the county council; Don Elliott, Hudson, vice-commander; Ken Nicklay, Onsted, sergeant-at-arms; executive committee, Yale Kerby Jr., Morenci and Roswell Burr, Adrian.

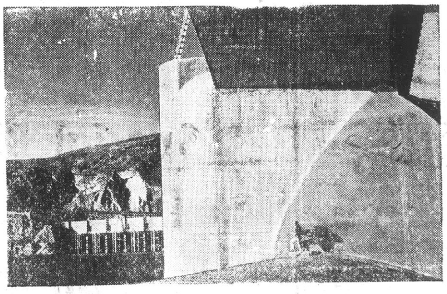
The purpose of the council is to act as a sounding board for Legion programs and objectives and to stimulate interest in the individual posts of Lenawee county.

What are the great fields of opportunity in engineering?

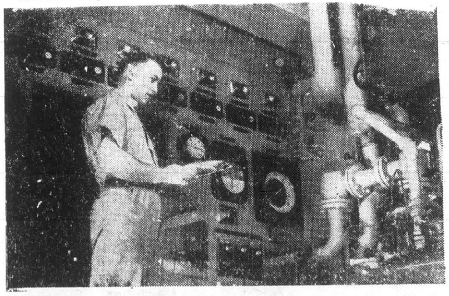
NOW, MORE THAN EVER, BOYS STILL IN HIGH SCHOOL CAN LOOK FORWARD TO REWARDING AND EXCITING CAREERS



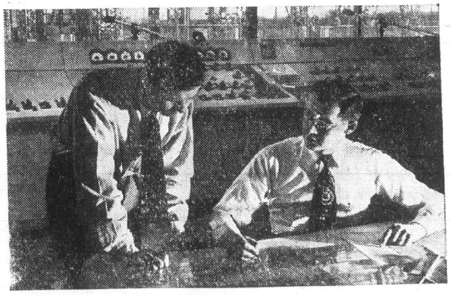
MECHANICAL ENGINEERING. Varied and exciting work in the many phases of design and research, and in the production of machines for manufacturing.



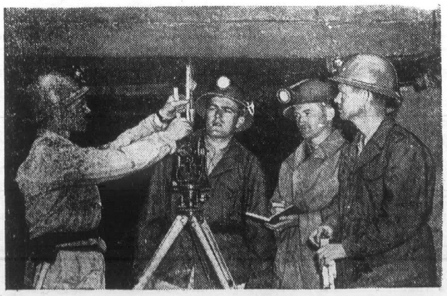
CIVIL ENGINEERING. Extensive planning, development and construction of immense projects furthering and improving America's future.



CHEMICAL ENGINEERING. The trend in chemical industry is to appoint top executives from the engineers with training and experience in this field.



ELECTRICAL ENGINEERING. The science that transformed American living. Radio, television, electronics, electric power, atomic energy.



MINING AND METALLURGICAL ENGINEERING. Promises discovery and adventure in the industry that supplies America with minerals, metals and fuels, the very foundation of progress.

IT'S NOT TOO EARLY for high school boys — and girls too — to be thinking about a future in engineering. Decisions made now are important, for only basic high school courses in math and science can pave the way to specialized training in college or in technical institutes. There will be adventurous and well-paid jobs waiting for them in all the fields pictured above and in the many other types of engineering where the need for trained men is acute. Each of them offers a wide choice of truly creative work at starting salaries well above the average. And America's growing technological progress promises that demand for trained men will remain high over the coming years. Don't foreclose on the future. Find out for yourself the immense possibilities of an engineering career. See your high school guidance counsellor, your mathematics or science teacher; or write to the Engineering Manpower Commission of the Engineers Joint Council, 29 West 39 Street, New York 18, New York, for the free booklet, "Engineering as a Career."

STATE OF MICHIGAN,—s.s
COUNTY OF LENAWEE.

I, Robert B. King, Clerk of Lenawee County and of the Circuit Court thereof, the same being a Court of Record, and having a Seal, do hereby certify that I have compared the attached copy of Order of Appearance with the original and have found it to be a correct transcript therefrom, and of the whole thereof.

In Testimony Whereof, I have hereunto set my hand and affixed the seal of said Circuit Court this 19th day of August, 1953.

R. B. King, Clerk.

STATE OF MICHIGAN
CIRCUIT COURT FOR THE COUNTY OF LENAWEE
In Chancery

ROBERTA B. GREENMAN, (formerly known as Roberta B. Lupton)
Plaintiff
vs.
ORDER OF APPEARANCE

W. J. C. HASTINGS, and wife, NANNIE, CHARLES F. HASTINGS, and wife, ANNA, JOHN R. HASTINGS, and wife, MINNIE, NELLIE LAWRENCE, MARTHENA MOSHER, MARY MILLER, JAMES B. HUNTER and JOHN HASTINGS, or their unknown heirs, devisees, legatees and assigns, and all persons who might claim under the persons named, any dower or homestead right whether vested or unchoate, at the time of beginning such suit or proceeding.
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian in said County on the 19th day of Aug., 1953.

PRESENT: Honorable Henry I. Bourns, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Roberta B. Greenman attached thereto, from which it satisfactorily appears to the Court that the Defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties Defendant in the above entitled cause, and

It further apeparing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said Defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said Defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of J. C. Beardsley, Attorney for Plaintiff, it is ordered that said Defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns.

Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the west 10 feet thereof.

It is further ordered that within forty days Plaintiff cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

Henry I. Bourns
Circuit Judge
R. B. King
Clerk of Circuit Court

Take notice, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Village of Tecumseh, County of Lenawee, State of Michigan, described as follows, to wit: Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the West 10 feet thereof.

10/1 J. C. BEARDSLEY.

VILLAGE OF TECUMSEH COUNCIL MEETING

Sept. 8, 1953

Present: President Campbell, Trustees McCombs, Beach, Manwaring, Truesdale, Driscoll.

Absent: Rohweder.

President Campbell appointed Manwaring to fill the vacancy on the Finance Committee caused by the absence of Rohweder.

Minutes of meeting held August 24, 1953 read and approved.

An itemized list of bills paid Sept. 8, 1953 is recorded in the Village Clerk's office and is open for public inspection.

Total disbursements for period ending Sept. 8, 1953, $18,733.58.

Moved and supported bills as listed be approved and orders drawn up for same.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

Moved and supported a temporary closing of North Ottawa street from south side of school property and south side of Monument Park to Shawnee street, in front of Central School building, be instituted.

Ayes: McCombs, Beach, Manwaring, Driscoll.

Nays: Truesdale.

Police report read and approved and ordered placed on file.

Ayes: McCombs, Beach, Manwaring, Truesdale, Driscoll.

Nays: None.

Request to park two (2) trailers for a temporary period, approximately 5 to 6 weeks, on lot 408 E. Kilbuck street was read from Edna F. Maynard. Request was referred to Chief of Police Kilbourn for investigation.

On motion Council adjourned.

President, E. M. Campbell
Clerk, Naomi R. Sallows

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 10th day of September in the year one thousand nine hundred and fifty-three.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of HENRY WILSON, deceased.

On reading and filing the petition of Myrtle Wilson, executrix upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that her final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 5th day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 14th day of September in the year one thousand nine hundred and fifty-three.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of MARY I. VAN CAMP, deceased.

On reading and filing the petition of Hubert VanCamp, administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and the legal heirs of said deceased be determined and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 5th day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

L. B. KUNEY,
Judge of Probate.

Come in and see . . . value check . . . and test drive a Ford today!

No doubt about it ...

Ford's the one fine car in the low-price field!

Feature after feature . . . part after part . . .
Ford is as fine as the finest . . .
yet it's priced with the lowest.

No car ever built has won such enthusiastic and growing preference as the '53 Ford . . . and no wonder. For no other car with such a wealth of fine-car features costs so little as Ford.

Yes, Ford, with all its fine-car quality, is offered at a price that's easy to pay.

You can have a Ford with a V-8 engine—the same type of engine that powers America's most expensive cars—for hundreds less than many Six-cylinder cars. And a Ford powered with the high-compression Mileage Maker Six costs even less.

Then, too, Ford's body is built like the best, with steel body panels of the same quality and thickness as in the most expensive cars.

Ford also proves that a car doesn't need to carry gas-thirsty extra weight to "gentle" you over the bumpiest roads! For Ford's smooth, level ride blots out the bumps . . . cuts front end road shock alone up to 80%!

Also, you can have your Ford V-8 with Master-Guide, the last word in power steering. Master-Guide cuts up to 75% of turning effort yet it leaves you with the natural "feel" of steering on the straightaway.

There are many other fine-car features, too! Ford Full-Circle Visibility . . . foam-rubber cushioned seats front *and* rear on *all* models . . . finishes that are *baked* on over a complete rust-proofing treatment . . . to mention a few.

It takes *all* these features to make a fine car *truly* fine . . . worth more when you buy it . . . *and* in resale, too! A survey of used car lots proves that people are willing to pay a larger percentage of the original cost for year-old Fords than for *any* other used cars. No doubt about it, Ford's your best buy!

Worth more when you buy it . . . worth more when you sell it! Ford

If you're interested in A-1 used cars, be sure to see our selections!

New Telephone Directory

Closes Sept. 25

Is your present listing correct?

If you wish to make any changes in your telephone listing, please notify our Business Office today. The new telephone directory goes to press soon. It is important to advise us of any additions or corrections promptly.

Do you wish to list others in your household?

More than one person can be listed on a telephone number, either business or residence. An extra listing for others in your family is convenient—particularly where relatives have different last names. You may also list other members of your business on your business telephone number.

The cost of a residential extra listing is only 25 cents a month. CALL TODAY

BRITTON

Mrs. Andrew Crutchfield
Correspondent

GUBBE—STEWLOW

Immanuel's Lutheran church of North Blissfield was the scene of a lovely wedding Saturday evening, August 29 at 7 o'clock when Ruth Stewlow, daughter of Mr. and Mrs. Henry Stewlow of Britton became the bride of Carl Gubbe, son of Mr. and Mrs. Paul Gubbe of Deerfield.

The Rev. William Weinlander, pastor of the church performed the double ring ceremony before the altar decorated with bouquets of white asters and white gladioluses in wicker baskets flanked by palms and tall candelabra holding burning tapers.

Miss Sally Prielipp played an appropriate prelude of organ music and also accompanied Dean Spohr, brother-in-law of the bride as he sang "Because," "O Promise Me" and "I Love You Truly."

The bride, given in marriage by her father, was lovely in a gown of Chantilly lace and nylon tulle fashioned with a fitted bodice and long sleeves ending in points over her hands. The full skirt over a hoop was of tulle with lace inserts and swept into a full court train. Her fingertip veil of illusion was tulle with a lace bonnet trimmed with sequins matching those on her gown. She carried a bouquet of white roses centered with a white orchid.

Mrs. Dean Spohr was her sister's matron of honor. She wore a ballerina length blue gown of lace and nylon tulle, strapless bodice with a shoulder stole of matching tulle and a matching headband of flowers and carried a bouquet of deep pink gladioluses.

The bridesmaids were Mrs. Donald Stewlow, sister-in-law of the bride and Mrs. Carl Prielipp, cousin of the bride. Their gowns were blue and styled identical to that of the matron of honor. Both carried bouquets of pink gladioluses. Little Karla Knisel, cousin of the bride was flower girl. She wore a floor length gown of blue nylon with flowers in her hair.

Elmer Gubbe served his brother as best man and the ushers were Harold Stewlow, brother of the bride and Robert Bigelow, cousin of the bridegroom. Kenneth Gubbe, nephew of the bridegroom was ring bearer.

Mrs. Stewlow chose a grey dress with black accessories for her daughter's wedding. Mrs. Gubbe wore a navy dress with black accessories. Mrs. Stewlow wore a corsage of orange roses, and Mrs. Gubbe a corsage of pink roses.

After the ceremony a reception for 350 guests was held at the Products Union Hall in Tecumseh.

Mr. Gubbe graduated from Blissfield high school, spent two years in service and is now engaged in farming. Mrs. Gubbe is employed at the Universal Button Co. in Tecumseh. They will be at home in Britton.

Mrs. Llewellyn Pilbeam is a surgical patient at Herrick hospital.

The Misses Kay Carothers and Barbara Jananian of Detroit have been guests for the last ten days of Mrs. Marie Pocklington.

Sunday guests of Mrs. Pocklington were Mr. and Mrs. Fred Passow and children Sandra and Durwin, and Mr. and Mrs. Charles Burkhart of Ann Arbor, Miss Maxine Painter of Kalamazoo, Mr. and Mrs. Kenneth Rice of Battle Creek and Mr. and Mrs. Willard Ransom and children of Adrian.

Humane Society In Annual Fund Drive

Lenawee County Humane Society is launching a drive for funds to complete and maintain the small animal shelter on Hunt Road north of Adrian. The shelter property was acquired during the past year.

About two hundred coin banks have been placed in stores throughout the county. Society members are at work around the clock in hopes that the goal may be reached during September.

"The $3,000 asked is the minimum amount on which we can operate for the coming year," said George Bean, president. "One thousand dollars is required to put the shelter in shape to take homeless and injured dogs and cats this winter. The balance is for general expense. The society's other revenues are very small, so the fund drive must raise the money."

Donations may be sent to Miss Ruth Cargo, treasurer, 1103 College Ave., Adrian.

Why just look and sigh—and pass up so much real automobile?

Why—when this big and beautiful new Buick SPECIAL delivers for the surprisingly low price shown here?

Could be you're one of those folks who still don't believe that the price of a Buick really *is* just a few dollars more than that of the so-called "low-priced" cars.

So here we show our car and price to prove it.

But beyond that—what you get in this great Buick, for so small a step-up in what you pay, is plenty.

More power. Fireball 8 power. The highest horsepower and compression ratio ever placed in a Buick SPECIAL.

More room. Real six-passenger room—even by man-size measurement.

More comfort. The solid comfort of Buick's Million Dollar Ride—with coil-spring cushioning on all *four* wheels, wide-tread stability, torque-tube steadiness.

More pleasure. The pleasure of high visibility, of luxurious fabrics and fittings, of superbly easy handling—and the deep satisfaction of bossing a big and able and stunningly styled automobile that does you proud wherever you go.

Why not drop in on us and see things for yourself?

That way you'll also learn about the long list of "extras" you get at no extra cost in this spirited new 1953 Buick SPECIAL—things that most other cars of similar price charge for as extras. Can you make it this week?

*Local delivered price of the 1953 **BUICK SPECIAL**
2-Door 6-Passenger Sedan
Model 48D (illustrated)

Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities due to shipping charges. All prices subject to change without notice.

Sept. 12, to Mr. and Mrs. Omer Shaffer, Milan, a daughter.

Sept. 12, to Mr. and Mrs. Earl Richardson, Tecumseh, a daughter.

Sept. 14, to Mr. and Mrs. Joseph Nortley, Tecumseh, a son.

LOCALS

Mr. and Mrs. Paul Breitenwischer entertained Mr. and Mrs. Vincent Brogan of Ann Arbor from Saturday till Monday. James Breitenwischer returned last week to Notre Dame University at Lafayette, Ind., to resume his college work.

Archie Porter has joined the G. H. Fisher Pontiac Sales Co.

The Rev. and Mrs. Edward Escolme returned Monday after an absence of three weeks, one of which was spent at Friends Yearly Meeting at Damascus, Ohio, one visiting their daughter and husband, Mr. and Mrs. Donald Johnson in Cleveland and the third in northern Michigan and Canada. They went to North Bay by way of Sault Ste. Marie, visited friends and attended the Canadian Exposition in Toronto and spent the weekend at Niagara Falls, where they visited the same church attended by Princess Elizabeth on her trip to Canada. Illustrating the changes of weather encountered, they were told $5000 worth of livestock had died of the heat at the Exposition the week before while six inches of snow fell at North Bay the day after they left.

Calvin and Leo Pask, sons of Mr. and Mrs. Raymond Pask, are attending St. Mary's school in Adrian, beginning their studies two weeks ago.

Monday of this week the Rev. Ronald Brunger attended the Ann Arbor District conference of Methodist ministers in that city. Sunday afternoon and evening, accompanied by Gerry Hizer, Bruce Packard, Harold Robinson and Diane Woodward he went to Plymouth for the Methodist Youth Fellowship rally of this district. Diane Woodward, who is district chairman of worship, led the evening service.

HONORED AT SHOWER

A dessert card party given by the Misses Margaret Touborg and Nancy Kinietz at the Touborg home Thursday evening was the occasion of a personal shower for Miss Florine Schultz, whose marriage to Richard Purkey will take place in October.

Prizes at cards were won by Mary Lou Burleson, Beverly Hay and Gretta Porter. They were then presented to the guest of honor who received other personal gifts from a flower decorated umbrella on the gift table. Pastel colored miniature umbrellas were also combined with dainty bouquets on the desert tables.

THE TECUMSEH HERALD

A public record of news and advertising printed in Tecumseh since 1850.

ONE HUNDRED SECOND YEAR — NUMBER 51 TECUMSEH, MICHIGAN, SEPTEMBER 24, 1953 FIVE CENTS A COPY

Variety Of Projects Completed

VILLAGE FORCE ADDS RECORD NUMBER OF NEW UNDERTAKINGS

Reviewing a full summer's schedule of outdoor construction activities in Tecumseh's many phases of modern progress, the Village Council agreed in session Monday night that this has been a record year of undertakings.

A brief review of accomplishments includes the following.

- Three-hundred feet of 8-inch sanitary sewer were installed on Wyandotte street south of Logan.
- Six-hundred feet of 10-inch storm sewer were put in from the new hospital building on Pottawatamie to the Mill street bank.
- An old 6-inch sewer line was replaced with a new 8-inch from Logan to the new school on Van Buren.
- Three-hundred feet of 8-inch sanitary sewer was installed on Maiden Lane north of Patterson.
- Nearly 20 blocks of new curb and gutter was poured at various locations.
- The following streets were surfaced, in whole or in part, Brown, Burt, Union, Van Buren, Democrat, Division, Evans, Pottawatamie, Maiden Lane, Cummins and Maumee.
- The stone filter system was completed at the sewage disposal plant.
- Six-inch water mains were put in various locations.

In fact, every major project but one which was outlined last spring was completed. The exception was installation of 600 feet of 21-inch storm sewer on Burt street, east of Mill, to the bridge.

Plus all the completed jobs were many others which came up without notice and were handled in stride. At present, village workmen are rapidly completing a new parking lot on South Ottawa which may be ready for use Oct. 1.

Also at Monday night's council meeting it was announced that the state will soon put in four tall light poles at the main intersection and the new metal light poles hooked up, along with an intercom signal light system from Adrian street to Maumee.

A contract was renewed with the Jones Hauling Service and two petitions put on file for attention next spring.

One was for sewer on Iroquois signed by Lowell Edwards, Glenn Kohler, Jerry Coffey, Herman Radant, Gervaise E. Brown, Leonard A. Harsh, Burton Weitenhagen, Vern Manwaring, Mrs. Charles Faye and Charles H. Mensing.

Curb and gutter on Maple street between Pottawatamie and Parkway was requested by Wayne C. Pence, Hugh A. DesErmia, Vincent C. Haight, Hal Kelso, C. F. Sage and S. R. Illeck.

Local Archers Win County Trophies

There were 12 Tecumseh archers in the recent annual Lenawee county Conservation League tournament and five of them brought home trophies.

- Bob Williamson won a championship cup in the expert bowman "B" division and was awarded an achievement prize for having accomplished the most in his first year of archery.
- C. R. Dustin won a championship trophy in the bowman division.
- R. E. Dustin won second in the same class.
- Harold Hall won fourth in expert "B".
- Raymond Nichols won the coveted championship trophy for Junior boys.

Also participating in the county tournament which attracted archers from many distant points in the surrounding area, were Gary Hall, Mike Hite, Dick Tingley Jr., Fred Cooley, John Damon, Harold Brion and Irving Gurtzweiler.

The tournament, held at Birdsall, ends archery competition for the summer months but an indoor range is being completed for this winter. Anyone interested in joining the growing list of bow-and-arrow enthusiasts can obtain further information from any of the above.

In addition to results for the state target tournament held at Saginaw, R. E. Dustin was awarded the championship state trophy for class B instinctive.

OPENING NEW LOT

Brown Motor Sales is moving this week from their old location on So. Pearl to a new used car lot on West Monroe road.

Fluoridation Return Rebuked

Tecumseh's Anti-Flouridation committee opened fire this week on the Village Council for the return of fluoride to the community's drinking water. The committee headed by Earl Bryan advertised this week and promised more in the future. Bryan said the group is working with Saginaw and plan a parade here in the near future.

Bryan said that fluoride was removed a month ago (Aug. 18) but was put back in Monday morning when his committee re-issued a stern protest.

Indians Host Rugged Hudson Friday Night

It will be a rugged Hudson Tiger eleven that invades Recreation Field Friday night for the Tecumseh Indians' local home grid opener.

Tecumseh fell to Addison last week on the winner's turf 19-7 while Hudson drubbed Jonesville 26-0.

"Fundamentals — blocking and tackling — beat us," coach Lester Runk said after drilling his green squad against Manchester in scrimmage this week, "each game though will show improvements."

Runk will have two full teams in uniform Friday night for an 8 p.m. kickoff, and most of them will see action.

"NEW" MODEL T AROUSES INTEREST

Tecumseh residents thought they were looking backwards last week when they saw an apparently brand new Model T Ford buzzing merrily along the streets. The shiney paint, slick new tan "buggy-style" top, and smooth working motor are the result of the painstaking efforts of Wayne Schulze of Ann Arbor, who formerly lived at the home of Mr. and Mrs. Thomas O'Hara.

Mr. Schulze found the 1925 model near his one-time home in Minnesota and towed it to Ann Arbor where he restored it to its original efficiency. The new top was made for him by a Mr. Groseman, who had been formerly employed at that work. The car has a starter, a manually operated windshield wiper and demountable rim tires. Mr. Schulze says it will make 45 mph. on the highway and responds well in traffic. In fact, he says he prefers it to many new cars, although he might be a trifle prejudiced.

REV. OWEN GLASSBURN

A series of evangelistic meetings with the Rev. Owen Glassburn as preacher began Wednesday at the Friends church and will continue until Sunday, October 4, with services each evening at 7:30.

The Rev. Glassburn, field evangelist of the Ohio Yearly Meeting, conducted the Sunday school contest that was carried out this year among churches of this meeting. He will also speak at the Sunday services at 10 a. m. and 7:30 p. m.

REQUEST NAMES

Anyone having relatives or friends in the United States overseas forces is requested by the ladies of the V.F.W. Auxiliary to give names and addresses of these servicemen to Mrs. Glenn Kohler, phone 465-R as soon as possible, in order that arrangements may be made for Christmas remembrances.

PARTIAL CLOSING FOR FAIR TODAY

Business will be at a standstill in Tecumseh Thursday as a number of retail stores temporarily close to "attend the county fair."

Not a village-wide move, the stores which are taking a well deserved day-off are following an old custom still noted in many other Lenawee county communities.

The fair continues through Saturday.

Tecumseh is well represented with a variety of commercial exhibitors. The Baptist church and the Tecumseh Grange have both served dinners all week.

Annual Reception Honors Teachers

Two hundred parents and teachers gathered at the Central school building Thursday evening for the annual teacher's reception and were welcomed by Supt. and Mrs. James McDowell and principals and their wives, Mr. and Mrs. Neville Hart, Mr. and Mrs. Earl Greene and Mr. and Mrs. Wayne Kaiser.

Mrs. Wellington Wotring, P.T.A. president, presented Mr. McDowell, whose welcoming speech stressed the problems created by increased enrollment and who in turn introduced the three principals. They then presented teachers of their departments, and special teachers and service personell, including the custodian and cafeteria staff were also introduced.

Mrs. Murray Day opened the program with a song accompanied by her daughter and followed it with a vocal duet with her daughter Betty. The Harmonica Players of Grace Lutheran church then played several selections directed by the Rev. A. Jeschke, who gave an accordian solo and finished with a duet on the accordian and harmonica with his son James. The Harmonica Players are a group of young people of the Lutheran church consisting of Carol Greiman, Carolyn Tonneberger, Dorthy Goodwin, Jean Ann Hoag, Judith Baxter, Nancy Dinse, David and Donald Linden, George Heeman, James Tonneberger, Fred and Carl Jeschke and Carl Bailey.

A review of the work of the County Health Council in compiling a health survey which has been published in booklet form was then given by local chairman, Mrs. Richard Preston, who suggested that the organization make health improvements indicated their project for the coming years.

The next meeting of the association will be held in the high school cafeteria, October 15 and will be a combined meeting of the Elementary school and the Junior and Senior high school parents. The program will be a picture travelogue by Mr. and Mrs. John McColl.

Students Elect Class Officers

Class meetings held last week by students of Junior and Senior high school resulted in election of officers for the 1953-54 school year. Tom Baldwin was chosen president of the Senior class with Alroy Vanderpool, vice president; Mary Nixon, treasurer; Nancy Randall, secetary, and Patsy Purcell, Dale Tingley and Janis Boltz, Student Council representatives.

Other officers elected were, Junior class: President, Barbara Ousterhout; vice president, Dale Daniels; treasurer, Philip Stutesman; secretary, Ruth Boyce; Student Council representatives, Dulcie Bowen, Ronald Francouer and Philip Young.

Sophomore class: President, John Cadmus; vice president, Mary Pat McCann; treasurer, Roger Finnegan; secretary, Betty Vargo; Student Council representatives, Wilma Bumpus, Marene Boltz and Edwin Lewis.

Freshman class: President, Judy Whiting; vice president, Kenny Miller; treasurer, Allen Dickinson; secretary, Rita Crosby; Student Council representatives, Lawrence Carpenter, William Newell and Ray Larned.

Eighth grade: President, Martha Owen; vice president, Ronald Lewis; treasurer, Joe Hayden; secretary, Joan Kempf; Student Council representatives, David Elliott; Carl Bailey, Yvonne Morningstar and Gary Crawford, alternate.

Seventh grade: President, Charles Hartsell; vice president, Janet Osworth; treasurer, Gary Elliott; secretary, Joanne Wing; Student Council, Gregg Mason, Larry Yoakum and Sandra Ross.

L. W. LARSEN NAMED TO NATIONAL GROUP

Appointment of L. W. Larsen, sales manager, refrigeration division, Tecumseh Products Company, to an ASA Committee was announced by the American Standards Association.

Mr. Larsen will represent the Air-Conditioning & Refrigeration Institute on the Committee on the Safety Code for Mechanical Refrigeration. The committee is concerned with the safe installation, operation and inspection of refrigeration systems, and the storage of refrigerants.

RECORD X-RAY TURNOUT!

Tecumseh — combined with Ridgeway, Macon, Clinton and Britton — set some kind of an unofficial record for taking chest X-rays while the free mobile truck was in operation here.

A grand total of 3,373 individual X-rays were taken in 38½ hours or a remarkable average of 87.6 per hour.

Mrs. Hilda Will, general chairman of the local committee in charge, complimented Tecumseh and surrounding communities for their "tremendous response."

Honest Abe Subject Of Local Band

Music and pageant will be combined by Tecumseh's 40-piece band Tuesday night to present a vivid portrayal of Abraham Lincoln's life — as the American school children know him.

In a series of intricate formations under the direction of bandmaster Robert C. Peck, first Lincoln's cabin in Illinois where he received his early education from his mother, will be outlined with young Abe reading by the firelight and doing his "sums" on the back of a shovel with a piece of coal.

Then the formation will shift behind the stirring strains of patriotic music to show a growing Lincoln splitting rails.

The next silhouette will picture Negro slaves, which prompted Lincoln to proclaim that he would someday do something to save these people from their humilation. The band will play the well known Negro spiritual, "Nobody Knows the Trouble I've Seen."

Third silhouette will be a symbolism of the great Civil War which came about after Lincoln emancipated the slaves. During this symbolic battle between the States, the band will play "Battle Hymn of the Republic," which was one of Lincoln's favorite songs.

To close their part of the festival, the band will play a special arrangement of "America" during which parts of the Gettysburg address are read.

The following band members will participate in portraying "Honest Abe" Tuesday night, Shirley Larned, drum major; Edna Freshcorn and Martha McKenzie, twirlers.

Clarinets, Elaine Kimerer, Wanita Cleveland, Shirley Palmer, Robert Freshcorn, Betty Barton and Geraldine Drouillard.

Alto saxophone, Edith Kimerer, Diane Skinner, Barry Packard.

Tenor saxophone, Phil Surratt.

Cornets, Shirley Meads, Lowell Nichols, Judy Foos, Lillian Gilleylen, Betty Vargo, Raymond Puffer, Roger Pearson, Marilyn Manley and Bonnie Mack.

French horn, Chuck O'Neill, Adeline Butler.

Trombone, Dolores Bush, Teddy Cornell, Lee Vescelius.

Tuba, Larry Kohl.

Drummers, Jerry Barton, Bruce Packard, Ronnie Francouer, Harold Robinson, Jim Purkey.

HAS LITERATURE ON FLUORIDATION

Probably no one has such complete literature from numberless sources on fluoridation as Tecumseh's Dr. W. S. Britton who offers the scrap book of clippings, letters, pamphlets to interested persons for informative reading.

One of his interesting statements is from Leonard A. Scheele, United States Surgeon General who prepared a study for the Senate committee studying public health. He said, "During the past year our studies progressed to the point where we could announce an unqualified endorsement of the fluoridation of public water as a mass procedure for reducing tooth decay by two thirds."

There's been no rest for Tecumseh's colorful orange and gray clad marching band as numerous recent drills have been in order for Tuesday night's gala band festival at Recreation Field. High stepping practice shows drum major Shirley Larned, center, with twirlers Edna Freshcorn, right, and Martha McKenzie left, in action. (Dixon Photo)

7th Annual Band Festival Tuesday Rates Greatest Of All-Time Musical Spectacles

HUGE THRONG OF 5,000 EXPECTED AT RECREATION FIELD FOR "STORYHOUR" PROGRAM, 500 TO PLAY

If Tecumseh's seventh annual band festival lives up to its advanced billing — it'll truly be the greatest outdoor musical conclave of all times.

Held every year since 1947 at sprawling Recreation Field, the spectacle this fall features some 500 youthful musicians from twelve marching units all joining forces to portray in pantomime the "Story Hour" theme.

This year the unique festival — for there is neither judging nor competition — will be held under the bright night lights of Tecumseh's natural sports bowl on Tuesday, Sept. 29. As usual the affair steps off promptly at 8 p.m.

Following the county bandmaster's decision some months ago to portray the "Story Hour" theme, each school received assignments for long hours of pre-festival drill under a corps of enthused directors.

Addison's band will be on hand to portray "Indian Lore" with music directed by Instructor John Huffman; Adrian Catholic will present "South of the Border," with Bill Jenkins directing; Adrian High, "The Circus," Al Bohms.

Blissfield, "Buffalo Bill," Harold Bond; Britton, "Jack in the Beanstalk," Richard Lower; Clinton, "Stephen Foster," Richard Wagner; Deerfield, "Rip VanWinkle," Reigh Lantz; Morenci, "Three Pigs," Charles Winzler; Onsted, "Red Ridinghood," Kendall Merlau; Hudson, "Three Bears," Roy Westgate; Sand Creek, "Snow White," Mrs. Kirk; Tecumseh, Honest Abe," Robert C. Peck.

Detailed arrangements to handle an expected gathering of 5,000 have been completed by Tecumseh's Chamber of Commerce, service clubs and Village force. Each participating school offers student and adult tickets for sale, but entrance can be conveniently made Tuesday night at any of the main gates.

General director Clair Camburn, dean of Lenawee county bandmasters, promises his usual precision timing for the colorful event, beginning sharply at 8 p.m. with each band stepping on and off the gridiron turf in a well planned pattern.

The annual county massed band ensemble concludes the event at 9:30 — Camburn timed!

Tecumseh's support during the past seven years has been unmatched as the annual festival has become a favorite with local people who praise both the exceptionally fine music and the intricate marching steps of all participating bands.

In case of rain or bad weather Tuesday night, the festival will be moved up to Wednesday night.

Give Flag To German Girl Scout Troop

Abi Evans chapter D.A.R. had visual reward for past generosity at their September meeting when Mrs. Winifred Bates displayed a picture she had received from her daughter, Mrs. Byrd Sergent, showing her Girl Scout troop in Kaiserslautern, Germany standing at attention before the American flag presented by the Tecumseh chapter.

Stationed in Germany with her husband, a Lt. Colonel on the staff of the commanding officer, Mrs. Sergent had organized the daughters of the American personnel into Scout troops and flags from a patriotic organization in the U.S. were just what was needed to add inspiration.

Through the assitance of the local Girl Scout Council, headed by Mrs. Owen Partridge, two flags were purchased from an official scout supply house and shipped directly to Kaiserslautern with no extra expense to the ladies of the D.A.R.

Community Fund Budget Approved

A budget of $8,400 for community activities during the forthcoming year was approved at a recent meeting of the Community Fund board.

The money will be divided among the following organizations and special events.

Girl Scouts	$ 300
Boy Scouts	1,000
Cabin Maintenance	150
Recreational Program	1,200
Service Club	500
Hospital Auxiliary	350
Cancer Society	500
Salvation Army	500
United Health and Welfare Fund	1,200
Red Cross	2,300
Community Parties	400
total	$8,400

Members of the Community Fund board who approved the disbursements of funds were Mrs. Frank Smith, president, J. R. Thompson, Mrs. Richard Preston, Owen Partridge, George Green, Howard Diedrich and Frank Rice.

Rice will be chairman of Tecumseh's annual drive this fall.

Mrs. Smith and Mrs. Preston were re-elected to the board for three year periods.

Full Stop Behind All School Buses

"Drivers who ignore school buses are dangerous," Robert C. Peck declared in warning motorists that a state law prohibits drivers from passing a school bus if loading or unloading children.

"Unfortunately," the public school instructor in charge of bus transportation said, "Tecumseh school buses must make many stops on main highways to load and discharge pupils.

"Drivers must therefore be extra cautious or they will endanger the lives of innocent children — for who can tell when a youngster will dart across the road to join his schoolmates on the bus or dash homeward in front of a fast traveling car."

Unfortunately, the law only prohibits passing a school bus from the rear, oncoming cars are not required to make a full stop.

"The few seconds saved by racing past a stopped school bus in either direction would not pay for a child's life," Peck said. "The life you save may belong to someone else's child."

THE TECUMSEH HERALD

Lenawee county's oldest newspaper, established 1850.
Published By Estate Of Earl L. Wickwire.
Commercial Job Printing * Engraving * Member M.P.A.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, payable in advance: $2.50 a year in Lenawee county: $3.50 a year outside of Lenawee county. Advertising rates upon request.

WE'RE BEHIND YOU — Trite it might be to say, "We're behind you Indian gridmen," but on the eve of their first home game that is just how we feel. We are behind our footballteam just as squarely as we are behind every Tecumseh project, program, enterprise, or otherwise. If it's for the community's good we join the rest of Tecumseh in our wholehearted support.

And that goes for win or lose, which can be an unfortunate part of any game involving youngsters. For the meaning behind football, greatest of all competitive games in which any sort of body contact between players is involved, is not the score nor the winning, but the unlimited character building force at work when eleven young men play together for the glory of their school, and their community. But we've heard rumblings up and down main street, rumblings of dissatisfaction about our team, which some say, "won't win a game this year." So what? That's probably the stage in the cycle of up and down athletic victories and defeats which Tecumseh is now in; for we're told that many, many local teams in years past have done this village proud by bringing home the bacon.

If this a "down" year, let's show these youngsters what support and encouragement really is. A great coach once told a banquet crowd, "There are three kinds of football players, the 'I' player, the 'me' player and the 'we' player.

"You all know what the first two kinds are like," he went on, "for they get all the glory and run the show, but the 'we' player is often unheard of. Quiet, unassuming, unglamorous, he plays the game for the sake of sports, he comes and goes with enrollment and graduation, he personally trains himself, does his utmost in every play in every game, but never makes the headlines.

"After he graduates he goes out into business, like you and I. And efforts on the field of athletics are forgotten. What happens to him, all those 'we' players? Well, they just become the backbone of every community, like yours and mine. They are the businessmen along main street, the professional men, the men in industry or commerce, wholesaling, retailing, shipping, supplying, they are the men who support community progress, community activity, community life. Their sons are the 'we' players of tomorrow."

●

BANDSTAND NO. 7 — Another worthwhile community function which Tecumseh can be proud of, and which we are naturally one hundred percent behind, is next Tuesday night's seventh annual Lenawee County Band Festival which Tecumseh originated and kept here in our own sprawling Recreation Field. It isn't the least bit competitive but attracts a tremendous throng for beautiful band music and realistic presentation of a story in pantomime.

This band festival is an important part of our educational program. It brings together over 500 musicians from a dozen county schools. It gives students a chance to work and play together, it's a foundation for community teamwork.

SOCIETY

GARDEN CLUB

Miss Ann Carson assisted by Mrs. Neil Pearson, Mrs. Kennard Wise and Mrs. Grace Coffey entertained the Garden Club Friday afternoon at her home on East Logan street. Mrs. Edward Boss, club president, conducted the business meeting at which thirty-two members were present. The program for the afternoon consisted of a workshop of flower arrangement under the leadership of Miss Clara Snow of Dearborn, chairman of the arrangement committee of the State Federation.

More than a dozen arrangements were submitted by members for discussion and criticism and many valuable suggestions were made. Tea was served by the hostesses after the meeting, Mrs. Ray Herrick and Mrs. Addie Lindbert, pouring.

o

WOMEN'S ASSOCIATION

Thirty-five members of the Presbyterian Women's Association gathered in the Fellowship Center last Wednesday evening for a potluck supper. The program, "Together We Seek to Grow Together" was led by Mrs. Howard Truesdale and opened with the singing of a hymn. Miss Joan Kempf played a piano solo and then Mrs. Truesdale introduced Miss Edith Ingersoll, who talked on "Race Relations." Mrs. John Quigley concluded the program with devotions. Mrs. Gerald Baker was chairman of the hostess committee for the evening, assisted by Mrs. Walter Pfaus, Mrs. Hilda Will, Mrs. Jean O'Neil and Mrs. Bert Ousterhout.

o

PAST CHIEFS CLUB

The Past Chiefs club of the Josephine H. Hall Temple No. 49, Pythian Sisters was entertained last Thursday evening at the home of Mrs. Minnie Whelan and Mrs. Margaret Kempf with 16 members present. Mrs. Buelah Todd was a guest of the club. During the business meeting an invitation was read from the Minnie E. Mix club of Jackson to join them at their meeting Oct. 22. A moment of silent prayer was held in memory of Mrs. Frank Gray.

Cards were the entertainment of the evening with prizes going to Mrs. Myrtle Brollier, Mrs. Lynn Harris and Mrs. Fannie Brees. Mrs. Brees also received the traveling prize.

The October meeting will be held at the home of Mrs. Clark Vincent who will be assisted by Mrs. Russell Keith.

o

LYSTER LEAGUE

The Lyster League of St. Peter's Episcopal church met in joint session last Thursday evening at the home of Mrs. Gibbs Barber with Mrs. Wilbur Andrews assisting. A potluck dinner preceded the regular League meeting at which Mrs. Harold Morey presided. It was voted during the business meeting to hold future meetings of the League on the fourth Tuesday of each month, and plans were discussed for the annual church bazaar to be held October 30 and the annual church dinner on November 12. After the meeting, the group held a stork shower, honoring Mrs. James Stevens, daughter of the Rev. and Mrs. Edward Dickin.

o

TO INSTALL OFFICERS

Local members of the Michigan Court, Women Descendants of the Ancient and Honorable Artillery Company will attend their fall meeting Tuesday, Sept. 29 at the Tecumseh Country Club. Immediate past president, Mrs. Orville W. Laidlaw will be hostess to the group.

Mrs. William T. MaWhinney, Flint, will assume the duties of her office of president for the first time since her election last May. Mrs. Lloyd DeWitt Smith, Grosse Pointe, elected President-National of the National Society in Washington last April will be guest of honor. Assisting Mrs. Laidlaw in receiving guests will be Mrs. J. Floyd Elliott, Mrs. Joseph Rice and others. Members will attend from Detroit, Grosse Pointe, Flint, Adrian and elsewhere.

o

V.F.W. AUXILIARY

Mrs. Bert Warren presided at the September meeting of the Auxiliary of V.F.W. Hall-Slater Post at the Post rooms Wednesday evening. During the business meeting it was voted to sponsor a Girl Scout troop again this year and announcement was made of a regional rally to be held at Camp Norcum near Chelsea on Sunday. A committee consisting of Mrs. George Downard, Mrs. Robert French and Mrs. Warren Filter served refreshments for the group.

The next meeting, Wednesday, Oct. 7, was announced as the regular inspection meeting with six district presidents and Mrs. Edith Gage of Parma being present. The announcement was stressed that dinner would be served promptly at 6 p.m. and that reservations should be made before October 3 by calling Mrs. Waldo Mohr.

Those attending the Sunday Rally at Camp Norcum were Post Commander and Mrs. Harlan Boyes, Mr. and Mrs. Waldo Mohr, Mr. and Mrs. Warren Filter, Mr. and Mrs. Harold Meade, Mr. and Mrs. John Sisson, Mrs. Ted Golat, Mrs. Bert Warren, Richard Butler, Grenval Spangler and Harold Warren.

MRS. WALTER TRIPLETT BURIED IN BROOKSIDE

Funeral services were held at 2:30 Tuesday afternoon at the Collins Funeral Home for Mrs. Frances Marion Triplett, whose death occurred Friday morning in San Antonio, Texas. Mrs. Triplett, whose home was in Monterrey, Nueva Leon, Mexico was born December 27, 1887, in Bangor, Maine, the daughter of the late John and Harriett Phillips Dunning, and had lived in Mexico for the past 34 years.

She is survived by her husband, Walter Howell Triplett, who is a cousin of Mrs. Ellsworth Collins; a son, George David Triplett, St. Louis, Mo.; one granddaughter, Marion Kay; one aunt and many cousins in Bangor, Maine.

A prayer service conducted by the Rev. H. O. Morris, Saturday in San Antonio, Texas, at the Loring Funeral Home was attended by many close friends of that city and Monterrey. Services in Tecumseh were in charge of the Rev. James Bowker, Big Rapids, cousin of Mr. Triplett, and burial was in Brookside cemetery.

Pall bearers were Russell Abbott, James Bowker, Fred R. Temple, Nilo Manso, George Needam and Ellsworth Collins.

Relatives and friends were present from Detroit, Monterrey, Mexico, St. Louis Mo., Big Rapids, Toledo, Ann Arbor, Scarsdale, N. Y., Saline, Macon, Adrian and Tecumseh.

From where I sit ... by Joe Marsh

Cream Whips Main Street Traffic

Big traffic jam in front of the office last week. Thought everybody in the county was coming in to buy *The Clarion*, but they weren't.

Seems a 5-gallon can fell off Whitey Fisher's truck, spilling cream all over the street. Our cop on duty, Tiny Fields, halted traffic so Whitey could pick up the can. Tiny was about to wave the cars on when a kitten ran out and started lapping up the cream.

Well, traffic piled up, but Tiny paid no heed. Light changed green three times. After the kitten had enough, Tiny waved the traffic through.

From where I sit, this was just a "Tiny" demonstration of the way people in our town are. They're usually pretty considerate and tolerant. If one of our neighbors prefers a good glass of beer to his friend's coffee at dinnertime, it's just each to his own taste and everything's "smooth as cream" between them.

Joe Marsh

Pvt. Newman C. Crunk, son of Mr. and Mrs. Clyde Crunk, 7083 S. Union St., is now a student in the medical laboratory technician's course given at Medical Field Service School, Brooke Army Medical Center, Fort Sam Houston, Texas.

Charles E. Hensen was in Chicago on business last week.

Perry Satterthwaite returned Monday evening from New York City, where he had spent part of last week. While there he spent some time with his brother, Joseph C. Satterthwaite, who is in New York on business for the State Department.

Mrs. Samuel Wilson of Atlanta, Ga., is spending some time with her brother and family, Mr. and Mrs. Harvey Lewis.

Mrs. Robert Laidlaw received a phone call from her husband, Lt. Laidlaw from Tokyo, Japan, last week announcing his safe arrival at that Naval Base where he expects to be stationed for some time. He reports that he has obtained private housing and Mrs. Laidlaw and their children will probably join him after the first of the year.

The October issue of Arizona Highways published a poem, "October Desert Night" written by Gaston Burridge, nephew of Mrs. Ed Heilman. Mr. Burridge, the son of the late Charles Burridge and Anna Gaston Burridge, Tecumseh residents until 1927, resides at Downey, Calif., and is the father of two children, Noranna and Charles Burridge IV.

Mrs. Glenn Large spent several days last week in Adrian, caring for her grandchildren while her daughter, Mrs. Willard Pawson, was in Bixby hospital for surgery.

Mr. and Mrs. Allen Gill of Detroit and Mrs. Jessie Armstrong, who lives in Cincinnati, visited Mrs. Clarence Hunt last Saturday.

Mrs. Ralph Helzerman, daughter Sylvia and Miss Ann Carson attended the Michigan State Fair Wednesday to see Jilna, Sylvia's Arab colt receive first prize in the halter class for two year olds. There was an epidemic of colds among the show horses and Jilna went through her paces with a temperature of 105 degrees. Friday the three Helzerman children flew to Cincinnati to join their mother who has been with Dr. Helzerman since his operation at Good Samaritian hospital there. They returned Sunday evening and report that their father's condition is excellent and he may be allowed to leave the hospital this week although he will remain in Cincinnati for a few days.

Mr. and Mrs. S. L. Taft of Seguin, Texas, Mr. and Mrs. Elwyn Bugbee and family of Macon, Don Faust, Jr. of Ypsilanti, Mr. and Mrs. Donald Faust and family, Mr. and Mrs. William Taylor and Miss Lucille Weitenhagen, all of Adrian were Sunday dinner guests of Ivan and Myrna Bugbee. The occasion was in honor of the birthday of Ivan Bugbee, who received many lovely gifts.

Mrs. Bert Warren's brother and wife, Mr. and Mrs. C. E. Snellbaker, whose home is in Toledo, are spending this week at Mrs. Warren's cottage at Vineyard Point.

Mrs. Owen Partridge and daughter Joyce Ann, Mrs. Mel Partridge and Mrs. Clair Rozelle and daughter Barbara were in Detroit shopping Saturday.

Miss Alice Schoenholtz of Detroit visited her parents, Mr. and Mrs. Charles Schoenholtz over the weekend.

Mr. and Mrs. James Heflin of Columbia City, Ind., were weekend guests of Mr. and Mrs. K. C. Heflin and family.

Mrs. Gena Smith and Mr. and Mrs. Mark Davenport of Dundee visited Mr. and Mrs. Lewis Schultz, Sunday.

Friends of the Rev. and Mrs. E. M. McGehee have been informed that the Rev. McGehee is being transferred October first from Cottonwood Falls, Kansas, to the pastorate of the First Presbyterian church at Virginia, Ill. Mr. McGehee was pastor of the Tecumseh Presbyterian church several years ago.

Mr. and Mrs. Richard Watkins and children Barbara and Linda spent Sunday with his parents, Mr. and Mrs. Marvin Watkins.

Miss Mary Brown, a teacher in the Grosse Pointe schools, visited her parents, Dr. and Mrs. A. H. Brown over the weekend.

Allan Whiteman spent the weekend in Detroit.

NEW GRANGE GROUP FORMED

A new organization has been formed in connection with Tecumseh Grange. The more than 60 young people of the chapter now comprise the Grange Youth Meeting, with James Squires as chairman, Beverly Rohrback, secretary-treasurer and Helen Furgason, reporter. They will meet at the Grange Hall on Milwaukee road on the second Monday of each month and while their activities will be largely social, there will be a program each month and an opportunity for the Grangers of the future to gain experience and knowledge.

"PTA LEADERS ...and MURDER"

LETTER TO THE EDITOR
TALLAHASSEE DEMOCRAT

The present top leaders of PTA are advocating a strange new form of tyranny upon the American people, pressuring their local groups to "promote fluoridation of all water supplies." Have they been captured by the propaganda issued by Oscar Ewing of the FSA, who has been overlord of the United States Public Health Service, whose yearly budget has been over two billions of our tax dollars and who has had over 36 thousand employees under him, in various bureaus

Do they know of his previous connection with the Aluminum Co. who has tons of this worthless waste to dispose of and are at present being sued for an additional $200,000.00 for dumping tons of fluoride into the Columbia River nearby where it contaminates the forage and killed the cattle. Read of Mr. Ewing and the Aluminum Co. in the Congressional Record, for March 24, 1952. Remember that many heads of PTA were visitors in 1950 to Children's Bureau workshops in Washington, D. C., put on by the FSA and Mr. Ewing.

Read "America's Health" (Harper & Bros.,) all about Mr. Ewing on Page 288, an appropriation by the 80th Congress of two million dollars, plus another $750,000.00 intended for the FSA to use for Grants in Aide to Dental schools and other institutions. Note his reference to "experiment with fluoride in water supplies." Note his hints—"use PTA Leaders" "include minority groups," "use Universities," "use Chambers of Commerce," "stimulate new needs," "use PROPAGANDA," "use slanted timing with civic affairs," "use PRESSURE TO FEVER-PITCH," "handle Opposition," "use 'tools' such as Speakers Bureaus," see his "10 year dynamic goals" for socializing the medical and dental professions.

Does PTA know of the terrible increase of deaths from heart disease, nephritis and intra-cranial lesions in Grand Rapids, Mich. since fluoridation was started there in 1945? — as told to our Congress by one of our Representatives, a physician, with experience as a Health Director in his State, in Washington, March 24, 1952? Or do they prefer to believe the so-called 'statistics' emanating from the public health crowd in such showcase experiments as the one in Marshall, Texas, where the report implies that only these bureaucrats and mass-medication can save our teeth?

Has PTA seen the report of the 82nd Congress Delaney Committee investigation into fluoridation? The American Medical Assn., testified on Page 1709 of the Hearings, "that their House of Delegates DID NOT urge cities to undertake to fluoridate their water supplies." A renowned Bio-chemist testified, Page 1532, "fluorides—indicate a SHORTER LIFE SPAN in the mice receiving the fluoride water—drinking fluoridated water, one part per million, is associated with adverse physiological reactions." On Page 1702, "the U.S. Department of Agriculture made examinations as to what happened to brood sows. They recommend to the farmers that fluoride not be added to the water or feed of brood sows because it did something to the pigs unborn—what might happen to pregnant women and the unborn child when they are given fluoride?"

Does PTA propose to violate Constitutional Rights? Under the 1st Amendment of our Bill of Rights, we are guaranteed freedom of Religion, freedom to maintain that it is a crime against God to induce abortion, sterility or birth control. It is likewise a crime to infringe individual rights to maintain and practice the belief that drugs and medications are not to be taken. The 14th Amendment protects our PRIVILIGES AND IMMUNITIES and also guarantees our LIFE and LIBERTY.

Does PTA understand the standard adopted by the Nuremberg War Crimes Tribunal? Men were hanged in Germany for experimentation upon unconsenting subjects. Do they know that to induce an earlier death than would occur naturally, is — MURDER????

Our men have fought and are still dying on foreign shores to protect what are left of human rights. Let some of our men and guns remain here at home to protect our own Bill of Rights and to save us from this Mal-practice by the public health crowd. Dental Societies, Organizations, City Councils and other officials in high places.

PALMAN'S
THE MARSCH CO.

A message to every prospective new car buyer:

You can have the most popular automatic transmission to be found in *any* low-priced car

*Chevrolet's Famous 1953 Powerglide!**

Much fleeter, smoother, more economical! Thoroughly proved and improved through years of development and over a billion owner-driven miles! Production now running at new high levels due to record nationwide demand!

Much More Economical
Chevrolet's 1953 Powerglide Automatic Transmission*—teamed with the 115-h.p. "Blue-Flame" high-compression Valve-in-Head engine—brings you *entirely new operating economy* in city driving and on long trips.

Far Livelier Getaway
Put the selector lever in "DRIVE" position—step on the accelerator—and you move smoothly away from a standing start to legal traffic speed in *seconds*.

Important New Gas Savings
You'll never know how economical an automatic transmission can be until you try the 1953 Powerglide. Various improvements, including a more efficient use of engine power, make it extremely thrifty. In fact, bring you the most important gain in gasoline economy in Chevrolet history.

Great New Passing Ability
The car picks up pace in traffic or on the highway at the touch of a toe, for the '53 Powerglide has an added automatic passing range.

Smoothest No-Shift Driving at Lowest Cost
Driving is almost incredibly easy, changes of speed almost unbelievably smooth . . . for *this* transmission gives simplest, smoothest, no-shift driving at lowest cost.

Safe Eyes-on-the-Road Driving
Safety is served in *many* ways. And one of the most important, perhaps, is that Powerglide permits you to *concentrate* on driving. You can keep your hands always on the steering wheel and your eyes always on the road.

Full Engine Braking-Power on Hills
Powerglide's flexibility lets you cruise easily up any hill. And you enjoy constant engine braking power for maximum safety when descending.

Rock Out of Trouble
Powerglide's smooth power flow lets you rock out of sand, snow or mud whenever the need arises. "LOW" and "REVERSE" are side by side on the Powerglide quadrant, making the operation doubly easy.

Push-Proof Parking
Put the selector lever in "PARK" position when you leave the car, and a positive gear-type lock holds it in position until you return.

Time-Proved, Owner-Proved Dependability
Come in. Drive a Chevrolet with this finer, more popular automatic transmission. *Test it and you'll want it.* It's time-proved, and road-proved by hundreds of thousands of owners, in over a billion miles of driving.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

CHEVROLET

**Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering available on all models.*

Letters To The Editor

Editor, The Herald:

Living in the locality that I do and being within hearing and seeing distance of the Recreation Center, I have had an opportunity to watch and hear Mr. Peck teach our students. He is a man that I admire very much, and from what I have seen and heard his students respect him.

It takes more than playing instruments to make a good band. It took hours of marching, learning to make their formations and then more hours of combining the music with the marching.

When they first started they not only couldn't play the "National Anthem" they could not keep step through all this. Mr. Peck was very patient and considerate towards his students but this I will say for him, they did it over and over until it was right.

I am sure Mrs. Clark did not mean to insult anyone and Mr. Camburn's name was not mentioned.

I, for one, feel that in two years time, Mr. Peck has done a wonderful job of teaching our students and creating a new interest in band work, as many of the students had lost interest and dropped out. I feel that Mr. Peck deserves our thanks and appreciation. A well deserved pat on the back is a big boost at times.

Editor, The Herald:

I have been much interested in your columns in The Herald since you started them, and I was especially impressed with the one in the Sept. 10 issue. I was so much a part of that early celery industry. I was born on a farm which was literally a part of the swamp. As a boy I worked on several of the farms, including the Prairie Side. Sometimes I would be almost the only English speaking worker, as the gangs, 30 or more men each, were usually Germans.

In recent years I have driven through the old prairie road and noted with a bit of sadness the almost complete reversion of the country to its original wild state.

Dr. Stewart was one of two real promoters. He bought the large farm for a song, converted it into a bonanza, and sold it, making what was a fortune for those days.

Another great promoter was Ed. Hollister. I enclose an account of his life in the New York Herald Tribune when he died at 94 in Teterboro, N. J., where he also did big things and where he was mayor more than thirty years. Note towards the end of the first column "As manager of a muck farm in Michigan he became a reclamation expert." That muck farm was Tecumseh Celery Co.

Your columnist, Neil Hunter, had some moronic jokes one day. I like them too. Here's an old one: A drunk driver boarded a double decker bus. The driver told him to go upstairs, no seats below. The passenger complied, but was soon back again. "What's the matter?" asked the driver. "No seats?" "Yes," said the passenger. "There are plenty of seats, but there's no driver."

The Herald was good, without columns. Now it is better.

Sincerely,
Walter Norris
84 Park Lane
Staten Island, N. Y.

Editor, The Herald:

Abraham Lincoln warned this nation that if it is ever destroyed it will be destroyed by enemies from within, not without. One of the methods being employed for this purpose is fluoridation of drinking water of our nation.

Having heard both sides of this issue, Congressman A. L. Miller, M. D., said, "I believe that the dental profession and other public-minded people like myself, have been misled by the Public Health Service because all the facts have not been made available on this subject."

Every member of the medical profession should have felt honor bound to compile the facts and present them to those they have sworn to serve.

In this beautiful village of Tecumseh with 5,000 people, no visable effort has been made in that effort so far. As an artist and layman I have collected some of the facts from qualified scientists and congressmen all over America so that you—my fellow Americans—shall no longer be deceived and misled. Read every word of the advertisement our committee has paid for this week. More will follow.

Let us not call the truth "propaganda" unless we have investigated and found it so. If America is to survive, we must demand that all public officials who we elect to office perform the will of the people—not their own selfish will. Lies told by a clever politician cannot destroy the truth, a politician weighs only what he is worth.

The alarm clock has rung. Let us get up and awake to the fact that America is in danger now from within and without. So let us all be alert to the propaganda artists who seek to destroy all we have gained in a free life in this land of ours and protect it with all our being unto death, if we must.

I wish that all Americans will start working together to promote good will to each other with no hatred against each other, working always for the good of America—and for all citizens to avoid any plan to destroy, in whole or in part, our beloved land, or be taken in by any who seek to destroy us by atom bomb, poison or by dividing us and cutting us to pieces.

These are times when political bigotry and gain through fraud or self aggrandizement must be set aside for the protection of our brothers and sisters of this wonderful nation we live in! Let us all work hard to this end.

Earl H. Bryan
Chairman, Tecumseh Anti-Fluoridation Committee

HARMONY HOMEMAKERS

Miss Edna Gamboe was hostess to the Haromny Homemakers for their September meeting. Twenty-two members and six guests enjoyed a potluck dinner and took part in the work meeting following, when sheets and towels were made for the hospital. Those attending from out-of-town were Mrs. Blanch McFall, Monroe and Mrs. Lula DeShelter, Adrian, while Mrs. John Snow, Mrs. Russell O'Hara, Mrs. Mark Randall and Miss Edythe Shull were guests from Tecumseh.

The next meeting, October 21, will be at the home of Mrs. Clarence Hunt with Mrs. Alma Moray and Mrs. Thomas Murphy as assistant hostesses. Mrs. Fred Sheldon and Mrs. E. J. Aebersold will have charge of the program.

There Should Be No Connection . . . .

. . . between the cost of the funeral and your ability to pay. The cost of the funeral is for you, the next of kin, to decide.

You can make this selection in your own way. We will answer inquiries with helpful guidance, but the selection of the casket and the cost is yours alone.

Grade School News

Kindergarten
Teacher—Dorothy Updike

Fifty-three children are enrolled in our kindergarten. We are very comfortable and happy in our new room. However, in a week or two we expect to move upstairs into a room that will be all finished and then by Christmas time we will be able to move into our beautiful kindergarten at Patterson School.

We have made a large chart of Father, Mother, Brother, Sister and Baby. We enjoy "reading" their names beside their pictures. It is fun to have so many new friends our own age to play and work with.

One of our friends from Mr. Kaiser's room brought a mole in to visit us one day. We watched him dig his way down in the sand. We have had many turtles and caterpillars too.

Kim Rosacrans was five on the 18th of September. We helped him celebrate his birthday.

Brownville Kindergarten
Teacher—Margaret Heimerdinger

Kindergarten has resumed at Brownville once again. Many anxious boys and girls have started the first year in their education. We shall work for a pleasant and successful year.

We have started a home and family unit by cutting pictures representing our family. We have talked about our family and its many interests. There is a lot to learn about our home and family.

Many activities have taken place in our room. Some of them are stringing beads, playing with puzzles and pegs, and working with clay and crayons. Each new activity is enjoyed by all.

West Branch—Kindergarten
Teacher—Myrna Bugbee

School days have finally arrived for 56 little folks here at West Branch. We were so anxious to start so that we might find out just what school is like. We like our room very much. There are so many toys and nice things in it. We especially like to lie on our new rugs. We like our lunch time too. We have talked about our families and also our pets. Gwendolyn Tingley brought her puppy to show us. His name is Zip.

Several of us have brought flowers for our room. They look so pretty. We have learned several songs and little poems. We like to act them out. Miss Bugbee has read us several stories. We especially liked the story about "The Goat That Went To School."

We have made some head bands with our names on them. We want to wear them when we go to visit the first and second grade rooms.

We think school is lots of fun!

First Grade
Teacher—Joyce Warner

We are all happy to be back in school. We enjoyed our vacation but we are glad to see all of our friends again.

We have twenty-seven boys and girls in our room. We are quite crowded in our room but we hope to be in a bigger room soon.

We have all met Dick and Jane and Sally and their pets, Spot and Puff. We will be seeing and learning about them in our reading.

We are learning about animals in science. We talked about how they are alike or different.

First Grade
Teacher—Mrs. Pat Sclater

We have 30 children enrolled in our room.

The class has been divided into three reading groups which are called the Pumpkins, the Squirrels, and the Leaves. These names relate to the fall season.

First Grade
Teacher—Mrs. McFerran

Monday, Sept. 14, Tim Rinehart celebrated his sixth birthday. Timmy's mother brought a treat for each one.

A Pet Show will be held Friday, Sept. 18. Any toy animal may be entered.

First Grade
Teacher—Marvel Steinhoff

School has begun for thirty-five first graders at West Branch School. We like our room very much because it is bright and cheerful. We are decorating it with signs of autumn.

We are learning to handle and learn from many books. We like our reading book which tells picture stories about Dick, Jane and Sally the best. We are also learning to print our names. The boys and girls also love to sing and like their music period very much.

First Grade—Library
Teacher—Mrs. Faling

Hello everybody! We are so glad to have the opportunity to tell you what we are doing in our room this year.

We are sorry that Patterson wasn't ready for us. We are still lucky, though, to have our new tables and chairs. We are trying very hard to keep them just like new so they will be nice when we move. Mrs. Faling likes her new desk, too.

We have captains for our tables and every week we see which table can receive the most marks. This helps us to get in our seats faster and get ready for school. Each one of us looks forward to the job as captain.

We have met Dick, Jane, Sally, Spot, and Puff already in our reading books. We know every page brings something different.

In Arithmetic we are learning the difference between many and few. We made charts for each and drew pictures to show the difference.

Another thing we want you to know is that we have Science in First Grade. We like this very much and have been talking about our pets. We also learned the names of many baby animals that we didn't know before. For science, too, we keep a weather chart and we take turns being the weather man.

We had a cat visit us last Thursday all day. He slept in Mr. Schultz's chair.

Stanley Wise had a birthday. He is six years old. We like our big wooden birthday cake and we have seven candles for it. Some of us will be seven soon.

Before we leave you this month, we want you to know how much we enjoy Mrs. Schippers and her songs she teaches us. She visits us twice a week. Last year the First graders here didn't see her.

That's all for this month. We hope you've enjoyed our news.

First Grade
Teacher—Mrs. Elsie Neitling

There are thirty-four in our room. We have learned each others name and think we are going to have lots of fun playing and working together.

We have many new books in our room and are very proud of them. We like the bright pictures in them and we will soon be able to read about the boys and girls in the pictures.

Many of us can count and recognize our numbers to ten.

We are learning the names of our colors. We know the words red, blue, yellow and green when we see them.

We have a big flag in our room. We all say the pledge to our flag every morning. We are learning to sing "America."

We like story-time. We are hearing about Little Brown Koko who went to first grade.

LEGION AUXILIARY INSTALLS OFFICERS

Annual installation of officers of the Auxiliary of Underwood-Orr Post No. 34, American Legion was held at the Legion Memorial Home Monday evening with Mrs. Kenneth Herrick presiding at the regular business meeting. Delegates to the fall conference in Lansing, Mrs. Donald Woods and Mrs. Harold Easton were elected with Mrs. C. W. Howe and Mrs. Louis Schneider Sr. as alternates.

The Tecumseh ritual team with Mrs. C. W. Howe as installing officer, then installed the new officers of the Glenn H. Daykin Post of Britton, who were guests of the evening. Mrs. Willard Exelby is president of the Britton unit, Mrs. Mabel Moore, vice president; Mrs. Harold Ousterhout, secretary-treasurer; Mrs. Wilma Tubbs, historian; Mrs. Marie Filter, chaplain; Mrs. Clair Griffin, sergeant-at-arms, and Mrs. Rosemary Autin is a new member of the executive board.

New officers of the Tecumseh post were next installed by Mrs. Schneider, assited by the acting sergeant-at-arms of the ritual team, Mrs. Richard Walker. They are, president, Mrs. Vern Manwaring; vice president, Mrs. Harold Easton; second vice president, Mrs. Robert Lowe; secretary, Mrs. Donald Woods; corresponding secretary, Mrs. William Powell; treasurer, Mrs. Richard Eggleston; chaplain, Mrs. Lyle Grigg; historian, Mrs. Louis Schneider Sr.; sergeant-at-arms, Mrs. Dwight Drake and executive board member, Mrs. Charles Osburn.

Mrs. Perley Wilson, Jackson second district president, was a guest of the auxiliary. Refreshments were served at the close of the ritual, from a table covered by a lace cloth and lighted by tapers in gold and blue. Mrs. Wilson and Mrs. Schneider poured and the committee in charge were Mrs. Ned Rosacrans, Mrs. John Snyder, Mrs. Ernest Peters and Mrs. Jack Smith.

RIDGEWAY

Elmer Linn
Correspondent

Mr. and Mrs. Frank Bartle of Flint were Sunday guests of Mr. and Mrs. William Fletcher.

Mrs. Gladys Mullin of New Boston called on friends in town Tuesday evening.

Mr. and Mrs. J. O. Strong of Melvindale spent the weekend at their home here.

Howard Landin of Ann Arbor visited his wife and son over the weekend at the home of Mrs. Gertrude Birdsall.

Mrs. Robert Hite and son of Reading called on Mrs. Estella Hite, Sunday.

Mr. and Mrs. Elmer Pocklington were guests of Mr. and Mrs. Ed Freer at Macon, Sunday.

Robert Welker is now employed in Toledo.

Twenty friends helped Mrs. Will Fletcher celebrate her birthday Sunday evening. Mrs. Fletcher was remembered with gifts and lunch was served after a pleasant social evening.

---o---

METHODIST GROUP HONORS MEMBERS

Seventy-five people attended the Methodist Adult Fellowship meeting Sunday evening to show their appreciation of the efforts of Rev. and Mrs. Ronald Brunger in making the strength of the Methodist church felt in the community. They also met to express their appreciation for Mrs. Herbert Dillon's loyalty as church organist for the past five years and to honor the Clyde Smith family who are moving to California soon where Clyde will enter an electrical school.

After guests were greeted at the door by the pastor and his wife, refreshments were served by the youth group. Following a period of informal visitation, a short program was presented. Miss Ardis Drewyer gave a group of whistling numbers accompanied by Mrs. Arthur Schwartz at the piano. The guests of honor participated in an unrehearsed skit and the Brungers received a shower of pantry foods while the Smiths were presented with a gift as a token of esteem and Godspeed. Mrs. Dillon, who was unable to be present, also received a gift from the group. Mrs. Kenneth Heflin was in charge of the refreshments and Mrs. Lenore West assisted with the shower.

Adult Fellowship will meet again Sunday evening, October 11, when there will be an election of officers. Mrs. Smith is the retiring president.

---o---

Locals and Personals

Miss Ann Carson entertained over the weekend Mr. and Mrs. A. J. Rood of Detroit and later this week Mrs. George Brinks and three sons, Bruce, Bryan and Buell came from Marion, Mich. for a visit of several days in the Carson home.

Capt. Dorothea Garrison returned to duty in the Pentagon Building, Washington, D. C. after a three week's furlough with her parents, Mr. and Mrs. L. G. Garrison. Mrs. Ellen Clements rode back with her as far as Newcastle, Penn.

---o---

SENATOR FURGASON WILL BE HERE FRIDAY MORNING

Senator Homer Furgason will be in Tecumseh Friday morning enroute to the Lenawee county fair. He will meet informally with friends at Don's Grill, at 9:30 a.m. Everyone interested is invited to be on hand.

BRITTON

Mr. and Mrs. Warren Lewis are announcing the engagement of their daughter Marlene Ann to Gerald Sommers. The wedding date has been set for Oct. 17.

Mrs. James Gephart and son Gregory spent Sunday in the Everett Gephart home in Adrian.

Mr. and Mrs. William Cundiff and Mrs. Ida Miller were among those attending the golden wedding anniversary of Mr. and Mrs. Albert Rodd in Temperance, Sunday.

Mrs. Martin Greunke of Toledo was pleasantly surprised Sunday evening when her sister, Mrs. Don Craig and family entertained in honor of her birthday anniversary. Guests included Mr. Greunke and children, Mr. and Mrs. Joe Loveless of Tecumseh and Mr. and Mrs. Wayne Dunbar and son, Greg.

Mr. and Mrs. Robert Gibson entertained at dinner Saturday evening in honor of Mrs. Alex Gibson who was observing her birthday anniversary. Mrs. Gibson received many nice gifts. Besides the hosts and their four children places were set for the honored guest and her husband, Mr. and Mrs. Loren E. Davis and sons of Adrian, Mr. and Mrs. Kenneth Boyd and Mr. and Mrs. Percy Boyd of Detroit, Mr. and Mrs. Earl Murphy and Mrs. Mary Cleveland of Tecumseh and Mrs. Rose Simpson of Deerfield.

---o---

FORMER RESIDENT RECEIVES HONORS FROM UNIVERSITY

An announcement in a recent issue of the University of Michigan Alumnus tells of honors conferred by Rollins College, Florida, on one of the university's distinguished alumni, Charles B. Hurry of the class of 1900. To many Tecumseh residents the honor comes to one of their friends and fellow citizens and a graduate with the class of 1896 of Tecumseh high school.

The award given is the Algernon Sidney Sullivan medallion, described as the highest honor within the gift of the college trustees, not excepting honorary degrees, and was given Mr. Hurry in recognition of his work as international secretary of the Y. M. C. A., a position he held for many years with much distinction.

Rillins president, H. F. McLean referred to him as "an international ambassador of good will to many nations on three continents, who has made a lasting impression on the youth of many lands."

Charles Hurry is the son of the late Mr. and Mrs. Bazilla Hurry, who lived in Franklin township and later in Tecumseh. He attended school here with his brother Clarence, who until his death three years ago was in government service, and his sister, Harriet, at one time a teacher in Tecumseh schools who, now retired, lives in Grand Rapids.

He has had a long and distinguished career in his profession and is an excellent public speaker and fluent linguist. He is president of the Hispanic Institute of Florida and has been associated with Rollins College for several years. The Hurrys live in Winter Park, Fla. and have two grown daughters.

I'm Often Wrong

By Neil Hunter

BETTER LUCK THIS WEEK—"Don't do that again to us," Mrs. Ben Hammack demanded after finding I'm Often Wrong squeezed out last week, "That's the first thing I turn to" . . . we wish it was really all of that good, but we try anyway, one thing about a column, it's the most fun in the whole business . . . get's you close to people, close to friends, close to laughs . . . we've found out the many real things that make Tecumseh tick . . . you know, there's a different attitude in Tecumseh, different than in other places . . . you've heard of Southern hospitality, or Western cordiality, well Tecumseh has some kind of an ality, can't describe it, other than it's good, but we've felt it . . . like Mrs. Lee Phibbs and her joy in having an Easter lily, plus a forsythia, in bloom on Center drive . . . or like our brave little friend Joey Hanna recovering from polio over in Ann Arbor . . . write to him if you will, means so much when you're sick, specially away from home . . . send a card or a letter today, tell how you feel, Joey Hanna, University hospital, Children's Ward 6 West, Ann Arbor, Mich. . . . if anyone has a copy of Wm. Lyon Phelps, "What I Like In Poetry" we know someone who'd like to borrow it this weekend . . . we've always believed that the kind of business where one side goes away believing it has got the better of the other side is bad business. Good business gives satisfaction to all who take part in it. Business put through with a contribution from each side produces higher morale and assures a continuation of future business dealings on a high level.

FIFTY YARD SEAT — What season can beat the fall? When we again dust off our favorite parlor seat on the fifty yard line to watch our favorite sport, college football on TV. Yep, she's already full underway with twelve more Saturday afternoons ahead, NBC-TV style. Actually we'll have four seats (in one), two on the fifty, one on the twenty and another in the end zone. Without moving from our soft rocker we can jump from one seat to another until Dec. 5. Here is the TV football schedule:

Sept. 26—Dartmouth vs Holy Cross
Oct. 3—California vs Ohio State
Oct. 10—Texas vs Oklahoma
Oct. 17—Alabama vs Tennessee
Oct. 24—Four game panorama, Princeton vs Cornell, Arkansas vs Mississippi, Illinois vs Syracuse, Iowa vs Indiana
Oct. 31—Minnesota vs Pittsburgh
Nov. 7—Panorama, Florida vs Georgia, South Carolina vs North Carolina, Northwestern vs Wisconsin, Kansas vs Kansas State
Nov. 14—Michigan State vs Michigan
Nov. 21—Southern California vs UCLA
Nov. 26—Utah vs Brigham Young
Nov. 28—Army vs Navy
Dec. 5—Notre Dame vs Southern Methodist

Delicate, petal-soft pastels and deep, rich, stained-glass hues — shades to compliment every color scheme—make Springfield all-wool blankets the choice for unmatched beauty. And the superb warmth of all-wool is unmatched for perfect sleeping comfort. A wide choice of weight and size is available. Select Springfield all-wool blankets for your own bedrooms and for cherished gifts.

Rosacrans

MACON

Mrs. Hamilton Moore
Correspondent

The Macon Community Club met Tuesday evening at the home of Mr. and Mrs. Joseph Sheward with eighteen present. Franklin Bush, recently returned from Korea, showed beautiful colored slides and gave an interesting talk on that country. Refreshments were served in conclusion.

Cheryl Mickle, daughter of Mr. and Mrs. Ralph Mickle broke her ankle in a fall from her bicycle.

Mr. and Mrs. Bert Bruder spent Thursday in Lansing visiting their son Clifford and family. Sunday guests in the Bruder home were Mr. and Mrs. Chalmer Bruder and family of Belleville and Mr. and Mrs. Edward Furlong of Ypsilanti.

The W.S.C.S. meets this Thursday at the home of Mrs. Lois Jordan. All fancy work and aprons for the church fair to be held Oct. 9 are to be taken to the meeting.

Mr. and Mrs. Mark Carie of Mason spent Sunday in the Steve Hasted home.

Glen Nash of Onsted spent Sunday with Mr. and Mrs. Joseph Horvath and Mr. and Mrs. Lloyd Hall.

Mr. and Mrs. Riedy and three sons have moved from Tecumseh to the tenant house of Clayton Bigelow recently vacated by Mr. and Mrs. Martin Korth.

Mr. and Mrs. Lewis Horvath of Dearborn spent Sunday with Mr. and Mrs. Joseph Horvath.

Mrs. Edith Kimmer of Tecumseh spent Sunday with Jean Merritt.

Mrs. Kate McKennie was honored guest Sunday afternoon for an open house in honor of her eightieth birthday.

Mrs. Delia Clark has returned to the home of Mr. and Mrs. John Ladd to spend the winter.

Edward DeJorski is a patient at University hospital, Ann Arbor.

Eleven members of the Macon church board met Wednesday evening. Shingles for the new church roof have arrived and will be put on the last of this week.

Mr. and Mrs. Marvin Straigh of Detroit spent Saturday with her mother, Mrs. Pearl Kuder.

Lee Smith severely cut his hand Saturday, requiring six stitches to close the wound.

Mrs. Sam Tanona is a patient at St. Joseph hospital, Ann Arbor.

Mr. and Mrs. Raymond McGlouin of Detroit visited Macon friends Saturday.

Mrs. Robert Leidel and Mrs. Carl Leidel of Maybee spent Monday with Russell and Dick Vershum.

Mr. and Mrs. George Uphouse of Manchester were Sunday guests in the homes of Mr. and Mrs. Herman Mehler and Mr. and Mrs. Paul Hammond.

Mr. and Mrs. John Taylor and Mr. and Mrs. Hamilton Moore and Richard were among those who attended the Brotherhood program Sunday afternoon at the Fairgrounds.

Twelve members of the Macon Homemakers Extension Club met Thursday at Moore's recreation room and made sixteen mirrored aluminum trays. Potluck dinner was served at one o'clock. The club is purchasing a light for each bicycle belonging to children in the Macon village school, at no cost to the student.

Twenty-four young people attended the M.Y.F. Sunday evening. Mrs. Vaughn Whited led the devotions. The group is making plans for a party in October.

STRENGTH FOR THESE DAYS
from The Bible

My righteousness I hold fast, and will not let it go; my heart shall not reproach me so long as I live.—(Job 27,6.)

The man who refuses or neglects to live righteously may fool himself and others some of the time—but he cannot for a moment fool his conscience which is forever within him, to speak in the still of the night. He who lives within God, however, lives without fear.

DOE DAY FUN NOT DAMPENED BY RAIN

One of the most enjoyable and certainly the most mirth provoking party ever held at the Country Club was staged Saturday by the Women's Association under the chairmanship of Mrs. O. W. Laidlaw, in observance of Doe Day. As costumed figures arrived, each more zany than the one before, dignity and inhibitions were left outside with umbrellas and cap and bells were the order of the day.

Golf had been scheduled for the morning but neither weather nor costumes lent themselves to the game and the links were abandoned early although prizes were awarded. Even at the eighteen tables arranged for cards serious play frequently gave way to hilarity at the sight of new arrivals and the carnival spirit of the group welcomed the costume parade planned by Mrs. Al Merz and Mrs. Paul Ammer at 12:30 when all passed in review and the judges, Mrs. F. C. Hanna, Mrs. Earl Wickwire, Mrs. Luther Kemp and Mrs. Joseph Rohweder made the difficult decisions as to the best, funniest and most original.

. . . BRITTON . . .

More than 100 persons attended the family night and reception for the Britton-Macon Agricultural school teachers Thursday evening at the Methodist church. Members of the faculty, cooks and custodians were introduced by Supt. Rudolph Koczman. The group enjoyed a mixer game and was later favored by several organ selections by Dan Greer of Flint.

The Ridgeway and Britton Methodist churches held a joint business meeting Monday evening at the Britton church. Plans are being made for evangelistic meetings to be held in the near future. The board granted Rev. Haybert Woodall a leave during the month of December that he might visit the Holy Land.

Mrs. Mildred Wiggins was hostess to the Dorcas class of the Congregational Christian church Thursday. Nineteen persons enjoyed the potluck dinner. The business meeting, conducted by Mrs. Effie Gibson followed by devotions led by Mrs. Ina Palmer. Elmer Pocklington read several of his original poems. The class will meet Oct. 15 at the home of Mrs. Carrie Murphy in Tecumseh.

Mr. and Mrs. Douglas Fairbanks were hosts to the Christian Duets class of the Congregational Christian church Wedensday evening. Twenty-eight members and two guests enjoyed a potluck supper followed by a business meeting and entertainment. The next meeting will be Oct. 21 at the home of Mr. and Mrs. Paul Rowlands.

Dr. E. H. Babbitt of Adrian College was guest speaker Sunday morning at the Congregational Christian church.

Miss Gail Claxton has entered the University of Michigan in Ann Arbor for the fall term.

Raymond Hannah has gone to Saginaw where he will attend the Michigan Employment Institution for the blind and will receive training for a trade.

The Rev. Vernon H. Schwartz was recently installed as pastor of Immanuel Lutheran church.

HOSPITAL Notes

BIRTHS

September 15, to Mr. and Mrs. Forrest James, Manchester, a daughter.

Sept. 15, to Mr. and Mrs. Bidd Ashburn, Tecumseh, a daughter.

Sept. 15, to Mr. and Mrs. Gerald Filter, Britton, a daughter.

Sept. 18, to Mr. and Mrs. Harmon Fisher, Dundee, a son.

Sept. 19, to Mr. and Mrs. John H. Hamilton, Tecumseh, a son.

Sept. 19, to Mr. and Mrs. Morris Pawson, Manitou Beach, a son.

Sept. 19, to Mr. and Mrs. Ford Mudgett, Tecumseh, a daughter.

Sept. 20, to Mr. and Mrs. Kelly Cole, Clinton, a son.

Sept. 21, to Mr. and Mrs. Reed Shepherd, Onsted, a son.

Sept. 21, to Mr. and Mrs. Richard Jacobs, Tecumseh, a daughter.

Sept. 21, to Mr. and Mrs. Arthur Geisenhaver, Tecumseh, a son.

CELEBRATES BIRTHDAY

One hundred neighbors and friends of Mrs. David McHenney, who lives east of Tecumseh, gathered at her home Sunday afternoon to celebrate her eightieth birthday anniversary. There were flowers and gifts and moving pictures were taken of the guest of honor after which all participated in a potluck birthday supper. Those from Tecumseh attending were Miss Bertha LaPointe, Miss Mary McWilliams, Mrs. Ted LaBounty, Mr. and Mrs. Clarence Beach and daughter and Mrs. Helen Malady.

RALLY DAY

Sunday will be Rally Day at the Methodist church when there will be promotions in the Sunday school and recognitions of teachers. The kindergarten, nursery school and primary pupils will present songs, there will be a combined Junior and Senior choir and a drama "Take a Look" will be presented. All classes are to meet at 10:30 for roll call and then gather in the Sanctuary for combined services.

Legal Notices

Order For Publication.
Determination of Heirs.
STATE OF MICHIGAN,
THE PROBATE COURT FOR THE COUNTY OF LENAWEE.

At a session of said Court, held at the Probate Office, in the City of Adrian, in said County, on the 22nd day of September A. D. 1953.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of EMMA L. CLARKSON, deceased.

Clara L. Vandersee, successor in title to real estate formerly owned by said deceased, having filed in said court her petition praying that said court adjudicate and determine who were at the time of her death the legal heirs of said deceased and entitled to inherit the real estate of which said deceased died seized.

It Is Ordered, that the 12th day of October A. D. 1953 at ten o'clock in the forenoon, at said Probate Office, be and is hereby appointed for hearing said petition;

It Is Further Ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in the Tecumseh Herald a newspaper printed and circulated in said County.

L. B. KUNEY,
Judge of Probate.

A true copy.
HAZEL D. GREGG,
Register of Probate. 10/8

LOCALS

Mr. and Mrs. Berford Barber and family of Saginaw spent the weekend with Mrs. Clyde Barber.

Mrs. Burt Gray spent last week in Detroit visiting relatives.

Sally Rentschler, who graduated from the Ann Arbor high school with honors last June, is enrolled in the School of Music at the University of Michigan and lives in Prescott House in the East Quad.

Mr. and Mrs. James Beardsley returned Sunday from a three day canoe trip down the Pere Marquette river. They launched their canoe at Baldwin and left the river at Ludington, camping out for the two nights enroute.

Mr. and Mrs. Elliott McLain and daughter Maureen of Detroit have returned from a month's vacation, spent touring the New England states and visiting Quebec, Montreal and Ottawa, Canada. They spent some time at Rangley Lake in northern Maine and at Lake-of-the-Woods, Canada and visited friends in Winnipeg.

Mr. and Mrs. Paul Breitenwischer took their daughter Joan to Marygrove College, Detroit, Sunday, where she will begin her sophomore year.

Mr. and Mrs. Frederick Ward and family have moved to their new home in Center Court, Herrick Park.

Mr. and Mrs. Paul Velandra had as guests Sunday, Mr. and Mrs. Hector Van Brendt and Herman Kleindinst.

FAMILY NIGHT

The Methodist church will hold its first Family Night of the fall season Monday evening at 6:30. A unique supper and program is planned.

Rev. Adolf Bergman, Manchester, formerly a Methodist preacher in Latvia and Estonia, will superintend the cooking of a genuine and ordinary Russian meal. Following supper, Rev. Bergman will present a Russian program. This is the first in a projected series of family nights, with a world friendship theme.

RESUME MEETINGS

Mrs. T. Rentschler, president of the Girl Scout Association, announces that organized troops are resuming meetings after the summer recess and that new troops will be organized as soon as good leadership can be provided.

Born, Sept. 19, to Mr. and Mrs. Albert Bagshaw, a daughter.

1938

Born, Sept. 17, to Mr. and Mrs. Dwight Hodges, a son.

Owen Campbell and Pauline Bagshaw were five years old this week and celebrated the occasion with a party at Green Lane Academy, Monday.

Mr. and Mrs. Walter Morden celebrated their 25th wedding anniversary, September 14.

Mr. and Mrs. E. J. Lowry have moved to their new home on N. Union street.

Mr. and Mrs. Floyd Guy have purchased the Carrol Frost property on N. Maumee street.

Rev. and Mrs. Edward Escolme were surprised by a group from their congregation, Sept. 16 in honor of their 12th wedding anniversary.

The removal of passenger service on the Jackson branch of the N.Y.C.R.R. is being protested by the village council.

1943

Mr. and Mrs. Clair Ramsay of Ann Arbor have purchased the Myra Mangus property, corner of Kilbuck and Ottawa streets and will move here this week.

The Misses Marjorie VanWinkle, Jean Marie Herrick and Jacqueline Costigan have entered Michigan State College.

Mrs. Eula Large has purchased the Smith property on W. Pottawatamie street and the Smiths will move to their new apartment in Dearborn in October.

Farmers may use gasoline to attend agricultural fairs as this is considered a farming operation.

Tecumseh BOOK SHELVES Library

(The fifth and last of a series of articles recording the history of the Library).

The "new" Carnegie Public Library was built during the year 1904. The furniture was installed, books, 8,808 of them, were moved and the building, whose seating capacity was 52, was ready for formal dedication Feb. 10, 1905.

This was made an impressive occasion. The ceremonies took place at the Presbyterian church and there was music by the high school chorus, and the popular "Sunbeam" quartette. A former superintendent of schools, Prof. L. M. Kellog spoke as did Tecumseh's most illustrious alumnus, Dr. Claude VanTyne, head of the University of Michigan's history department. The main address was delivered by the then president of the university, Dr. James B. Angell, and Joseph Smith as chairman of the building committee, formally presented the library to Dr. L. D. North, head of the Board of Education. Thus after seventy-five years of effort toward that end, Tecumseh had an adequate, free, public library.

Mrs. Gertrude Huey continued as librarian until 1910, when because of failing health, she was replaced by Miss Alice Satterthwaite, a recent graduate of the high school and of Hillsdale college. When Miss Satterthwaite left to be married in 1914, her place was taken by Miss Beth Widney, daughter of Mrs. Alfred James, who remained until 1918.

At that time Miss Edith Ingersoll began her 22 years of service, during which a generation of the town's young people grew up to remember her help in references and "required reading." On her retirement in 1944, Miss Ruth Harding took over and with the help of Miss Garnet Saum and now of Miss Patricia O'Brien, still presides at the library desk.

Beginning in 1910, the library was given a substantial number of excellent books, perhaps nearly 1,000 in all, by a descendant of an old Tecumseh family who was himself born here, Tefft Hewitt of Pittsburgh. Although he did not live here for any length of time, he had a sentimental interest in the town, but the gift was made because of more deeply personal reason, in memory of a little daughter who had loved books all her short life. Most of the volumes were either classic or valuable reference and the Tefft Hewitt bookplate is still found by an occasional reader.

There have been other smaller gifts of varying importance and the tiny grant of "library money" received from the state in the early days has now grown to a major part of the supporting income. In 1945 the school district voted a direct tax for the maintenance of the library, thus relieving the local school funds. But with the increase of state aid (taxes returned to local units under the guise of gifts) has come increased state domination and, while the school board of District No. 7 has nominal jurisdiction over its affairs, Tecumseh's free public library is rapidly becoming a state controlled institution.

OVER FIFTY CLUB HAS SCHOOL PROGRAM

The Over Fifty Group met in the Social room of the Methodist church Thursday noon for a potluck luncheon and program on the subject of "Back to School."

School began at one fifteen o'clock with Mrs. T. Rentschler as teacher. The assembly sang "School Days" and then all participated in relating school experiences. Many former teachers were mentioned among whom were the Misses Hettie and Edna McClue, Professors Lyman Kellogg, Eugene Wilson, D. A. Hammond and Claude Jordan, also Miss Nannie Kyle and Flora Hartbeck Bidwell were remembered. Mrs. R. S. Moore sang the multiplication tables as that was the method of teaching years ago. Miss Bel Plummer recited the alphabet backwards with rapidity. Several gave recitations which they remembered reciting on Friday afternoons or on special occasions. The entire program was unrehearsed and after playing two games the pupils stood, turned, and passed. School pictures, books, report cards, and teaching methods were on display and caused much conversation.

Center pieces for the tables were slates made of construction paper. The group will meet again on the second Thursday in October with the Temple Dependable Circle as hostesses. Mrs. George Wittrup assisted Mrs. Rentschler with the arrangements.

STATE OF MICHIGAN,—s.s.
COUNTY OF LENAWEE.

I, Robert B. King, Clerk of Lenawee County and of the Circuit Court thereof, the same being a Court of Record, and having a Seal, do hereby certify that I have compared the attached copy of Order of Appearance with the original and have found it to be a correct transcript therefrom, and of the whole thereof.

In Testimony Whereof, I have hereunto set my hand and affixed the seal of said Circuit Court this 19th day of August, 1953.

R. B. King, Clerk.

STATE OF MICHIGAN
CIRCUIT COURT FOR THE COUNTY OF LENAWEE
In Chancery

ROBERTA B. GREENMAN, (formerly known as Roberta B. Lupton)
Plaintiff
vs.
ORDER OF APPEARANCE
W. J. C. HASTINGS, and wife, NANNIE, CHARLES F. HASTINGS, and wife, ANNA, JOHN R. HASTINGS, and wife, MINNIE, NELLIE LAWRENCE, MARTHENA MOSHER, MARY MILLER, JAMES B. HUNTER and JOHN HASTINGS, or their unknown heirs, devisees, legatees and assigns, and all persons who might claim under the persons named, any dower or homestead right whether vested or unchoate, at the time of beginning such suit or proceeding.
Defendants.

At a session of said Court held at the Courthouse in the City of Adrian in said County on the 19th day of Aug., 1953.

PRESENT: Honorable Henry I. Bourns, Circuit Judge.

On reading and filing the Bill of Complaint in said cause and the Affidavit of Roberta B. Greenman attached thereto, from which it satisfactorily appears to the Court that the Defendants above named, or their unknown heirs, devisees, legatees and assigns, are proper and necessary parties Defendant in the above entitled cause, and

It further apeparing that after diligent search and inquiry it cannot be ascertained, and it is not known whether or not said Defendants are living or dead, or where any of them may reside if living, and, if dead, whether they have personal representatives or heirs living or where they or some of them may reside, and further that the present whereabouts of said Defendants are unknown, and that the names of the persons who are included therein without being named, but who are embraced therein under the title of unknown heirs, devisees, legatees and assigns, cannot be ascertained after diligent search and inquiry,

On motion of J. C. Beardsley, Attorney for Plaintiff, it is ordered that said Defendants and their unknown heirs, devisees, legatees and assigns cause their appearance to be entered in this cause within three months from the date of this order, and in default thereof that said Bill of Complaint be taken as confessed by the said Defendants, their unknown heirs, devisees, legatees and assigns.

Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the west 10 feet thereof.

It is further ordered that within forty days Plaintiff cause a copy of this order to be published in the Tecumseh Herald, a newspaper printed, published and circulated in said County, such publication to be continued therein once in each week for six weeks in succession.

Henry I. Bourns
Circuit Judge
R. B. King
Clerk of Circuit Court

Take notice, that this suit, in which the foregoing order was duly made, involves and is brought to quiet title to the following described piece or parcel of land situate and being in the Village of Tecumseh, County of Lenawee, State of Michigan, described as follows, to wit: Lot 4 on the Plat of Eber Shearman Addition to the Village of Tecumseh, except therefrom the West 10 feet thereof.

10/1 J. C. BEARDSLEY.

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 10th day of September in the year one thousand nine hundred and fifty-three.

Present, HON. L. B. KUNEY, Judge of Probate.

In the matter of the estate of HENRY WILSON, deceased.

On reading and filing the petition of Myrtle Wilson, executrix upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that her final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 5th day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in the Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

L. B. KUNEY,
Judge of Probate.

New word for GETAWAY } "TT" DYNAFLOW!*

WORLD'S ONLY VERTICAL VALVE V8

The 1953 Buick Super Riviera. Wire wheel covers, illustrated, optional at extra cost.

We'll get right to the point.

The comments we've been getting from many new Buick owners about the new Twin-Turbine Dynaflow are terrific.

And the reason is—this fully automatic transmission is, in itself, terrific.

It has a new, firm, solid "take-hold"—gives you instant getaway response.

It has new quiet—you can barely hear the acceleration build-up.

It has unique and utter simplicity of operation. You just move your Selector into Drive range, press the pedal, and go. *That's all.*

But the sweetest thing of all about TT Dynaflow is its smoothness.

You move from standstill to your legal speed in one progressive build-up of power delivery.

You feel a constant "carry" of forward motion, unbroken in any way—because here no gearshifting takes place, either manually or automatically.

Even your deceleration is infinitely smooth and gradual, with the cushioned control of flowing oil slowing down.

Wouldn't you like to sample this wonderful new getaway and pleasant quiet and immaculate smoothness?

We'll be glad to seat you at the wheel of a new 1953 Buick with Twin-Turbine Dynaflow—and let the thrills come where they may. Drop in soon, won't you?

WORLD'S ONLY CAR *with all these features:*
V8 VERTICAL-VALVE FIREBALL ENGINE } Roadmaster and Super
DYNAMIC FLOW MUFFLER
TWIN-TURBINE DYNAFLOW* • POWER STEERING*
